Oak Park Library / S22011

Bldg - Libraries

Council District:	4	Priority Score:	86
Community Planning:	Mid-City: Eastern Area	Priority Category:	High
Project Status:	Continuing	Contact Information:	Gibson, William
Duration:	2022 - 2030		619-533-5401
Improvement Type:	New		wgibson@sandiego.gov

Description: This project provides for the design and construction of a new library of approximately 20,000 square feet and a new book sorting facility of approximately 10,000 square feet. The library building will consist of entry/community services, technology lab, reader service area, informal reading/special feature area, reference area, multipurpose room, community room, adult/young adult area, children's area, and staff support areas. The facility will also require a parking lot as well as building entrance and path of travel from nearby school and park areas. This project was converted from P20004 in Fiscal Year 2022.

Justification: The existing Oak Park Library is only 5,200 square feet and is insufficient to meet the needs of the growing community. The existing library is too small to provide adequate programming and informational services to the library system and the region, and could not support the technological and programmatic needs of the future. The proposed project will utilize a Community Based Competitive Design (CBCD) delivery method to reach the ultimate goal of expanding the Oak Park Branch Library to a new 20,000 square foot facility. Under the CBCD method, teams of designers and contractors will compete for public votes on their unique designs of the library. Designs will be based on community input and desires, including exterior looks and interior features and amenities.

Operating Budget Impact: Staff from the existing library will be used to support operations in the expanded facility. Ongoing operational budget for non-personnel expenditures will be needed for the book sorting facility and for the increased landscaping, janitorial services, and security needs.

Relationship to General and Community Plans: This project is consistent with the Eastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: RFP solicitation began in Fiscal Year 2023 and was completed in Fiscal Year 2025. Design-build contract was awarded in Fiscal Year 2025. The design component of the design-build is anticipated to be completed in Fiscal Year 2026, with the construction component anticipated to be completed in Fiscal Year 2028.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2026.
