Fiscal Year 2011 Summary

The Capital Improvements Program (CIP) budget allocates existing funds and anticipated revenues to rehabilitate, restore, improve, enhance, and increase the City's capital facilities. This budget supports the design and construction of a wide range of infrastructure improvement projects and other significant capital infrastructure investments. Projects include the development of park land, construction of water and sewer facilities, acquisition of land for City use, installation of traffic signals or street lighting systems, seismic retrofit of bridges, improvement of street and drainage systems, construction or renovation of City facilities, and acquisition of information technology infrastructure. These funds are derived from various sources, including sewer and water fees, a one half-cent local sales tax for transportation improvements (TransNet and TransNet Extension), development impact fees, sale of City-owned property, and State and federal grants. Bonds are usually issued for large and costly projects with an extended useful life such as sewer and water treatment plants, pump stations, and pipe replacement or rehabilitation, and deferred capital project needs.

Overview of the Fiscal Year 2011 Adopted CIP Budget

The Fiscal Year 2011 Adopted CIP Budget totals \$299.6 million. This is a reduction of \$153.6 million or 33.9 percent from the Fiscal Year 2010 Adopted CIP Budget of \$453.2 million¹. The Fiscal Year 2011 CIP budget process incorporates two significant changes which contribute to the reduction between Fiscal Years 2010 and 2011 budgets. Projects are budgeted in the Fiscal Year 2011 Adopted CIP Budget to conform to the Budget Policy (Council Policy 000-02). The Utilities Undergrounding Program, for example, shows a reduction in the CIP budget in Fiscal Year 2011; however, this is the result of only budgeting capital costs in the CIP budget. The majority of costs for this project are payments to San Diego Gas & Electric for project implementation with no resulting City asset and are included in the fund's operating budget. As a result, costs that are not capital in nature have been moved to operating budgets. In addition, a new feature has been added to the Fiscal Year 2011 budget, shown under the heading "Fiscal Year 2011 Anticipated" in volume III of the Fiscal Year 2011 Adopted Budget, to identify and separate funding that was uncertain to be received at the time the budget was proposed but may be appropriated during the fiscal year. For Fiscal Year 2011, an additional \$222.5 million of funding for CIP projects is shown as anticipated funding and is not appropriated.

Deferred capital projects and Americans with Disabilities Act (ADA) obligations are two of the eight significant priorities maintained in the Five-Year Financial Outlook issued in October 2009. Since Fiscal Year 2008, approximately \$142.0 million has been appropriated for facilities, streets, storm drain and other deferred capital projects, funded by proceeds from land sales, bond financing, and Proposition 1B funding. A second proposal for bond financing is anticipated to come before City

1. The Fiscal Year 2010 Annual CIP Budget excludes grants and other funding sources requiring additional City Council action. This is a change from the Fiscal Year 2010 Annual CIP Budget publication and is due to new requirements resulting from the transition to SAP (OneSD).

Capital Improvements Program

Fiscal Year 2011 Summary

Council in late Fiscal Year 2011 or Fiscal Year 2012 to continue efforts to address the City's approximately \$900 million backlog of deferred projects. In addition, \$30.0 million of land sale proceeds has been appropriated to support ADA improvements since Fiscal Year 2008. Until the real estate market improves, the City is not budgeting additional ADA projects in Fiscal Year 2011.

Water and sewer projects in the Fiscal Year 2011 Adopted CIP Budget are funded by water and sewer rates. On February 26, 2007, City Council approved water and sewer rate increases. Water rates will increase 6.5 percent each year through Fiscal Year 2011. Sewer rates increased 8.75 percent in May 2007 and May 2008, 7.0 percent in May 2009, and 7.0 percent in May 2010. The revenues generated from these rate increases are projected to fund approximately \$444.7 million of water and approximately \$295 million of sewer projects over this time period.

The Fiscal Year 2011 Adopted CIP Budget includes \$13.4 million of TransNet Extension cash to support transportation projects. An additional \$19.6 million of Proposition 1B funding was received late in Fiscal Year 2010 and was authorized by City Council Resolution R-305335 on November 12, 2009. Approximately \$18.7 million of facilities benefit assessment and development impact fee funding is included in the Fiscal Year 2011 Adopted CIP Budget to support a variety of projects, including park, storm drain, library, and transportation enhancements. The following table shows the total Fiscal Year 2011 Adopted CIP Budget by asset owning department.

Table 1: Fiscal Year 2011 Adopted CIP Budget by Department Compared to Fiscal Year 2010

Department	FY 2010 ^a	FY 2011 Adopted	Change Between FY 2010 - FY 2011

Total	\$ 453,241,092	\$ 299,619,898	(153,621,194)

a. The Fiscal Year 2010 Annual CIP Budget excludes grants and other funding sources requiring additional City Council action. In addition, projects have been re-assigned among departments. This is a change from the Fiscal Year 2010 Annual CIP Budget publication and is due to new requirements resulting from the transition to SAP (OneSD).

As reflected in the following chart, water and wastewater projects account for 60.5 percent of the total Fiscal Year 2011 Adopted CIP Budget. Buildings, which include libraries, public safety facilities, pump stations and treatment plants, account for 21.4 percent of the Fiscal Year 2011 Adopted CIP Budget. Transportation projects account for 10.8 percent of the budget.

Capital Improvements Program

Fiscal Year 2011 Summary

Figure 1: Fiscal Year 2011 Adopted CIP Budget

Highlights of the Fiscal Year 2011 Adopted CIP Budget by Department

For additional information on budgeted capital projects, please refer to the individual department sections in Volume III of the Fiscal Year 2011 Adopted Budget. The Engineering and Capital Projects Department manages and implements approximately 90 percent of CIP projects. The following project highlights are organized by the department responsible for operating and maintaining the asset once completed.

Airports

The Department's Fiscal Year 2011 Adopted CIP Budget is \$1.8 million. Projects for Brown and Montgomery Fields are funded by a variety of sources, including revenue from leases, parking fees, landing fees, fuel flowage fees, and Federal Aviation Administration (FAA) grants.

Environmental Services

The Department's Fiscal Year 2011 Adopted CIP Budget is \$4.4 million. Major projects for Fiscal Year 2011 include:

- \$1.8 million for Future Waste Management Disposal and Processing Facilities
- \$1.7 million for West Miramar - Phase 2

Fire-Rescue

The Department's Fiscal Year 2011 Adopted CIP Budget is \$550,000 of development impact fee funding for the North Pacific Beach Lifeguard Station. Additional bond financing of approximately \$22.4 million to support deferred capital projects at fire and lifeguard stations is expected in the next tranche of deferred capital project bonds and listed in the CIP budget as "Fiscal Year 2011 Anticipated."

Capital Improvements Program

Fiscal Year 2011 Summary

General Services

The Department's Fiscal Year 2011 Adopted CIP Budget is \$31.4 million. An additional \$128.2 million of funding is anticipated in Fiscal Year 2011 from a variety of sources, including Proposition 1B revenues, grants, donations, facilities benefit assessment fees, land sale proceeds, and the next tranche of deferred capital project bonds. This funding is listed in the CIP budget as "Fiscal Year 2011 Anticipated" and would support various projects such as ADA and transportation improvements. Significant allocations of the Fiscal Year 2011 Adopted CIP Budget include:

- \$7.5 million for the Utilities Undergrounding Program
- \$6.1 million for Torrey Meadows Drive Overcrossing
- \$2.5 million for State Route 163 at Friars Road
- \$1.1 million for the San Diego River Multi-Use Path
- \$1.0 million for New Walkways

Library

The Department's Fiscal Year 2011 Adopted CIP Budget is \$233,000 of development impact fee funding for the Mission Hills and San Carlos Branch Libraries. The Department's major project is the San Diego New Central Library, with a total project cost of \$184.9 million; the budget includes continuing appropriations and anticipated funding from the Centre City Development Corporation, private donations and a lease agreement with the San Diego Unified School District. Anticipated funding in Fiscal Year 2011 for the New Central and other libraries is \$29.1 million.

Park and Recreation

The Department's Fiscal Year 2011 Adopted CIP Budget is \$16.5 million. Park and recreation projects are funded by a variety of sources, including facilities benefit assessment fees, park development fees, development impact fees, and State and federal grants. Projects for Fiscal Year 2011 are located throughout the park system and include children's playground upgrades; accessibility improvements; comfort stations; picnic shelters; sports field and security lighting; new park development; and golf course improvements and upgrades. Additional grant, facilities benefit assessment fees, and other funding of \$19.7 million is anticipated in Fiscal Year 2011.

Public Utilities

The Department's Fiscal Year 2011 Adopted CIP Budget is \$240.9 million. Funding for water and wastewater projects is provided by the rate increases which also support private financing. The Department's CIP budget supports the infrastructure for a reliable water supply and includes projects contained in the Compliance Order from the California Department of Public Health. These projects will meet the requirements of the federal Safe Drinking Act and provide for the needed rehabilitation

Capital Improvements Program

Fiscal Year 2011 Summary

of aging infrastructure. The Department's CIP budget also includes the execution of Federal Consent Decree projects for the wastewater system. Major projects for Fiscal Year 2011 include:

- \$72.6 million for Water Main Replacements
- \$68.8 million for Sewer Main Replacements
- \$26.1 million for replacement of trunk sewers
- \$10.1 million for repair and upgrade of pump stations
- \$7.7 million for Water Pump Station Restoration
- \$5.2 million for the Metro Facilities Control System Upgrade
- \$4.7 million for the North City Reclamation System
- \$3.6 million for Miramar Clearwell Improvements
- \$3.0 million MOC Building
- \$2.5 million for Groundwater Asset Development Program
- \$2.4 million for Standpipe and Reservoir Rehabilitations
- \$2.2 million Torrey Pines Rd/La Jolla Blvd Main Replacements
- \$2.0 million for Chollas Building

QUALCOMM Stadium

The Department's Fiscal Year 2011 Adopted CIP Budget is \$750,000 for as-needed projects at Qualcomm Stadium.

Real Estate Assets

The Department's Fiscal Year 2011 Adopted CIP Budget is \$450,000 for the purchase and installation of fully automated parking garage equipment upgrades.

Storm Water

The Department's Fiscal Year 2011 Adopted CIP Budget is \$2.6 million, all of which is for storm drain repair, replacement and reconstruction. This reflects a \$1.3 million increase for Watershed Projects funded by contributions from the Storm Water General Fund Budget. Projects for Fiscal Year 2011 are pursuant to the National Pollution Discharge Elimination System (NPDES) Permit; mitigating the risk of storm drain failure by replacing corrugated metal pipe with reinforced concrete pipe; repairing damage to streets caused by extraordinary storm events, and enhancing drainage capacity at various locations in the City. The Department will begin construction on Best Management Practices to reduce pollutants and ensure compliance with Total Maximum Daily Load (TMDL) requirements. Additional funding of \$19.1 million from financing and grants is anticipated in Fiscal Year 2011.

Future Outlook for the City's CIP

The CIP budget identifies \$6.8 billion in total projected CIP project costs through Fiscal Year 2017 for continuing, new and future projects. Of this amount, \$1.4 billion is currently unidentified funding. In contrast to prior CIP budget publications, projects estimated to begin in Fiscal Year 2012 or beyond and projects that require identification of funding in order to begin are not included in this CIP budget. These projects will be included in future CIP budget publications.

The Mayor is committed to funding ADA improvements and deferred capital projects for City facilities and other City infrastructure and work continues on deferred capital and ADA projects funded in prior years. A second issuance of bond financing is anticipated to support additional deferred capital

Capital Improvements Program

Fiscal Year 2011 Summary

projects. Revenue from the sale of underutilized real estate assets will be budgeted for additional ADA projects as the real estate market improves and revenue is realized.

Capital Improvements Program

Prioritization Policy

A Capital Improvements Program (CIP) prioritization policy (Council Policy 800-14) was adopted for transportation projects in Fiscal Year 2007. The Council Policy was then revised in Fiscal Year 2008 to incorporate the prioritization of all capital projects. The Engineering and Capital Projects Department continues to score projects in accordance with the detailed requirements of the Council Policy. Due to the size and complexity of the CIP, the Engineering and Capital Projects Department has focused on scoring new projects, which are projects that have completed the planning phase of development within the past two years. For the Fiscal Year 2011 Adopted CIP Budget, priority scores have been provided for transportation projects. It is anticipated that prioritization scoring for all other types of projects will be provided as part of the Fiscal Year 2012 CIP Budget.

The purpose of the Council Prioritization Policy is to establish an objective process for ranking CIP projects to allow decision-makers to have a basis for choosing the most compelling projects for funding. Briefly, the policy states that:

- Projects within restricted funding categories will compete only with projects within the same funding category.
- Projects will compete only with projects within the same asset type (project category).
- Projects will compete only with projects within the same level of completion or project development phase (planning, design and construction).

For transportation projects the policy directs that the following prioritization factors (weights) shall be used to score projects: health and safety effects (25%); capacity and service (20%); project cost and grant funding opportunity (20%); revitalization, community support and community plan compliance (15%); multiple category benefit (10%); annual recurring cost or increased longevity of the capital asset (5%); and project readiness (5%).

For transportation projects, 71 were scored. The mean score for these 71 projects is 46. To provide context and insight, the priority scores for the transportation projects have been grouped into the following categories:

- Category 1: Priority scores in the upper third or the highest 33 percent of all priority scores.
- Category 2: Priority scores in the middle third or the middle 33 percent of all priority scores.
- Category 3: Priority scores in the lowest third or the lowest 33 percent of all priority scores.

In addition, projects that have not completed the planning development phase have not been scored and are noted as preliminary in the following table. It is anticipated that prioritization scoring for these projects will occur in the upcoming fiscal year. Projects that are nearing design completion, are in construction, or have completed construction have not been scored, these are noted as not applicable (N/A). Lastly, annual allocation projects are not scored, rather the sub-projects funded by the annual allocation receive scores.

Guide to the Budget

In order to showcase those projects that are funded and have work in progress, the Fiscal Year 2011 Adopted Capital Improvements Program (CIP) Budget incorporates project pages for all existing or new projects with funding expended, encumbered, continuing appropriations, adopted appropriations for Fiscal Year 2011 or anticipated funding in Fiscal Year 2011. The CIP currently incorporates six fiscal years of data plus an aggregate column of funding for Fiscal Years 2017 and beyond. However, there are many projects that are not scheduled to begin subsequent phases for several years and many of these projects will undergo dramatic changes in scope before they begin. As a result, schedule and cost data estimates will be revised as projects progress. In addition, projects lacking identified funding for project completion are listed in the departments' Unfunded Needs List.

Schedules

The CIP schedules summarize the funding sources and spending areas of capital improvement projects. These are presented in the Financial Summary section.

Schedule I: Fiscal Year 2011 Capital Improvement Projects by Fund

This schedule displays projects with adopted budgets for Fiscal Year 2011 by fund. These projects are listed alphabetically by project title within each fund. Projects with multiple funding sources may be displayed multiple times within this schedule.

Schedule II: Capital Improvements Program by Funding Source

This schedule summarizes the CIP by significant funding source types. Expended and encumbered amounts, continuing appropriations, Fiscal Year 2011 adopted budget, and anticipated funding through project completion, including unidentified funding needs, are included.

Schedule III: Capital Improvements Program by Project Type

This schedule summarizes the CIP by project type with subtotals for major project type categories. Expended and encumbered amounts, continuing appropriations, Fiscal Year 2011 adopted budget, and anticipated funding through project completion, including unidentified funding needs, are included.

Schedule IV: Capital Improvement Projects by Department

This schedule displays all existing projects and all new projects adopted for Fiscal Year 2011. Expended and encumbered amounts, continuing appropriations, Fiscal Year 2011 adopted budget, and anticipated funding through project completion, including unidentified funding needs, are provided. Projects are ordered by department and alphabetically by project title. For specific project pages, refer to the Index by Number or Index by Project Title.

Schedule V: Capital Improvement Projects Unfunded Needs

This schedule displays a list of all existing and new projects with insufficient funding identified to complete the project. In addition to the amount of funding needed, the total estimated project cost is provided and the percent of the total estimated project cost that requires identification of funding. Projects are sorted from lowest to highest unidentified funding percent.

Project Pages

The CIP project pages are designed to provide citizens and City officials with accurate and informative financial and logistical information for every existing CIP project currently in progress and

Capital Improvements Program

Guide to the Budget

new projects scheduled to begin in Fiscal Year 2011. A brief description of project page components is as follows. Project pages are included in the Capital Improvement Projects section.

Project Attributes

Department and Project Type

The department listed is the operating department that will be responsible for operating or maintaining the asset once complete. Each department's CIP is organized by project type. Project types are a more specific manner of categorizing the kind of improvement provided by each project. For a complete listing of all project types, refer to Schedule III in the Financial Summary section. In the project pages, the project type is listed below the department name. Some project types, such as Buildings, are used in several departments.

Project Title and Number

Each project is identified by a unique project number. The first character of the project number indicates the kind of project. The following list describes the characteristics of each kind of project:

A: Annual Allocation – These projects are typically for ongoing repair and replacement requiring funding on an annual basis. Individual projects funded by an annual allocation are typically smaller projects that are expected to be completed in a short timeframe. The funding information provided for annual allocation projects aggregates all funding in existing sub-projects and will fluctuate as individual projects are completed and new projects are added.

S: Standard/Standalone – These projects are typically limited to a single asset but may be of any size and duration.

L: Large/Phase Funded - These projects are a combination of multiple assets into a single project in order to achieve efficiencies. Each individual asset will be capitalized as that portion of the project is completed. As a result, the total estimated project cost will be reduced as each asset is completed.

Council District

This indicates the City Council District (1-8) in which a project is located. Projects that have a Citywide impact or are outside the City limits are also noted.

Community Plan

This component lists affected community planning area(s). Projects that have a Citywide impact or are outside the City limits are also noted. For additional information on community planning areas, refer to the Community Planning section.

Project Status

The project statuses serves as an indicator of project progress. Below is a description of these statuses:

Created – This indicates that the project has been identified but activity has not begun on the project.

Released – The project is in progress.

Technically Complete – The asset is primarily completed and has been put into service.

Closed – The project has been completed and the asset has been capitalized.

Duration

The estimated starting and ending fiscal years are provided for each project.

Capital Improvements Program

Guide to the Budget

Improvement Type

This attribute describes the project's impact on existing assets. A project may provide *betterment*, *expansion*, *replacement* or *widening* of an existing City asset or may result in a *new* asset to the City.

Contact Information

This provides the name, email address and phone number of the project manager, at the time of publication.

Project Description

Description

This component provides a brief statement explaining the scope and boundaries of a project as well as defining its impact on the surrounding neighborhood(s).

Justification/Public Benefit

This component explains why a project is needed and describes any legal requirements for the project, including State or federal mandates.

Operating Budget Impact

This component describes any ongoing operating expenses anticipated upon completion of the project and the impact on the City's operating budget. An operating budget impact table may be included to provide additional detail. The table includes anticipated staffing and expenditure impacts for the next five fiscal years by department and fund. Operating budget impacts include new funding requirements to support the operation and maintenance of the building, facility, park, or other infrastructure once it is opened.

Relationship to General and Community Plans

This component indicates whether a project is consistent with the affected community plan(s) and is in conformance with the City's General Plan. Additional information can be found in the Community Planning section.

Schedule

This component provides the anticipated project schedule and includes the year(s) when design, construction, and other phases are expected to begin and end.

Summary of Project Changes

This component provides a comparison between the Fiscal Year 2011 Adopted Budget and the Fiscal Year 2010 Annual Budget. Changes may have resulted from modifications to the project scope, City Council action (resolutions and/or ordinances), updated total project cost estimates and revised funding sources.

Project Funding

Expenditure by Funding Source

This table lists the amounts, sources, and estimated timing of funding for the project through project completion. Projects typically extend beyond a given fiscal year. The total estimated project cost includes project activity since inception and anticipated in the current and future fiscal years. Expenditures, encumbrances and continuing appropriations from the prior fiscal years are included, in addition to the Fiscal Year 2011 Adopted Budget and projections of budget needs in outlying years. All existing projects will have expenditures, encumbrances, and/or continuing appropriations. These projects may include additional adopted funding in Fiscal Year 2011, as well as in future fiscal

Capital Improvements Program

Guide to the Budget

years, depending upon project scheduling and funding needs. Descriptions of common funding sources for the CIP can be found in the Funding Sources section.

Expended and Encumbered - Projects initiated prior to Fiscal Year 2011 typically have costs and encumbrances. This is shown on the project page as expended and encumbered and includes all funds that have been expended in the project as well as any contractual or other obligations. Expended and encumbered is a cumulative amount since project inception.

Continuing Appropriations - Appropriated funding previously approved by City Council but not yet expended or encumbered is reflected as continuing appropriation amounts. Continuing appropriations are a cumulative amount of unexpended and unencumbered appropriations since project inception.

Fiscal Year 2011 Adopted Budget - This is the amount of funding approved by City Council as part of the Fiscal Year 2011 Adopted Budget. This amount is included in the annual appropriation ordinance, which gives the City the authority to expend from the capital improvement project. The annual appropriation ordinance also provides guidance regarding the administration of the CIP during the course of the fiscal year. Modifications to a project budget may occur during the course of the fiscal year through City Council action.

Fiscal Year 2011 Anticipated – Funding that was uncertain to be received at the time of the budget was proposed but may be appropriated during Fiscal Year 2011 is reflected as anticipated funding for the upcoming fiscal year. Anticipated funding includes sources, such as grants, that require additional City Council approval prior to budgeting or that are unpredictable revenue streams, such as land sale proceeds.

Outlying Fiscal Years - Projects that extend beyond Fiscal Year 2011 include future year cost estimates that are projected based on project scheduling and funding availability. The City is not legally bound to any projections made in Fiscal Years 2012 and beyond because they are not contained within the annual appropriation ordinance. Revisions and refinements of project scope, cost estimates, scheduling, and funding will affect the outlying year projections.

Unidentified Funding - If a specific funding source has not yet been identified to fund completion of the project, the needed funding amount will be reflected as Unidentified Funding. This amount is an estimate based upon the current estimated total project cost and schedule. Changes in project scope, cost estimates and scheduling may affect future funding needs.

Unfunded Needs List

The Unfunded Needs List for each department provides a concise list of projects that are partially funded. This list provides the project title and number, estimated total project cost, amount of funding required for the project to be completed, and the percent of the total estimated project cost that requires identification of funding. Unfunded Needs Lists are included in the Capital Improvement Projects section following the project pages within each department section.

Funding Sources

The Capital Improvements Program (CIP) uses a variety of funding sources to support projects. This section outlines some of the more common funding sources used in the CIP. In addition, Schedule II in the Financial Summary section provides a summary of the CIP by funding source.

Capital Outlay

Capital Outlay Funds are used exclusively for the acquisition, construction, and completion of permanent public improvements or real property; replacement or reconstruction of public facilities; and other improvements of a permanent character. Repair or maintenance expenditures cannot be made from the Capital Outlay Funds. Revenue for the Capital Outlay Funds is derived primarily from the sale of City-owned property but may also come from other sources per Section 77 of the San Diego City Charter.

Community Development Block Grants (CDBG)

Community Development Block Grant (CDBG) funding is programmed in accordance with Council Policy 700-2 (amended November 24, 2009). CIP priorities are developed irrespective of whether or not CDBG funding is to be received by the City. CDBG funding is to be used to supplement the City's CIP program and not as a substitute for other City funding.

Development Impact Fees (DIF)

Development impact fees (DIF) are collected to mitigate the impact of new development in urbanized communities that are near build-out. The amount of the DIF is based on a portion of the financing needed for identified public facilities. Property being developed is assessed the fee(s) at the time the building permit is issued.

Donations

Projects may be funded by contributions and/or donations from private sources, such as residents, developers, private organizations, and businesses. Contributions by developers and vendors may be reimbursed by City funds in future years.

Enterprise Funds

Enterprise funds account for specific services that are funded directly by fees and charges to users. These include the services provided by the Water, Metropolitan Wastewater, Development Services, and Environmental Services Departments, and Airports and Golf Course operations. These funds are intended to be fully self-supporting and are not typically subsidized by any general revenue or taxes. Within each enterprise fund, budgets are developed which are sufficient to fund current year operations and maintenance expenses, as well as provide for current and future years' upgrade, replacement, and expansion-related capital construction requirements.

Facilities Benefit Assessments

Facilities benefit assessments (FBA) provide 100 percent of funding for public facilities projects that service a designated area of benefit and are identified in the public facilities financing plan. The dollar amount of the assessment is based upon the cost of each public facility equitably distributed over a designated area of benefit in the community planning area. Assessments are recorded as liens with the County Assessor's Office. Property being developed is assessed at the time the building permit is issued. The amount of the assessment is determined by the type and size of the development.

Capital Improvements Program

Funding Sources

General Fund

Some allocations to the CIP budget are budgeted within the operating budget of General Fund departments.

Grants and Reimbursements

Some projects are entirely or partially funded by grants and reimbursements from the State and federal government and other agencies. The receipts of certain grants and reimbursements follow the award of contracts; therefore, City funding is programmed for front-end financing of the total estimated project costs. Grant funding includes State and federal grants and grants from proceeds from State bond issuances.

Infrastructure Improvement Funds

The Infrastructure Improvement Funds (one each for the Mayor and eight Council Districts) were established as part of the Fiscal Year 2002 Annual Budget. Funding is appropriated in various capital improvement projects for purposes identified by the Mayor or individual Council District.

Mission Bay and Regional Park Improvement Funds

Mission Bay rents and concessions revenue is allocated to the Mission Bay and Regional Park Improvement Funds in accordance with the San Diego City Charter, Article V, Section 55.2. The funds in the Mission Bay Improvement Fund may only be expended in Mission Bay Park for permanent capital improvements and capital deferred maintenance of existing facilities, as well as to improve environmental conditions consistent with the Mission Bay Park Master Plan. The funds in the Regional Parks Improvement Fund may only be expended for capital improvements in San Diego's regional parks. The City of San Diego's regional parks include Chollas Lake Park, Balboa Park, Mission Trails Regional Park, Otay River Valley Park, Presidio Park, San Diego River Park, open space parks, and coastal beaches and parks.

QUALCOMM Stadium Operating Fund

QUALCOMM Stadium, built in 1967, has hosted many entertainment and sporting events. The QUALCOMM Stadium Operating Fund is based on receipts from these events.

TransNet

TransNet is a one-half cent local sales tax that supports countywide traffic congestion relief and transportation improvements. TransNet includes a Maintenance of Effort (MOE) provision to guarantee that the City spends a certain amount of discretionary funds on the maintenance and improvement of the public right-of-way. The City utilizes TransNet cash for projects as much as possible in an attempt to minimize the issuance of bonds due to added costs of debt service. TransNet Commercial Paper is a borrowing tool that can be used to raise cash needed to cover cash-flow deficits and is generally viewed as a lower-cost alternative to bank loans. In an attempt to further minimize debt service costs, the issuance of TransNet Commercial Paper may be utilized when feasible.

Unidentified Funding

Some projects may lack identified funding in future fiscal years to complete the project. These projects display an "unidentified funding" amount in the project pages. Each project with an unidentified amount is summarized in each department's Unfunded Needs List. A complete list of all projects with unidentified funding is provided in Schedule V in the Financial Summary.

Community Planning

The City's General Plan

On March 10, 2008 the San Diego City Council unanimously approved a comprehensive update to the City's General Plan. The plan sets out a long-range vision and policy framework for how the City should plan for projected growth and development, provide public services, and maintain the qualities that define San Diego over the next 20 to 30 years.

The updated General Plan provides guidance on how to design infill development and reinvest in existing communities to support long term growth, since less than four percent of the City's land remains vacant and available for new development. It has a strong sustainability focus through policies addressing transit/land use coordination; climate change; healthy, walkable communities; green buildings; clean technology industries; water and energy conservation and management; and urban forestry. In addition, the General Plan features protections for prime industrial lands; strategies for providing urban parks; "toolboxes" to implement mobility strategies; and policies designed to further the preservation of San Diego's historical and cultural resources. The plan was structured to work in concert with the City's community plans.

The General Plan update incorporates the City of Villages strategy to focus growth into mixed-use villages that are pedestrian-friendly districts, of different scales, linked to the transit system. Each village is envisioned as unique to the community in which it is located, yet all villages would be pedestrian-friendly, and characterized by inviting, accessible and attractive streets and public spaces. Individual villages are intended to offer a variety of housing types and affordability levels. The strategy draws upon the character and strengths of San Diego's natural environment, distinctive neighborhoods, and activity centers that together form the City as a whole.

The City developed the General Plan within the context of state requirements, regional plans and population forecasts, and the issues and needs unique to the City. The General Plan is comprised of an introductory Strategic Framework section and the following elements: Land Use and Community Planning; Mobility; Economic Prosperity; Public Facilities, Services and Safety; Urban Design; Recreation; Historic Preservation; Conservation; and Noise. The Housing Element update was adopted separately in 2006. The policies within each element of the General Plan were developed with ten guiding principles in mind. These principles are to achieve:

1. An open space network formed by parks, canyons, river valleys, habitats, beaches, and ocean;
2. Diverse residential communities formed by the open space network;
3. Compact and walkable mixed-use villages of different scales within communities;
4. Employment centers for a strong economy;
5. An integrated regional transportation network of walkways, bikeways, transit, roadways, and freeways that efficiently link communities and villages to each other and to employment centers;
6. High quality, affordable, and well-maintained public facilities to serve the City's population, workers, and visitors;
7. Historic districts and sites that respect our heritage;
8. Balanced communities that offer opportunities for all San Diegans and share citywide responsibilities;
9. A clean and sustainable environment; and,

Capital Improvements Program

Community Planning

10. A high aesthetic standard.

The Public Facilities, Services and Safety Element of the General Plan includes policies on the prioritization and provision of public facilities and services, evaluation of new growth, guidelines for implementing a financing strategy, and guidelines for the provision of specific facilities. This element discusses City challenges, including a public facilities deficit, and calls for facilities deficiencies to be remedied through diverse funding resources.

Implementation of the General Plan is being accomplished through a broad range of legislative and regulatory actions that influence private and public development. The General Plan Action Plan identifies measures and timeframes for implementing General Plan policies. The Action Plan highlights eight key initiatives which are critical to General Plan implementation, as follows: Community Plan Updates, Climate Change Initiatives, Water Supply and Conservation Efforts, Land Development Code (LDC) Amendments, Public Facilities Finance Strategy, Economic Development Strategic Plan, Parks Master Plan, and Historic Preservation Incentives. In addition, the General Plan is consistent with the Regional Comprehensive Plan and will contribute to the San Diego Association of Governments' efforts to create a Sustainable Communities Strategy that meets anticipated Senate Bill 375 greenhouse gas emission reduction targets.

Community Plans

The City's community plans contain additional detailed planning guidance, and are a part of the Land Use Element of the General Plan. Community plans establish specific recommendations and objectives in a given community for future land uses and public improvements. The community plan provides a long range physical development guideline for elected officials and citizens engaged in community development. Citizen involvement has been a long-standing concept in the City of San Diego. In the 1960s and 1970s, the City Council adopted policies that established and recognized community planning groups as formal mechanisms for community input in the decision-making processes. Community planning groups provide citizens with an opportunity for involvement in advising the City Council, the Planning Commission, and other decision makers on development projects, community plan amendments, rezoning projects, and public facilities. The recommendations of the planning groups are integral components of the planning process.

The general and community plans are policy documents, which require regulatory tools and programs to help implement their goals and standards. The implementation tools for planning documents include the Municipal Code, the Multiple Species Conservation Program (MSCP), zoning, Neighborhood Code Compliance, facilities financing plans, and redevelopment plans. These regulations and programs help guide land use, development, and design.

CIP Conformance to the City's General Plan and Community Plans

The capital improvement projects in the current budget were reviewed for conformance with the City's General Plan and Community Plans. The entire process is outlined in the Capital Improvement Program Conformance Report to the City's Planning Commission. The capital improvement projects were found to be consistent with the General Plan, relevant community plans, and facilities financing plans, with three projects in need of corrective measures, two of which are being addressed as part of community plan updates currently under way, and the third through a project scope revision allowing for consistency with the respective community plan requirements.

Brown Field / AAA00002

Council District:	6, 8	Community Plan:	Kearny Mesa, Serra Mesa
Project Status:	Released	Contact Information:	Tussey, Mike
Duration:	2002 - 2020		858-573-1441
Improv Type:	Betterment		mtussey@sanidiego.gov

Description: The Brown Field (SDM) Annual Allocation projects include the following: the repaving of the north parking lot, remodeling of the restrooms, and rehabilitation design of runway 8L/26R.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The repaving of the north parking lot will prevent future flooding. The remodel of the restrooms will bring them up to current accessibility codes, and the rehabilitation design will bring the runway up to current design and FAA standards.

Schedule: Design for Runway 8L/26R will begin in Fiscal Year 2011. Construction of Runway 8L/26R is anticipated to be completed in Fiscal Year 2013. Both the design and construction of the parking lot and restrooms are scheduled to begin and be completed in Fiscal Year 2011.

Operating Budget Impact: None

Summary of Project Changes: Brown Field Special Aviation funds are allocated to this project annually.

Brown Field Elect Upgrade - Phase 2 & 3 / S00772

Council District:	8	Community Plan:	Otay Mesa
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2009 - 2011		619-533-4640
Improv Type:	New		agarcia@sandiego.gov

Description: This project provides for the completion of construction of electrical system upgrades at the Brown Field Airport.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Grant funded rehabilitation of runway-taxiway electrical system is required to ensure safety, meet Federal Aviation Administration (FAA) standards, and diminishes the possibility of aircraft accidents as well as City liability.

Schedule: Construction is estimated to be completed in Fiscal Year 2011 and capitalization to be completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Brown Field Electrical Upgrade - Phase 1 / S00773

Council District: 8	Community Plan: Otay Mesa
Project Status: Technically completed	Contact Information: Garcia, Alex
Duration: 2009 - 2011	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project (Brown Field Electrical Upgrade Phase I) provides for the design and construction of electrical system upgrades at Brown Field Airport.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Brown Field's current electrical system has out lived its design life and needs to be replaced to meet current engineering standards and the Federal Aviation Administration (FAA) regulations; thus providing continued safe use of the airport.

Schedule: Construction was completed in Fiscal Year 2010 and the project will be closed by fiscal year end.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Montgomery Field / AAA00001

Council District:	6, 8	Community Plan:	Kearny Mesa, Serra Mesa
Project Status:	Released	Contact Information:	Tussey, Mike
Duration:	2002 - 2020		858-573-1441
Improv Type:	Betterment		mtussey@sandiego.gov

Description: The Montgomery Field (MYF) Annual Allocation will provide for rehabilitation design of the Montgomery Field Airport Runway 5/23 and Taxiway G and remove and replace pavement to rehabilitate Glenn Curtis Road as needed. A consultant will evaluate the deteriorated conditions of Runway 5/23 and Taxiway G and provide a rehabilitation design to bring Runway 5/23 and Taxiway G to current engineering and construction standards and in compliance with Federal Aviation Administration (FAA) guidelines and regulations.

Justification / Public Benefit: Runway 5/23 and Taxiway G have outlasted their design use and their deteriorated conditions may expose the airport users to unsafe conditions. The rehabilitation of Runway 5/23 and Taxiway G will provide continued safe usage to the airport users, which will ultimately diminish the possibility of aircraft accidents and City liability.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa and Serra Mesa Community Plans and is in conformance with the City's General Plan.

Schedule: Design of Runway 5/23 and Taxiway G began in Fiscal Year 2010 and is scheduled to be completed Fiscal Year 2012. Repaving of Glenn Curtis Road is scheduled to begin and be completed in Fiscal Year 2011.

Summary of Project Changes: Montgomery Field Special Aviation funds are allocated to this project annually.

Montgomery Field NW Heliport / S00679

Council District: 6	Community Plan: Kearny Mesa
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2003 - 2011	619-533-4640
Improv Type: Replacement - Retrofit	agarcia@sanidiego.gov

Description: This project, MYF NW Heliport, provides for redesign of the heliport to address all environmental constraints and complies with the U.S. Fish and Wildlife Service (U.S.F.W.S.), which delayed the construction of the heliport under the previous design. The heliport will meet the needs of airport users.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Constructing the heliport will result in redefining helicopter flight patterns, reducing noise and flights over residential areas to the south of the airport.

Schedule: Redesign and construction of this heliport will be scheduled upon the completion of the environmental constraints reports and approval of the U.S.F.W.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2008 - 2013		619-533-4640
Improv Type:	New		agarcia@sanidiego.gov

Description: This project (MYF Rehab of Rwy 10L/28R) will restore the asphalt paving of this runway by cold planning the damaged pavement and then repaving.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa and Serra Mesa Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Grant funded restoration of a 40-year old runway pavement is required to ensure safety, meet Federal Aviation Administration (FAA) standards, and diminish the possibility of aircraft accidents as well as City liability.

Schedule: Design was completed in Fiscal Year 2010 and construction is scheduled to begin in Fiscal Year 2012.

Operating Budget Impact: None.

Summary of Project Changes: Construction was rescheduled from Fiscal Year 2011 to Fiscal Year 2012 due to allocation of funding.

Chief Financial Officer - BC

Chief Financial Officer - BC
Bldg - Operations Facility / Structures

OneSD Capital / S09999

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Wochaski, Ed
Duration: 2008 - 2010	619-533-6417
Improv Type: New	ewochaski@sanidiego.gov

Description: The OneSD project provides for the replacement of many legacy software systems currently in use by City departments with the business center of the Office of the Chief Financial Officer (CFO) and Business and Support Services. The System will replace the following major systems: AMRIS (General Ledger), ALVA (Financial Reporting), APIS (Accounts Payable), ARIS (Accounts Receivable), FMIS (Budgeting and Financial Management), FAMIS (Fixed Asset Management), OPIS (Purchasing), CAPPs (Payroll), and PATS (Applicant Tracking). Additionally, this integrated application will be used by all City departments for day-to-day business operations and human resource needs and is expected to support the City's information technology (IT) needs for the next 15 years.

Justification / Public Benefit: Recommendations contained in the Kroll Report stated that due to their antiquated state, the City's major software systems require updating. The applications that support the departments under the Office of the Chief Financial Officer (CFO) and Business and Support Services no longer meet the requirements for responsible financial management, efficient human resources management, and IT operational efficiency.

Operating Budget Impact: The expenses to support ongoing operating of the OneSD project are already included in the City's budget. Debt service payments, currently budgeted in the OneSD Support Department for Fiscal Year 2010 are expected to increase in Fiscal Year 2011. The estimated increase of \$1.9 million is reflected in the Operating Budget Impact table.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan.

Schedule: The implementation of the OneSD project was divided into phases and completed on the following dates: Financial and Logistics (purchasing and contracting) applications July 1, 2009; Human Capital Management (HCM), which includes human resources/personnel, benefits and payroll functions December 21, 2009; Public Budget Formulation (PBF) November 1, 2009; and Accounts Receivable March 1, 2010.

Summary of Project Changes: The OneSD project is complete and closure is expected by June 30, 2010. Staff is in the process of establishing the final debt service payment schedule. Debt payments will be made by the OneSD Support Department.

Council District: 3	Community Plan: Balboa Park
Project Status: Released	Contact Information: Purtee, Ray
Duration: 2003 - 2012	858-573-1208
Improv Type: Betterment	rpurtee@sandiego.gov

Description: This project provides for design and construction of improvements necessary to make beneficial use of the landfill gas currently being flared at this site.

Relationship to General and Community Plans: This project is in conformance with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will demonstrate the use of renewable energy resources and will reduce the amount of purchased energy required at park facilities in the vicinity.

Schedule: Design will begin in Fiscal Year 2011 and construction is scheduled through Fiscal Year 2012.

Operating Budget Impact: None.

Summary of Project Changes: This project has been extended through Fiscal Year 2012.

Citywide Energy Improvements / ABT00003

Council District: 6	Community Plan: Kearny Mesa
Project Status: Released	Contact Information: Helminski, John
Duration: 2010 - 2020	858-462-6002
Improv Type: Betterment	jhelminski@sanidiego.gov

Description: This project will provide for energy efficiency improvements in City facilities. Projects typically address lighting, air conditioning, chiller, pumping and fan systems. Newer, more efficient technologies greatly reduce energy consumption.

Justification / Public Benefit: Energy efficiency improvements repay capital costs in one to nine years, depending upon the project. The energy savings continue each year thereafter. Energy audits are performed in a variety of City-owned facilities to identify opportunities for energy savings. The additional \$400,000 for Police Headquarters are part of a settlement regarding a broken generator and are specifically earmarked for this project.

Operating Budget Impact: None

Relationship to General and Community Plans: These projects are consistent with the Kearny Mesa Community Plan and are in conformance with the City's General Plan.

Schedule: Design evaluation will continue in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2011 and expected to be completed in Fiscal Year 2013.

Summary of Project Changes: An additional \$400,000 will be added to this annual allocation for improvements to the co-generation plant at the Police Headquarters Building.

Description: This project provides for needed facility improvements for the Environmental Services Department. Facilities include the Ridgehaven building, Miramar Operations Station, and facilities at the Miramar Landfill.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The Ridgehaven Facility is overdue for scheduled heating, ventilation and air conditioning (HVAC) system replacement. These systems are past their useful lives. No capital upgrades are required at this time for the Miramar Operations Station or facilities at the Miramar Landfill.

Schedule: This project began in Fiscal Year 2009. Construction is scheduled to be completed by the end of Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Material Recovery Facility / S00817

Council District:	3	Community Plan:	Greater North Park
Project Status:	Released	Contact Information:	Prue, Kenneth
Duration:	1993 - 2010		858-492-5085
Improv Type:	New		kprue@sandiego.gov

Description: This project provides for a recycling facility designed to receive, process, transport and/or dispose of municipal solid waste. The scope and magnitude of this project is under review and may change based on a variety of technical issues including adjustments to meet the state-mandated recycling goal.

Relationship to General and Community Plans: The City's General Plan and applicable community plans do not provide for this project. An amendment to these plans will be required prior to the implementation of this project.

Justification / Public Benefit: The proposed facility will compliment the Curbside Recycling Program by recovering recyclables from non-participants in other recycling programs. The facility is part of the effort to achieve the state-mandated (AB 939) 50% recycling rate.

Schedule: This project began in 1992 and will be closed by the end of Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

West Miramar Landfill - Phase 2 / S00774

Council District: 5	Community Plan: Non City
Project Status: Released	Contact Information: Purtee, Ray
Duration: 1996 - 2020	858-573-1208
Improv Type: Betterment	rpurtee@sandiego.gov

Description: This project provides for a landfill gas collection system for the West Miramar Phase II Landfill. Bio-degradation of buried waste produces landfill gas. The landfill gas collection system consists of a network of gas extraction wells connected by piping.

Justification / Public Benefit: This improvement is required to maintain compliance with various State and federal regulatory requirements. It will also prevent code violations and enhance public health and safety.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 1996 and will continue through the life of the landfill. The landfill is anticipated to close in Fiscal Year 2019. Projected funding through Fiscal Year 2011 will ensure project improvements and regulatory compliance.

Summary of Project Changes: No significant change has been made to this project for Fiscal year 2011.

Project Status: Released	Contact Information: Purtee, Ray
Duration: 2003 - 2010	858-573-1208
Improv Type: Betterment	rpurtee@sandiego.gov

Description: This project provides for up to one megawatt of power generation from solar photovoltaic panels located at the South Chollas landfill.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan, and it is in conformance with the City's General Plan.

Justification / Public Benefit: This project will demonstrate the use of renewable and sustainable energy resources on a brownfield and will reduce the amount of energy consumed from the local utility company at the Chollas Operations Yard.

Schedule: This project was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Groundwater Monitoring Network / AKC00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Purtee, Ray
Duration:	2010 - 2020		858-573-1208
Improv Type:	New		rpurtee@sandiego.gov

Description: This annual allocation provides for minor improvements to existing Groundwater Monitoring Networks at all closed and operating landfills managed by the City. Such improvements may include new facilities to monitor groundwater, preparation of reports necessary to modify the groundwater monitoring programs, or potential groundwater mitigation measures.

Justification / Public Benefit: This project provides the flexibility necessary to respond to operational issues and possible changes in the Groundwater Monitoring Program required by Title 23, Chapter 15, Article 5 of the California Code of Regulations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis to meet regulatory requirements. Projects scheduled for Fiscal Year 2011 include construction of one groundwater well with an investigational report and procurement and installation of one low flow sampling pump.

Summary of Project Changes: Funding has been allocated to this project through Fiscal Year 2015.

Minor Improvements to Landfills / AFA00001

Council District: 5	Community Plan: Mira Mesa
Project Status: Released	Contact Information: Thompson, Michael
Duration: 2010 - 2020	858-627-3327
Improv Type: New	mthompson@sanidiego.gov

Description: This annual allocation provides for minor improvements to existing sanitary landfills to comply with operating permits and regulatory requirements. Such improvements may include fencing, access roads, drains, small structures, and environmental protection projects.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides the flexibility for timely initiation of minor improvements and construction needed to meet operational and solid waste regulatory mandates such as drainage and grading improvements.

Schedule: Projects are scheduled on a priority basis to meet regulatory requirements. Projects scheduled for Fiscal Year 2011 include design and construction of multiple inlet structures and down drains, procurement and installation of 250 feet of rock gabion baskets and rip rap, and minor grading to promote positive drainage.

Operating Budget Impact: None.

Summary of Project Changes: Funding has been allocated to this project through Fiscal Year 2015.

Miramar Landfill Greenery Expansion / S00975

Council District: 5	Community Plan: Non City
Project Status: Released	Contact Information: Thompson, Michael
Duration: 2009 - 2013	858-627-3327
Improv Type: Betterment	mthompson@sandiego.gov

Description: This project provides for the expansion of the existing Miramar Greenery currently located at the Miramar Landfill. The expansion of curbside greens collection to additional neighborhoods in the City will increase the tonnage coming into the facility, requiring additional acreage and equipment.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Justification / Public Benefit: Expansion of curbside greens collection will increase the diversion of solid waste required by the State of California. The current facility is operating at maximum capacity and a larger facility is required to process the increased tonnage expected as a result of expanded curbside pickup.

Schedule: The project will begin in Fiscal Year 2010 and is expected to be completed in Fiscal Year 2013.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Mission Bay Landfill Site / S00780

Council District: 2	Community Plan: Mission Bay Park
Project Status: Technically completed	Contact Information: Purtee, Ray
Duration: 2003 - 2010	858-573-1208
Improv Type: Replacement	rpurtee@sandiego.gov

Description: This project involves an assessment which will determine potential impacts the Mission Bay Landfill has on public health and the environment.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Previous assessment reports for this site were conducted in the 1980s. Newer methodologies and analysis will be used to provide a current assessment of potential impacts. Increased development of this area has resulted in increased public utilization of this landfill area.

Schedule: This project was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

South Miramar Landfill / S00779

Council District:	5	Community Plan:	Non City
Project Status:	Released	Contact Information:	Castillo-Corbin, Sylvia
Duration:	2007 - 2014		858-492-5032
Improv Type:	New		smcastillo@sandiego.gov

Description: This project provides cover material, grading, drainage, and site improvements at the inactive South Miramar Landfill.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Justification / Public Benefit: This project is required in order to maintain compliance with various State and federal regulatory requirements.

Schedule: Design began in Fiscal Year 2010 with construction to continue through Fiscal Year 2014.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Castillo-Corbin, Sylvia
Duration:	1995 - 2014		858-492-5032
Improv Type:	New		scastillo@sandiego.gov

Description: This project provides for preliminary assessments and remediation of various burn sites and unclassified disposal sites. These sites have been identified as potential health or environmental risks.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Assessments are required to determine potential impacts to public health and the environment. Sites that are determined to pose potential hazards must be remediated to prevent any impact.

Schedule: It is anticipated that known burn sites will be addressed over the next five years contingent upon local environmental agency review. Future allocations are for potential improvements to burn sites.

Operating Budget Impact: None.

Summary of Project Changes: The Fiscal Year 2011 allocation to this project has been reduced from \$170,000 to \$75,000 due to revised project scope. Total project cost is \$3,779,605.

Underground Tank Program / AFA00002

Council District:	5	Community Plan:	Mira Mesa
Project Status:	Released	Contact Information:	Fergusson, Craig
Duration:	2010 - 2020		858-627-3311
Improv Type:	New		cfergusson@sandiego.gov

Description: This project provides for implementation of the Citywide Underground Hazardous Materials Storage Tank Master Plan. The plan addresses the removal, installation, closure, site assessment and mitigation, replacement, testing, and rehabilitation of the 69 City-owned underground storage tanks (USTs). Site assessment and mitigation activities related to 26 unauthorized releases are ongoing to maintain regulatory compliance, eligibility for State reimbursement, protection of groundwater and public health and safety.

Justification / Public Benefit: The State Underground Storage of Hazardous Substances Law (Sher Bill AB 1362) and SB989 established guidelines and regulations for the design, installation, rehabilitation, testing and maintenance, and monthly facility inspections by a Designated UST Operator. Non-compliance with UST laws or site assessment and mitigation (SA/M) requirements may make the City ineligible for reimbursement of an estimated \$4.0 million in current and future SA/M costs as well as liable for civil penalties of up to \$25,000 per day per site.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: There are no regulatory mandate-driven projects foreseen in Fiscal Year 2011. Future funding needs will be identified as new regulatory mandates arise.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

West Miramar Landfill Liner Module E / S01075

Council District: 5	Community Plan: Non City
Project Status: Released	Contact Information: Thompson, Michael
Duration: 2007 - 2009	858-492-6151
Improv Type: Betterment	mthompson@sandiego.gov

Description: This project provides for continuing development of the West Miramar Landfill, located southwest of Marine Corps Air Station Miramar. The facility will accommodate over 35 million cubic yards of refuse fill on 807 acres. Phase II will develop the second half of the facility, including design and construction of entry roads and drainage systems, excavation, federally-mandated liner systems, and stockpiling and spreading of earthen materials.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2010.

Justification / Public Benefit: These improvements are required in order to ensure compliance with conditions set forth in the operations permit issued by the California Integrated Waste Management Board and the Regional Water Quality Control Board.

Summary of Project Changes: This project is complete and will closed by the end of the fiscal year.

West Miramar Landfill Public Tipping Area / S00775

Council District: 5	Community Plan: Non City
Project Status: Released	Contact Information: Purtee, Ray
Duration: 1996 - 2010	858-573-1208
Improv Type: Betterment	rpurtee@sandiego.gov

Description: This project provides for a convenient site for a public tipping area for the disposal of trash away from the active landfill.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Justification / Public Benefit: This improvement will enhance public safety in the active landfill area by segregating public vehicles from heavy equipment operations.

Schedule: Construction of this project was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

West Miramar Refuse Disposal Facility - Phase 2 / S01074

Council District: 5	Community Plan: Non City
Project Status: Released	Contact Information: Thompson, Michael
Duration: 1988 - 2021	858-627-3327
Improv Type: Betterment	mthompson@sanidiego.gov

Description: This project provides for continuing development of the West Miramar Landfill, located southwest of Marine Corps Air Station Miramar. The facility will accommodate over 35 million cubic yards of refuse on 807 acres. Phase II will develop the second half of the facility, including design and construction of entry roads and drainage systems, excavation, federally-mandated liner systems, and stockpiling and spreading of earthen materials. This project also includes development of the General Development Plan elements for the entire site.

Justification / Public Benefit: Improvements are required in order to ensure compliance with conditions set forth by the operations permit issued by the California Integrated Waste Management Board and the Regional Water Quality Control Board.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Engineering design and construction will continue through Fiscal Year 2016 in order to facilitate modular development as additional capacity is required.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Arizona Street Landfill Closure and Modifications / S00682

Council District: 3	Community Plan: Balboa Park
Project Status: Released	Contact Information: Purtee, Ray
Duration: 1995 - 2020	858-573-1208
Improv Type: New	rpurtee@sanidiego.gov

Description: This project provides for modifications to the existing landfill gas collection system and cover at the Arizona Landfill to enhance operations and maintain regulatory compliance.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Federal and State waste disposal legislation requires proper environmental safeguards to control landfill gas.

Schedule: Design and construction began in Fiscal Year 1995 and will continue through each phase of the project which is scheduled to be completed in Fiscal Year 2016.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Council District: 3	Community Plan: Balboa Park
Project Status: Released	Contact Information: Purtee, Ray
Duration: 2006 - 2010	858-573-1208
Improv Type: New	rpurtee@sandiego.gov

Description: This project provides for modifications to the existing landfill gas collection system to enhance operations and maintain regulatory compliance. The project also provides for assessment and installation of an alternative energy generation project fueled by landfill gas.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan, and it is in conformance with the City's General Plan.

Justification / Public Benefit: Federal and State waste disposal legislation require proper environmental safeguards to control landfill gas.

Schedule: Design began in Fiscal Year 2006. Construction began in Fiscal Year 2007 and was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Future Waste Mgmt Disposal & Processing Facilities / S01088

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Castillo-Corbin, Sylvia
Duration:	1989 - 2021		858-492-5032
Improv Type:	New		smcastillo@sandiego.gov

Description: This project provides for the development and construction of solid waste disposal and processing facilities. Strategic planning, design, construction, environmental review and potential purchase of mitigation property are all within the scope of the project.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: The City must continue to have adequate disposal or processing facilities for the solid waste it generates each year. Technology to recover and/or convert portions of refuse material is being explored and developed. It appears that there will always be a need for landfilling part of the generated waste stream and residue from other solid waste disposal facilities.

Schedule: Ongoing efforts are being made to identify solid waste processing and disposal options; schedule will continue through Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Miramar Fee Booth Modifications / S00681

Council District: 5	Community Plan: Non City
Project Status: Released	Contact Information: Blum, Randolph
Duration: 1995 - 2010	858-492-5036
Improv Type: Betterment	rblum@sanidiego.gov

Description: This project provides for improvements to the Miramar Landfill entrance area, including fee booth upgrades, roadway resurfacing, landscaping, and signage.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Justification / Public Benefit: This project will allow for more efficient customer service and will improve the appearance of the Miramar Landfill entrance.

Schedule: Design was completed in Fiscal Year 2002. Construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

South Chollas Landfill / S00776

Council District: 4	Community Plan: Eastern Area (Mid-City)
Project Status: Released	Contact Information: Purtee, Ray
Duration: 2000 - 2020	858-573-1208
Improv Type: Betterment	rpurtee@sandiego.gov

Description: This project provides for modifying the existing landfill gas collection system to enhance operations and maintain regulatory compliance.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Federal and State waste disposal legislation require proper environmental safeguards to control landfill gas.

Schedule: Design and construction began in Fiscal Year 2000 and are scheduled to continue through Fiscal Year 2016.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

South Chollas Landfill Improvements / S00684

Council District: 4	Community Plan: Eastern Area (Mid-City)
Project Status: Released	Contact Information: Castillo-Corbin, Sylvia
Duration: 2000 - 2011	858-492-5032
Improv Type: Replacement	smcastillo@sandiego.gov

Description: This project provides for cover material, grading, drainage, and site improvements at the inactive South Chollas Landfill.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and it is in conformance with the City's General Plan.

Justification / Public Benefit: This project is required to maintain compliance with various State and federal regulatory requirements and to avoid code violations.

Schedule: Design was completed. Construction began in Fiscal Year 2005 and is scheduled to be completed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Project Status:	Released	Contact Information:	Manela, Bert D
Duration:	2009 - 2020		619-533-5186
Improv Type:	New		bmanela@sanidiego.gov

Description: This project provides for accessibility improvements to the facility which provides services to La Jolla residents or visitors to the community.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: These improvements are necessary to meet Americans with Disabilities Act (ADA) and Title 24 requirements.

Schedule: Design began in Fiscal Year 2009 and construction is scheduled to be completed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Fire Station Major Component Replacement Rehab / ABC00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2010 - 2020		619-533-4640
Improv Type:	Replacement - Rehab		agarcia@sanidiego.gov

Description: This project provides for the replacement and/or rehabilitation of major structural and construction components in older fire facilities throughout the City. Included are electrical service upgrades, heating, ventilating and air-conditioning (HVAC), roofs, dormitory remodels, kitchen remodels, driveway and parking paving, exterior finishes and miscellaneous renovations. This is one of 12 projects included in the Fire and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Construction began in Fiscal Year 2007 and will continue when funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Justification / Public Benefit: The San Diego Fire-Rescue Department currently maintains 50 fire facilities. Over half of these facilities have been in service for more than 25 years. Many of the major components have exceeded their expected service life and must be replaced. The needs of modern technology and a diversified workforce also require changes in fire facility configuration, HVAC systems distribution and energy capacity.

Fire Station No. 1 - Downtown / S00786

Council District:	2, 7	Community Plan:	Centre City
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2009 - 2011		619-533-4640
Improv Type:	New		agarcia@sandiego.gov

Description: This project provides for the design and construction of modifications to rehabilitate Fire Station 1 which include different floor layouts, new electrical plans, ventilation and exhaust extraction system, new roll up doors, modified asbestos abatement plans to include only portions to be disturbed as part of other improvements, modified mechanical/ventilation system designed for the new configuration, kitchen area remodel and a new accessible restroom. On March 27, 2007, the City Council approved (R-302472 and 302473) a cooperation agreement with the Redevelopment Agency for funding improvements and authorize the expenditure of funds needed to rehabilitate Fire Station 1 in an amount not to exceed \$1.5 million.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: This project was redesigned and construction started in Fiscal Year 2010. Construction is 95% complete and scheduled to complete in Fiscal Year 2011.

Justification / Public Benefit: This 29-year-old fire station is in need of repair and renovation in order to maintain a safe and livable facility. Many of the major components have exceeded their expected service life. The needs of modern technology and a diversified workforce also require changes in fire facility configuration.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Council District: 7	Community Plan: College Area
Project Status: Released	Contact Information: Meinhardt, Cynthia
Duration: 2005 - 2013	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for the remodeling of Fire Station 10. This station is located at 4605 62nd Street and serves San Diego State University and surrounding areas.

Relationship to General and Community Plans: This project is consistent with the College Area Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This facility was old and inadequate to accommodate staff and equipment and to serve the community efficiently. The last section to be remodeled will be the Battalion Chief Quarters and restroom areas.

Schedule: Project is scheduled to be completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Fire Station No. 17 - Mid-City / S00783

Council District:	3	Community Plan:	City Heights (Mid-City)
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2009 - 2012		619-533-4640
Improv Type:	New		agarcia@sandiego.gov

Description: This project provides for reconstructing the 50-year-old fire station at 4206 Chamoune Avenue in the Mid-City area. The station will accommodate up to ten personnel, two fire apparatus' and one paramedic unit. This is one of 12 projects included in the Fire and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: The project is scheduled to finish design in Fiscal Year 2011. Construction will be scheduled when funding is unidentified.

Justification / Public Benefit: Fire Station 17 is the sixth busiest engine company in the United States and is currently in a state of deterioration. Restoration of Fire Station 17 will allow for assignment of one additional fire crew to divide emergency response between two units.

Summary of Project Changes: Deferred Maintenance funds were allocated in Fiscal Year 2010 for design of this project. Funding for the construction of this project is contingent upon future bond financing. The project cost and schedule will be revised when funding is identified for construction.

Operating Budget Impact: The square footage increase of this fire station will result in increased maintenance cost of \$5,000.

Fire Station No. 22 - Point Loma / S00787

Council District: 2	Community Plan: Peninsula
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2012	619-533-4640
Improv Type: New	agarcia@sandiego.gov

Description: This project provides for the reconstruction of Fire Station 22, located at 1055 Catalina Boulevard in Point Loma. This is one of 12 projects included in the Fire and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing fire station was built in the early 1940's and is now too small to accommodate new fire engines. Many of the major components have exceeded their expected service life. The needs of modern technology and a diversified workforce also require changes in fire facility configuration.

Schedule: The project design is scheduled to be completed in Fiscal Year 2011. Construction will be scheduled upon allocation of funding.

Summary of Project Changes: It is proposed to allocate \$4,829,839 in bond funding to this project for Fiscal Year 2011.

Operating Budget Impact: The square footage increase of this fire station will result in increased maintenance costs estimated at \$5,000 annually.

Council District: 5	Community Plan: Rancho Bernardo
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2011	619-533-4640
Improv Type: New	agarcia@sandiego.gov

Description: This station is located at 16966 Bernardo Center Drive at Rancho Bernardo Road. It serves the Rancho Bernardo and adjacent community areas. This project brought a major restructuring of an existing aging facility and was successfully completed during Fiscal Year 2010.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing facility was old and inadequate to accommodate staff and equipment and to serve the community efficiently.

Schedule: Fire Station enhancements were completed during Fiscal Year 2010.

Summary of Project Changes: This project was completed in Fiscal Year 2010 and will be closed by the end of the fiscal year.

Operating Budget Impact: Project enhancements will result in increased maintenance cost estimated at \$5,000 annually.

Fire Station No. 38 - Mira Mesa Remodel / S10006

Council District: 1	Community Plan: Black Mountain Ranch
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2010 - 2015	619-533-4640
Improv Type: Betterment	agarcia@sanidiego.gov

Description: The project provides for a new fire station in the northern portion of the Black Mountain Ranch subdivision. The station will have one engine, one brush apparatus, and one ambulance.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch Subarea (Community) Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The fire station is needed to provide fire protection to the North City Future Urbanizing area. It is consistent with City Council policy to provide five minute response times to all areas.

Schedule: Land acquisition is in progress. Design is scheduled to begin in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities and maintenance are estimated to increase by approximately \$5,000 annually due to the increased square footage.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Fire Station No. 4 - East Village / S01017

Council District: 2	Community Plan: Centre City - East Village
Project Status: Closed	Contact Information: Garcia, Alex
Duration: 2006 - 2013	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project provides for Fire Station 4 located at 404 8th Ave in Downtown San Diego near Petco Park. It serves the San Diego downtown and adjacent community.

Relationship to General and Community Plans: This project is consistent with the East Village Community Plan and is in conformance with the City's General Plan

Justification / Public Benefit: The existing building is an historical site. In Fiscal Year 2009, a corporation came forward asking to purchase this site from the City with the intent of transforming it into a restaurant. In exchange, the Developer would build a brand new Fire Station adjacent to the existing facility. During Fiscal Year 2010, the corporation declared bankruptcy and there is no future plan for this project.

Schedule: Project was abandoned due to lack of Developer's funding.

Summary of Project Changes: This project will not be built and will no longer be published.

Operating Budget Impact: None.

Council District: 5	Community Plan: Sabre Springs
Project Status: Released	Contact Information: Meinhardt, Cynthia
Duration: 1986 - 2014	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project is for Fire Station 42 located in Carmel Mountain Ranch Community and serves both Carmel Mountain Ranch and Sabre Springs. It was constructed in 1988 and the construction materials used for the exterior of the fire station require replacement.

Relationship to General and Community Plans: This project is consistent with the Sabre Springs Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The original construction materials used for station siding is an inferior product and now requires replacement.

Schedule: Scheduled repair of siding is anticipated to occur in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Fire Station No. 45 - East Mission Valley / S00688

Council District: 6	Community Plan: Mission Valley
Project Status: Released	Contact Information: Garcia, Alex
Duration: 1994 - 2012	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for a new fire station in Mission Valley (formerly named Fire Station 2). The station will accommodate up to 17 personnel, two engines, one aerial truck, two hazardous material apparatus, one paramedic ambulance, and one Battalion Chief vehicle. This is one of 12 projects included in the Fire and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

Justification / Public Benefit: A fire station is needed to serve the Mission Valley community. This project is consistent with City Council policy to meet response time guidelines.

Operating Budget Impact: Staffing and maintenance costs for the temporary facility are reflected in the Fire-Rescue Department's Fiscal Year 2011 Final Budget. Additional staffing of 12.97 positions will be needed for the permanent facility for a total of \$1,302,754 for the first year of operation.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan; however, the Mission Valley Community Plan does not currently provide for this project. An amendment to the Community Plan may be required prior to implementation of this project.

Schedule: Design is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin when the remainder of funding is identified. A temporary facility for one engine company is located in the QUAL-COMM Stadium parking lot. The construction schedule for the permanent facility will be revised when additional funding is identified.

Summary of Project Changes: This project received \$3 million in Development Impact Fees (DIF) made available via the Mission Valley Public Facilities Financing Plan. The revenue source for the remainder of construction of the permanent facility is unidentified, contingent upon future bond financing.

Fire Station No. 47 - Pacific Highlands Ranch / S00689

Council District:	1	Community Plan:	Pacific Highlands Ranch
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2005 - 2011		619-533-4640
Improv Type:	New		agarcia@sandiego.gov

Description: This project provides for a 10,500 square foot fire station to serve the Pacific Highlands Ranch community. This station will have an engine and an aerial ladder truck. The project budget and funding reflect the Pacific Highlands Ranch Public Facilities Financing Plan for Fiscal Year 2006 as approved by the Mayor and City Council on December 7, 2004, per Resolution R-299980.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Construction of Fire Station 47 is complete.

Justification / Public Benefit: This is the second of three fire stations providing fire protection and emergency medical response in accordance with the requirements of the North City Planned Urbanizing Area.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: The operation of Fire Station 47 will require an additional 12.97 positions to staff the station equivalent to \$1,302,754 for the first year of operation.

Fire Station No. 49 - Otay Mesa / S00784

Council District: 8	Community Plan: Otay Mesa - Nestor, Otay Mesa
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2002 - 2011	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This station will be designated as Fire Station 49. This project provides for an approximate 11,000 square foot fire station to serve the Otay Mesa and Otay Mesa/Nestor Communities. The fire station will be located across the intersection of Ocean View Hills Parkway and Sea Fire Pt. and will serve the community in addition to Fire Station 6 located at 693 Twining Avenue. The fire station or facility will accommodate two fire apparatus and a paramedic ambulance.

Operating Budget Impact: The operation of the Otay Mesa/Nestor Communities Fire Station will require an additional 12.97 positions for staff \$1,302,754 for the first year of operation.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa and Otay Mesa/Nestor Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: A second fire station is needed to serve the Otay Mesa Community and is consistent with City Council policy to provide five minute response times to all residential areas. Funding is included in the Otay Mesa Public Facilities Financing Plan.

Schedule: Land acquisition is in progress. Design, construction and acquisition of furnishings and apparatus will be scheduled to begin based on development activity.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Fire Station No. 5 - Hillcrest / S00788

Council District:	3	Community Plan:	Uptown
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2009 - 2011		619-533-4640
Improv Type:	New		agarcia@sandiego.gov

Description: This project provides for an approximate 10,500 square foot fire station located at 3902 9th Avenue. The existing fire station will be demolished and replaced by a new, modern fire station. This station will house a crew of eight and one Battalion Chief. It will accommodate one engine, one aerial truck, and one Battalion Chief vehicle. This is one of 12 projects included in the Fire and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

Operating Budget Impact: The square footage increase of this fire station will result in increased maintenance costs estimated at \$5,000 annually.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: The project is scheduled to finish design in Fiscal Year 2011.

Justification / Public Benefit: The current station is 48 years old. The water and sewer service to the existing station is deteriorating and requires immediate repairs. The station is too small to accommodate a new style fire engine and the larger type of aerial ladder truck.

Summary of Project Changes: It is anticipated that this project will receive bond funding in Fiscal Year 2011.

Project Status: Released	Contact Information: Garcia, Alex
Duration: 2010 - 2013	619-533-4640
Improv Type: New	agarcia@sandiego.gov

Description: This project provides for a new station in the Paradise Hills area to serve the Paradise Hills/Skyline area of San Diego.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This station is needed to serve the Paradise Hills/Skyline community and is consistent with City Council policy to provide five-minute response times to all residential areas.

Schedule: The schedule will be revised when funding is identified.

Operating Budget Impact: The operation of the Paradise Hills/Skyline Station will require an additional 26.00 positions for staff equivalent to \$2,518,818 for the first year of operation.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Project Status: Created	Contact Information: Garcia, Alex
Duration: 2010 - 2020	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project provides for the design and construction of the facility's living quarters, which currently does not provide the full functionality of the fire station requirements.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The current facility does not provide sufficient space to allow full functions in the living quarters. This station is located at 3974 Goldfinch Street and it serves Mission Hills and surrounding areas and is consistent with City Council Policy to provide 5 minute response times to all residential areas.

Schedule: The Phase I of the project was completed in Fiscal Year 2010. Phase II of the project is scheduled to be completed by 2020 pending unidentified funds.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Project Status: Released	Contact Information: Garcia, Alex
Duration: 2002 - 2013	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project provides for an additional station to be located at 7180 Skyline Drive to better serve the growing community of Skyline/Paradise Hills. This is one of 12 projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: An additional fire station is needed in this area to meet response time guidelines in this growing community.

Schedule: Land acquisition was completed in Fiscal Year 2010. The project is currently on hold and the schedule will be revised when funding is identified.

Operating Budget Impact: The operation of the Skyline North Fire Station will require an additional 12.97 positions to staff, equivalent to \$1,302,754 for the first year of operation.

Summary of Project Changes: It is proposed to allocate \$95,000 in bond funding to this project for Fiscal Year 2011.

Children's Pool Lifeguard Station / S00644

Council District:	1	Community Plan:	La Jolla
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2000 - 2015		619-533-4640
Improv Type:	Replacement		agarcia@sanidiego.gov

Description: This project provides for a new lifeguard station and family restroom at the Children's Pool in La Jolla. This is one of ten lifeguard projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

Justification / Public Benefit: The existing Lifeguard Tower structure has been condemned and does not meet the current or future needs of Lifeguard Services. The existing facility does not provide adequate safety to the employees, and can no longer keep up with the growing community of La Jolla and the larger number of visitors every year. The scope of this project is also to remodel the existing public restrooms facilities.

Operating Budget Impact: Personnel expenses are expected to increase by approximately \$162,000. Maintenance costs for the new facility are expected to increase by approximately \$5,000 annually due to the increased square footage of the new facility.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Conceptual design and bridging documents are currently in progress. A design-build contract is scheduled to be issued in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

La Jolla Cove Lifeguard Station / S00792

Council District:	1	Community Plan:	La Jolla
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2009 - 2016		619-533-4640
Improv Type:	Replacement		agarcia@sanidiego.gov

Description: This project provides for the La Jolla Cove Lifeguard Station, located at 1100 Coast Boulevard, which will be a year-round facility replacing the current station. The structure will include an observation tower, first aid room, and locker room/restroom areas for males and females. This project will also provide for an accessible ramp for the mid-landing. This is one of ten lifeguard projects included in the Fire and Life Safety Services Facility Improvement Program approved by the City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities and on-going maintenance are estimated to increase by approximately \$5,000 per year due to an expanded facility area.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing facility consists of a station constructed in the 1950s and an observation tower added in 1980. It is inadequate to accommodate staff or provide adequate water safety protection.

Schedule: Design is currently in progress and scheduled for completion by Fall 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: Project became fully funded this year.

La Jolla Shores Lifeguard Station / S00790

Council District:	1	Community Plan:	La Jolla
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2009 - 2012		619-533-4640
Improv Type:	Replacement		agarcia@sandiego.gov

Description: This project provides for the La Jolla Shores Lifeguard Station located at 8100 Camino del Oro, which will be a year-round facility replacing the current station. The structure will include an observation tower, first aid room, reception area, kitchen, locker room/restroom areas for males and females, and a separate facility for rescue vehicles and emergency equipment. This is one of ten lifeguard projects included in the Fire Rescue and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities and on-going maintenance are estimated to increase by approximately \$6,000 annually due to increased footage in the new facility.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing facility was built in 1981 and is inadequate to accommodate current and future staff and to allow for adequate water safety protection to the public.

Schedule: Final design is completed. Construction is scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Duration:	2009 - 2015		619-533-7532
Improv Type:	Replacement		jsleiman@sandiego.gov

Description: This project provides for construction of the Lifeguard Headquarters located at 2581 Quivira Court. The replacement facility will house lifeguards, mechanics, 24-hour, administrative, and training staff, and will provide an operation yard and storage for the rescue fleet. Construction of this lifeguard facility will occur in two phases. Phase I to replace the emergency dock has been completed. This is one of ten lifeguard projects included in the Fire Rescue and Life Safety Services Facility Improvement Program approved by the City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design and construction of the Lifeguard Headquarters facility has been deferred due to lack of funds.

Summary of Project Changes: The revenue source for the completion of this project is unidentified contingent upon future bond financing. The Lifeguard Headquarters cost and schedule will be revised when funding is identified.

Justification / Public Benefit: The existing facility was constructed in 1956 and is inadequate to accommodate staff and equipment. Many of the major components have exceeded their expected service life. The needs of modern technology and a diversified workforce also require changes in fire facility configuration.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities and on-going maintenance are estimated to increase by approximately \$8,000.

Lifeguard Tower/Grand Ave Restroom / S00641

Council District:	2	Community Plan:	Pacific Beach
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	1998 - 2014		619-533-4640
Improv Type:	Replacement		agarcia@sanidiego.gov

Description: This project provides for the design of a permanent lifeguard tower; restroom and changing room facility; demolition of the existing structure and construction of replacement facilities at the foot of Grand Avenue in Pacific Beach. This project has been consolidated with the South Pacific Beach Lifeguard Station. This is one of ten lifeguard projects included in the Fire and Life Safety Services Facility Improvement Project approved by the Mayor and City Council on April 16, 2002 per Council Resolution R-296359 and Ordinance O-19054.

Justification / Public Benefit: These facilities which were constructed in 1968 are deteriorated, undersized, and do not meet the requirements under the Americans with Disabilities Act (ADA). The new facilities include new public restrooms to address beach goers needs and ADA access.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities or on-going maintenance are estimated to increase by approximately \$5,000 annually due to increased square footage.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan and is in conformance with the City's General Plan.

Schedule: Construction was completed in Fiscal Year 2008.

Summary of Project Changes: Project construction is complete. It is anticipated that minor facility repairs will be completed and the project closed within the first half of Fiscal Year 2011.

Mission Beach Lifeguard Station / S00793

Council District:	2	Community Plan:	Mission Beach
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2009 - 2015		619-533-7532
Improv Type:	Replacement		jsleiman@sandiego.gov

Description: This project provides for remodeling the existing Mission Beach Station located at 3141 Oceanfront Walk. This is one of ten lifeguard projects included in the Fire and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on April 16, 2002 per Council Resolution R-296359 and Ordinance O-19054.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: Design is in progress and should be completed in FY2011. A construction schedule will be created when funding is identified.

Justification / Public Benefit: The existing facility consists of a station constructed in 1974 and does not accommodate changing workforce demographics. This is the beach that historically gets the highest attendance within the City of San Diego and a remodeling is necessary to accommodate the large and growing community.

Summary of Project Changes: It is proposed to allocate \$68,000 in bond financing to this project for Fiscal Year 2011. The revenue source for completion of this project is unidentified contingent upon future bond financing. The project cost and schedule will be revised when funding is identified.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities or on-going maintenance are estimated to increase by approximately \$5,000 annually due to new and expanded facilities

North Pacific Beach Lifeguard Station / S10119

Council District: 2	Community Plan: Pacific Beach
Project Status: Created	Contact Information: Garcia, Alex
Duration: 2010 - 2014	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for the North Pacific Beach Lifeguard Station located at the foot of Chalcidony Street, which will be a year-round facility replacing the current seasonal station. The structure will include an observation tower, first aid room, reception area, kitchen, locker room/restroom areas for males and females, and a garage for rescue vehicles and emergency equipment.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan and is in conformance with the City's General Plan

Schedule: Design will be initiated in Fiscal Year 2011. Currently there is no funding for construction.

Justification / Public Benefit: Lifeguards are currently operating from a seasonal tower structure supported by a container-type of facility where medical aids and other daily activities like food preparation take place back to back. The existing facilities do not provide restrooms for staff. North Pacific Beach has become a highly frequented beach over the years and new facilities will benefit both the public and the employees.

Summary of Project Changes: The North Pacific Beach Lifeguard Station will provide a permanent structure equipped with an observation tower and conventional facility including office area, first aid room, employees restrooms and garage.

Operating Budget Impact: None.

South Mission Beach Lifeguard Station / S00791

Council District: 2	Community Plan: Mission Beach
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2015	619-533-7532
Improv Type: Replacement	jsleiman@sandiego.gov

Description: The project provides for the South Mission Beach Station located at 700 North Jetty Road, which will be a year-round facility replacing the current station. The existing facility does not accommodate both male and female lockerroom facilities to include changing and shower. The new structure will include an observation tower, first aid room, reception area, kitchen, locker room and restroom areas for males and females, and a rescue vehicle and emergency equipment facility. This is one of ten lifeguard projects included in the Fire Rescue and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on April 16, 2002 per Council Resolution R-296359 and Ordinance O-19054.

Justification / Public Benefit: The existing facility was constructed in 1974 and was intended to be a temporary lifeguard station. It is inadequate to accommodate staff or to provide adequate water safety protection.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities and on-going maintenance are estimated to increase by approximately \$5,000 annually due to increased area in the new facility.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: The project schedule will be revised when funding is identified for construction.

Summary of Project Changes: It is proposed to allocate \$150,000 in bond funding to this project for Fiscal Year 2011.

Bldg - Operations Facility / Structures

Council District: 4	Community Plan: Encanto Neighborhoods (Southeastern)
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2010 - 2012	619-533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: This project allows for the expansion of the existing vehicle fitting facility located at the Chollas Operations Yard. The expansion will increase the facility from one service bay to six service bays and will include office space. The project will also provide equipment necessary for operations.

Justification / Public Benefit: The fitting facility is responsible for outfitting new vehicles and placing them into service as well as preparing retired vehicles for auction. With the consolidation of the fleet to include Police and Fire vehicles, the workload has significantly increased. Additionally, as part of the fleet consolidation, the repair facility located at 20th and B was closed. The vehicles serviced at that location as well as the personnel were transferred to the repair facility at the Chollas Operations Yard. The existing building does not have sufficient space to accommodate the personnel.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in consistent with the Southeastern (Encanto Neighborhoods) Community Plan and is in conformance with the City's General Plan.

Schedule: The bid and award process was completed in Fiscal Year 2010. Construction began in Fiscal Year 2010 and will be completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Project Status:	Released	Contact Information:	Susan Madison
Duration:	2010 - 2020		619-236-5985
Improv Type:	Replacement		smadison@sandiego.gov

Description: This annual allocation provides for City facilities and public right of way improvements related to the Americans with Disabilities Act (ADA). Funding ADA obligations is one of the Mayor's eight significant areas.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: ADA improvements will allow greater access to City facilities and public right of way for residents.

Schedule: Projects will be scheduled on a priority basis. In addition to the funds reflected below, Council approved \$20.0 million of Capital Outlay appropriations in Fiscal Years 2008 and 2009.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost increased by \$9,905,000 due to the anticipated allocation of Capital Outlay funding for this project in Fiscal Year 2011.

City Administration Building / S00819

Council District:	2	Community Plan:	Centre City
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2000 - 2014		619-533-7532
Improv Type:	Betterment		jsleiman@saniego.gov

Description: This project provides for the installation of a fire sprinkler system and upgrading the existing fire alarm system at the City Administration Building located at 202 C Street in Centre City. One component of the project is asbestos spot abatement. All work will be performed during non-working hours allowing the facility to remain occupied and operational during construction. Phase I provided for the installation of fire sprinklers on the 10th, 14th, and 15th floors. Phase II provided for the installation of eight-inch stand pipes and eight-inch basement lateral pipes. Phase III provided for the installation of sprinklers in the basement and on the 11th and 13th floors and a fire alarm system in the basement and on the 10th, 11th, and 13th floors. Included in Phase III was abatement of amosite ceiling tile on the 11th floor. Phase IV will provide for the installation of sprinklers and alarm system for the 1st through the 9th, and 12th floors. Spot asbestos abatement will not be required on the 6th and 7th floors due to prior asbestos abatement.

Justification / Public Benefit: This facility currently does not comply with Council Ordinance O-17172 requiring sprinkler retrofitting for high-rise buildings.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Phases I, II and III were completed in Fiscal Years 2000, 2002, and 2003, respectively. Phase IV will be scheduled when funds are identified, and a decision is made regarding the Civic Center redevelopment project.

Summary of Project Changes: Phase IV construction will be scheduled upon identification of funding. The total estimated project cost has increased to \$6,198,000.

City Facilities Improvements / ABT00001

Council District: 6	Community Plan: Kearny Mesa
Project Status: Released	Contact Information: Montoya, John
Duration: 2010 - 2020	619-525-8500
Improv Type: Betterment	jmontoya@sandiego.gov

Description: This annual allocation provides for capital improvements at all City facilities. Potential improvements include roof, heating, ventilation, air-conditioning and elevator replacements.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Several City-owned facilities are aged and in need of repair. High-priority repairs will be completed with this project. Funding for this annual allocation will ensure the facilities remain safe.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: It is proposed to allocate \$5,050,000 in bond funding to this project for Fiscal Year 2011.

Operating Budget Impact: None

Downtown Parking Projects / S01080

Council District:	2, 8	Community Plan:	Centre City
Project Status:	Released	Contact Information:	Tracanna, John
Duration:	1998 - 2011		619-533-3682
Improv Type:	Betterment		jtracanna@sandiego.gov

Description: This project provides funding to implement and facilitate projects and programs to maximize the use of existing parking resources. Parking management projects and programs include design and implementation of a wayfinding-parking program throughout downtown that places directional signs in the Downtown San Diego area, implementation of residential parking permits, and payment of debt service. These funds have also been pledged for the payment of 6th Avenue and Market Street, and 6th Avenue and K Street parking facilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: The project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Debt service payments on bonds are made in March and September of each fiscal year.

Justification / Public Benefit: The Redevelopment Plan of the Centre City Redevelopment Area calls for the elimination of blight in Centre City. The Redevelopment Plan was adopted on May 11, 1992 by Council Ordinance O-17767. The Parking Meter Revenue Allocation Policy (Council Policy 100-18) was adopted on March 4, 1997 and the Comprehensive Downtown Parking Plan was adopted on December 2, 1997.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

La Jolla Parking Structure / S00897

Council District:	1	Community Plan:	La Jolla
Project Status:	Released	Contact Information:	Pazargadi, Siavash
Duration:	2002 - 2012		619-533-3757
Improv Type:	New		spazargadi@sanidiego.gov

Description: This project provides for the design of a parking structure in the La Jolla community.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will assist with parking concerns in the La Jolla community.

Schedule: It is anticipated that this project will be closed in Fiscal Year 2012.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Mission Beach Community Clinic - ADA Improvements / S01092

Council District: 2	Community Plan: Mission Beach
Project Status: Released	Contact Information: Freiha, George
Duration: 2009 - 2012	619-533-7449
Improv Type: New	gfreiha@sandiego.gov

Description: This project provides the required upgrades to improve Americans with Disabilities Act (ADA) accessibility to the Mission Beach Community Clinic in compliance with the ADA. The scope of work for this project includes upgrading the accessible parking, wing area, plaza and patio area, providing an accessible path of travel from the sidewalk, and accessible parking to the picnic area and building entrance, and upgrades to the men's and women's restrooms.

Justification / Public Benefit: These improvements are necessary to provide ADA accessibility to the facility from the street, improving the ADA ramp and modifications to the restrooms, which does not meet all of the current ADA requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: Design began and was completed in Fiscal Year 2010. Advertisement and award will occur in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Modernization of Elevators - City Admin Building / S00697

Council District: 2	Community Plan: Centre City
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2008 - 2009	619-533-3172
Improv Type: Replacement - Rehab	mnassar@sanidiego.gov

Description: This project provides for the modernization of the elevators in the City Administration Building.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with City's General Plan.

Justification / Public Benefit: The four elevators at the City Administration Building were modernized in 1987 and are heavily used by city staff and the public. Technological advancement through the years has rendered the elevator controllers outdated.

Schedule: The project was completed in Fiscal Year 2010 and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Modernization of Elevators - Evan B. Jones Parkade / S00698

Council District: 2	Community Plan: Centre City
Project Status: Technically completed	Contact Information: Nassar, Mark
Duration: 2008 - 2010	619-533-3172
Improv Type: Replacement - Rehab	mnassar@sandiego.gov

Description: This project provides for the modernization of the elevators at the Evan V. Jones Parking facility (Parkade).

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The Evan V. Jones Parking facility, popularly known as the Parkade is utilized by the public and City staff and is open 7-days a week/24-hours a day. The four elevators at this facility were originally installed in 1977 and are heavily used. Technological advancement through the years has rendered the elevator controllers obsolete and difficult to maintain.

Schedule: This project was completed in Fiscal Year 2010 and will be closed by the end of the fiscal year.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Palisades Building Ramp - ADA Improvements / S00620

Council District: 3	Community Plan: Balboa Park
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2008 - 2014	619-533-5328
Improv Type: Betterment	adarvishi@sanidiego.gov

Description: This project provides for the construction of a pedestrian ramp at the entrance of the Palisades Building in Balboa Park to comply with the Americans with Disabilities Act (ADA).

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The ADA ramp will increase public access to the Balboa Park Palisades Building.

Schedule: Construction of this project was completed in Fiscal Year 2009.

Operating Budget Impact: None.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Beach Area Low Flow Storm Drain Diversion / S00603

Council District:	1, 2	Community Plan:	La Jolla, Pacific Beach
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	1998 - 2010		619-533-7482
Improv Type:	New		jbatta@sandiego.gov

Description: This project provides for the beach area interception and diversion of sewer spills and storm drain low-flows. Federal grants are available for 55 percent of the construction costs for Phase II, which has 10 sites and Phase III, which has 11 sites.

Relationship to General and Community Plans: This project is consistent with the La Jolla and Pacific Beach Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for returning dry weather sewer overflows and low flow storm runoff to the sewer, preventing pollution in the beach areas.

Schedule: Phase I, completed construction. Phase II, design completed in Fiscal Year 2004 and construction was completed in early Fiscal Year 2008. Phase III, design and construction were completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: This project, which provided for the beach area interception and diversion of sewer spills and storm drain low-flows, is now complete and will be closed by the end of the fiscal year.

Fashion Valley Road Restoration / S00610

Council District: 6	Community Plan: Mission Valley
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2007 - 2011	619-533-7482
Improv Type: Replacement	jbatta@sanidiego.gov

Description: This project provides for the replacement of the failed corrugated metal pipes under the roadway at the San Diego River Crossing and for the restoration of the roadway.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The road collapsed on December 30, 2004 due to the failure of six corrugated metal pipes under the roadway. The road is located in the floodplain zone and is, therefore, subject to inundation during heavy flows in the river as a result of high intensity rainfall. The road was repaired and in operation before the end of October 2005. The project is eligible for FHWA reimbursement.

Schedule: This project is anticipated to be completed in Fiscal Year 2011.

Summary of Project Changes: This project is now scheduled to be completed in Fiscal Year 2011 due to the time requirements needed to complete studies for the Regional Water Quality Control Board.

Operating Budget Impact: None.

Project Status:	Released	Contact Information:	Martedi Gaetano
Duration:	2008 - 2012		619-533-5410
Improv Type:	New		gmartedi@sandiego.gov

Description: This project provides for the installation of Class II Bike Lanes on 54th Street between Trojan and Euclid Avenues and for Class III Bike Route signage and pavement markings along Euclid Avenue between 54th Street and Market Street.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego and College Area Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will close a gap in bicycle routes between the College Area and Southeastern San Diego and its neighborhoods and provide a safer route for bicyclists.

Schedule: Design and construction began in Fiscal Year 2010. Construction is scheduled to be completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Council District:	8	Community Plan:	Otay Mesa - Nestor
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2001 - 2011		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for constructing a Class I bikeway from the northern end of 13th Street to Main Street at the Interstate 5 interchange at the southeast corner of San Diego Bay.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa/Nestor Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project completes the missing segment of the planned bike path around San Diego Bay from Point Loma to Coronado.

Schedule: Design began in Fiscal Year 2004 and was completed in Fiscal Year 2008. Construction began in Fiscal Year 2009 and was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: Mitigation for this project will be conducted by U.S. Fish and Wildlife Service. This project has been completed and will be closed by the end of the fiscal year.

Bicycle Master Plan / S00948

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Pazargadi, Siavash
Duration:	2003 - 2011		619-533-3757
Improv Type:	New		spazargadi@sanidiego.gov

Description: This project updates the current Bicycle Master Plan that was completed in 2002. This update provides for documenting existing conditions and making recommendations for future bicycle facilities. It is an essential reference tool for updating community plans, and for use in reviewing development proposals and street improvement plans.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: To facilitate grant fund applications, a new Master Plan is required to update the existing 2002 Bicycle Master Plan.

Schedule: The Request for Proposal was issued in January 2008 and the Master Plan project is expected to be completed in Fiscal Year 2010.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Bicycle Parking at the Border / S00953

Council District:	8	Community Plan:	P13 San Ysidro
Project Status:	Technically completed	Contact Information:	Pazargadi, Siavash
Duration:	2003 - 2011		619-533-3757
Improv Type:	New		spazargadi@sandiego.gov

Description: This project provides for installation of 180 bike racks at an existing state-owned lot addressing some of the deficiencies in available bicycle parking near the border. This project is a cooperative effort between the City of San Diego, Caltrans, and the Metropolitan Transit Development Board for joint construction of a surface to support the racks. Caltrans will be the lead agency for this project.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: A recent count showed that about 2,000 bicycles are crossing the border each day. There are insufficient parking facilities to accommodate the large number of bicycles in the area. This project provides for installation of 180 bike racks at an existing State-owned lot addressing some of the deficiencies in available bicycle parking near the border.

Schedule: Installation of bicycle racks was completed in Fiscal Year 2007.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Cherokee Traffic Calming / S00733

Council District: 3	Community Plan: City Heights (Mid-City)
Project Status: Released	Contact Information: Giandoni, Mark
Duration: 2007 - 2012	619-533-4618
Improv Type: New	mgiaandoni@sandiego.gov

Description: The Cherokee Ave/Madison Ave Traffic Calming project consists of realigning the intersection of Cherokee Avenue and Madison Avenue to improve the flow of traffic through this neighborhood and provide safer crossing routes for pedestrians. The project will include street markings, striping, landscaping, sidewalk modifications and pedestrian ramp installations.

Relationship to General and Community Plans: This project implements the Mid-City Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: These improvements will benefit the community by increasing safety. Improving traffic flow and enhancing pedestrian safety.

Schedule: The project design was completed in Fiscal Year 2010 and construction will be completed in Fiscal Year 2011.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Operating Budget Impact: None.

Coastal Rail Trail / S00951

Council District: 1	Community Plan: Torrey Pines, University
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2002 - 2015	619-533-4654
Improv Type: New	apalaseyed@sandiego.gov

Description: This project provides for identifying the best alignment for a bikeway route of approximately 10 miles between the San Diego-Del Mar city limits and Gilman Drive

Relationship to General and Community Plans: This project is consistent with the Torrey Pines and University Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is part of a larger multi-jurisdictional project, which proposes a bikeway along the coast in the cities of Oceanside, Encinitas, Solana Beach, Carlsbad, Del Mar, and San Diego. It is intended to provide regional connectivity for both commuting bicylists and recreational activities.

Schedule: Preliminary engineering and preparation of environmental document began in Fiscal Year 2010. Design is anticipated to begin in Fiscal Year 2012. Construction is expected to begin in Fiscal Year 2014. This schedule is contingent upon availability of funding.

Operating Budget Impact: None.

Summary of Project Changes: Funds have not been identified for design and construction.

Project Status: Created	Contact Information: Pazargadi, Siavash
Duration: 2011 - 2011	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: This project will install a bicycle facility on Congress Street from Ampudia Street to Taylor Street.

Relationship to General and Community Plans: This study is consistent with the Bicycle Master Plan which was adopted by Council Resolution R-296581.

Justification / Public Benefit: This project will provide for improved safety for bicycles.

Schedule: Design began in Fiscal Year 2011 and Construction will end in Fiscal Year 2012.

Operating Budget Impact: None.

Darkwood Canyon Connector Study / S00736

Council District: 1	Community Plan: Rancho Penasquitos
Project Status: Technically completed	Contact Information: Pazargadi, Siavash
Duration: 2005 - 2011	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: The project provides for a feasibility study for a bike lane connection between the State Route 56 Bike Path and Park Run Road and is a part of the State Route 56 Corridor Study.

Relationship to General and Community Plans: The project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Bicyclists would otherwise only be able to access the bikepath from the adjacent freeway interchanges of Black Mountain Road or Camino Ruiz. Providing this direct connection would reduce the out-of-direction travel for accessing the bikepath and would also positively influence the potential usage by bicyclists.

Schedule: Project was completed in Fiscal Year 2010 and will be closed by the end of the fiscal year.

Summary of Project Changes: The project was completed in Fiscal Year 2010.

Operating Budget Impact: None.

El Camino Real/State Route 56 Bike Path Connector / S00981

Council District: 1	Community Plan: Carmel Valley
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2009 - 2012	619-533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: This project will provide for pervious paving on the bike path entrances from El Camino Real to the State Route 56 Bike Path. The existing entrances will be graded, and a driveway apron will be installed on the north side of El Camino Real to allow access to the path.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Public Facilities Financing Plan (See project T-4) and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is required in order to provide a safe method of bicycle access from street to trail.

Schedule: Design was scheduled for Fiscal Year 2010. Construction was scheduled to begin in Fiscal Year 2011, contingent upon rate of development in the community.

Operating Budget Impact: None.

Summary of Project Changes: Project cost and schedule have been updated to reflect the most recent Carmel Valley Public Facilities Financing Plan per Council Resolution (R-303600) of April 24, 2008.

Friars Road/Pacific Highway Bicycle Path / S00947

Council District: 6	Community Plan: Mission Valley, Linda Vista
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2001 - 2012	619-533-7482
Improv Type: New	jbatta@sandiego.gov

Description: This project provides for designing and constructing a Class I bike path connecting Friars Road to Pacific Highway.

Relationship to General and Community Plans: This project is consistent with the Linda Vista and Mission Valley Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide shortcut access between the one-way Class II east-bound bike paths on Friars Road to a one-way Class II bike path northbound on the Pacific Highway bridge.

Schedule: Design was completed in Fiscal Year 2007. Construction will be scheduled when funding is identified.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Trans - Bicycle Facilities (All Class.)

Council District: 1	Community Plan: Carmel Valley
Project Status: Released	Contact Information: Pazargadi, Siavash
Duration: 2009 - 2012	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: This project will provide the (missing) link between two existing bike/pedestrian paths: the regional bike connection that runs parallel to State Route 56 corridor, and the Sorrento Valley Road multi-use bike/pedestrian path, and will pass under Interstate 5, just south of the Carmel Mountain Road interchange.

Justification / Public Benefit: Currently cyclists and pedestrians must use the shoulders of Carmel Valley Road to access the west side of I-5. High traffic volumes coupled with commercial driveways and freeway ramps make it difficult for pedestrians and cyclists to travel from one side of the freeway to the other.

Operating Budget Impact: None.

Interstate 5 Underpass - Bikeway/Ped Connector / S00982

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Public Facilities Financing Plan (Project T-5) and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction will be scheduled contingent upon timing/availability of funding. It is anticipated that State and federal grant funding will be made available for this project.

Summary of Project Changes: Project cost and schedule have been updated to reflect the most recent Carmel Valley Public Facilities Financing Plan per Council Resolution (R-303600) of April 24, 2008.

Kearny Villa Road Bike Lane Improvements / S00961

Council District: 6	Community Plan: Kearny Mesa
Project Status: Released	Contact Information: Martedi Gaetano
Duration: 2008 - 2014	619-533-5410
Improv Type: New	gmartedi@sandiego.gov

Description: This project provides for the resurfacing and repair of damaged bicycle lanes on Kearny Villa Road between Miramar Way and State Route 163.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The deteriorating asphalt in the bicycle lane causes bicyclists to ride close to the main travel lanes, where there are high volumes of high-speed traffic. This project will replace the existing bicycle lane with new asphalt and provide a safer route of travel for bicyclists.

Schedule: Design and construction will be scheduled following award of design/build contract authorized by City Council in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Kearny Villa Road Bike Path Study / S00966

Council District:	6	Community Plan:	Kearny Mesa
Project Status:	Released	Contact Information:	Pazargadi, Siavash
Duration:	2008 - 2011		619-533-3757
Improv Type:	New		spazargadi@sandiego.gov

Description: This project will provide for a feasibility study focusing on a long term solution to provide an alternative parallel facility to the existing bicycle lane on Kearny Villa Road, including possible operational improvements at the interchanges at State Route 163.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project's goal is to increase bicycling as a viable commuting or recreational option.

Schedule: The study began in Fiscal Year 2010 and will continue through Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Minor Bike Facilities / AIA00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Fuentes, Juiio
Duration:	2010 - 2020		619-533-3092
Improv Type:	New		jfuentes@sanidiego.gov

Description: This annual allocation provides for the installation of signage, loop detection, and pavement markings for Class II bike lanes or Class III bike routes at various locations throughout the City on an as-needed basis.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Minor bicycle projects are too low-cost to compete for regional grant funding and must rely on City funding for installation. This project will provide a funding source for small, low-cost bicycle projects.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: TransNet funding for this project has been allocated through Fiscal Year 2015.

Operating Budget Impact: None.

Mission Trails Regional Park/Mission Bay Bike Path / S00734

Council District: 6	Community Plan: Navajo, Mission Valley
Project Status: Released	Contact Information: Pazargadi, Siavash
Duration: 2000 - 2011	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: This project provides for various bikeway projects along the San Diego River Bike Path between Mission Trails and Mission Bay in the Mission Valley Community.

Relationship to General and Community Plans: This project is consistent with the Mission Valley and Navajo Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide various, as-needed bikeways for bicyclists and pedestrians in the Mission Valley and Navajo communities.

Schedule: Preliminary engineering is scheduled to be complete in Fiscal Year 2011. The project schedule and cost estimate for design and construction will be established once the scope of work is approved.

Operating Budget Impact: None.

Ocean Beach/Hotel Circle Bicycle Path / S00949

Council District:	2, 6	Community Plan:	Ocean Beach, Mission Valley
Project Status:	Released	Contact Information:	Handal, Mike
Duration:	2002 - 2013		619-533-7588
Improv Type:	New		mhandal@sandiego.gov

Description: This project provides for Class I bike path to connect the existing Ocean Beach bike path (at its easterly end) to Hotel Circle North, along the south side of the San Diego River.

Relationship to General and Community Plans: This project is consistent with the Mission Valley and Ocean Beach Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This bike path is needed as a critical connection for bicyclists in this area in accordance with the Mission Valley Community Plan.

Schedule: Design began in Fiscal Year 2004 and was completed in Fiscal Year 2006. Construction began in Fiscal Year 2008 and will be completed in Fiscal Year 2011.

Pedestrian Master Plan / S00737

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Adachi, Nancy
Duration:	2007 - 2013		619-525-8516
Improv Type:	New		nadachi@sanidiego.gov

Description: This project provides for the development of a comprehensive Pedestrian Master Plan to guide the way the City plans and implements pedestrian improvement projects to address safety, accessibility, connectivity, and walkability. The plan will identify and prioritize pedestrian improvement projects based on technical analysis and community input.

Justification / Public Benefit: The plan will identify the City's pedestrian needs list, improve the City's ability to implement pedestrian projects using its limited resources as effectively as possible, and improve the City's position to receive grant funding to construct such projects.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Earlier phases of the project have been completed. Phase III began in Fiscal Year 2007 and was completed in Fiscal Year 2010. Phase IV began in Fiscal Year 2010 and will be completed in Fiscal Year 2011. Subsequent phases will be scheduled as funding becomes available.

Summary of Project Changes: \$150,000 in Transportation Development Act funding for Phase IV of the project was awarded to this project by SANDAG per City Council Resolution R-304939 dated May 26, 2009. Total project cost has increased to \$491,435.

Poway Road Bicycle Path - Class I / S00943

Council District: 5	Community Plan: Sabre Springs
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1997 - 2014	619-533-5120
Improv Type: Widening	bjohnson@sandiego.gov

Description: This project provides for the construction of a Class I bicycle path (combined pedestrian and bicycle travel) easterly along the south side of Poway Road from the I-15/Poway Road interchange to Sabre Springs Parkway, approximately 1,950 feet in length. This project replaces the existing Class II bikeway located within the shoulder of Poway Road.

Relationship to General and Community Plans: This project is consistent with the Sabre Springs Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The Sabre Springs Community Plan encourages the development of a system of bikeways within the community, tying into the regional bicycle network.

Schedule: The Environmental Process began in Fiscal Year 2008 and was completed in Fiscal Year 2010. Design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Rancho Bernardo Bikeway / S00962

Council District: 5	Community Plan: Rancho Bernardo
Project Status: Released	Contact Information: Martedi Gaetano
Duration: 2007 - 2012	619-533-5410
Improv Type: New	mgaetano@sandiego.gov

Description: This project provides for the installation of three miles of Class II bike lanes on West Bernardo Drive from Rancho Bernardo Road to Aguamiel Road and on Bernardo Center Drive from West Bernardo Drive to Rancho Bernardo Road.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project completes gaps in the Rancho Bernardo community bicycle network, and connects to regional bicycle facilities. It also improves bicycle access to a number of community facilities, including a transit center, library, and schools.

Schedule: It is anticipated that this project will be completed in Fiscal Year 2011.

Summary of Project Changes: Construction schedule has been revised due to reallocation of resources.

Operating Budget Impact: None.

Rose Creek Bikeway / S00946

Council District:	2, 6	Community Plan:	Mission Bay Park, Pacific Beach
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	2001 - 2014		619-533-7482
Improv Type:	New		jbatta@sandiego.gov

Description: This project provides for designing and constructing a pedestrian/bicycle bridge across Rose Creek and a paved Class I bike path to connect the westerly end of the new bridge to Pacific Beach Drive.

Relationship to General and Community Plans: This project implements the Pacific Beach Community Plan and the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will close a gap in the existing network of bike paths and lanes in Mission Bay Park. The project will allow pedestrians and bicyclists to circumvent a much longer existing route along Grand Avenue.

Schedule: Design began in Fiscal Year 2001 and was completed in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: ARRA/TransNet Exchange funding in the amount of \$5 million was appropriated to this project in Fiscal Year 2010 per City Council Resolution R-305177, dated 7/28/2009. This project is now fully funded.

Ruffin Road/Murphy Canyon Road Bikeway Project / S00959

Council District: 6	Community Plan: Kearny Mesa
Project Status: Released	Contact Information: Martedi Gaetano
Duration: 2008 - 2014	619-533-5410
Improv Type: New	gmartedi@sandiego.gov

Description: This proposed project will install 3.25 miles of Class II Bikeways from Kearny Villa Road to Murphy Canyon Road and upgrade the existing Class III facility on Murphy Canyon Road between Aero Drive to city limits that will connect to Murphy Canyon Road Bike Path.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan. This Study is consistent to the Bicycle Master Plan, which was passed by Council Resolution R-296581.

Justification / Public Benefit: This project will provide north and south connectivity to other bikeways within the city and will provide a safer route of travel for bicyclists.

Schedule: Design began in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Safety in Traffic Education STEP Program / S00964

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	White, Esmeralda
Duration:	2009 - 2011		619-533-3183
Improv Type:	New		ewhite@sandiego.gov

Description: This project provides for development of a public education campaign to promote safe use of streets by motorists, pedestrians, and bicyclists.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will result in a guide for a multi-media ad campaign to raise public awareness of the interactions of motorists, pedestrians, and bicyclists on City streets. Various aspects of the public education campaign will target specific elements of the traveling public. Additional funding will be required for campaign implementation.

Schedule: This project was implemented in Fiscal Year 2009 and will continue through Fiscal Year 2014, pending award of additional grant funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

San Diego River Bicycle Path / S00945

Council District: 6, 7	Community Plan: Mission Valley, Navajo
Project Status: Released	Contact Information: Pazargadi, Siavash
Duration: 2000 - 2011	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: This project provides for constructing 0.2 mile of Class I bikeway from Avenida del Rio easterly to the existing San Diego River Bike Path.

Schedule: Design began in Fiscal Year 2001 and is now complete. Construction began in Fiscal Year 2002 and was completed in Fiscal Year 2004. Landscape maintenance began in Fiscal Year 2004 and continued through Fiscal Year 2006.

Justification / Public Benefit: This project will provide for a link to the San Diego River Bike Path.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley and Navajo Community Plans, and is in conformance with the City's General Plan.

San Diego River Multi-Use Path / S00958

Council District: 6	Community Plan: Mission Valley
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2006 - 2012	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for a multi-use pedestrian and bicycle path under State Route 163 from Hazard Center Drive to Fashion Valley Mall on the north side of the San Diego River. The project includes a paved bicycle and pedestrian path, grading, fill, striping, signage, bollards, and lighting for the path including the State Route 163 undercrossing.

Justification / Public Benefit: This project is part of the Bicycle Master Plan to guide the development and the creation of a firm foundation for a bicycle-friendly environment to serve bicyclists and pedestrians throughout the City. These improvements will benefit the community by increasing the mobility and safety through the enhancement of the bicycle path environment.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary engineering and planning began in Fiscal Year 2006 and was completed in Fiscal Year 2008. The environmental review process began in Fiscal Year 2009 and will be completed in Fiscal Year 2011. Design began in Fiscal Year 2008 and was completed in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2011.

Summary of Project Changes: It is proposed to allocate \$1,140,000 in TransNet funding to this project for Fiscal Year 2011. \$360,000 of High Priority Program State grant funds will be received in Fiscal Year 2011 for environmental mitigation requirements.

State Route 56 Bike Interchanges / S00955

Council District: 1	Community Plan: Black Mountain Ranch, Del Mar Mesa, Pacific Highlands Ranch, Rancho Penasquitos
Project Status: Released	Contact Information: Pazargadi, Siavash
Duration: 2006 - 2014	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: This project will provide for a bicycle path interchange and community connection points at Black Mountain Road, Camino Del Sur, Rancho Del Sol Way, and Torrey Meadows Drive along State Route 56.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch, Del Mar Mesa, Pacific Highlands Ranch, and Torrey Highlands Subarea Plans and the Rancho Penasquitos Community Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: Bicyclists and pedestrians traveling the SR-56 bicycle path and needing to cross through the interchange areas have to contend with high volumes of conflicting vehicular traffic. This project will expedite the movements along the bicycle path through and connecting to the interchange areas.

Schedule: The project study report began in Fiscal Year 2006. Modifications requested by the community extended the project study report into Fiscal Year 2007. Design and construction began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2014 for various segments of the bicycle path.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Description: This project provides for the replacement of a bicycle lane on Taylor Street between Presidio Drive and Hotel Circle South, adjacent to Presidio Park.

Relationship to General and Community Plans: This project is consistent with the Old San Diego Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Erosion has caused the cliffside at this location to destabilize. Temporary barriers are in place to prevent additional rockslide onto Taylor Street; however, these barriers have eliminated the bicycle lane. This project will re-establish the bike lane.

Schedule: Construction schedule and funding will be determined upon transfer to the Engineering & Capital Projects Department in Fiscal Year 2011 and will be incorporated in the cliff stabilization project.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Project Status:	Closed	Contact Information:	White, Esmeralda
Duration:	2008 - 2013		619-533-3183
Improv Type:	New		ewhite@sandiego.gov

Description: This project provides for 100 classes in bicycle safety, specifically tailored for commuters.

Justification / Public Benefit: This project builds on the City's Smart Cycling and Bike to Work commuter education programs. The classes will focus on bicycle safety and route selection and can include components relative to specific employment locations. The project's ultimate goal is to increase bicycling as a viable commuting option.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Classes were conducted in Fiscal Year 2010.

Summary of Project Changes: This program is complete and the project will be closed by the end of the fiscal year.

Council District: 3	Community Plan: Greater North Park
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2007 - 2014	619-533-7482
Improv Type: Betterment	jbatta@sanidiego.gov

Description: This project provides for the restriping of University Avenue from east of Florida Street to the west side of Mississippi Street, including the two intersections of University Avenue at Alabama Street to provide a center refuge median and wider travel lanes to improve bicycle and pedestrian safety.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide for the removal of parking on both sides of the street and eliminate left turns in and out of both intersections of University Avenue and Alabama Street. In addition, the project will provide center refuge median and wider travel lanes to improve bicycle and pedestrian safety.

Schedule: Design was completed in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Project Status: Released	Contact Information: Nassar, Mark
Duration: 2010 - 2020	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for the construction of one mile of Class III bicycle route on Villa La Jolla Drive from Nobel Drive to Gilman Drive.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The project will facilitate bicycle usage in the community, while conforming with the Bicycle Master Plan.

Schedule: Design and construction began in Fiscal Year 2010. Construction is scheduled to be completed in Fiscal Year 2011.

Operating Budget Impact: None.

Vista Sorrento Parkway Bike Lanes / S01097

Council District:	1, 5	Community Plan:	Mira Mesa, Torrey Pines
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2002 - 2011		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for the construction of bike lanes on Vista Sorrento Parkway between Sorrento Valley Boulevard and Lusk Boulevard by widening the existing roadway.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines and Mira Mesa Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Bicyclists along this section of Vista Sorrento Parkway currently must contend with heavy volumes and high speeds from vehicular traffic in common lanes. The proposed bike lanes will provide a separate venue for bicyclists to use, which is in accordance with the Torrey Pines and Mira Mesa Community Plans.

Schedule: Construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project was completed in Fiscal Year 2010 and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Project Status: Created	Contact Information: Fuentes, Julio
Duration: 2011 - 2014	619-533-3092
Improv Type: Betterment	jfuentes@sanidiego.gov

Description: This project provides a new sidewalk on the north side of Camino del Norte from I-15 of ramp to Paseo Montanoso.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community plan and in conformance with the City's General Plan.

Justification / Public Benefit: This project provides access for pedestrians. This project was already completed by Caltrans as part of a major freeway improvement project.

Schedule: This project is now complete and will be closed by the end of Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: The funds allocated for this project will be used to complete other needed projects within the Rancho Bernardo community.

Pedestrian Bridge - Ted Williams Parkway / S00938

Council District: 5	Community Plan: Carmel Mountain Ranch
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2003 - 2011	619-533-4654
Improv Type: New	apalaseyed@sandiego.gov

Description: This project provides for construction of a pedestrian bridge along Shoal Creek Drive to facilitate crossing Ted Williams Parkway. This phase of the project includes design and environmental studies.

Relationship to General and Community Plans: This project is consistent with the Carmel Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The intersection is in close proximity to Shoal Creek Elementary School and has a high volume of children crossing Ted Williams Parkway. This project will increase pedestrian safety and was requested by City Council and the community.

Schedule: Design and preparation of environmental documents began in Fiscal Year 2008. Construction is scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Operating Budget Impact: None

Bridge Preventative Maintenance Program / S00940

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Wildberger, Eric
Duration: 2007 - 2011	619-533-3765
Improv Type: Betterment	ewildberger@sandiego.gov

Description: This project provides for the development of bridge preventive maintenance assessments. It will provide an evaluation of 318 existing vehicular bridges, analyze current industry practices, and determine the cost benefits of program implementation.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Bridges identified in this assessment will be considered for participation in a future preventive maintenance construction contract.

Schedule: The program began in Fiscal Year 2007 and will continue through Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Carroll Canyon Road/Sorrento Valley Road - Dist 1 / S00841

Council District:	1, 5	Community Plan:	Mira Mesa, Torrey Pines
Project Status:	Released	Contact Information:	Palaseyed, Abi
Duration:	1988 - 2016		619-533-4654
Improv Type:	New		apalaseyed@sandiego.gov

Description: This project provides for a modified four-lane collector street from Sorrento Valley Road, under Interstate 805 to Scranton Road as part of a joint project with Caltrans. Carroll Canyon Road will include Class II bike lanes and direct access ramps onto I-805 from Carroll Canyon Road to the I-5 interchange.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Carroll Canyon Road is necessary in accordance with the community plan and the average daily trip forecast is 25,000 a year.

Schedule: Land acquisition was scheduled in Fiscal Year 2005 and rescheduled to Fiscal Year 2009 due to changes in scope and alignment. Design was completed in Fiscal Year 2010. Construction was expected to begin in Fiscal Year 2010 and to be completed by Fiscal Year 2013, however, this schedule is dependent upon the availability of State funding.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

El Camino Real - Half Mile to Via De La Valle / S00856

Council District: 1	Community Plan: Future Urbanizing Area - Subarea 2
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1992 - 2014	619-533-5120
Improv Type: Widening	bjohnson@sandiego.gov

Description: This project provides for reconstruction and widening of the existing two-lane bridge to a four-lane bridge. It provides for widening the existing two-lane roadway to a modified four-lane major road and includes improvements on eastbound Via de la Valle as far as northbound El Camino Real.

Schedule: The environmental review process began in Fiscal Year 2007 and is scheduled to be completed in Fiscal Year 2011. Design is scheduled to begin in Fiscal Year 2011. Land acquisition is scheduled in Fiscal Year 2011. Construction is scheduled for Fiscal Year 2012.

Justification / Public Benefit: The Fairbanks Ranch Country Club and Via de la Valle Precise Plans identify El Camino Real as a four-lane major road.

Summary of Project Changes: It is proposed to allocate \$500,000 in TransNet funding and \$157,000 in private donation per Resolution 305004, June 23, 2009 to this project for Fiscal Year 2011. Additionally, the project is scheduled to receive grant funding in Fiscal Year 2011. Continuing appropriations in the project were increased by \$320,000 in Highway Bridge Program funds received in Fiscal Year 2010.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Fairbanks Ranch Country Club Specific Plan and the North City Future Urbanizing Area Framework Plan and is in conformance with the City's General Plan.

First Avenue Bridge Over Maple Canyon / S00862

Council District: 2	Community Plan: Uptown
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1994 - 2011	619-533-4654
Improv Type: Replacement - Retrofit	apalaseyed@sandiego.gov

Description: This project provides for seismic retrofit to the abutments, expansion joints and bracing of the First Avenue bridge and for replacement of corroded rivets. Miscellaneous painting is required to prevent rusting.

Relationship to General and Community Plans: This project implements the Uptown Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This bridge needs extensive hardware restoration and replacement, miscellaneous painting, and seismic upgrades to prevent collapse during a catastrophic earthquake.

Schedule: An initial study began in late Fiscal Year 1993. Design began in Fiscal Year 1996 and was completed Fiscal Year 2007. Construction was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: Project was completed in Fiscal Year 2010 and will be closed by the end of the fiscal year.

Genesee Avenue - Widen Interstate 5 Crossing / S00839

Council District: 1	Community Plan: University
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1990 - 2013	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for widening Genesee Avenue to six lanes plus dual turn lanes and replacing the existing Genesee Avenue overcrossing with a higher, wider (124-foot) structure and the modification of the existing ramps. The environmental document will also clear additional Interstate 5 Corridor improvements including auxiliary lanes on both sides of the freeway, north and south of Genesee Avenue and the replacement of the Voight Drive Overcrossing.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to improve traffic flow. It is included in the Council-approved North University City Public Facilities Financing Plan as Project Number 24.

Schedule: The environmental document was scheduled to be completed in Fiscal Year 2011. Land Acquisition is scheduled to be completed in Fiscal Year 2012. Design is scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2012. Construction of the Genesee Overcrossing and ramps is scheduled to begin in Fiscal Year 2013. Construction of the additional corridor improvements is also contingent upon the identification of funding.

Operating Budget Impact: None.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Georgia Street Bridge Improvements / S00863

Council District:	3	Community Plan:	Greater North Park
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	1994 - 2014		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for improvements of the bridge, the adjacent retaining walls, and the corresponding guardrails along the bridge walls.

Relationship to General and Community Plans: This project implements the Greater North Park Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This bridge has severe spalling due to age and has severe height limitations which need to be corrected. Trucks continue to hit the low arches of the bridge. The retaining walls on either side are an integral part of the bridge and also need restoration or replacement. The guardrails of the bridge and adjacent walls are deteriorating.

Schedule: The environmental review process and design will continue in Fiscal Year 2011 due to environmental delays and community outreach impacts. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: Federal grant funds are anticipated to be increased by \$7,000,000 in Fiscal Year 2012.

Operating Budget Impact: None.

La Jolla Village Dr /Torrey Pines - Villa La Jolla / S00850

Council District:	1	Community Plan:	University
Project Status:	Released	Contact Information:	Palaseyed, Abi
Duration:	1992 - 2011		619-533-4654
Improv Type:	Widening		apalaseyed@sandiego.gov

Description: This project provides for Phase III of widening La Jolla Village Drive from Torrey Pines Road to Interstate 805, and for widening the bridge over Gilman Drive to six lanes. It widens La Jolla Village Drive to six lanes from Torrey Pines Road to Gilman Drive, and to six lanes with two auxiliary lanes from Gilman Drive to Villa La Jolla Drive. It also adds a fourth westbound lane from Interstate 5 to Villa La Jolla Drive. The project reconstructs some portions of the existing roadway, improves drainage at the Villa La Jolla/La Jolla Village Drive intersection, and improves the North Torrey Pines Road/Torrey Pines Road/La Jolla Village Drive intersection, including a right-turn lane to Torrey Pines Road along eastbound North Torrey Pines Road from Expedition Way funded by a developer's contribution.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 1998 and was completed in Fiscal Year 2004. Construction began in Fiscal Year 2004 and was completed in Fiscal Year 2006.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Justification / Public Benefit: Widening La Jolla Village Drive will enhance the traffic flow. See Project Number 47 in the North University City Public Facilities Financing Plan.

La Jolla Village Drive - Interstate 805 Ramps / S00857

Council District: 1	Community Plan: University
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2001 - 2011	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project converts the existing La Jolla Village Drive/Interstate 805 full cloverleaf interchange configuration to a partial cloverleaf configuration, including widening the overpass structure and approaches to provide three through lanes with an auxiliary lane in each direction. The project also provides for widening La Jolla Village Drive to eight lanes and constructing three lanes to the southbound on-ramp. Bike lanes will be included.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design and land acquisition began in Fiscal Year 2001. Design continued in Fiscal Year 2004. Caltrans will award the construction contract in Fiscal Year 2011 if funding is available.

Justification / Public Benefit: This project is needed to improve traffic circulation and safety in the University community per the North University City Public Facilities Financing Plan - Project C.

Summary of Project Changes: Construction was rescheduled to Fiscal Year 2011 to incorporate changes in the design plans to meet the current State of California stormwater and traffic design standards.

Operating Budget Impact: None.

Laurel Street Bridge Over State Route 163 / S00939

Council District: 3	Community Plan: Balboa Park
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2007 - 2014	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the maintenance, rehabilitation, and seismic retrofitting of the Laurel Street (Cabrillo) Bridge over Highway 163.

Justification / Public Benefit: This bridge has been identified by Caltrans as requiring maintenance and rehabilitation which is currently seismically deficient.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: The environmental process began in Fiscal Year 2009 and continued through Fiscal Year 2010. Design is scheduled to begin in Fiscal Year 2011 and will continue through Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013 and is anticipated to be completed in Fiscal Year 2014. Caltrans is lead agency for this project. The City share may not exceed current appropriation. Revisions to schedule are consistent with Caltrans Project Study Report.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Mission City Parkway/San Diego River / S00936

Council District:	6	Community Plan:	Mission Valley
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	1999 - 2010		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for a new two-lane bridge extending Mission City Parkway from the intersection of Camino Del Rio North to the north over the San Diego River. Mission City Parkway would connect to Fenton Parkway, which was constructed by a developer as part of the Mission City Development. This project also provides for an additional entrance to QUALCOMM Stadium. This project description is preliminary and the amounts shown below only reflect the funding currently programmed. The total funding needs of the project will be determined once a final scope of work is established.

Justification / Public Benefit: The bridge is part of the approved Mission City Plan and is being constructed from funding provided by H. G. Fenton as part of the settlement with the City implementing the Mission City Development, specifically for the construction of the bridge and roadway.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: The project description is preliminary and the scope of work is not established; only planning and other preliminary activities have been performed to date. The project schedule for the design and construction will be established once the scope of work is approved and the remaining funding identified.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

North Harbor Drive Navy Estuary Seismic Retrofit / S00728

Council District: 2	Community Plan: Peninsula
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1997 - 2015	619-533-4654
Improv Type: Replacement - Retrofit	apalaseyed@sandiego.gov

Description: This project provides for the seismic retrofit of the North Harbor Drive Bridge, which will consist of stabilizing the existing piers and joining the paired piers together at the waterline to increase support during seismic events.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The North Harbor Drive Bridge over Navy Estuary has been identified as a seismically deficient bridge by Caltrans.

Schedule: Design was completed in Fiscal Year 2007. Construction began in Fiscal Year 2009 and was completed in Fiscal Year 2010. The project is scheduled to be closed in 2015 after the five year mitigation and monitoring period.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

North Torrey Pines Road Bridge/ Los Penasquitos / S00935

Council District: 1	Community Plan: Torrey Pines
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1992 - 2014	619-533-4654
Improv Type: Replacement - Retrofit	apalaseyed@sanidiego.gov

Description: This project provides for demolishing and reconstructing the North Torrey Pines Road Bridge over Los Penasquitos Creek and for transitionally widening both road approaches from approximately 770 feet south of the bridge to 1,100 feet north of the bridge.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to replace the structurally deficient and functionally obsolete bridge. The new bridge will be designed to current standards.

Schedule: Environmental review was completed in Fiscal Year 2000. Design began in Fiscal Year 2000 and was completed in Fiscal Year 2003. Construction was completed in Fiscal Year 2006. Environmental mitigation and monitoring began in Fiscal Year 2006 and will continue until Fiscal Year 2014.

Operating Budget Impact: None.

Summary of Project Changes: It is proposed to allocate \$88,000 in TransNet funding to the project in Fiscal Year 2011 as the City's annual share of the mitigation and monitoring requirement.

Palm Avenue Interstate 805 Interchange / S00869

Council District: 8	Community Plan: Otay Mesa, Otay Mesa - Nestor
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2002 - 2017	619-533-4654
Improv Type: Widening	apalasayed@sandiego.gov

Description: This project provides for improving the Palm Avenue/Interstate 805 interchange in three phases. The first phase has been completed. The second phase consists of repairs to the bridge approaches and abutments; bridge widening to the south; installation of sidewalk and signal; restriping; and signage modifications. The third stage consists of bridge widening to the north, relocation of north bound on and off-ramp, and widening of the two on-ramps. All three phases of the project provide improvements per the Otay Mesa Public Facilities Financing Plan - Projects T1.1, 1.2, 1.3, and 1.4.

Justification / Public Benefit: This project is required to accommodate the additional traffic generated as a result of development in the Otay Mesa Community. Improvements to this interchange will also help to reduce traffic volumes on State Route 905.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa and Otay Mesa/Nestor Community Plans and is in conformance with the City's General Plan.

Schedule: Phase I is complete. Phase II and III environmental studies began in Fiscal Year 2010. Phase II design will be completed in Fiscal Year 2012 and construction is scheduled in Fiscal Year 2012. Phase III design is scheduled in Fiscal Year 2013. Construction for Phase III will be scheduled upon identification of funding. This schedule is contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: Funding for this project was accelerated and \$4,078,000 moved into Fiscal Year 2010 from Fiscal Year 2011 per Ordinance Number O-19902, dated October 27, 2009. Project increased by \$6,000,000 for Phase II construction costs.

Regents Road Bridge / S00729

Council District:	1	Community Plan:	North University City, South University City
Project Status:	Released	Contact Information:	Palaseyed, Abi
Duration:	1992 - 2015		619-533-4654
Improv Type:	New		apalaseyed@sandiego.gov

Description: This project provides for an 870-foot bridge spanning the AT&SF Railroad and a portion of the flood plain. Additionally, this project provides for a four-lane major street with Class II bike lanes on Regents Road from the AT&SF railroad bridge to 100 feet north of Lahitte Court as well as widening the existing half width street to a four-lane major street from 100 feet north of Lahitte Court to Governor Drive, including Class II bike lanes. The project includes the Limited Roadway Changes, which are the widening of westbound Governor Drive to provide an additional left-turn lane to southbound and a right-turn lane to northbound Regents Road. The project also provides for widening of the southbound portion of Regents Road at the State Route 52 eastbound entrance ramp, an additional left-turn lane for traffic entering the eastbound ramp an additional right-turn lane from the park access to the ramp, and the widening of the southbound portion of Genesee Avenue at the State Route 52 eastbound ramp to provide an additional left-turn lane for traffic entering the eastbound ramp. In addition, the project provides recreational improvements in the canyon, which include limiting noise to the greatest extent possible, traffic calming, walkability, profile/light penetration structure design, habitat restoration, recreational improvements for pedestrians, and bike access trails.

Justification / Public Benefit: This project will complete Regents Road and provide continuous access to northern communities. This project is included in the Council-approved North University City Financing Plan and Facilities Benefit Assessment Plan - Project NUC-18.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008. Land acquisition began in Fiscal Year 2009 and construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

SR-94/Euclid Ave Interchange Improvements / S11046

Council District: 4	Community Plan: Encanto Neighborhoods (Southeastern)
Project Status: Created	Contact Information: Pazargadi, Siavash
Duration: 2011 - 2014	619-533-3757
Improv Type: Replacement	spazargadi@sandiego.gov

Description: This project provides for the evaluation and environmental work for widening and removing the "S" curve of State Route 94/Euclid Avenue eastbound off ramp and its subsequent construction.

Relationship to General and Community Plans: This project is consistent with the Encanto Neighborhoods Community Plan and in conformance with the City's General Plan.

Justification / Public Benefit: This project will improve safety and capacity.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and construction is scheduled to begin in Fiscal Year 2013,

Operating Budget Impact: None.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Sea World Drive/Interstate 5 Interchange Imp / S00888

Council District:	2, 6	Community Plan:	Mission Bay Park
Project Status:	Released	Contact Information:	Palaseyed, Abi
Duration:	2007 - 2018		619-533-4654
Improv Type:	Replacement		apalaseyed@sandiego.gov

Description: This project proposes to realign and widen the southbound off-ramp, reconfigure the off-ramp intersection to eliminate the free right turn onto Sea World Drive, widen the eastbound approach to the southbound on-ramp, and increase storage on the overcrossing for the eastbound to northbound left turn at the northbound on-ramp. In addition, this alternative proposes to provide a loop on ramp to northbound Interstate 5 from eastbound Sea World Drive. The eastbound and westbound approaches would be modified to provide required storage and the entire interchange would be relocated approximately 30-feet to the south to accommodate phased construction of a new overcrossing. In addition, when funding is identified, Sea World Drive will be widened to six lanes between Sea World Way and Interstate 5.

Justification / Public Benefit: Widening Sea World Drive to six lanes and improving the Sea World Drive/Interstate 5 interchange are necessary to meet existing and forecasted traffic volumes.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Project study report will be completed in Fiscal Year 2010. Preliminary Engineering and preparation of environmental document began in Fiscal Year 2010. Design is scheduled to begin in Fiscal Year 2012. Construction is scheduled to begin 2015. This schedule is contingent upon availability of funding.

Summary of Project Changes: Currently the Project Study Report (PSR) identified a Phase I, Minimum Build Alternative, and several alternatives for the interchange necessary to satisfy traffic demands until the year 2035. Funds for the ultimate improvements have not been fully identified. Therefore, funding in the amount of \$105,438,300 is needed for design, right-of-way acquisition, construction, contingency and construction support in Fiscal Year 2014.

Seismic Retrofit West Mission Bay Drive Bridge / S00937

Council District: 2	Community Plan: Mission Bay Park
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2003 - 2010	619-533-4654
Improv Type: Replacement - Retrofit	apalaseyed@sandiego.gov

Description: This project provides for the seismic retrofit which will consist of stabilizing the existing piers and joining the paired piers together at the waterline to increase support during seismic event.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The West Mission Bay Drive Bridge over Mission Bay Channel has been identified as a seismically deficient bridge by Caltrans.

Schedule: This project was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: This project is now complete and will be closed by the end of the fiscal year.

State Route 163/Clairemont Mesa Blvd Interchange / S00905

Council District: 6	Community Plan: Kearny Mesa
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2005 - 2013	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project provides for improving Clairemont Mesa Boulevard/State Route 163 to six-lane prime arterial standards. Phase I of the project consists of bridge widening and ramp realignment on the eastern side of the interchange. Phase II consists of ramp realignment on the western side. The interchange will be re-configured to eliminate existing loop on-ramps. The ramps will be re-configured to intersect Clairemont Mesa Boulevard at standard signalized intersections. High-occupancy vehicle/bus bypass lanes will be incorporated on the on-ramps and preemption for emergency vehicles and bus priority will be included on the traffic signals.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I construction was completed in Fiscal Year 2008. Phase II design began in Fiscal Year 2008 and construction is scheduled for Fiscal Year 2012.

Justification / Public Benefit: These improvements will eliminate existing pedestrian/bike high-speed crossings and all vehicle, bike and pedestrian moves will be controlled, thus improving safety. Transit movement through the interchange area will be greatly enhanced.

Summary of Project Changes: It is anticipated that \$2,452,200 from a developer reimbursement for Phase I improvements will be received in Fiscal Year 2011. Total project cost is \$20 million.

State Route 163/Friars Road / S00851

Council District:	6	Community Plan:	Mission Valley
Project Status:	Released	Contact Information:	Palaseyed, Abi
Duration:	1990 - 2019		619-533-4654
Improv Type:	Widening		apalaseyed@sandiego.gov

Description: This project provides for construction of a new southbound State Route 163 to westbound Friars Road off-ramp, widening of the Friars Road overcrossing structure to eight lanes extending to Frazee Road, construction of a third westbound lane on Friars Road to Fashion Valley Road, the addition of an exclusive right-turn lane on southbound Frazee Road to westbound Friars Road, other modifications to the existing on and off-ramps, and improvements to the existing State Route 163 southbound travel lanes to improve the weaving problems. This project also includes an auxiliary lane on southbound State Route 163 from Genesee Avenue to westbound Interstate 8, which requires major structural work to widen the bridge over the San Diego River. Additionally, over 5,300 feet of retaining walls will need to be constructed along State Route 163 and Friars Road, including one that is over 30 feet high. Friars Road widening and ramp improvements at Friars Road will be constructed with Phase I.

Justification / Public Benefit: This project will alleviate some of the severe traffic delays along Friars Road due to new development in Mission Valley and the backup that occurs on the existing southbound off-ramp because of the weaving situation with the southbound on-ramp.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary engineering was completed in Fiscal Year 1996. Phase I design began in Fiscal Year 2002 and continued through Fiscal Year 2009. Final design is scheduled to begin in Fiscal Year 2011. Right of way will be acquired in Fiscal Year 2012. Construction for Phase I is scheduled for Fiscal Year 2013 due to an extended and complex design process. Phase II and Phase III are scheduled to be constructed in Fiscal Years 2017 and 2019.

Summary of Project Changes: TransNet funding totalling \$5.5million has been identified for this project for Fiscal Year 2011.

West Mission Bay Drive Bridge Over San Diego River / S00871

Council District: 2, 6	Community Plan: Midway - Pacific Highway, Mission Bay Park, Peninsula
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1997 - 2021	619-533-4654
Improv Type: Replacement	apalaseyed@sandiego.gov

Description: This project provides for replacing the existing four-lane West Mission Bay Drive bridge with a six-lane bridge.

Justification / Public Benefit: A six-lane facility is needed to accommodate both the existing and the projected future traffic volumes. It was determined that a bridge replacement was more cost effective than widening the existing bridge.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan, Midway - Pacific Highway Community Plan, and the Peninsula Community Plan, and is in conformance with the City's General Plan.

Schedule: Preliminary engineering was scheduled to begin in Fiscal Year 1998, however the scope changed from bridge widening to bridge replacement. Feasibility and environmental studies began in Fiscal Year 2001. Preliminary engineering and Environmental Document began in Fiscal Year 2009. Design is scheduled to begin in Fiscal Year 2013 and is scheduled to continue through Fiscal Year 2014. Construction is scheduled to begin in Fiscal Year 2014.

Summary of Project Changes: It is proposed to allocate \$100,000 in TransNet funding to this project for Fiscal Year 2011.

Architectural Barrier Removal - DIF Funded / AII00001

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Yousef, Hasan
Duration: 2010 - 2020	619-527-7504
Improv Type: Betterment	hyousef@sanidiego.gov

Description: This project provides for installing curb ramps at various locations throughout the City as funded by Development Impact Fees (DIF).

Relationship to General and Community Plans: This project is consistent with the appropriate community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Persons with disabilities and many senior citizens find their mobility restricted by curbs, which they find difficult or impossible to negotiate.

Schedule: Projects are scheduled contingent upon the rate of development and fees collected in the community.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Mid-Block Pedestrian Improvements / S10154

Council District:	4	Community Plan:	Southeastern San Diego
Project Status:	Created	Contact Information:	Fuentes, Julio
Duration:	2010 - 2015		619-533-3092
Improv Type:	New		jfuentessandiego.gov

Description: This project provides the installation of bulbouts and an in-pavement lighted crosswalk on Kelton Road between Zircon Street and Luber Street, at the entrance to Johnson Elementary School.

Relationship to General and Community Plans: This project is consistent with the Southeastern Community Plan and the City's General Plan.

Justification / Public Benefit: This will provide traffic calming elements in the vicinity of Johnson Elementary School and will be designed to slow traffic speed. This will narrow the roadway, thus providing better visibility for pedestrians, bicyclists and automobiles. This measure will also shorten actual distance crossing on streets, thus reducing children/pedestrians' exposure to traffic, reducing accidents.

Schedule: Design began in Fiscal Year 2010 and construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: This is a newly published project in Fiscal Year 2011.

Operating Budget Impact: None.

Duration: 2008 - 2012	619-533-3095
Improv Type: Betterment	jmckee@sandiego.gov

Description: This project provides for the reconstruction of the curb, gutter and sidewalk on 34th and 35th Streets from Adams Avenue to Madison Avenue, and on Madison Avenue from Felton Street to 35th Street.

Schedule: Preliminary work on this project was scheduled for Fiscal Year 2009. Design was scheduled for Fiscal Year 2010, and construction was scheduled for Fiscal Year 2011. Due to availability of funding, design is scheduled to be completed in Fiscal Year 2011. Construction is scheduled for Fiscal Year 2015.

Justification / Public Benefit: This project is required in order to mitigate drainage problems and reduce flooding.

Summary of Project Changes: TransNet funding in the amount of \$250,854 has been allocated to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Normal Heights Community Plan and is in conformance with the City's General Plan.

Caliente Street Install Curb and Gutter / S10058

Council District: 8	Community Plan: Otay Mesa
Project Status: Created	Contact Information: Johnson, Brad
Duration: 2010 - 2020	619-533-5210
Improv Type: New	bjohnson@sandiego.gov

Description: This project will install new sidewalk, curb and gutter along Caliente Street from Otay Mesa Road to Airway Road.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will install missing sidewalk and will alleviate drainage problems.

Schedule: Project schedule can be determined following appropriation of funding.

Operating Budget Impact: None.

Summary of Project Changes: City Council authorized Prop.1B funding for this project for Fiscal Year 2011.

Central Elementary School-Safe Route to School / S00741

Council District: 3	Community Plan: Normal Heights (Mid-City)
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2007 - 2011	619-533-7482
Improv Type: New	jbatta@sandiego.gov

Description: This project provides for pedestrian improvements in the vicinity of Central Elementary School. Proposed improvements include enhanced paved crosswalks, new pedestrian signals, and new sidewalk.

Relationship to General and Community Plans: This project is consistent with the Mid-City Communities Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Improvements in the vicinity of Central Elementary School will provide traffic calming elements to reduce traffic.

Schedule: Design was completed in Fiscal Year 2009. Construction began in 2009 and was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Centre City Intersection Improvements / S00895

Council District:	2, 8	Community Plan:	Centre City
Project Status:	Released	Contact Information:	Tracanna, John
Duration:	2002 - 2010		619-533-3682
Improv Type:	Betterment		jtracanna@sandiego.gov

Description: This project provides for pedestrian curb pop-outs that will allow for greater pedestrian access and improved traffic control by widening the sidewalks or providing additional landscaped parkway strips.

Justification / Public Benefit: Intersection pop-outs are needed to make pedestrian crossings shorter and reduce the visual width of long, straight streets. They also narrow the area of pavement in travel lane widths providing a visual cue to the driver that caution is necessary.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the General Plan.

Schedule: Since the project description is preliminary and the scope of work is not established, only planning and other preliminary activities have been performed to date. The project schedule for the design and construction will be established, once the scope of work is approved and the remaining funding identified.

Summary of Project Changes: Revisions to the Centre City Public Facilities Financing Plan, adopted April 1, 2005, do not include transportation projects as a component of the Centre City DIF. Funding in this project will be removed and the project closed by the end of the Fiscal Year.

District Three Sidewalk Study / S00835

Council District: 3	Community Plan: City Heights (Mid-City), Golden Hill, Greater North Park
Project Status: Technically completed	Contact Information: McKee, Jerry
Duration: 2003 - 2011	619-533-3095
Improv Type: Betterment	JMcKee@sandiego.gov

Description: This project provides for an inventory and inspection of sidewalks in the Council District Three portions of the communities of Greater Golden Hill, Mid-City, and Greater North Park.

Relationship to General and Community Plans: This project is consistent with the Golden Hill, Mid-City: City Heights, and Greater North Park Community Plans, and is in conformance with the City's General Plan.

Justification / Public Benefit: This engineering study would assist the City in planning for future improvements to sidewalks in Council District Three.

Schedule: The study was conducted in Fiscal Year 2004 and is complete.

Operating Budget Impact: None.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Hillcrest Corridor Mobility Study / S00908

Council District:	2	Community Plan:	Uptown
Project Status:	Released	Contact Information:	Wright, Mary
Duration:	2006 - 2009		619-236-7258
Improv Type:	Betterment		mpwright@sandiego.gov

Description: This project provides for the evaluation of the mobility needs along 4th, 5th and, 6th Avenues between Elm Street and Washington Street within the Hillcrest and Bankers Hill/Park West neighborhoods and development of traffic calming measures, transit, bicycle and pedestrian improvements, and additional parking opportunities with public input.

Justification / Public Benefit: The 4th, 5th and, 6th Avenue corridors within the Hillcrest and Bankers Hill/Park West neighborhoods of the Uptown community are currently experiencing safety issues associated with speeding traffic. Additionally, this project area experiences a high level of pedestrian and visitor activity and is located adjacent to Balboa Park and along high density residential and mixed-use development corridors that run through the Hillcrest business corridor.

Operating Budget Impact: None.

Relationship to General and Community Plans: The project meets several General Plan Mobility Element goals such as creating a safe and walkable pedestrian environment, developing streets that balance the needs of multiple users of the public right-of-way, creating a city where bicycling is a viable travel option, and developing solutions to community-specific parking issues. The project also meets objectives in Transportation Element of the Uptown Community Plan for enhancing the pedestrian environment, facilitating alternative modes of transportation such as walking and bicycling, increasing opportunities for parking, and improving and promoting transit service.

Schedule: This project is complete and will be capitalized and closed by the end of the fiscal year.

Summary of Project Changes: No significant change was made to this project for Fiscal Year 2011.

Mission Beach Boardwalk Bulkhead / S00726

Council District:	2	Community Plan:	Mission Beach
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	2002 - 2012		619-533-7482
Improv Type:	Replacement - Rehab		jbatta@sanidiego.gov

Description: This project provides for preserving the life of the historic Mission Beach bulkhead from Balboa Court to Pacific Beach Drive. The project includes replacing the concrete deck, restoring the wall backfill, and replacing the parapet.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will preserve the life of the bulkhead which was built in 1928.

Schedule: Two sections of walkway have been removed and replaced, a total of 900 linear feet. Design has begun on the next phase to remove and replace another 500-600 linear feet.

Operating Budget Impact: None.

Summary of Project Changes: It is anticipated that bond financing will be available for this project in Fiscal Year 2011.

Mission Beach Boardwalk Widening Project / S00860

Council District:	2	Community Plan:	Mission Beach, Pacific Beach
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	1997 - 2015		619-533-7482
Improv Type:	Betterment		jbatta@sandiego.gov

Description: This project increases public accessibility of the beach areas in Pacific and Mission Beach. Phase I of this project completed the widening of 1.34 miles of boardwalk along Oceanfront Walk and Ocean Boulevard from Ventura Place to Santa Rita Place. This included widening of the existing concrete boardwalk by nine feet and the creation of a three foot wide landscape buffer zone immediately to the east of, and adjacent to, the boardwalk. Phase II, which is complete, was a safety study. Phase III provides for the acquisition of the right-of-way at Santa Rita Place and from Pacific Beach Drive to Oliver Avenue. Phase IV will complete the widening from Santa Rita Place to Thomas Avenue.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan, Pacific Beach Community Plan, and is in conformance with the City's General Plan.

Schedule: Phase I was completed in Fiscal Year 2004 and the phase II follow-up safety study was completed in the summer of 2003. Phases III and IV will be scheduled when funding is identified.

Justification / Public Benefit: This project will enhance public access to this section of beach.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

New Walkways / AIK00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Fuentes, Julio
Duration:	2010 - 2021		619-533-3092
Improv Type:	New		jfuentes@sandiego.gov

Description: This annual allocation provides for the construction of sidewalks at locations where none exist in order to provide safe routes for pedestrians and to provide access routes for school children. Potential locations include: Candlelight Drive from Candlelight Place to Van Nuys (east and west sides) and Viewridge Drive from Balboa Avenue to Ridgehaven Court (east and west sides).

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Justification / Public Benefit: This project provides permanent sidewalks along streets in areas where children are required to walk to school and contributes to the City's ongoing efforts to promote walking as a mode of transportation.

Summary of Project Changes: TransNet funding in the amount of \$1,041,000 and \$1,452,000 in State grant funding has been identified for this project for Fiscal Year 2011. Additionally, TransNet funding has been allocated to this project through Fiscal Year 2015.

Operating Budget Impact: None.

North Park Commercial Revitalization / S00825

Council District:	3	Community Plan:	Greater North Park
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	1994 - 2010		619-533-7482
Improv Type:	Betterment		jbatta@sandiego.gov

Description: This project provides for neighborhood identification signage and public improvements along University Avenue and adjacent streets in North Park.

Justification / Public Benefit: Public improvement and neighborhood identification are an important part of the revitalization project, which is a continuing effort to improve the economic base of the North Park Community. This project will extend the existing demonstration block concept east and west of the completed phases at 30th Street and University Avenue.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project implements the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Community sign construction was completed in Fiscal Year 1994. Construction of streetscape improvements on University Avenue west of 30th Street was completed in Fiscal Year 1998. The Gateway Project near Interstate 805 was completed in Fiscal Year 2000. Street trees were planted on University Avenue between Ohio Street and Interstate 805 in Fiscal Year 2001. Design of streetscape improvements between 28th and Granada Streets was completed in Fiscal Year 2006. Construction of streetscape improvements between 28th and Granada Street (southside) and 30th Street (eastside) was completed in Fiscal Year 2009.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Ocean Front Walk-San Fernando to Ventura / S00875

Council District: 2	Community Plan: Mission Beach
Project Status: Released	Contact Information: Batta, Jamal
Duration: 1999 - 2012	619-533-7482
Improv Type: Replacement - Rehab	jbatta@sandiego.gov

Description: This project provides for the removal and replacement of the existing pile cap, parapet wall, lights, and walkway along Ocean Front Walk between San Fernando Place and Ventura Place to their original 1925 appearance, in accordance with the Secretary of the Interior Standard for the Treatment of Historic Properties.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: These structures are significant to the history of San Diego. They were constructed in 1925 to protect and complement the John D. Spreckels Amusement Center, now named Belmont Park. Extensive patching of spalled concrete and asphalt overlay of the walkway have robbed these structures of their character. Patching is no longer an option to restore and preserve these structures.

Schedule: Design began in Fiscal Year 2001 and was completed Fiscal Year 2007. Construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Potomac Street Improvements / S00925

Council District: 4	Community Plan: Skyline - Paradise Hills
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2008 - 2011	619-533-7482
Improv Type: New	jbatta@sandiego.gov

Description: This project provides for installation of a concrete sidewalk on Potomac Street along the west side of the road adjacent to the Paradise Hills Community Park.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The surrounding streets to the Paradise Hills Community Park, Potomac Street and Paradise Valley Road, have existing sidewalk except for the segment in front of the park site. The concrete sidewalk will improve pedestrian access to the park.

Schedule: Design was completed in Fiscal Year 2009 and construction was completed in Fiscal Year 2010.

Summary of Project Changes: Project was completed in Fiscal Year 2010 and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Rosa Parks Elementary School-Safe Route to School / S00739

Council District:	3	Community Plan:	Normal Heights (Mid-City)
Project Status:	Released	Contact Information:	Giandoni, Mark
Duration:	2005 - 2010		619-533-4618
Improv Type:	New		mgiaandoni@sandiego.gov

Description: This project provides for improved pedestrian safety around Rosa Parks Elementary school. Project scope includes the construction of new sidewalks, retaining walls where needed, curb ramps, curb extensions, an enhanced school entry crosswalk, and solar flashing beacon crossing equipment.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Normal Heights Community Plan and is in conformance with the City's Progress Guide and General Plan.

Justification / Public Benefit: The area surrounding Rosa Parks Elementary School has high automobile, bicycle, and pedestrian injury rates. This project will provide a safer walking environment for both students and members of the community.

Schedule: Design began and was completed in Fiscal Year 2006. Construction began in Fiscal Year 2007 and was completed in Fiscal Year 2008.

Summary of Project Changes: This project is now complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

School Traffic Safety Improvements / AIK00002

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2021	619-533-3092
Improv Type: New	jfuentes@sandiego.gov

Description: This annual allocation provides for the installation of traffic control devices, sidewalks, signal modifications and other improvements that will serve to improve safety surrounding schools. This allocation can also be used to match State or Federal grants for this purpose.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: The Public Safety and Neighborhood Services Committee of the City Council requested that this program be instituted in order to proactively respond to school traffic safety problems in the City.

Schedule: Projects will be identified each year based on the priorities identified by the Engineering and Capital Projects Department.

Summary of Project Changes: TransNet funding has been allocated to this project through Fiscal Year 2015.

Operating Budget Impact: None.

Sidewalk Repair and Reconstruction / AIK00003

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Wolford, Mary
Duration: 2010 - 2021	619-527-7515
Improv Type: New	mwolford@sandiego.gov

Description: This annual allocation provides for the replacement of damaged sidewalks, curbs and gutters Citywide.

Relationship to General and Community Plans: This project is consistent with the appropriate community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This annual allocation provides for the replacement of damaged sidewalks, curbs and gutters Citywide.

Schedule: Projects are scheduled on a priority basis and as funding is identified.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Skyline Drive Improvements / S00912

Council District:	4	Community Plan:	Skyline - Paradise Hills
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2007 - 2012		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for improvements along Skyline Drive from Sears Avenue to Cardiff Street. These improvements include landscaped medians, trees, pavement enhancements, street lights, bus stops, pedestrian crossing improvements, traffic calming, and community signs.

Justification / Public Benefit: The landscaped medians, street lighting, and other proposed improvements will provide reduction in vehicle travel delay at many intersections. In addition, the proposed improvements will increase pedestrian and vehicular safety, particularly near many schools along the corridor. The project will also improve corridor walkability and add bicycle lanes that will provide connectivity to existing bicycle lanes.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary Design was completed in Fiscal Year 2008. Design began in Fiscal Year 2009 and was completed in Fiscal Year 2010. Construction is scheduled for Fiscal Year 2011.

Summary of Project Changes: It is proposed to program \$800,000 in SAFETEA-LU funds in Fiscal Year 2011 for the construction of the project. ARRA/Transnet Exchange funding in the amount of \$325,000 was appropriated to this project in Fiscal Year 2010 per City Council Resolution R-305177, dated 7/28/2009. Total project cost has increased to \$2,540,000.

University Avenue Sidewalk from 54th to 68th / S00910

Council District: 3, 7	Community Plan: City Heights (Mid-City), College Area
Project Status: Released	Contact Information: McKee, Jerry
Duration: 2008 - 2012	619-533-3095
Improv Type: New	jmckee@sandiego.gov

Description: This project provides for the installation of approximately 16,000 feet of new concrete sidewalk and other roadway and safety/capacity improvements on both sides of University Avenue from 54th Street to 68th Street. In addition, a corridor study will be completed to analyze existing conditions and future traffic in order to determine other capacity and safety improvements.

Relationship to General and Community Plans: This project is consistent with the College Area and Mid-City: City Heights and Eastern Area Communities Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing sidewalk has settled and cracked necessitating replacement in order to provide safe pedestrian access. Portions of University Avenue within the limits of this project are without sidewalks. New sidewalk will be constructed in these areas. In addition, a corridor study will be completed to analyze existing conditions and future traffic in order to determine other capacity and safety improvements.

Schedule: Preliminary engineering is scheduled for Fiscal Year 2011. Design is scheduled for Fiscal Year 2011 and construction is scheduled for Fiscal Year 2012.

Summary of Project Changes: It is proposed to allocate Redevelopment Agency funding to this project for Fiscal Year's 2011 and 2012.

Operating Budget Impact: None.

University Avenue and Front Street Pop Out / S00909

Council District: 3	Community Plan: Uptown
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2007 - 2011	619-533-7482
Improv Type: New	jbatta@sanidiego.gov

Description: This project will provide for pedestrian improvements at the corner of University Avenue and Front Street and will include the construction of a pop-out on the southwest corner and a new curb ramp on the north side of the intersection. The Council District and Transportation Engineering Operations Division are proposing the addition of an additional pop-out on the north side of University Avenue.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Installation of the pop-out will shorten the crossing distance on both University Avenue and Front Street, and make pedestrians more visible to vehicular traffic travelling east on University Avenue. The pop-out will also sharpen the angle at the southwest corner of the intersection, which should result in slower speeds for eastbound right turning vehicles and provide a safer walking environment for the community.

Schedule: Preliminary design began and was completed in Fiscal Year 2009. Construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Willow Elementary School-Safe Route to School / S00740

Council District:	8	Community Plan:	San Ysidro
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	2006 - 2011		619-533-7482
Improv Type:	New		jbatta@sanidiego.gov

Description: This project provides for improved pedestrian safety around Willow Elementary School. The scope includes the construction of new sidewalks, curb ramps, an enhanced school entry crosswalk, and pedestrian countdown timers.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The area surrounding Willow Elementary School has high automobile, bicycle, and pedestrian injury rates. This project will provide a safer walking environment for both students and members of the community.

Schedule: Design was completed in Fiscal Year 2009. Construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

38th Street Improvements / S00930

Council District:	3	Community Plan:	City Heights
Project Status:	Released	Contact Information:	Nassar, Mark
Duration:	2008 - 2012		619-533-3172
Improv Type:	New		mnassar@sandiego.gov

Description: This project provides full street improvements on 38th Street from Dwight Street north to terminus. Improvements will include curb, gutter, driveways, sidewalk, pedestrian ramps, pavement, drainage facilities, angled on-street parking, etc. The improvements will comply with current local, State and federal safety and accessibility codes and regulations.

Justification / Public Benefit: Street improvements are needed to comply with the City's design guides for the improvement of public right-of-way.

Operating Budget Impact: None.

Relationship to General and Community Plans: The project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: ARRA/TransNet Exchange funding in the amount of \$1.9 million was appropriated to this project in Fiscal Year 2010 per City Council Resolution R-305177, dated 7/28/2009.

43rd Street Widening / S00845

Council District: 4	Community Plan: Southeastern San Diego
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1989 - 2011	619-533-4654
Improv Type: Betterment	apalaseyed@sandiego.gov

Description: This project provides for realigning the intersection at 43rd Street and National Avenue. This project will make necessary traffic enhancements to handle the increased daily traffic associated with the residential, industrial and commercial development of the State Route 252 Corridor (approximately 66 acres).

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is a major component in the development of the State Route 252 Corridor within the Southcrest Project. The street currently handles approximately 12,000 weekday trips. Once development on the corridor is complete, the number of trips will increase significantly. The Southeastern San Diego Community Plan recommends improvement to four lanes to handle the current capacity.

Schedule: Design and land acquisition began in Fiscal Year 2002 and was completed in Fiscal Year 2009. Construction began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Alvarado Canyon Road Realignment / S00894

Council District:	7	Community Plan:	Navajo
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2006 - 2015		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for the realignment of Alvarado Canyon Road from 380 feet east of the Fairmount Avenue and Camino Del Rio North intersection to the Fairmount Avenue and Mission Gorge Road intersection. Improvements for this two-lane collector street will include a structure over the existing concrete drainage channel, removal of some existing pavement, re-grading of affected private parcels and traffic signal modifications.

Justification / Public Benefit: This project will improve the traffic flow at the Interstate 8, Fairmount Avenue and Mission Gorge Road interchange.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan. The proposed realignment requires an amendment to the Navajo Community Plan. This proposed change is being processed by the Metropolitan Transit Development Board (MTDB) as part of an amendment to identify the Mission Valley East Light Rail alignment through the corridor.

Schedule: Preliminary engineering began in Fiscal Year 2009 and continued through Fiscal Year 2010. Design is scheduled in Fiscal Year 2011. Construction will be scheduled upon identification of funding. Land acquisition will begin when the alignment is defined.

Summary of Project Changes: It is anticipated that Redevelopment funds will be available for this project in Fiscal Year 2011.

Council District: 6	Community Plan: Clairemont Mesa
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2009 - 2019	619-533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: Traffic improvements to the intersection of Balboa Avenue and Hathaway Street.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The improvements to the intersection will improve driver and pedestrian safety.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction schedule is to be determined.

Operating Budget Impact: None.

Council District: 6	Community Plan: Serra Mesa
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2011 - 2013	619-533-3712
Improv Type: Betterment	mnassar@sandiego.gov

Description: This project will install a missing section of sidewalk and provide curb ramps on the east side of the street between Kearny Villa Road/Mesa College Drive and Frost Street.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and in in conformance with the City's General Plan.

Justification / Public Benefit: The project location is a highly used area. One or more Americans with Disabilities Act (ADA) complaints have been received. The improvements are needed for disabled access in the public right-of-way for compliance with current ADA standards.

Schedule: Design is scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Operating Budget Impact: None.

Bus Stop Improvements / AID00007

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Celniker, Steve
Duration:	2010 - 2020		619-980-8751
Improv Type:	Betterment		scelniker@sandiego.gov

Description: This project will provide for the installation of concrete pads in the roadways at bus stops city-wide. The project is funded by the City's share of bus stop advertising revenue.

Schedule: Construction is scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2014.

Justification / Public Benefit: Concrete bus pads provide a longer lasting surface at bus stops.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011. Funding for the project will be provided per terms of an agreement with San Diego Transit in Fiscal Years 2011, 2012, and 2013.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Camino Del Sur-SR 56 to Carmel Valley Road / S00899

Council District: 1	Community Plan: Torrey Highlands
Project Status: Released	Contact Information: Tracanna, John
Duration: 2003 - 2014	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for the construction of Camino del Sur between State Route 56 and Carmel Valley Road as a two-lane interim roadway (40-foot paved width) within the right-of-way for a future six-lane facility. Additional lanes may be required in the immediate vicinity of the interchange. This project will be constructed by the developer who will be reimbursed.

Justification / Public Benefit: This project will accommodate the increase in vehicular traffic caused by development in the area and is funded by development within Torrey Highlands.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and is in conformance with the City's General Plan. See Projects T2.1 and T2.2 in the Torrey Highlands Ranch Financing Plan.

Schedule: The initial four lanes of this project are complete and reimbursement to the developer is pending, contingent upon fees collected within the community. The final two lanes of the project within the six lane right-of-way are tentatively scheduled for Fiscal Year 2014 dependent upon the rate of development within the community.

Summary of Project Changes: Black Mountain Ranch Facilities Benefit Assessment funding has been added to this project for Fiscal Year 2014. Total project cost has been increased to \$14,414,810.

Camino Ruiz from n/o of Reagan to Jade Coast / S01018

Council District: 5	Community Plan: Mira Mesa
Project Status: Released	Contact Information: Tracanna, John
Duration: 1990 - 2013	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for widening Camino Ruiz from Gold Coast Drive to the east leg of Jade Coast Road and from the northern most boundaries of Miralani Business Park to Miramar Road, widening Camino Ruiz to a modified six-lane major street/primary arterial. The project includes Class II bike lanes between Mira Mesa Boulevard and Gold Coast Drive and within the project limits.

Justification / Public Benefit: Widening this portion of Camino Ruiz will accommodate increased vehicular traffic generated by the Mira Mesa Community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design is scheduled in Fiscal Year 2011. Design is scheduled to begin in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013. This schedule is contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Camino Ruiz-Santaluz to Cam Del Norte Improvements / S00842

Council District:	1	Community Plan:	Black Mountain Ranch
Project Status:	Released	Contact Information:	Fuentes, Julio
Duration:	2003 - 2011		619-533-3092
Improv Type:	New		jfuentes@sanidiego.gov

Description: This project provides for reimbursement to a developer for the design and construction of Camino Ruiz between Santaluz and Camino del Norte.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch Subarea Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is in accordance with the Black Mountain Ranch Public Facilities Financing Plan, Project T-5.

Schedule: The road was built and completed in Fiscal Year 2006. Reimbursement contingent upon rate of fees collected within the community.

Operating Budget Impact: None.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Camino Ruiz-Santaluz to Resort Wildlife Crossing / S00843

Council District:	1	Community Plan:	Black Mountain Ranch
Project Status:	Released	Contact Information:	Wildberger, Eric
Duration:	2006 - 2011		619-533-3765
Improv Type:	New		ewildberger@sandiego.gov

Description: This project provides for reimbursement to a developer for the design and construction of wildlife crossings along Camino Ruiz between Santaluz and Resort Street.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch Subarea Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is in accordance with the Black Mountain Ranch Public Facilities Financing Plan, Project T-7.

Schedule: The wildlife crossing was completed in Fiscal Year 2006. Revisions to this project will be included in upcoming Black Mountain Ranch Facilities Benefit Assessment reconciliation. Reimbursements are dependent upon fees collected in the community.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Camino Santa Fe-Del Mar Mesa Road to SR 56 / S00898

Council District:	1	Community Plan:	Del Mar Mesa
Project Status:	Released	Contact Information:	Tracanna, John
Duration:	2004 - 2010		619-533-3682
Improv Type:	New		jtracanna@sanidiego.gov

Description: This project provides construction of Little McGonigle Ranch Road and will be completed in two phases. Phase I provides for the construction of Little McGonigle Ranch Road (formerly Camino Santa Fe) (45'/65') from the northerly terminus of Carmel Mountain Road at Del Vino Court, northwesterly to the easterly terminus of Del Mar Mesa Road. The project includes a multi-use trail adjacent to the roadway. Phase II provides for the construction of Little McGonigle Ranch Road (40'/62') from Del Mar Mesa Road to State Route 56. The project will include a 100-foot bridge. A multi-use trail will also be constructed adjacent to the roadway.

Justification / Public Benefit: This project is required to accommodate additional traffic in Del Mar Mesa and will provide access from Del Mar Mesa to adjoining communities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition, design and construction were completed by the developer. Reimbursement to developer contingent upon rate of fees collected in the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Camino del Sur - State Route 56 to Dormouse / S00872

Council District:	1	Community Plan:	Rancho Penasquitos, Torrey Highlands
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	1998 - 2012		619-533-5120
Improv Type:	New		bjohnson@sandego.gov

Description: This project provides for the construction of Camino del Sur (formerly Camino Ruiz) as a four-lane major street with Class II bicycle lanes from Carmel Mountain Road to 1,600 feet north of Park Village Road.

Justification / Public Benefit: Camino del Sur is the major street connecting the southwest corner of Rancho Penasquitos to the future Carmel Mountain Road extension and to State Route 56.

Operating Budget Impact: None.

Relationship to General and Community Plans: The Torrey Highlands Public Facilities Financing Plan was approved by City Council Resolution R-304935 on June 2, 2009 authorizing the appropriation of \$4,036,000 in the project. The project is also consistent with the Rancho Penasquitos Community Plan, and Torrey Highlands Subarea Plan, and is in conformance with the City's General Plan.

Schedule: The Environmental Impact Report was completed in Fiscal Year 2006. Design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to occur in conjunction with anticipated development in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Carmel Mountain Road to Del Mar Mesa Road / S00846

Council District:	1	Community Plan:	Del Mar Mesa
Project Status:	Released	Contact Information:	Tracanna, John
Duration:	2003 - 2011		619-533-3682
Improv Type:	New		jtracanna@sandiego.gov

Description: This project provides for the construction of Carmel Mountain Road as a two-lane collector street from the Carmel Valley Neighborhood easterly boundary to Little McGonigle Ranch Road (formerly Del Mar Mesa Road). The 4,050 linear feet of half-width road (FBA funded) which traverses open space will be 40-foot/62-foot. Also included as part of this project is a wildlife crossing under Carmel Mountain Road. The remainder (sub-divider funded) will be both 40-foot/62-foot and 50-foot/72-foot and will include left-turn lanes at intersections and major driveways as needed. A multi-use trail will be constructed as part of this project along the entire project length.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific (Community) Plan and is in conformance with the City's General Plan.

Schedule: Design and construction schedule is to be determined in accordance with the Reimbursement Agreement.

Justification / Public Benefit: This project is required to accommodate the additional traffic generated as a result of development in Del Mar Mesa.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Carmel Valley Rd-Lopelia Meadows to Via Abertura / S00934

Council District: 1	Community Plan: Pacific Highlands Ranch
Project Status: Released	Contact Information: Tracanna, John
Duration: 2008 - 2015	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for reimbursement to a developer for the design and construction of Carmel Valley Road from Lopelia Meadows place to via Abertura as a four-lane facility within a 122 foot right-of-way that can accommodate six lanes in the future (Approx. 3,600 LF).

Justification / Public Benefit: This project is in accordance with the Pacific Highlands Ranch Public Facilities Financing Plan, Project T-4.4. Companion Projects T-4.2 and T-4.3 for the other phases of this project.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I completion is scheduled for Fiscal Year 2012, if Pardee agrees to advance funding and will be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment (FBA) under the terms of a reimbursement agreement. Reimbursement to the developer is programmed for Fiscal Year 2015. Subsequent phases are anticipated with adjacent subdivision development estimated to occur in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Carmel Valley Road 4/6 Lanes s/o of Street A / S00900

Council District: 1	Community Plan: Torrey Highlands, Pacific Highlands Ranch
Project Status: Released	Contact Information: Tracanna, John
Duration: 2004 - 2010	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for the design and construction of Carmel Valley Road from the Camino Santa Fe Interchange to Pacific Highlands Ranch Parkway as a six-lane facility within a 146 foot right-of-way transitioning to a four-lane facility within a 122 foot right-of-way (4,000 linear feet). The expanded right-of-way will permit widening of up to 24 additional feet for a future transit oriented facility. In the interim, these two-lanes shall be landscaped and incorporated into the center median improvements.

Justification / Public Benefit: Due to anticipated traffic volumes on Carmel Valley Road, the portion between SR-56 and Del Mar Heights Road will be constructed as a six lane facility, in two phases, as required by the Transportation Phasing. See Project T- 4.2 and Torrey Highlands Public Facilities Financing Plan Project T- 4.5.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch and Torrey Highlands Public Facilities Financing Plans and is in conformance with the City's General Plan.

Schedule: The developer (Pardee) provided advanced funding for this project and will be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment under the terms of a reimbursement agreement.

Summary of Project Changes: Project funding has been revised to be consistent with the Pacific Highlands Ranch Public Facilities Financing Plan.

Operating Budget Impact: None.

Carmel Valley Road-Street A to Neighborhood Pky / S00906

Council District:	1	Community Plan:	Pacific Highlands Ranch
Project Status:	Released	Contact Information:	Tracanna, John
Duration:	2005 - 2010		619-533-3682
Improv Type:	New		jtracanna@sandiego.gov

Description: This project provides for design and construction of Carmel Valley Road from A-Street to the Neighborhood Parkway as a four-lane facility within a 122 foot right-of-way that can accommodate six lanes in the future. The two internal lanes will be left unimproved for future expansion to accommodate six lanes of traffic or another transit oriented facility. In the interim, these two lanes shall be landscaped and incorporated into the center median improvements. This section of Carmel Valley Road includes the pedestrian undercrossing at the Neighborhood Parkway. See Project T-4.3 in the Pacific Highlands Ranch Public Facilities Financing Plan. This project will be built by the developer who will be reimbursed.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Reimbursement to the developer will be made in accordance with the agreement. The anticipated completion date is Fiscal Year 2012.

Justification / Public Benefit: Due to anticipated traffic volumes on Carmel Valley Road, the section between A-Street and Neighborhood Parkway will be constructed as a four-lane facility that can be expanded to six lanes in the future.

Summary of Project Changes: Project funding has been revised to reflect the most current Pacific Highlands Ranch Public Facilities Financing Plan.

Carmel Valley Road-Via Albutura to Camino Ruiz / S00854

Council District: 1	Community Plan: Torrey Highlands
Project Status: Released	Contact Information: Tracanna, John
Duration: 2003 - 2011	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for the design and construction of two additional travel lanes in two increments. The first increment requires the widening along the frontage of Torrey Del Mar development. The second increment completes the remainder of the widening. Timing of each increment of widening will be based on the rate of development in Torrey Highlands.

Justification / Public Benefit: This facility is required to accommodate traffic generated by new development in Black Mountain Ranch and surrounding communities as well as existing sub-regional traffic needs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and is in conformance with the City's General Plan. See project T4.3 in the Torrey Highlands Public Facilities Financing Plan.

Schedule: Initial lanes have been completed. Widening to be completed by the developer per terms of the reimbursement agreement.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Carroll Canyon Rd-I-15 to Maya Linda Rd / S01019

Council District: 5	Community Plan: Mira Mesa
Project Status: Released	Contact Information: McKee, Jerry
Duration: 1992 - 2015	619-533-3095
Improv Type: New	jmcKee@sandiego.gov

Description: This project provides for widening the south side of Carroll Canyon Road from Interstate 15 to 150 feet east of Maya Linda Road in order to provide a right-turn lane with a Class II bike lane. See Project Number 7A in the Mira Mesa Public Facilities Financing Plan.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Due to growth in the community, increases to traffic volumes will require an exclusive right-turn lane to maintain and improve service levels for I-15 at Carrol Canyon Road.

Schedule: Preliminary engineering was completed in Fiscal Year 2009. Land acquisition began in Fiscal Year 2010, and is scheduled to be completed in Fiscal Year 2015.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Concrete Streets / AID00006

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Mary Wolford
Duration: 2010 - 2020	619-527-7515
Improv Type: Betterment	mwolford@sandiego.gov

Description: This annual allocation provides for resurfacing, repair, and reconstruction of concrete streets which are necessary to maintain the concrete streets in a serviceable condition and to prevent deterioration.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Resurfacing, repair, and reconstruction of concrete streets are necessary to maintain the concrete streets in serviceable condition and prevent deterioration.

Schedule: Projects are scheduled on a priority basis.

Operating Budget Impact: None.

Summary of Project Changes: It is proposed to allocate \$5,000,000 to this project in Fiscal Year 2011 from the proposed bond funding for street resurfacing of \$45,500,000.

Consultant Services for Public Facilities / AID00008

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2020	619-533-3092
Improv Type: Betterment	jfuentes@saniego.gov

Description: This annual allocation provides for miscellaneous engineering/architectural services by consultants for the improvement of streets.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Some projects require the services of a private consultant for minor design services or when the required level of expertise is not available from City staff.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Debt Service for Commercial Paper Funded Projects / S00883

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2000 - 2015		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for debt service payment on TransNet Commercial Paper issued for Funded Program projects within a given fiscal year.

Schedule: Continuing appropriations of \$270,000 will support initial debt service payment requirement, if planned issuance of \$10 million in Commercial Paper occurs in Fiscal Year 2011. Planned Commercial Paper issuances in Fiscal Year 2011 would require annual payments through Fiscal Year 2015.

Justification / Public Benefit: Debt service payments for TransNet Commercial Paper issuances are required; however, are contingent upon actual use.

Summary of Project Changes: No TransNet Commercial Paper was issued in Fiscal Year 2010, which did not require any debt service payment.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Debt Service for TransNet Bond Funded Projects / S00874

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	1998 - 2011		619-533-5120
Improv Type:	New		bjohnson@sanidiego.gov

Description: This project provided for debt service related to TransNet Bond funded projects (previously managed by the Engineering and Capital Projects Department).

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Debt service payments for prior TransNet Bond issuances were required annually. This project reflects completely paid debt service payment requirements stemming from prior year issuances.

Schedule: No further debt service payment activity is expected for this project and will be closed by the end of the fiscal year.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None

Del Mar Heights Rd n/o Neighborhood 4 Park/School / S00855

Council District: 1	Community Plan: Carmel Valley
Project Status: Released	Contact Information: Tracanna, John
Duration: 1992 - 2011	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for developer reimbursement, contingent upon approval of a reimbursement agreement, for the half-width improvement of Del Mar Heights Road north to Ashley Falls Neighborhood Park to a six-lane major arterial with Class II bike lanes.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The developer was required to build this road and will be reimbursed from Facilities Benefit Assessment funding by agreement. See Project Number T-6 in the Carmel Valley Public Facilities Financing Plan.

Schedule: This project was constructed in prior years by the developer and reimbursement was scheduled for Fiscal Year 2010 contingent upon approval of the Reimbursement Agreement.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Del Mar Heights Road-4/6 Lanes / S00903

Council District: 1	Community Plan: Pacific Highlands Ranch
Project Status: Released	Contact Information: Tracanna, John
Duration: 2003 - 2012	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for construction of Del Mar Heights Road from Old Carmel Valley Road to the new alignment of Carmel Valley Road as a modified five-lane roadway within a 122 foot right-of-way for a future six-lane facility. The project includes an eastbound third lane as the roadway approaches Carmel Valley Road. This project includes the bridge crossing over the open space corridor. This is the second phase of the project and will provide local access to the central area of development. The developer will advance funding for this project and be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment under the terms of a reimbursement agreement.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan (Project T-3.2) and is in conformance with the City's General Plan.

Schedule: Reimbursements to the developer will continue through Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Justification / Public Benefit: This facility is required to accommodate traffic being generated by new development in Pacific Highlands Ranch as well as by existing sub-regional traffic needs.

Del Mar Mesa Public Facilities / S00893

Council District: 1	Community Plan: Del Mar Mesa
Project Status: Released	Contact Information: Tracanna, John
Duration: 2001 - 2010	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for the construction of Del Mar Mesa Road as a two-lane rural residential road from Carmel Country Road to the future Carmel Mountain Road. The improvements also include a 16-inch water line and a multi-use trail. This roadway will provide access to the east until other road improvements are in place. This project was formerly named Shaw Ridge Road. This project will be constructed by three developers under three separate reimbursement agreements.

Justification / Public Benefit: This project is required to accommodate the additional traffic generated as a result of development in Del Mar Mesa. See Project Number 43-3 in the Del Mar Mesa Public Facilities Financing Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: This project was constructed by developers in Fiscal Years 1999 through 2003. Reimbursements will be made from the Del Mar Mesa Facilities Benefit Assessment fund as scheduled in the Public Facilities Financing Plan.

Summary of Project Changes: Project funding has been revised in accordance with the most recent Del Mar Mesa Public Facilities Financing Plan.

Del Sol Boulevard-Central / S00858

Council District:	8	Community Plan:	Otay Mesa
Project Status:	Released	Contact Information:	Nassar, Mark
Duration:	2004 - 2012		619-533-3172
Improv Type:	New		mnassar@sandiego.gov

Description: This project provides for construction of the central section of Del Sol Boulevard from the eastern boundary of Palm Ridge through the Multiple Species Conservation Program (MSCP) open space, and along the frontage of the proposed community park, elementary and middle school site. The roadway will consist of 800 linear feet of a two-lane collector and 2,000 linear feet of a four-lane collector street.

Justification / Public Benefit: The transportation element of the Otay Mesa Community Plan suggests that an integrated transportation network will provide mobility and accessibility for the residents and business travelers to, from and through the community. See companion projects T-4.1 and T-4.2 in the Otay Mesa Public Facilities Financing Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I will be constructed by the San Ysidro School District through an Facilities Benefit Assessment Reimbursement Agreement. Phase I will construct approximately 1,000 linear feet of new road along the frontage of a new school. Phase II will be designed and constructed by the City to complete the connection from Phase I to the existing westerly terminus. Design is scheduled for Fiscal Year 2011 with construction scheduled in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Council District: 8	Community Plan: Otay Mesa
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2013	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for constructing approximately 2,900 linear feet as a two-lane collector street north of Palm Avenue within the Dennerly Ranch Precise Plan area. Multiple Species Conservation Program frontage is to be funded from Facilities Benefit Assessment.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is required to accommodate the additional traffic generated as a result of development in the Otay Mesa community.

Schedule: Design and construction have been completed. Reimbursements are anticipated to the developer.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Eastgate Mall-Towne Centre to Miramar Road / S00848

Council District: 1	Community Plan: University
Project Status: Released	Contact Information: Nassar, Mark
Duration: 1992 - 2014	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for widening Eastgate Mall to a four-lane collector street between Miramar Road and the San Diego Gas and Electric (SDG&E) easement. In addition, this project provides for Class II bicycle lanes.

Justification / Public Benefit: These improvements will enhance traffic flow at this location. See project Number 34 in the North University City Public Facilities Financing Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: The project description is preliminary and the scope of work is not established; only planning and other preliminary activities have been performed to date. The project schedule for the design and construction will be established once the scope of work is approved.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

El Camino Real Widening / S00916

Council District:	1	Community Plan:	Pacific Highlands Ranch, Black Mountain Ranch
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2007 - 2014		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for completion of the construction of the existing El Camino Real between Half Mile Drive and San Dieguito Road as a four-lane major street within the existing, graded right-of-way.

Justification / Public Benefit: This project is required in order to accommodate the additional traffic generated as a result of development in the surrounding communities, including Pacific Highlands Ranch, as well as the existing sub-regional traffic needs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch and Black Mountain Ranch Public Facilities Financing Plans and is in conformance with the City's General Plan.

Schedule: This project is scheduled to be completed in Fiscal Year 2014.

Summary of Project Changes: Project cost has been revised to include Black Mountain Ranch Public Facilities Financing Plan Project T-29.1.

Euclid Avenue & Home Improvements / S00886

Council District:	3, 7	Community Plan:	Normal Heights (Mid-City)
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	2002 - 2011		619-533-7482
Improv Type:	New		jbatta@sandiego.gov

Description: This project provides for the completion of street improvements recommended in the Euclid Avenue Revitalization Program and the Mid-City Community Plan. Improvements will extend from Home Avenue to Thorn Street and will include curb, gutter, sidewalk, landscaping, paving, and traffic calming installations.

Operating Budget Impact: None; landscape maintenance assessment district is pending.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Normal Heights Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Euclid Avenue carries a traffic volume in excess of its design capacity, resulting in significant congestion, which impacts neighboring properties. Traffic speed, volume, and a deficiency in pedestrian infrastructure compromise pedestrian safety.

Schedule: This project is anticipated to be closed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Euclid Avenue Corridor Improvements / S00904

Council District:	3, 7	Community Plan:	Eastern Area (Mid-City)
Project Status:	Technically completed	Contact Information:	Johnson, Brad
Duration:	2006 - 2014		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides improvements on Euclid Avenue from 300 feet north of Redwood Street to El Cajon Boulevard and will include curb, gutter, sidewalk, curb ramps, landscaping, roadway restoration, striping, and traffic calming installations.

Relationship to General and Community Plans: This project implements the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Euclid Avenue carries a traffic volume in excess of its design capacity, resulting in significant congestion, which impacts neighboring properties. Traffic speed, volume, and deficiency in pedestrian infrastructure compromise pedestrian safety.

Schedule: This project was removed from the Regional Transportation Improvement Program per City Council approval (R-303851).

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Five Year CIP Planning / AID00003

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Fuentes, Julio
Duration:	2010 - 2020		619-533-3092
Improv Type:	Betterment		jfuentes@sandiego.gov

Description: This annual allocation provides funding for the planning and preliminary design work for potential future transportation projects submitted by City Council, City departments, constituents, and other agencies.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project funds required work by City staff to evaluate, plan and perform preliminary design as requested.

Schedule: Projects will be scheduled on a priority basis.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost for annual allocation projects is reflective of the Fiscal Year 2011 budget only.

Council District: 1	Community Plan: University
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2002 - 2012	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for a median closure at Fez Street and dual left-turn lanes in the south-bound direction at the Eastgate Mall intersection.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will improve traffic circulation in the University community. See Project Number G in the North University City Public Facilities Financing Plan.

Schedule: Preliminary design began in Fiscal Year 2002. Design began in Fiscal Year 2003 and was completed in Fiscal Year 2009. Construction began in Fiscal Year 2009 and was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Council District:	1	Community Plan:	University
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	1991 - 2011		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for widening Genesee Avenue to a modified six-lane primary arterial from Interstate 5 to Campus Point Drive. The total project length is approximately 2,500 feet with Class II bicycle lanes. A separate project (S-00839) is scheduled to redesign the freeway interchange and widen Genesee Avenue at Interstate 5.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2010.

Justification / Public Benefit: This project is needed to improve traffic flow and is included in the Council-approved North University City Community Financing Plan and Facilities Benefit Assessment Document.

Summary of Project Changes: This project, which provided for widening Genesee Avenue to a modified six-lane primary arterial from Interstate 5 to Campus Point Drive, is now complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Hollister Street Widening / S00980

Council District: 8	Community Plan: Otay Mesa - Nestor
Project Status: Released	Contact Information: Marabian, Linda
Duration: 2009 - 2012	619-533-3082
Improv Type: Widening	lmarabian@sanidiego.gov

Description: This project provides for improvements to the west side of the 900 block of Hollister Street. Improvements include new curb, gutter, sidewalk, and asphalt pavement.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa/Nestor Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The project addresses the need for adequate drainage and pedestrian accessibility.

Schedule: Design is scheduled in Fiscal Year 2010 and estimated to be completed in Fiscal Year 2012. Construction will be scheduled when funding is identified.

Operating Budget Impact: None.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

I-5 / SR-56 Fiberoptic Relocation / S00708

Council District: 1	Community Plan: Carmel Valley
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2004 - 2011	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the preparation of a project report and environmental document (PR/ED) for northerly connections of the Interstate 5 and State Route 56 freeways. The improvements include the westerly State Route 56 northerly Interstate 5, the southerly Interstate 5 to easterly State Route 56 connections.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: State Route 56 opened to traffic in July of 2004 and provides a new east/west connection between Interstates 5 and 15. This will introduce a significantly new volume of traffic to the Interstate 5 corridor in Carmel Valley, some of which will need to go to or from the north. This project will provide the improvements necessary to make these moves most efficiently and avoid the heavy use of local streets.

Schedule: Preparation of Project Report and Environmental Determination began in Fiscal Year 2004 and is scheduled to continue through Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

I-5 to SR-56 Freeway Connectors / S00707

Council District: 1	Community Plan: Carmel Valley
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2003 - 2011	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the preparation of a project report and environmental document (PR/ED) for northerly connections of the Interstate 5 and State Route 56 freeways. Alternatives under consideration include direct freeway to freeway connectors from westbound State Route 56 to northbound Interstate 5 and southbound Interstate 5 to eastbound State Route 56, an auxiliary lane alternative which proposes providing operational improvements on Interstate 5 between Del Mar Heights Road and Carmel Valley Road, on Carmel Valley Road between Interstate 5 and State Route 56 and on State Route 56 west of Carmel Country Road. The third alternative includes the direct freeway connectors from westbound State Route 56 to northbound Interstate 5 and the auxiliary lane alternative improvements on southbound Interstate 5, eastbound Carmel Valley Road and eastbound State Route 56.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plans and is in conformance with the City's General Plan.

Schedule: Preparation of the project report and environmental determination began in Fiscal Year 2004 and is scheduled to continue through Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Justification / Public Benefit: State Route 56 opened to traffic in July 2004 and provides a new east/west connection between Interstates 5 and 15. This will introduce a significantly new volume of traffic to the Interstate 5 corridor in Carmel Valley, some of which will need to go to or from the north. This project will provide the improvements necessary to make these moves most efficiently and avoid the heavy use of local streets.

Interstate 15 Improvements / S00931

Council District:	1	Community Plan:	Pacific Highlands Ranch
Project Status:	Released	Contact Information:	Tracanna, John
Duration:	2008 - 2015		619-533-3682
Improv Type:	New		jtracanna@sandiego.gov

Description: This project involved the design and construction of capacity improvements on the I-15 freeway between SR-56 and the northern City of San Diego limits near Lake Hodges which included auxiliary lanes, HOV lanes, managed lanes and widening of the northbound bridge over Lake Hodges.

Justification / Public Benefit: This project is in accordance with the Black Mountain Ranch Public Facilities Financing Plan, Project T-55, Council Resolution R-301005, November 1, 2005.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: This project was completed by CALTRANS in Fiscal Year 2009 using City, State, and Federal freeway construction funds. Black Mountain Ranch, LLC. provided CALTRANS a fair share of the funding in the amount of \$7,150,000 in Fiscal Year 2007, which was in turn reimbursed from the Black Mountain Ranch Facilities Benefit Assessment (FBA).

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Juan Street Concrete Street / S00602

Council District: 2	Community Plan: Old San Diego, Uptown
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2010 - 2020	619-533-4654
Improv Type: Replacement	apalaseyed@sandiego.gov

Description: This project provides for the replacement of the existing concrete pavement, curb, gutter and sidewalk on Juan Street from Taylor Street to Sunset Road. It is proposed to do the reconstruction work in two phases. Phase I (Taylor Street to Harney Street) will provide new asphalt cement and cement treated base pavement. Phase II (Harney Street to Sunset Road) will provide new Portland cement concrete pavement.

Justification / Public Benefit: This project is needed to reconstruct the roadway due to deterioration of the existing roadway. This project location is one of the lowest rated non-residential concrete streets within the City based on Overall Condition Index (OCI) rating.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Old San Diego and Uptown Community Plans and is in conformance with the City's General Plan.

Schedule: Design and Environmental Document began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2012 and be completed in Fiscal Year 2013.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Judicial Drive-Golden Haven to Eastgate Mall / S00879

Council District: 1	Community Plan: University
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2000 - 2011	619-533-7482
Improv Type: New	jbatta@sanidiego.gov

Description: This project provides for constructing Judicial Drive from Golden Haven Drive to Eastgate Mall as a four-lane major street, including an undercrossing at La Jolla Village Drive. The undercrossing will be funded by Facilities Benefit Assessment (FBA) funding.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to improve traffic flow, and it is included in the Council-approved North University City Community Financing Plan and Facilities Benefit Assessment Document. See Project Number 33 in the North University City Public Facilities Financing Plan.

Schedule: Design began in October of 2002 and was completed in December of 2003. Construction began in May of 2005 and was completed in September of 2006.

Summary of Project Changes: Project funding has been revised to reflect the most recent North University City Public Facilities Financing Plan approved by City Council on December 5, 2008 on Resolution R-304535. The project has been completed and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Kearny Mesa Community Sign / S10044

Council District:	6	Community Plan:	Kearny Mesa
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2009 - 2019		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for the installation of community signs in Kearny Mesa.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The project is funded by a State contribution agreement as part of the relinquishment of State Route 274 to the City of San Diego and was requested by Council District 6.

Schedule: Design is scheduled to begin Fiscal Year 2011. Construction schedule to be determined.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

La Jolla Mesa Drive Sidewalk / S00928

Council District: 1	Community Plan: La Jolla
Project Status: Released	Contact Information: Li, David
Duration: 2008 - 2012	619-533-5164
Improv Type: New	dli@sanidiego.gov

Description: This project provides for the construction of a curb, gutter, and sidewalk on the east side of La Jolla Mesa south of Deer Hill Court.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is required in order to provide safer pedestrian access.

Schedule: Design began in Fiscal Year 2009 and will be completed in Fiscal Year 2011. Construction is scheduled to begin and be completed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

La Jolla Mesa Vista Project UUD / S00695

Council District: 1	Community Plan: Torrey Pines
Project Status: Released	Contact Information: Bruner, Nathan
Duration: 2004 - 2009	619-533-7426
Improv Type: Replacement	nbruner@sandiego.gov

Description: This project coordinates, establishes and administers an Undergrounding Utility District for the La Jolla Mesa Vista area. The La Jolla Mesa Vista Underground Utility Assessment District No. 4098 outlines a process for SDG&E, AT&T and the cable companies to underground their facilities while installing new streetlighting and restoring roadway surfaces. Construction costs for undergrounding are paid by the utility companies in accordance with Public Utilities Commission Decisions 73078, 820118 and Case 8209

Justification / Public Benefit: The California Public Utilities Commission (CPUC) Rule 20A mandates that local utility companies allocate funding for the undergrounding of their respective utility services at the direction of the local municipality. The City of San Diego must provide the necessary administrative expenses, conversion of City-owned streetlighting, and resurfacing of roadways associated with the undergrounding purpose.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines community plan and is in conformance with the City's General Plan.

Schedule: This project's Underground Utility Assessment District (No. 4098) was established in Fiscal Year 2008 and will continue to be active until all remaining deliverables are resolved on a priority basis or determined to be complete. If determined to be complete, this project will be closed by the end of the fiscal year.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Linda Vista Rd at Genesee Intersection Improvement / S00907

Council District: 6	Community Plan: P09 Linda Vista
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2006 - 2011	619-533-5120
Improv Type: Widening	bjohnson@sandiego.gov

Description: This project provides for lengthening the Genesee Avenue westbound left-turn lanes to 300 feet of vehicle storage and re-striping Genesee Avenue to provide an exclusive eastbound right-turn lane. It will also widen Linda Vista Road to provide an exclusive northbound right-turn lane.

Schedule: The project description is preliminary and the scope of work is not established; only planning and other preliminary activities have been performed to date. The project schedule for design and construction will be established once the scope of work is approved.

Justification / Public Benefit: This project will improve the traffic flow through the intersection.

Summary of Project Changes: The total project cost increased by \$150,000 due to the allocation of Trans-Net funding to this project in Fiscal Year 2011.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Mira Sorrento Place-Scranton to Vista Sorrento / S00878

Council District: 5	Community Plan: Mira Mesa
Project Status: Released	Contact Information: Batta, Jamal
Duration: 1999 - 2012	619-533-7482
Improv Type: New	jbatta@sandiego.gov

Description: This project provides for widening and extending Mira Sorrento Place to a four-lane collector street between Scranton Road and Vista Sorrento Parkway. It includes widening the Mira Sorrento Place/Scranton Road intersection.

Justification / Public Benefit: This project is needed to improve traffic flow and is included in the Council-approved Mira Mesa Community Financing Plan and Facilities Benefit Assessment Document. See Project Number 56 in the Mira Mesa Public Facilities Financing Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design and land acquisition were completed in Fiscal Year 2002. Construction began in Fiscal Year 2004 and was completed in Fiscal Year 2008. The project will be in a five year biological monitoring period through Fiscal Year 2012.

Summary of Project Changes: It is proposed to allocate \$60,000 in TransNet funding to this project for biological monitoring in Fiscal Year 2011.

Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2001 - 2012	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project provides for widening Miramar Road to eight lanes from the Interstate 805 easterly on and off-ramps to 300 feet east of Eastgate Mall. It includes dual left-turn lanes at Eastgate Mall.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to improve traffic flow, and is included in the Council approved North University City Community Plan and Facilities Benefit Assessment Document per the North University City Public Facilities Financing Plan - Project 50.

Schedule: Phase I construction has been completed. Phase II construction began in Fiscal Year 2010 and is scheduled to be complete in Fiscal Year 2012.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Napa Street from Linda Vista Rd to Morena Blvd / S00849

Council District: 6	Community Plan: Linda Vista
Project Status: Released	Contact Information: Nassar, Mark
Duration: 1999 - 2010	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for improved traffic flow at the Napa Street/Linda Vista Road intersection.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Napa Street is classified as a major street in the Linda Vista Community Plan. Current traffic volumes in excess of 19,000 average daily trips are beyond the desirable capacity of the existing facility. The proposed design would eliminate congestion.

Schedule: The project description is preliminary and the scope of work is not established; only planning and other preliminary activities have been performed to date. The project schedule for the design and construction will be established once the scope of work is approved and the remaining funding identified.

Operating Budget Impact: none.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

New Developments / AID00009

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Fuentes, Julio
Duration:	2010 - 2020		619-533-3092
Improv Type:	Betterment		jfuentes@sanidiego.gov

Description: This annual allocation provides for street and utility improvements along City-owned land and in other situations where it is desired to have an adjoining developer install such improvements and be reimbursed by the City.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: The City is required to improve the right-of-way alongside its property, as must all property owners. The City Council may determine that it is more economical to have such work done by an adjoining developer rather than by a separate City contract.

Schedule: Projects are scheduled on a priority basis and is dependent upon the work program of the developer.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

New Heritage Road (Otay Valley Road)-Central / S00876

Council District: 8	Community Plan: Otay Mesa
Project Status: Technically completed	Contact Information: Tracanna, John
Duration: 2000 - 2011	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for realigning a portion of the existing two-lane roadway by a private developer as an interim improvement. This work will be completed by an adjacent private developer and be reimbursed through Facilities Benefit Assessment credits.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The transportation element of the Otay Mesa Community Plan suggests that an integrated transportation network will provide mobility, accessibility and safety for the residents and businesses traveling to, from, and through the community. See Project Number T-21.3i in the Otay Mesa Public Facilities Financing Plan.

Schedule: Design began in Fiscal Year 2000 and was completed in Fiscal Year 2002. Construction began in Fiscal Year 2002 and was completed in Fiscal Year 2004. Reimbursement to the developer is scheduled throughout the life of the project.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1987 - 2011	619-533-4654
Improv Type: New	apalaseyed@sandiego.gov

Description: This project provides for construction of Nobel Drive as a six-lane primary arterial from Shoreline Drive to Interstate 805, and as a four-lane major street from Interstate 805 to Miramar Road. It includes construction of one-half of a diamond interchange with ramps to and from the south at Nobel Drive and Interstate 805. The new overcrossing will provide four through-lanes plus dual left-turn lanes, bike lanes, and sidewalk on both sides. Two traffic signals will be constructed at both ramp terminals with Nobel Drive. Auxiliary lanes will be constructed on Interstate 805 from north of Governor Drive to Nobel Drive. The existing bridge over the AT&SF railroad tracks will be widened to accommodate these two additional auxiliary lanes on Interstate 805.

Justification / Public Benefit: This project will improve traffic circulation in the University Community. See Project Number 21 in the North University City Public Facilities Financing Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 1998 and was completed in Fiscal Year 2000. Construction began in Fiscal Year 2000 was completed in Fiscal Year 2002. A five year plant establishment period followed. This project is now complete.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

North Torrey Pines Road at Genesee Avenue / S00720

Council District:	1	Community Plan:	Torrey Pines
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	1992 - 2010		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for the reconstruction of Genesee Avenue at Torrey Pines Road and John Jay Hopkins Drive. The proposed changes include rebuilding the intersection of Genesee Avenue/North Torrey Pines Road, widening Genesee Avenue and North Torrey Pines Road north of Genesee Avenue to a six-lane primary arterial, and widening North Torrey Pines Road south of Genesee Avenue to a six-lane major street. The limits of the widening are easterly to John Jay Hopkins Drive, southerly to Torrey Pines Scenic Drive and to 500 feet north of the North Torrey Pines Road/Genesee Avenue intersection. This project also provides for Class II bicycle lanes. See Project Number E in the North University City Public Facilities Financing Plan.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines and Community Plan and the City's General Plan Guidelines.

Schedule: Design was scheduled in Fiscal Year 1992. Land acquisition was scheduled to begin in Fiscal Year 1992. Construction was scheduled to begin in Fiscal Year 1993 and be completed in Fiscal Year 1994. This project was reinstated in Fiscal Year 2004 to reflect budget and funding adjustments. All work associated with this project was complete in Fiscal Year 2006.

Justification / Public Benefit: This project will improve sight distance through the intersection and provide additional left turn storage capacity on Genesee Avenue at John Jay Hopkins Drive and University of California entrance.

Summary of Project Changes: This project, which provided for the reconstruction of Genesee Avenue at Torrey Pines Road and John Jay Hopkins Drive, is complete and will be closed by the end of the fiscal year

Operating Budget Impact: None.

Ocean Beach Commercial Revitalization Newport Ave / S01077

Council District: 1	Community Plan: Ocean Beach
Project Status: Released	Contact Information: McKee, Jerry
Duration: 2004 - 2012	619-533-3095
Improv Type: Betterment	jmckee@sandiego.gov

Description: This project provides for phased design and construction of drainage improvements, street grinding and resurfacing, installation of concrete gutters, additional surface drain inlets, enhanced crosswalks, curb pop-outs, hardscaping and tree planting along Newport Avenue from Sunset Cliffs Boulevard to Abbott Street.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and is in conformance with the City's General Plan.

Schedule: This project is scheduled to be completed in Fiscal Year 2011.

Justification / Public Benefit: The proposed improvements are necessary to satisfy the Americans with Disabilities Act (ADA) requirements by bringing the street surface areas up to standard.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Ocean View Hills Parkway / S00882

Council District: 8	Community Plan: Otay Mesa
Project Status: Released	Contact Information: Tracanna, John
Duration: 2000 - 2011	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for reimbursing the developer for the City's share of the design and construction of Ocean View Hills Parkway (Phases II and III) from Denberry Road to Otay Mesa Road. The project includes approximately 5,200 lineal feet of a four-lane major street and 4,900 lineal feet of a six-lane major street. See projects T2.1, T2.2 and T2.3 in the Otay Mesa Public Facilities Financing Plan.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The transportation element of the Otay Mesa Community Plan recommends that an integrated transportation network will provide mobility, accessibility and safety for the residences and businesses traveling to, from and through the community.

Schedule: Phases I and II were completed in previous years with reimbursements to date. Phase III design began and was completed in Fiscal Year 2005. Construction began in Fiscal Year 2006 and completion schedule is contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Old Otay Mesa Road- Westerly / S00870

Council District:	8	Community Plan:	Otay Mesa, Otay Mesa - Nestor
Project Status:	Released	Contact Information:	Palaseyed, Abi
Duration:	2008 - 2011		619-533-4654
Improv Type:	Widening		apalaseyed@sandiego.gov

Description: This project provides for design and construction of Old Otay Mesa Road from the intersection of B Street, as shown on the Remington Hills Tentative Map, easterly to the intersection with Otay Mesa Road (Town Center Drive Extension South), per the Otay Mesa Public Facilities Financing Plan - Project T-50.2. This project includes approximately 2,400 linear feet of a two-lane collector street.

Justification / Public Benefit: The transportation element of the Otay Mesa Community Plan suggests that an integrated transportation network will provide mobility, accessibility and safety for persons traveling to, from and through the community. This project is being funded with Facilities Benefit Assessment Fees funding because there is either no project fronting this roadway or the projects fronting the roadway are also public facility projects, e.g., school, park. Should the adjacent properties be developed, these properties shall reimburse the Facilities Benefit Assessment Fees Fund for the actual cost of the project as a condition of approval of their developments.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is required in and consistent with the Otay Mesa and Otay Nestor Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008. Construction is scheduled in Fiscal Year 2011. This schedule is contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: The original proposed scope for the Old Otay Mesa Road project did not fully address community needs. A professional firm will be hired to consider all needs through the design phase. This additional work will increase the funding needs in the project. Total estimated project cost is now \$6,750,000.

Otay Mesa Truck Route Phase 3 / S00724

Council District: 8	Community Plan: Otay Mesa
Project Status: Released	Contact Information: Arnold, Mike
Duration: 2003 - 2011	619-533-4661
Improv Type: New	manorld@sandiego.gov

Description: The Phase III project provides for an emergency lane and paved shoulder from Drucker Lane to the port of entry. The phase IV project provides for the construction of an additional lane to the existing Otay Truck Route from La Media Road to Drucker Lane and for the extension of the Truck Route (two lanes) from Britannia Boulevard to La Media Road and along Britannia Boulevard from the border to Britannia Court.

Justification / Public Benefit: The Phase IV additional lane and extension of the Truck Route will remove cargo traffic from local streets and further expedite international truck traffic southbound into Mexico at the Otay Mesa Port of Entry. The Phase III additional lane will provide a dedicated emergency lane for Border Patrol, Police and other emergency vehicles.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Phase III design was completed in Fiscal Year 2010 and construction began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011. The environmental process for Phase IV is scheduled for Fiscal Year 2010. Phase IV design is scheduled to begin in Fiscal Year 2010 and be completed in Fiscal Year 2011. Right of way acquisition is scheduled for Fiscal Year 2011. Construction for Phase IV is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: It is proposed to allocate TransNet funding to this project for Fiscal Year 2011. Grant funding is anticipated to be received in Fiscal Year 2011 for construction.

Palm Avenue Roadway Improvements / S00913

Council District:	8	Community Plan:	Otay Mesa - Nestor
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2007 - 2012		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for vehicular and traffic safety improvements on Palm Avenue from Beyer Way to Interstate 805. The improvements include installation of raised center medians, turn pockets, traffic signals, a pedestrian refuge area, crosswalks, landscaping, striping and signage. Subsequent phases of this project may include further analysis of the pedestrian and streetscape aspects of the project area.

Justification / Public Benefit: These improvements will benefit the community by increasing the safety and flow of traffic.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa-Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary project planning began in Fiscal Year 2007 and was completed in Fiscal Year 2008. Design began in Fiscal Year 2010 and was completed in Fiscal year 2010. Construction is scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: It is proposed to allocate TransNet funding of \$630,000 in Fiscal Year 2011 to fund the construction phase of the project.

Paradise Hills Revitalization Project / S00829

Council District:	4	Community Plan:	Skyline - Paradise Hills
Project Status:	Released	Contact Information:	Palaseyed, Abi
Duration:	2001 - 2011		619-533-4654
Improv Type:	Betterment		apalaseyed@sanidiego.gov

Description: This project provides for a vision and implementation strategy for rehabilitating an older commercial strip development on Reo Drive between Albemarle Street and Cumberland Street in the heart of Paradise Hills. Phase I added crosswalks, pop-outs, and surface improvements on Reo Drive between Albemarle Street and Cumberland Drive. Phase II will widen Reo Drive from 60 to 80 feet, including diagonal parking, and surface improvements between Albemarle Street and Cumberland Drive.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: This project is currently in construction and is scheduled to be completed in Fiscal Year 2011.

Justification / Public Benefit: Revitalization of this strip will encourage commercial opportunities in this underserved community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Council District: 3	Community Plan: Balboa Park, Greater North Park
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2001 - 2013	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for improvements along Pershing Drive at Redwood Street and Jacaranda Place, and at the entrance to the Morley Field Disc Golf Course in Balboa Park. The City was awarded a \$150,000 State Community-Based Transportation Planning Grant for preliminary engineering activities, public outreach, and to assist in determining the project scope of work.

Relationship to General and Community Plans: This project is consistent with the Balboa Park and Greater North Park Community Plans and is in conformance with the City's General Plan.

Schedule: Preliminary design was completed in Fiscal Year 2009. Design was completed in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2011.

Justification / Public Benefit: The re-configuration of this intersection will improve traffic control and safety for vehicles, bicycles, and pedestrians.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Council District: 5	Community Plan: Scripps Miramar Ranch
Project Status: Released	Contact Information: Tracanna, John
Duration: 2008 - 2015	619-533-3682
Improv Type: Betterment	jtracanna@sandiego.gov

Description: This project involved improvements at the intersection of Pomerado Road and Willow Creek Road/Avenue of Nations as part of the construction of Thurgood Marshall Middle School. The improvements included a traffic signal, widening, striping and landscaping.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is in accordance with the Scripps Miramar Ranch Public Facilities Financing Plan, Project: 34-14, Council Resolution R-302405, March 5, 2007.

Schedule: This project was completed by the San Diego Unified School District in Fiscal Year 2007, and reimbursement in the amount of \$1,260,158 was provided for the project from the Scripps Ranch Miramar Ranch Facilities Benefit Assessment (FBA) under the terms of a reimbursement agreement.

Operating Budget Impact: None.

Rancho Bernardo Street and Sidewalk Improvements / S00887

Council District: 6	Community Plan: Rancho Bernardo
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2001 - 2010	619-533-4654
Improv Type: Betterment	apalaseyed@sanidiego.gov

Description: This project provides for improvements to streets and sidewalks throughout the Rancho Bernardo community, as needed. Other improvements may include installation of landscaping and irrigation systems and construction of retaining and sound walls.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Additional street and sidewalk improvements are required as a result of continuing development in the area.

Schedule: As improvements are identified, funding will need to be appropriated to complete design and construction.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Regents Road Widening-Genesee to Executive / S00881

Council District: 1	Community Plan: University
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2003 - 2015	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for widening Regents Road to a modified four-lane major street from Genesee Avenue to Executive Drive, relocation of the Genesee Avenue/Regents Road intersection to the east, and bike lanes. This project description is preliminary and the amounts shown below only reflect the funding currently programmed. The total funding needs of the project will be determined once a final scope of work is established.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to improve traffic flow and is included in the Council-approved North University City Community Financing Plan - Project 13 and Facilities Benefit Assessment Document.

Schedule: Design was completed in Fiscal Year 2010. Construction schedule will be established pending land acquisition from the University of California - San Diego (UCSD).

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Resurfacing of City Streets / AID00005

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Walter Gefrom
Duration:	2010 - 2020		619-527-7509
Improv Type:	Betterment		wgefrom@sandiego.gov

Description: This annual allocation provides for roadway resurfacing, repair and reconstruction.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Resurfacing, repair, and reconstruction of City streets are necessary to maintain the streets in serviceable condition and prevent deterioration of the roadway.

Schedule: Projects are scheduled on a priority basis.

Operating Budget Impact: None.

Summary of Project Changes: It is anticipated that this project will receive \$40,500,000 from bond financing in addition to \$9,905,415 from grant funding in Fiscal Year 2011.

Rosecrans Street Corridor Improvements / S00830

Council District: 2	Community Plan: Midway - Pacific Highway, Peninsula
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2003 - 2015	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for improvements to the former State Route 209, which includes all or parts of Camino del Rio West, Rosecrans Street, Canon Street, Catalina Boulevard, and Cabrillo Memorial Drive. Camino del Rio West improvements consist of upgrading the sidewalk facilities, including installation of pedestrian ramps and traffic signal modifications, and construction of turn pocket and signal modifications on Rosecrans at Midway.

Relationship to General and Community Plans: This project is consistent with the Peninsula and Midway Community Plans and is in conformance with the City's General Plan.

Schedule: Phase I of the project which includes traffic signal modifications, and installation of turn pockets began in Fiscal Year 2010. Construction of Phase I is scheduled to be completed in Fiscal Year 2011.

Justification / Public Benefit: Redevelopment in the area resulted in increased traffic and pedestrian activity.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

SR56 / I-15 Interchange / S00920

Council District:	1	Community Plan:	Pacific Highlands Ranch
Project Status:	Released	Contact Information:	Tracanna, John
Duration:	2007 - 2010		619-533-3682
Improv Type:	New		jtracanna@sanidiego.gov

Description: This project provides for the design and construction of a loop ramp in the southeast quadrant of SR-56 at I-15 in Rancho Penasquitos for eastbound to northbound movements to eliminate the need for making left turns at the existing traffic signal. It will also widen the southbound to westbound ramp and the eastbound to southbound ramp. (See Project T-1.6 and Black Mountain Ranch PFFP Project T-56.)

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Public Facility Financing Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This facility is required to accommodate the additional traffic generated as a result of development in the I-15 Corridor, with Pacific Highlands Ranch contributing its fair share based on percentage of increased traffic.

Schedule: Construction is scheduled to be completed in Fiscal Year 2010.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

San Dieguito Road to Carmel Valley Road Phase II / S00710

Council District:	1	Community Plan:	Black Mountain Ranch, Torrey Highlands
Project Status:	Released	Contact Information:	Tracanna, John
Duration:	2008 - 2010		619-533-3682
Improv Type:	New		jtracanna@sandiego.gov

Description: This project provides for reimbursement to a developer for the design and construction of Camino del Sur between San Dieguito Road south to Carmel Valley Road as a two-lane interim facility within a six-lane right-of-way. It also provides a wildlife crossing, traffic signals and intersection widening at San Dieguito Road, B Street and Carmel Valley Road. A second phase of the project will construct two additional lanes on Camino del Sur from San Dieguito Road southward to Carmel Valley Road and modify the traffic signals accordingly.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch and Torrey Highlands Subarea Plans and the Torrey Highlands Public Facilities Financing Plan, and is in conformance with the City's General Plan.

Schedule: Phase I of this project was completed in Fiscal Year 2002, with reimbursement to developer ongoing. A portion of Phase II was completed in Fiscal Year 2004, with the remainder of Phase II scheduled for construction in Fiscal Year 2011.

Justification / Public Benefit: This project is in accordance with projects T-9 and T-10 in the Black Mountain Ranch Public Facilities Financing Plan, Council Resolution R-301005, November 1, 2005, and Project T-2.4 of the Torrey Highlands Public Facilities Financing Plan, Council Resolution 304935, June 2, 2009.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Saturn Blvd Roadway Improvements / S11028

Council District: 8	Community Plan: Otay Mesa - Nestor
Project Status: Created	Contact Information: Marabian, Linda
Duration: 2011 - 2015	619-533-3082
Improv Type: Betterment	lmarabian@sanidiego.gov

Description: This project provides for the widening of the west side of Saturn Boulevard, north of Grove Street. The project includes new pavement, with approximately 980 linear feet of new curb, gutter and sidewalk, pedestrian ramps, retaining wall, drainage improvements and relocation of existing above ground utilities.

Justification / Public Benefit: The project is located adjacent to a school where students disembark from a school bus and then walk to school via this route. This project would provide a safer pedestrian route for the students and also improve surface drainage.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa-Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Saturn Boulevard-Palm Ave to Coronado / S00861

Council District: 8	Community Plan: Otay Mesa - Nestor
Project Status: Released	Contact Information: Batta, Jamal
Duration: 1994 - 2015	619-533-7482
Improv Type: Betterment	jbatta@sanidiego.gov

Description: This project provides for widening the west side of Saturn Boulevard to a four-lane collector street from Palm Avenue to Coronado Avenue. Improvements include construction of concrete curb, gutter, sidewalk, drainage facilities, asphalt concrete pavement, and landscaping as necessary.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa/Nestor Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to widen the existing southbound traffic lanes to a four-lane collector and to standardize the street width to accommodate the increase in traffic volume.

Schedule: Preliminary design was completed in Fiscal Year 1995 and design was completed in Fiscal Year 2002. Construction is scheduled to begin upon identification of funding. Design standards are to be updated in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: It is proposed to allocate \$100,000 of TransNet funds to this project for Fiscal Year 2011 to update to current design standards.

Skyline Drive at Cardiff Improvements / S00927

Council District: 4	Community Plan: Skyline - Paradise Hills
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2008 - 2011	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for a pop-out on the northwest corner of Skyline and Cardiff.

Schedule: Design began in May of 2009 and ended in May of 2010. Construction is anticipated to begin in January of 2011 and be complete by August of 2011.

Justification / Public Benefit: This project is required in order to provide traffic calming and safer pedestrian crossing.

Summary of Project Changes: Improvements scheduled in this project will be completed with those in Skyline Drive Median and Parkway Improvements, S-00912. This project will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Soledad Mountain Road Emergency Repair Project / S00932

Council District: 2	Community Plan: Pacific Beach
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2008 - 2011	619-533-7482
Improv Type: Replacement	jbatta@sanidiego.gov

Description: This project provides for the reconstruction of Soledad Mountain Road. On October 3, 2007, a landslide occurred on Mt. Soledad and destroyed a large section of the 5700 block of Soledad Mountain Road and Desert View Drive Alley.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Soledad Mountain Road is classified as a four-lane major street with approximately 8,470 average daily traffic volume. The road is heavily utilized as a through access to and from La Jolla.

Schedule: The construction of Soledad Mountain Road was partially completed and re-opened for traffic on October 16, 2008. The landslide affecting Desert View Alley (a sublet of this project) is not complete.

Operating Budget Impact: None.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Sorrento Valley Road & Interstate 5 Interchange / S00914

Council District: 1	Community Plan: Mira Mesa, Torrey Pines
Project Status: Released	Contact Information: Doringo, Edric
Duration: 2007 - 2016	619-533-4655
Improv Type: New	edoringo@sandiego.gov

Description: This project provides for a new freeway interchange to address traffic congestion. The project will be constructed in coordination with Caltrans and the Federal Highway Administration. Land acquisition is required.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa and Torrey Pines Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Traffic is at Level of Service I and is severely impacted by stoppage for trains at the Coaster Station.

Schedule: Preliminary design began in Fiscal Year 2007 and was completed in Fiscal Year 2008. Design began Fiscal Year 2009 and is scheduled to continue through Fiscal Year 2011. Construction schedule is contingent upon identification of funding.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Spring Canyon Road-Scripps Ranch to Pomerado Road / S00832

Council District:	7	Community Plan:	Scripps Miramar Ranch, Rancho Encantada
Project Status:	Released	Contact Information:	Nassar, Mark
Duration:	2004 - 2015		619-533-3172
Improv Type:	New		mnassar@sandiego.gov

Description: This project provides for the installation of traffic signals at three locations and the construction of raised medians at a number of intersections to reduce cut-through traffic on local collector streets. The project includes interconnection of the traffic signals in the segment. Specific locations will be determined by a traffic study which is included in this scope of work.

Justification / Public Benefit: The traffic signals will allow pedestrians to cross at controlled intersections. The raised medians at the three intersections will provide additional control of the traffic movements. The additional raised medians at specific intersections will reduce cut-through traffic on local collector streets. Interconnecting the traffic signals will be an effective means of controlling traffic speeds without sacrificing roadway capacity.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Rancho Encantada Precise Plan and Scripps Miramar Ranch Community Plan, and is in conformance with the City's General Plan.

Schedule: The traffic study was done in Fiscal Year 2009. Design of Phase I traffic improvements began in Fiscal Year 2010, construction is expected to begin in Fiscal Year 2011.

Summary of Project Changes: The Community Planning Committees of Miramar Ranch North and Scripps Ranch approved a two phase plan as a result of the scheduled traffic study: Phase I: Narrow Spring Canyon Road from four lanes to two lanes through re-striping from Scripps Ranch Boulevard to the Riesling Drive. Install a traffic signal on Spring Canyon Road at Spruce Run Drive and median chokers on Spring Canyon Road at Semillon Boulevard and Sunset Ridge Drive. Phase II: Further evaluation of traffic calming, roadway safety, capacity enhancement and traffic control features on Spring Canyon Road, which may include a traffic signal interconnect, additional traffic signals and electronic speed monitoring signs.

State Route 56-Carmel Country to Black Mountain / S00853

Council District: 1	Community Plan: Los Penasquitos Canyon Preserve (RPQ, Sabre Springs, Rancho Penasquitos, Torrey Highlands)
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1991 - 2011	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the State Route 56 freeway between the Carmel Valley and Rancho Penasquitos communities. A four-lane freeway will be constructed with interchanges at Black Mountain Road, Camino Santa Fe and Camino Del Sur. This project will provide the necessary right-of-way and prepare the grade for a six-lane freeway. In addition, this project provides for the bikepath through the State Route 56 corridor, and a future project is planned for a bikepath interchange at Camino Del Sur. The preparation of project report and environmental document for the remaining Interstate 5/State Route 56 connector ramps is budgeted under S-00707, Interstate 5/State Route 56 Freeway Connectors.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Los Penasquitos Canyon Preserve Master Plan, the Sabre Springs, Rancho Penasquitos and Torrey Hills Community Plans, and the Torrey Highlands and Pacific Highlands Ranch Subarea Plans, and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2010.

Justification / Public Benefit: This project is needed to provide an east-west connection between Interstate 5 and Interstate 15.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Streamview Drive Improvements / S00864

Council District: 3	Community Plan: City Heights (Mid-City)
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2007 - 2015	619-533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: This project provides for safety/capacity improvements on Streamview Drive from 54th Street to College Avenue to reduce excessive speeds, increase safety, and enhance visual impacts.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: A study is required to determine solutions to several problems on Streamview Drive. Design solutions and construction, predicated on the study, will address these problems.

Schedule: Two consultants will assist staff on final preliminary engineering for Fiscal Year 2010. Design is scheduled for Fiscal Year 2011 and construction is scheduled for Fiscal Year 2012.

Operating Budget Impact: None.

Summary of Project Changes: \$200,000 in TransNet funding has been allocated to this project for Fiscal Year 2011.

Torrey Meadows Drive Overcrossing / S10015

Council District: 1	Community Plan: Torrey Highlands
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2020	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for the design and construction of a two-lane overcrossing of Torrey Meadows Drive over State Route 56. This project will include the bridge approaches on each side of the bridge, approximately 200 linear feet of a two-lane local collector road, together with any right-of-way not previously acquired as part of the State Route 56 project.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan, the Torrey Highlands Public Facilities Financing Plan (Project T-9) and is in conformance with the City's General Plan.

Justification / Public Benefit: This two-lane connection will provide access to the neighborhood park, elementary and high schools, and the local mixed use zone for those properties south of State Route 56. The project should alleviate traffic congestion on the Camino Del Sur Interchange and provide enhanced traffic flow.

Schedule: Design and the environmental review process began in Fiscal Year 2010.

Summary of Project Changes: The City is moving forward with a reimbursement agreement with developer to provide design and construction specifications for future construction of project.

Operating Budget Impact: None.

Torrey Pines Improvements Phase I / S00613

Council District: 1	Community Plan: La Jolla
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2015	619-533-3092
Improv Type: Betterment	jfuentes@san Diego.gov

Description: This project provides for improvements to the Torrey Pines Corridor. The corridor limits are: Torrey Pines Road from La Jolla Parkway to Girard Avenue. Improvements may include guardrails, median improvements, sidewalks, traffic signals and lighting, installation of bikelanes and modification to striping.

Justification / Public Benefit: Improvements are needed on Torrey Pines Road, west of La Jolla Shores Drive, to better accommodate the traffic flow, bicycles and pedestrians that use this roadway. The corridor study conducted identified safety issues and walkability along the Torrey Pines Road corridor.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design was completed in Fiscal Year 2010. Phase 1 design is scheduled to be complete in Fiscal Year 2011. Construction of Phase 1 improvements will be scheduled upon identification of funding.

Summary of Project Changes: No significant changes to this project for Fiscal Year 2011.

Transportation Grant Match / AID00002

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2020	619-533-3092
Improv Type: Betterment	jfuentes@sandiego.gov

Description: This annual allocation provides funding for matching fund obligations for various types of transportation grants. Grants may require City matching funds as a condition of approval.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: In order to qualify for future additional grant funds, the City may be required to ensure that matching funds are available.

Schedule: Projects are scheduled on a priority basis.

Operating Budget Impact: None

Summary of Project Changes: TransNet funding has been allocated to this project through Fiscal Year 2015.

Triple Pipe Crossing - Dennery Road / S10017

Council District:	8	Community Plan:	Otay Mesa
Project Status:	Created	Contact Information:	Nassar, Mark
Duration:	2010 - 2020		619-533-3172
Improv Type:	New		mnassar@sanidiego.gov

Description: This project provides for constructing a triple pipe arch culvert beneath Dennery Road where the road spans Dennery Canyon to maintain the continuity of the Dennery Canyon Open Space link with the Otay River Valley and to accommodate the existing wildlife movement.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The alignment of Dennery Road will bisect a key wildlife corridor within the Otay Mesa Community. In order to minimize the disturbance, a wildlife undercrossing is proposed to provide an unobstructed corridor for wildlife movement between Dennery Canyon and the Otay River Valley.

Schedule: Design began in Fiscal Year 2010. Construction is scheduled in Fiscal Year 2011. The design and construction of the triple pipe crossing shall be performed by the subdivider responsible for the construction of Dennery Ranch Road and reimbursed from Facilities Benefit Assessment funding.

Summary of Project Changes: Reimbursements are scheduled for Fiscal Year 2011.

Operating Budget Impact: None.

Utilities Undergrounding Program / AID00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Bruner, Nathan
Duration:	2010 - 2020		619-533-7426
Improv Type:	Betterment		nbruner@sandiego.gov

Description: This annual allocation provides for additional underground conversion projects to augment the California Public Utilities Commission (CPUC) Rule 20A projects as well as provides for the necessary administrative expenses, conversion of City-owned street lighting, and resurfacing of roadways associated with the undergrounding of utilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: The CPUC mandates that local utility companies allocate funding for undergrounding of utilities at the direction of the local municipality. SDG&E, AT&T and the cable companies spend several million dollars annually to underground overhead facilities. The City must provide the utility companies with a priority listing of projects, aid coordination, establish underground utility districts and give informational support. Construction costs for undergrounding are paid by utility companies in accordance with Public Utilities Commission Decisions 73078, 820118 and Case 8209. If not provided with administrative support, millions of dollars of utility company construction money could go unused. Additional underground conversion projects are funded through the City Undergrounding Surcharge Fund. This fund is used solely for the undergrounding of utilities and cannot be used for other purposes.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Village Loop Road / S00919

Council District:	1	Community Plan:	Pacific Highlands Ranch
Project Status:	Released	Contact Information:	Tracanna, John
Duration:	2007 - 2010		619-533-3682
Improv Type:	New		jtracanna@sandiego.gov

Description: This project provides for construction of Village Loop Drive, from the intersection of Del Mar Heights Road and Carmel Valley Road easterly to the property line (approximately 2,000 linear feet), as a four-lane collector roadway within a 108 foot right-of-way route providing access to the high school site and the core residential areas.

Justification / Public Benefit: This project is dependent upon the development of the high school, community park, and core residential area including the village area of the community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Public Facility Financing Plan and is in conformance with the City's General Plan.

Schedule: The developer (Pardee) advanced funding for this project and will be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment (FBA) under the terms of a reimbursement agreement. Reimbursement is programmed from Fiscal Years 2006 through 2010.

Summary of Project Changes: Project cost and schedule have been updated to reflect the most recent Pacific Highlands Ranch Public Facilities Financing Plan.

Westerly Extension of Hazard Center Drive / RD10001

Council District:	6	Community Plan:	Mission Valley
Project Status:	Created	Contact Information:	Johnson, Brad
Duration:	2010 - 2012		
Improv Type:	New		

Description: The construction of the Westerly Extension of Hazard Center Drive will provide for the construction of a two lane road from the eastern terminus of Hazard Center Drive to the existing road behind Fashion Valley Shopping Center.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide for the construction of the missing segment of Hazard Center Drive and when constructed, the road will provide enhanced traffic circulation which will benefit the community.

Schedule: The project is scheduled to start construction in Fiscal Year 2011.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Operating Budget Impact: None.

36th Street Landscape Maintenance / S00902

Council District: 4	Community Plan: Eastern Area (Mid-City)
Project Status: Released	Contact Information: Medina, Camille
Duration: 2006 - 2012	619-533-6742
Improv Type: Betterment	cmedina@sandiego.gov

Description: This project is the result of a relinquishment agreement between the City of San Diego and Caltrans and provides for the landscape maintenance of 36th Street between Imperial Avenue and Market Street.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project was approved by the City Council Resolution No. R-300154 and will provide for plant establishment as defined in the standard specifications for the construction of local street and roads.

Schedule: Plant establishment is scheduled to begin in Fiscal Year 2010 and to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Azalea Park Neighborhood Identification / S00699

Council District:	3	Community Plan:	City Heights (Mid-City)
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2004 - 2010		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for the construction of new vehicular and pedestrian improvements, including raised medians, sidewalks and curb ramps, enhanced crosswalks and curb-extensions, (which are to be funded by Development Impact Fees), neighborhood identification signs (which are to be funded by Community Development Block Grants), and seating areas. This project is part of a community revitalization effort outlined in the Azalea Park-Hollywood Park Revitalization Action Program. The specific locations of this portion of the project are the intersections of Poplar Street and Fairmount Avenue and Poplar Street and Tulip Street.

Relationship to General and Community Plans: This project implements the recommendations found in the Mid-City Community Plan and the Azalea Park-Hollywood Park Revitalization Action Program and is in conformance with the City's General Plan.

Schedule: The preliminary design process for the raised medians, neighborhood identification signs and seating areas, which included neighborhood residents' involvement, was completed. Design began in Fiscal Year 2007 and was completed in Fiscal Year 2009. Construction began and was completed in Fiscal Year 2010.

Justification / Public Benefit: These improvements will benefit the community by increasing safety, improving the flow of traffic, enhancing pedestrian access, and promoting community identification.

Summary of Project Changes: This project was completed in Fiscal Year 2010 and will be closed at the end of the fiscal year.

Operating Budget Impact: None.

Balboa Avenue Corridor Improvements / S00831

Council District: 6	Community Plan: Clairemont Mesa, Kearny Mesa
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2003 - 2014	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for improvements to the former State Route 274, which is Balboa Avenue. This project is divided into two phases. Phase I begins at Interstate 5 and ends at Interstate 805. Phase II begins at Interstate 805 and ends at Interstate 15. Improvements to both phases consist of roadway widening, construction of new curbs, gutters, and sidewalks, reconstruction of existing sidewalks and medians, installation of a new traffic signal(s), modification of existing traffic signals, and new bicycle routes. Phase III will install community signs at the Kearny Mesa Community boundaries.

Justification / Public Benefit: This project is funded by a State contribution agreement as part of the relinquishment of State Route 274 to the City of San Diego.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa and Kearny Mesa Community Plans and is in conformance with the City's General Plan.

Schedule: Phase I - Preliminary engineering was completed in Fiscal Year 2005. Design began in Fiscal Year 2005 and was completed in Fiscal Year 2006. Construction began in Fiscal Year 2008 and was completed in Fiscal Year 2009. Phase II - Preliminary engineering began in Fiscal Year 2009 and design began in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2012. Phase III - Design started in Fiscal Year 2009 and was completed in Fiscal Year 2010. Construction will start and be completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Bird Rock Coastal Traffic Improvements Phase I / S00896

Council District: 1	Community Plan: La Jolla
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2006 - 2010	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides traffic calming measures to reduce speed and improve safety and walkability on La Jolla Boulevard. The project includes three modern roundabouts on La Jolla Boulevard and three mini roundabouts on connecting residential streets. La Jolla Boulevard will be reduced from four to two lanes. The project also includes 20 additional traffic calming measures on connecting residential streets.

Justification / Public Benefit: This project will reduce traffic speed and improve traffic flow and safety on La Jolla Boulevard. The project also reduces speed and minimizes traffic on surrounding area streets. This project is in accordance with the La Jolla Public Facilities Financing Plan, Project T-13.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004 and was completed in Fiscal Year 2007. Construction will be scheduled in two phases. Phase I construction was completed in Fiscal Year 2008 and Phase II was completed in Fiscal Year 2010 when the Notice of Completion was processed.

Summary of Project Changes: Project was completed in Fiscal Year 2010, and will be closed by the end of the fiscal year.

Carmel Valley Road Enhancement Project / S00859

Council District:	1	Community Plan:	Carmel Valley
Project Status:	Released	Contact Information:	Palaseyed, Abi
Duration:	1997 - 2014		619-533-4654
Improv Type:	Replacement - Rehab		apalaseyed@sanidiego.gov

Description: This project provides for improving Carmel Valley Road to a modified two-lane collector street from 300 feet east of Portofino Drive to the Del Mar city limits. The improvements include construction of curb, gutter, sidewalks and drainage improvements as well as construction of a Class II bicycle lane on both sides of Carmel Valley Road.

Justification / Public Benefit: This project will improve traffic flow and turning movements on this roadway and provide bike paths on Carmel Valley Road.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction of the project are complete. Environmental monitoring will continue through Fiscal Year 2014.

Summary of Project Changes: It is proposed to allocate \$25,000 inTransNet funds to this project for Fiscal Year 2011 for mitigation and monitoring costs.

Del Mar Heights Road Center Median / S00884

Council District: 1	Community Plan: Torrey Pines
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2000 - 2012	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for raised center decorative concrete medians on Del Mar Heights Road, between Mango Drive and the San Diego city limits. The future landscaping area is to be covered with landscape fabric and mulch above top soil, and irrigation sleeves under the vehicular area.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Construction of the median is required to control turning movements and reduce traffic conflicts.

Schedule: Design was completed in Fiscal Year 2004. Construction will be scheduled when remaining funding is identified and a new maintenance assessment district is created.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Genesee Avenue-Nobel Dr to SR 52 / S00852

Council District: 1	Community Plan: University
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1992 - 2017	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project provides for widening Genesee Avenue from Nobel Drive to State Route 52 to a modified six-lane major street north of Decoro Street and a modified six-lane primary arterial south of Decoro Street. The project includes a right-turn lane, eastbound to southbound, at the Genesee Avenue/Nobel Drive intersection; additional left-turn lane, including a traffic signal at State Route 52 interchange; and Class II bicycle lanes.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: City Council initiated a community plan amendment to delete this project from the the community plan (R-301787, August 21, 2006). City Council Resolution R-302497, April 2, 2007, stipulates deletion of the project pending the preparation, consideration and certification of a project level Environmental Impact Report (EIR). This project will remain in the financing plan until the EIR is completed.

Justification / Public Benefit: This project is needed to increase the capacity of this facility. See Project Number A in the North University City Public Facilities Financing Plan.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Council District: 4	Community Plan: Skyline - Paradise Hills
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2012	619-533-3172
Improv Type: Betterment	mnassar@sanidiego.gov

Description: This project provides for pedestrian enhancements to the transit center located on Imperial Avenue between 61st Street and 62nd Street. Improvements will include installation and improvements of the bus stop at Imperial Avenue.

Relationship to General and Community Plans: This project is consistent with the Skyline-Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: This project is anticipated to be completed in Fiscal Year 2012.

Justification / Public Benefit: This project will improve transit conditions for individuals traveling to, from and through the community and will enhance access to both residences and businesses as well as improving pedestrian access to the bus stop.

Summary of Project Changes: No significant change has been made to this project in Fiscal Year 2011

Operating Budget Impact: None.

Kearny Mesa Community Signs-Balboa Avenue / S10096

Council District: 6	Community Plan: Kearny Mesa
Project Status: Deletion Flag	Contact Information: Johnson, Brad
Duration: 2009 - 2011	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the installation of community signs along Balboa Avenue, east of Interstate 805 and at the intersection with Ruffin Road. The scope of work includes modification of existing medians at both locations. This project requires additional relinquishment of the northern half of the median at Interstate 805 by Caltrans.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The project is funded by a State contribution agreement as part of the relinquishment of State Route 274 to the City of San Diego and was requested by Council District 6.

Schedule: Design was completed in Fiscal Year 2010. Relinquishment of the median is anticipated to be received in Fiscal Year 2011. Construction is scheduled to begin and to be completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

La Jolla Village Drive and Regents Road / S00867

Council District: 1	Community Plan: North University City
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1995 - 2012	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for a southbound-to-westbound right-turn lane at the La Jolla Village Drive/Regents Road intersection. A Class II bike lane is included for southbound bicyclists. Additional right-of-way will be acquired from the University of California San Diego at no cost.

Relationship to General and Community Plans: This project is consistent with the North University Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to improve traffic flow at this intersection per the North University Public Facilities Financing Plan - Project 41.

Schedule: Design was scheduled to be completed in Fiscal Year 2010. Construction was scheduled to begin upon completion of the property exchange with UCSD in Fiscal Year 2010. Design and construction will be rescheduled upon completion of property exchange and identification of funding.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Mid City Gateways / S00828

Council District: 3	Community Plan: City Heights (Mid-City)
Project Status: Technically completed	Contact Information: Martinez-Higgs, Alicia
Duration: 2001 - 2011	619-236-6488
Improv Type: New	amhiggs@sandiego.gov

Description: This project provides for streetscape enhancements on El Cajon Boulevard and University Avenue where they intersect with the I-15 freeway corridor. Streetscape enhancements will be added to the freeway bridge overpasses where decks were built with pedestrian plaza areas. Improvements include trees and shrubs, public artwork, signage and bus shelters. The project also provides for median and sidewalk enhancements between Central Avenue and 43rd Street on El Cajon Boulevard. Improvements include trees, ground cover, automatic irrigation, enhanced paving and lighting. A traffic signal was installed at El Cajon Boulevard and Copeland Avenue to provide for increased safety.

Justification / Public Benefit: This project enhances the commercial revitalization of El Cajon Boulevard and University Avenue near the I-15 freeway corridor.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project implements the Mid-City Communities Plan and is in conformance with the City's General Plan.

Schedule: Design of Phase I, El Cajon Boulevard from Central Avenue to 43rd Street, began in Fiscal Year 2000. Construction began in Fiscal Year 2002 using continuing appropriations and was completed in Fiscal Year 2003. Phase II includes enhancement of the I-15 bridge decks on El Cajon Boulevard and University Avenue. Design of that phase began in Fiscal Year 2001. Construction began in Fiscal Year 2005 and was completed in Fiscal Year 2007.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Mira Mesa Community Transit Center / S00847

Council District: 5	Community Plan: Mira Mesa
Project Status: Released	Contact Information: Tracanna, John
Duration: 1991 - 2015	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for installation of an off-street transit center at Hillery Drive and Interstate 15. Concrete pads, bus bays, a shelter and a 300-space park-and-ride facility will be constructed. The Metropolitan Transit Development Board (MTDB) will design and construct the facility.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: The transit center will facilitate transfer activity between existing and planned routes, and will establish a central focal point for transit in the community. It may also tie into either the future Interstate 15 corridor rail or the high-speed express bus system, depending on the results of the Metropolitan Transit Development Board Interstate 15 advance planning study now underway.

Schedule: Design was completed in Fiscal Year 1999. Construction will continue through Fiscal Year 2011 using continuing appropriations. This schedule is contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Normal Street Median-University to Blaine / S00918

Council District: 3	Community Plan: Uptown
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2008 - 2011	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for improvements to traffic circulation in order to prevent illegal u-turns, and enhance pedestrian safety on Normal Street between Blaine Avenue and University Avenue. New landscaped medians will include aesthetic enhancements and will allow for the creation of additional parking spaces.

Justification / Public Benefit: This project will improve traffic circulation and provide additional parking spaces.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008 and was completed in Fiscal Year 2009. Construction began and was completed in Fiscal Year 2010.

Summary of Project Changes: Project was completed in Fiscal Year 2010 and will be closed by the end of the fiscal year.

Council District: 1	Community Plan: North University City
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1998 - 2012	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for median curb, gutter, drainage and landscaping improvements, from 600 feet north of Genesee Avenue to the State Reserve boundary including the Callan Road intersection.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will improve safety and drainage on North Torrey Pines Road per the North University City Public Facilities Financing Plan - Project D.

Schedule: Preliminary design was completed in Fiscal Year 2004. Design began in Fiscal Year 2008 and will continue in Fiscal Year 2011. Construction is scheduled for Fiscal Year 2011.

Operating Budget Impact: None. Eligible maintenance activities will be funded by the Genesee Avenue/ North Torrey Pines Road Maintenance Assessment District.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Council District: 5	Community Plan: Scripps Miramar Ranch
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1990 - 2011	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for constructing a 14-foot landscaped center median with left-turn pockets and additional pavement in the unimproved median area from Carroll Canyon Road to Aviary Drive. The street will be striped to include bike lanes and parking on both sides.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The general community plan is currently being amended to reflect Scripps Ranch Boulevard as a two-lane connector road. This project will complete this section of roadway per the Scripps Miramar Ranch Public Facilities Financing Plan - Project 34-1.

Schedule: Preliminary design occurred in previous years. Design was completed in Fiscal Year 2009. Construction began in Fiscal Year 2009 and was completed in Fiscal Year 2010.

Summary of Project Changes: This project was completed in Fiscal Year 2010, and will be closed by the end of the fiscal year. This is the last year this project will be published.

Operating Budget Impact: None.

Scripps Ranch/Mira Mesa Medians Project / S00838

Council District: 5	Community Plan: Scripps Miramar Ranch
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2001 - 2012	619-533-4654
Improv Type: Betterment	apalaseyed@sandiego.gov

Description: This project provides for median improvements, including landscaping, on Scripps Ranch Boulevard between Hibert Street and Mira Mesa Boulevard and on Mira Mesa Boulevard from Interstate 15 to Scripps Ranch Boulevard. Bike lanes will also be added along Mira Mesa Boulevard. In 2009, the nearby Casa Mira View development was approved by City Council on the condition that it make traffic improvements to Mira Mesa Boulevard. These improvements include a new traffic signal and mid-block crosswalk at the Hibert Street driveway, restricting u-turns during peak hours for east bound to west bound Mira Mesa Boulevard at Scripps Ranch Boulevard, and accommodating u-turns at the Scripps Ranch Boulevard and Erma Road intersection. To facilitate the implementation of these new improvements, it was decided that the developer would assume responsibility for the design and construction of all the improvements on Mira Mesa Boulevard, including the medians, through a reimbursement agreement, while the City finishes work on the Scripps Ranch Boulevard portion.

Justification / Public Benefit: This portion of Scripps Ranch Boulevard and Mira Mesa Boulevard is classified as a four-lane major street. The median improvement will improve vehicle access and operations per the Scripps Miramar Ranch Public Facilities Financing Plan - Project 34-2A.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004 and continued into Fiscal Year 2010. Construction of the Scripps Ranch Boulevard portion is scheduled to begin in Fiscal Year 2011. Construction of the Mira Mesa Boulevard portion was scheduled to begin in Fiscal Year 2010, contingent upon approval of a reimbursement agreement and the completion of design by the developer.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Sports Arena Blvd-Rosecrans to Midway / S00721

Council District: 2	Community Plan: Midway - Pacific Highway
Project Status: Released	Contact Information: Nassar, Mark
Duration: 1992 - 2011	619-533-3172
Improv Type: Widening	mnassar@sandiego.gov

Description: This project provides for modifying the intersection of Sports Arena Boulevard, Rosecrans Street and Camino del Rio West and widening Sports Arena Boulevard to a six-lane major street between Midway Drive and Rosecrans Street by modifying the median and restriping the street. This project description is preliminary and the amounts shown below only reflect the funding currently programmed. The total funding needs of the project will be determined, once a final scope of work is established.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Midway/Pacific Highway Corridor Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The eastbound traffic on Sports Arena Boulevard will be able to continue eastbound through the intersection of Sports Arena Boulevard/Rosecrans Street/Camino del Rio. Widening Sports Arena Boulevard will improve the traffic circulation. The average number of daily trips forecast for this segment of Sports Arena Boulevard is 50,000.

Schedule: The project description is preliminary and the scope of work is not established; only planning and other preliminary activities have been performed to date. The project schedule for the design and construction will be established once the scope of work is approved and funding identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Thorn Street Median Improvements / S00844

Council District: 3	Community Plan: Greater North Park
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2003 - 2011	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for the construction of a landscaped median along Thorn Street between 33rd Street and Felton Street in Greater North Park.

Schedule: Design was completed in Fiscal Year 2009. Construction began and was completed in Fiscal Year 2010 and the project will be closed by the end of the fiscal year.

Justification / Public Benefit: This project provides for traffic calming.

Summary of Project Changes: ARRA/Transnet Exchange funding in the amount of \$210,000 was appropriated to this project in Fiscal Year 2010 per City Council Resolution R-305177, dated 7/28/2009. This action fully funded the project.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

University Avenue Mobility Project / S00915

Council District:	3	Community Plan:	Greater North Park
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2007 - 2014		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for the University Avenue Mobility Project-Phase I (UAMP-Phase I), which is a subset of the improvements planned in the larger University Avenue Mobility Plan. Since funding for the entire project is not available at this time, the Phase I project was developed by combining selected portions of the UAMP that would provide the greatest benefits, focusing on the commercial core of the corridor. The major elements of the UAMP-Phase I are restriping to provide a painted median, left turn pockets at signalized intersections and improved lane widths, installation of raised landscaped medians in the core area, installation of enhanced pedestrian crosswalks, repainting of existing crosswalks, removal of parallel on-street parking, and re-striping to provide angle parking on both sides of the street.

Justification / Public Benefit: This project will significantly improve safety and mobility along the corridor for pedestrians, bicyclists, transit, and automobile traffic.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design began in Fiscal Year 2007. The Environmental process began in Fiscal Year 2009. Design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2012. Later phases of the UAMP will be determined as additional funding is appropriated.

Summary of Project Changes: This project was scheduled to receive \$2 million from a Smart Growth Grant per Council Resolution R-300698, dated July 25, 2005. A portion of the grant was received during Fiscal Year 2008 and the balance is scheduled to be received for construction in Fiscal Year 2012. This project received an additional state grant funds in Fiscal Year 2010. The cost estimate to implement the entire UAMP is approximately \$10 million. The cost estimate for the Phase I portion is \$2.8 million. The project will receive \$300,000 in Transnet funding for Fiscal Year 2011.

University City South Beautification / S00821

Council District:	1	Community Plan:	South University City
Project Status:	Released	Contact Information:	Nassar, Mark
Duration:	2003 - 2011		619-533-3172
Improv Type:	New		mnassar@sanidiego.gov

Description: This project will provide for median and roadway beautification along Governor Drive between Stresseman Street and Genesee Avenue.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Roadway beautification was requested by the Council District.

Schedule: The project description is preliminary and the scope of work has not been established. Design and construction will be scheduled following definition of project scope.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Washington Street Improvements Phase II / S00703

Council District: 2	Community Plan: Uptown
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2001 - 2012	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for streetscape improvements on Washington Street between San Diego Avenue and India Street, and between Goldfinch Street and Dove Street.

Justification / Public Benefit: The Mission Hills Community Plan group adopted the Washington Street Beautification Master Plan in Fiscal Year 1997. Streetscape improvements are being installed to revitalize the Mission Hills Business District.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project implements the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Construction of Phase I was completed in Fiscal Year 1994. A community tree planting added 80 street trees to Washington Street in Fiscal Year 1998. Design of Phase II was completed in Fiscal Year 1999. Construction of Phase II, segment one, which included upgrades and public artwork in two medians, was completed in Fiscal Year 2000. Improvements to the intersection of Washington Street and Goldfinch Street were designed in Fiscal Years 2003 and 2004, updated in Fiscal Year 2007 including median improvements on Washington Street between Goldfinch and Falcon Streets and between Eagle and Dove Streets. Construction of these improvements was completed in Fiscal Year 2009. The design for median improvements on Washington Street between India Street and San Diego Avenue was completed in Fiscal Year 2010. Construction is scheduled for Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

West San Ysidro Blvd Streetscape / S00822

Council District: 8	Community Plan: San Ysidro
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2004 - 2010	619-533-7482
Improv Type: Replacement	jbatta@sanidiego.gov

Description: This project provides for public improvements along West San Ysidro Boulevard on the block located between Cottonwood and Via de San Ysidro. The improvements are the initial revitalization activities for the area and will consist of sidewalk improvements, new street trees, and ornamental street lamps.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's Progress Guide and General Plan.

Justification / Public Benefit: The City of San Diego Redevelopment Agency and San Ysidro Business Improvement District have identified this public improvement project as a priority for the San Ysidro commercial district to help eliminate blight, spark new development, and increase business activity.

Schedule: Design began and was completed in Fiscal Year 2004. Construction will be scheduled upon approval of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Aldine Drive and Fairmount Drive Slope Restoration / S00865

Council District: 3	Community Plan: Kensington - Talmadge (Mid-City)
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2006 - 2012	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for the evaluation, design and construction of slope stability improvements for two slope areas. The first area is Fairmount Avenue slope north of Meade Avenue and south of Aldine Drive. The second area is the Aldine Drive south slope between Fairmount Avenue and Adams Avenue.

Relationship to General and Community Plans: This project implements the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The slope on the east side of Fairmount Avenue and south side of Aldine Drive is eroding and failing in some locations due to heavy winter rains.

Schedule: Design began and was completed in Fiscal Year 2009. Construction was scheduled to begin in Fiscal Year 2010 and has been rescheduled to Fiscal Year 2011 due to funding considerations.

Operating Budget Impact: None.

Summary of Project Changes: It is proposed to allocate TransnNet funding in the amount of \$700,000 to this project for Fiscal Year 2011.

Project Status: Created	Contact Information: Batta, Jamal
Duration: 2010 - 2013	619-533-7482
Improv Type: Replacement	jbatta@sandiego.gov

Description: The Bear Drive Retaining Wall project will replace an approximately 55 foot long by 8.5 foot high damaged section of the existing retaining wall that supports the side of Bear Drive.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed in order to maintain the roadway and provide public safety.

Schedule: Design and construction are scheduled for FY 2011.

Summary of Project Changes: This is a newly Published project for Fiscal Year 2011.

Operating Budget Impact: None.

Project Status: Released	Contact Information: Batta, Jamal
Duration: 1999 - 2011	619-533-7482
Improv Type: New	jbatta@sanidiego.gov

Description: This project provides for bluff improvements near Coast Boulevard.

Relationship to General and Community Plans: This project is consistent with the La Jolla Shores Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for protection of Coast Boulevard where erosion of the coastal bluff and the formation of sea caves threaten the stability of the street.

Schedule: This project was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Coastal Erosion Affecting City Streets / AIF00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	2010 - 2020		619-533-7482
Improv Type:	Betterment		jbatta@sandiego.gov

Description: This annual allocation provides for corrections of miscellaneous erosion problems along the shorelines that affect City streets.

Schedule: Phase I, completed in Fiscal Year 1994, studied the coastline that borders the City of San Diego and prioritized areas in need of restoration and enhancement. Phase II, also completed in Fiscal Year 1994, involved detailed analysis of the prioritized areas. Phase III will begin project planning and implementation on an annual basis.

Justification / Public Benefit: This project provides remedies for erosion caused by surf, weather, and surface runoff impacting City streets in various locations along the San Diego shoreline.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Talbot Street Slope Restoration / S00609

Council District: 2	Community Plan: Peninsula
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2007 - 2013	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for the stabilization of the slope adjacent to Talbot Street at Martinez Street.

Schedule: Design began in Fiscal Year 2008 and was completed in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2011 and will be completed in early Fiscal Year 2012.

Justification / Public Benefit: The winter storms of 2004 and 2005 eroded the steep slope adjacent to Talbot Street and threatened the houses at the top of the slope. This project is eligible for Federal Highways Administration (FHWA) reimbursement.

Summary of Project Changes: The schedule was revised due to lengthy negotiations for, and the award of, the consultant agreement for the design of the project. Construction funding in the amount of \$2,000,000 in TransNet funding was allocated to this project for Fiscal Year 2011. Recapitalization Bond funding in the amount of \$500,000 was appropriated to this project in Fiscal Year 2010 per City Council Resolution R-305163, dated 7/31/2009. Total project cost is now \$5,948,157.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Torrey Pines Road Slope Restoration / S00877

Council District: 1	Community Plan: La Jolla
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2000 - 2012	619-533-7482
Improv Type: Betterment	jbatta@sanidiego.gov

Description: This project provides for reconstructing a 350-foot section of earthen slope along the south side of Torrey Pines Road between Lookout Drive and Roseland Drive.

Schedule: Design has been completed. Construction began in Fiscal Year 2010 and will be completed in Fiscal Year 2011.

Justification / Public Benefit: The existing slope is eroding. This project will eliminate the possibility of soil slough landing in the travel lane of a primary arterial street.

Summary of Project Changes: Recapitalization Bond funding in the amount of \$950,000 was appropriated to this project in Fiscal Year 2010 per City Council Resolution R-305177, dated 7/28/2009. This project is now fully funded.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Guard Rails / AIE00002

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2020	619-533-3092
Improv Type: Replacement	jfuentes@sandiego.gov

Description: This annual allocation provides for installing new and replacing old guard rails along streets where needed.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: The City maintains an ongoing program to promote safety within the public right-of-way. Analysis of accident patterns at a particular location will occasionally show that some minor improvements in the area would help to reduce the number and/or severity of accidents. This annual allocation provides the flexibility necessary for timely initiation of such improvements.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: It is proposed to allocate \$2,000,000 in bond funding to this project for Fiscal Year 2011.

Operating Budget Impact: None.

El Cajon Blvd Commercial Revitalization / S00824

Council District: 3	Community Plan: Greater North Park
Project Status: Released	Contact Information: Ballesteros, Julie
Duration: 1994 - 2011	619-533-4610
Improv Type: New	jballesteros@sandiego.gov

Description: This project provides for median landscaping and related improvements along El Cajon Boulevard between Park Boulevard and Interstate 805. The improvements are part of other revitalization activities in the area.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: The El Cajon Boulevard landscaping project has been a part of the Mid-City Commercial Revitalization Program as a Community Development Block Grant funded activity.

Schedule: Construction of improvements from 30th Street to Illinois Street were completed in Fiscal Year 1996. Design for Texas Street to 30th Street was completed in Fiscal Year 1997. Project phases between Park Boulevard and Texas Street, and 30th Street and Interstate 805, have been completed.

Operating Budget Impact: None.

Summary of Project Changes: This project is complete, will be capitalized, and closed by the end of the fiscal year.

Eligible Street Lights in District 7 / S01037

Council District: 7	Community Plan: City Heights (Mid-City), Eastern Area (Mid-City)
Project Status: Released	Contact Information: Aburahmah, Ahmed
Duration: 2008 - 2015	858-495-4740
Improv Type: New	aaburahmah@sanidiego.gov

Description: This project provides street lighting systems on 50th Street at University Avenue and on 59th Street at Adelaide Avenue.

Relationship to General and Community Plans: This project is consistent with Mid-City Communities Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide lighting in high crime areas.

Schedule: Preliminary Design was completed in Fiscal Year 2007. Design began in Fiscal Year 2007 and was completed in Fiscal Year 2009. Construction will begin when funding becomes available.

Operating Budget Impact: None.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Council District: 8	Community Plan: Barrio Logan, Golden Hill, Otay Mesa, San Ysidro
Project Status: Released	Contact Information: Aburahmah, Ahmed
Duration: 2008 - 2015	858-495-4740
Improv Type: New	aburahmah@sanidiego.gov

Description: This project provides for the Installation of street lights at various locations in Council District 8.

Relationship to General and Community Plans: This project is consistent with the Barrio Logan, Golden Hill, Otay Mesa, and San Ysidro community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will support the community's desire for street lighting in Council District 8 for various reasons such as, but not limited to, crime reduction.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction is to be determined upon completion of design.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Imperial Avenue Streetlights-61st to 69th / S00983

Council District: 4	Community Plan: Encanto Neighborhoods (Southeastern)
Project Status: Released	Contact Information: Aburahmah, Ahmed
Duration: 2009 - 2012	858-495-4740
Improv Type: New	aaburahmah@sanidiego.gov

Description: This project will provide for the installation of twenty-one mid-block, high-pressure sodium streetlights on Imperial Avenue.

Relationship to General and Community Plans: This project is consistent with the Southeastern Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Installation of the additional streetlights will facilitate safe operation of traffic, give pedestrians a safer traveling environment, promote nighttime use of sidewalks, public transportation and commercial shopping areas.

Schedule: Design began in Fiscal Year 2009. Construction has been re-scheduled for Fiscal Year 2011 due to delays in MTS permitting process.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Council District: 4	Community Plan: Southeastern San Diego
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2013	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for median improvements and the installation of street lights at and near Mount Hope and Market Street.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will improve street lighting and install median improvements to beautify and enhance the community.

Schedule: Design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

North Park Lighting Improvements / S00823

Council District: 3	Community Plan: Greater North Park
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2005 - 2011	858-495-4740
Improv Type: New	aaburahmah@sandiego.gov

Description: This project provides for the installation of approximately 150 street lights within the boundaries of the North Park Maintenance Assessment District (MAD).

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for street lights within the boundaries of the North Park MAD in accordance with the Assessment Engineer's Report.

Schedule: North Park MAD-funded street light installation began in Fiscal Year 2004. The final street light installation will occur in Fiscal Year 2011.

Operating Budget Impact: None. The North Park MAD will provide for the maintenance and energy costs associated with the enhanced street lighting. Maintenance of the street lights is identified as an improvement in the North Park MAD Assessment Engineer's Report.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Stockton Street Lights / S10130

Council District:	8	Community Plan:	Southeastern San Diego
Project Status:	Created	Contact Information:	Lasaga, Fernando
Duration:	2009 - 2013		619-533-7406
Improv Type:	New		flasaga@sandiego.gov

Description: This project will install 25 streetlights in the Memorial, Stockton and Grant Hill neighborhoods of Southeast San Diego. The proposed method of installation requires resident approvals which have not been forthcoming so the project is back with the client department although our section is aware that we may be working on it again at any time.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and Construction is anticipated to be completed in Fiscal Year 2012.

Justification / Public Benefit: The street lights will serve the walking residents of Stockton and Memorial and make their route to the new Logan Heights Library, the Clay Street Park, the Memorial Recreation Center, and the Stockton Recreation Center a safer one.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Operating Budget Impact: None.

Street Light Circuit Upgrades / AIH00002

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Hasan Yousef
Duration: 2010 - 2020	619-527-7501
Improv Type: New	hyousef@sandiego.gov

Description: This annual allocation provides for the replacement of obsolete street light series circuits.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Series circuits are over 70 years old and no longer meet current standards and they constantly have maintenance problems which impact a large number of lights.

Schedule: Projects are scheduled on a priority basis.

Operating Budget Impact: None.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Street Lights in High Crime Areas / ACC00003

Council District: 6	Community Plan: Clairemont Mesa
Project Status: Released	Contact Information: Fuentes, Juiio
Duration: 2010 - 2015	619-533-3092
Improv Type: Betterment	jfuentes@sandiego.gov

Description: This annual allocation provides for installing City-owned safety street lights.

Justification / Public Benefit: Additional street lights will increase the level of lighting for motorists, bicyclists, and pedestrians on public streets. This project prioritizes locations on all streets in census tracts where the violent crime rate is 1.5 times or greater than the Citywide average for two or more consecutive years.

Operating Budget Impact: Additional \$100 per year (average) for each street light installed.

Relationship to General and Community Plans: This project is consistent with the appropriate community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

University Avenue Streetlights / S00911

Council District: 7	Community Plan: City Heights (Mid-City)
Project Status: Released	Contact Information: Aburahmah, Ahmed
Duration: 2008 - 2011	858-495-4740
Improv Type: New	aaburahmah@sandiego.gov

Description: This project provides for the installation of approximately 29 additional street lights on both sides of University Avenue from 54th Street to 68th Street.

Schedule: Design began in Fiscal Year 2008 and was completed in Fiscal Year 2010. Construction was completed in Fiscal Year 2010.

Justification / Public Benefit: The existing street lighting within the project limits does not meet the current City standard for transit corridor lighting requirements.

Summary of Project Changes: This project which, provided for the installation of approximately 29 additional street lights on both sides of University Avenue from 54th Street to 68th Street. This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the College Area Community Plans and is in conformance with the City's General Plan.

Council District:	3, 8	Community Plan:	Golden Hill
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2009 - 2012		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for the construction of pedestrian amenities, traffic calming, streetscape improvements and parking along 25th Street from Highway 94 to Balboa Park. The focus of the improvements is between Broadway and B Street.

Relationship to General and Community Plans: This project is consistent with the Golden Hill Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide traffic calming and improve pedestrian safety.

Schedule: Preliminary design began in Fiscal Year 2009. Design is expected to be completed in Fiscal Year 2011. Project construction is expected to begin in Fiscal Year 2012.

Operating Budget Impact: None.

Summary of Project Changes: It is proposed to allocate \$125,000 in TransNet funding to this project for Fiscal Year 2011. The total project cost has increased to \$2,919,000 due to additional drainage improvements.

Del Mar Heights Road Flashing Beacon / S00987

Council District:	Citywide	Community Plan:	Carmel Valley
Project Status:	Released	Contact Information:	Aburahmah, Ahmed
Duration:	2009 - 2012		858-495-4740
Improv Type:	New		aaburahmah@sanidiego.gov

Description: This project provides for the necessary street and traffic improvements to include, but not limited to, flashing beacons, curb ramps, and traffic calming projects within the Carmel Valley Community. The current project will install a flashing beacon facing eastbound traffic on Del Mar Heights Road approximately 500 feet west of Seagrove Street.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Public Facilities Financing Plan (Included in Project T-2) and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2009.

Justification / Public Benefit: The project provides for traffic safety improvements.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Duration: 2010 - 2013	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project will provide for the installation of new sidewalks, intersection bulb-outs to decrease the street crossing distances, road humps, pedestrian ramps, and a new traffic signal.

Relationship to General and Community Plans: This project is consistent with the Mid City: City Heights Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Located in the City Heights Community, Florence Griffith Joyner Elementary School serves students from kindergarten through fifth grade who walk or bike to school, and are faced with crossing several wide intersections in the vicinity of the school.

Schedule: Design and construction were scheduled to begin in Fiscal Year 2010 and will be rescheduled upon resolution of State funding issues.

Operating Budget Impact: None.

Summary of Project Changes: Grant funding for this project has been delayed by the State but is anticipated to be received in Fiscal Year 2011.

Mar Ave/Soledad Avenue Intersection Improvements / S10097

Council District: 1	Community Plan: La Jolla
Project Status: Created	Contact Information: Johnson, Brad
Duration: 2005 - 2012	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for traffic calming by reconfiguring the existing Y intersection into a traditional T intersection. The project would also provide sidewalks, with pedestrian ramps, on both sides of Mar Avenue. It will create a safe crossing path for pedestrians crossing Mar Avenue.

Operating Budget Impact: None.

Justification / Public Benefit: The existing intersection between Mar Avenue and Soledad Avenue does not have measures to slow down traffic. The existing intersection has a small angle of entry. This allows drivers to enter the intersection at a high speed and creates a hazardous situation for pedestrians and motorists. The purpose of the Mar & Soledad Intersection Improvement Project is to improve motorist and pedestrian safety at the intersection, and enhance its appearance with landscaping.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and is expected to be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for fiscal year 2011.

Prospect Street/Silverado Street Roundabout / S00924

Council District:	1	Community Plan:	La Jolla
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2008 - 2012		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for intersection improvements at Prospect Street and Silverado Street.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The arrangement of the existing intersection does not meet current geometric standards. This makes effective traffic circulation and pedestrian usage difficult. This project will address these issues through the installation of a roundabout or similar improvement.

Schedule: Design and environmental documentation began in Fiscal Year 2009 and was completed in Fiscal Year 2010. Construction is scheduled for Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Via Capri Traffic Calming Project / S00986

Council District:	1	Community Plan:	La Jolla
Project Status:	Released	Contact Information:	Johnson, Brad
Duration:	2009 - 2012		619-533-5120
Improv Type:	New		bjohnson@sanidiego.gov

Description: This project provides for the construction of curb pop-outs on Via Capri at Hidden Valley Road and a traffic circle on Via Capri at Senn Way. This project will include excavation, tree removal, and installation of new curb, gutter, sidewalk, pavement, and landscaping.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will increase the level of safety in the community of La Jolla by reducing automobile traffic speed.

Schedule: This project was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Washington, Dove & Hancock Improvements / S00988

Council District: 2	Community Plan: Uptown, Midway - Pacific Highway
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2009 - 2012	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the construction of pedestrian curb extensions, sidewalk, curb ramps and a countdown pedestrian crossing signal at the following locations in the Midway/Pacific Highway and Uptown communities: 1. Hancock Street at Washington Street: a. Install countdown pedestrian crossing signal system (6 countdown signals) b. Southwest corner construct one (1) pedestrian curb extension in Hancock Street, including 450-sf of new PCC sidewalk and two (2) new curb ramps, relocate existing traffic signal pole; c. Southeast corner construct one (1) new curb ramp (directional ramp facing southwest corner), relocate existing traffic signal pole; d. Northeast corner construct one (1) new curb ramp (directional ramp facing northwest corner); e. Northwest corner replace existing non-compliant curb ramp with one (1) new ADA-compliant curb ramp. 2. San Diego Avenue at Washington Street: a. Southwest corner construct one (1) pedestrian curb extension in San Diego Avenue, including 450-sf of new PCC sidewalk, one (1) new curb ramp, relocate existing pedestrian push button pole; b. Northeast corner replace existing non-compliant curb ramp with one (1) new curb ramp, and install a pedestrian push button pole. Modify traffic signage and signals to allow for safe pedestrian crossing.

Justification / Public Benefit: This project is needed to address public concerns including parking shortages and circulation problems in the Five Points Neighborhood.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Midway Pacific Highway Corridor and Uptown Community Plans and is in conformance with the City's General Plan.

Schedule: Design began and was completed in Fiscal Year 2009. Construction is scheduled to begin and to be completed in Fiscal Year 2011.

Summary of Project Changes: This project received an additional \$99,300 in North Bay Funds in Fiscal Year 2010 per City Council Resolution.

Del Mar Heights Road Interconnect / S00745

Council District: 1	Community Plan: Carmel Valley, Torrey Pines
Project Status: Released	Contact Information: Aburahmah, Ahmed
Duration: 2006 - 2011	619-533-7409
Improv Type: Betterment	dzhang@sandiego.gov

Description: This project provides for the installation of traffic signal interconnect systems on Del Mar Heights Road from Mango Drive to Carmel Canyon Road, El Camino Real from Half Mile Drive to High Bluff Drive, and Carmel Country Road from Del Mar Heights Road to Townsgate Drive. The system will provide central communication to 16 traffic signals, improving traffic control.

Justification / Public Benefit: This project will accommodate the need to centrally control heavily-traveled arterials and provide constant surveillance for efficient traffic signal operation and maintenance. The benefits include reduced stops, delays, fuel consumption and emissions.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley and Torrey Pines Community Plans and is in conformance with the City's General Plan.

Schedule: Design, including the purchasing of equipment, began November of 2005 and was completed in March of 2008. Construction by City Forces began in April of 2008, and is scheduled to be completed in June of 2011.

Summary of Project Changes: This project was scheduled to be completed in Fiscal Year 2010 but equipment installation and testing on the Navajo Road Interconnect project was needed prior to proceeding with the Del Mar Heights Road project.

Navajo Road Interconnect / S00746

Council District: 7	Community Plan: Navajo
Project Status: Released	Contact Information: Zhang, Dayue
Duration: 2006 - 2011	619-533-7509
Improv Type: Betterment	dzhang@sandiego.gov

Description: This project provides for traffic signal communication between seven traffic signals on Navajo Road from Park Ridge Boulevard to Lake Murray Boulevard. Wireless interconnect systems will be used in order to avoid street trenching.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will accommodate the need to centrally control heavily-traveled arterials and provide constant surveillance for efficient traffic signal operation and maintenance. The benefits include reduced stops, delays, fuel consumption and emissions.

Schedule: Design, including the purchasing of equipment, began in November, 2005 and was completed in September, 2010. Construction by City Forces Work began in September, 2010, and is scheduled to be completed in June, 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Point Loma/Ocean Beach Interconnect / S00742

Council District: 2	Community Plan: Peninsula, Ocean Beach
Project Status: Released	Contact Information: Aburahmah, Ahmed
Duration: 2003 - 2009	858-495-4740
Improv Type: Betterment	aaburahmah@sandiego.gov

Description: This project provides for traffic signal interconnect and central communications to 35 traffic signals in the Point Loma and Ocean Beach areas. Fiber optic cable will be installed on Rosecrans Street (1,900 feet) and on Sports Arena Boulevard (5,008 feet). Twisted pair interconnect will be installed on Nimitz Boulevard (8,200 feet), Catalina Boulevard (6,600 feet), West Point Loma Boulevard (5,000 feet), Chatsworth Boulevard (2,800 feet), Sunset Cliffs Boulevard (2,500 feet) and Voltaire Street (700 feet). This system will connect to the fiber optic communication network on Pacific Highway.

Justification / Public Benefit: This project will accommodate the need to centrally control heavily-traveled arterials and provide constant surveillance for efficient traffic signal operation and maintenance. The benefits include reduced stops, delays, fuel consumption and emissions.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Point Loma, Ocean Beach, and Peninsula Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2003. Construction began in Fiscal Year 2004 and was completed in Fiscal Year 2006.

Summary of Project Changes: This project, which provided for traffic signal interconnect and central communications to 35 traffic signals in Point Loma and Ocean Beach areas, is now complete and will be closed by the end of the fiscal year.

Rancho Bernardo Interconnect / S00744

Council District:	5	Community Plan:	Rancho Bernardo
Project Status:	Released	Contact Information:	Aburahmah, Ahmed
Duration:	2003 - 2009		858-495-4740
Improv Type:	Betterment		aaburahmah@sanidiego.gov

Description: This project provides for traffic signal interconnect and central communications to 37 traffic signals in the Rancho Bernardo community. The project consists of installation of twisted pair interconnect on Pomerado Road (13,200 feet), Rancho Bernardo Road (10,800 feet), Bernardo Center Drive (6,900 feet), West Bernardo Drive (6,000 feet), Paseo Lucido (4,500 feet), Via del Campo (4,500 feet), Bernardo Heights Parkway (2,700 feet), and Camino del Norte (2,500 feet). Central communications will be achieved by wireless communication or by connecting to a proposed addition to the fiber optic network.

Justification / Public Benefit: This project will accommodate the need to centrally control heavily-traveled arterials and provide constant surveillance for efficient traffic signal operation and maintenance. The benefits include reduced stops, delays, fuel consumption and emissions.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2003 and was completed in Fiscal Year 2004. Construction began in Fiscal Year 2004, and was completed in Fiscal Year 2009.

Summary of Project Changes: This project has been completed and capitalized and will be closed by the end of the fiscal year.

Cooperative Traffic Signal Projects / AIL00003

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Julio Fuentes
Duration: 2010 - 2020	619-533-3092
Improv Type: Replacement	jfuentes@sandiego.gov

Description: This annual allocation provides for the City's share of the cost of traffic signal improvements undertaken in cooperation with others.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: It is often beneficial for the City to share in the cost of traffic signal improvements undertaken in cooperation with other agencies. The most common situation involves the intersection of a City street with a State highway, County road, or street that is the responsibility of another city. This project provides the flexibility necessary for timely initiation of these improvements.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: It is proposed to not allocate funding to this project for Fiscal Year 2011.

Operating Budget Impact: None.

High Accident Locations / AIL00006

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Julio Fuentes
Duration: 2010 - 2020	619-533-3092
Improv Type: Replacement	jfuentes@sanidiego.gov

Description: This annual allocation provides for traffic signal modifications and other minor improvements such as guardrails, regulatory signs, and striping at locations experiencing sudden increases in accident frequency.

Justification / Public Benefit: The City maintains an ongoing program to promote safety within the public right-of-way. Analysis of accident patterns at a particular location often shows that some minor improvements in the area would help to reduce the number and/or severity of accidents. This annual allocation provides the flexibility necessary for timely initiation of such improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: This annual allocation is no longer being funded. Traffic signal improvements at high accident locations are included in the annual allocation for traffic signal modifications/modernizations. Budget remaining in this annual allocation is related to active sublet projects and once the sublets are completed, this project will be closed.

Pacific Highlands Traffic Signals / S01062

Council District: 1	Community Plan: Pacific Highlands Ranch
Project Status: Released	Contact Information: Adachi, Nancy
Duration: 2004 - 2019	619-525-8516
Improv Type: New	nadachi@sanidiego.gov

Description: This project provides for installing up to 16 different traffic signals within the Pacific Highlands Ranch Community.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Public Facilities Financing Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: These signals will be installed as part of the traffic control system for the Pacific Highlands Ranch community. They are needed to accommodate the increase in traffic generated by this community.

Schedule: Traffic signal installation will be scheduled as the community develops.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Replace Obsolete T/S Controllers / AIL00010

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Julio Fuentes
Duration: 2010 - 2020	619-533-3092
Improv Type: Replacement	jfuentes@sandiego.gov

Description: This annual allocation provides for replacing obsolete and/or out-of-production traffic signal controller units.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Present day requirements for coordinated signal operation, protected left turns, and emergency vehicle preemption are increasingly difficult or impossible to incorporate into some older controller units now in service. Older units function with moving parts and electrical contacts, both of which are subject to wear. Maintenance costs are increasing and parts are becoming difficult to find. The new controllers are solid-state, less costly to maintain, and more adaptable to today's needs.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: TransNet funding of \$75,000 has been added to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Traffic Calming / AIL00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Julio Fuentes
Duration:	2010 - 2020		619-533-3092
Improv Type:	Replacement		jfuentes@sanidiego.gov

Description: This annual allocation provides for installing traffic control measures at locations in "Smart Growth" areas on an as-needed basis. Sudden changes in the character of traffic, such as increased volumes and new route patterns, make it necessary to provide traffic control measures to respond to a variety of traffic concerns in residential neighborhoods, such as speeding motorists and shortcutting traffic. Solutions used include the construction of flashing beacons and geometric design features such as road humps and traffic islands.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Justification / Public Benefit: This annual allocation is needed to improve safety by mitigating traffic problems on streets such as speeding, shortcutting traffic, and the need for increased pedestrian safety.

Summary of Project Changes: \$300,000 in TransNet funding and \$768,427 in state grant funding has been identified for this project in Fiscal Year 2011.

Operating Budget Impact: None.

Traffic Count Stations-Various Locations / S10098

Council District: 1, 2	Community Plan: Peninsula, Pacific Beach, North University City
Project Status: Created	Contact Information: Lasaga, Fernando
Duration: 2004 - 2010	619-533-7046
Improv Type: Betterment	flasaga@sandiego.gov

Description: This project provides a means to conduct traffic studies and counts at various locations in the Peninsula, North University City and Pacific Beach Communities.

Relationship to General and Community Plans: This project is consistent with the Peninsula, Pacific Beach, and North University City community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides traffic counts and studies necessary determining traffic conditions and for developing solutions for improving traffic safety.

Schedule: Traffic counts and studies began in Fiscal Year 2010 and will be completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project in Fiscal Year 2011.

Operating Budget Impact: None.

Traffic Signals - Citywide / AIL00004

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Julio Fuentes
Duration:	2010 - 2020		619-533-3092
Improv Type:	Replacement		jfuentes@sanidiego.gov

Description: This annual allocation provides for the installation of traffic signals at high-priority locations and the City's share of the costs of traffic signals undertaken in cooperation with others.

Operating Budget Impact: None.

Justification / Public Benefit: The City maintains an inventory of candidate intersections which are periodically surveyed for significant changes in operating conditions. Installing traffic signals in select intersections provides for the orderly movement of traffic, increased traffic handling capacity, reduced frequency of accidents, and for improved traffic flow. Signals also permit vehicles and pedestrians from a minor street to enter or cross continuous traffic on the major street. The criteria for installing traffic signals are governed by Council Policy 200-6.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: TransNet funding has been allocated to this project through Fiscal Year 2015.

Traffic Signals - DIF Funded / AIL00009

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Julio Fuentes
Duration:	2010 - 2020		619-533-3092
Improv Type:	Replacement		jfuentes@san Diego.gov

Description: This project provides for installing traffic signals identified in the Development Impact Fees (DIF) needs lists for various urbanized communities.

Schedule: Projects are scheduled as funding is identified. No traffic signal and street lighting systems are planned for Fiscal Year 2007.

Justification / Public Benefit: The purpose of this project is to provide for construction of required traffic signals.

Summary of Project Changes: This annual allocation is no longer being funded. DIF funded traffic signal projects will be assigned individual CIP/WBS numbers as funding and locations are identified. Budget remaining in this annual allocation will be returned to the fund for reallocation.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the appropriate community plans and is in conformance with the City's General Plan.

Traffic Signals Modification / AIL00005

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Julio Fuentes
Duration: 2010 - 2020	619-533-3092
Improv Type: Replacement	jfuentes@sanidiego.gov

Description: This annual allocation provides for upgrading existing traffic signals as necessary to improve traffic flow and promote safety. Improvements may include conversion from post-mounted to mast-arm-mounted indicators, addition of pedestrian signals, and additional phases to accommodate separate turning moves.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: The City maintains an ongoing program to promote safety within the public right-of-way. Analysis of accident patterns at a particular location often shows that some minor improvement would help to reduce the number and/or severity of accidents. In addition, increasing traffic volumes and changing traffic patterns typically reduce the effectiveness and efficiency of existing traffic signal controls at certain intersections, warranting upgrades.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: TransNet funding has been allocated to this project through Fiscal Year 2015.

Balboa Branch Library / S00808

Council District:	6	Community Plan:	Clairemont Mesa
Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	2010 - 2011		619-533-5259
Improv Type:	Betterment		cmeinhardt@sanidiego.gov

Description: This project provides for a new 15,000 square-foot branch library on the current site to replace the existing facility at 4255 Mount Abernathy. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing undersized facility has no meeting room, computer lab, nor adequate seating to provide inadequate library services to the community.

Schedule: Schematic design began in Fiscal Year 2003 and will continue through Fiscal Year 2011. Construction is estimated to begin when funding is identified. The estimated cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding becomes available.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council. The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

College Heights Branch Library / S00797

Council District:	7	Community Plan:	College Area
Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	1997 - 2014		619-533-5259
Improv Type:	Betterment		cmeinhardt@sandiego.gov

Description: This project provides for a 15,000 square-foot library on property acquired in the College Area at the corner of Reservoir Drive and Montezuma Street, to serve the College and Rolando communities. This project is part of the Mayor's 21st Century Library System/Library Department Facility Improvements Program.

Relationship to General and Community Plans: This project is consistent with the College Area Community Plan, and it is in conformance with the City's General Plan.

Justification / Public Benefit: The existing library is too small with no meeting room or computer lab to adequately serve the current and projected needs of the community.

Schedule: Land acquisition took place in Fiscal Year 1999. Design began in Fiscal Year 1999 and was completed in Fiscal Year 2004. Construction began in Fiscal Year 2004 and was completed in Fiscal Year 2005.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Kensington/Normal Heights Library / S00795

Council District: 3	Community Plan: Kensington - Talmadge (Mid-City)
Project Status: Released	Contact Information: Meinhardt, Cynthia
Duration: 2004 - 2012	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for a 2,000 square-foot expansion of the existing building at 4121 Adams Avenue. This project will benefit the Kensington/Normal Heights residents.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The Kensington/Normal Heights Branch Library is the smallest branch in the Library System. The community has expressed a desire for the library to remain at the same location.

Schedule: Preliminary design and site studies were performed in Fiscal Years 2002 through 2005. The estimated cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding is identified.

Operating Budget Impact: The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	1999 - 2012		619-533-5259
Improv Type:	New		cmeinhardt@sandiego.gov

Description: This project provides for a 15,700 square-foot expansion of the La Jolla/Riford Library located at 7555 Draper Avenue on a lot adjoining the existing building. The Friends of the La Jolla Library have commitments to fund this expansion.

Relationship to General and Community Plans: This project is consistent with the La Jolla/La Jolla Shores Community Plan, and it is in conformance with the City's General Plan.

Justification / Public Benefit: The current library is too small to provide adequate space for library and computer services that are in high demand in this community.

Schedule: Schematic design began in Fiscal Year 1999. Design was completed in Fiscal Year 2002. Construction began in Fiscal Year 2003 and was completed in Fiscal Year 2004.

Operating Budget Impact: None.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Description: This project provides for the installation of energy efficient equipment with the parking lot adjacent to the Linda Vista Library.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for installation of energy efficient equipment, within the parking lot adjacent to the Linda Vista Library, which would promote evening public safety.

Schedule: This project started in Fiscal Year 2007 and was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Logan Heights Branch Library / S00807

Council District:	8	Community Plan:	Southeastern San Diego
Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	2010 - 2011		619-533-5259
Improv Type:	Betterment		cmeinhardt@sandiego.gov

Description: This project provides for a new 25,000 square-foot library at 28th Street and Ocean View Boulevard to serve the Logan Heights Community between the elementary school and the Memorial Charter Middle School. This project was awarded a grant under the State Library Bond Act.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The Logan Heights Branch Library, located at 811 South 28th Street in the heart of Logan Heights, was built in 1927 and serves a community of 28,883. The 3,967 square foot building has no meeting rooms or a computer lab for its residents and work spaces for staff are very constrained. Updating the existing telecommunications infrastructure is not feasible in the existing facility due to its age and inadequate size. In addition, there is no on-site parking.

Schedule: Project was initiated in Fiscal Year 2001. Design started in Fiscal Year 2002 and was completed in Fiscal Year 2007. Phase I construction started in Fiscal Year 2005 and was completed in Fiscal Year 2006. Phase II construction started in Fiscal Year 2007 and was completed in Fiscal Year 2009.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011. This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council. The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Mission Hills Branch Library / S00804

Council District:	3	Community Plan:	Uptown
Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	2009 - 2011		619-533-5259
Improv Type:	Replacement		cmeinhardt@sanidiego.gov

Description: This project provides for a 15,000 square-foot library at a site adjacent to the Florence Elementary School, on a block bounded by Front Street, Washington Street, Albatross Street and University Avenue. This project will serve the Mission Hills and Hillcrest neighborhoods and is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification / Public Benefit: The existing facility has no meeting room, computer lab, nor adequate seating and collection space to provide adequate library services to the community.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council. The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Relationship to General and Community Plans: The project is consistent with the Uptown Community Plan for promoting a high level of library services, but will require a technical amendment to re-designate the site from Commercial-Mixed use to Institutional-Library. This will be included during the Uptown Community Plan Update process.

Schedule: Preliminary studies and design concepts began in Fiscal Year 2001. Land acquisition was completed in Fiscal Year 2004 and design work began in Fiscal Year 2006. The estimated cost and schedule for this project was developed in Fiscal Year 2003 and will be revised when funding is identified.

Summary of Project Changes: An increase of \$170,000 of Development Impact Funds was added in Fiscal Year 2011.

North University Community Branch Library / S00805

Council District:	1	Community Plan:	North University City
Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	2000 - 2012		619-533-5259
Improv Type:	Replacement		cmeinhardt@sanidiego.gov

Description: This project provides for a 15,000 square-foot library on a City-owned park site at Nobel Drive and Judicial Drive to serve the community in North University City. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Relationship to General and Community Plans: This project is consistent with the University Community Plan, and it is in conformance with the City's General Plan.

Justification / Public Benefit: The closest library is the South University Community Library which is only 10,000 square feet and lacks a computer lab, additional seating and sufficient parking to serve the community-with a population of over 50,000.

Schedule: Preliminary design began in Fiscal Year 2001. Design began in Fiscal Year 2002. Construction began in Fiscal Year 2006 and was completed in Fiscal Year 2007.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Project Status: Released	Contact Information: Meinhardt, Cynthia
Duration: 2009 - 2011	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for a 15,000 square-foot library using the current site and adjacent property to serve the Ocean Beach community. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing facility (originally built in 1927) has no meeting room, computer lab, nor adequate seating and collection space to provide adequate library services to the community.

Schedule: Preliminary studies and design concepts began in Fiscal Year 2001. Property acquisition and design were completed in Fiscal Year 2005. Revision of the design documents is in progress. \$75,000 of Development Impact Funds were added in Fiscal Year 2010. The estimated cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding is identified.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council. The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Otay East Library / S10025

Council District:	8	Community Plan:	Otay Mesa
Project Status:	Created	Contact Information:	Meinhardt, Cynthia
Duration:	2010 - 2020		619-533-5259
Improv Type:	New		cmeinhardt@sandiego.gov

Description: This project provides for a 15,000 square foot branch library on a three acre site to serve the Otay Mesa/East Community.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide branch library service to the Otay Mesa/East Community for future development and population.

Schedule: Community and project planning is schedule for Fiscal Year 2010. Land acquisition is scheduled for Fiscal Year 2011. Design is scheduled for Fiscal Years 2012-2013. Construction will follow in Fiscal Years 2013-2015. This schedule is contingent upon the rate of development and receipt of Facilities Benefit Assessment Fees.

Operating Budget Impact: The personnel operating budget impact is based on the increase in staffing necessary to bring the staffing level up to the standard set in the Branch Facilities Report approved by Council. The non-personnel operating budget impact is based on an average amount per increased square footage necessary to fund ongoing maintenance and contractual services required to operate the facility.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Otay Mesa/Nestor Branch Library Expansion / S00691

Council District: 8	Community Plan: Otay Mesa, Otay Mesa - Nestor
Project Status: Released	Contact Information: Meinhardt, Cynthia
Duration: 1999 - 2008	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for a 5,000 square-foot expansion to the existing 10,000 square-foot branch library, located at 3003 Coronado Avenue to provide more space to serve this growing community. This project also provides for improvements to the existing facility, including replacement of the roof.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa and Otay Mesa/Nestor Community Plans and is in conformance with the City's General Plan.

Schedule: Project construction was completed in Fiscal Year 2008.

Justification / Public Benefit: The Otay Mesa/East Branch Library expansion of the existing facility will minimize impacts on the neighboring community facilities and provide initial service to Otay Mesa/East community.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Pacific Beach Library / S10124

Council District: 2	Community Plan: Pacific Beach
Project Status: Created	Contact Information: Meinhardt, Cynthia
Duration: 2011 - 2016	619-533-5259
Improv Type: New	cmeinhardt@sandeigo.gov

Description: This project would provide for a 2,500 square foot expansion for the existing facility located at 4275 Cass Street. This project is part of the 21st Century Library System/Library Department Facility Improvements Program. The cost estimate and schedule for this project were developed in Fiscal Year 2003 and will be revised when private donations are received.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan and it is in conformance with the City's General Plan.

Justification / Public Benefit: The existing facility does not have a computer lab or additional seating, a collection space would enhance service to the community.

Schedule: Design began in Fiscal Year 2003. Design completion and construction will be scheduled when private donations are received.

Operating Budget Impact: The personnel operating budget impact is based on the increase in staffing necessary to bring the staffing level up to the standard set in the Branch Facilities Report approved by Council. The non-personnel operating budget impact is based on an average amount per increased square footage necessary to fund on-going maintenance and contractual services required to operate the facility.

Summary of Project Changes: The total estimated project cost of \$2,589,000 is anticipated to come from private donations within Fiscal Year 2011.

Description: This project provides for a new 15,000 square-foot library to replace the existing facility located at 5922 Rancho Hills Drive. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing facility has no meeting room, computer lab, nor adequate seating and collection space to provide adequate library services to the community.

Schedule: Site identification began in Fiscal Year 2008. The estimated cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding is identified.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council. The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Point Loma Branch Library / S00796

Council District: 2	Community Plan: Peninsula
Project Status: Released	Contact Information: Meinhardt, Cynthia
Duration: 1997 - 2014	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for a new 25,890-square-foot library on land adjacent to the existing facility that was acquired for this purpose. Plans call for raising the existing building to provide additional parking.

Schedule: Design began in Fiscal Year 1998 and was completed in Fiscal Year 2002. Construction began in Fiscal Year 2002 and was completed in Fiscal Year 2004.

Justification / Public Benefit: The existing facility was built in 1959 and is too small to adequately serve the current and projected needs of the community.

Summary of Project Changes: This project, which provided for a new 25,890 square-foot library on land adjacent to the existing facility that was acquired for this purpose, is now complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan, and it is in conformance with the City's General Plan.

San Diego New Central Library / S00799

Council District:	2	Community Plan:	Centre City
Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	1996 - 2014		619-533-5259
Improv Type:	Betterment		cmeinhardt@sandiego.gov

Description: This project provides for the design and construction of a new Central Library of approximately 500,000 square feet, with approximately 250 underground parking spaces dedicated to library patrons. It will be large enough to accommodate library needs for 20 years and contain expansion space to accommodate growth for an additional 30 years. The expansion space will be leased until required for library purposes. The lobby will be open to the courtyard, which will contain an outdoor café, and there will be a 350-seat auditorium adjacent to the lobby. The top floor will house special collections and provide public amenities including an airy reading room, a 400-seat multi-purpose room, an art gallery, a small public meeting room, and a series of open terraces.

Justification / Public Benefit: The existing library is too small to provide adequate library and informational services to the library system and the region, and cannot support the technological and programmatic needs of the future.

Operating Budget Impact: The operating budget impact has been estimated. One additional staff is requested as a result of organizational changes, efficiencies and technologies that can be implemented in the new facility. However, the non-personnel costs (NPE) show an increase to maintain a larger building. In fiscal year 2014 an additional \$2.7 million will be needed to cover the NPE costs of the larger building, over 200,000 square feet more than the current Central Library. These operating costs will be offset in part by project-related revenue, which is incorporated in the cost of the project in the amount of \$825,000 per year bringing the revenue to a total of \$2,825,000 a year. Also, the Library Foundation will contribute \$2.0 million per year for the first five years of operation.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001. Design is complete and construction is scheduled to begin pending results of bids and private fundraising.

Summary of Project Changes: The project's name was changed from San Diego Main Library to San Diego New Central Library.

San Ysidro Branch Library / S00802

Council District:	8	Community Plan:	San Ysidro
Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	2010 - 2014		619-533-5259
Improv Type:	Betterment		cmeinhardt@sandiego.gov

Description: This project provides for a 15,000 square-foot facility to serve the San Ysidro Community. Discussions are currently underway with the Redevelopment Agency of the City of San Diego to build the new library as part of a redevelopment project currently planned along San Ysidro Boulevard.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing library, built in 1924 and remodeled in 1983, is only 4,089 square feet. It contains no meeting rooms or computer lab, no on-site parking, and no separation of the children's area and quiet study areas to serve the current and projected needs of the community.

Schedule: The preliminary study, including siting a new library, is scheduled to be completed in Fiscal Year 2011. The estimated construction cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding is identified.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council. The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Scripps Miramar Library Parking / S01035

Council District: 5	Community Plan: Scripps Miramar Ranch
Project Status: Released	Contact Information: Meinhardt, Cynthia
Duration: 2007 - 2013	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for an expansion of the Scripps Ranch Branch Library parking lot located at 10301 Scripps Lake Drive. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: When the current facility is fully occupied the current parking lot does not have the capacity to serve the needs of the community.

Schedule: Construction was completed in Fiscal Year 2008

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Description: This project provides for an expansion of the Scripps Ranch Branch Library parking lot located at 10301 Scripps Lake Drive. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The current facility is fully occupied and the current parking lot does not have the capacity to serve the needs of the community.

Schedule: Some preliminary inquiries were made of available properties in Fiscal Year 2004. The estimated construction cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding is identified.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2008 - 2011		619-533-4640
Improv Type:	New		agarcia@sanidiego.gov

Description: This project provides the needed upgrades and Americans with Disabilities Act (ADA) improvements to the curb ramps, entrances, door replacements, and access route from parking lot to ensure accessibility under ADA.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: These improvements are necessary to meet ADA and Title 24 requirements.

Schedule: Design started in Fiscal Year 2009 and was completed in Fiscal Year 2010. Construction is scheduled to start in Fiscal Year 2010 and is anticipated to be completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: This project will be completed this fiscal year and will be closed by the end of the fiscal year.

Serra Mesa Branch Library / S00801

Council District:	6	Community Plan:	Kearny Mesa, Serra Mesa
Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	1997 - 2012		619-533-5259
Improv Type:	Betterment		cmeinhardt@sandiego.gov

Description: This project provides for a 15,000 square-foot library on City-owned property located on the 8900 block of Aero Drive in the Serra Mesa community planning area to serve the Serra Mesa and Kearny Mesa communities. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa and Kearny Mesa Community Plans, and it is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 1998 and was completed in Fiscal Year 2004. Construction began and was completed in Fiscal Year 2005. The library opened in the summer of 2006.

Justification / Public Benefit: The existing library is too small to provide adequate library services to this community. It contains no meeting room facilities and computer lab, inadequate parking, and no separation for the children's area and quiet study areas.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Skyline Hills Library / S00692

Council District:	4	Community Plan:	Skyline - Paradise Hills
Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	2003 - 2012		619-533-5259
Improv Type:	New		cmeinhardt@sandiego.gov

Description: This project provides for a 15,000 square-foot library expansion to the existing facility located at 480 South Meadowbrook Drive. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing facility is too small to provide adequate library services to the community. There are no meeting room facilities or computer lab, and limited collection space and patron seating.

Schedule: Land acquisition was completed in Fiscal Year 2004. Schematic design is in progress. The construction schedule for this project was developed in Fiscal Year 2003 and will be revised when funding is identified.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council. The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Cliffridge Park Comfort Station ADA / S01045

Council District: 1	Community Plan: La Jolla
Project Status: Released	Contact Information: Goodrich, Coselyn
Duration: 2008 - 2013	619-533-4633
Improv Type: New	cgoodrich@sandiego.gov

Description: This project provides the needed upgrades for the Cliffridge Park comfort station to ensure accessibility under the Americans with Disabilities Act (ADA). Improvements will include an accessible path of travel in addition to new drinking fountains and exterior sinks which will conform to the disabled access requirements and will be mounted on the outside of the comfort station.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: These improvements are necessary to provide Americans with Disabilities Act (ADA) accessibility to the comfort station which does not meet all of the current Americans with Disabilities Act (ADA) requirements.

Schedule: Construction began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011.

Language Academy/Montezuma Elementary Joint Use / S00972

Council District: 7	Community Plan: College Area
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2014	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for design and construction of approximately 1.37 acres at the Language Academy (formerly Montezuma Elementary School) for joint use facilities to supplement existing park acreage in the College Area Community. Improvements may include artificially-turfed multi-purpose sports fields, multi-purpose courts, walkways, landscaping and Americans with Disabilities Act (ADA) accessibility upgrades.

Relationship to General and Community Plans: This project is consistent with the College Area Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and construction is scheduled for Fiscal Year 2011.

Justification / Public Benefit: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan.

Summary of Project Changes: Funding information has been revised to accurately reflect the funding allocation and recommendations in the City's Fiscal Year 2009 Community Development Block Grant Program per City Council Document, Resolution No. 303662, dated May 13, 2008.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$12,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Project Status: Released	Contact Information: Garcia, Alex
Duration: 2008 - 2013	619-533-5186
Improv Type: New	bmanela@sandiego.gov

Description: This project provides for the upgrade of the recreational facility for Americans with Disabilities Act (ADA) standards, including replacing sidewalks and curb ramps, replacing restroom doors, office doors, thresholds, and door handles.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Accessibility upgrades are necessary to meet Americans with Disabilities Act (ADA) and Title 24 requirements.

Schedule: Design and construction are scheduled to begin and to be completed in Fiscal Year 2011.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Montgomery Academy Joint Use Improvements / S00973

Council District:	6	Community Plan:	Linda Vista
Project Status:	Released	Contact Information:	Oliver, Kevin
Duration:	2009 - 2014		619-533-5139
Improv Type:	New		koliver@sandiego.gov

Description: This project provides for the construction of approximately three acres of joint use play fields at the Montgomery Academy and associated Americans with Disabilities Act (ADA) improvements to comply with all State and federal accessibility guidelines and City standards. Phase I amenities may include a turfed multi-purpose sports field, security lighting, decomposed granite running track, accessibility improvements, signage, site furnishings and miscellaneous landscaping. Phase II amenities may include picnic shelters, site furnishings, accent plantings and enhanced gateway treatments.

Justification / Public Benefit: Development of this project is a Site Development Permit condition of the Pacific Ridge Apartment Homes to satisfy population-based park acreage requirements in accordance with the City's General Plan standards for the anticipated population generated by the residential development. Additionally, it provides joint-use recreational facilities in a community deficient in population-based park and recreation facilities.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$40,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Schedule: Design will be completed in Fiscal Year 2010. Construction will begin in Fiscal Year 2010 and will be completed in Fiscal Year 2011.

Summary of Project Changes: An increase of \$120,000 of Development Impact Funds was added in Fiscal Year 2011.

North Crown Point Gazebo Replacement / S10020

Council District: 2	Community Plan: Mission Bay Park
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2009 - 2019	619-533-5328
Improv Type: Betterment	adarvishi@sanidiego.gov

Description: This project provides for the demolition of the four existing gazebos, the design and construction of a new picnic shelter area, including concrete pad, site furniture, and one or multiple shelters, and upgrades to the existing associated paths of travel at North Crown Point.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing gazebos have termite damage and the wood frames have been partially removed. Site improvements are necessary to comply with federal and State safety and accessibility guidelines.

Schedule: The project design is estimated to be completed by July 2010 and construction to be completed by June 2011.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Operating Budget Impact: None.

NTC AQUATIC CENTER / \$10000

Council District:	2	Community Plan:	Peninsula
Project Status:	Created	Contact Information:	Mahmalji, Samir
Duration:	2011 - 2014		
Improv Type:	New		

Description: Project will provide for the planning and design of a new aquatic facility center at Naval Training Center Par. The proposed facility will be including, but not limited to, two competitive and recreational pools, a leisure pool with water playground features, spectator seating deck, bath house facility, and associated site improvements.

Justification / Public Benefit: This project will contribute to satisfying the recreation facility requirement set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's design has not been completed or approved. Therefore, operational cost estimate will be available upon completion of the conceptual design.

Relationship to General and Community Plans: This project is consistent with the Peninsula Planning Plan and in conformance with the City's General Plan.

Schedule: Design is scheduled to be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2014.

Summary of Project Changes: The project budget has increased in the amount of \$466,726 from the NTC Redevelopment Project Tax Increment Fund in Fiscal Year 2010. The budget for the NTC Aquatic Center Project was approved per Council Resolution 305882, adopted on June 9, 2010.

Ballpark and Redevelopment Project Infrastructure / S01079

Council District:	2	Community Plan:	Centre City - East Village
Project Status:	Released	Contact Information:	Tracanna, John
Duration:	2002 - 2011		619-533-3682
Improv Type:	New		jtracanna@sandiego.gov

Description: This project provides for a new open-air, multiple-use baseball facility in downtown San Diego with approximately 42,000 fixed seats and an Outfield Park, and for the associated infrastructure improvements. Infrastructure improvements include parking, new realigned and repaved roadways, relocation of utilities, storm drain improvements, and streetscape and landscape improvements. The ballpark site is bounded by 7th Avenue, J Street, 10th Avenue, and Harbor Drive. This project is part of a larger redevelopment effort.

Justification / Public Benefit: On November 3, 1998, San Diego voters approved a proposition allowing the City to enter into an agreement with the San Diego Padres to redevelop the eastern area of downtown with a multiple-use ballpark as the anchor tenant. Subject to the provisions of this agreement, the City shall provide not more than \$225,000,000 toward the construction of the Ballpark Project. The City's contribution will be made from the proceeds from a lease revenue bond type financing and cash.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Design and land acquisition began in Fiscal Year 1999. Construction began in Fiscal Year 2000, was suspended in October 2000 due to certain outstanding litigation related to the project, and re-commenced in February 2002. The project was completed in April 2004.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Drainage - Best Mgt Practices (BMPs)

Chollas Creek Enhancement / S00686

Council District:	3, 4	Community Plan:	Southeastern San Diego
Project Status:	Released	Contact Information:	Matter, Gene
Duration:	2005 - 2010		858-541-4346
Improv Type:	Betterment		gmatter@sandiego.gov

Description: This project provides for the removal of concrete sections of the channel, the widening of the floodplain, and the creation and restoration of wetland and transitional upland habitats. These improvements will be designed to re-establish the natural structure, dynamics, and hydrologic functions within applicable creek segments and restore affected beneficial uses.

Justification / Public Benefit: This project will implement portions of the Chollas Creek Enhancement Program, as adopted by the City Council on May 14, 2002, and will help achieve Municipal Storm Water Permit compliance through improved water quality in Chollas Creek.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2005 and was completed in Fiscal Year 2006. Construction was completed in calendar year 2007.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Drainage - Channels

Famosa Slough Salt Marsh Creation / S00605

Council District:	2	Community Plan:	Peninsula
Project Status:	Released	Contact Information:	Deangelis, Jeannette
Duration:	2003 - 2012		619-533-5497
Improv Type:	Betterment		jdeangelis@sanidiego.gov

Description: The 0.64 acre mitigation project in Famosa Slough is required by the Army Corps of Engineers, Coastal Commission, and California Department of Fish and Game permits and agreements. The mitigation is a required component of the Storm Water Department's channel clearing efforts to prevent flooding in the Sorrento Valley area, and restoration of this site will enhance the functions and values of this important biological resource consistent with a variety of City policies and objectives.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and the Famosa Slough Enhancement Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004 and was completed in Fiscal Year 2005. Construction was completed in Fiscal Year 2005. The five year maintenance and monitoring period began in Fiscal Year 2006 and was anticipated to end in Fiscal Year 2011. A sixth year of maintenance and monitoring will be required due to below average rainfall and soil conditions in order to obtain site approval from the Resource Agencies.

Justification / Public Benefit: The 0.64 acre mitigation project in Famosa Slough is required by the Army Corps of Engineers, Coastal Commission, and California Department of Fish and Game permits and agreements. The Famosa Slough was chosen as the mitigation site because opportunities for coastal salt marsh mitigation in the Los Penasquitos Lagoon have been exhausted. This option utilizes an available, City-owned site within the Coastal Zone and is consistent with the 1993 Famosa Slough Enhancement Plan.

Summary of Project Changes: TransNet funding of \$25,000 in Fiscal Year 2011 has been identified to fund the additional year of mitigation .

Operating Budget Impact: None.

San Diego River Dredging-Qualcomm Way to SR163 / S00606

Council District: 6	Community Plan: Mission Valley
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2005 - 2012	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for removal of a small island of sediment within the San Diego River near the Murray Creek outfall at the western end of Hazard Center Drive.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and the First San Diego River Improvement Project Natural Resource Management Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will protect adjacent property from potential flooding during rain events.

Schedule: Design and environmental studies for the removal of sediment from the Murray Creek outfall in the San Diego River were completed in Fiscal Year 2010. Dredging of this area is scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: Soundings of the river and other ancillary costs related to maintaining the San Diego River channel between State Route 163 and Qualcomm Way are part of the maintenance obligations of the First San Diego River Improvement Project Maintenance Assessment District. No operating budget impact associated with removal of this small sediment island is anticipated.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Drainage - Storm Drain Pipes

Marston Point/Balboa Park Storm Drain Repair / S10085

Council District: 3	Community Plan: Balboa Park
Project Status: Created	Contact Information: Mahmalji, Samir
Duration: 2009 - 2016	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for evaluation, design and construction to repair a damaged storm drain in the Marston Point parking lot area.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The damaged storm drain causes a portion of the Marston Point parking lot area to flood and remain under water for several days after rain events. This project will repair the damaged storm drain to prevent future flooding.

Schedule: Design began in Fiscal Year 2009. Construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: No operating impact is expected at this time.

Council District: 1	Community Plan: Mission Bay Park
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2010 - 2020	619-533-5328
Improv Type: Betterment	adarvishi@sanidiego.gov

Description: This annual allocation provides for unexpected replacement of minor capital assets on an as-needed basis at the City's Municipal Golf Course - Balboa Park. Minor capital replacements may include minor replacements of existing golf course building structures and golf course fairway and green systems.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This annual allocation will provide for a capital assets cost-avoidance program allowing for timely replacement of unanticipated failure of golf capital assets.

Schedule: Design and replacement of minor capital assets will be implemented on an as-needed basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Balboa Park Golf Course Irrigation System / S00632

Council District: 3	Community Plan: Balboa Park
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2009 - 2013	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project provides for a new irrigation system for the 18-hole golf course at Balboa Park.

Justification / Public Benefit: The existing irrigation system is antiquated, deteriorated, and inefficient.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2010. A full study of the existing water mains needs to be completed to determine whether or not a new larger water main is needed. Construction will be scheduled after the completion of the study.

Summary of Project Changes: Pending Fiscal Year 2010 Council Approval, project anticipates to receive \$212,433 from a donation from The San Diego Foundation. Additionally, \$2million from Balboa Park Golf Course CIP, Fund 700044, was allocated to this project for Fiscal Year 2011. With these actions, total project cost will increase to \$4,012,433.

Balboa Park Golf Course Step/Handrail Replacement / S00626

Council District: 3	Community Plan: Balboa Park
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2004 - 2012	619-533-5328
Improv Type: Replacement - Rehab	adarvishi@sanidiego.gov

Description: This project provides for the replacement of existing wooden steps with concrete steps and the installation of hand railings on the 18-hole golf course at Balboa Park.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Replacement of existing, worn wooden steps with concrete steps and hand rails is needed for safety precautions.

Schedule: Phase I construction began in Fiscal Year 2008 and was completed in Fiscal Year 2010. Phase II design and construction began in Fiscal Year 2010 and will continue in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Council District:	2, 6	Community Plan:	Mission Bay Park
Project Status:	Released	Contact Information:	Darvishi, Ali
Duration:	2004 - 2012		619-533-5328
Improv Type:	Betterment		adarvishi@sanidiego.gov

Description: This project provides for new landscaping at the Mission Bay Golf Course and Practice Center.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Some areas of the existing landscape within Mission Bay Golf Course and Practice Center are aged and dying and in need of augmentation. This project is needed to address the impacted areas to provide a more uniform and healthy plant material.

Schedule: Design and construction will be scheduled upon masterplan completion and recommendation.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Project Status:	Created	Contact Information:	Darvishi, Ali
Duration:	2010 - 2020		619-533-5328
Improv Type:	New		adarvishi@sandiego.gov

Description: This project provides for upgrade of the existing driving range. Improvements include relocating light poles, replacing underground wiring, demolition of the existing Driving Range Building, and construction and relocation of a new Driving Range Building.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing driving range at Mission Bay Golf Course and Practice Center is outdated and in need of total overhaul. This project will provide for upgrades needed to bring this facility up to acceptable golfing standards.

Schedule: Design and construction will be scheduled upon masterplan completion and recommendation.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Mission Bay Golf Course New Practice Area Upgrade / S00628

Council District:	2, 6	Community Plan:	Mission Bay Park
Project Status:	Released	Contact Information:	Darvishi, Ali
Duration:	2007 - 2009		619-533-5328
Improv Type:	Betterment		adarvishi@sanidiego.gov

Description: This project provides for the demolition of existing, dilapidated miniature golf facilities (phase I) and the construction of additional practice areas at the Mission Bay Golf Course (phase II).

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The proposed area is in a state of disrepair, does not meet current code requirements and poses a potential safety hazard.

Schedule: Phase I design and construction were completed in Fiscal Year 2008. Phase II design and construction will be scheduled upon masterplan completion and recommendation.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$13,000 is based upon the Park and Recreation Department's estimated cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined and all amenities and unique site characteristics are considered.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Mission Bay Golf Course Renovation/Reconstruction / S11010

Council District:	2, 6	Community Plan:	Mission Bay Park
Project Status:	Created	Contact Information:	Darvishi, Ali
Duration:	2011 - 2013		619-533-5328
Improv Type:	New		adarvishi@sandiego.gov

Description: This project provides for master planning, design and construction of Mission Bay Golf Course. Work will include renovation and reconstruction of the existing course and will consist of new landscaping and irrigation, upgraded electrical and lighting system, drainage improvements, installation of cart paths near tee boxes and improvements to the signage, fencing, sand bunkers. Other relevant items of work for the overall improvements to the conditions of play will also be included.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: The master plan is scheduled in Fiscal Year 2011. Design and construction will be scheduled upon completion and recommendation of the master plan.

Justification / Public Benefit: This project is needed to provide the long awaited improvements to the 18-hole golf course. For example, the new computerized irrigation system will replace a system that is outdated, inefficient and wasteful and does not meet current or future water restriction requirements. These improvements will help bring the golf course to within industry standards for municipal golf courses. The actual design and construction costs will be determined upon completion and recommendation of the master plan.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Torrey Pines North and South Course Golf Paths / S10045

Council District:	1	Community Plan:	North University City
Project Status:	Created	Contact Information:	Darvishi, Ali
Duration:	2010 - 2020		619-533-5328
Improv Type:	New		adarvishi@sanidiego.gov

Description: This project provides for the replacement of damaged portions of the existing cart paths within Torrey Pines Golf Course. This project also provides for construction of the missing paths and reconstruction of portions of the paths that are too narrow for motorized carts.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The original cart paths were constructed decades ago for use by manual golf carts. Today's golf courses including Torrey Pines Golf Course use motorized golf carts which are wider and heavier than their original counterparts. As a result of years of use, some portions of the existing cart paths within Torrey Pines Golf Course are cracked, severely worn out and otherwise damaged beyond repair. This project will remove and reconstruct the damaged portions of the cart paths. In addition, some portions of the existing cart paths are too narrow and need to be widened to accommodate today's golf carts. This project is needed to address these areas.

Schedule: Design and construction began in Fiscal Year 2010 and will continue through Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Black Mountain Ranch Community Park / S00639

Council District: 1	Community Plan: Black Mountain Ranch, Torrey Highlands
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2003 - 2010	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the acquisition, design and construction of a 30 useable-acre community park serving the Black Mountain Ranch and Torrey Highlands communities. Phase I includes the construction of 13 acres, including the athletic fields and a parking lot. Phase II will complete the remaining 17 acres and its associated amenities. The project costs are dependent upon all developments within the Black Mountain Ranch and Torrey Highlands communities providing their fair share toward the costs of the park.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch and Torrey Highlands Subarea (Community) Plans and is in conformance with the City's General Plan.

Schedule: Phase I construction was completed in Fiscal Year 2006. Phase II of this project is scheduled to begin in Fiscal Year 2011.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan and provide additional park acreage in a community that is deficient of park land. The community park will provide for additional recreational opportunities to the community.

Summary of Project Changes: The project cost and schedule have been updated to reflect the most recent cost information available, including a \$200,000 increase in the total estimated project cost for the addition of a traffic signal.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$275,000 - \$325,000 is based upon the Park and Recreation Department's current cost to maintain various land-scaped areas. Operational costs for the project will be revised as the project is refined.

Canyonside Community Park / S00637

Council District: 1	Community Plan: Rancho Penasquitos
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2001 - 2014	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for upgrading existing lighting at Canyonside Community Park Sportsfield no. 1.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: Additional lighting is needed to upgrade the lighting levels at Canyonside Community Park Sportsfield no. 1.

Schedule: Design was completed in Fiscal Year 2002. Construction was completed Fiscal Year 2003.

Operating Budget Impact: None.

Summary of Project Changes: This project was completed in Fiscal Year 2003. This project will be closed by the end of the fiscal year.

Project Status:	Released	Contact Information:	Oliver, Kevin
Duration:	2008 - 2014		619-533-5139
Improv Type:	Betterment		koliver@sandiego.gov

Description: This project provides for the conversion of existing, outdated, luminaries to energy efficient luminaries at Canyonside Community Park Sports fields 6 through 9.

Relationship to General and Community Plans: The project is consistent with the Canyonside Community Park General Development Plan, the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Upgrading light levels to current safety standards would provide for better lumination of the sportsfields for recreational users.

Schedule: Construction began in Fiscal Year 2008 and will be completed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Carmel Valley Community Park South-Neighborhood8A / S00750

Council District: 1	Community Plan: Carmel Valley, Torrey Hills (Sorrento Hills)
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 1991 - 2011	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for developing a 15 useable acre community park in the Torrey Hills and Carmel Valley Neighborhoods south of State Route 56, located in Carmel Valley Neighborhood 8A.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements of the City's General Plan.

Operating Budget Impact: Operation and maintenance funding for this facility was partially added in the previous year. An additional \$118,000 is required to annualize costs for full-year funding.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Neighborhood 8A Precise Plan, the Carmel Valley and Torrey Hills Community Plans, and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2007. Construction began in Fiscal Year 2008 and was completed in Fiscal Year 2010.

Summary of Project Changes: The project cost and schedule have been updated to reflect the most recent Carmel Valley and Torrey Hills Public Facilities Financing Plans, including a \$204,983 increase in total estimated project cost.

Encanto Community Park Concession Expansion / S01056

Council District: 4	Community Plan: Southeastern San Diego
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2009 - 2013	619-525-8261
Improv Type: Expansion	dsharpe@sandiego.gov

Description: This project provides for the design and construction of the expansion of the existing concession stand at Verna Quinn Fields and all associated accessibility and drainage improvements required to comply with all State and federal accessibility guidelines and City standards.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for required Americans with Disabilities Act (ADA) upgrades to an existing facility.

Schedule: Design and construction will be scheduled when additional funding is identified.

Summary of Project Changes: It is anticipated that this project will receive \$40,000 in grant funding in Fiscal Year 2011.

Operating Budget Impact: This facility will require an on-going operational budget for non-personnel expenses. The current cost estimate of \$5,000 is based upon the Park and Recreation Department's estimated cost to maintain various landscaped areas and facilities. Operational costs for the project will be revised as the project is refined and all amenities and unique site characteristics are considered.

Hilltop Community Park Development Phase 1 / S00634

Council District: 1	Community Plan: Rancho Penasquitos
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 1987 - 2010	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the development of a community park in Rancho Penasquitos on approximately 34 acres, of which approximately 14 are useable-acres. Phase I comprised approximately 12 acres of improvements including a recreation building, basketball courts, open play areas, picnic areas, a comfort station, and utilities. Phase II will provide for the development of the remaining two acres and will potentially include additional parking, children's play area, open grass area, irrigation system, picnic area, security lighting, concrete walkways, and shade structures. Phase III will include a soccer and roller hockey arena.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I construction of Hilltop Community Park is complete. Construction of Phase II began in Fiscal Year 2008 and was completed in Fiscal Year 2009. Phase III construction will be scheduled when funding becomes available.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate is not available. Operational costs for the project will be revised as the project is refined.

Lake Murray Community Park Play Area Expansion / S11018

Council District: 7	Community Plan: Navajo
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2011 - 2015	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for American with Disabilities Act (ADA) upgrades and expansion of the children's play area and path of travel within the park. The project will include universal design and ramp concepts in compliance with State and federal safety and accessibility guidelines.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to upgrade existing site improvements and play area facilities to meet current State and federal safety and accessibility regulations.

Schedule: Design and Construction will be phased and scheduled as additional funding is identified.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Operating Budget Impact: Operational costs will not change for the proposed improvements which replace existing facilities; however, any expansion of the facilities will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, operational costs for the project will be revised as the project is refined.

MLK Jr Community Park Rec Center Roof Repair / S00765

Council District: 4	Community Plan: Southeastern San Diego
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2007 - 2009	619-533-5301
Improv Type: Replacement	smahmalji@sandiego.gov

Description: This project provides for the replacement of approximately 11,000 square feet of asphalt concrete shingle roof at the Martin Luther King Junior Community Park Recreation Center.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for the necessary roof replacement to prevent further water damage, during inclement weather.

Schedule: This project was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

MLK Jr Play Area Upgrade / S00771

Council District: 4	Community Plan: Southeastern San Diego
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2008 - 2012	619-533-5301
Improv Type: Replacement	smahmalji@sandiego.gov

Description: This project provides for upgrades of the play ground area and access walkway at Martin Luther King Jr. Community Park to comply with State and federal safety and accessibility guidelines.

Schedule: Design was completed in Fiscal Year 2009. Construction will begin in Fiscal Year 2010, and is expected to be complete in Fiscal Year 2011.

Justification / Public Benefit: This project will provide a play area which is fully compliant with current State safety regulations and State and federal accessibility guidelines.

Summary of Project Changes: This project was established by Council Resolution R-302747 on June 27, 2007 with an initial budget of \$500,000. Capital Outlay funding in the amount of \$104,000 was added to this project in Fiscal Year 2010.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

McAuliffe Community Park Development Phase 2 / S00664

Council District:	5	Community Plan:	Mira Mesa
Project Status:	Released	Contact Information:	Sharpe, Deborah
Duration:	2000 - 2010		619-525-8261
Improv Type:	New		dsharpe@sandiego.gov

Description: This project provides for design and construction of park improvements at McAuliffe Community Park, located at the west end of Winterwood Lane in the Mira Mesa Community Plan area, formerly known as Winterwood Lane Community Park. Due to environmental constraints, this site will not provide adequate acreage to support community park activities. Approximately 12 of the total 25 undeveloped acres will be conveyed to the School District as a vernal pool habitat mitigation site in exchange for approximately 6 usable acres of School District-owned property adjacent to Salk Elementary School and Maddox Neighborhood park for the development of park and joint use facilities. The recreational uses and design of any remaining developable acres (approximately 7.5 acres) on the McAuliffe park site will be determined through the community input process. Park improvements could include an open turf area, children's play area, scenic overlook, walkways, off-leash dog area, comfort station, security lighting and landscaping.

Justification / Public Benefit: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents of subdivisions within a 1½ mile radius from the park.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Completion of design has been delayed due to environmental constraints. Conveyance of the mitigation site to the School District is scheduled to occur in Fiscal Year 2012. Design and construction of the remaining usable park acreage will be scheduled as funding becomes available.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Mira Mesa Community Park 3 (Hourglass) Development / S01003

Council District: 5	Community Plan: Mira Mesa
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 1997 - 2013	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for a joint use field house including a gymnasium, shower locker facilities, multi-purpose rooms, and meeting rooms at Hourglass Field Community Park.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Schedule: Field house construction began in Fiscal Year 2007 and was completed in Fiscal Year 2010.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Nobel Athletic Area Development / S00663

Council District:	1	Community Plan:	North University City
Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	1999 - 2011		619-533-5259
Improv Type:	Replacement		cmeinhardt@sandiego.gov

Description: This project provides for developing approximately 24 additional acres of this community park located in the vicinity of the easterly extension of Nobel Drive and Interstate 805. Improvements will include sports fields, comfort station, 10,300 square-foot recreation center, play area, off-leash dog area, parking and passive areas.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project implements the recommendations found in the University Community Plan, and is in conformance with the City's General Plan.

Schedule: Park design began in Fiscal Year 1999. A pilot program Focus Group developed a General Development Plan (GDP) in Fiscal Year 2002. Design was completed in Fiscal Year 2004. Construction of the park, recreation center and library began in Fiscal Year 2005 and was completed in Fiscal Year 2008.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Normal Heights Community Park Development / S00662

Council District:	3	Community Plan:	Normal Heights (Mid-City)
Project Status:	Released	Contact Information:	Mahmalji, Samir
Duration:	2004 - 2014		619-533-5301
Improv Type:	Betterment		smahmalji@sandiego.gov

Description: This project provides for the development of an approximately five acre park at 39th Street and Ward Canyon. Park amenities included in Phase I will be an open turf play area, children's play area, picnic and seating facilities, and a basketball court. Phase II provides for a comfort station and the purchase of additional land adjacent to the park. Future phases will include the development of approximately two acres of City owned property and a community center.

Relationship to General and Community Plans: This project is consistent with the Mid-City Community Plans and is in conformance with the City's General Plan.

Schedule: Phase I construction was completed in Fiscal Year 2003. Phase II design began in Fiscal Year 2007 and construction was completed in Fiscal Year 2008. This project is complete.

Justification / Public Benefit: This project will provide the community with additional recreational opportunities as well as enhance the visual quality in an area that is park deficient.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

North Park Community Park Miscellaneous Improvement / S01005

Council District: 3	Community Plan: Greater North Park
Project Status: Released	Contact Information: Kelleher, Barry
Duration: 2005 - 2013	619-533-5219
Improv Type: Betterment	bkelleher@sanDiego.gov

Description: This project provides for paving hard court areas, fencing, tot lot, comfort station, Americans with Disabilities Act (ADA) Improvements, security lighting, landscaping, and other typical park amenities.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and in in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for additional recreational facilities in an area deficient in parkland per City standards.

Schedule: This project is complete.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$7,200 is based upon the Park and Recreation Department's estimated cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined and all amenities and unique site characteristics are considered.

Ocean View Hills Community Park Acquisition / S00649

Council District:	8	Community Plan:	Otay Mesa
Project Status:	Released	Contact Information:	Mahmalji, Samir
Duration:	2003 - 2013		619-533-5301
Improv Type:	Betterment		smahmalji@sandiego.gov

Description: This project provides for the acquisition, design and construction of the Pacific Breezes Community Park. This park will be 15 acres with an additional 5 acres of joint-use with the adjacent Ocean View Hills Elementary School. Amenities may include tennis courts, lighted ballfields, a comfort station, a children's play area, and other improvements. A recreation center and pool complex are also scheduled to be developed at this site as separate future projects.

Justification / Public Benefit: This project will provide the community with additional recreational opportunities and will enhance the visual quality of the area.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$160,000 is based upon the Park and Recreation Department's current cost to maintain various open space areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and the California Terraces Precise Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design was completed in Fiscal Year 2007. Final design and construction began in Fiscal Year 2008 and is dependent upon the actual rate of development within the residential community. However, construction has been delayed due to pending property acquisition and a reimbursement agreement.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Pacific Beach Community Park Requirement / S00668

Council District: 2	Community Plan: Pacific Beach
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2005 - 2014	619-533-5139
Improv Type: Replacement	koliver@sandiego.gov

Description: This project provides for additional improvements at the Pacific Beach Recreation Center. Phase I improvements, now complete, included upgrades to the restrooms, drinking fountains, doors, hardware, and entrance ramps. Phase II improvements include accessibility upgrades throughout the park.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide upgrades in compliance with current State safety regulations and State and federal accessibility requirements.

Schedule: Phase I and II of this project are complete.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Paradise Hills Community Park Picnic Shelter / S10023

Council District: 4	Community Plan: Skyline - Paradise Hills
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2010 - 2012	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for a new picnic shelter near the skate park within Paradise Hills Community Park. The Americans with Disabilities Act (ADA) accessible path of travel from the existing parking lot to the new picnic shelter will also be upgraded.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills community plan and is consistent with the City's General Plan.

Justification / Public Benefit: The picnic shelter was identified by the community as an amenity they wanted to add to the park by utilizing the telecom site access fee funds when additional funds were available to supplement the telecom site access fee fund.

Schedule: Design will begin in Fiscal Year 2010 and construction should be complete in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Pioneer Park and Comfort Station / S10125

Council District: 2	Community Plan: Uptown
Project Status: Created	Contact Information: Oliver, Kevin
Duration: 2010 - 2012	619-533-3159
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides the needed accessible upgrades to the path of travel within the park, upgrades for the comfort station and the parking lot as well as any other required work to ensure accessibility under the Americans with Disabilities Act (ADA).

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: These improvements are necessary to provide ADA accessibility to path of travel within the park, comfort station and the parking lot which does not meet all of the current ADA requirements.

Schedule: Design is scheduled to begin in Fiscal Year 2010 and to be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Rancho Bernardo Community Park-Sports Field Lights / S11012

Council District: 5	Community Plan: Rancho Bernardo
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2011 - 2014	619-525-8261
Improv Type: New	dsharpe@sanidiego.gov

Description: This project provides for the design and construction of lighting systems for sports fields #5 and #6 at the Rancho Bernardo Community Park.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to expand the hours of facility use and its capacity to serve the community's residential growth.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$7,500 is based upon the Park and Recreation Department's current cost to maintain sports field lighting in various parks.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Council District: 7	Community Plan: Tierrasanta
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2011 - 2014	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for the design and construction of a lighting system for the multi-purpose sports fields at the Tierrasanta Community Park.

Relationship to General and Community Plans: This project is consistent with the Tierrasanta Community Plan and is conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to expand the hours of facility use and its capacity to serve the community's residential growth.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction will be phased as funding is identified.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$7,500 is based upon the Park and Recreation Department's current cost to maintain sports field lighting in various parks. Operational costs for the project will be revised as the project is refined. This park is maintained by the Tierrasanta Maintenance Assessment District with a standard contribution from the General Fund based on useable park acreage.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

City Heights Square Mini-Park / S01070

Council District: 3	Community Plan: City Heights (Mid-City)
Project Status: Released	Contact Information: Kuzminsky, Larry
Duration: 2009 - 2013	619-533-3065
Improv Type: Betterment	lkuzminsky@sandiego.gov

Description: This project provides for the design and construction of an approximately 5,348 SF (0.123 acre) public mini-park, in the City Heights area of the Mid City Community. Improvements may include amenities such as seating, walkways, picnic areas, landscaping, irrigation, and security lighting.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan guidelines.

Schedule: Project design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled for Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: No operating impact is expected at this time.

North Park Mini-Park and Streetscape Improvements / \$10050

Council District:	3	Community Plan:	Greater North Park
Project Status:	Created	Contact Information:	Sharpe, Deborah
Duration:	2010 - 2020		619-525-8261
Improv Type:	New		dsharpe@sandiego.gov

Description: This project provides for the design and construction of an approximately 0.50 useable acre, urban mini-park to be located behind the recently renovated North Park Theatre. The project may include public art, plaza areas, specialty/enhanced paving areas for performances and events, an amphitheater or audience seating area, a gazebo/shade structure, a water feature, unique site furniture, walkways, seat walls, security and decorative lighting, and landscape and irrigation. This project also provides for the design and construction of approximately 1,800 linear feet of streetscape which may include enhanced street/pedestrian paving and walkways, street trees with tree grates, landscaping, irrigation, unique street furniture including benches and trash receptacles, security and decorative lighting, pedestrian ramps, curbs and gutters.

Justification / Public Benefit: The community is currently deficient in population-based park requirements set forth in the City's General Plan. This project will add population-based park acreage to the community, thus contributing to satisfying population-based park requirements. The project will also create an urban park/plaza and streetscape system for the benefit of pedestrians, automobiles and community members.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate to maintain the mini-park of \$5,700 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined. The streetscape improvements are anticipated to be maintained by the North Park Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction will be scheduled as funding becomes available.

Summary of Project Changes: City Council Resolutions 305366 and 305367 and Redevelopment Agency Resolution 04452, approved on November 12, 2009, authorized the Redevelopment Agency of the City of San Diego to contribute \$125,000 from the Project Area's tax increment funds and the appropriation of \$125,000 from the North Park East Park Fund. This funding is currently shown as anticipated.

Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2010 - 2020	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for the acquisition, design, and construction of approximately 0.36 acre of unimproved property contiguous with the south end of the existing Olive Street Park. The project will expand useable park acreage in the Uptown Community. Improvements may include amenities, such as multi-purpose turf areas, a children's play area, seating, walkways, landscaping, and security lighting.

Justification / Public Benefit: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan guidelines.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore the current cost estimate of \$5,000 is based upon the Park and Recreation Department's current cost to maintain various landscape areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Property acquisition began in Fiscal Year 2010. Design and construction will be scheduled when funding becomes available.

Summary of Project Changes: Additional funding in the amount of \$201,585 has been identified in State grant, Prop. 40 funding, which will be appropriated and expended pursuant to Council action for property acquisition in Fiscal Year 2010. This funding is currently shown as anticipated 2011.

Parks - Mini Parks

West Lewis and Falcon Streets Mini-Park / S00757

Council District: 2	Community Plan: Uptown
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2012	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for design and construction of a 0.35 acre mini-park within the West Lewis and Falcon Streets rights-of-way. Amenities may include walkways, landscaping, seating areas, and public art.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's Progress Guide and General Plan.

Schedule: Design began in Fiscal Year 2007 and was completed in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current annual cost estimate of \$4,300 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2010.

Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2011	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the design and construction of a 0.25 acre mini-park to be located within the dedicated portion of the Maple Canyon Open Space. Amenities may include walkways, landscaping, seating areas, and public art.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Schedule: Design began in Fiscal Year 2007 and is still continuing. Construction will be scheduled when remaining funding is identified.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$3,100 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Windwood II Mini Park Play Area Upgrades / S11017

Council District: 1	Community Plan: Carmel Valley
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2011 - 2014	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for Americans with Disabilities Act upgrades and improvements to the children's play area and path of travel within the park to comply with State and federal safety and accessibility guidelines. This project includes an accessible on-street parking space, curb ramp, site furniture, and accessible play area equipment and surfacing.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley (North City West) Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction will be phased as funding is identified.

Justification / Public Benefit: This project is needed to upgrade existing site improvements and play area facilities to meet current federal and State safety and accessibility regulations.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Operating Budget Impact: None.

252 Corridor Park Improvements Phase 2 / S01071

Council District:	8	Community Plan:	Southeastern San Diego
Project Status:	Released	Contact Information:	Kuzminsky, Larry
Duration:	2009 - 2015		619-533-3065
Improv Type:	Betterment		lkuzminsky@sandiego.gov

Description: This project provides for design and construction of an approximate 5.8 gross acre, 2.0 usable acre, neighborhood park in the Southcrest Neighborhood of the Southeastern Community Plan Area. Improvements may include picnic shelters, children's play area, hardcourts, walkways, fencing, amphitheater, open turf areas, security lighting, and site furnishings.

Relationship to General and Community Plans: This project is consistent with the Southeastern Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for additional park land in an extremely park deficient area.

Schedule: Design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and is scheduled to be completed in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$25,000-\$50,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Angier Elementary School Joint Use / S00762

Council District:	6	Community Plan:	Serra Mesa
Project Status:	Released	Contact Information:	Oliver, Kevin
Duration:	2009 - 2012		619-533-5139
Improv Type:	Betterment		koliver@sandiego.gov

Description: This project provides for the design and construction of approximately 3.95 acres at Angier Elementary School for joint use facilities to supplement existing park acreage in the Serra Mesa Community. Improvements may include turfed multi-purpose sports fields, multi-purpose courts, walkways, landscaping, a comfort station, and accessibility upgrades.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009. Construction will be scheduled when adequate funding is identified.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan in an area that is park deficient. The project will provide multi-purpose sports fields and associated infrastructure that will provide the community with safer park conditions.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$51,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Balboa Park Arcade / AGF00002

Council District:	Citywide	Community Plan:	Mission Bay Park
Project Status:	Released	Contact Information:	Wood, Carol
Duration:	2010 - 2020		619-525-8217
Improv Type:	New		cwood@sandiego.gov

Description: This annual allocation provides for the reconstruction of historic structures in Balboa Park. Projects within this annual allocation include: reconstructing the historic West Arcade along the north side of El Prado between the Museum of Man and Museum of Art; restoring the historic ornamentation on the Museum of Man frontpiece and California Tower; restoring the historic ornamentation on the Museum of Art frontpiece and ten window surrounds; minor repairs to the reconstructed ornamentation on the Casa del Prado building and theater; construction of Phase 1 of the Veterans Memorial Garden on approximately one acre of park land adjacent to the Veterans Museum and Memorial Center; and conducting a study of the California Tower for seismic resistance, including construction documents, specifications, and cost estimates for construction.

Justification / Public Benefit: This project will provide for the reconstruction of historic structures in Balboa Park which will enhance the structures and will increase park user experience.

Operating Budget Impact: None.

Relationship to General and Community Plans: These projects are consistent with the Balboa Park Master Plan, Central Mesa Precise Plan and are in conformance with the City's General Plan.

Schedule: The West Arcade Reconstruction, Museum of Man/California Tower Ornamentation, Museum of Art Ornamentation, Casa del Prado Ornamentation and Veterans Memorial Garden projects are completed. The California Tower Seismic Retrofit Study project is in progress.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Balboa Park Golf Course Parking Lot & Improvements / S00614

Council District: 3	Community Plan: Balboa Park
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 1994 - 2013	619-533-5328
Improv Type: New	adarvishi@sandiego.gov

Description: This project provides for a master plan, design, and construction of a new clubhouse and a parking lot at the Balboa Park Golf Course.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan, East Mesa Precise Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: Currently the clubhouse is inadequate and there is insufficient parking available to serve users of the golf course.

Schedule: Preliminary assessments are complete. Design is scheduled to begin in Fiscal Year 2011. Construction will be scheduled when the remaining funding is identified.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Balboa Park/Morley Field Evaluate & Repair Drain / S10087

Council District: 3	Community Plan: Balboa Park
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2006 - 2015	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for evaluation, design and construction to repair a damaged storm drain in the western tennis court area of Morley Field.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The damaged storm drain causes heavy debris flow after rain events into the parking lot of the off-leash dog park. This project is needed to repair the damaged storm drain to prevent future debris flow.

Schedule: Design began in Fiscal Year 2009. Construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Birney Elementary School Joint Use / S00678

Council District: 3	Community Plan: Uptown
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2006 - 2012	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project will provide for improvements to the Birney Elementary School Joint Use Field.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The Community has a deficit of population based park area according to the Citywide standards. This will add additional recreational area to an underserved Community.

Schedule: Design was completed in 2010 and construction is scheduled to be completed in Fiscal Year 2011. Future phases will be scheduled when funding is identified.

Operating Budget Impact: Operation and maintenance funding for this facility was partially added in the previous year. An additional \$9,500 is required to annualize costs for full-year funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2000 - 2013	619-235-5257
Improv Type: Betterment	jwinter@sandiego.gov

Description: This project provides for developing an approximately 10 acre neighborhood park for recreational purposes.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan in an area that is park deficient.

Schedule: This project is complete.

Summary of Project Changes: This project is complete and will be closed at the end of the fiscal year.

Operating Budget Impact: None.

Cabrillo Heights Neighborhood Park Improvements / S00763

Council District: 6	Community Plan: Serra Mesa
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2012	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for improvements at Cabrillo Heights Neighborhood Park. Improvements will provide additional active and passive recreational opportunities. Proposed improvements may include: accessible tot lot play equipment, picnic shade structure, picnic tables, drinking fountains, half basketball court, ball field lighting, shade structures at bleachers and pre-fabricated restroom.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan. The project will enhance the quality of the Cabrillo Heights Neighborhood Park through a variety of improvements providing the community with a more pleasing park-like atmosphere.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$4,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and was completed in Fiscal Year 2010. Construction is scheduled to begin in and be completed by Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Carmel Mtn Ranch Community Pk Children's Play Area / S01072

Council District: 1	Community Plan: Carmel Mountain Ranch
Project Status: Released	Contact Information: Kuzminsky, Larry
Duration: 2009 - 2011	619-533-3065
Improv Type: Betterment	lkuzminsky@sandiego.gov

Description: This project provides for the upgrade and replacement of playground equipment at the Carmel Mountain Ranch Community Park, which includes Americans with Disabilities Act (ADA) upgrades such as new walkways, accessible parking spaces, and accessible walkways to existing picnic tables. The new play equipment and rubberized safety surfacing will meet current accessibility and safety standards.

Relationship to General and Community Plans: This project is consistent with the Carmel Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Construction is scheduled to begin in Fiscal Year 2010.

Justification / Public Benefit: This project will provide much needed playground improvements to meet current code requirements and provide safety for users of the park.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Carmel Valley Skate Park / S00758

Council District:	Citywide	Community Plan:	Carmel Valley
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2007 - 2010		619-533-4640
Improv Type:	New		agarcia@sandiego.gov

Description: This project provides for the design and construction of a 33,000 square foot skate park in Carmel Valley, which will include a 13,500 square foot skating surface area, a concessions and restroom building, lighting for night-time use, and landscaping. The skate park is proposed to be located on City-owned land.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides additional park improvements within Carmel Valley which will increase the recreational activities available to the community.

Schedule: Design began in Fiscal Year 2007 and construction began in Fiscal Year 2009. Construction is estimated to be completed by Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2010.

Carson Elementary School Joint Use / S00646

Council District: 6	Community Plan: Linda Vista
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2002 - 2011	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the improvement of approximately 1.8 acres of existing fields at Carson Elementary School for joint use purposes. The improvements include turfing for multi-use ball fields and back stops.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Schedule: Design was completed in Fiscal Year 2007. Construction was completed in Fiscal Year 2010.

Summary of Project Changes: An increase of \$5,000 of Development Impact Funds was added in Fiscal Year 2011.

Operating Budget Impact: None.

Central Avenue Mini Park Acquisition/Development / S00992

Council District:	3	Community Plan:	City Heights (Mid-City)
Project Status:	Released	Contact Information:	Sharpe, Deborah
Duration:	2005 - 2014		619-525-8261
Improv Type:	Betterment		dsharpe@sandiego.gov

Description: This project provides for the acquisition of an approximate 16,000 square foot parcel, remaining from the construction of the Interstate 15 freeway through Mid-City at the corner of Central Avenue and Landis Street, to be developed as a mini park. Amenities may include an open turf area, children's play area, skate park, seating areas, walkways, and security lighting.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2008. Design is scheduled to begin in Fiscal Year 2011; construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: The total project cost has increased by \$300,000 due to the availability of funding, which is reflected in Fiscal Year 2011.

Chollas Lake Fishing Pier / S10019

Council District:	4	Community Plan:	Eastern Area (Mid-City)
Project Status:	Released	Contact Information:	Winter, James
Duration:	2010 - 2011		619-533-5301
Improv Type:	Replacement		smahmalji@sandiego.gov

Description: This project provides for the replacement of one new accessible fishing pier and the installation of a new accessible trail and improvements to the Lend-A-Rod Station and the new pier from the existing parking lot at Chollas Lake Community Park. The park is located at 6350 College Grove Way in the Mid City-Eastern Area.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: Design will begin in Fiscal Year 2010 and construction is scheduled to be completed in Fiscal Year 2011.

Justification / Public Benefit: The heavily used park currently does not have a convenient path from the parking lot to the lake for people with disabilities. This project will provide a convenient path and an accessible fishing pier out into the lake.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Coastal Erosion and Access / AGF00006

Council District:	Citywide	Community Plan:	Mission Bay Park
Project Status:	Released	Contact Information:	Darvishi, Ali
Duration:	2010 - 2020		619-533-5328
Improv Type:	New		adarvishi@sandiego.gov

Description: This project provides partial funding for coastal infrastructure improvements at 71 sites, from Sunset Cliffs Park to Torrey Pines State Beach, that were identified and prioritized in a 2003 Coastal Erosion Assessment Survey. High priority sites are those that present potential public hazards.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides improvements to coastal erosion sites that present potential public hazards.

Schedule: Beach access to Shell Beach and at Sea Ridge Avenue were completed in Fiscal Year 2008. Design for the next six locations began in Fiscal Year 2008 and was completed in Fiscal Year 2009. Future design and construction will be scheduled as funding becomes available.

Operating Budget Impact: None.

Summary of Project Changes: The total estimated project cost has decreased by \$914,665 due to a revised scope.

Crown Point Salt Marsh / S00623

Council District:	2	Community Plan:	Mission Bay Park
Project Status:	Released	Contact Information:	Darvishi, Ali
Duration:	1997 - 2012		619-533-5328
Improv Type:	Replacement		adarvishi@san Diego.gov

Description: This project provides for creating a salt marsh in the newly-constructed wetland habitat area of Crown Point adjacent to the Northern Wildlife Preserve. The project will entail some minor regrading, site preparation and planting of upland habitat in the recently created five-acre wetland habitat area on North Crown Point Shores.

Operating Budget Impact: This facility will likely not require any additional on-going operational budget for personnel and non-personnel expenses. Operational costs for the project will be revised as the project is refined

Justification / Public Benefit: This project is partial mitigation for the shoreline treatment project; remaining balance to be saved for future projects as outlined in the Natural Resource Management Plan adopted by Council in May 1990.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan, and is in conformance with the City's Progress Guide and General Plan.

Schedule: Construction was completed in Fiscal Year 2010.

Summary of Project Changes: Project is complete and will be closed at the end of the fiscal year.

Crystal Pier Structural Inspection / S11014

Council District: 2	Community Plan: Pacific Beach
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2011 - 2011	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This study will provide for the evaluation of the overall condition of the pier which is located in Pacific Beach and to make recommendations for repairs to ensure public safety.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan and it is in conformance with the City's General Plan.

Justification / Public Benefit: The purpose of this study is to evaluate the overall condition of the pier and recommend needed repairs.

Schedule: The study is scheduled for Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Del Mar Mesa Acquisition / S00998

Council District: 1	Community Plan: Del Mar Mesa
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2002 - 2013	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for land acquisition in the Del Mar Mesa community planning area for the Multiple Species Conservation Program (MSCP).

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The MSCP Implementing Agreement, Section 10(a), Take Authorization of the Endangered Species Act, mandates a statutory responsibility on the part of the City to assemble the MSCP preserve. This responsibility includes acquisition of public land to be used for wildlife habitat.

Schedule: Property acquisition began in Fiscal Year 2002 and was completed in Fiscal Year 2007.

Summary of Project Changes: In Fiscal Year 2011, it is anticipated that funds for management and monitoring of vernal pools will be reallocated. This funding would be placed into a special fund and be used for personnel and non-personnel operations.

Operating Budget Impact: None.

Fiesta Island Causeway Parking Lot / S00622

Council District:	6	Community Plan:	Mission Bay Park
Project Status:	Released	Contact Information:	Ibrahim, Yousef
Duration:	1998 - 2012		619-235-1965
Improv Type:	New		yibrahim@sandiego.gov

Description: This project provides for the design and construction of all-weather surfacing and security lighting in the existing dirt parking area on the north side of the causeway at the entrance to Fiesta Island off of East Mission Bay Drive.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan, is approved by the California Coastal Commission, and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing undeveloped parking area becomes unusable for park users during and after inclement weather, and the area needs the added security of lighting.

Schedule: Design and construction schedules are pending.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Fiesta Island Infrastructure Improvements / S00991

Council District: 6	Community Plan: Mission Bay Park
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2005 - 2014	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for design and construction of recreational improvements at Fiesta Island consistent with the general development plan and Mission Bay Park Master Plan, including an expanded causeway that has been identified as a high priority, turfing multi-purpose areas, parking lots, playgrounds, comfort stations, walkways, a personal watercraft launching and service area, relocation of the sand area, south beach jetty, coastal landscaping, and additional utilities infrastructure.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design and construction will be scheduled in phases as funding is identified and upon completion of the Mission Bay-Fiesta Island General Development Plan.

Justification / Public Benefit: This project will provide infrastructure necessary to support future recreational facilities.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Hourglass Field House Parking Areas / S00677

Council District: 5	Community Plan: Mira Mesa
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2008 - 2011	619-533-3172
Improv Type: Replacement	koliver@sandiego.gov

Description: This project provides for reimbursing the San Diego College District for building and providing parking areas for the public that visit the Hourglass Field House, a joint-use facility with San Diego Miramar College.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Schedule: Construction began in Fiscal Year 2008. Construction will be completed in Fiscal Year 2010. Reimbursement to the San Diego College District will be completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: The project cost and schedule have been updated to reflect the most recent Mira Mesa Public Facilities Financing Plan, including a \$400,000 decrease in the total estimated project cost.

I-15 Cut & Cover/Teralta Neighborhood Park / S00658

Council District: 3	Community Plan: City Heights (Mid-City)
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 1990 - 2011	619-533-3501
Improv Type: Replacement	smahmalji@sandiego.gov

Description: This project provides for the development of a five acre park that includes a children's play area, basketball courts, paved walkways, landscaping, and site furnishings. Phase I, the construction of the park, including a bike path and lighting, is complete. Phase II of the project will include the addition of a comfort station to the park and the development of Central Avenue as a pedestrian and bicycle corridor from the park to University Avenue (History Lane).

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City Communities Plan and is in conformance with the City's General Plan.

Schedule: Phase I and Phase II are both complete. This project is complete.

Justification / Public Benefit: The approved general development plan for Teralta Park includes a comfort station to serve park users. History Lane will contribute to the north/south bike route through the Mid-City Communities. Children's Mall will contribute toward the community goal of establishing Polk Avenue as a pedestrian corridor.

Summary of Project Changes: This project is complete and will be closed at the end of the fiscal year.

Inspiration Point Precise Plan / S00615

Council District: 3	Community Plan: Balboa Park
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 1992 - 2014	619-525-8261
Improv Type: Replacement	dsharpe@sandiego.gov

Description: This project provides for the completion of the Inspiration Point Precise Plan which will provide policy direction for future development of approximately 50 acres within this area of Balboa Park.

Relationship to General and Community Plans: This project is consistent with the 1989 Balboa Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Inspiration Point is one of the subareas within Balboa Park for which the 1989 Balboa Park Master Plan mandates a Precise Plan. A draft Precise Plan was prepared by the landscape architectural firm of the The Pekarek Group in 1998 with public input; however, it lacks an Historical Preservation Element required by the Historic Resources Board. Since that time, the Balboa Park Parking Study was completed which impacts the Precise Plan as drafted. To complete the Precise Plan, the document must incorporate both an Historical Preservation Element and the approved Parking Study recommendations, as well conduct an environmental review prior to undergoing the approval process.

Schedule: Planning began in Fiscal Year 1996 and a draft Precise Plan was completed in 1998. The project was put on hold until funding could be identified to hire a consultant to prepare the Historic Preservation Element to complete the document, prepare the CEQA document and process the Precise Plan for approval. Completion of the project will be scheduled when funding is identified.

Summary of Project Changes: No significant changes to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Project Status:	Released	Contact Information:	Oliver, Kevin
Duration:	2010 - 2020		619-533-5139
Improv Type:	New		koliver@sandiego.gov

Description: This project provides for design and construction of miscellaneous improvements on existing joint use facilities throughout the City. The improvements include replacement and upgrades to turf, irrigation, fencing, and disabled access.

Justification / Public Benefit: This project will provide necessary improvements per the joint use agreement renewal process. In order to upgrade the joint use facilities to meet current codes, regulations and standards, and to endure another 25 years of use pursuant to the terms of the joint use agreements, improvements have been identified by individual, on-site inspections and cost estimates.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Sub-projects will be scheduled individually based on priority, school schedules, and league use of the fields. Design of some projects was completed in Fiscal Year 2009 and construction was completed in Fiscal Year 2010.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Kumeyaay Lake Riparian Restoration / S01008

Council District: 7	Community Plan: Navajo
Project Status: Technically completed	Contact Information: Winter, James
Duration: 2005 - 2011	619-235-5257
Improv Type: Betterment	jwinter@sandiego.gov

Description: This project will restore riparian habitat at the Kumeyaay Lake Campground to enhance the campground use experience and provide wildlife habitat.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Plan, the Navajo Community Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will enhance the camping experience for park users.

Schedule: This project is complete.

Operating Budget Impact: None.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Kumeyaay Lakes Berm Restoration and Dredging / S00655

Council District: 7	Community Plan: Navajo
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2002 - 2014	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for the dredging of two lakes and reconstruction of a lake berm within the Kumeyaay Lake system at Mission Trails Regional Park.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Development Plan, the Navajo Community Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: A berm that surrounds the lakes was breached during the 1995-96 rainy season. Since that time, the San Diego River's flow has been redirected through the Kumeyaay Lakes, to the detriment of the lakes. Impacts include sedimentation of the lakes, the introduction of exotic invasive aquatic plants and the decline of an adjacent state wetland mitigation site through which the river once flowed. Dredging of the Lakes to remove accumulated sediments and unwanted plant materials will restore the health and vitality of the lakes and the adjacent mitigation site, which depends upon a flowing water source.

Schedule: Planning began in Fiscal Year 2003. Design and construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

La Mirada Elementary School Joint Use Phase II / S00653

Council District:	8	Community Plan:	San Ysidro
Project Status:	Released	Contact Information:	Mahmalji, Samir
Duration:	2002 - 2011		619-533-5301
Improv Type:	New		smahmalji@sandiego.gov

Description: This project provides for the turfing of approximately two acres in Phase I and 1.7 acres in Phase II of undeveloped fields at La Mirada Elementary School. Improvements include a running track, a softball field, an accessible ramp to San Ysidro Activity Center, and relocation of the existing school garden for joint-use purposes.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's General Plan.

Schedule: Construction of Phase I is complete. Phase II design began in Fiscal Year 2007 and construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Linda Vista Community Park Picnic Area / S01068

Council District: 6	Community Plan: Linda Vista
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2011	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for a new picnic shelter for the users of the Linda Vista Community Park.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community plan and is consistent the City's General Plan.

Justification / Public Benefit: The picnic shelter was identified by the community as an amenity they wanted to add to the park. Park and Recreation staff secured a grant for the funding.

Schedule: Design began in Fiscal Year 2010 and construction is scheduled to be complete in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Marshall Elementary School Joint Use Improvements / S10080

Council District:	7	Community Plan:	City Heights (Mid-City)
Project Status:	Created	Contact Information:	Sharpe, Deborah
Duration:	2010 - 2015		619-525-8261
Improv Type:	New		dsharpe@sandiego.gov

Description: This project provides for design and construction of approximately 1.46 acres of Marshall Elementary School for joint use facilities to supplement existing park acreage in the City Heights area of the Mid-City Communities. Improvements may include turf multi-purpose sports fields, multi-purpose courts, walkways, landscaping, and Americans with Disability Act (ADA)/accessibility upgrades.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Schedule: Design is scheduled to begin in Fiscal Year 2011 and construction is scheduled to begin in Fiscal Year 2012.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$27,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Summary of Project Changes: The total project cost has increased by \$735,000 due to the availability of park development funding in Fiscal Year 2011. Additionally, \$35,000 in Community Development Block Grant funding was allocated to this project in a prior year. Due to budgeting system restrictions, this allocation is shown as anticipated until appropriated.

Memorial Pool Improvements / S00970

Council District:	8	Community Plan:	Southeastern San Diego
Project Status:	Released	Contact Information:	Mahmalji, Samir
Duration:	2009 - 2014		619-533-5301
Improv Type:	New		smahmalji@sandiego.gov

Description: This project provides for the demolition of an existing pool and the design and construction of a new pool. The existing 40 year old pool suffers from deferred maintenance, cracked decking, outdated mechanical systems, and doesn't meet Americans with Disabilities Act (ADA) standards. It will be replaced with a larger pool that meets ADA standards.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2010. Construction is scheduled to start in Fiscal Year 2012.

Justification / Public Benefit: This project will address deterioration of the existing pool decking and piping due to age.

Summary of Project Changes: An increase of \$750,000 of Development Impact Funds was added in Fiscal Year 2011.

Operating Budget Impact: None.

Mission Bay Athletic Area Comfort Stn Modernize / S10021

Council District: 2	Community Plan: Mission Bay Park
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2011 - 2012	619-533-5328
Improv Type: Replacement	adarvishi@sandiego.gov

Description: This project provides for the removal and replacement of the existing comfort station/concession stand at the Mission Bay Athletic Area. It will also provide an accessible path of travel from Grand Avenue to the comfort station and the center of the ball field complex.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: These improvements are necessary to provide Americans with Disability Act (ADA) accessibility to the comfort station and concession stand which are not currently accessible and to provide an accessible path of travel from the public way to the new facility.

Schedule: Design began in Fiscal Year 2010 and construction is scheduled to be complete in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Mission Bay Improvements / AGF00004

Council District:	Citywide	Community Plan:	Mission Bay Park
Project Status:	Released	Contact Information:	Sharpe, Deborah
Duration:	2010 - 2020		619-525-8261
Improv Type:	New		dsharpe@sandiego.gov

Description: This annual allocation provides for permanent public capital improvements and deferred maintenance of existing facilities in accordance with City Charter, Article V, Section 55.2.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Mission Bay Park, as well as other regional parks, open spaces and coastal beaches, helps define the City's identity, enriches quality of life and serves as a visitor attraction that strengthens the local economy. This regional treasure is threatened by increasing use and a backlog of needed improvements.

Schedule: Design and construction will be scheduled in accordance with the scope of various sub-projects.

Summary of Project Changes: Mission Bay Reserve funding has been allocated to this project for Fiscal Year 2011.

Operating Budget Impact: Operating impact, if any, is determined once funding is transferred from the annual allocation to specific capital improvement projects.

Mission Trails Regional Park Cowles Mountain Trail / S10065

Council District: 7	Community Plan: Navajo, Tierrasanta
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2009 - 2013	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for design, engineering, construction, and installation of structures, as well as the rehabilitation and installation of appropriate material to re-establish approximately 2,000 linear feet of existing trail. This project is to supplement existing and increased recreational activity of hikers and the increase of sensitive resource impacts caused by hikers leaving the official trail. When completed, this trail rehabilitation will improve safety and reduce or eliminate loss of sensitive natural resources due to visitor use and erosion. Improvements will include minimal pruning and hand crew installation of materials. No grading will be done; however, some hand tool manipulation of existing soils may occur. This project will also provide funding to improve existing Americans with Disabilities Act (ADA) facilities at the trailhead at Golfcrest Drive and Navajo Road. The remainder of this trail is not ADA accessible.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Plan, the Navajo and Tierrasanta Community Plans, and is in conformance with the City's General Plan.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Justification / Public Benefit: This project will benefit the community by increasing safety for hikers and protect sensitive natural and cultural resources.

Mission Trails Regional Park Master Plan Update / S01014

Council District:	7	Community Plan:	Navajo, Tierrasanta, Rancho Encantada, East Elliott
Project Status:	Released	Contact Information:	Sharpe, Deborah
Duration:	2008 - 2013		619-525-8261
Improv Type:	Betterment		dsharpe@sandiego.gov

Description: This project provides for an update to the 1985 Mission Trails Regional Park (MTRP) Master Development Plan to identify completed capital projects and to guide future development and preservation within the park, as well as an environmental document to determine potential impacts. A Natural Resource Management Plan will also be prepared and incorporated into the master plan document to provide City park rangers with information and tools to manage the Park's sensitive resources.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo, Tierrasanta, Rancho Encantada, and East Elliott Community Plans and is in conformance with the City's General Plan.

Schedule: Planning began in Fiscal Year 2008 and completion of the document is scheduled for Fiscal Year 2011.

Justification / Public Benefit: MTRP faces numerous challenges and issues due to the high number of visitors and the Park's location within a densely populated area. Extensive recreational use, illegal off-road vehicle activity, erosion, urban runoff, and invasive non-native plants are potential threats to the continued health of the Park's natural resources. The MTRP Natural Resource Management Plan is a part of the implementation task of the City of San Diego's Multiple Species Conservation Program (MSCP). The MSCP was officially adopted on March 18, 1997, with the United States Fish and Wildlife Service and the California Department of Fish and Game approving the plan on July 17, 1997.

Summary of Project Changes: Total project cost has increased by \$264,829 due to refinement of the master plan update and NRMP scopes of work. A City Council action (1472) will be processed to reallocate funding in the amount of \$85,000 to this project from WBS S-10066, Mission Trails Regional Park Trail Realignment, and \$179,829 from unallocated fund balance in the Mission Trails Regional Park Fund, which will increase the total project cost to \$884,829.

Mission Trails Regional Pk Equest Comfort Station / S01073

Council District: 1	Community Plan: Navajo
Project Status: Released	Contact Information: Kuzminsky, Larry
Duration: 2004 - 2011	619-533-3065
Improv Type: Betterment	lkuzminsky@sanidiego.gov

Description: This project provides for a comfort station/service building at the Mission Trails Regional Park Equestrian Staging Area.

Schedule: Design began in Fiscal Year 2010 and will continue in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2011.

Justification / Public Benefit: The project will provide a needed comfort station at the Mission Trails Regional Park Equestrian Staging Area where one does not currently exist.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011. This project was approved by Council as a mid-year Fiscal Year 2010 budget add per resolution R-304747 adopted on April 8, 2009.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan, the Mission Trails Regional Park Master Development Plan, and is in conformance with the City's General Plan.

North Ocean Beach Gateway / S01058

Council District: 2	Community Plan: Ocean Beach
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2004 - 2011	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for improvements to the roadway that serves as the entryway to Dog Beach in North Ocean Beach.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Access ramps up to the top of the berm and down to Dog Beach will be provided to meet the the American with Disabilities Act requirements.

Schedule: This project is complete.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Ocean Beach CDC - N Ocean Beach Revitalization / S01057

Council District:	2	Community Plan:	Ocean Beach
Project Status:	Released	Contact Information:	Oliver, Kevin
Duration:	1997 - 2013		619-533-5139
Improv Type:	Betterment		koliver@sandiego.gov

Description: This project provides for streetscape improvements such as hardscape plaza, street trees, ornamental lighting, landscaping, sidewalk repairs, bicycle facilities, signage, and ADA improvements. The first phase of improvements is focused on the area at and adjacent to the intersection of Sunset Cliffs Boulevard and West Point Loma Boulevard, one of the main entries into the Ocean Beach community.

Justification / Public Benefit: The North Ocean Beach entryway has been identified as a location for streetscape improvements by Council District 2 and by the community. The goals are to increase safety and security, enhance the community image, and contribute positively to the commercial revitalization of the affected area.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and is in conformance with the City's General Plan.

Schedule: Development of a master plan was completed in Fiscal Year 1999. The Anthony's Pizza site, at the northwest corner of Sunset Cliffs and West Point Loma Boulevards, was acquired and street trees and other streetscape improvements were installed on Voltaire Street and Sunset Cliffs Boulevard in Fiscal Year 2000. A pedestrian plaza design was completed in Fiscal Year 2006 utilizing the Anthony's Pizza site. Environmental documents and permits were submitted in Fiscal Year 2009. Future funding will be needed to complete construction of the project.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Ocean Beach Pier Improvements / S11015

Council District:	2	Community Plan:	Ocean Beach
Project Status:	Created	Contact Information:	Nassar, Mark
Duration:	2011 - 2013		619-533-3172
Improv Type:	New		mnassar@sandiego.gov

Description: This project will provide for the repair of Ocean Beach Pier. Proposed improvements include repairing damaged piles, spall repairs, replacing corroded steel, reinforcement new top deck and under deck coating, additional deck support beam, guardrail repairs, and other miscellaneous improvements to ensure public safety.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and it is in conformance with the City's General Plan.

Schedule: Planning is scheduled for Fiscal Year 2011.

Justification / Public Benefit: This project will initiate the identified repair needs of Ocean Beach Pier to extend the useful life of the pier.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Palisades Park Comfort Station Replacement / S10026

Council District:	2	Community Plan:	Pacific Beach
Project Status:	Released	Contact Information:	Darvishi, Ali
Duration:	2010 - 2012		619-533-5328
Improv Type:	Replacement		adarvishi@sandiego.gov

Description: This project provides for the removal and replacement of the existing comfort station at Palisades Park at the foot of Law Street in Pacific Beach. Minor grading outside the limits of the building footprint is anticipated due to the improvement of the accessible path from the accessible parking to the comfort station. Major excavations will be carried out for the new retaining walls and building foundations. Because of the limited work areas, traffic control plans will be required during construction activities which will impact Ocean Blvd.

Justification / Public Benefit: These improvements are necessary to provide Americans with Disabilities Act (ADA) accessibility to the comfort station which is not currently accessible and to provide an accessible path of travel from the public way to the new facility.

Operating Budget Impact: No operating impact is expected at this time.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan, the Pacific Beach Public Facilities Financing Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and construction is scheduled to be complete in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Park & Recreation Grant Match Funding / AGF00001

Council District: Citywide	Community Plan: Mission Bay Park
Project Status: Released	Contact Information: Wood, Carol
Duration: 2010 - 2020	619-525-8217
Improv Type: New	cwood@sandiego.gov

Description: This annual allocation provides for matching fund requirements and other unfunded needs for projects funded with alternative financing, which includes grants and private donations.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Grant match funding greatly enhances the Park and Recreation Department's ability to secure grants and donations to provide funding for projects.

Schedule: Funds will be used as grants and alternative financing are identified.

Operating Budget Impact: Operating impact, if any, is determined once funding is transferred from the annual allocation to specific capital improvement projects.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Park De La Cruz Acquisition / S01006

Council District: 3	Community Plan: City Heights (Mid-City)
Project Status: Released	Contact Information: Winter, James
Duration: 1996 - 2013	619-235-5257
Improv Type: Betterment	jwinter@sandiego.gov

Description: This project provides for the acquisition of additional land at Park de la Cruz which will bring the total park acreage to 9.74 acres.

Relationship to General and Community Plans: This project is consistent with the Mid-City Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The project provides for the landscaping and beautification of Park de la Cruz.

Schedule: This project is complete.

Operating Budget Impact: None.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Council District:	3	Community Plan:	City Heights (Mid-City)
Project Status:	Released	Contact Information:	Mahmalji, Samir
Duration:	1990 - 2011		619-533-5301
Improv Type:	New		smahmalji@sandiego.gov

Description: This project provides for an approximately 7.16 total useable acre park as a result of the Interstate 15 freeway expansion. Phase I improvements are complete and include a children's play area, a play field, paved walkways, landscaping, and site furnishings on 5.16 acres. Phase II of the project will provide for the design and construction of 2.0 acres of passive park facilities in the 38th Street canyon area of the park. Future phases will include a monument sign, community identification theme element/art, bollards, additional parking on south 38th Street, curb, gutter and sidewalk, and various park amenities. The improvements will comply with current local, State and federal safety and accessibility codes and regulations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City Communities Plan and is in conformance with the City's General Plan.

Schedule: Phase I and phase II are both complete. This project is complete.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Justification / Public Benefit: Additional park acreage and associated infrastructure will provide the community with additional recreational opportunities and will increase the visual aesthetics of the area.

Presidio Park Master Plan / S00993

Council District: 2	Community Plan: Old San Diego
Project Status: Technically completed	Contact Information: Sharpe, Deborah
Duration: 1999 - 2011	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for preparation of a master plan to restore, enhance, and manage the archaeological and historical resources at Presidio Park. Phase I provided for consultant services to oversee a task force of selected professional archaeologists, geologists, and historians who studied the park site and developed a program that will become the basis for the master plan. Phase II completes the master plan effort.

Relationship to General and Community Plans: This project is consistent with the Old San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I is complete. Phase II will be scheduled upon identification of funding.

Justification / Public Benefit: This master plan will guide the restoration, enhancement, and management of the archaeological and historical resources over a 20-year period.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2004 - 2009	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for upgrades to the play area and replacement of playground equipment at Rancho Penasquitos Park.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide for play area upgrades and replacement of playground equipment to meet current State and federal safety and accessibility requirements.

Schedule: The first upgrade was completed in Fiscal Year 2006. Future upgrades will be scheduled when funding is identified. Construction was completed on the second upgrade in Fiscal Year 2009.

Operating Budget Impact: None.

Summary of Project Changes: Project cost and schedule have been updated to reflect the most recent Rancho Penasquitos Public Facilities Financing Plan.

Regional Park Improvements / AGF00005

Council District:	Citywide	Community Plan:	Mission Bay Park
Project Status:	Released	Contact Information:	Sharpe, Deborah
Duration:	2010 - 2020		619-525-8261
Improv Type:	New		dsharpe@sandiego.gov

Description: This annual allocation provides funding for planning and implementation of permanent public capital improvements, including land acquisitions for San Diego regional parks in accordance with City Charter, Article V, Section 55.2.

Relationship to General and Community Plans: This project is consistent with applicable community and park master plans and is in conformance with the City's General Plan.

Justification / Public Benefit: San Diego's regional park system contains recreation resources unique to the City. Parks such as Balboa Park, Mission Bay Park, Mission Trails Regional Park, Otay River Valley Park, and San Diego River Park, as well as open spaces and coastal beaches, help define the City's identity, enrich the quality of life for residents, and serve as visitor attractions that strengthen the local economy. These regional treasures are threatened by increasing use and a backlog of needed improvements.

Schedule: Design and construction will be scheduled in accordance with the scope of the various sub-projects.

Summary of Project Changes: Regional Park funds in the amount of \$2.5 million have been identified for this project in Fiscal Year 2011.

Operating Budget Impact: None.

Roosevelt Middle School / S00761

Council District:	3	Community Plan:	Balboa Park
Project Status:	Released	Contact Information:	Mahmalji, Samir
Duration:	2008 - 2012		619-533-5301
Improv Type:	New		smahmalji@sandiego.gov

Description: This project provides for the design and construction of joint-use athletic fields at Roosevelt Junior High School. Phase I of the project provides for 1.8 useable acres of joint-use and paved walking path surrounding the field area. Future phases will provide an additional 1.9 useable acres of joint-use artificial turf, joint-use parking, a comfort station, overhead shade structures, and other amenities.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: Operation and maintenance funding for this facility was partially added in the previous year. An additional \$6000 is required to annualize costs for full-year funding.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Phase I design began in Fiscal Year 2007 and construction will begin in Fiscal Year 2010 and will be completed in December 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2002 - 2011	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for the development of a Master Plan, including preparation of an environmental document and an economic analysis for approximately 17 miles of the San Diego River within the City of San Diego.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide a policy document to guide development, preservation, enhancement and recreation along the river over the next 20 years.

Schedule: The project began in Fiscal Year 2004 and will be completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

San Ysidro Athletic Area & Larsen Field Lighting / S11013

Council District: 8	Community Plan: San Ysidro
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2011 - 2014	619-525-8261
Improv Type: New	dsharpe@sanidiego.gov

Description: This project provides for the design and construction of lighting systems for the two multi-purpose sports fields at the San Ysidro Athletic Area/Larsen Field.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to expand the hours of facility use and its capacity to serve the community's residential growth.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction will be phased as funding is identified.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$7,500 is based upon the Park and Recreation Department's current cost to maintain sports field lighting in various parks.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2007 - 2013	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides design and construction of improvements to enhance the 11 acre site currently maintained by the Presidio Little League. The improvements may include walkways, an entry monument, picnic areas, paved parking lots and roadways, landscaping, and irrigation upgrades for the existing athletic fields.

Justification / Public Benefit: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan Guidelines

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$17,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan. During preparation of the General Development Plan, the community expressed a concern regarding approval of the plan without finalization of the draft San Diego River Master Plan. Therefore, approval of the General Development Plan was put on hold pending approval of the Master Plan, at which time compliance with the document can be determined.

Schedule: Design commenced in Fiscal Year 2007. During preparation of the General Development Plan, the community expressed a concern regarding approval of the plan without finalization of the draft San Diego River Master Plan. Therefore, approval of the General Development Plan was put on hold pending approval of the Master Plan, at which time compliance with the document can be determined. Construction will be scheduled as funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Sewer Lateral Replacement for Balboa Park / S00619

Council District: 3	Community Plan: Balboa Park
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2004 - 2012	619-533-5328
Improv Type: Replacement - Rehab	adarvishi@sanidiego.gov

Description: This project provides for permanent public capital improvements and deferred maintenance of existing facilities in Balboa Park in accordance with Ordinance 0-19113 and Municipal Code section 22.0229.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Balboa Park, as well as open spaces and coastal beaches, helps define the City's identity, enriches quality of life and serves as a visitor attraction that strengthens the local economy. This regional treasure is threatened by increasing use and a backlog of needed improvements.

Schedule: Phase I of this project provided for televising, repair, and replacement of sewer laterals in 20 buildings. Phase II will televise, repair, and replace the laterals in the next 20 buildings. Phase III will continue with the remaining 20 buildings. The project is currently on hold in Fiscal Year 2010 pending coordination with the Metropolitan Wastewater Department on televising and re-routing of sewer laterals within Balboa Park.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Sixth Avenue Playground Improvements / S00616

Council District:	3	Community Plan:	Balboa Park
Project Status:	Released	Contact Information:	Sharpe, Deborah
Duration:	1998 - 2010		619-525-8261
Improv Type:	New		dsharpe@sandiego.gov

Description: This project will replace an existing playground within Balboa Park's West Mesa along Sixth Avenue. It will include necessary improvements to comply with the American's with Disabilities Act.

Relationship to General and Community Plans: This project complies with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing playground equipment has reached the end of its useful life and needs to be replaced. A majority of the existing playground is not accessible to people with disabilities. This project will bring the playground into conformance with current standards.

Schedule: Design is complete. Construction will be scheduled when funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Sub Area II Recreational Feasibility Study / S00675

Council District: 1	Community Plan: Future Urbanizing Area - Subarea 2
Project Status: Technically completed	Contact Information: Winter, James
Duration: 2005 - 2011	619-533-3519
Improv Type: Replacement	jwinter@sandiego.gov

Description: This project studied the feasibility of providing the community with additional recreational fields.

Relationship to General and Community Plans: This project is consistent with the North City Future Urbanizing Sub Area II Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Proposed area for recreational fields was found to be infeasible due to environmental and cost concerns.

Schedule: Study completed in 2006.

Operating Budget Impact: None.

Summary of Project Changes: This project is completed and will be closed by the end of the fiscal year.

Sunset Cliffs Shoreline Park Improvement / S00633

Council District: 2	Community Plan: Peninsula
Project Status: Released	Contact Information: Jacob, Paul
Duration: 1987 - 2014	619-235-5242
Improv Type: Replacement	pjacob@sandiego.gov

Description: This project will provide for the preparation of a master plan to include public trails and accesses, natural landscaping, drainage control, shoreline and other erosion protection, aesthetically pleasing park signs and other amenities which will enhance the preservation, public safety and appreciation of this passive shoreline park.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The project will provide for a master plan for this environmentally sensitive site which is a unique and extremely valuable natural resource with shoreline cliffs, interesting tidepools and valued open space.

Schedule: This project is complete.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Sunshine Berardini Fields / S00759

Council District: 4	Community Plan: City Heights (Mid-City)
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2006 - 2012	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for a general development plan and design and development of the Sunshine Berardini Fields. The proposed improvements may include a comfort station, playground area, picnic area and amenities, landscaping, security and sport lighting, accessible parking and walkway, pedestrian bridge, ball field upgrades, and habitat restorations as part of the Chollas Creek Enhancement Program.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Scheduling is contingent upon identification of funding.

Justification / Public Benefit: This project contributes to satisfying the population-based park acreage requirement set forth in the City's General Plan.

Summary of Project Changes: The General Development Plan was prepared, and approved by the community. To complete the General Development Plan Phase additional funds of \$450,000 are needed. Project is on hold until funds are identified.

Operating Budget Impact: None.

Taylor Street Slope Reconstruction / S00676

Council District: 2	Community Plan: Old San Diego
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2007 - 2011	619-533-5139
Improv Type: Replacement	koliver@sandiego.gov

Description: This project provides for the reconstruction of a failed slope at the northeastern end of Presidio Park along Taylor Street.

Relationship to General and Community Plans: This project is consistent with the Old San Diego Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to stabilize the slope to prevent further deterioration and damage to Taylor Street. State and federal grants have been authorized for this project and will reimburse the General Fund upon completion of construction.

Schedule: Design began in Fiscal Year 2007 and was completed in Fiscal Year 2008. Construction is scheduled to begin and be completed in Fiscal Year 2010.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Tierrasanta Skate Park / S00997

Council District: 7	Community Plan: Tierrasanta
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2003 - 2013	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for the design and construction of a skateboard park within the Tierrasanta Community Planning Area at a location to be determined later.

Relationship to General and Community Plans: This project is consistent with the Tierrasanta Community Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for additional recreational opportunities in the community.

Schedule: Design and construction will be scheduled when funding is identified.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost increased by \$2,000,000 to \$5,000,000 due to an anticipated increase in project scope and potential land acquisition costs based on recently completed similar projects.

Torrey Pines City Park General Development Plan / S01015

Council District:	1	Community Plan:	North University City
Project Status:	Released	Contact Information:	Sharpe, Deborah
Duration:	2008 - 2011		619-525-8261
Improv Type:	Betterment		dsharpe@sanidiego.gov

Description: This project provides for the preparation of a General Development Plan and associated environmental review for the 447.0 gross acre park located on North Torrey Pines Road. The General Development Plan will incorporate the Glider Port Leasehold and will provide guidance for the development and protection of the Park's beautiful and historic nature. Amenities may include passive use areas, access road and parking lot, children's play area, pedestrian/bicycle paths connecting to beach access, accessibility improvements, signage, site furnishings, and miscellaneous landscaping.

Justification / Public Benefit: This project is required pursuant to a Settlement Agreement between the City and the Coastal Law Enforcement Action Network for violations resulting from unapproved on-site grading activities by the Lessee. Additionally, the park site is located in a community deficient in parks and recreational facilities per the City's General Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the North University City Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and will be completed in Fiscal Year 2011.

Summary of Project Changes: Total project cost has increased by \$100,000 due to an increase in the environmental review scope of work. A City Council Action (1472) will be processed to reallocate funding from unallocated fund balance in the Regional Park Improvement Fund, which will increase the total project cost to \$600,000.

Trenea Mesa Joint Use Sports Field / S00971

Council District:	5	Community Plan:	Scripps Miramar Ranch
Project Status:	Released	Contact Information:	Sharpe, Deborah
Duration:	2009 - 2014		619-525-8261
Improv Type:	New		dsharpe@sandiego.gov

Description: This project provides for the design and construction of 7.0 acres of lighted multi-sports fields at a location west of Trenea Street on San Diego Unified School District-owned property. This project will require a joint-use agreement between the City of San Diego and the San Diego Unified School District.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Schedule: This project is tentatively scheduled to begin in Fiscal Year 2012 and is dependent on the negotiation of a joint-use agreement with the school district.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate is not available. Operational costs for the project will be revised as the project is refined.

Summary of Project Changes: This project has been rescheduled to Fiscal Year 2012 due to the rate of development and fees collected in the community.

Vista Terrace Tot Lot Park / S00766

Council District: 8	Community Plan: San Ysidro
Project Status: Released	Contact Information: Ritter, Clark
Duration: 2007 - 2010	619-533-4601
Improv Type: New	lritter@sandiego.gov

Description: This project provides for upgrades to the Vista Terrace Park playground area and path of travel.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will upgrade the existing play area to ensure compliance with current State safety regulations and State and federal accessibility guidelines.

Schedule: Design and construction began in Fiscal Year 2009 and was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Wegeforth Elementary School Joint Use / S00764

Council District: 8	Community Plan: Serra Mesa
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2012	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the design and construction of approximately four acres at Wegeforth Elementary School for joint-use facilities to supplement existing park acreage in the Serra Mesa Community. Phase I joint-use improvements may include turfed multi-purpose sports fields, multi-purpose courts, walkways, landscaping, and accessibility upgrades. Phase II improvements may include a comfort station.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Schedule: Design began in Fiscal Year 2009. Construction will be scheduled when adequate funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$48,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Westview Park Shade Structure / S01066

Council District: 5	Community Plan: Mira Mesa
Project Status: Released	Contact Information: Cetin, Elif
Duration: 2009 - 2011	619-533-5107
Improv Type: Betterment	ecetin@sandiego.gov

Description: This project provides for the installation of six triangular shade sails with a center flag pole and six pennant standards over the children's play area.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will increase the enjoyment of the play area by park users.

Schedule: Design began and was completed in Fiscal Year 2010. Construction is scheduled for Fiscal Year 2011.

Operating Budget Impact: None.

Windansea Erosion Control Plan / S00656

Council District: 2	Community Plan: La Jolla
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2002 - 2011	619-533-5139
Improv Type: Replacement - Rehab	koliver@sandiego.gov

Description: This project provides for beach access and parking lot improvements, and protection of cliffs and beaches through storm drain erosion control at Windansea Beach. The improvements will be completed in phases as funding becomes available. Phase I includes the construction of three sets of stairs. Phase II includes parking lot and drainage improvements. Future phases may be necessary to address the protection of cliffs and beaches through storm drain erosion control.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I construction was completed in Fiscal Year 2004. Design for Phase II began in Fiscal Year 2008 and construction began in Fiscal Year 2009. Construction will be completed as funding is identified.

Justification / Public Benefit: This project will provide stairs to the beach, coastal bluff stability, improve storm water protection through upgrades to the existing storm drain systems, and parking lot improvements.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Windansea Stairs Railing Replacement / S01069

Council District: Citywide	Community Plan: Citywide
Project Status: Technically completed	Contact Information: Darvishi, Ali
Duration: 2009 - 2010	619-533-5328
Improv Type: Betterment	adarvishi@sanidiego.gov

Description: This project will provide for minor repair of the concrete steps and total replacement of railing at the stairs leading to Windansea Beach.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with City's General Plan.

Justification / Public Benefit: This project will provide better access to beach for the public.

Schedule: This project is complete and will be closed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Camino Ruiz Neighborhood Park Improvements / S00665

Council District: 5	Community Plan: Mira Mesa
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 1999 - 2010	619-533-5139
Improv Type: Replacement	koliver@sandiego.gov

Description: This project provides for development and construction of the Camino Ruiz Neighborhood Park. Phase I of this project is complete and provided for the development of an approximately ten useable-acre neighborhood park located south of Penasquitos Canyon at the intersection of Camino Ruiz and Calle Cristobal, including a comfort station, parking lot, and other park amenities. Phase II provides for the development of a multi-use trail from the park to Los Penasquitos Canyon Preserve. A trail head located within the park will provide an information kiosk for users since the trail will be located within the County's Multiple Species Conservation Program (MSCP) and the City's Multiple Habitat Protection Area (MHPA). Phase III provides for remediation of ballfields after relocation of the Mira Mesa Little League to the future Carroll School Park.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project implements the recommendations found in the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design was complete in Fiscal Year 2005. Phase I of the park improvements was completed in Fiscal Year 2007. Phase II trail improvements were completed in Fiscal Year 2008. Phase III improvements are dependent on the development of the Carroll School Park project which is on hold awaiting funding.

Summary of Project Changes: The project cost and schedule have been updated to reflect the most recent Mira Mesa Public Facilities Financing Plan.

Carmel Valley Neighborhood Park #8 / S00642

Council District: 5	Community Plan: Carmel Valley
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2007 - 2014	619-533-5139
Improv Type: Replacement	koliver@sandiego.gov

Description: This project provides for acquiring and developing a four useable acre neighborhood park in Carmel Valley. Amenities may include a play area, picnic facilities, open turf area, and landscaping. Frontage road improvement will be provided by another project.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan, the Carmel Valley Neighborhood 8 Precise Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide the community with additional recreational opportunities as well enhance the visual quality of the area.

Schedule: The land was acquired as part of the Carmel Valley Restoration and Enhancement Project. Design and construction will be scheduled contingent upon the actual rate of development fees collected within the community and the identification of funding. Design began in Fiscal Year 2009 and is to be completed in Fiscal Year 2011.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$36,000 is based upon the Park and Recreation Department's estimated cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined and all amenities and unique site characteristics are considered.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Carroll School Park Development / S00667

Council District: 5	Community Plan: Mira Mesa
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2004 - 2013	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for developing approximately 11 usable acres of the former Carroll School parksite across the street from Mira Mesa Community Park. Amenities include a comfort station and ballfields. The Mira Mesa Community Park will also be upgraded to include a pool complex, improved recreation center, and skate plaza. The street between the two sites will include parking and street calming. This project will be phased as funding becomes available. Phase I includes the ballfields and street calming. Phase II includes the pool complex and skate plaza. Phase III includes recreation center improvements.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$155,000-\$165,000 for Phase I is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project implements the recommendations found in the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Park design was completed in Fiscal Year 2008. The scheduling of construction cannot proceed as planned until funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Cypress Canyon Neighborhood Park - Phase 2 / S10046

Council District: 5	Community Plan: Scripps Miramar Ranch
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2010 - 2020	619-525-8261
Improv Type: New	dsharpe@sanidiego.gov

Description: This project provides for Phase II of the plan to develop a 12 useable acre neighborhood park. Approximately eight useable acres were developed in 1991 as part of Phase I. This phase calls for the development of an additional four useable acres.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan, and it is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Cypress Canyon Subdivision.

Schedule: Schedule is contingent upon coordination of site development with adjacent private development.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$60,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Del Mar Mesa Neighborhood Park / S00648

Council District: 1	Community Plan: Del Mar Mesa
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2003 - 2012	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for the acquisition, design and construction of a four useable acre neighborhood park to serve the Del Mar Mesa population. Improvements may include turf for active and passive recreation, a children's play area, and a prefabricated comfort station.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park requirements set forth in the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2005 and design was completed in Fiscal Year 2007. Design updates, if necessary, and construction will proceed when funding is identified.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$80,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Summary of Project Changes: The total project cost has increased by \$400,000 due to receipt of construction bids which exceeded available funding and estimated cost.

Council District:	8	Community Plan:	Otay Mesa
Project Status:	Released	Contact Information:	Sharpe, Deborah
Duration:	2005 - 2014		619-525-8261
Improv Type:	New		dsharpe@sandiego.gov

Description: This project provides for acquisition, design, and construction of a nine useable acre park site in the Otay Mesa Community Plan and the Dennerly Ranch Precise Plan area. The park may include a multi-purpose court, restroom, children's play area, picnic area and facilities, open turf area, staging area, and trail with connectivity to the Otay Valley Regional Park.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and the Dennerly Ranch Precise Plan, and is in conformance with the City's General Plan.

Schedule: Acquisition, design and construction will be scheduled contingent upon the rate of development and fees collected in the community.

Justification / Public Benefit: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Dennerly Ranch Subdivision.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$189,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Dingeman School/Spring Canyon Neighborhood Park / S01067

Council District: 5	Community Plan: Miramar Ranch North
Project Status: Technically completed	Contact Information: Oliver, Kevin
Duration: 2007 - 2012	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: The project provides for improvements on the turf multi-sports areas at the Spring Canyon Park. Improvements include replacing irrigation sprinkler heads for more uniformity, bringing in top soil and laser leveling entire multi-sports turfed areas to fill in low spots and provide better drainage, and place Bermuda stolens to fill in bare and worn areas for a safer playing area.

Justification / Public Benefit: Improvements to the turf multi-sports areas at the Spring Canyon Park is needed due to excessive use from youth and adult groups from a variety of sports. Improvements will provide for a safer playing area for the community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Miramar Ranch North Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2007 and was completed in Fiscal Year 2007. Construction began in Fiscal Year 2008 and is scheduled to be completed in Fiscal Year 2011.

Park & Recreation

Parks - Neighborhood

Gonzales Canyon Neighborhood Park / S00994

Council District: 1	Community Plan: Pacific Highlands Ranch
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2007 - 2013	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for the acquisition, design and construction of a five useable acre neighborhood park adjacent to a planned elementary school in the Gonzales Canyon area of the Pacific Highlands Ranch Community.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Sub Area Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Gonzales Canyon area of Pacific Highlands Ranch Subdivision.

Schedule: Land acquisition is scheduled to be completed in Fiscal Year 2011. Design is anticipated to begin in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$60,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Hidden Trails Neighborhood Park / S00995

Council District: 8	Community Plan: Otay Mesa
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2007 - 2013	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for the acquisition, design and construction of a four useable acre neighborhood park serving the Otay Mesa Community. Amenities may include an open turfed area and children's play area, as well as off-site improvements to serve the park.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan, the Hidden Trails Precise Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Hidden Trails Subdivision.

Schedule: Land acquisition began in Fiscal Year 2008 and is scheduled to be completed in Fiscal Year 2011. Design is scheduled to begin in Fiscal Year 2011. Project construction is dependent upon the actual rate of development within the Otay Mesa Community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$73,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Home Avenue Park / S00673

Council District: 4	Community Plan: City Heights (Mid-City)
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2002 - 2013	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the design and construction of a new six acre neighborhood park with approximately two useable acres, enhancements to Chollas Creek, and associated traffic improvements on Home Avenue for pedestrian crossing.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Schedule: Design is scheuled to be completed in Fiscal Year 2011. Construction documents and construction will be scheduled when funding is identified.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$24,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Kellogg Park Play Area Improvements / S00974

Council District: 1	Community Plan: La Jolla
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2014	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the installation of new playground equipment and resilient surface in existing play area.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Improvements to the play area will increase enjoyment for users.

Schedule: Design and construction of this project were complete in Fiscal Year 2010.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Maddox Neighborhood Park Playground Upgrades / S10086

Council District:	5	Community Plan:	Mira Mesa
Project Status:	Created	Contact Information:	Nassar, Mark
Duration:	2010 - 2014		619-533-3172
Improv Type:	Betterment		mnassar@sandiego.gov

Description: This project provides for the design and construction/installation for the upgrade/replacement of existing playground equipment at Maddox Neighborhood Park and all associated Americans with Disabilities Act and drainage improvements required to comply with all State and federal accessibility guidelines and City standards.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in conformance with the Mira Mesa Community Plan and the City's General Plan.

Justification / Public Benefit: The Americans with Disabilities Act (ADA) of 1995 requires that children's play areas provide like facilities for all children regardless of physical ability. This includes equipment, as well as a resilient surfacing which is accessible to persons with disabilities. This project will also upgrade the children's play areas to be fully compliant with current State safety regulations and federal ADA requirements.

Schedule: Design began in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Montclair Neighborhood Park Play Area / S10027

Council District: 3	Community Plan: Greater North Park
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2010 - 2014	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for the design and construction of a children's play area, and all associated Americans with Disabilities Act (ADA)/Title 24 requirements to comply with all State and federal accessibility guidelines and City standards.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan

Justification / Public Benefit: This project replaces and upgrades the children's play area in which the play equipment was destroyed by an automobile accident.

Schedule: Project design began in Fiscal Year 2009 and is scheduled to be completed in Fiscal Year 2011.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Montgomery Waller Community Park / S00754

Council District: 8	Community Plan: Otay Mesa - Nestor
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2005 - 2014	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for lighting and park improvements at the Montgomery-Waller Community Park. Phase I of this project provides for the addition of lighting to the existing multi-purpose softball, soccer, and football field; Phase II will replace the comfort station.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa-Nestor Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide needed facilities to expand the hours of use at the park and provide safer access for park users.

Schedule: Phase I was completed in Fiscal Year 2006. Phase II design began in Fiscal Year 2007 and is scheduled to be completed in Fiscal Year 2011.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$12,600 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Summary of Project Changes: The scope of the project for phase II has changed from constructing additional parking to replacing the comfort station because street parking was identified to accommodate additional vehicles.

Mountain View Neighborhood Park Area Upgrades / S11019

Council District: 4	Community Plan: Southeastern San Diego
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2011 - 2014	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for Americans with Disabilities Act (ADA) upgrades and improvements to the children's play area and path of travel within the park to comply with State and federal safety and accessibility guidelines, and will serve the needs of existing and future residents.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to upgrade existing site improvements and play area facilities to meet current federal and State safety and accessibility regulations.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Park & Recreation

Parks - Neighborhood

Rancho Encantada Neighborhood Park #1 / S10122

Council District: 7	Community Plan: Rancho Encantada
Project Status: Technically completed	Contact Information: Mahmalji, Samir
Duration: 2005 - 2011	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for acquisition and development of a neighborhood park in the Rancho Encantada Community consisting of approximately eight useable acres.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Justification / Public Benefit: This park will be located in the core of the community. In accordance with the City of San Diego's "Progress Guide and General Plan," new development is to provide 2.4 acres of park land improvement for every 1,000 people. With an estimated population of 3,328, the required park acreage would be eight acres. The project meets this requirement. The park has been prepared with the concept that it is centrally located, therefore accessible for bicyclists and pedestrians and is planned to include both active and passive activities. At 2.4 acres per 1,000 population, this park site satisfies the acreage requirements for this community as set forth in the general plan.

Relationship to General and Community Plans: This project is consistent with the Rancho Encantada Community Plan and is in conformance with the City's General Plan.

Schedule: Construction was completed in Fiscal Year 2009. Reimbursement to the developer is contingent upon reimbursement request being submitted and funds being available.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Rancho Encantada Park #2 / S00652

Council District:	7	Community Plan:	Rancho Encantada
Project Status:	Released	Contact Information:	Mahmalji, Samir
Duration:	2006 - 2014		619-533-5301
Improv Type:	New		smahmalji@sandiego.gov

Description: This project provides for acquisition and development of approximately six acres for a neighborhood park to include active and passive uses.

Relationship to General and Community Plans: This project is consistent with the Rancho Encantada Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This park will meet the requirements of the population-based park acreage requirements set forth in the City's General Plan.

Schedule: Design was completed in Fiscal Year 2008. Construction is contingent upon the finalization of reimbursement agreements. This is a turn-key park built by the Developer team.

Operating Budget Impact: Maintenance and operations will be administered by the Maintenance Assessment District.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Ridgewood Neighborhood Park Playground / S00672

Council District: 1	Community Plan: Black Mountain Ranch
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2008 - 2010	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project will bring the children's play area at Ridgewood Neighborhood Park into compliance with Americans with Disabilities Act (ADA) standards and requirements.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The Americans with Disabilities Act (ADA) of 1995 requires that children's play areas provide like facilities for all children, regardless of physical ability. This includes equipment, as well as a resilient surfacing, which is accessible to persons with disabilities.

Schedule: Design began in Fiscal Year 2008 and construction was completed in Fiscal Year 2010.

Riviera Del Sol Neighborhood Park / S00999

Council District: 8	Community Plan: Otay Mesa
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2006 - 2013	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for land acquisition and development of a 4.9 useable acre neighborhood park at a site located in the Riviera del Sol Subdivision.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan, the Riviera del Sol Precise Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Riviera del Sol Subdivision.

Schedule: Land acquisition began in Fiscal Year 2008 and is scheduled to be completed in Fiscal Year 2010. Design and construction are scheduled to begin in Fiscal Year 2011. This schedule is dependent upon the actual rate of development within the community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$60,000 - \$70,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Silver Wing Neighborhood Park Sports Fld & Sec Lgt / S11051

Council District: 8	Community Plan: Otay Mesa - Nestor
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2011 - 2015	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for the design and construction of multi-purpose sports fields and security lighting systems at the Silver Wing Neighborhood Park. The project will be phased with Phase I consisting of the lighting systems' design. Subsequent phases will be implemented as funding becomes available.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Nestor Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to expand the hours of facility use and its capacity to serve the community's residential growth, and will provide a more secure facility.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction will be phased as funding is identified.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, however, it is estimated that \$6,000 will be required annually based upon Park and Recreation Departments current cost to maintain lighting in various parks.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2002 - 2010	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the acquisition, design and construction of a five useable acre neighborhood park to serve the northern area of the Torrey Highlands community, including half-width street improvements.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Schedule: Construction was completed in Fiscal Year 2008. The project is completed and will be closed by the end of the fiscal year.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Torrey Highlands Neighborhood Park South / S00651

Council District: 1	Community Plan: Torrey Highlands
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2003 - 2012	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the acquisition, design and construction of a five useable acre neighborhood park in Torrey Highlands adjacent to a proposed elementary school, including half-width street improvements and a comfort station.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2010. Construction is scheduled to be completed in Fiscal Year 2011.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$48,000 is based upon the Park and Recreation Department's estimated cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined and all amenities and unique site characteristics are considered.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Torrey Highlands Park Play Area Upgrades / S11020

Council District: 1	Community Plan: Carmel Valley
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2011 - 2015	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for Americans with Disabilities Act upgrades and improvements to the children's play area and path of travel within the park to comply with State and federal safety and accessibility guidelines. This project includes an accessible on-street parking space, curb ramp, site furniture, and accessible play area equipment and surfacing.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley (North City West) Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction will be phased as funding is identified.

Justification / Public Benefit: This project is needed to upgrade existing site improvements and play area facilities to meet current federal and State safety and accessibility regulations.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Operating Budget Impact: None.

Views West Neighborhood Park ADA Upgrades / S10031

Council District: 1	Community Plan: Rancho Penasquitos
Project Status: Created	Contact Information: Oliver, Kevin
Duration: 2010 - 2014	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for Americans with Disabilities Act (ADA) accessibility upgrades and improvements to the park site and to the children's play area. The project will provide for accessible paths of travel within the park, upgrades to the comfort station and concession stand, upgrades to existing site furnishings, and upgrades to the parking area. This project upgrades both play areas to meet current accessibility standard by providing new play equipment, safety surfacing, and upgrades seating near the play areas.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2011.

Justification / Public Benefit: This project is needed to upgrade existing site improvements and play area facilities to meet current federal and State safety and accessibility regulations.

Summary of Project Changes: It is anticipated that this project will receive CDBG funding in Fiscal Year 2011.

Operating Budget Impact: None.

Walker Neighborhood Park Playground Upgrades / S10092

Council District: 5	Community Plan: Mira Mesa
Project Status: Created	Contact Information: Oliver, Kevin
Duration: 2010 - 2014	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project provides for the design and construction/installation for the upgrade/replacement of existing playground equipment at Walker Neighborhood Park and all associated ADA and drainage improvements required to comply with all State and federal accessibility guidelines and City standards.

Operating Budget Impact: None.

Justification / Public Benefit: The Americans with Disabilities Act (ADA) of 1995 requires that children's play areas provide like facilities for all children regardless of physical ability. This includes equipment, as well as a resilient surfacing which is accessible to persons with disabilities. This project will also upgrade the children's play areas to be fully compliant with current State safety regulations and Federal ADA requirements.

Relationship to General and Community Plans: This project is in conformance with the Mira Mesa Community Plan and the City's General Plan.

Schedule: Design began in Fiscal Year 2010. Construction is scheduled to begin Fiscal Year 2011.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Wightman Street Neighborhood Park / S00767

Council District: 7	Community Plan: Eastern Area (Mid-City)
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2007 - 2012	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the design and development of Wightman Street Neighborhood Park on 0.9 acres of parkland. The park development will also include the implementation of the Chollas Creek Enhancement Program for Auburn Creek located on site.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Schedule: Design began in Fiscal Year 2007. Construction is scheduled to begin as funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$10,000 is based upon the Park and Recreation Department's estimated cost to maintain various landscaped areas, however the project is not anticipated to be completed within the next five years. Operational costs for the project will be revised as the project is refined and all amenities and unique site characteristics are considered.

Chollas Community Park / S00654

Council District:	4, 7	Community Plan:	Eastern Area (Mid-City)
Project Status:	Released	Contact Information:	Mahmalji, Samir
Duration:	1989 - 2014		619-533-5301
Improv Type:	New		smahmalji@sandiego.gov

Description: This project provides for the design and development of North Chollas Community Park, located on College Grove Drive midway between 54th Street and College Avenue. Phase I improvements consist of a sports field, parking area, access road, tot lot, and comfort station with concession area. Future phases may include additional sports and multi-purpose fields, a play area, basketball courts, picnic areas, additional parking areas, creek enhancement, trails, a gymnasium, and a dog off-leash area.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: The multi-purpose ballfield was completed. Remaining Phase II improvements and additional phases will be scheduled as funding is identified.

Justification / Public Benefit: This project will provide a park and athletic facility to serve the greater community. The surrounding area is not currently served by a community park and the region is deficient in sports facilities and open park areas.

Summary of Project Changes: The total estimated project cost increased by \$6.8 million due to a revised project cost estimate.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$30,000 is based upon the Park and Recreation Department's estimated cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined and all amenities and unique site characteristics are considered.

Florida Canyon Drainage & Trail Improvements / S00770

Council District: 3	Community Plan: Balboa Park
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2009 - 2011	619-533-5328
Improv Type: Betterment	adarvishi@sanidiego.gov

Description: This project provides for Florida Canyon drainage and trail improvements and exotic plant removal.

Relationship to General and Community Plans: This project is consistent with the East Mesa Precise Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide erosion prevention in Florida Canyon by removing the exotic plant material and improving the drainage. This project will also improve existing trails within the canyon.

Schedule: Design began in Fiscal Year 2008 and is scheduled for completion in Fiscal Year 2011. Construction is scheduled in Fiscal Year 2011 using continuing appropriations.

Operating Budget Impact: No operating impact is expected at this time.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Mission Valley Preserve Habitat Enhancement / S00755

Council District: 6	Community Plan: Mission Valley
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2009 - 2011	619-525-8261
Improv Type: Replacement - Rehab	dsharpe@sandiego.gov

Description: This project provides for the enhancement of 4.22 acres within the Mission Valley Preserve by eradicating non-native vegetation and replanting native plants. The project area is located west of Interstate 5, west of the trolley line, north of Interstate 8 and south of the San Diego River.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will enhance the riparian habitat of the San Diego River for native flora and fauna preservation and public enjoyment.

Schedule: Implementation of the project was completed in Fiscal Year 2010. Plant establishment will be completed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Multiple Species Conservation / S01076

Council District:	1	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Tracanna, John
Duration:	2000 - 2048		619-533-3682
Improv Type:	New		jtracanna@sandiego.gov

Description: This project provides for acquiring property in support of the Multiple Species Conservation Program (MSCP).

Justification / Public Benefit: The Multiple Species Conservation Program (MSCP) Implementing Agreement, Section 10(a), Take Authorization of the Endangered Species Act, mandates a statutory responsibility on the part of the City to assemble the MSCP preserve. This responsibility includes public land acquisition to be used for wildlife habitat.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Land acquisitions began in Fiscal Year 2000 and will continue as funding becomes available through Fiscal Year 2047. Per the City's MSCP Implementing Agreement (I.A.), preservation of 52,727 acres is to occur within the Multi-Habitat Planning Area (MHPA). To date, 49,230 acres (93%) have been conserved or obligated. The remaining 3,497 acres will be conserved through various means including mitigation, exactions, and acquisitions. Funding necessary to purchase the remaining 3,497 acres is estimated to be \$120.2 million without contributions through mitigation and exactions. It is anticipated that approximately one third of this obligation will be met through mitigation and exactions as part of the development process. Grant funding will be activity pursued as a future funding source for acquisitions. The total project cost has been updated to reflect future property acquisitions pursuant to the MSCP established by Council Resolution R-28455 on March 19, 1997.

Summary of Project Changes: The City's mandated/statutory responsibility cost has been reduced by \$26.2 million. The estimated total cost has been reduced due to federal Section 6 Grant and matching Wetlands Acquisition Funds being received; current market values of land acquisition; and augmented Multi-Habitat Planning Area acquired acreage.

Open Space Improvements / AGG00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Winter, James
Duration:	2010 - 2020		619-235-5257
Improv Type:	New		jwinter@sandiego.gov

Description: This project provides for developing public facilities within the City's resource-based open space parks. Improvements may include rehabilitation of Cowles Mountain Trail, drainage improvements within Tecolote Open Space, San Diego River improvements, Arizona Landfill reclamation test plot, and North Chollas Open Space enhancement.

Justification / Public Benefit: This project is needed to preserve and enhance the City's open space areas. Enhancement may include removal of exotic, invasive and non-native plant material and re-vegetation with native plants of the areas susceptible to erosion.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and the concepts relative to specific open space systems, and is in conformance with the City's General Plan.

Schedule: The Arizona Landfill is currently in design. North Chollas Open Space enhancement is ongoing. Design for improvements at Cowles Mountain and Tecolote began in Fiscal Year 2009. Florida Canyon Riparian Restoration will begin after the completion of the Florida Canyon drainage project.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Duration: 2008 - 2014	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for design of the regional staging area in Otay Valley Regional Park and may include grading, drainage, utilities, restroom, security lights, interpretive kiosk, horse corals, a project sign, drinking fountain, and trails for hiking, biking, and equestrian users.

Relationship to General and Community Plans: This project is consistent with the Otay Valley Regional Park Concept Plan, and the Otay Mesa-Nestor Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide equestrian, hiking, and biking access to the Otay Valley Regional Park.

Schedule: Design and construction will be scheduled upon identification of funding.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$50,000 - \$75,000 is based upon the Park and Recreation Department's current cost to maintain various open space areas. Operational costs for the project will be revised as the project is refined.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Sunset Cliffs Natural Park Hillside Improvements / S10091

Council District: 2	Community Plan: Peninsula
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2010 - 2015	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project will complete improvements to the hillside portion of the Sunset Cliffs Natural Park, consisting of final project design documents, environmental review and construction documents. Future phases of this project may include construction of trails, habitat restoration, erosion control, removal of houses within the park, and the removal and return to natural vegetation of the softball field.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010. Construction will be scheduled when the project and funding is fully identified.

Justification / Public Benefit: This project is needed to preserve and enhance the Sunset Cliffs Natural Park, one of the unique coastal environments in San Diego County. The project begins the implementation of the Sunset Cliffs Natural Park Master Plan which was approved in 2005.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: This park will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been completed and therefore, operational costs for the project will be developed as the project is refined.

Crest Canyon Resource Management Plan / S10067

Council District: 1	Community Plan: Carmel Valley, Torrey Pines
Project Status: Created	Contact Information: Garcia, Joshua
Duration: 2009 - 2013	619-533-6713
Improv Type: New	jgarcia@sandiego.gov

Description: This project provides for the completion of an existing biology report, a literature review, data collection, and formulation of Area Specific Management Directives to manage the Multiple Species Conservation Program (MSCP) covered species within Crest Canyon.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley and Torrey Pines Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide a management framework for sensitive resources within the plan area.

Schedule: This project began in Fiscal Year 2010 and will be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Mission Bay/Fiesta Island Development Plan / S00624

Council District: 2, 6	Community Plan: Mission Bay Park
Project Status: Released	Contact Information: Winter, James
Duration: 2005 - 2011	619-235-5257
Improv Type: Betterment	jwinter@sandiego.gov

Description: This project provides for the refinement and design development of the general development plan for Fiesta Island as proposed in the Mission Bay Park Master Plan Update.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: General development plan refinement and design development will provide the next necessary step prior to preparation of construction documents for Fiesta Island development, which will implement the recommendations of the Mission Bay Master Plan Update.

Schedule: Design began in Fiscal Year 2006 and is scheduled to be complete in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Old Mission Dam Preservation / S00611

Council District:	3, 6	Community Plan:	Navajo
Project Status:	Released	Contact Information:	Darvishi, Ali
Duration:	1994 - 2016		619-533-5328
Improv Type:	Replacement		adarvishi@sandiego.gov

Description: This project provides for dredging behind the Old Mission Dam for the purpose of removing silt buildup, the required mitigation and monitoring program, and obtaining the necessary permits for long term preservation measures.

Schedule: Construction was completed in Fiscal Year 2008. Wetland mitigation began in Fiscal Year 2008 and will continue in Fiscal Year 2011 with mitigation and monitoring scheduled through Fiscal Year 2013.

Justification / Public Benefit: This project will protect the structural integrity of the historic dam and improve water quality within the San Diego River.

Summary of Project Changes: The total project cost has been increased by \$255,000 due to revised scope of work. For Fiscal Year 2011, this project was allocated \$170,000 from fund balance in the Environmental Growth Fund 1/3 (Fund 200110). Additionally, a City Council Action (1472) will be processed in Fiscal Year 2011 to transfer \$85,000 to this project from Mission Trails Regional Park Trail Realignment (S10066).

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with Mission Trails Regional Park Master Plan, the Navajo Community Plan, and is in conformance with the City's General Plan.

Council District: Citywide	Community Plan: Otay Mesa
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2009 - 2010	619-533-5328
Improv Type: Betterment	adarvishi@sanidiego.gov

Description: This project provides for an accessible trail in Otay Valley Regional Park from the Beyer Staging Area around Fenton Pond.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide for increased recreational opportunities in Otay Valley Regional Park.

Schedule: Design began in Fiscal Year 2009 and construction was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Council District: 8	Community Plan: Otay Mesa - Nestor
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2005 - 2013	619-533-5328
Improv Type: Betterment	adarvishi@sanidiego.gov

Description: This project provides for the first staging area in Otay Valley Regional Park and will include hiking trails, a ranger station and related amenities.

Relationship to General and Community Plans: This project implements the recommendations found in the Otay River Valley Natural Resource Management Plan and the Otay Mesa-Nestor Community Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide access to the Otay Valley Regional Park.

Schedule: Design was completed in Fiscal Year 2006. Construction is scheduled for completion in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Resource-Based Open Space Parks / AGE00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Harwell, Steve
Duration:	2010 - 2020		619-533-6729
Improv Type:	New		sharwell@sandiego.gov

Description: This annual allocation provides for developing public facilities within the City's resource-based (Parks to Population Ratio - approximately 20 acres/1,000 people, Population Based: 2.8 acres, Resource Based/Open Space: 16.0 acres, Athletic Areas/Mini Parks: 1.6 acres) open space parks, including Los Penasquitos Canyon Preserve, Mission Trails Regional Park, Marian Bear Memorial Park, Tecolote Canyon Natural Park, Otay Valley Regional Park, Rose Canyon and other open space parks such as Black Mountain. Other open space systems may be included as additional acquisitions are completed.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Design and construction will be phased in accordance with the scope of various sub-projects.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Justification / Public Benefit: The City's open space acquisitions have resulted in increased interest by citizens, elected representatives and State/federal agencies in commencing development of open space public facilities, which are consistent with open space concepts such as trails, signs, historic site improvements, picnic facilities, and entry points.

Council District: 2	Community Plan: Peninsula
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2005 - 2011	619-533-5328
Improv Type: New	adarvishi@sandiego

Description: This project provides for a study to identify and analyze drainage and erosion issues at Sunset Cliffs National Park, recommend solutions, and provide environmental review of the recommendations.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Drainage and erosion improvements to the park are recommended in the Peninsula Community Plan and the Sunset Cliffs Natural Park Master Plan.

Schedule: The study began in Fiscal Year 2006 and will continue through Fiscal Year 2011.

Operating Budget Impact: None.

Del Mar Mesa Northern Hiking/Equestrian Trail / S00892

Council District:	1	Community Plan:	Del Mar Mesa
Project Status:	Released	Contact Information:	Thompson, Richard
Duration:	2002 - 2010		619-533-6756
Improv Type:	New		rthompson@sanidiego.gov

Description: This project provides for an eight-foot wide hiking and equestrian trail, 8,000 feet long, extending northerly from the Carmel Mountain Road and Del Mar Mesa Road intersection area, then westerly in the developable area along open space. The trail will continue to the westerly end of Del Mar Mesa Road. This project also includes improvements to a 1,000-foot long existing trail that extends northerly into Carmel Valley Neighborhood 8.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2007. Construction began in Fiscal Year 2007 and was scheduled to be completed in Fiscal Year 2010; however, completion of construction is contingent upon construction development.

Justification / Public Benefit: This project provides additional recreational opportunities in Del Mar Mesa.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Del Mar Mesa Southern Multi-Use Trail / S00889

Council District:	1	Community Plan:	Del Mar Mesa
Project Status:	Released	Contact Information:	Thompson, Richard
Duration:	2002 - 2009		619-533-6756
Improv Type:	New		rthompson@sandiego.gov

Description: This project provides for a surfaced eight-foot wide multi-use trail, 2,000 feet long, extending southerly from the end of Del Mar Mesa Road, crossing the Meadows Del Mar entry road. The trail will branch westerly to connect to the wildlife crossing under Carmel Country Road, and easterly to connect to the Shaw Valley and Neighborhood 10 trails in Carmel Valley.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2007. Construction began in Fiscal Year 2007 and is scheduled to be completed when funding is identified.

Justification / Public Benefit: This project provides additional recreational opportunities.

Hiking & Equestrian Trail Neighborhood Park #10 / S00722

Council District:	1	Community Plan:	Carmel Valley
Project Status:	Released	Contact Information:	Ball, Laura
Duration:	1999 - 2009		619-533-6727
Improv Type:	New		lball@sandiego.gov

Description: This project provides for a multi-use trail connection from Del Mar Mesa to Neighborhood 10.

Justification / Public Benefit: The construction of the identified trails or trail connections will contribute to completion of connectivity with the existing City and Regional trail system, providing benefits to the community, including increased recreational opportunities, protection of sensitive natural resources, and alternate transportation opportunities to residents and visitors.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and the Carmel Valley Neighborhood 10 Precise Plan, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2007. Construction began in Fiscal Year 2009. This schedule is contingent upon the rate of development and fees collected in the community. The project is expected to be completed in Fiscal Year 2011. Completion is dependent on development construction build out.

Project Status: Released	Contact Information: Thompson, Richard
Duration: 2003 - 2010	619-533-6756
Improv Type: New	rthompson@sandiego.gov

Description: This project provides for the construction of an unimproved multi-use trail, 8,000 feet long extending easterly from the end of Z Street to the San Diego Gas and Electric easement. The trail will continue southerly within the easement into Penasquitos Canyon.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides additional recreational opportunities in Del Mar Mesa.

Schedule: Design was completed in Fiscal Year 2007. Construction began in Fiscal Year 2010. The project is expected to be completed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Mission Trails Regional Park Trail Realignments / S10066

Council District:	7	Community Plan:	Navajo, Tierrasanta
Project Status:	Created	Contact Information:	Thompson, Richard
Duration:	2009 - 2011		619-668-3276
Improv Type:	New		rthompson@sandiego.gov

Description: This project provides for design, engineering and construction of approximately 5,000 linear feet of new (realignment) trail and rehabilitation of approximately 3,500 linear feet of existing trail. This is to supplement existing and increased recreational activity of all visitor user groups (hikers, bikes, equestrian) and to stabilize and protect sensitive habitat and natural resources currently impacted by poor trail alignment. Improvements will include vegetation pruning and trimming, as well as hand crew manipulation of soils for best location of trails that will meet City Trail Standards (safety and sustainability). Locations of these trail realignments have been roughly engineered on-site but will require environmental review and approval. No grading is anticipated. No trails in this area are Americans with Disabilities Act (ADA) accessible and this realignment would not provide (ADA) opportunities due to lack of access.

Justification / Public Benefit: New realignment will provide for improved safety to visitors and protection of sensitive resources.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Plan, the Navajo and Tierrasanta Community Plans, and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2009 and is scheduled to be completed in Fiscal Year 2011.

Summary of Project Changes: The total project cost has decreased by \$170,000 due to revised scope of work. A City Council Action (1472) will be processed to authorize the transfer of \$85,000 from this project to the Mission Trails Regional Park Master Plan Update (S-01014) and \$85,000 to the Old Mission Dam Preservation Project (S-00611).

North Park/Main Street Sidewalk Improvements / S10040

Council District: 3	Community Plan: Greater North Park
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2016	619-533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: The project provides for the replacement of existing red sidewalk and decorative tile pavement along 30th Street and University Avenue near the Main Street area of North Park.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The project will replace existing red sidewalk and decorative tiles that are cracked, deteriorated, and missing.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: Cleaning activities along the sidewalk including litter pick-up, sweeping, and steam cleaning will continue after the project is completed. Maintenance is funded by the Greater North Park Maintenance Assessment District; no additional operating budget impact as a result of this project is anticipated.

Summary of Project Changes: \$25,000 from the North Park CIP fund has been allocated to this project for Fiscal Year 2011.

Del Mar Terrace Street Improvements / S10038

Council District: 1	Community Plan: Torrey Pines
Project Status: Created	Contact Information: LaSelle, Kim
Duration: 2010 - 2016	(619) 527-5455
Improv Type: Betterment	klaselle@sandiego.gov

Description: This project will provide for the resurfacing and slurry sealing of residential streets within the Del Mar Terrace Maintenance Assessment District. Additional improvements may include upgrades to asphalt berms and curb and gutter installation where needed.

Justification / Public Benefit: This project is an identified improvement in the Del Mar Terrace Maintenance Assessment District which includes slurry seal maintenance every five years and resurfacing every 15 years.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Schedule: Slurry sealing began in Fiscal Year 2010 and will continue in Fiscal Year 2011. Resurfacing may occur as needed.

Summary of Project Changes: An additional \$165,000 of Del Mar Terrace MAD funding has been allocated to this project in Fiscal Year 2011.

Talmadge Street Improvements / S00820

Council District:	3	Community Plan:	Kensington - Talmadge (Mid-City)
Project Status:	Released	Contact Information:	Bruner, Nathan
Duration:	2002 - 2014		(619) 533-7426
Improv Type:	New		nbruner@sandiego.gov

Description: This project provides for improvements within the Talmadge Maintenance Assessment District (MAD) including historic metal gate restoration and replacement; landscaping of the existing traffic circle located at 49th Street and Lorraine Drive; street lighting improvements; and new signage, sidewalk, curb, and gutter upgrades. The MAD is divided into two zones (east and west). Ornamental lighting improvements are planned for Zone 1 (east). Upgrades and improvements to the existing lighting infrastructure are planned for Zone 2 (west).

Justification / Public Benefit: This project provides for a variety of improvements within the boundaries of the Talmadge MAD which will provide visual neighborhood enhancements and support commercial revitalization.

Operating Budget Impact: The Talmadge MAD will maintain the enhanced street lights and other improvements installed through this project. Maintenance of this area is identified as an improvement in the Talmadge MAD Assessment Engineer's Report and the Talmadge Master Plan. The estimated operating budget impact will be known after the completion of design.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Schedule: Initial restoration and replacement of the historic gates have been completed. Design began in Fiscal Year 2010. Street lighting installation is scheduled to begin in late Fiscal Year 2010 or early Fiscal Year 2011 in conjunction with utilities undergrounding.

Summary of Project Changes: An additional \$100,000 in Talmadge CIP funding has been allocated to this project in Fiscal Year 2011.

Bird Rock Median Lighting / S11007

Council District: 1	Community Plan: La Jolla
Project Status: Created	Contact Information: Winter, James
Duration: 2011 - 2012	(619) 533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project would provide for the lighting of medians located within the Bird Rock Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and it is in conformance with the City's General Plan.

Justification / Public Benefit: Median street lighting will provide illumination of planting and trees within Bird Rock along La Jolla Boulevard. Street lighting within the boundaries of the Bird Rock Maintenance Assessment District is an identified improvement in accordance with the Assessment Engineer's Report.

Schedule: Design and construction are scheduled for Fiscal Year 2011.

Operating Budget Impact: The Bird Rock Maintenance Assessment District will provide for maintenance and energy costs associated with the enhanced street lighting. The operating budget impact will be estimated when design is complete.

Summary of Project Changes: This newly published project will provide for median street lighting within the Bird Rock Maintenance Assessment District.

Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2016	(619) 533-3172
Improv Type: Replacement	mnassar@sandiego.gov

Description: This project provides for the installation of landscape and stamped concrete to replace asphalt medians in this transportation corridor.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and it is in conformance with the City's General Plan.

Justification / Public Benefit: This project is an identified improvement in the Mira Mesa Maintenance Assessment District.

Schedule: This project will not be implemented at this time.

Operating Budget Impact: Sweeping and upkeep of medians will continue to be funded by the Mira Mesa Maintenance Assessment District.

Summary of Project Changes: Funds will be returned to the Mira Mesa Maintenance Assessment District fund balance and this project will be closed by the end of the fiscal year.

Council District: 5	Community Plan: Mira Mesa
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2011 - 2016	(619) 533-3172
Improv Type: Replacement	mnassar@sandiego.gov

Description: This project provides for the renovation and replacement of existing asphalt medians with stamped concrete medians.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and it is in conformance with the City's General Plan.

Justification / Public Benefit: This project is an identified improvement in the Camino Santa Fe Maintenance Assessment District. The existing medians are old and damaged and in need of renovation or replacement.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction will be scheduled when sufficient funding becomes available.

Operating Budget Impact: The Camino Santa Fe Maintenance Assessment District will be responsible for maintenance associated with the medians. The operating budget impact is estimated to be minimal, as current sweeping and cleaning schedules would continue.

Summary of Project Changes: An additional \$30,000 of Camino Santa Fe MAD funding has been allocated to this project in Fiscal Year 2011.

Council District: 1	Community Plan: Carmel Valley
Project Status: Created	Contact Information: Palaseyed, Abi
Duration: 2010 - 2016	619-533-3172
Improv Type: Replacement	mnassar@sandiego.gov

Description: This project provides for the installation of landscaping and accompanying stamped concrete to an unimproved median along Carmel Country Road.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The benefit of this project is to improve the visual quality and integrity of the street medians through street and landscaping improvements.

Schedule: Design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled for Fiscal Year 2011.

Operating Budget Impact: The existing unimproved median is currently maintained for trash and weed removal by the Carmel Valley Maintenance Assessment District. Once the project is completed, the additional landscape maintenance services will be funded by the District.

Summary of Project Changes: An additional \$65,000 of Carmel Valley MAD funding has been allocated to this project in Fiscal Year 2011.

El Cajon Boulevard Streetscape Improvements / S00826

Council District:	3, 7	Community Plan:	Normal Heights (Mid-City), Kensington - Talmadge (Mid-City), City Heights, North Park
Project Status:	Released	Contact Information:	Lasaga, Fernando
Duration:	1994 - 2016		619-533-7406
Improv Type:	New		flasaga@sandiego.gov

Description: This project provides for streetscape improvements, which include the installation of street lights and replacement of sidewalks, curbs, and gutters along El Cajon Boulevard from Interstate 805 east to 54th Street.

Justification / Public Benefit: The El Cajon Boulevard revitalization project began as a part of the Mid-City Commercial Revitalization Program (which was originally funded by a Community Development Block Grant and TransNet). This project will continue the approved design along additional commercial blocks using funding from the El Cajon Boulevard Maintenance Assessment District (MAD). The MAD Assessment Engineer's Report identifies streetscape improvements including street lighting as an improvement within the project area.

Operating Budget Impact: Those projects that are identified as improvements in the El Cajon Boulevard MAD Assessment Engineer's Report will be maintained by the El Cajon Boulevard MAD. The MAD will fund the maintenance and energy costs associated with the special benefit street lighting installed by this project. Since design for the street light element has not been completed, the actual number of street lights to be installed by this project and resultant operating budget effect is not known.

Relationship to General and Community Plans: This project implements the Mid-City and Greater North Park Community Plans and is in conformance with the City's General Plan.

Schedule: Design and construction of additional streetlighting was scheduled to begin in Fiscal Year 2010 and to be completed in Fiscal Year 2011. Additional street lights and curb, sidewalk, and gutter improvements are planned when funding becomes available.

Summary of Project Changes: An additional \$100,000 of Mid City MAD CIP funding has been allocated to this project in Fiscal Year 2011.

Council District: 5	Community Plan: Rancho Bernardo
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2016	(619) 533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: This project provides for the renovation and replacement of existing asphalt medians along Pomerado Road between Greens East Road/Paseo Del Verano to Oaks North Drive with landscape improvements and accompanying stamped concrete at various locations.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and it is in conformance with the City's General Plan.

Justification / Public Benefit: This project will enhance the appearance of the corridor through the replacement of deteriorating medians.

Schedule: Design and construction will be scheduled upon identification of funding.

Operating Budget Impact: Newly planted medians will require additional maintenance which will be funded from the Rancho Bernardo Maintenance Assessment District. The estimated cost to maintain the enhanced medians will become known once design is completed.

Summary of Project Changes: An additional \$125,000 of Rancho Bernardo Maintenance Assessment District funding has been allocated to this project in Fiscal Year 2011. The project scope has been narrowed to include solely the median between Greens East Road/Paseo Del Verano to Oaks North Drive along Pomerado Road.

Project Status: Released	Contact Information: Nassar, Mark
Duration: 2010 - 2016	(619) 533-3172
Improv Type: Replacement	mnassar@sandiego.gov

Description: This project provides for replacement of the asphalt paving around existing landscaped medians at various locations along Pomerado Road south of Rancho Bernardo Road.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Existing medians are deteriorating and are in need of repairs. Median improvements will enhance the visual quality of the area.

Schedule: Design and construction of the first two segments (Caminito Vecinos North to Caminito Vecinos South and Caminito Vecinos South to Avenida la Valencia) began in Fiscal Year 2010. Additional segments will be scheduled upon identification of funding.

Operating Budget Impact: Sweeping and upkeep of medians is currently, and will continue to be, funded by the Rancho Bernardo Maintenance Assessment District.

Summary of Project Changes: Construction of the first two segments of the project is fully funded. The remaining segments are currently unfunded.

Rancho Bernardo Westwood Soundwall / S10033

Council District: 5	Community Plan: Rancho Bernardo
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2016	(619) 533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for landscape infrastructure to irrigate native plant material within the north public right-of-way along Rancho Bernardo Road from west of West Bernardo Drive to just north of Matinal Road near an existing soundwall. This project may also include landscape enhancements.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Installation of a landscape infrastructure would provide for a permanent water source to ensure the viability of native plants.

Schedule: Design and limited construction are scheduled to begin in Fiscal Year 2011 as funds become available.

Operating Budget Impact: This area is an identified area of maintenance for the Rancho Bernardo Maintenance Assessment District. Any impact to the district's operating budget will become known after design is completed, but it is anticipated this impact will be minimal.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Rancho Penasquitos Monument Signs / S10032

Council District: 1	Community Plan: Rancho Penasquitos
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2016	(619) 533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for five permanent monument signs to be located in center medians throughout the Rancho Penasquitos community. The monument signs will read Welcome to Rancho De Los Penasquitos and may include faux rocks and solar lighting.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing monument signs need to be replaced because the signs have been destroyed or damaged by vehicle accidents.

Schedule: Design was scheduled to begin in Fiscal Year 2010 and construction is scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: The signs will be installed in locations already maintained by the Park Village Maintenance Assessment District and Penasquitos East Maintenance Assessment District. The signs will be maintained by the assessment districts; the net impact for maintaining the signs is likely to be minimal.

Summary of Project Changes: An additional \$42,000 (\$38,000 from Park Village Maintenance Assessment District and \$4,000 from Penasquitos East Maintenance Assessment District) has been allocated to this project in Fiscal Year 2011.

Switzer Canyon/30th Street Bridge Enhancement Prgm / S10054

Council District: 3	Community Plan: Greater North Park
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2016	619-533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: This project provides for bridge landscaping, hardscape, tree planting, signage, sidewalk, median, design of traffic calming devices, and pedestrian safety features for the Switzer Canyon/30th Street Bridge.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for a variety of improvements within the boundaries of the Greater North Park Maintenance Assessment District (MAD), which will provide visual neighborhood enhancements and support commercial revitalization.

Schedule: Preliminary design began in Fiscal Year 2010, Design and construction will begin when sufficient funds are available.

Summary of Project Changes: An additional \$5,000 of North Park Maintenance Assessment District funding has been allocated to this project in Fiscal Year 2011.

Operating Budget Impact: The North Park MAD will maintain this enhanced area. The operating budget impact of the improvement will become known after the project is designed. Maintenance of this area is identified as an improvement in the North Park MAD Assessment Engineer's Report.

Torrey Highlands Community ID and Enhancement / S11009

Council District: 1	Community Plan: Torrey Highlands
Project Status: Created	Contact Information: Winter, James
Duration: 2011 - 2012	(619) 533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for community identification signage and enhancements within the Torrey Highlands Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and it is in conformance with the City's General Plan.

Justification / Public Benefit: This project is consistent with the Torrey Highlands Maintenance Assessment District Assessment Engineer's Report and will provide signage to identify the boundaries of the community.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: This newly published project will provide for community identification and enhancements within the Torrey Highlands Maintenance Assessment District.

Operating Budget Impact: Signs will be located in landscaped areas already maintained by the Torrey Highlands Maintenance Assessment District. The additional maintenance impact should be minimal, although the design process may result in some minor increased cost associated with ongoing maintenance (such as sign lighting or focal landscaping around the sign).

Torrey Hills SDG&E Easement Enhancement / S11006

Council District: 1	Community Plan: Torrey Hills (Sorrento Hills)
Project Status: Created	Contact Information: Winter, James
Duration: 2011 - 2012	(619) 533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project would provide for an enhancement of an easement area located under San Diego Gas and Electric power transmission lines at the southwest corner of East Ocean Air Drive and Corte Mar Asombrosa within the Torrey Hills Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Torrey Hills Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The community desires enhanced, natural planting at this location that would be similar to the other planted areas in Torrey Hills.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: The Torrey Hills Maintenance Assessment District will provide for maintenance costs associated with this project. The operating budget impact will be determined upon completion of design.

Summary of Project Changes: This newly published project will provide for enhancement of an easement area within the Torrey Hills Maintenance Assessment District.

Welcome to Rancho Bernardo Signs / S10036

Council District: 5	Community Plan: Rancho Bernardo
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2016	(619)-533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: This project provides for replacement of the destroyed identification sign located on Rancho Bernardo Road east of Interstate 15 and west of Bernardo Center Drive within the Rancho Bernardo Community.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and it is in conformance with the City's General Plan.

Justification / Public Benefit: This project is an identified improvement in the Rancho Bernardo Maintenance Assessment District. The existing sign was destroyed in a vehicle accident and is in need of replacement. The Rancho Bernardo MAD Citizen's Advisory Committee has approved initial funding for this project.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: Maintenance activities will be funded from the Rancho Bernardo Maintenance Assessment District.

Project Status: Created	Contact Information: Winter, James
Duration: 2011 - 2012	(619) 533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project would provide for the procurement, installation, operations and maintenance of decorative (acorn style) street lighting within the Mission Hills Historic Street Lighting Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and it is in conformance with the City's General Plan.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2011.

Justification / Public Benefit: This project is an identified improvement in the Mission Hills Historic Street Lighting Maintenance Assessment District.

Summary of Project Changes: This newly published project will provide for historic street lighting within the Mission Hills Historic Street Lighting Maintenance Assessment District.

Operating Budget Impact: The Mission Hills Historic Street Lighting Maintenance Assessment District will provide for the special benefit of maintenance and energy costs associated with the enhanced street lighting.

Talmadge Decorative Streetlight Restoration / S00978

Council District: 3	Community Plan: Kensington - Talmadge (Mid-City)
Project Status: Released	Contact Information: Bruner, Nathan
Duration: 2009 - 2013	(619) 533-7426
Improv Type: Betterment	nbruner@sandiego.gov

Description: This project provides for upgrades and improvements to the existing lighting infrastructure in Zone 2 (West) of the Talmadge Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for improvements within the boundaries of the Talmadge Maintenance Assessment District which will provide visual neighborhood enhancements.

Schedule: This project will be scheduled when preliminary planning is complete.

Operating Budget Impact: The Talmadge Maintenance Assessment District will maintain the enhanced street lights. Maintenance of this area is identified as an improvement in the Talmadge MAD Assessment Engineer's Report and the Talmadge Master Plan. The operating budget impact will be known after the completion of design.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Central Area Police Substation / S00694

Council District:	8	Community Plan:	Barrio Logan
Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	1999 - 2014		619-533-5259
Improv Type:	New		cmeinhardt@sandiego.gov

Description: This project provides for a 5,000 square foot expansion at the Central Area Police Sub-station to provide for additional office space for the Crime Lab Expansion and the relocation of police units from the Police Headquarters.

Relationship to General and Community Plans: This project is consistent with the Barrio Logan Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides 5,000 square feet of office space for additional personnel within the Police Department and was funded with grant funding from the State Office of Justice, in December of 2001.

Schedule: This project was completed in July of 2005.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Operating Budget Impact: All operating and maintenance costs associated with this project have been accommodated within the Police Department's annual budget.

Council District: 1	Community Plan: Carmel Valley
Project Status: Released	Contact Information: Haghhkiah, Siavash
Duration: 2004 - 2007	619-533-6682
Improv Type: New	shaghhkiah@sandiego.gov

Description: The project provides for the acquisition of a four-acre site and construction of facilities to house a police command and light vehicle maintenance facility. The site was acquired by the City in September of 2002 and is located on the west side of El Camino Real at the intersection of Elijah Court. The facility addresses the anticipated needs for increased police services due to population growth and development in this area. The facility serves the extreme northwest area of Carmel Valley and the adjacent community plan areas.

Operating Budget Impact: The facility is in operation.

Relationship to General and Community Plans: The project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Construction was completed in January of 2007 and the facility is operational.

Justification / Public Benefit: The project will provide better police coverage and services by adding a police substation for the northwestern area of the City of San Diego.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Description: This project will replace existing engines and system components necessary to provide for system reliability.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide the facility with more reliable power during emergency operation events.

Schedule: Design is scheduled for Fiscal Year 2011 and installation in Fiscal Year 2012.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Operating Budget Impact: None

Police Range Refurbishment / S10118

Council District:	3	Community Plan:	City Heights
Project Status:	Created	Contact Information:	Meinhardt, Cynthia
Duration:	2011 - 2014		619-533-5253
Improv Type:	New		cmeinhardt@sanidiego.gov

Description: This project will provide for the repair, replacement and maintenance of the existing police shooting range located on Federal Boulevard. The project includes the demolition of dilapidated bullet back stops, removal of lead contaminated soil berms, hauling of excess soil off site, drainage improvements, installation of retaining walls and the installation of new bullet recovery systems.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2011.

Justification / Public Benefit: This project will provide for the repair and maintenance of the existing police shooting range.

Summary of Project Changes: Deferred maintenance funding was authorized for this project per City Council Resolution RR:305163.

Operating Budget Impact: None.

Public Safety Training Institute / S00816

Council District:	2	Community Plan:	Peninsula
Project Status:	Released	Contact Information:	Garcia, Alex
Duration:	2003 - 2014		619-533-4640
Improv Type:	Replacement		agarcia@sandiego.gov

Description: The City Council approved a Joint Powers Authority between the City of San Diego, County of San Diego and San Diego Community College District for the development, financing and administration of the Regional Public Safety Training Institute (RPSTI). This project provides for an Emergency Vehicle Operations Course (EVOC) training facility in the Camp Nimitz area of the former Naval Training Center. The Naval Training Center Reuse Plan, approved by the Department of the Navy and City Council, set aside 24.7 acres for the purpose of a public safety training facility. The City's projected share of the total cost of the project will be funded jointly by the San Diego Fire-Rescue and Police Departments.

Operating Budget Impact: The impact on the Police Department's operating budget cannot be determined at this time due to the unavailability of detailed project information. This project would impact the operating budget of the Police and Fire-Rescue Departments.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2003 and is scheduled to be completed in 2014.

Justification / Public Benefit: The expansion of the campus at Miramar College has required the relocation of law enforcement training, specifically the EVOC, to QUALCOMM Stadium. Construction of an EVOC will allow for consistent training of all emergency responders countywide.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Metro Pooled Contingency 2 / ABR00004

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2021	858 292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for Capital Improvements Program (CIP) contingency needs for Metropolitan Sewer projects.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide better CIP budget control. Project contingency needs (except annual allocation projects) will be met by this annual allocation.

Schedule: This annual allocation will be closed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: The budget for Fiscal Year 2011 decreased by \$94,663 due to the project contingency being budgeted in the actual projects starting in Fiscal Year 2011. No future funding will occur in this annual allocation.

North City Raw Sludge & Water Cathodic Upgrade / S00318

Council District:	1	Community Plan:	South University City, Non City
Project Status:	Released	Contact Information:	Wong, Pete
Duration:	2005 - 2010		858-292-6475
Improv Type:	Expansion		pwong@sandiego.gov

Description: This project provides for a new impressed current cathodic protection system to prevent external corrosion on the 36-inch reclaimed water pipeline, the 16-inch blended sludge pipeline, and the 20-inch centrate pipeline, between the North City Water Reclamation Plant (NCWRP) and the Metro Biosolids Center (MBC). The new system will replace an existing galvanic anode cathodic protection system.

Relationship to General and Community Plans: This project is consistent with the South University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2005 and will be completed in Fiscal Year 2008. Construction began in Fiscal Year 2007 and was completed in Fiscal Year 2008.

Justification / Public Benefit: The existing cathodic protection system for these pipelines is inadequate and does not provide satisfactory corrosion protection to the pipelines. The new system will fully protect the pipelines and prevent any corrosion related sewer spills.

Summary of Project Changes: No significant changes have been made to this project. This project is complete and awaiting capitalization.

Operating Budget Impact: None.

Pt Loma-South Access Road Protection Project / S00316

Council District: 2	Community Plan: Peninsula
Project Status: Released	Contact Information: Phung, Tung
Duration: 2003 - 2018	858-292-6425
Improv Type: Replacement	tphung@sandiego.gov

Description: This project provides for continued access to the Point Loma Wastewater Treatment Plant (PLWTP) investigating and if necessary implementing options to mitigate erosion at two sea coves adjacent to the plant's access road.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The treatment plant has only one access road as granted by the federal government and this project is needed to ensure continued access.

Schedule: Phase I design began in Fiscal Year 2002 and was completed in Fiscal Year 2007. Based on re-prioritization of projects, Phase II design and construction is scheduled to begin in Fiscal Year 2018 and be completed in Fiscal Year 2018.

Operating Budget Impact: None.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Wet Weather Storage Facility / S00314

Council District:	2, 6, 7	Community Plan:	South University City, Clairemont Mesa, Mission Bay Park
Project Status:	Released	Contact Information:	Phung, Tung
Duration:	1999 - 2018		858-292-6425
Improv Type:	Expansion		tphung@sandiego.gov

Description: This project includes the implementation of the Live Stream Discharge of reclaimed water from the North City Reclamation Plant during heavy rain events to reduce the capacity demand on the downstream sewer system and facilities. This project also includes constructing a seven million gallon Underground Storage Tank at Liberty Station (vacated Naval Training Center) to provide hydraulic relief to Pump Station 2, the South and North Metro Interceptors, and the major trunk sewers.

Justification / Public Benefit: The facility will reduce the risk of potential wet weather overflows, which may be caused by the capacity limitation of the Metro Pump Station 2 during extreme rainfall events.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University and Clairemont Mesa Community Plans, and Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: A feasibility study for wet weather intermittent stream discharge is being conducted and it is scheduled to be completed in Fiscal Year 2011. Construction for the facilities required for the wet weather intermittent stream discharge is scheduled to begin in Fiscal Year 2012. Design for a seven million gallon storage facility is scheduled to be completed in Fiscal Year 2013. Construction for a storage facility is scheduled to begin in Fiscal Year 2014 and be completed in Fiscal Year 2018.

Summary of Project Changes: The total project cost decreased by \$432,640 due to revised project requirements.

Alvarado Water Quality Lab Roof Replacement / S00311

Council District: 7	Community Plan: Navajo
Project Status: Released	Contact Information: Phung, Tung
Duration: 2008 - 2011	858 292-6425
Improv Type: Replacement	tphung@sandiego.gov

Description: This project provided for the removal and replacement of approximately 58,000 square feet of roofing, installation of California Title 24 roof coating, the removal and installation of HVAC ductwork at the water chemistry and industrial waste unit offices and the installation of miscellaneous sheet metal and flashing.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park and Navajo Community Plans and is in conformance with the City's General Plan.

Schedule: This project is complete and awaiting closure and capitalization.

Justification / Public Benefit: These improvements were needed to repair a leaking and deteriorated roofing system.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

EM&TS Esplanade and Steam Line Relocation / S00319

Council District:	2	Community Plan:	Peninsula
Project Status:	Released	Contact Information:	Elling, Michael
Duration:	2014 - 2016		858 292-6477
Improv Type:	Expansion		melling@sandiego.gov

Description: This project provides for design and construction of a boat dock, an esplanade (park) within an approximately 1.25 acre parcel located between the existing Public Utilities laboratory and adjacent boat channel, as well as under-grounding approximately 600 feet of an above ground steam line situated along the boat channel.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: A 40,000 square foot ocean monitoring laboratory was constructed and is now in operation. As a part of the Public Benefit Conveyance of this property, Public Utilities is required to construct a boat dock and to fund a portion of the esplanade improvements along our frontage. To gain future unobstructed access to the boat dock within the adjacent boat channel, and to provide unobstructed access to the future esplanade, the existing steam line must be underground. Public Utilities currently leases boat dock space at Driscoll's Wharf, and this project would eliminate this ongoing expense.

Schedule: Partial design for the boat dock was completed in Fiscal Year 2001. The project was postponed due to site cleanup issues in the boat channel and conveyance of the channel to the City, and an updated design will be required. Design is scheduled to begin and be completed in Fiscal Year 2014, with construction to begin in Fiscal Year 2015 and scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: The total project cost increased by \$16,000 due to an increase for inflation.

Metropolitan System Pump Stations / ABP00002

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Hwang, Guann
Duration:	2010 - 2021		858 292-6476
Improv Type:	Replacement		ghwang@sandiego.gov

Description: This annual allocation provides for comprehensive upgrades, design modifications, and renovations or replacement of equipment such as pumps, valves, tanks, controls, odor control systems, etc. at Metropolitan System Pump Stations (Pump Stations 1, 2, Otay and Grove).

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: These improvements will allow pump stations to run more efficiently and increase the reliability of the Metropolitan Wastewater System.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

NCWRP Sludge Pump Station Upgrade / S00309

Council District: 5	Community Plan: North University City
Project Status: Released	Contact Information: Azar, Hossein
Duration: 2006 - 2011	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project provides for the correction of a vibration problem at the North City Water Reclamation Plant (NCWRP) Sludge Pump Station.

Relationship to General and Community Plans: This project is consistent with the North University Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Excessive vibration of the pump and flywheel contribute to wear and tear of equipment. The vibration also generates tremendous heat. The excessive vibration and heat can cause premature failure of equipment, impact operational efficiency and have structural impacts at the facility.

Schedule: Design began in Fiscal Year 2008 and will be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Pump Station 2 Onsite Standby Power / S00312

Council District: 2	Community Plan: Midway - Pacific Highway
Project Status: Released	Contact Information: Wong, Pete
Duration: 2005 - 2016	858-292-6475
Improv Type: Expansion	pwong@sandiego.gov

Description: This project will replace the engine drives for pumps 4 and 5 with electric motors and provide two generators for electrical power to the pumps at the station. This will provide the required surge protection against an electrical utility outage and comply with Environmental Protection Agency (EPA) recommendation of standby power for essential facilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Midway/Pacific Highway Corridor Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The current utility power system does not meet the required EPA power requirements. Two of the existing utility feeds are only rated at 5 MVA with the third rated at 10 MVA. All feeds are limited to two pumps, except during emergency conditions, which provide less than 50 percent of the possible demand. By upgrading the two 5 MVA feeds to 10 MVA and installing a fourth 10 MVA feed, the station will have four 50 percent feeds which will comply with the EPA required two 100 percent feeds. This will also enhance station reliability by allowing any pump to be powered by the engine generators instead of pumps 4 and 5 as currently configured. This will provide the station with four 50 percent utility feeds to comply with (EPA) power requirements.

Schedule: Design is scheduled to begin in Fiscal Year 2011 and be completed in Fiscal Year 2013. Construction will begin in Fiscal Year 2014 and is scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: The total project cost increased by \$100,000 due to an increase for inflation.

Pump Station 64 Electrical Upgrades / S00307

Council District: 1	Community Plan: North University City
Project Status: Released	Contact Information: Phung, Tung
Duration: 2008 - 2010	858-292-6475
Improv Type: Replacement	pwong@sandiego.gov

Description: This project provides modifications to the existing 2400 volt electrical distribution equipment to improve reliability of the pump station operations. This project will replace/upgrade key switchgear equipment and provide power monitoring equipment to better control station electrical demand and respond to electrical system emergencies.

Relationship to General and Community Plans: This project is consistent with the North University Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction was completed in Fiscal Year 2008. This project is complete and awaiting capitalization.

Justification / Public Benefit: Recent electrical system failures have indicated problems with the current electrical system. An investigation will determine what upgrades are needed to improve the overall reliability of the electrical system.

Summary of Project Changes: No significant changes have been made to this project.

Operating Budget Impact: None.

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2021	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for the comprehensive upgrades, design modifications, and major/minor renovations or replacement of equipment, such as pumps, valves, tanks, controls, and odor control systems at the pump stations.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: These improvements will allow the pump stations to run more efficiently and increase the reliability of the Municipal Wastewater System.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: Project budget has decreased by \$3.9 million. Current funding within the project will support Fiscal Year 2011 needs.

Operating Budget Impact: None.

Pump Station 84 Upgrade & Pump Station 62 Abandon / S00308

Council District: 1, 5	Community Plan: Rancho Bernardo, Rancho Penasquitos
Project Status: Released	Contact Information: Azar, Hossein
Duration: 2007 - 2014	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project provides for the elimination of Sewer Pump Station 62 through the installation of various pipelines and the upsizing of Sewer Pump Station 84.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo and Rancho Penasquitos Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to optimize the sewage system and to eliminate Sewer Pump Station 62.

Schedule: Design began in Fiscal Year 2007 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled in Fiscal Year 2012.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost increased by \$7 million due to revised project requirements.

Pump Station Restorations / ABP00001

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2021	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for the replacement of deteriorated pumping equipment and/or pipeline appurtenances.

Relationship to General and Community Plans: This annual allocation is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Many existing sewer pump stations have reached or exceeded their anticipated service life of 40 years. However, because of the widely varying actual lengths of service life, the scheduling for pump station restorations is difficult. This project allows flexibility in replacing deteriorated pumping equipment.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The budget for Fiscal Year 2011 increased by \$200,000 due to revised project requirements.

Operating Budget Impact: None.

Pump Station Upgrades Group I North County / S00303

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Azar, Hossein
Duration:	2003 - 2012		619-533-4102
Improv Type:	Replacement		hazar@sandiego.gov

Description: This project provides for the upgrade of 23 pump stations, divided into four groups, located throughout San Diego. The upgrades involve providing new and backup pumps and motors, new control panels, new generators, redundant force mains, underground storage tanks, and miscellaneous civil work.

Justification / Public Benefit: This project will provide for the upgrading of deteriorated pump stations, improvement of the level of service to the residents of San Diego, and compliance with regulatory agencies by reducing the impact of sewer spills.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Group I design began in Fiscal Year 2003 and was completed in Fiscal Year 2009. Construction began in Fiscal Year 2009 and is scheduled to be completed in Fiscal Year 2010. Group II design began in Fiscal Year 2008 and was completed in Fiscal Year 2009. Construction is scheduled to begin in Fiscal Year 2010 and be completed in Fiscal Year 2011. Group III design began in Fiscal Year 2005 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2011 and be completed in Fiscal Year 2012. Group IV design was completed in Fiscal Year 2008. Group IV construction began in Fiscal Year 2008 and was completed in Fiscal Year 2009.

Summary of Project Changes: The total project cost decreased by \$10.9 million due to revised project requirements.

Bldg - MWWd - Pump Stations

Council District:	2, 6	Community Plan:	Mission Bay Park
Project Status:	Released	Contact Information:	Gamboa, Wendy
Duration:	1999 - 2012		619-235-1971
Improv Type:	Replacement - Rehab		wgamboa@sandiego.gov

Description: This project provides for constructing a new pump station, emergency overflow storage structure, and 2,800 linear feet of primary and secondary force main to be primarily located in the right-of-way. The project includes the abandonment of the original pump station and existing force main currently located within the recreational space of Mission Bay Park.

Justification / Public Benefit: The existing pump station and force main were built in 1953 and have exceeded their service life. The project's goal is to restore and improve the reliability of the pump station and bring it up to current standards and regulations. This project is mandated by the Environmental Protection Agency.

Operating Budget Impact: None.

Sewer Pump Station 41 Rehabilitation / S00337

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2003 and was completed in Fiscal Year 2008. Construction began in Fiscal Year 2009 and is scheduled to be completed in Fiscal Year 2011.

Summary of Project Changes: The total project cost increased by \$1 million due to revised project requirements.

Sewer Pump Station 79 / S00338

Council District: 1	Community Plan: Los Penasquitos Canyon Preserve (RPQ), Fairbanks Ranch Country Club
Project Status: Released	Contact Information: Navarro, Allan
Duration: 2000 - 2011	858-292-6459
Improv Type: Expansion	anavarro@sanidiego.gov

Description: This project provides for the installation of 8,230 feet of 12-inch force main and upgrading of the existing pump station pumps and electrical equipment.

Relationship to General and Community Plans: This project is consistent with the Los Penasquitos Canyon Preserve Master Plan and the Fairbanks Ranch Specific Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide for upgrading the pump station to City standards and increase the pump station capacity.

Schedule: Design began in Fiscal Year 2000 and was completed in Fiscal Year 2004. Construction is ongoing and expected to be completed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost decreased by \$600,000 due to revised project requirements. Total project cost does not reflect accrual adjustments.

CIP Bond Issuance Reserve / S00342

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Hwang, Guann-Jiun
Duration:	1993 - 2020		858-292-6476
Improv Type:	Replacement		ghwang@sandiego.gov

Description: This project provides an emergency financial reserve for Wastewater Fund capital improvement projects.

Justification / Public Benefit: This reserve is required to comply with the stipulation from Bond Counsel.

Operating Budget Impact: None.

Relationship to General and Community Plans: This reserve is not a project. Projects utilizing this funding source are consistent with applicable community plans and are in conformance with the City's General Plan.

Schedule: The reserve will be used on an as-needed basis, in conformance with Bond Counsel requirements. This reserve will be held as a continuing appropriation.

Summary of Project Changes: No significant change has been made to this reserve for Fiscal Year 2011.

MBC Biosolids Storage Silos / S00322

Council District:	7	Community Plan:	Non City
Project Status:	Released	Contact Information:	Asgharzadeh, Iraj
Duration:	2007 - 2013		619-533-5105
Improv Type:	Expansion		iasgharzadeh@sandiego.gov

Description: This project provides for two additional biosolid storage silos (numbers 9 and 10).

Justification / Public Benefit: When a silo is out of service, silo storage capacity is frequently exceeded. In order to accommodate such events and to restore adequate silo capacity, it is essential to build two more storage silos.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012 and be completed in Fiscal Year 2013.

Summary of Project Changes: The total project cost decreased by \$1 million due to revised project requirements.

MBC Centrate Collection Upgrades / S00321

Council District: 7	Community Plan: Non City
Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 2008 - 2010	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project provides for converting the existing foul air ducting into dual-use headers for centrate and foul air collection and will increase the size of the existing centrate collection headers.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Justification / Public Benefit: This project replaces the foul air header ducts at the centrifuges to a material that will handle both centrate and foul air. These improvements will provide a bypass pipeline for the centrate flow during additional improvements. The additional improvements will upgrade the undersized centrate collection headers for future larger centrate flows and prevent on-going centrate backups into the foul air duct headers and damage to the centrifuges.

Schedule: The Design-build project began in Fiscal Year 2009. Construction began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

MBC Dewatering Centrifuges Replacement / S00339

Council District: 7	Community Plan: Non City
Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 2009 - 2015	619-533-5105
Improv Type: Expansion	lAsgharzadeh@sandiego.gov

Description: This project provides for the replacement of six existing dewatering centrifuges with six larger capacity units to handle larger future biosolids flows.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Justification / Public Benefit: This project will increase the production capacity of the dewatering centrifuges to accommodate plant shutdowns for maintenance and construction, to accommodate future flows, and to address diverse types of constraining operational factors that limit current capacity. To achieve the required capacity, the existing dewatering centrifuge units must be replaced with larger units.

Schedule: Design is estimated to be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012 and be completed in Fiscal Year 2015.

Summary of Project Changes: The total project cost decreased by \$2.0 million due to revised project requirements.

Operating Budget Impact: None.

MBC Odor Control Facility Upgrades / S00323

Council District: 7	Community Plan: Non City
Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 2007 - 2013	619-533-5105
Improv Type: Expansion	lAsgharzadeh@sandiego.gov

Description: This project provides for upgrading the odor control system fans and ducting to reduce system headlosses and improve overall foul air collection efficiency at the various process areas. Access platforms will also be installed at monitoring instruments and damper locations. This project will be implemented in three phases.

Justification / Public Benefit: Several areas at the Metro Biosolids Center (MBC) have been identified to cause significant odor problems due to foul air collection deficiencies because of insufficient fan capacity and high headlosses, including poorly located foul air collection registers. Installing access platforms at the monitoring instruments and air volume control dampers will provide safe and timely access for operation and maintenance needs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design is estimated to begin in Fiscal Year 2011 and be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013.

Summary of Project Changes: The total project cost decreased by \$3.0 million due to revised project requirements.

Council District:	2, 5, 8	Community Plan:	North University City, Peninsula, Tijuana River Valley
Project Status:	Created	Contact Information:	Azar, Hossein
Duration:	2010 - 2014		619-533-4102
Improv Type:	Replacement		hazar@sandiego.gov

Description: This project provides for replacement and upgrade of existing control systems at various Metropolitan Wastewater treatment and pump station facilities. These include the Metro Biosolids Center (MBC), North City Water Reclamation Plant (NCWRP), Point Loma Treatment Plant (PLWTP), South Bay Water Reclamation Plant (SBWRP), and Pump Station 2 (PS2).

Justification / Public Benefit: This project is needed to provide replacement of existing control systems at various facilities. The existing control systems are microprocessor/computer-based. The life cycle of these systems is seven to ten years. Replacement will also provide an upgrade in technology. The change in technology will provide the facilities with greater control system capabilities and are essential for future facility expansion.

Operating Budget Impact: None.

Metro Facilities Control Systems Upgrade / L10000

Relationship to General and Community Plans: This project is consistent with North University, Tijuana River Valley and Peninsula Community Plans, and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: The total project cost decreased by \$9.0 million due to revised project requirements. Additionally, this project was originally budgeted under standalone S00320. Prior year expenditures are for the Metro Biosolids Center control system upgrade.

Metro Treatment Plants / ABO00001

Council District:	2, 6, 7, 8	Community Plan:	Peninsula, North University City, Tijuana River Valley
Project Status:	Released	Contact Information:	Hwang, Guann
Duration:	2010 - 2021		858 292-6476
Improv Type:	Replacement		ghwang@sandiego.gov

Description: This annual allocation provides for renovation or replacement of facilities at Metro Treatment Plants - Point Loma Wastewater Plant (PLWTP), North City Water Reclamation Plant (NCWRP), South Bay Water Reclamation Plant (SBWRP) and Metro Biosolids Center (MBC).

Relationship to General and Community Plans: This project is consistent with Peninsula, Tijuana River Valley, North University Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Various facilities require replacement due to increasing wastewater flows and to be compliant with current regulatory requirements. Since the start-up period, several projects will be required within this facility to enhance or maintain operation. This annual allocation will be considered an enhancement to the facility and does not include operation and maintenance.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The budget for Fiscal Year 2011 increased by \$857,025 due to this annual allocation being combined with other annual allocations including North City Water Reclamation Plant, South Bay Water Reclamation Plant, Point Loma Wastewater Treatment Plant and Metro Biosolids Center.

Operating Budget Impact: None.

North City Water Reclamation Plant - EDR Enclosure / S00340

Council District: 5	Community Plan: North University City
Project Status: Released	Contact Information: Wong, Pete
Duration: 2007 - 2011	858-292-6475
Improv Type: Expansion	pwong@sandiego.gov

Description: This project will provide an enclosure around the Electro Dialysis Reversal (EDR) at the North City Water Reclamation Plant (NCWRP) to prevent harmful ultraviolet rays and coastal high salinity environmental levels from attacking existing equipment.

Relationship to General and Community Plans: This project is consistent with the North University Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: When the EDR was constructed, it was supposed to be a temporary facility with no enclosure. As a result, the EDR's cartridge filters, pumps, piping and other associated equipment are currently open to the environment and therefore are prone to ultraviolet light attack and a high salinity environment. The EDR enclosure will prevent equipment from prematurely failing due to ultraviolet light attack.

Schedule: Design began and was completed in Fiscal Year 2010. Construction began Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011.

Summary of Project Changes: The total project cost decreased by \$260,000 due to revised project requirements.

Operating Budget Impact: None

North City Water Reclamation Plant EDR Upgrade / S00324

Council District:	1	Community Plan:	South University City
Project Status:	Released	Contact Information:	Wong, Pete
Duration:	2007 - 2012		858-292-6475
Improv Type:	Expansion		pwong@sandiego.gov

Description: This project provides for the upgrade of the electro dialysis reversal (EDR) equipment at the North City Water Reclamation Plant including piping, pumps, chemical feed system, and automatic backwash prefilters.

Relationship to General and Community Plans: This project is consistent with the South University Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2010 and will be completed in Fiscal Year 2012.

Justification / Public Benefit: The EDR was constructed to be a temporary facility with no enclosure. As a result, the EDR's cartridge filters, pumps, piping, and other associated equipment have corroded or failed due to the to ultraviolet light attack and a high salinity environment.

Summary of Project Changes: The total project cost decreased by \$535,000 due to revised project requirements.

Point Loma Grit Processing Improvements / S00315

Council District: 2	Community Plan: Peninsula
Project Status: Released	Contact Information: Seymour, Stuart
Duration: 2001 - 2015	619-533-5105
Improv Type: Replacement	sseymour@sandiego.gov

Description: This project provides for upgrading the existing grit removal process at the Point Loma Wastewater Treatment Plant (PLWTP) which includes new grit agitation blowers enclosed in a sound dampening facility and the associated air piping.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The Point Loma Wastewater Treatment Plant has six aerated grit removal tanks. Grit removal from influent flows was found to be more efficient when the two south grit tanks were not used. The plant is not achieving desirable grit removal because the existing grit processing equipment is unable to extract fine sand or silt. The grit accumulated downstream of the grit tanks reduces the efficiency of processing equipment and minimizes the biosolid treatment in the digesters.

Schedule: Design began in Fiscal Year 2001 and is scheduled to be completed in Fiscal Year 2014. Construction began in Fiscal Year 2006 and is scheduled to be completed in Fiscal Year 2014.

Summary of Project Changes: The total project cost decreased by \$6.1 million due to revised project requirements.

Operating Budget Impact: None.

SBWR Plant Demineralization Facility / S00310

Council District:	8	Community Plan:	Tijuana River Valley
Project Status:	Released	Contact Information:	Wong, Pete
Duration:	2006 - 2016		858-292-6475
Improv Type:	Expansion		pwong@sandiego.gov

Description: This project provides for demineralization of reclaimed water. Phase I will construct a demineralization facility to provide 7.5 million gallons a day (MGD) of reclaimed water for conveyance to the users. Phase II will expand the facility to provide 15 mgd of reclaimed water.

Justification / Public Benefit: The majority of reclaimed water is used for irrigation. Demineralization will reduce the level of total dissolved solids in the reclaimed water.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Tijuana River Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2012. Phase I construction is scheduled to begin in Fiscal Year 2012 and be completed in Fiscal Year 2013. Phase II design is scheduled to begin in Fiscal Year 2014 and be completed in Fiscal Year 2014. Phase II construction is scheduled to begin in Fiscal Year 2015 and be completed in Fiscal Year 2016.

Summary of Project Changes: The total project cost decreased by \$9.9 million due to revised project requirements.

South Metro Sewer Rehabilitation Phase 3B / S00317

Council District: 2	Community Plan: Non City
Project Status: Released	Contact Information: Phung, Tung
Duration: 2003 - 2018	858-292-6425
Improv Type: Replacement	tphung@sandiego.gov

Description: This project will rehabilitate the remaining 5,000 feet of the 108 inch pipeline from Winship Lane to Pump Station 2.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan.

Justification / Public Benefit: Sections of the South Metro Interceptor have deteriorated significantly due to the corrosive effects of sewer gases over 40 years.

Schedule: Design is scheduled to begin in Fiscal Year 2013 and is scheduled to be completed in Fiscal Year 2014. Construction is scheduled in Fiscal Year 2014.

Operating Budget Impact: None.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Project Status:	Released	Contact Information:	Hwang, Guann
Duration:	2010 - 2010		858-292-6476
Improv Type:	Betterment		ghwang@sandiego.gov

Description: This project provides for the Water Fund's Potable Water Capital Improvements Program contingency needs.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide better CIP budget control. Project Contingency needs (except annual allocation projects) will be met by this annual allocation.

Schedule: This annual allocation will be closed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: The budget for Fiscal Year 2011 decreased by \$7 million due to the project contingency being budgeted in the actual projects starting in Fiscal Year 2011. No future funding will occur in this annual allocation.

Chollas Building / S11025

Council District: 7	Community Plan: Eastern Area (Mid-City)
Project Status: Created	Contact Information: Haghhkah, Siavash
Duration: 2011 - 2015	619-533-6682
Improv Type: Replacement	shaghhkah@sandiego.gov

Description: This project will construct two new buildings, one two-story building for administration staff and a one-story maintenance shop.

Relationship to General and Community Plans: This project is consistent with the Mid City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will allow for Water Operations Division to consolidate their staff in one central facility. The existing facility is not adequate for current needs.

Schedule: Design is scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013.

Operating Budget Impact: None

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Duration:	2010 - 2010		619-533-7402
Improv Type:	Betterment		jcasamassima@sandiego.gov

Description: This annual allocation provides for the Water Fund's Reclaimed Water Capital Improvements Program project contingency needs.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: To provide better project budget control, reclaimed water project contingency needs (except for annual allocation projects) will be met by this annual allocation.

Schedule: This annual allocation will be closed in Fiscal Year 2011.

Operating Budget Impact: None

Summary of Project Changes: The budget for Fiscal Year 2011 decreased by \$100,000 due to the project contingency being budgeted in the actual projects starting in Fiscal Year 2011. No future funding will occur in this annual allocation.

Description: This project provides for the design and installation of miscellaneous security systems at various facilities.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides deterrence, detection and apprehension of unauthorized personnel.

Schedule: Implementation began in Fiscal Year 2001 and will continue through Fiscal Year 2012.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project in Fiscal Year 2011.

CIS ERP Implementation / S11100

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Arnold, Mike
Duration:	2010 - 2012		619-533-4661
Improv Type:	Replacement		marnold@sanidiego.gov

Description: This project provides for the establishment of an integrated, real-time enterprise customer service information and billing system.

Operating Budget Impact: None.

Justification / Public Benefit: The Customer Information System (CIS) Enterprise Resource Planning (ERP) Implementation is a strategic project for investment in, and support of, the Citywide SAP ERP System for the City of San Diego. The legacy CIS provides the water, sewer, storm drain, fire service, reclaimed water, backflow and associated meter customer billing information for the City. This project will replace the legacy CIS and Installation Order System (IOS).

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: This project will begin in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

MOC Building / S11023

Council District: 6	Community Plan: Kearny Mesa
Project Status: Created	Contact Information: Partow, Hooman
Duration: 2011 - 2011	858-654-4284
Improv Type: Expansion	hpartow@sandiego.gov

Description: This project will purchase a 15,000 square foot facility at 9176 Kearny Villa Court near the Metropolitan Operation Center (MOC) from the private sector.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan, and is in conformance with the City's General Plan.

Justification / Public Benefit: The current Metropolitan Operation Center complex is near capacity. The purchase of the new Metropolitan Operation Center complex is needed in order to accommodate 150 additional personnel transferring from the 600 B Street facility as a result of the Public Utilities Consolidation.

Schedule: Purchase the new MOC building in Fiscal Year 2011 and start the design in Fiscal Year 2012.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Operating Budget Impact: None.

Advanced Water Treatment Demo Plant (IPR/RA) / S10127

Council District:	1	Community Plan:	North University City
Project Status:	Released	Contact Information:	George, Adrian
Duration:	2010 - 2013		619-533-4680
Improv Type:	New		gadrian@sandiego.gov

Description: This project explores the feasibility of the project's treatment technology to produce water that can be sent to a reservoir and later be distributed as drinking water. During the time the Demonstration Project is in operation, the advanced treated water will be frequently tested to determine the effectiveness of the treatment equipment in removing contaminants; operational data will be gathered and analyzed to refine operation and maintenance estimates for a full scale system; and tours will be conducted as part of the public outreach effort. The Demonstration Project is the second phase of a three phase program that could lead to implementation of a full-scale IPR/RA project.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the University Community Plan, and is in conformance with the City's General Plan.

Schedule: Design, procurement and installation will be done in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Justification / Public Benefit: A rate increase to fund the Demonstration Project was approved on November 18, 2008, and went into effect on January 1, 2009. This project was established by Ordinance-19887 Section IV-A, with an initial budget of \$7.2 million.

Alvarado Water Quality Lab Roof Replacement / S00047

Council District: 7	Community Plan: Navajo
Project Status: Released	Contact Information: Meda, Jesus
Duration: 2008 - 2010	619-527-3156
Improv Type: Replacement	jmeda@saniego.gov

Description: This project provided for the removal and replacement of approximately 58,000 square feet of roofing, installation of California Title 24 roof coating, the removal and installation of HVAC ductwork at the water chemistry and industrial waste unit offices and the installation of miscellaneous sheet metal and flashings.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park and the Navajo Community Plans. This project is in conformance with the City's General Plan.

Justification / Public Benefit: These improvements were needed to repair a leaking and deteriorated roofing system.

Schedule: The project is complete and awaiting closure and capitalization.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None

Rancho Penasquitos Water Pump Station #2 / S00043

Council District:	1, 5	Community Plan:	Mira Mesa, Rancho Penasquitos
Project Status:	Released	Contact Information:	Azar, Hossein
Duration:	1999 - 2011		619-533-4102
Improv Type:	Expansion		hazar@sandiego.gov

Description: This project provides for the construction of a new water pump station and a new pressure reducing station in Rancho Penasquitos.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa and Rancho Penasquitos Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This pump station is required to deliver treated water from the Miramar Water Treatment Plant to the service area of Rancho Bernardo and most of Rancho Penasquitos and Del Mar; and will include Black Mountain Ranch development. This delivery of Miramar Water Treatment Plant water will reduce dependency on imported filtered water and will support future development and growth.

Schedule: The planning phase started in Fiscal Year 2001. The project was then put on hold until funding could be identified. Presently, the project is in construction under a Design-Build delivery process. The Design-Build project started in Fiscal Year 2008 and is scheduled to be completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

San Diego 17 Flow Control Facility / S00038

Council District: 7	Community Plan: Navajo
Project Status: Released	Contact Information: Partow, Hooman
Duration: 1999 - 2012	858-654-4284
Improv Type: Expansion	tvarga@sandiego.gov

Description: This project provides for the installation of a new flow control facility and a water pump station at the Alvarado Water Treatment Plant to pump potable water into the County Water Authority's pipeline.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This pump station will supply the Mid-City Pipeline project, serving the College Area and Mid-City communities.

Schedule: This project has been abandoned and closed in Fiscal Year 2010.

Operating Budget Impact: None

Summary of Project Changes: This project was abandoned and will be closed in Fiscal Year 2011.

Water Pump Station Restoration / ABJ00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Hwang, Guann
Duration:	2010 - 2021		858-292-6476
Improv Type:	Replacement		ghwang@sandiego.gov

Description: This annual allocation provides for replacing deteriorated pumping equipment and appurtenances or expanding pumping capacities to meet present and future water demands.

Justification / Public Benefit: Many existing water pump stations have reached or exceeded their anticipated service life or demands have exceeded their maximum pumping capacity. However, because of the widely varying actual lengths of service life, scheduling for pump station restoration is difficult.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis. Design for the Tierrasanta (Via Dominique) Pump Station and Design/Build for the Scripps Miramar Pump Station are scheduled to begin in Fiscal Year 2011. Planning is scheduled to begin in Fiscal Year 2011 for the Montezuma, College Ranch Hydro, and Climax Pump Stations.

Summary of Project Changes: The budget for Fiscal Year 2011 increased by \$7.3 million due to revised project requirements.

Barrett Flume Cover / S10013

Council District:	Non-city	Community Plan:	Non City
Project Status:	Released	Contact Information:	Partow, Hooman
Duration:	2010 - 2014		858-654-4284
Improv Type:	Betterment		hpartow@sandiego.gov

Description: This project will provide a covering for the 10 to 12 mile open channel delivering water from the Barrett Reservoir to the Lower Otay Reservoir

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Justification / Public Benefit: Each year golden eagles, deer, and other wildlife drown in the open channel sections of the Barrett Flume. There is also an excessive maintenance burden to keep soil and sediment out. Additionally, there is a slight algae build up due to sunlight. Covering the open flume sections is necessary to prevent fines and sanctions from the resource agencies, to maintain water quality, and to reduce maintenance and down time.

Schedule: Planning began in Fiscal Year 2010. Design is scheduled to begin in Fiscal Year 2011. Construction is estimated to begin in Fiscal Year 2013 and end in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None

Barrett Reservoir Outlet Tower Upgrade / S00039

Council District:	Non-city	Community Plan:	Non City
Project Status:	Released	Contact Information:	Asgharzadeh, Iraj
Duration:	2001 - 2010		619-533-5105
Improv Type:	Betterment		iasgharzadeh@sandiego.gov

Description: This project provides for upgrades to the electrical and operating systems and the replacement of outlet tower ladders, valves and platforms to the Barrett Reservoir Outlet Tower.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Justification / Public Benefit: The aging outlet tower components are in need of replacement for safety and ease of operation. The electrical and operating systems need to be upgraded to meet current standards and provide better control, safety and accessibility.

Schedule: The project is complete and awaiting closure and capitalization.

Summary of Project Changes: This project has been completed and will be closed in Fiscal Year 2011.

Operating Budget Impact: None.

Dams and Reservoirs / ABK00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Hwang, Guann
Duration:	2010 - 2021		858-292-6476
Improv Type:	Replacement		ghwang@sandiego.gov

Description: This annual allocation provides for rehabilitating and reconstructing improvement projects at reservoirs and dams. Projects include resurfacing access roads, reconstructing berms, installing lighting around dams, and sandblasting and shotcreting all exposed surfaces of the dams.

Justification / Public Benefit: The rehabilitation and reconstruction of access roads and the upgrading of berms, lighting, and all exposed surfaces of the dams are necessary to maintain access to and safety in the dam area. The State required improvements will also serve to satisfy a portion of the Division of Safety of Dams.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in compliance consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Modifications to Lake Hodges Dam scheduled in Fiscal Year 2010 have been deferred. The Emergency Storage Project-San Vicente Reservoir Marina project was started in Fiscal Year 2009 and will be completed in Fiscal Year 2013.

Summary of Project Changes: The budget for Fiscal Year 2011 decreased by \$691,014 due to revised project requirements.

El Capitan Reservoir Road Improvements / S00040

Council District:	Non-city	Community Plan:	Non City
Project Status:	Released	Contact Information:	Dorman, Amy
Duration:	1999 - 2016		619-533-5248
Improv Type:	Replacement		adorman@sanidiego.gov

Description: This project provides for repairing and widening the access road to El Capitan Reservoir.

Justification / Public Benefit: The existing access road is narrow and has become a safety concern due to rain induced sloughing. Widening the road will improve accessibility to the reservoir, accommodate the recreation activities, and assist maintenance efforts for the reservoir.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2000 and was completed in Fiscal Year 2001. Construction has been re-scheduled to begin in Fiscal Year 2014 and scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: Total project cost decreased by \$1.3 million due to revised project requirements.

Lower Otay Reservoir Emergency Outlet Improvements / S00044

Council District:	Non-city	Community Plan:	Non City
Project Status:	Released	Contact Information:	Azar, Hossein
Duration:	2001 - 2015		619-533-4102
Improv Type:	Betterment		hazar@sandiego.gov

Description: This project provides for the installation of two sluice gates on the auxiliary spillway to improve draw-down capacity.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Justification / Public Benefit: The State Department of Safety of Dams requires an emergency draw-down capability of 10 percent of reservoir capacity in 10 days. Lower Otay Reservoir (backed up by Savage Dam) requires 56 days for 10 percent draw-down in order to prevent a risk of dam failure.

Schedule: Design began in Fiscal Year 2001 and was completed in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Morena Reservoir Outlet Tower Upgrade / S00041

Council District:	Non-city	Community Plan:	Non City
Project Status:	Released	Contact Information:	Dorman, Amy
Duration:	2001 - 2017		619-533-5248
Improv Type:	Betterment		adorman@sandiego.gov

Description: This project upgrades the outlet tower to meet seismic requirements, replaces the electrical system and outlet tower piping, interior and exterior valves, and platforms. It will add a 100-foot long, six-foot wide pedestrian bridge from the dam to the outlet tower.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Project will be re-activated in Fiscal Year 2016.

Justification / Public Benefit: The aging outlet tower components are in need of replacement for safety and ease of operation. Furthermore, the electrical system needs to be upgraded to meet current standards, provide better control, and provide safety and better accessibility.

Summary of Project Changes: No significant change has been made for Fiscal Year 2011.

Operating Budget Impact: None

Rancho Bernardo Reservoir Rehabilitation / S00042

Council District: 5	Community Plan: Rancho Bernardo
Project Status: Released	Contact Information: Hagghkah, Siavash
Duration: 2000 - 2010	619-533-6682
Improv Type: Replacement	shaghkhah@sandiego.gov

Description: This project rehabilitates the existing ten million gallon concrete reservoir to better meet operational needs and seismic codes.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This rehabilitation project will extend the service life of the existing reservoir and reduce the maintenance required to keep it in safe operating condition.

Schedule: Design began in Fiscal Year 2000 and was completed in Fiscal Year 2007. Construction began in Fiscal Year 2008 and was completed in Fiscal Year 2009. The project is complete and awaiting closure and capitalization.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Miramar Clearwell Improvements / S11024

Council District: 5	Community Plan: Scripps Miramar Ranch
Project Status: Created	Contact Information: Partow, Hooman
Duration: 2011 - 2016	858-654-4284
Improv Type: Replacement	tvarga@sandiego.gov

Description: This project will construct two new clearwells just west of the Miramar Water Treatment Plant. Capacity will be determined by the planning study.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will replace the existing clearwells at Miramar Water Treatment Plant. The existing clearwells were determined to have significant structural issues and do not have adequate storage to meet operational needs and future demand.

Schedule: Design is scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Operating Budget Impact: None.

Standpipe and Reservoir Rehabilitations / ABL00001

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2021	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for reconstructing standpipes and reservoirs to improve operations and extend their useful life.

Justification / Public Benefit: Many existing standpipes and reservoirs in the water system have deteriorated to a point where they must be reconstructed or replaced to meet the current Occupational Safety and Health Act and Environmental Protection Agency safety and water quality standards.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is in compliance with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis. Construction of the San Carlos Reservoir Interior Enhancement project is anticipated for completion in Fiscal Year 2011. Planning for the Catalina Standpipe project has been completed and is anticipated to move forward in Fiscal Year 2011. Pomerado Park Reservoir has been placed on hold. The new project for Fiscal Year 2011 is La Jolla View Reservoir.

Summary of Project Changes: The budget for Fiscal Year 2011 decreased by \$2.4 million due to revised project requirements.

Bldg - Water - Treatment Plants

Alvarado Water Treatment Plant Upgrade & Expansion / S00021

Council District: 7	Community Plan: Navajo
Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 1999 - 2013	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project increases the treatment capacity of the Alvarado Water Treatment Plant from 150 million gallons of water per day (mgd) to 200 mgd and upgrades the existing treatment plant facilities to replace aged equipment to comply with new drinking water regulations. This project is split into multiple construction projects and will be phase funded. The major project components consist of the construction of two new sedimentation basins, the rehabilitation of existing 1950's-era sedimentation basins, the rehabilitation of the mechanical equipment and controls on the filters, ozone generation, and treatment facilities. Various site and landscaping improvements will also be made.

Justification / Public Benefit: The Safe Drinking Water Act, Environmental Protection Agency regulations, and a Department of Public Health Compliance Order dictate the need to upgrade the treatment plant process and equipment. Anticipated future demands within the Alvarado Water Service Area also require the plant to be expanded to 200 mgd, allowing for better utilization of the raw water storage in the San Vicente and El Capitan Reservoirs.

Operating Budget Impact: The upgrade from chlorine to ozone, as the primary disinfectant, will have a significant impact on the electrical and chemical consumption of the plant (an increase of approximately of \$1.6 million annually at completion). The increase in treated water capacity and the technical aspect of the equipment will also impact the cost for maintaining and operating the plant.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 1999 and has continued through subsequent phases of work. Construction began on the initial phase of work in Fiscal Year 2004 and is scheduled to be completed in Fiscal Year 2013.

Summary of Project Changes: The total project cost increased by \$2.9 million due to revised project requirements.

Bldg - Water - Treatment Plants

Council District:	5, 7	Community Plan:	Navajo, Scripps Miramar Ranch, Non City
Project Status:	Released	Contact Information:	Asgharzadeh, Iraj
Duration:	2009 - 2011		619-533-5105
Improv Type:	Betterment		iasgharzadeh@sandiego.gov

Description: This project consists of installing fluoridation equipment at each of the City of San Diego Water Treatment Plants.

Justification / Public Benefit: The State of California Assembly Bill No. 733 requires Public Water Systems with more than 10,000 service connections to fluoridate their drinking water.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Plan, the Navajo and Scripps Miramar Ranch Community Plans, and is in conformance with the City's General Plan.

Schedule: On May 13, 2008, CDPH notified the City to install equipment and reliability features necessary to provide fluoridation within two years, before May 2010. This a Design Build project, design and construction started Fiscal Year 2010 and construction will end Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Miramar Water Treatment Plant Upgrade & Expansion / S00024

Council District: 5	Community Plan: Scripps Miramar Ranch
Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 1993 - 2013	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project provides for upgrades to and expansion of the Miramar Water Treatment Plant, including construction of state-of-the-art filters, rapid mix and de-aeration facilities, chlorine and chemical facilities, four flocculation and sedimentation basins, an ozone structure with generation equipment, site paving, landscaping, and an administration building.

Justification / Public Benefit: The Safe Drinking Water Act, mandated by the Environmental Protection Agency and the Department of Public Health, dictates the need to upgrade the existing treatment plant. Increasing demands on the plant by the rapidly growing North City area also necessitate its expansion.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 1997 and will continue through subsequent phases of work. Construction began on the initial phase of work in Fiscal Year 2001 and is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Otay Water Treatment Plant Upgrade & Expansion / S00030

Council District: Non-city	Community Plan: Non City
Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 1993 - 2012	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project provides for upgrading the treatment processes at the Otay Water Treatment Plant to comply with the Safe Drinking Water Act standards. The Safe Drinking Water Act is a federal act, enforced by the State of California.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Justification / Public Benefit: New standards required by the Safe Drinking Water Act dictate the need to upgrade the existing water treatment plant standards.

Schedule: Design began in Fiscal Year 2001 and will continue through subsequent phases of work. Construction began on the initial phase in Fiscal Year 2008 and is scheduled to be completed in Fiscal Year 2011. New phase for Fiscal Year 2011: The Otay Water Treatment Plant Concrete Work.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Groundwater Asset Development / ABM00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Adrian, George
Duration:	2010 - 2021		619-533-4680
Improv Type:	Replacement		gadrian@sandiego.gov

Description: This project provides for investigation work related to legal, technical, regulatory, and water quality issues; and for the planning, design, and construction of groundwater facilities to increase the local water supply.

Justification / Public Benefit: The City imports 90 percent of its water from the Colorado River and the State Water Project. The City has access to nine under-utilized groundwater assets that could be developed to supply new yield, seasonal storage or carryover storage.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is in compliance with applicable community plans and is in conformance with the City's General Plan.

Schedule: Research, exploration and demonstration began in Fiscal Year 2001 and will continue through Fiscal Year 2011. Design and construction of sub-projects identified in the research/exploration/demonstration phase are anticipated to begin in Fiscal Year 2010 and continue through Fiscal Year 2019 and beyond.

Summary of Project Changes: The budget for Fiscal Year 2011 decreased by \$1.8 million due to revised project requirements.

Reclaimed Water System - Pipelines

North City Reclamation System / AHC00002

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Casamassima, Jennifer
Duration:	2010 - 2020		619-533-7402
Improv Type:	Expansion		jcasamassima@sanidiego.gov

Description: The Northern Service Area recycled water system expansion is identified as Phase II in the 2000 and 2005 Recycled Water Master Plans and will be served by the North City Water Reclamation Plant. Once all the components of Phase II are completed, recycled water service will extend from Black Mountain Road west, along the I-56 corridor, to Carmel Valley. Portions of the recycled water pipeline expansion have been completed; bringing service to Olivenhain Municipal Water district and the communities of Black Mountain Ranch and Santa Luz. Transmission/distribution pipelines are planned in Carmel Valley, Pacific Highlands, Los Penasquitos Canyon and Camino Del Sur. State Proposition 50 (Integrated Regional Water Management Plan) and Bureau of Reclamation Title 16 Grant funds are anticipated for this project.

Justification / Public Benefit: Recycled water pipelines have been constructed by private developers or Caltrans. The City needs to construct the gaps to complete the system and start delivering recycled water. The City also needs to expand the distribution system to customers already retrofitted to use recycled water.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Planning, design and construction began in Fiscal Year 2001 and is currently scheduled for completion in Fiscal Year 2015.

Summary of Project Changes: The budget for Fiscal Year 2011 decreased by \$9.4 million due to revised project requirements.

Reclaimed Water System - Pipelines

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Casamassima, Jennifer
Duration:	2010 - 2020		619-533-7402
Improv Type:	Expansion		jasamassima@sandiego.gov

Description: This annual allocation provides for pipeline extensions of the City's Recycled Water Distribution System to serve potential customers adjacent or in close proximity to the existing system.

Justification / Public Benefit: This project provides recycled water to customers served by the pipeline extensions.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis. Planned projects over the course of the next five (5) years are currently being evaluated.

Summary of Project Changes: The budget for Fiscal Year 2011 decreased by \$3.2 million due to revised project requirements.

Reclaimed Water System - Pipelines

Reclaimed Water Retrofit / AHC00003

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Casamassima, Jennifer
Duration: 2010 - 2020	619-533-7402
Improv Type: Expansion	jasamassima@sandiego.gov

Description: This annual allocation provides for supplying reclaimed water customers with the proper connections and metering for the new reclaimed water distribution system.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: The City of San Diego has embarked on an aggressive water reclamation program to provide reclaimed water to large users of potable water for irrigation purposes. This will allow the City to increase its available potable water to serve new potential customers.

Schedule: No new projects are planned in Fiscal Year 2011 and beyond.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Reclaimed Water System - Pipelines

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Phung, Tung
Duration:	2010 - 2012		858-654-4284
Improv Type:	Betterment		tvarga@sandiego.gov

Description: This project is needed to ensure that spills from the recycled water system flow into the sewer rather than the storm water system. This project would include 14 Pressure Reducing Station vaults to be retro-fitted to divert the drainage inside the vault from the storm drain to the sewer system, as required by Regional Water Quality Control Board.

Justification / Public Benefit: This project is needed to comply with the latest regulatory requirements that recycled water be drained to the sewer system rather than the storm drain system when emergency spills or main breaks occur inside the vaults.

Operating Budget Impact: None.

Recycled Water System Upgrades / S10010

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2010 and construction is to be completed in Fiscal Year 2012.

Summary of Project Changes: The total project cost increased by \$281,914 due to revised project requirements.

Reclaimed Water System - Pipelines

South Bay Reclamation System / S00018

Council District:	8	Community Plan:	San Ysidro, Tijuana River Valley
Project Status:	Released	Contact Information:	Casamassima, Jennifer
Duration:	2002 - 2010		619-533-7402
Improv Type:	Expansion		jcasamassima@sandiego.gov

Description: This project acquires a pipeline that was installed by the Metropolitan Wastewater Department at Dairy Mart Road. It is approximately 4,145 linear feet of 30" diameter, ductile iron pipe, polyurethane lined and coated. A cathodic protection system is in place on this project. Subsequently, additional sub-projects will be created to form a distribution system for reclaimed water produced at the South Bay Water Reclamation Plant.

Justification / Public Benefit: One of the requirements of the Ocean Pollution Reduction Act Consent Decree Agreement between the City, the State of California and the Environmental Protection Agency is the Beneficial reuse of Title 22 reclaimed water.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the San Ysidro and Tijuana River Valley Community Plans, and is in conformance with the City's General Plan.

Schedule: All pipelines for this project have been completed and will be closed by the end of the fiscal year. The final phase consists of the installation of a mag-meter assembly to facilitate recycled water billings to the Otay Water District.

Summary of Project Changes: There is no significant change to the project in Fiscal Year 2011. The total project expenditures do not include projects which closed prior to conversion to SAP.

Description: This annual allocation provides for the rehabilitation and repair of deteriorated sewers and manholes at various locations within the City limits.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This annual allocation provides for the extension of the useful life of sewers and manholes, improvements in the level of service to the residents of San Diego, and compliance with regulatory agencies' standards by reducing the impact of sewer spills.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The budget for Fiscal Year 2011 decreased by \$27.5 million due to revised project requirements.

Operating Budget Impact: None.

Pipeline Rehabilitation Phase F-1 / S00341

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Azar, Hossein
Duration:	2005 - 2011		619-533-4102
Improv Type:	Replacement - Rehab		hazar@sandiego.gov

Description: This project provides rehabilitation and repair of 21.72 miles of sewer pipeline.

Schedule: Construction began in Fiscal Year 2008 and is scheduled to be completed in Fiscal Year 2011.

Justification / Public Benefit: This project will help meet EPA requirements to reduce sewer spills while reducing maintenance costs and extending the service life of sewer pipelines.

Summary of Project Changes: This project is newly published for Fiscal Year 2011. This project was converted from a sublet (B-00468) under an annual allocation to a stand-alone due to costs exceeding \$8 million per sublet. This project was originally scheduled to rehabilitate 10.03 miles of pipeline. Due to some contractual issues with other pipeline rehabilitation contracts, additional mileage was added to this project as a change order.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community planning areas and is in conformance with the City's General Plan.

Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2020	(858) 292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for repair and replacement of sewers in need of emergency or unscheduled repairs.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This annual allocation provides for emergency repairs and replacement of sewer pipeline to avoid failures of the Municipal Sewer System.

Schedule: Projects are scheduled on a priority basis.

Operating Budget Impact: None.

Summary of Project Changes: Total project cost has decreased by \$5.9 million. Current funding within the project combined with the new Fiscal Year 2011 project budget of \$2.2 million will support Fiscal Year 2011 needs.

Balboa Avenue Trunk Sewer / S00331

Council District: 6	Community Plan: Clairemont Mesa
Project Status: Released	Contact Information: Gamboa, Wendy
Duration: 2001 - 2012	619-235-1971
Improv Type: Expansion	wgamboa@sandiego.gov

Description: This project provides for the replacement of the existing 15-inch trunk sewer pipe with 24-inch pipe, including the 5,000 feet of new 18-inch trunk sewer.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will upgrade the existing trunk sewer with a larger pipe to accommodate additional flow in the future.

Schedule: Design began in Fiscal Year 2002 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin and be completed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost decreased by approximately \$2.0 million due to revised project requirements.

Beach Area Low Flow Storm Diversion / S00313

Council District: 1, 2	Community Plan: La Jolla, Pacific Beach
Project Status: Released	Contact Information: Batta, Jamal
Duration: 1999 - 2010	619-533-7482
Improv Type: Replacement	jbatta@sandiego.gov

Description: This project and Storm Water Department's Beach Area Low Flow Storm Drain Diversion project, S-00603, provide for diversion of low flow storm runoff and sewer overflows.

Relationship to General and Community Plans: This project is consistent with the La Jolla and Pacific Beach Community Plans, and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will allow for the sewer overflow and low flow storm runoff to return to the sewer, preventing pollution in the beach areas.

Schedule: Construction was scheduled to begin in Fiscal Year 1999. This project has been completed and it's scheduled to be closed by the end of Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: No significant changes have been made to the project in Fiscal Year 2011.

Carmel Valley Trunk Sewer / S00325

Council District: 1	Community Plan: Carmel Valley
Project Status: Released	Contact Information: Phung, Tung
Duration: 1992 - 2010	858-292-6425
Improv Type: Expansion	tphung@sandiego.gov

Description: This project provides for replacement of the existing Carmel Valley Trunk Sewer east of Interstate 5.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing sewer has experienced a significant number of structural failures. Continuing development within the area tributary to the existing trunk sewer will also create the need for greater capacity than the existing sewer can provide. CalTrans will replace a portion of the existing trunk sewer in conjunction with its work on the State Route 56/Interstate 5 interchange. This project is included in the Environmental Protection Agency Consent Decree.

Schedule: Design began in Fiscal Year 1999 and was completed in Fiscal Year 2005. Construction began in Fiscal Year 2004 and was completed in Fiscal Year 2007. The developer has taken over this project and scheduled to close at the end of Fiscal Year 2010.

Summary of Project Changes: No significant changes have been made to the project.

Operating Budget Impact: None.

East Mission Gorge Force Main Rehabilitation / S00326

Council District: 7	Community Plan: Navajo
Project Status: Released	Contact Information: Phung, Tung
Duration: 2004 - 2015	858-292-6425
Improv Type: Replacement	tphung@sandiego.gov

Description: This project provides for the rehabilitation of the East Mission Gorge force main due to deterioration of the pipeline concrete lining from sulfuric acid build up.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for the rehabilitation of the force main in order to prevent breakage of the force main and prevent potential sewage spills.

Schedule: Design began in Fiscal Year 2004 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost increased by \$3.0 million due to revised project requirements.

East Point Loma Trunk Sewer / S00329

Council District: 2	Community Plan: Peninsula, Midway - Pacific Highway
Project Status: Released	Contact Information: Spier, Carl
Duration: 2001 - 2013	619-533-5126
Improv Type: Expansion	cspier@sandiego.gov

Description: Construction consists of the rehabilitation of approximately 7,308 LF of 27 & 30-inch trunk sewer, the installation of approximately 640 LF of 36-inch trunk sewer, 64 LF of 27-inch trunk sewer, 237 LF of 18-inch trunk sewer, 148 LF of 12-inch sewer mains, and 31 LF of 8-inch sewer mains, plus sewer manholes, sewer laterals, trench shoring, pavement resurfacing and all other work and appurtenances necessary to complete the work. The affected streets are Nimitz Blvd., Barnett Avenue, and Cushing Road between Nimitz Blvd. and Barnett Avenue.

Justification / Public Benefit: This project redirects the existing trunk sewer system to the 96 Sewer Interceptor located on Barnett Ave. The age of the existing system is almost 60 years old and needs to be rehabilitated.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Peninsula and Midway-Pacific Highway Corridor Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to be begin in Fiscal Year 2011 and be completed by 2013.

Summary of Project Changes: The total project cost decreased by \$1.1 million due to revised project requirements.

Harbor Drive Trunk Sewer Replacement / S00336

Council District: 8	Community Plan: Centre City
Project Status: Released	Contact Information: Spier, Carl
Duration: 2000 - 2013	619-533-5126
Improv Type: Expansion	cspier@sandiego.gov

Description: This project provides for upgrading and replacing existing portions of Harbor Drive trunk sewer with 15-inch, 18-inch and 48-inch pipelines.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The existing trunk sewer has a portion constructed of techite pipeline, which has been prone to structural failure.

Schedule: Design began in Fiscal Year 2002 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2011 and be completed in Fiscal Year 2013.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost decreased by approximately \$5 million due to revised project requirements.

La Jolla/PB Trunk Sewer-Chelsea Street Relocation / S00327

Council District:	1	Community Plan:	La Jolla
Project Status:	Released	Contact Information:	Gamboa, Wendy
Duration:	1997 - 2010		619-235-1971
Improv Type:	Expansion		wgamboa@sandiego.gov

Description: This project will realign approximately 3,850 feet of 21-inch trunk sewer; construct approximately 28 feet of 12-inch sewer main; construct approximately 4,638 feet of 8-inch sewer main; and replumb approximately 65 laterals.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and it is in conformance with the City's Program Guide and General Plan.

Justification / Public Benefit: This project will relocate an existing trunk sewer located within a utility easement area between private properties fronting La Jolla Boulevard and Chelsea Street.

Schedule: This project is complete and awaiting capitalization.

Summary of Project Changes: No significant changes made to this project in Fiscal Year 2011.

Operating Budget Impact: None.

Project Status: Released	Contact Information: Spier, Carl
Duration: 2003 - 2012	619-533-5126
Improv Type: Expansion	cspier@sandiego.gov

Description: This project provides for the replacement of three miles of existing trunk sewer and installation of maintenance access pathways.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project provides for the upsizing of the trunk sewer to meet build-out capacity.

Schedule: Design was completed. Construction began in Fiscal year 2010 and will be completed by Fiscal Year 2011.

Operating Budget Impact: None

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2020	858-292-6476
Improv Type: New	ghwang@sandiego.gov

Description: This annual allocation provides for the replacement of trunk sewers and sewer mains at various locations, including canyons, within the City.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This annual allocation provides for the upgrading of trunk sewers, to improve the level of service to residents of San Diego and to comply with regulatory agencies by reducing the impact of sewer spills.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The budget for Fiscal Year 2011 increased by \$14.6 million due to revised requirements.

Operating Budget Impact: None

Miramar Road Trunk Sewer / S00330

Council District:	1, 5	Community Plan:	Mira Mesa, North University City
Project Status:	Released	Contact Information:	Phung, Tung
Duration:	2001 - 2010		858-292-6425
Improv Type:	Expansion		tphung@sandiego.gov

Description: This project provides for the replacement and upgrade of the Miramar Trunk Sewer.

Schedule: Design began in Fiscal Year 2001 and was completed in Fiscal Year 2007. Construction began in Fiscal Year 2007 and was completed in Fiscal Year 2008. Environmental mitigation is scheduled to be completed in Fiscal Year 2010.

Justification / Public Benefit: This project provides for upgrading the existing 15-inch diameter pipe to 18-inch diameter pipe in order to accommodate the flow from the Marine Corps Air Station, Miramar.

Summary of Project Changes: This project is complete and awaiting capitalization.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University and Mira Mesa Community Plans and is in conformance with the City's General Plan.

Montezuma Trunk Sewer / S00332

Council District: 7	Community Plan: College Area
Project Status: Released	Contact Information: Spier, Carl
Duration: 2002 - 2013	619-533-5126
Improv Type: Expansion	cspier@sandiego.gov

Description: This project provides for the replacement of approximately 2,445 feet of the existing 15-inch trunk sewer with 21-inch pipe.

Relationship to General and Community Plans: This project is consistent with the College Area Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This trunk sewer will be upgraded with a larger pipe to accommodate future flow capacity.

Schedule: Design began in Fiscal Year 2004 with final design modifications scheduled to be completed in Fiscal Year 2011. Construction for this project will begin in Fiscal Year 2012.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost decreased by \$824,396 due to revised project requirements.

Otay Mesa Trunk Sewer / S00301

Council District:	8	Community Plan:	Otay Mesa
Project Status:	Released	Contact Information:	Phung, Tung
Duration:	2001 - 2010		858-292-6425
Improv Type:	Expansion		tphung@sandiego.gov

Description: This project will provide for adequate sewage capacity and accommodate future growth in the Otay Mesa community. The City of San Diego and developers have entered into cooperative agreements to design and construct the Otay Mesa Trunk Sewer project. This is a multi-phased, major trunk sewer system to serve the Otay Mesa area as described in the 2004 Otay Mesa Sewer Master Plan and Alignment Study. The project constructs all sewer pipes 18-inches and larger and upgrades the existing pump station 23T. Phase 2A1 constructs 2,634 feet of 42-inch pipe in Old Otay Mesa Road. Phase 2A2 constructs a continuation of the pipe for another 4,282 feet. Phase 2B1 constructs a continuation of the pipe for another 6,180 feet to connect to the San Ysidro Trunk Sewer

Justification / Public Benefit: The project will provide service for the future wastewater flows in the Otay Mesa Area.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design for Phases 2A1 and 2A2 began in Fiscal Year 2001 and completed in Fiscal Year 2010. Design for Phase 2B1 began in Fiscal Year 2001 and was completed in Fiscal Year 2010. Construction for 2A1 and 2A2 began in Fiscal Year 2004 and has been completed. Phase 2B1 will be constructed by the developer.

Summary of Project Changes: No significant changes have been made to the project in Fiscal Year 2011.

Council District: 1	Community Plan: Torrey Pines
Project Status: Closed	Contact Information: Gamboa, Wendy
Duration: 1998 - 2010	619-235-1971
Improv Type: Expansion	wgamboa@sandiego.gov

Description: This project will provide for the relocation of the existing trunk sewer out of the Penasquitos Lagoon.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: A portion of the existing trunk sewer is currently located in the Penasquitos Lagoon area and is inaccessible during rainy periods.

Schedule: Design began in Fiscal Year 1999 and was completed in Fiscal Year 2006. Construction began in Fiscal Year 2004 and was completed in Fiscal Year 2006. This project is complete and awaiting capitalization

Operating Budget Impact: None.

Summary of Project Changes: No significant changes have been made to the project in Fiscal Year 2011.

Council District:	2, 3, 6, 7	Community Plan:	Mission Valley
Project Status:	Released	Contact Information:	Gamboa, Wendy
Duration:	2001 - 2012		619-235-1971
Improv Type:	Expansion		wgamboa@sandiego.gov

Description: This project provides for the installation of approximately 3,000 feet of new 36-inch trunk sewer along Interstate 8 between Taylor Street and Hotel Circle Place, and approximately 600 feet of new 24-inch trunk sewer at the Interstate 5/Interstate 8 interchange.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will increase the flow capacity of the South Mission Valley Trunk Sewer.

Schedule: Design was completed. Construction began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost decreased by \$7.5 million due to revised project requirements.

USIU Trunk Sewer / S00334

Council District: 5	Community Plan: Scripps Miramar Ranch, Mira Mesa
Project Status: Released	Contact Information: Amen, Rania
Duration: 2002 - 2013	619-533-5492
Improv Type: Expansion	ramen@sandiego.gov

Description: This project provides for the replacement of the existing 2.2-mile trunk sewer. The trunk sewer starts on the west side of Interstate 15, proceeds east through Horse Ranch Canyon, and continues east on the edge of Pomerado Road to 400 feet east of Avenida Magnifica.

Justification / Public Benefit: This project will provide for the upsizing of the trunk sewer to meet build-out capacity.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch and Mira Mesa Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2002 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin in October 2010 and be completed in June 2011.

Summary of Project Changes: The total project cost decreased by approximately \$4.3 million due to revised project requirements.

Del Mar Heights Pipeline Relocation / S00070

Council District: 1	Community Plan: Del Mar Mesa
Project Status: Released	Contact Information: Wilson, Leonard
Duration: 2005 - 2013	858-654-4112
Improv Type: Expansion	llwilson@sandiego.gov

Description: This project will provide for the relocation and upsizing of this pipeline (36") in the ultimate right-of-way for Carmel Valley Road. The existing Del Mar Heights Pipeline will no longer follow the alignment of Carmel Valley Road once Carmel Valley Road is improved to four lanes.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific (Community) Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Future maintenance of this facility is enhanced when it is in an accessible and convenient location such as a public street right-of-way. This project will relocate the pipeline so that it can be easily maintained, repaired, and serviced in the future.

Schedule: Design is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2013.

Summary of Project Changes: No significant change has been made to this project in Fiscal Year 2011.

Operating Budget Impact: None.

El Capitan Pipeline #2 / S10005

Council District:	Non-city	Community Plan:	Non City
Project Status:	Released	Contact Information:	Wong, Pete
Duration:	2010 - 2015		858-292-6475
Improv Type:	Expansion		pwong@sandiego.gov

Description: This project provides for a pipeline parallel to the existing 48-inch El Capitan Pipeline with 41,490 linear feet of new 54-inch pipeline.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Justification / Public Benefit: This project would provide an additional outlet capacity of 75 million gallons per day (MGD) from El Capitan Reservoir to the Lakeside Pump Station. The combined capacity of the two pipelines would be 130 MGD. This would enable the Lakeside Pump Station to deliver 110 MGD to the Alvarado Water Treatment Plant and 20 MGD to the Helix Water District.

Schedule: Project currently undergoing condition assessment and planning. Design phase is re-scheduled to begin in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2014 with completion anticipated by Fiscal Year 2015.

Operating Budget Impact: None.

Summary of Project Changes: Total project cost decreased by \$6.26 million due to revised project requirements.

El Monte Pipeline #2 / S10008

Council District:	7	Community Plan:	Navajo
Project Status:	Released	Contact Information:	Wong, Pete
Duration:	2010 - 2020		858-292-6475
Improv Type:	Expansion		pwong@sanidiego.gov

Description: This project would build a new 60-inch pipeline with a capacity of 150 million gallons per day (MGD) between the Lakeside Pump Station and the Alvarado Water Treatment Plant.

Schedule: Project currently undergoing condition assessment / planning. Design phase is re-scheduled to begin in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2014 with completion in Fiscal Year 2020.

Justification / Public Benefit: This project is necessary to ensure that future water demands are met in the Alvarado service area.

Summary of Project Changes: The total estimated project budget increased by \$10.8 million due to revised project requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Hwang, Guann
Duration:	2010 - 2011		858-292-6476
Improv Type:	Replacement		ghwang@sandiego.gov

Description: This annual allocation provides funding to relocate water lines in conflict with the State Department of Transportation highway construction zones.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Waterline relocation is necessitated by the State Department of Transportation's effort to expand the State Highway System. Relocation projects are accomplished in conjunction with highway projects scheduled by the State Department of Transportation.

Schedule: Projects are scheduled on a priority basis per Caltrans requests.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Kearny Mesa Pipeline Upgrade / S10011

Council District: 6	Community Plan: Kearny Mesa, Linda Vista, Clairemont Mesa, Mission Valley
Project Status: Released	Contact Information: Wong, Pete
Duration: 2010 - 2014	858-292-6475
Improv Type: Replacement	pwong@sandiego.gov

Description: This project provides for the replacement of the Kearny Mesa Pipeline. There will be 49,000 linear feet of 36 inch and 30 inch pipeline replaced.

Schedule: This project currently undergoing condition assessment and planning. Design is scheduled to begin in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013 and to be completed in Fiscal Year 2014.

Justification / Public Benefit: This upgrade is necessary to prevent water pipe breaks, and to assure a continuous water supply to the Kearny Mesa community.

Summary of Project Changes: The budget for Fiscal Year 2011 decreased by \$2.9 million, due to re-scheduling of project. Total estimated project cost decreased by \$5.3 million due to revised project requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley, Linda Vista, Clairemont Mesa and Kearny Mesa Community Plans and is in conformance with the City's General Plan.

Kensington Pressure Regulator / S10059

Council District: 3	Community Plan: Normal Heights (Mid-City)
Project Status: Created	Contact Information: Partow, Hooman
Duration: 2013 - 2015	858-654-4284
Improv Type: Betterment	hpartow@saniego.gov

Description: This project will install two pressure regulating stations at the Kensington Park Villas in order to provide more consistent water pressure throughout the community.

Relationship to General and Community Plans: This project is consistent with the Normal Heights Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: The pressure regulating station will provide more consistent water pressure throughout the community and decrease pipe ruptures or other problems due to over pressurizing.

Schedule: During the Master Planning Project prioritization effort it was determined to put this project on hold.

Operating Budget Impact: None

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Miramar Pipeline Monitoring & Reinspection / S00083

Council District:	5	Community Plan:	Mira Mesa
Project Status:	Released	Contact Information:	Wong, Pete
Duration:	2007 - 2012		858-292-6475
Improv Type:	New		pwong@sandiego.gov

Description: This project provides for monitoring and reinspection of 26,870 linear feet of existing pre-stressed concrete cylinder pipe on Mira Mesa Boulevard from Pacific Heights Boulevard eastward to the Miramar Water Treatment Plant. A pipeline condition assessment will be performed prior to initiating design.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: These improvements are necessary to prevent water pipe breaks and to assure a continuous water supply to the Mira Mesa Community.

Schedule: The Miramar Pipeline reinspection was pushed out to start in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Montezuma Pipeline/Mid-City Pipeline Phase II / S11026

Council District:	7	Community Plan:	College Area, Eastern Area (Mid-City), Navajo
Project Status:	Created	Contact Information:	Partow, Hooman
Duration:	2011 - 2016		858-654-4284
Improv Type:	Expansion		hpartow@sandiego.gov

Description: This project will construct a new 54-inch pipeline from the Alvarado Water Treatment Plant. Clearwells to the existing 48-inch Mid-City Pipeline, which crosses Highway 8. Approximate pipeline length is 6,505 Linear Feet.

Operating Budget Impact: None

Justification / Public Benefit: This project will give complete redundancy to the Trojan Pipeline and will add transmission capacity to all of San Diego south of Highway 8. The project will provide a backup supply for the aging 54-inch Trojan Pipeline that currently supplies the Mid-City Pipeline west of the 63rd Street inter-tie, second supply line to the largest region of the Alvarado Water Treatment Plant service area, backup service, and allows the Trojan Pipeline to be removed from service for inspection. In addition, the project provides connections for a new 69th and Mohawk Pump Station to become the lead supply to the Redwood Village (645) zone.

Relationship to General and Community Plans: This project is consistent with the College Area, Navajo and Eastern Area Community Plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2014. Construction is scheduled to begin in Fiscal Year 2015.

Summary of Project Changes: This is a newly published project in Fiscal Year 2011.

Pomerado Pipeline #2 / S00072

Council District: 5, 7	Community Plan: Scripps Miramar Ranch, Tierrasanta
Project Status: Released	Contact Information: Partow, Hooman
Duration: 1987 - 2011	858-654-4284
Improv Type: Betterment	hpartow@sandiego.gov

Description: This project provides for negotiating an agreement with the San Diego County Water Authority for the disposition of the City's share of the Pomerado Pipeline.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch and Tierrasanta Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: The City and the San Diego County Water Authority jointly own the Pomerado Pipeline. The agreement will determine the long-term disposition of the pipeline. Negotiations with the San Diego County Water Authority are expected to continue throughout 2010.

Schedule: Negotiations with San Diego County Water Authority are scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Seismic Upgrades / AKB00004

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Hwang, Guann
Duration:	2010 - 2011		858-292-6476
Improv Type:	Replacement		ghwang@sandiego.gov

Description: This annual allocation provides for seismic retrofits and upgrades to existing facilities to protect the water system in case of an earthquake.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Many existing facilities throughout the City have serious structural and seismic defects. This annual allocation provides funding to upgrade these facilities to meet current compliance requirements and guidelines. This project allows City crews the ability to rapidly restore water services to affected areas after a large earthquake.

Schedule: Projects are scheduled on a priority basis. Fault crossing retrofits to large pipelines and landslide/liquefaction pipeline mitigation projects which began in Fiscal Year 2009, will be completed in late Fiscal Year 2010. The new project for Fiscal Year 2011 is the La Jolla Country Club Reservoir Seismic Upgrade.

Operating Budget Impact: None.

Summary of Project Changes: The budget for Fiscal Year 2011 decreased by \$1.7 million due to revised project requirements.

Telemetry Control Systems SCADA Phase II / S00046

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Spier, Carl
Duration:	2000 - 2010		619-533-5126
Improv Type:	Expansion		cspier@sandiego.gov

Description: This is phase II of a two-phase program to install a modern Supervisory Control and Data Acquisition (SCADA) system. The SCADA system monitors and controls all critical water distribution sites. Phase I included the central control and operations component, as well as Remote Control Panels (RCPs) at 42 of the water distribution sites. Due to additional work that had been identified, phase II was divided into five parts, phases IIa, IIb, IIc, IId, and IIe. Phase IIa included the installation of RCPs to control 60 additional water distribution sites. Phase IIb included remediation work at 36 existing sites. Phase IIc included installation of RCPs at 29 large meter sites. Phase IId included installation of RCPs at 72 sites, an operating efficiency assessment, a communication network upgrade, and intranet functionality for data access. Phase IIe included the work identified in the Water Operations Optimization plan.

Justification / Public Benefit: Although electronic monitoring systems are currently in operation, City crews have no ability to remotely control the water system, and crews must still personally visit various system locations to turn valves and control pumps manually in emergencies. With recent technological advances, new telemetry installations can provide versatility and flexibility. The new SCADA system will upgrade and centralize all telemetry controls into one location to facilitate the control, monitoring and tracking of data. Improved service and quick emergency control over the entire water system will be the ultimate result.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2000 and was completed in Fiscal Year 2001. Construction began in Fiscal Year 2000 and was completed in Fiscal Year 2009. The project is complete and awaiting closure and capitalization.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

University Ave Pipeline Replacement / S11021

Council District:	2, 3	Community Plan:	Uptown, Greater North Park
Project Status:	Created	Contact Information:	Partow, Hooman
Duration:	2011 - 2016		858-654-4284
Improv Type:	Replacement		hpartow@sandiego.gov

Description: This project replaces 13,463 linear feet of existing cast-iron University Avenue Pipeline with new 16 distribution line on the entire alignment of the pipeline. Connect crossing distribution lines at all intersections, and re-connect all services, include lining or sleeving of freeway crossings where necessary.

Operating Budget Impact: None

Justification / Public Benefit: Cast iron reaches of the University Avenue Pipeline are neither safe nor reliable facilities, and may contribute to poor water quality. An active approach is recommended because of high risks and consequences of pipe failure. The University Avenue Pipeline is the remnant of an older supply system that once supplied the west Mission Valley, Point Loma and Pacific Beach areas from the original University Heights WTP. This transmission system preceded the Mission Valley transmission lines from the Alvarado WTP that were put into service in 1950 and currently supply those areas. The University Avenue Pipeline has low flow rates and is heavily tapped for service so that it effectively functions as a large distribution line. In addition, California Department of Public Health mandated that all cast iron pipes be replaced.

Relationship to General and Community Plans: This project is consistent with the Uptown and Greater North Park Community Plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2011 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and be completed in Fiscal Year 2015.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011.

Upas Street Pipeline Replacement / S11022

Council District:	3	Community Plan:	Uptown, Greater North Park
Project Status:	Created	Contact Information:	Partow, Hooman
Duration:	2011 - 2016		858-654-4284
Improv Type:	Replacement		hpartow@sandiego.gov

Description: This project replaces 11,598 linear feet of existing cast-iron Upas Street Pipeline with a new 16 line from 30th and Upas to Upas and Front Street. Abandon 2,546 linear feet of existing cast-iron Upas Street Pipeline from Upas and Front to West Upas and Ibis Street. Replace 246 linear feet cast-iron Upas Street Pipeline with new 8 line from West Upas and Ibis to West Upas and Jackdaw Street. Abandon 1,902 linear feet of Upas Street Pipeline from West Upas and Jackdaw to the west side of California Street. Replace 249 linear feet cast-iron Upas Street Pipeline with new 16 line from the Pacific Beach Pipeline west of California Street to the 12 connection west of Pacific Highway.

Justification / Public Benefit: This project is needed because the cast iron reaches of the Upas Street Pipeline are neither safe nor reliable facilities, and may contribute to poor water quality. An active approach is recommended because of high risks and consequences of pipe failure. The Upas Street Pipeline is remnants of an older supply system that once supplied the west Mission Valley, Point Loma and Pacific Beach areas from the original University Heights WTP. This transmission system preceded the Mission Valley transmission lines from the Alvarado WTP that were put into service in 1950 and currently supply those areas. The Upas Street Pipeline has low flow rates and is heavily tapped for service so that it effectively functions as a large distribution line. In addition, California Department of Public Health mandated that all cast iron pipes be replaced.

Operating Budget Impact: None.

Water Group Job 790 / S10004

Council District:	1, 4	Community Plan:	La Jolla, Skyline - Paradise Hills
Project Status:	Released	Contact Information:	Amen, Rania
Duration:	2010 - 2012		619-533-5492
Improv Type:	Replacement		ramen@sandiego.gov

Description: This project will replace 4.41 miles of existing water mains comprised of the following components: This job is located within two separate planned communities. The first is located within the Paradise Hills/Skyline Community Plan area which consists of the replacement of 14,137 lineal-feet (2.67 miles) of water mains ranging from 2 to 12 in diameter. The streets affected by the construction are: 68th Street, Jamacha Road, Guthie Way, Cardiff Street, Bonsall Street, Wade Street, San Vicente Street, Sawtelle Avenue and Skyline Drive. The second site is located within the La Jolla Community Plan and consists of the replacement and addition of a total of 9,184 lineal-feet (1.74 miles) of water mains ranging from 6 to 12 in diameter. The streets affected by the construction are: Nautilus Street, Michael John Drive, Aranda Avenue, Avenida Manana, Via Barranca, and Avenida De Las Pescas.

Justification / Public Benefit: These improvements are necessary to prevent water pipe breaks and to ensure a continuous water supply to the La Jolla and Skyline-Paradise Hills communities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla and Skyline/Paradise Hills Community Plans and is in conformance with the City's General Plan.

Schedule: Planning phase began in Fiscal Year 2008. Construction started in Fiscal Year 2010 and will be completed in Fiscal Year 2011.

Summary of Project Changes: This project converted to a standalone in Fiscal Year 2010. Total project estimated cost decreased by \$916,217 at project award. An additional \$385,000 was added in Fiscal Year 2010, from Annual Allocation Water Main Replacement. The budget for Fiscal Year 2011 decreased by \$1.3 million due to funds transferred in from Annual Allocation Water Main Replacement and the decreased total project cost at award.

Water Group Job 915 (3012) / S10123

Council District: 2	Community Plan: Pacific Beach
Project Status: Created	Contact Information: Antoun, Nevien
Duration: 2010 - 2014	619-533-7492
Improv Type: Replacement	nantoun@sandiego.gov

Description: This project is in the Pacific Beach Community and consists of replacement of 42,020 LF (7.96 miles) of eight inch (8) and twelve inch (12) water main and all other work and appurtenances. It also includes installation of curb ramps and street resurfacing.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: These improvements are necessary to prevent water main breaks and to ensure a continuous water supply to the Pacific Beach community.

Schedule: The Planning phase began in Fiscal Year 2008. Construction began in Fiscal Year 2010 and will be completed in Fiscal Year 2013.

Operating Budget Impact: None

Summary of Project Changes: This is a newly published project for Fiscal Year 2011. This project was established by City Council Resolution R-305723 on March 23, 2010 with an initial budget of \$8.1 million.

Water Main Replacements / AKB00003

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Hwang, Guann
Duration:	2010 - 2011		858-292-6476
Improv Type:	Replacement		ghwang@sandiego.gov

Description: This annual allocation allows for the replacement of water mains at various locations throughout the City.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Water mains require replacement due to their deteriorated condition or size limitation. The existing cast-iron system is either approaching or has exceeded its expected life of 40 years. Breaks are now occurring at the rate of over 200 annually.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: The budget for Fiscal Year 2011 increased by \$23.4 million due to revised project requirements.

Operating Budget Impact: None.

Project Status:	Released	Contact Information:	Dorman, Amy
Duration:	2008 - 2020		619-533-5248
Improv Type:	Replacement		adorman@sandiego.gov

Description: This project provides for consultant activity related to the preparation and management of the Water Fund's Capital Improvements Program, value engineering, and program management. This project also provides for specialized studies and activities related to water facility master plans, financing, organization and management structure, scheduling, engineering, cost estimation, bond funding, and project impacts on operations and maintenance.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Consulting activity is scheduled on an as-needed basis.

Justification / Public Benefit: These activities are required to plan and continue to keep the Water Fund's Capital Improvements Program, which is in excess of \$1.0 billion, in conformance with the Strategic Plan for Water Supply.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Carmel Mountain Road Transmission Line / S00071

Council District: 1	Community Plan: Carmel Valley
Project Status: Released	Contact Information: Wilson, Leonard
Duration: 2008 - 2012	858-654-4112
Improv Type: Replacement	llwilson@sandiego.gov

Description: This project provides for construction of a transmission waterline east of I-5, along the alignment of Carmel Mountain Road to the eastern boundary of the Carmel Valley Community Plan area.

Schedule: The portion of the transmission potable water pipeline along Carmel Mountain Road west of Canter Heights Drive and east of Timber Brook Lane has been constructed and is in-service. The remaining portion east of Timber Brook Lane easterly along Carmel Mountain Road to the eastern Carmel Valley Community Boundary is under construction and is scheduled to be completed in Fiscal Year 2011.

Justification / Public Benefit: The waterline is required in order to develop the southern portion of Carmel Valley in accordance with the Carmel Valley Community Plan.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Dulzura Conduit Concrete Covers / S00067

Council District:	Non-city	Community Plan:	Non City
Project Status:	Released	Contact Information:	Azar, Hossein
Duration:	2009 - 2011		619-533-4102
Improv Type:	New		hazar@sandiego.gov

Description: This project provided concrete covers over 1,010-feet of the Dulzura Conduit.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan

Justification / Public Benefit: Covers provided protection from excessive rock slides and landslides caused by unstable soil conditions when all vegetation above the conduit was burned in the 2007 wildfires. Rocks and soil inside the channel prohibited transfer of water from Lake Barrett to Lower Otay Lake.

Schedule: Design and construction were started and completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Harbor Drive Pipeline / S00019

Council District: 2	Community Plan: Old San Diego, Ocean Beach, Peninsula
Project Status: Released	Contact Information: Azar, Hossein
Duration: 1996 - 2013	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project replaces 4.4 miles of 16" Cast Iron water pipeline from Harbor Drive Bridge to the Point Loma Reservoir.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach, Old San Diego, and Peninsula Community Plans and is in conformance with the City's General Plan.

Justification / Public Benefit: These improvements are necessary to prevent water pipe breaks and to ensure a continuous water supply to the Ocean Beach, Fleetridge, Old San Diego, and Peninsula community planning areas.

Schedule: Design phase began in Fiscal Year 2010 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and will be completed in Fiscal Year 2015.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost increased by \$1.8 million due to revised project requirements.

Lindbergh Field 16" Cast Iron Main Replacement / S10055

Council District: 2	Community Plan: Midway - Pacific Highway
Project Status: Released	Contact Information: Azar, Hossein
Duration: 2010 - 2015	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project relocates the transmission main from underneath the tarmac (landing strip) at Lindbergh Field to a location that is more accessible for operation and maintenance.

Relationship to General and Community Plans: This project is consistent with the Midway/Pacific Highway Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: In case of a pipe failure requiring Water Operations to work emergency repair the pipeline must be relocated to a location that is more accessible for operation and maintenance. The 12" and 16" cast iron pipe was installed in 1940's.

Schedule: Design began in Fiscal year 2010. Construction is estimated to begin in Fiscal Year 2013 and to be completed in late Fiscal Year 2014.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost increased by \$2.3 million due to revised project requirements.

Little McGonigle Ranch Road Pipeline / S00069

Council District: 1	Community Plan: Del Mar Mesa, Pacific Highlands Ranch
Project Status: Released	Contact Information: Wilson, Leonard
Duration: 2004 - 2013	858-654-4112
Improv Type: Expansion	llwilson@sandiego.gov

Description: This project provides for the construction of approximately 15,800 linear feet of 30-inch diameter water transmission pipeline in Carmel Mountain Road and Little McGonigle Ranch Road within the Del Mar Mesa and Pacific Highlands Ranch Communities to provide capacity for both Del Mar Mesa and Pacific Highlands Ranch.

Justification / Public Benefit: The pipeline is required to provide capacity in the water system to adequately supply the demand resulting from the build-out of the Del Mar Mesa and Pacific Highlands Ranch communities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa and Pacific Highlands Ranch Specific (Community) Plans and is in conformance with the City's General Plan.

Schedule: The design of Phase 4 and 5 are complete. Construction of Phase 4 and 5 are scheduled to be completed in Fiscal Year 2013 dependent upon the construction of the Shaw Lorenz Community. Design of Phase 3 is not scheduled.

Summary of Project Changes: No significant change has been made to this project in Fiscal Year 2011.

Otay 1st / 2nd Pipelines Abandon - Highland East / S11027

Council District:	3, 4, 7	Community Plan:	City Heights (Mid-City), Eastern Area (Mid-City)
Project Status:	Created	Contact Information:	Partow, Hooman
Duration:	2011 - 2016		858-654-4284
Improv Type:	Replacement		hpartow@sandiego.gov

Description: This project will abandon 13,000 feet of Otay 1st and Otay 2nd Cast Iron transmission mains that are no longer required; construct 2,874 feet of 16 inch pipeline; abandon a section of 36 inch Otay 2nd Pipeline from Highland and Wightman east to 54th Street and Chollas Station Road; reconnect all services to existing distribution mains; remove all exposed sections of the line; abandon portions of 30 inch and 36 inch Otay 1st Pipeline from Highland and Landis east to 54th Street and Chollas Station Road; build 2,874 liner feet of new 16 inch distribution line from 12 inch line at University Avenue and Winona Avenue to Altadena Avenue south of Sterling Court (current 16 inch connection to Otay 2nd PL) via Winona, Wightman Street and Altadena Avenue.

Justification / Public Benefit: This project will abandon 13,000 feet of cast iron pipelines. The Cast Iron Otay 1st and 2nd Pipelines were built in 1915 and 1930, respectively. Cast Iron may contribute to pipe failure and the California Department of Public Health (DPH) mandated that all cast iron pipes be replaced.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights and Mid-City: Eastern Area Community Plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013. Projects in Fiscal Year 2011 are budgeted through Fiscal Year 2022.

Summary of Project Changes: This is a new project in Fiscal Year 2011.

Water - Distribution Sys - Transmission

Council District:	4, 8	Community Plan:	Skyline - Paradise Hills, Southeastern San Diego
Project Status:	Released	Contact Information:	Antoun, Nevien
Duration:	1993 - 2010		619-533-7492
Improv Type:	Replacement		nantoun@sandiego.gov

Description: This project provides funding to evaluate the condition of existing pipelines and to make appropriate upgrades and replacements to the water pipeline.

Justification / Public Benefit: This pipeline was originally installed in 1928 and has exceeded its useful life expectancy of 60 years. Breaks in the pipeline have revealed severe pipe corrosion in certain locations, requiring upgrades and replacement.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills and Southeastern San Diego Community Plans and is in conformance with the City's General Plan.

Schedule: Engineering studies and design began in Fiscal Year 1999 and were completed in Fiscal Year 2007. Construction began in Fiscal Year 2008 and is scheduled to be completed in Fiscal Year 2018. However, this scheduling is contingent on the assessed condition of the pipeline.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Pressure Reduction Facility Upgrades / AKA00002

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Hwang, Guann
Duration:	2010 - 2020		858-292-6476
Improv Type:	Replacement		ghwang@sandiego.gov

Description: This annual allocation provides for replacing existing pressure reducing stations, or expanding pressure capacities to meet present and future water demands.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: Increasing demands for water throughout the City dictate the need to better control water pressure throughout the City's system. This annual allocation will continue to fund the replacement and expansion of pressure reduction facilities.

Schedule: Projects will be scheduled on a priority basis. Pressure regulating station upgrade projects for Rosecrans and Nimitz are scheduled for Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: The budget for Fiscal Year 2011 increased by \$100,000 due to revised project requirements.

Proctor Valley Off-Highway Vehicle Barrier / S00068

Council District:	Non-city	Community Plan:	Non City
Project Status:	Released	Contact Information:	McGinnis, Nicole
Duration:	2009 - 2011		619-533-4101
Improv Type:	New		nmcginnis@sandiego.gov

Description: This project replaces an existing barbed wire fence with a steel pipe barrier, based on the US Forest Service barrier design, along both sides of the 1.3 miles of Proctor Valley Road that runs through Water Fund land, north of Upper Otay Reservoir.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Construction began Fiscal Year 2010.

Justification / Public Benefit: City property is designated Multiple Species Conservation Program Cornerstone Lands. Historic use by off roaders has significantly deteriorated the biological resources on the property, including vernal pools. City property is adjacent to and provides access to the federal and State preserve lands.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None

South County Raw Water Reservoir Intertie Study / S00066

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Meda, Jesus
Duration:	2009 - 2012		619-527-3156
Improv Type:	New		jmeda@sanidiego.gov

Description: This study will examine the feasibility and benefit of connecting four outlying reservoirs (Love-land, Murray, San Vicente, and El Capitan) to more efficiently operate the City's raw water reservoirs. The study will be performed in conjunction with the Secretary of the Interior and the Sweetwater Authority. These funds will be the City's share of a match to the federal funding.

Justification / Public Benefit: This study will look for ways to improve the water supply reliability and operational efficiencies of the existing reservoirs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Project scheduling relies on 1) Finalizing an agreement with Sweetwater Authority (SWA) to conduct as a joint agency study, 2) Securing grant funding for the study, and 3) Completing the consultant selection process. SWA has the lead on all three of the above items. Planning is scheduled to begin in late Fiscal Year 2011 or early Fiscal Year 2012. The project is on hold pending the study.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Torrey Pines Road/La Jolla Blvd Main Replacement / S00003

Council District: 1	Community Plan: La Jolla
Project Status: Released	Contact Information: Azar, Hossein
Duration: 2000 - 2014	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project provides for the replacement of approximately 31,496 linear feet of aged 16-inch cast iron pipe along Torrey Pines Road and La Jolla Boulevard.

Justification / Public Benefit: This pipeline improvement project is necessary to prevent water pipe breaks and to ensure a continuous water supply to the La Jolla community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: This project was scheduled with multiple phases. Construction of the Fay Avenue Realignment segment was completed in Fiscal Year 2002. Construction of Phase I was completed in Fiscal Year 2006. The Pacific Beach Water Main Accelerated Replacement construction was completed in Fiscal Year 2006. Phase II construction was completed in Fiscal Year 2007. Design of the La Jolla Shores Drive 16" Water Main Replacement (Phase III) was put on hold in Fiscal Year 2006 at 90% completion due to funding issues. In Fiscal Year 2009 the project restarted, however due to revised project requirements, the design needs to be redone and it is scheduled to be completed in Fiscal Year 2010-2011. Construction is scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2013.

Summary of Project Changes: The total project cost increased by \$2.4 million due to revised requirements. Total project expenditures do not include projects which closed prior to conversion to SAP.

Water CIP Reserve / S00048

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Hwang, Guann-Jiun
Duration:	1999 - 2020		848-292-6476
Improv Type:	Replacement		ghwang@sandiego.gov

Description: This project provides for an emergency financial reserve for Capital Improvement projects.

Relationship to General and Community Plans: This reserve is in conformance with the City's General Plan.

Justification / Public Benefit: This reserve is required to comply with the stipulation in the bond covenants.

Schedule: The reserve was budgeted in Fiscal Year 1999, and will be held as a continuing appropriation.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

QUALCOMM Stadium / ABG00001

Council District: 6	Community Plan: Mission Valley
Project Status: Released	Contact Information: Medina, Lydia
Duration: 2010 - 2020	619-641-3105
Improv Type: Betterment	lmedina@sandiego.gov

Description: This annual allocation provides for needed improvements at QUALCOMM Stadium, including the electrical system, parking lot and stadium seating areas.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: QUALCOMM Stadium enriches the quality of life through a variety of hosted events, and serves as a visitor attraction that strengthens the local economy. As the stadium ages, regular upgrades and renovations are required for various components of the facility.

Schedule: Design and construction will be phased in accordance with the scope of various projects.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Hinson Place Storm Drain Replacement / S10057

Council District: 3	Community Plan: Greater North Park
Project Status: Created	Contact Information: Batta, Jamal
Duration: 2010 - 2016	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project involves replacement of existing deteriorated corrugated metal pipe and outfall and restores the adjacent slope at Hinson Place which will benefit the Greater North Park Community.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Replacement is required to prevent flooding and potential damage to surrounding structures.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: A pending City Council action will allocate \$590,000 in Proposition 1B funding to this project for Fiscal Year 2011.

Council District:	1	Community Plan:	La Jolla
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	2008 - 2012		619-533-7482
Improv Type:	New		jbatta@sanidiego.gov

Description: This project provides low flow diversion systems for four storm drain outfalls that discharge directly into the La Jolla Ecological Reserve Area of Special Biological Significance (ASBS 29).

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will divert non-storm water discharges during the dry season from reaching La Jolla Shores, which minimizes harmful pollutants from entering this significant biological and recreational resource.

Schedule: Design began in Fiscal Year 2008. Construction is scheduled for Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Low Flow Telemetry System / S01096

Council District:	6	Community Plan:	La Jolla, Pacific Beach
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	2009 - 2019		619-533-7482
Improv Type:	New		jbatta@sanidiego.gov

Description: This project will provide for the design and construction of a central telemetry system for monitoring and control (SCADA) of low flow diversions.

Relationship to General and Community Plans: This project is consistent with the La Jolla and Pacific Beach Community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project, if completed, would have provided for a centralized telemetry system for the monitoring of coastal low flow diversions.

Schedule: This project is inactive but is being retained in the budget until the grant funding is reallocated.

Operating Budget Impact: None.

Summary of Project Changes: A City Council action (1472) will be processed in Fiscal Year 2011 to reallocate the grant funding to an eligible low flow diversion project.

Drainage - Best Mgt Practices (BMPs)

Mission Bay Sewer Interceptor System / S01095

Council District:	1, 2, 6	Community Plan:	Peninsula, Mission Beach, La Jolla, Ocean Beach
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	2009 - 2019		619-533-7482
Improv Type:	New		jbatta@sandiego.gov

Description: This project will upgrade 31 low flow diversion sites in Mission Bay. These sites divert storm water runoff from the storm drain to the sewer system during low flow conditions.

Justification / Public Benefit: This project rehabilitates and upgrades various low flow diversion systems. The Mission Bay low flow diversions have been in operation since 1987 and need rehabilitation and upgrades to bring them up to current safety and operational standards. The sub-systems of 31 sites were identified to be in need of repair because of salt water corrosion, outdated instrumentation and control equipment, and poor access for maintenance personnel.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan, the Mission Beach Precise Plan, and the La Jolla, Ocean Beach, and Peninsula Community Plans and is in conformance with the City's General Plan.

Schedule: Construction began in Fiscal Year 2010 and will continue through Fiscal Year 2011

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2011.

Storm Water

Drainage - Best Mgt Practices (BMPs)

Rose & Tecolote Creeks Water Quality Improvements / ACC00002

Council District: 6	Community Plan: Clairemont Mesa
Project Status: Released	Contact Information: Matter, Gene
Duration: 2010 - 2015	858-451-4346
Improv Type: Betterment	rmatter@sandiego.gov

Description: This project proposes Storm Water Best Management Practices (BMP's) to address pollutants of concern in the Tecolote Creek sub-watershed. A green street consisting of several biofiltration basins will be constructed at various points in the neighborhood around Mount Abernathy Avenue. The basins will reduce the amount of storm water runoff that reaches the storm drain system.

Relationship to General and Community Plans: This project is consistent with Clairemont Mesa Community Plan and in conformance with the City's General Plan.

Justification / Public Benefit: This project addresses pollutants of concern within the Rose and Tecolote Creek watersheds which satisfies the watershed-based water quality activity requirements in the Regional Water Quality Board's Municipal Storm Water Permit.

Schedule: Design of the project will be completed in Fiscal Year 2011. Construction is scheduled to be complete in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011

Operating Budget Impact: None.

Storm Water

Drainage - Best Mgt Practices (BMPs)

Rose/Tecolote Creeks Water Quality Improvements / S10002

Council District:	2, 6	Community Plan:	Clairemont Mesa, Mission Bay Park
Project Status:	Released	Contact Information:	Matter, Gene
Duration:	2001 - 2016		858-451-4346
Improv Type:	Betterment		rmatter@sandiego.gov

Description: This project provides for improvements to the water quality in the Rose and Tecolote Creek watersheds. Utilizing existing storm water monitoring data, best management practices (BMPs) will be developed to address pollutants of concern within these watersheds. BMPs are structural controls, such as vegetated swales and strips, infiltration basins, wet ponds, constructed wetlands, and filtration systems. Initially, entire watersheds will be evaluated to identify potential areas for water quality enhancement. These areas will then be prioritized and a few locations will be selected for implementation of structural controls, including baseline and post-construction water quality monitoring. The City completed the construction of the first BMP in Fiscal Year 2006 and a baffle-box was installed in the Tecolote Creek sub-watershed. A second BMP includes a right-of-way landscape infiltration project in the Clairemont Mesa community in the Tecolote Creek sub-watershed.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and the Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Construction of the first BMP was completed in Fiscal Year 2006. Design of the second BMP is scheduled to be completed in Fiscal Year 2011 and construction is scheduled to begin in Fiscal Year 2011.

Summary of Project Changes: Additional \$625,000 has been added to the project to fund the construction phase.

Justification / Public Benefit: This project addresses pollutants of concern within the Rose and Tecolote Creek watersheds which satisfies the watershed-based water quality activity requirements in the Regional Water Quality Board's Municipal Storm Water Permit.

Storm Water

Drainage - Best Mgt Practices (BMPs)

Watershed CIP / ACC00001

Council District:	6	Community Plan:	Clairemont Mesa
Project Status:	Released	Contact Information:	Matter, Gene
Duration:	2010 - 2015		858-451-4346
Improv Type:	Betterment		rmatter@sanidiego.gov

Description: This project provides for the design and construction of watershed capital projects. These projects, in conjunction with non-structural water quality projects, address storm drain discharge water quality standards.

Justification / Public Benefit: The purpose of these projects is to remove pollutants from storm water before it enters our public waterways or to reuse the storm water and keep it from entering public waterways. This results in reduced pollutants entering the ocean and various San Diego rivers and bays. These projects satisfy watershed-based water quality activity requirements in the Regional Water Quality Control Board's Municipal Storm Water National Pollutant Discharge Elimination System (NPDES) permit.

Operating Budget Impact: Maintenance cost of the structural watershed Best Management Practice (BMP) needs to be estimated and included in the storm drain infrastructure operating budget by Fiscal Year 2020.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa Community Plan and in conformance with the City's General Plan.

Schedule: Projects will be scheduled to address pollutants of concern within high priority watersheds.

Summary of Project Changes: It is proposed to allocate \$1,300,000 to this project for Fiscal Year 2011 for storm water quality improvement projects.

Storm Water

Drainage - Channels

62nd to 65th Street Channel Improvements / S00926

Council District: 4	Community Plan: Southeastern San Diego
Project Status: Released	Contact Information: McKee, Jerry
Duration: 2008 - 2011	619-533-3095
Improv Type: New	jmckee@sandiego.gov

Description: This project provides for the installation of an upgraded fence along the existing drainage channel between 62nd and 65th Streets.

Justification / Public Benefit: This project is required in order to prevent unauthorized access to the drainage channel.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: The project description is preliminary and the scope of work is not established, only planning and other preliminary activities have been performed to date. The project schedule for design and construction will be established, once the scope of work is approved. It is anticipated that design will begin in Fiscal Year 2010 and will be completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Storm Water

Drainage - Channels

Carmel Country Road Low Flow Channel / S00969

Council District: 1	Community Plan: Carmel Valley
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2009 - 2012	619-533-3172
Improv Type: New	mnassar@sanidiego.gov

Description: This project provides a permanent hard bottom, low flow channel from Carmel Country Road to the first drop structure west.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Public Facilities Financing Plan (Project W-3) and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will provide for relief of water ponding under the Carmel Country Road Bridge and to the east of the bridge on the Palacio Del Mar property. This condition has created a health and safety issue for area residents.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Storm Water

Drainage - Pump Stations

Santa Clara Pump Station / S00604

Council District: 2	Community Plan: Mission Beach
Project Status: Released	Contact Information: Batta, Jamal
Duration: 1999 - 2010	619-533-7482
Improv Type: Replacement - Retrofit	jbatta@sandiego.gov

Description: This project provides for eliminating the submerged outfall and for relocating and/or modifying the existing control system at the Storm Water pump station at Santa Clara Point in Mission Beach.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will improve the reliability of the pump station, thus preventing potential flooding of City streets.

Schedule: Design began in Fiscal Year 1999 and was completed in Fiscal Year 2002. Construction began in Fiscal Year 1999 and was completed in Fiscal Year 2002. Environmental monitoring was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2010.

Storm Water

Drainage - Storm Drain Pipes

34th Street Storm Drain / S11001

Council District: 3	Community Plan: Golden Hill
Project Status: Created	Contact Information: Matter, Gene
Duration: 2011 - 2014	858-541-4346
Improv Type: Betterment	rmatter@sandiego.gov

Description: This project provides for improved flood control by upgrading the existing pipe and outfall along 34th Street.

Relationship to General and Community Plans: This project is consistent with the Golden Hill Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will alleviate frequent flooding during normal storm events as a result of the current undersized storm drain and reduce slope erosion due to runoff discharges into an adjacent canyon.

Schedule: Design will begin in Fiscal Year 2011 and is anticipated to end in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and is anticipated to end in Fiscal Year 2014.

Operating Budget Impact: None.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011. Golden Hill DIF funding in the amount of \$75,000 for the design and construction of this project has been allocated for Fiscal Year 2011.

Storm Water

Drainage - Storm Drain Pipes

Alta La Jolla Drive Drainage Repair Phase II / S10001

Council District: 1	Community Plan: La Jolla
Project Status: Released	Contact Information: Handal, Mike
Duration: 2010 - 2016	619-533-7588
Improv Type: Betterment	mhandal@sandiego.gov

Description: This project will repair the erosion and damage to the lower La Jolla Canyon bounded by Alta La Jolla Drive and the cul-de-sac at Vickie Drive.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is part of the settlement agreement and limited release entered into by the La Jolla Alta Master Council and the City of San Diego.

Schedule: Design began and was completed in Fiscal Year 2010. Construction is scheduled to begin and to be completed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Storm Water

Drainage - Storm Drain Pipes

Balboa Park/Florida Canyon Storm Drain Repairs / S01064

Council District: 3	Community Plan: Balboa Park
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2009 - 2012	619-533-5328
Improv Type: Betterment	adarvishi@sanidiego.gov

Description: This project provides for evaluation, design, and construction to repair a damaged storm drain that leads from Park Boulevard and the San Diego Zoo parking lot into the Florida Canyon creek bed.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project repairs a damaged storm drain caused by erosion of a gully that spans the entire length of Florida Canyon, from Park Boulevard east to the creek bed. This project will repair the storm drain to prevent further erosion and allow a north-south trail access to continue through the west side of Florida Canyon.

Schedule: Design was completed in Fiscal Year 2009. Construction began in Fiscal Year 2009 and was completed in Fiscal Year 2010. The five year mitigation and monitoring requirements for this project will begin in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Operating Budget Impact: None.

Coolidge Street Storm Drain / S11003

Council District: 6	Community Plan: Linda Vista
Project Status: Created	Contact Information: Matter, Gene
Duration: 2011 - 2014	858-541-4346
Improv Type: Betterment	rmatter@sanidiego.gov

Description: This project provides for improved flood control by upgrading the existing pipe and inlet along Coolidge Street.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will alleviate frequent flooding during normal storm events as a result of the current undersized storm drain.

Schedule: Design will begin in Fiscal Year 2011 and is anticipated to end in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and is anticipated to end in Fiscal Year 2014.

Operating Budget Impact: None

Summary of Project Changes: This is a newly published project for Fiscal Year 2011. The total project cost of \$75,000 is available in Linda Vista DIF funding in Fiscal Year 2011.

Storm Water

Drainage - Storm Drain Pipes

Drainage Projects / ACA00001

Council District:	Citywide	Community Plan:	Citywide
Project Status:	Released	Contact Information:	Matter, Gene
Duration:	2010 - 2020		858-541-4346
Improv Type:	New		rmatter@sandiego.gov

Description: This annual allocation provides for reconstructing or replacing failed drainage facilities citywide.

Operating Budget Impact: None.

Justification / Public Benefit: This project provides for the high priority redesign and reconstruction of existing storm drain structures. There are currently over 900 miles of storm drains in the City of San Diego. These storm drains can fail because of a variety of reasons (system material, age, earth movement, etc). The Operations and Maintenance Division of the Storm Water Department regularly cleans these systems and performs minor repairs, however they often come across storm drain systems that require redesign and reconstruction. These projects are a critical component of drain repair since the City does not staff itself to perform the repairs inhouse.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: Additional funding has been proposed for the repair of additional high priority and emergency locations.

Council District: 7	Community Plan: College Area
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2016	619-533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: This project involves replacement of existing deteriorated corrugated metal pipe and outfall and restores the adjacent slope.

Relationship to General and Community Plans: This project is consistent with the College Area Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Replacement is required to prevent flooding and potential damage to surrounding structures.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: A pending City Council action will allocate \$385,000 in Proposition 1B funding to this project for Fiscal Year 2011.

Manhasset Drive Storm Drain System Upgrade / S11005

Council District: 7	Community Plan: College Area
Project Status: Created	Contact Information: Matter, Gene
Duration: 2011 - 2014	858-541-4346
Improv Type: Betterment	rmatter@sandiego.gov

Description: This project provides for improved flood control by upgrading the existing pipe inlet along Manhasset Drive.

Relationship to General and Community Plans: This project is consistent with the College Area Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will alleviate frequent flooding during normal storm events as a result of the current undersized storm drain.

Schedule: Design will begin in Fiscal Year 2011 and is anticipated to end in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and is anticipated to end in Fiscal Year 2014.

Operating Budget Impact: None.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011. Total project cost of \$60,000 is available from College Area DIF funds in Fiscal Year 2011.

Storm Water

Drainage - Storm Drain Pipes

Maryland Street Storm Drain Replacement / S10056

Council District: 2	Community Plan: Uptown
Project Status: Created	Contact Information: Batta, Jamal
Duration: 2010 - 2016	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project involves replacement of existing deteriorated corrugated metal pipe within the right of way easement.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: Replacement is required to prevent flooding and potential damage to surrounding structures.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011. A total of \$295,000 in Proposition 1B funding will be added in Fiscal Year 2011.

Storm Water

Drainage - Storm Drain Pipes

Murphy Canyon Road Storm Drain Repair / S01098

Council District: 6	Community Plan: Kearny Mesa
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2009 - 2015	619-533-7482
Improv Type: Replacement	jbatta@sandiego.gov

Description: The project provides for the replacement of approximately 1,150 linear feet of 54-inch storm drain pipe. The existing pipe is deteriorated and not functioning as required.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and in conformance with the City's General Plan.

Justification / Public Benefit: This project replaces the existing 54-inch deteriorated and failed storm drain pipe. It will eliminate flooding and maintenance clean-up.

Schedule: Design began and was completed in Fiscal Year 2010. Construction began and was completed in Fiscal Year 2010.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.

Storm Water

Drainage - Storm Drain Pipes

Ransom Street/Darwin Way Storm Drain Repairs / S00601

Council District:	8	Community Plan:	Otay Mesa - Nestor
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	2001 - 2011		619-533-7482
Improv Type:	Replacement		jbatta@sanidiego.gov

Description: This project provides for a replacement storm drain pipe at Darwin Way and Ransom Street. Approximately 490 feet of 42-inch and 610 feet of 24-inch corrugated metal pipe will be replaced with reinforced concrete pipe.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa/Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction was completed in Fiscal Year 2010.

Justification / Public Benefit: The existing corrugated metal pipe under Darwin Way and Ransom Street is badly corroded and has created sinkholes on Ransom Street. Replacement is needed to prevent flooding of the streets.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Storm Water

Drainage - Storm Drain Pipes

San Remo Way Storm Drain / S11004

Council District: 2	Community Plan: Peninsula
Project Status: Created	Contact Information: Matter, Gene
Duration: 2011 - 2014	858-541-4346
Improv Type: Betterment	rmatter@sandiego.gov

Description: This project provides for improved flood control by upgrading the existing pipe along San Remo Way.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will alleviate frequent flooding during normal storm events as a result of the current undersized storm drain.

Schedule: Design will begin in 2011 and is anticipated to end in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and is anticipated to end in Fiscal Year 2014.

Operating Budget Impact: None.

Summary of Project Changes: This is a newly published project for Fiscal Year 2011. Total project cost of \$150,000 is available from Peninsula DIF funds in Fiscal Year 2011.

Storm Water

Drainage - Storm Drain Pipes

TV/Evaluation-Storm Drain Corrugated Metal Pipes / S00608

Council District: Citywide	Community Plan: Citywide
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2008 - 2010	619-533-7482
Improv Type: New	jbatta@sanidiego.gov

Description: This project televised and evaluated 13 miles of corrugated metal pipe storm drains to identify sites for replacement or realignment.

Relationship to General and Community Plans: This project is in compliance with applicable community plans and is in conformance with the City's General Plan.

Justification / Public Benefit: This project will identify the sites at high risk to property and other elements for immediate repair/replacement or re-alignment. The resulting product will be an identification of the deficient systems and a ranking to identify the critical drainage projects. Storm drain projects will be initiated based on the ranking and funding availability.

Schedule: All televising was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Operating Budget Impact: None.

Drainage - Storm Drain Pipes

Uptown Community Storm Drainage / S10060

Council District:	2, 3	Community Plan:	Uptown
Project Status:	Created	Contact Information:	Nassar, Mark
Duration:	2010 - 2012		619-533-3172
Improv Type:	New		mnassar@sandiego.gov

Description: This project will provide for the installation, reconstruction, and upgrading of street pavement, curbs, gutters, and storm drains at various locations throughout the community. This project also provides for an initial study to specifically identify the required projects.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Justification / Public Benefit: This project is needed to provide extensive improvements and increase the drainage capacity in the right-of-way.

Schedule: The study, which will identify specific projects, was initiated in Fiscal Year 2010 and will be completed in Fiscal Year 2011.

Operating Budget Impact: None.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2011.
