

Engineering & Capital Projects

Streets and Bridges

Sorrento Valley Road & Interstate 5 Interchange 52-765.0

Community Plan: Torrey Pines

Council District: 1

Description: This project will provide for a new freeway interchange to address traffic congestion. The project will be constructed in coordination with Caltrans and FHWA. Land acquisition will be required.

Justification: Traffic is at Level of Service I and is severely impacted by stoppage for trains at the Coaster Station.

Operating Budget Effect: The operating budget effect will be determined upon completion of the design phase. Operating budget effect estimate can be provided concurrently with the City Council action authorizing the construction contract.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's Progress Guide and General Plan.

Scheduling: Preliminary Design began in Fiscal Year 2007. Design and land acquisition are scheduled in Fiscal Year 2010 and construction is scheduled for Fiscal Year 2011 contingent upon receipt of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2008.
