Description: This project provides for the design and construction of a new Central Library of approximately 500,000 square feet, with approximately 250 underground parking spaces dedicated to library patrons. It is large enough to accommodate library needs for 20 years and contain expansion space to accommodate growth for an additional 30 years. The expansion space has been leased for 40 years by San Diego Unified School District for a Charter High School. The lobby is opens to the courtyard, which contains an outdoor café, and there is a 350-seat auditorium adjacent to the lobby. The top floor houses special collections and provide public amenities including an airy reading room, a 400-seat multi-purpose room, an art gallery, a small public meeting room, and a series of open terraces.

Justification: The existing Library was too small to provide adequate library and informational services to the library system and the region, and could not support the technological and programmatic needs of the future.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001 and was completed in Fiscal Year 2010. Construction began in Fiscal Year 2011 and was completed in early Fiscal Year 2014. The grand opening occurred on Saturday, September 28, 2013. Post construction as-built drawings will be completed in Fiscal Year 2017. This project is anticipated to be closed by the end of FY2017.
