

Capital Improvements Program Table of Contents

INTRODUCTION

Fiscal Year 2012 Adopted Budget Summary	3
Program Overview	11
Guide to the Budget	15
Funding Sources	23
Community Planning	27

FINANCIAL SUMMARY

Schedule I: Fiscal Year 2012 Capital Improvement Projects by Fund	33
Schedule II: Capital Improvements Program by Funding Source	41
Schedule III: Capital Improvements Program by Project Type	43
Schedule IV: Capital Improvement Projects by Department	47
Schedule V: Capital Improvement Projects Priority Scores	73
Schedule VI: Capital Improvement Projects Unfunded Needs	97

CAPITAL IMPROVEMENT PROJECTS

Airports	103
Airport Assets	105
Chief Financial Officer	111
Bldg - Operations Facility / Structures	113
Enterprise Resource Planning	115
Bldg - Other City Facility / Structures	117
Environmental Services	119
Bldg - Other City Facility / Structures	121
Landfills	128
Landfills - Supporting Fac / Struct	140
Unfunded Needs List	147
Fire-Rescue	149
Bldg - Other City Facility / Structures	151
Bldg - Pub Safety - Fire Fac / Struct	152
Bldg - Pub Safety - Lifeguard Stations	168
Unfunded Needs List	177
Library	179
Bldg - Libraries	181
Unfunded Needs List	210
Park & Recreation	211
Bldg - Community Centers	213
Bldg - Other City Facility / Structures	216
Bldg - Parks - Recreation/Pool Centers	224
Bldg - Parks - Regional Sports Facility	229
Drainage - Best Mgt Practices (BMPs)	231
Drainage - Channels	232

Capital Improvements Program

Table of Contents

Drainage - Storm Drain Pipes	234
Golf Courses	235
Parks - Community	254
Parks - Mini Parks	276
Parks - Miscellaneous Parks	284
Parks - Neighborhood	350
Parks - Open Space	385
Parks - Resource Based	394
Parks - Trails	402
Trans - Ped Fac - Sidewalks	408
Trans - Roadway	409
Trans - Roadway - Enhance/Scape/Medians	411
Trans - Roadway - Street Lighting	426
Unfunded Needs List	430
Police	435
Bldg - Pub Safety - Police Fac / Struct	437
Unfunded Needs List	441
Public Utilities	443
Bldg - MWWd - Administration Struct	445
Bldg - MWWd - Laboratories	448
Bldg - MWWd - Pump Stations	450
Bldg - MWWd - Treatment Plants	460
Bldg - Operations Facility / Structures	472
Bldg - Other City Facility / Structures	474
Bldg - Water - Laboratories	476
Bldg - Water - Pump Stations	478
Bldg - Water - Reservoirs/Dams	483
Bldg - Water - Standpipes	491
Bldg - Water - Treatment Plants	493
Bldg - Water - Wells	497
Reclaimed Water System - Pipelines	498
Reclaimed Water System - Reservoirs	503
Wastewater - Collection Sys - Main	504
Wastewater - Collection Sys - Trunk Swr	508
Water - Distribution Sys - Distribution	522
Water - Distribution Sys - Transmission	540
Public Works - General Services	563
Bldg - Operations Facility / Structures	565
Bldg - Other City Facility / Structures	566
Unfunded Needs List	578
QUALCOMM Stadium	579
Bldg - Stadium Facilities	581
Real Estate Assets	583
Bldg - Other City Facility / Structures	585

Capital Improvements Program Table of Contents

Transportation & Storm Water	587
Drainage - Best Mgt Practices (BMPs)	589
Drainage - Channels	596
Drainage - Pump Stations	598
Drainage - Storm Drain Pipes	599
Flood Control Systems	614
Trans - Bicycle Facilities (All Class.)	615
Trans - Bridge - Pedestrian	651
Trans - Bridge - Vehicular	654
Trans - Ped Fac - Accessibility Improve	675
Trans - Ped Fac - Curb Ramps	677
Trans - Ped Fac - Sidewalks	683
Trans - Roadway	704
Trans - Roadway - Enhance/Scape/Medians	792
Trans - Roadway - Erosion/Slope/Ret Wall	815
Trans - Roadway - GRails/BRails/Safety	822
Trans - Roadway - Street Lighting	824
Trans - Signals - Calming/Speed Abatement	834
Trans - Signals - Interconnections	843
Trans - Signals - Traffic Signals	849
Unfunded Needs List	864

Fiscal Year 2012 Adopted Budget Summary

The budget for the multi-year Capital Improvements Program (CIP) allocates existing funds and anticipated revenues to rehabilitate, restore, improve, enhance, and increase the City's capital facilities. This budget supports the design and construction of a wide range of infrastructure improvement projects and other significant capital infrastructure investments. Projects include the development of park land, construction of water and sewer facilities, acquisition of land for City use, installation of traffic signals or street lighting systems, seismic retrofit of bridges, improvement of street and drainage systems, construction or renovation of City buildings, and acquisition of information

technology infrastructure. These funds are derived from various sources, including sewer and water fees, a one half-cent local sales tax for transportation improvements (TransNet and TransNet Extension), development impact fees, sale of City-owned property, and State and federal grants. Bonds are usually issued for large and costly projects with an extended useful life such as sewer and water treatment plants, pump stations, and pipe replacement or rehabilitation, and deferred capital project needs.

Overview of the Fiscal Year 2012 Adopted CIP Budget

The Fiscal Year 2012 Adopted CIP Budget totals \$208.1 million. This is a reduction of \$91.6 million or 30.6 percent from the \$299.6 million added to the multi-year CIP in the Fiscal Year 2011 Adopted CIP Budget. This reduction is primarily due to Public Utilities' assessment of project spending and execution rates, which led to reprioritization of projects for Fiscal Year 2012. The CIP budget identifies and separates funding that was uncertain to be received at the time the budget was proposed. This funding may be appropriated during the fiscal year when the funding is received and is reflected as Anticipated in the CIP project pages. For Fiscal Year 2012, an additional \$203.5 million of funding for CIP projects is anticipated but not appropriated through this budget. Fiscal Year 2012 Anticipated funding includes approximately \$100.0 million of bond financing that is anticipated to come before Council in late Fiscal Year 2012 to support deferred capital projects. The remaining anticipated funding includes a variety of other sources such as donations, grants and Facilities Benefit Assessments.

Deferred capital projects and Americans with Disabilities Act (ADA) obligations continue to be significant priorities for the City. Since Fiscal Year 2008, approximately \$142.0 million has been appropriated for facilities, streets, storm drains and other deferred capital projects, funded by proceeds from land sales, bond financing, and Proposition 1B funding. For Fiscal Year 2012, an additional \$300,000 in bond interest earnings will be allocated for improvements to City facilities. Over the last five years, the City has been assessing the condition and needs of infrastructure assets. Assessments have been completed for a large portion of the City's General Fund supported streets, buildings and storm drains. The backlog of deferred capital and maintenance needs for these assessed assets is estimated to be \$840.0 million. Additional proposals for bond financing are forecasted to come before City Council in late Fiscal Year 2012 and continue each year through Fiscal Year 2016. The planned \$100.0 million per fiscal year will continue the City's efforts to address the backlog of deferred capital projects. In addition, \$30.0 million of land sale proceeds have

Capital Improvements Program

Fiscal Year 2012 Adopted Budget Summary

been appropriated to support ADA improvements since Fiscal Year 2008. For Fiscal Year 2012, as a result of one-time savings identified in the General Fund, \$1.5 million was allocated to the CIP to fulfill ADA requirements Citywide.

Water and sewer projects in the Fiscal Year 2012 Adopted CIP Budget are funded by water and sewer rates. On February 26, 2007, the City Council approved water and sewer rate increases for fiscal years 2008 through 2011. Water rates increased by 6.5 percent each year from Fiscal Year 2008 through Fiscal Year 2011. Sewer rates increased 8.75 percent in May 2007 and May 2008 and 7.0 percent in May 2009 and May 2010. The revenues generated from these rate increases are projected to fund approximately \$475.1 million of water projects through Fiscal Year 2012 and approximately \$348.6 million of sewer projects through Fiscal Year 2012.

The Fiscal Year 2012 Adopted CIP Budget includes \$15.7 million of TransNet Extension cash to support essential transportation improvements that relieve traffic congestion, increase safety, and improve air quality. These improvements include performing repairs, restoring existing roadways, and constructing assets within the public rights-of-way. The City's share of TransNet revenue is based on population and the number of local street and road miles maintained. Through a cooperative effort with the San Diego Association of Governments (SANDAG), the City of San Diego is able to manage the fund so that the most pressing transportation problems are addressed in accordance with TransNet goals.

This year, two key CIP components were emphasized during the budget development process – priority scores and operating impacts. Due to the size and complexity of the CIP and the detailed requirements of the CIP prioritization policy (Council Policy 800-14), priority scores were only provided for transportation projects in the Fiscal Year 2011 Adopted Budget. This fiscal year, priority scores are included for all existing and new projects and are reflected on each project page. In addition, efforts have been made to improve the quality of operating budget impact information provided for each project in accordance with the City budget policy (Council Policy 000-02). For further information on priority scores and the policies that govern the CIP budget development process, see the Program Overview section in Volume III of the Fiscal Year 2012 Adopted Budget.

Capital Improvements Program

Fiscal Year 2012 Adopted Budget Summary

Figure 1 displays the Fiscal Year 2012 Adopted CIP Budget by asset type. Water and wastewater projects account for 52.5 percent of the total CIP Budget. Buildings, which include libraries, public safety facilities, pump stations and treatment plants, account for 22.4 percent of the total budget. Transportation projects account for 17.4 percent, whereas all other asset types account for a combined 7.8 percent of the budget.

Figure 1: Fiscal Year 2012 Adopted CIP Budget

Note: The Other category includes: Drainage, Flood Control, Golf, Parks.

Table 1 shows the multi-year Capital Improvements Program by asset-owning department. The Fiscal Year 2012 Adopted budget amount of \$208.1 million will be added to the budget from prior years to support both continuing and new CIP projects.

Highlights of the Fiscal Year 2012 Adopted CIP Budget by Department

For additional information on budgeted capital projects, please refer to the individual department sections in Volume III of the Fiscal Year 2012 Adopted Budget. The Public Works - Engineering & Capital Projects Department manages and implements approximately 90 percent of CIP projects. The following CIP project highlights are organized by the department responsible for operating and maintaining the asset once completed.

Airports

The Department's Fiscal Year 2012 Adopted CIP Budget is \$3.4 million. Projects for Fiscal Year 2012 support taxiway and runway rehabilitations at Brown and Montgomery Fields. Funding for the department's projects are from a variety of sources, including revenue from leases, parking fees, landing fees, fuel flowage fees, and Federal Aviation Administration (FAA) grants.

Enterprise Resource Planning

The Department's Fiscal Year 2012 Adopted CIP Budget is \$900,000 for the Supplier Relationship Management Enterprise Resource Planning (SRM ERP) implementation project. This funding is the result of one-time savings identified in the General Fund.

Environmental Services

The Department's Fiscal Year 2012 Adopted CIP Budget is \$5.8 million and is primarily funded by the Refuse Disposal CIP Fund. Major projects for Fiscal Year 2012 include \$1.8 million for Arizona Street Landfill, \$1.8 million for Future Waste Management Disposal and Processing Facilities and \$1.3 million for South Chollas Landfill.

Fire-Rescue

The Department's Fiscal Year 2012 Adopted CIP Budget is \$4.7 million. Projects for Fiscal Year 2012 include \$3.0 million for Fire Station 45 - East Mission Valley and \$1.7 million for San Diego Fire Department In-Station Alerting System. Funding for these projects is from development impact fees and one-time savings identified in the General Fund.

Capital Improvements Program

Fiscal Year 2012 Adopted Budget Summary

Library

The Department's Fiscal Year 2012 Adopted CIP Budget is \$700,000 for the Library Collection Conversion to RFID (Radio Frequency Identification) project supported by the Public Library Grant. The Department's major project is the San Diego New Central Library, with a total project cost of \$185.1 million; the budget includes continuing appropriations and anticipated funding from the Centre City Development Corporation, private donations and a lease agreement with the San Diego Unified School District. Anticipated funding in Fiscal Year 2012 for the New Central Library is \$32.5 million.

Park & Recreation

The Department's Fiscal Year 2012 Adopted CIP Budget is \$5.9 million. Park & Recreation projects are funded by a variety of sources, including facilities benefit assessment, park development, development impact, and maintenance assessment district fees; Mission Bay lease revenue; golf course enterprise funds; and State and federal grants. Projects for Fiscal Year 2012 are located throughout the park system and include children's playground upgrades, accessibility improvements, comfort stations, picnic shelters, sports field and security lighting, new park development, and golf course improvements and upgrades. Additional grant, facilities benefit assessment fees, and other funding of \$6.6 million is anticipated in Fiscal Year 2012.

Police

The Department's Fiscal Year 2012 Adopted CIP Budget is \$1.9 million. Most of this will be allocated to the Police Range Refurbishment project which is funded from Pueblo Land Sales.

Public Utilities

The Department's Fiscal Year 2012 Adopted CIP Budget is \$145.4 million. Funding for water and wastewater projects are provided by a variety of sources which include bond financing, water and sewer rates, state revolving fund loans, and grants. The Department's CIP budget supports the infrastructure for a reliable water supply and wastewater collection and treatment. The CIP budget includes water projects contained in the Compliance Order from the California Department of Public Health and the execution of Federal Consent Decree projects for the wastewater system. These projects will meet the requirements of the federal Safe Drinking Act and Clean Water Act, and provide for the needed replacement/rehabilitation of aging infrastructure. Major projects for Fiscal Year 2012 include:

- \$55.1 million for Water Main Replacements
- \$30.0 million for Sewer Main Replacements
- \$17.0 million for replacement of trunk sewers

Capital Improvements Program

Fiscal Year 2012 Adopted Budget Summary

- \$ 8.8 million for Water Pump Station Rehabilitations
- \$ 5.3 million for MBC – Biosolids Storage Silos
- \$4.5 million for Standpipe and Reservoir Rehabilitations

Public Works - General Services

The Department's Fiscal Year 2012 Adopted CIP Budget is \$2.0 million. As a result of one-time savings identified in the General Fund, \$1.5 million will be allocated to support Americans with Disabilities Improvements. In addition, \$300,000 in bond interest will be allocated to City Facilities Improvements and \$175,000 from the Equipment Division CIP fund will be allocated to the division's Fleet Services Fitting Facility Expansion project. Additional bond financing of approximately \$31.0 million is expected in late Fiscal Year 2012 for a portion of the deferred capital backlog of City buildings. This funding is listed in the CIP budget as Fiscal Year 2012 Anticipated.

QUALCOMM Stadium

No additional funding is included in the Fiscal Year 2012 Adopted CIP Budget for QUALCOMM Stadium. The Department's existing projects and on-going needs will be supported by the approximately \$1.4 million of appropriations continuing from prior years.

Real Estate Assets

The Department's Fiscal Year 2012 Adopted CIP Budget is \$100,000 for the Evan V. Jones Parkade Parking Equipment Upgrade project. This funding is from the Concourse and Parking Garage Operating Fund.

Transportation & Storm Water

The Department's Fiscal Year 2012 Adopted CIP Budget is \$37.2 million. An additional \$133.4 million of funding is anticipated in Fiscal Year 2012 from a variety of sources, including grants, donations and the next tranche of deferred capital project bonds (estimated at \$69.0 million) to support various storm water and transportation projects. Significant allocations of the Fiscal Year 2012 Adopted CIP Budget include:

- \$15.0 million for the Utilities Undergrounding Program
- \$10.5 million for State Route 163 at Friars Road
- \$2.3 million for Palm Avenue Roadway Improvement
- \$1.5 million for the Juan Street Concrete Street
- \$1.3 million for Drainage Projects

Capital Improvements Program Fiscal Year 2012 Adopted Budget Summary

Future Outlook for the City's CIP

The CIP budget identifies \$7.2 billion in total projected CIP project costs through Fiscal Year 2016 and beyond for continuing, new and future projects. Of this amount, \$1.2 billion is currently unidentified funding. This includes three fully unfunded projects totaling \$17.4 million.

The Mayor is committed to funding ADA improvements and deferred capital projects for City assets. For Fiscal Year 2012, as a result of one-time savings identified in the General Fund, \$1.5 million will be allocated to fulfill on-going ADA requirements Citywide. In addition to the \$300,000 of bond interest added in the Fiscal Year 2012 Adopted Budget, \$100.0 million of bond financing is anticipated to support deferred capital projects each year from Fiscal Year 2012 through Fiscal Year 2016. Work continues on deferred capital and ADA projects funded in prior years.

Program Overview

Budgeting Best Practices

The City of San Diego Capital Improvements Program (CIP) is a multi-year forecast of capital needs which includes new construction projects and planned improvements of existing facilities. The CIP establishes structure and consistency by identifying, prioritizing, approving, and funding capital improvement projects through coordination of the participating City departments and approval by the Capital Improvements Program Review and Advisory Committee (CIPRAC). Implementation of CIP projects is based on the City's adopted General Plan and applicable community plans.

In accordance with the City's budget policy (City Council Policy 000-02), CIP descriptions clearly establish that a project is capital in nature. Projects include, but are not limited to, the construction, purchase, or major renovation of buildings, utility systems, and other facilities; in addition to land acquisition and roadway projects. All capital projects are clearly represented by a City department and categorized by project type and improvement type. Project types provide a categorized breakdown of the type of facility being constructed or improved. Improvement types describe the project's impact on existing assets and may be identified as providing *betterment*, *expansion*, *replacement* or *widening* of an existing City asset or the project may result in a *new* asset to the City.

The City's CIP prioritization process establishes clear and concise guidelines for project selection and an objective process for ranking projects which then allows decision-makers a basis for optimizing the use of available funding resources. City Council Policy 800-14 details purpose, process and implementation of the City's prioritization process. For further information on priority scores and policies see the Prioritization Policy discussion on the following page.

Funding for the CIP is programmed from a variety of sources, such as: sewer and water fees, a one half-cent local sales tax for transportation improvements, development impact fees, facility benefit assessments, Redevelopment Agency funding, private donations, the sale of City-owned property, and State and federal grants. Financing in the form of bonds may be utilized for large and/or costly projects, and deferred capital project needs.

Additionally, funding options utilizing the available resources are taken into consideration in the programming of projects. Annual allocations are budgeted each year and allow the City to better plan for the expansion, renovation, reallocation, or replacement of facilities, as well as providing for emergency and accelerated construction needs. This type of financial planning has allowed the City to better address State and federal standards. Phase funding provides a process by which large projects are budgeted in an efficient manner that maximizes the use of available funds. This method of funding allows the contract or project to be divided into clearly defined phases which are contracted for independently, allowing the funds to be phased into the project based on the timing of expenses.

Identification of unfunded needs, or unidentified funding, provides a method for communicating resource requirements of projects that are not fully funded and for which a fund source has not yet been identified. Some CIP project schedules indicate an undetermined timeline with unfunded needs as a mechanism to convey political intentions or community support for improvements.

The operating budget effect included on most CIP projects provides a reasonable estimation of a capital project's impact on the operating budget of the asset-owning department. New or expanded capital projects can lead to increased programs which require additional personnel and non-personnel expenditures. Conversely, capital enhancements, such as energy efficiencies, may reduce on-going operating or maintenance expenditures. Explanation of the operating budget effect

Capital Improvements Program

Program Overview

establishes the connection between the construction of an asset and the required operational needs following project completion.

CIP project cost estimates are developed by City departments based on capital asset type and commonly accepted methodology to determine a project cost that is complete, reliable, attainable and easily verified. Project budgets consist of identified or potential funding sources and previously allocated funding. City departments are responsible for the regular monitoring of expenditures, encumbrances and continuing appropriations of authorized CIP budgets in order to ensure accuracy and accountability within each project. Financial data referenced in the budget includes total costs and fund allocations from project inception.

The CIP budget is the mechanism that implements the CIP and fulfills a requirement of the City Charter (Section 69). The City Council annually approves the CIP budget and the allocation of funds for the included projects via the Appropriation Ordinance (AO) which establishes capital spending limits for a given fiscal year. These limits include appropriations carried forward from prior years as authorized in the City Charter (Section 84). Although the budget includes a provision for current year anticipated funding, these funds are not included in the AO as they are either not certain to be received within the fiscal year or the appropriation of the funds will require additional legal authority. Spending limits, based on updated information, can be amended during the year through City Council action. For example, a grant may be shown as anticipated until all related documents are fully executed. The agreements must be accepted and the funding appropriated via an approved Council resolution.

Prioritization Policy

A CIP prioritization policy (Council Policy 800-14) was adopted for transportation projects in Fiscal Year 2007. The Council Policy was then revised in Fiscal Year 2008 to incorporate the prioritization of all capital projects. Projects are scored in accordance with the detailed requirements of the Council Policy. Priority scores for all projects have been provided as part of the Fiscal Year 2012 Adopted CIP Budget. This process for scoring projects continues to be a work-in-progress as the scoring method is refined.

The intent of the Prioritization Policy is to establish an objective process for ranking CIP projects to allow decision-makers to have a basis for choosing the most compelling projects for funding. It must be noted, however, that a low scoring project may proceed due to unique funding source restrictions.

Briefly, the policy states that:

- Projects within restricted funding categories will compete only with projects within the same funding category.
- Projects will compete only with projects within the same asset type (project type).
- Projects will compete only with projects within the same level of completion or project development phase (planning, design and construction).
- Projects scores will be updated as the condition of the project changes or other information becomes available.

In addition, projects that are in construction or have completed construction have not been scored. These projects are noted as not applicable (N/A). Annual allocation project types, funded yearly for ongoing repair and replacement of smaller projects, are not scored. Rather the sub-projects funded by the annual allocation receive scores. These projects are noted as Annual.

Capital Improvements Program

Program Overview

The following table lists, in order of importance, the prioritization factors taken into consideration when projects are scored.

Non-Transportation Projects	Weight	Transportation Projects	Weight
Health and Safety Effects	25%	Health and Safety Effects	25%
Regulatory or Mandated Requirements	25%	Capacity and Service (Mobility)	20%
Implication of Deferring the Project	15%	Project Cost and Grant Funding Opportunity	20%
Annual Recurring Cost or Increased Longevity of the Capital Asset	10%	Revitalization, Community Support and Community Plan Compliance	15%
Community Investment	10%	Multiple Category Benefit	10%
Implementation	5%	Annual Recurring Cost or Increased Longevity of the Capital Asset	5%
Project Cost and Grant Funding Opportunity	5%	Project Readiness	5%
Project Readiness	5%		
Total	100%	Total	100%

Priority scores for CIP projects, within each major asset category, have been grouped into the following priority categories. However, major asset types with six or fewer scored projects are defaulted to Medium.

- High: Priority scores in the upper third or the highest 33 percent of priority scores by major asset type category.
- Medium: Priority scores in the middle third or the middle 33 percent of all priority scores by major asset type category.
- Low: Priority scores in the lowest third or the lowest 33 percent of all priority scores by major asset type category.

Schedule V in the Financial Summary section provides a comprehensive list of CIP projects' priority categories and scores.

Budget Process

The CIP budget is developed in conjunction with the City's operating budget and follows the timeline codified within the City Charter. Development of the CIP budget begins earlier than that of the operating budget and is initiated by a review of project status and needs conducted by Public Works - Engineering and Capital Projects in coordination with City asset-owning departments. The CIP budget process considers project priorities and funding availability.

October – January: Budget development training on the budgeting system and the current CIP budget process is provided to City departments with CIP project responsibilities. Departments develop fiscal year needs and submit proposed CIP funding requests to Financial Management which are then brought to CIPRAC for approval. During this timeframe, Financial Management also confirms the availability of funds to support the budget to be approved by CIPRAC. The CIP budget development and CIPRAC approval calendar is established by Financial Management and Public Works – Engineering and Capital Projects.

Capital Improvements Program

Program Overview

January – March: In coordination with asset-owning departments, Financial Management reviews all project pages and prepares the proposed budget publication.

April: The Mayor releases the Proposed Budget to the public on April 15th in compliance with the City Charter [Article XV, Section 265, Item (b) (15)].

May: During the month of May, the City Council holds a series of public budget hearings. Council members may recommend changes to the Proposed CIP Budget. Also in May, the Mayor's May Revision to the Proposed Budget is released. This report recommends changes to specific CIP projects' budgets based on updated information.

June: Council reviews final modifications and approves the budget in June. The Mayor's veto period follows Council's initial approval. Once the budget is approved, the final changes to the Proposed CIP Budget will be implemented. Once these changes are made, preparation of the Adopted CIP Budget will be completed. The Change Letter will be created to summarize the May Revision and Council Action changes to the Proposed Budget by CIP project.

July: The annual Appropriation Ordinance is presented to the City Council and adopted in July. This codifies the Adopted CIP Budget into law.

Capital Improvements Program

Guide to the Budget

In order to showcase those projects that are funded and have work in progress, the Fiscal Year 2012 Adopted Capital Improvements Program (CIP) Budget incorporates project pages for all existing and new projects with funding expended, encumbered, continued from prior years, or proposed to be added in the Fiscal Year 2012 budget. The multi-year CIP currently incorporates five fiscal years of data plus an aggregate column of funding for Fiscal Year 2017 and beyond. However, there are many projects that are not scheduled to begin subsequent phases for several years and may undergo changes in scope or schedule before they begin. As a result, schedule and cost data estimates will be revised as projects progress. In addition, projects lacking identified funding for project completion are listed in the departments' Unfunded Needs List.

Schedules

The CIP schedules summarize the funding sources and spending areas of capital improvement projects. These are presented in the Financial Summary section.

Schedule I: Fiscal Year 2012 Capital Improvement Projects by Fund

This schedule displays projects with adopted budgets for Fiscal Year 2012 by fund. Projects are listed alphabetically by project title within each fund. Only the Fiscal Year 2012 Adopted Budget amounts, as approved by City Council, are provided. In addition, the asset-owning department and project type are listed. Projects with multiple funding sources may be displayed multiple times within this schedule. For additional information on the adopted budget, refer to the Fiscal Year 2012 Adopted Budget Summary section.

Schedule I: Fiscal Year 2012 Capital Improvement Projects by Fund

Fund and Project	Department	Project Type	FY2012 Adopted
Balboa Park Golf Course CIP Fund			
Balboa Park Golf Course / AEA00002	Park & Recreation	Golf Courses	\$ 300,000
Total Balboa Park Golf Course CIP Fund			\$ 300,000
Brown Field Special Aviation			
Brown Field / AAA00002	Airports	Airport Assets	\$ 1,371,531
Brown Field Electrical Upgrade / S00773	Airports	Airport Assets	24,260
Total Brown Field Special Aviation			\$ 1,395,791

Schedule II: Capital Improvements Program by Funding Source

This schedule summarizes the CIP by funding source types. In addition to the Fiscal Year 2012 Adopted Budget, previously approved funding and future funding needs are included to provide a summary of the multi-year CIP. For additional information on CIP funding, refer to the Funding Sources section.

Schedule II: Capital Improvements Program by Funding Source

Funding Source	Expended/Encumbered	Continuing Appropriations	FY2012 Adopted	FY2012 Anticipated	Future Fiscal Years	Unidentified Funding	Funding Source Total
Airport Funds	2,467,228	3,956,756	3,410,510	-	16,140,140	-	25,974,634
Bond Financing	5,832,808	0	-	-	-	-	5,832,808
Capital Outlay - Land Sales	22,786,598	31,727,670	-	-	-	-	54,514,268
Capital Outlay - Other	5,890,370	137,139	-	-	-	-	6,027,509
Capital Outlay - Police Decentralization Land Sales	-	-	1,822,864	-	-	-	1,822,864
Concourse & Parking Garages Operating Fund	6,946	443,054	100,000	-	-	-	550,000
Deferred Capital Projects Bonds	68,590,117	34,407,883	300,000	100,000,000	400,425,000	-	603,723,000
Developer Funding	13,088,394	849,038	836,000	-	4,620,000	-	19,393,432
Development Impact Fees	36,080,675	21,503,932	8,182,500	-	477,000	-	66,244,106

Capital Improvements Program

Guide to the Budget

Schedule III: Capital Improvements Program by Project Type

This schedule summarizes the CIP by project type with subtotals for major asset type categories. In addition to the Fiscal Year 2012 Adopted Budget, previously approved funding and future funding needs are included to provide a summary of the multi-year CIP.

Schedule III: Capital Improvements Program by Project Type

Project Type	Expended/ Encumbered	Continuing Appropriations	FY2012 Adopted	FY2012 Anticipated	Future Fiscal Years	Unidentified Funding	Project Type Total
Airport Assets							
Airport Assets	\$ 5,826,385	\$ 8,785,042	\$ 3,410,510	\$ -	\$ 16,140,140	\$ -	\$ 34,162,077
Airport Assets Total	\$ 5,826,385	\$ 8,785,042	\$ 3,410,510	\$ -	\$ 16,140,140	\$ -	\$ 34,162,077
Buildings							
Bldg - Community Centers	\$ 243,737	\$ 18,642	\$ -	\$ -	\$ -	\$ -	\$ 262,379
Bldg - Libraries	192,952,944	5,605,831	700,000	32,512,092	15,000,000	93,832,374	340,603,240
Bldg - MWWD - Administration Struct	2,951,671	944,152	-	-	84,697,887	-	88,593,710

Schedule IV: Capital Improvement Projects by Department

This schedule displays all existing projects, new projects proposed for Fiscal Year 2012, and projects scheduled to begin in a future fiscal year. Projects are ordered by department and alphabetically by project title. In addition to the Fiscal Year 2012 Adopted Budget, previously approved funding and future funding needs are included to provide a summary of the multi-year CIP.

Schedule IV: Capital Improvement Projects by Department

Department and Project	Expended/ Encumbered	Continuing Appropriations	FY2012 Adopted	FY2012 Anticipated	Future Fiscal Years	Unidentified Funding	Project Total
Airports							
Brown Field / AAA00002	\$ 744,716	\$ 2,044,784	\$ 1,371,531	\$ -	\$ 6,857,655	\$ -	\$ 11,018,687
Brown Field Electrical Upgrade / S00773	2,589,520	134,499	24,260	-	-	-	2,748,279
Montgomery Field / AAA00001	1,270,579	5,614,021	1,796,497	-	8,982,485	-	17,663,582
Montgomery Field NW Heliport / S00679	562,011	1,002,038	-	-	-	-	1,564,049
Montgomery Field Rehabilitation / S00680	659,558	(10,300)	218,222	-	300,000	-	1,167,480
Airports Totals	\$ 5,826,385	\$ 8,785,042	\$ 3,410,510	\$ -	\$ 16,140,140	\$ -	\$ 34,162,077

Schedule V: Capital Improvement Projects Priority Scores

This schedule displays priority scores and categories for all existing, new, and future projects. Projects are organized by major asset type category in descending Priority Score order. The asset-owning department and specific project type are also listed. For more information on the project prioritization process, refer to the Prioritization Policy description in the Program Overview section.

Schedule V: Capital Improvement Projects Priority Scores

Project	Project Type	Department	Priority Score	Priority Category
Airport Assets				
Montgomery Field Rehabilitation / S00680	Airport Assets	Airports	100	Medium
Brown Field Electrical Upgrade / S00773	Airport Assets	Airports	N/A	N/A
Montgomery Field NW Heliport / S00679	Airport Assets	Airports	N/A	N/A
Brown Field / AAA00002	Airport Assets	Airports	Annual	Annual
Montgomery Field / AAA00001	Airport Assets	Airports	Annual	Annual
Buildings				
Children's Pool Lifeguard Station / S00644	Bldg - Pub Safety - Lifeguard Stations	Fire-Rescue	93	High
La Jolla Cove Lifeguard Station / S00792	Bldg - Pub Safety - Lifeguard Stations	Fire-Rescue	93	High
Fire Station No. 45 - East Mission Valley / S00688	Bldg - Pub Safety - Fire Fac / Struct	Fire-Rescue	92	High
PS2 Power Reliability & Surge Protection / S00312	Bldg - MWWD - Pump Stations	Public Utilities	90	High

Capital Improvements Program

Guide to the Budget

Schedule VI: Capital Improvement Projects Unfunded Needs

This schedule displays a list of all existing, new and future projects with insufficient funding to complete the project. In addition to the amount of unidentified funding, the total estimated project cost is provided along with the percent of the project that is unfunded. Projects are sorted from lowest to highest unidentified funding percent. For information on the components of the project that are unfunded, refer to the Unfunded Needs List at the end of each department subsection in the Capital Improvement Projects section.

Schedule VI: Capital Improvement Projects Unfunded Needs

Project	Department	Project Total	Unidentified Funding	Percent Unfunded
Black Mountain Ranch Community Park / S00639	Park & Recreation	\$ 17,895,441	\$ 200,000	1.1%
La Jolla Village Drive and Regents Road / S00867	Transportation & Storm Water	1,370,900	90,900	6.6%
Windwood II Mini Park Play Area Upgrades / S11017	Park & Recreation	523,775	42,917	8.2%
West Mission Bay Drive Bridge Over San Diego River / S00871	Transportation & Storm Water	113,386,823	12,257,190	10.8%
Palisades Park Comfort Station Replacement / S10026	Park & Recreation	345,000	45,000	13.0%
Resurfacing of City Streets / AID00005	Transportation & Storm Water	289,167,776	42,000,000	14.5%
Home Avenue Park / S00673	Park & Recreation	3,800,000	600,000	15.8%

Project Pages

The CIP project pages are designed to provide accurate and informative financial and logistical information for projects. All ongoing projects as of June 2010 are included in addition to new projects scheduled to begin in Fiscal Year 2012. Project pages are located in the Capital Improvement Project section and are organized by asset-owning department. Refer to the Indexes at the back of this book to locate a specific project page.

Project Attributes

Fire-Rescue

Bldg - Pub Safety - Fire Fac / Struct

Fire Station No. 45 - East Mission Valley / **S00688**

 619-533-4640
 agarcia@sandiego.gov

Department and Project Type

The department listed is the operating department that will be responsible for operating or maintaining the asset once complete. Each department's CIP is organized by project type. Project types are a more specific manner of categorizing the kind of improvement provided by each project. For a complete listing of all project types, refer to Schedule III in the Financial Summary section. In the project pages, the project type is listed below the department name. Some project types, such as Buildings, are used in several departments.

Project Title and Number

The project's title and unique identification number are listed to the right of the project type. The first character of the project number indicates the kind of project. The following list describes the characteristics of each kind of project:

A: Annual Allocation – These projects provide for ongoing repair and replacement requiring funding on an annual basis. Individual projects funded by an annual allocation are typically smaller projects that are expected to be completed in a short timeframe. The funding information provided for annual allocation projects aggregates all funding in existing sub-projects and will fluctuate as individual projects are completed and new projects are added.

Capital Improvements Program

Guide to the Budget

F: Future – These projects are anticipated to begin in a future fiscal year. Future projects do not have a project page but are listed in the schedules in the Financial Summary section. If the project is partially or fully unfunded, it will also appear in the asset-owning department's Unfunded Needs List. Once budgeted, the future project will be assigned a new project number and a project page will be published.

L: Large/Phase Funded - These projects are a combination of multiple assets into a single project in order to achieve efficiencies. Each individual asset will be capitalized as that portion of the project is completed. As a result, the total estimated project cost will be reduced as each asset is completed.

S: Standard/Standalone – These projects are typically limited to a single asset and may be of any size and duration.

RD: Reimbursement to Developer – These projects allocate funding to reimburse developers for projects privately constructed in accordance with approved financing plans or other regulatory documents.

Council District

This identifies the City Council District (1-8) in which a project is located. Projects that have a Citywide impact or are outside the City limits are also noted. For a map of all Council Districts, refer to the Community Planning section.

Community Plan

This component lists affected community planning area(s). Projects that have a Citywide impact or are outside the City limits are also noted. For additional information on community planning areas, refer to the Community Planning section.

Project Status

The project status serves as an indicator of project progress. Below is a description of these statuses:

Created – This indicates that the project has been identified and funding has been appropriated but activity has not begun on the project.

Released – The project is in progress.

Technically Complete – The project is primarily completed and the asset has been put into service.

Closed – The project has been completed and the asset has been capitalized. Closed projects are not included in the CIP budget.

Duration

The estimated starting and ending fiscal years are provided for each project.

Improvement Type

This component describes the project's impact on existing assets. A project may provide *betterment*, *expansion*, *replacement* or *widening* of an existing City asset or may result in a *new* asset to the City.

Contact Information

This provides the name, phone number and e-mail address of the project manager or designated point of contact, at the time of publication.

Priority Score

Projects are scored to establish an objective process for ranking CIP projects. Project scores range from 0-100. Projects that are in construction or have completed construction have not been scored and are noted as not applicable (N/A). Annual allocation projects are noted as Annual and are not

Capital Improvements Program

Guide to the Budget

scored. For additional information, refer to the Prioritization Policy description in the Program Overview section and Schedule VI in the Financial Summary section.

Priority Category

The priority category indicates if the project is scored within the upper third (High), middle third (Medium), or lowest third (Low) of the priority scores within the same major asset type category. Projects that are in construction or have completed construction have not be categorized and are noted as not applicable (N/A). Annual allocation projects are categorized as Annual. For additional information, refer to the Prioritization Policy description in the Program Overview section and Schedule VI in the Financial Summary section.

Project Description

Description: This project provides for an updated fire station in Mission Valley. The station will accommodate up to 17 personnel, two engines, one aerial truck, two hazardous material apparatus, one paramedic ambulance, and one Battalion Chief vehicle. This is one of 12 projects included in the Fire Rescue Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

Justification: A fire station is needed to serve the Mission Valley community. This project is consistent with City Council policy to meet response time guidelines.

Operating Budget Impact: Staffing and maintenance costs for the temporary facility are reflected in the Fire-Rescue Department's Fiscal Year 2012 Final Budget. The operation of the permanent facility will require additional positions equivalent to \$1,777,898 per year if the facility is fully staffed in Fiscal Year 2014. Non-personnel costs to operate a new station are approximately \$300,000. These funds will need to be added permanently to the Fire-Rescue budget after the project is complete. A new truck will also need to be purchased, with an estimated cost of \$1.3M. The truck's purchase will require \$1.3M funds to be added to the Fire Rescue budget only in the first year.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan; however, the Mission Valley Community Plan does not currently provide for this project. An amendment to the Community Plan may be required prior to implementation of this project.

Schedule: Design is scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin when the remainder of funding is identified. A temporary facility for one engine company is located in the QUALCOMM Stadium parking lot. The construction schedule for the permanent facility will be revised when additional funding is identified.

Summary of Project Changes: This project received \$3 million in Development Impact Fees (DIF) made available via the Mission Valley Public Facilities Financing Plan. The revenue source for the remainder of construction of the permanent facility is unidentified, contingent upon future bond financing.

Description

This component provides a brief statement explaining what the project is, where it is located and its impact on the surrounding neighborhood(s).

Justification

This component explains why a project is needed and describes any legal requirements for the project, including State or federal mandates.

Operating Budget Impact

This component describes any ongoing operating expenses anticipated upon completion of the project and the impact on the City's operating budget. An Operating Budget Impact table may be included to provide additional detail. The Operating Budget Impact table is described later in this section. Operating budget impacts include additional funding requirements to support both the operation and maintenance of the building, facility, park, or other infrastructure once it is opened.

Relationship to General and Community Plans

This component indicates whether a project is consistent with the affected community plan(s) and is in conformance with the City's General Plan. Additional information can be found in the Community Planning section.

Schedule

This component describes the anticipated project timeline and includes the years when design, construction, and other phases are expected to begin and end.

Summary of Project Changes

This component explains any changes that have occurred since publication of the Fiscal Year 2011 Adopted Budget. Changes may have resulted from modifications to the project scope, City Council action to modify funding (resolutions and/or ordinances), updated total project cost estimates and changes in project schedule.

Capital Improvements Program

Guide to the Budget

Project Funding

Expenditure by Funding Source Table

This table lists the amounts, funding sources, and estimated budget timeline through project completion. The total estimated project cost includes project activity since inception through current and future fiscal years. Descriptions of common funding sources for the CIP can be found in the Funding Sources section.

Expenditure by Funding Source												
Fund Name	Fund No	Exp/Enc	Con Appn	FY 2012	FY 2012 Anticipated	FY 2013	FY 2014	FY 2015	FY 2016	Future FY	Unidentified Funding	Project Total
Del Mar Mesa FBA	400089	452,434	513,066	0	0	0	0	0	0	0	0	965,500
Pacific Highlands Ranch FBA	400090	7,370,089	3,911	0	0	0	0	0	0	0	0	7,374,000
Torrey Highlands	400094	855,500	0	0	0	0	0	0	0	0	0	855,500
Total		8,678,023	516,977	0	0	0	0	0	0	0	0	9,195,000

Expended and Encumbered (Exp/Enc) – Projects initiated prior to Fiscal Year 2012 may have incurred expenditures and encumbrances in a prior fiscal year. Amounts shown include all funds that have been expended in the project as well as any contractual or other obligations, as of June 2010. The expended and encumbered amount is cumulative since project inception.

Continuing Appropriations (Con Appn) – Funding budgeted prior to Fiscal Year 2012 but not yet expended or encumbered is reflected as continuing appropriation amounts. Continuing appropriations are a cumulative amount of unexpended and unencumbered budget since project inception through June 2010.

Fiscal Year 2012 – This is the amount of funding approved for the Fiscal Year 2012 CIP Budget. This amount, as approved by City Council, is included in the annual Appropriation Ordinance, which gives the City the authority to expend from the capital improvement project.

Fiscal Year 2012 Anticipated – Funding that was uncertain to be received at the time the budget was prepared but may be appropriated during Fiscal Year 2012 is reflected as anticipated funding. Anticipated funding may include sources, such as grants, that require additional City Council approval prior to budgeting or that are unpredictable revenue streams, such as land sale proceeds. The City is not legally bound to any Fiscal Year 2012 Anticipated funding because it is not contained in the annual Appropriation Ordinance.

Outlying Fiscal Years – Projects that will extend beyond Fiscal Year 2012 may include future year cost estimates based on project scheduling and projected funding availability. The City is not legally bound to any projections made beyond Fiscal Year 2012 because they are not contained within the annual Appropriation Ordinance. Revisions and refinements of project scope, cost estimates, scheduling, and funding may affect the unidentified funding estimate.

Unidentified Funding – This reflects the portion of the total estimated project cost for which a funding source has not yet been identified. This amount is based upon the current estimated total project cost and funding schedule. Revisions and refinements of project scope, cost estimates, scheduling, and funding may affect the unidentified funding estimate.

Project Total – The project total by funding source is an estimate of the total project cost from project inception through the current and future fiscal years to project completion.

Capital Improvements Program

Guide to the Budget

Operating Budget Impact Table

This table provides estimated operational and maintenance costs that will be incurred upon completion of the project. This table supports the Operating Budget Impact description that was discussed earlier in this section. Not every published project will have an Operating Budget Impact table. This data is required for any project with anticipated impacts to the operating budget within the next five fiscal years. Amounts are provided for each impacted department and fund.

Operating Budget Impact						
Department - Fund		FY 2012	FY 2013	FY 2014	FY 2015	FY 2016
Fire-Rescue - GENERAL FUND	FTEs	0.00	6.50	6.50	6.50	6.50
	Total Impact	0	3,377,898	2,077,898	2,077,898	2,077,898

Full-time Equivalent (FTE) – The decimal equivalent of the number of positions required to be added to the budget to operate and maintain the asset.

Total Impact – The estimated amount of personnel and non-personnel expenses required to be added to the budget to operate and maintain the asset upon completion, net of any additional anticipated revenue. Personnel expenses are expenditures related to employee compensation including wages and salaries, fringe benefits, retirement, and special pays such as shift differentials. Non-personnel expenses are expenditures related to supplies and services, information technology, energy, utilities, and outlay.

Unfunded Needs List

The Unfunded Needs List for each department provides a summary of projects with insufficient funding to complete the project. Projects are organized by project type and include the total estimated project cost, unidentified funding amount, and the percent of the project that is unfunded. Also included is a brief description of the project and what components are unfunded. Unfunded Needs Lists follow the project pages within each department's section. For a complete list of all projects with unfunded needs, refer to Schedule VI in the Financial Summary section.

Fire-Rescue

Unfunded Needs List

Project	Project Total	Unidentified Funding	Percent Unfunded	Description
Bldg - Pub Safety - Fire Fac / Struct				
Fire Station No. 01 - Downtown / S00786	6,317,116	5,800,000	91.8%	This project provides for asbestos removal, dormitory remodel and a new exhaust extraction system at the fire station located at 1222 First Avenue in Downtown. The total estimated project cost of \$6.3 million includes an unfunded amount of \$5.8 million that would be used for reconstruction.

Funding Sources

The Capital Improvements Program (CIP) uses a variety of funding sources to support projects. This section outlines some of the more common funding sources used in the CIP. In addition, Schedule II in the Financial Summary section provides a summary of the CIP by funding source type.

Bond Financing

Bond financing is a long-term borrowing tool used to meet the City's cash flow needs and to provide funds for capital projects. In Fiscal Year 2009, the City Council approved a private financing agreement to provide funding for deferred capital projects throughout the City. The list of deferred capital projects includes improvements to City streets, buildings, and storm drains.

Capital Outlay

Capital Outlay Funds are used exclusively for the acquisition, construction, and completion of permanent public improvements or real property; replacement or reconstruction of public facilities; and other improvements of a permanent character. Repair or maintenance expenditures cannot be made from the Capital Outlay Funds. Revenue for the Capital Outlay Fund is derived primarily from the sale of City-owned property but may also come from other sources per Section 77 of the San Diego City Charter. In addition, San Diego City Ordinance No. 12685 (New Series) further specifies that all proceeds from sales or leases of the Pueblo Lands of San Diego be utilized to finance police substations and other permanent improvements for police purposes.

Development Impact Fees (DIF)

Development impact fees (DIF) are collected to mitigate the impact of new development in urbanized communities that are near build-out. The amount of the DIF is based on a portion of the financing needed for identified public facilities. Property being developed is assessed the fee(s) at the time the building permit is issued.

Donations and Developer Funding

Projects may be funded by contributions and/or donations from private sources, such as residents, developers, private organizations, and businesses. Contributions by developers and vendors may be reimbursed by City funds in future years.

Enterprise Funds

Enterprise Funds account for specific services that are funded directly by fees and charges to users. These include the services provided by Public Utilities, Environmental Services, Airports and Golf Courses. These funds are intended to be fully self-supporting and are not typically subsidized by any general revenue or taxes. Within each Enterprise Fund, budgets are developed which are sufficient to fund current year operations and maintenance expenses, as well as provide for current and future years' upgrade, replacement, and expansion-related capital construction requirements.

Facilities Benefit Assessments

Facilities benefit assessments (FBA) provide 100 percent of funding for public facilities projects that service a designated area of benefit and are identified in the public facilities financing plan. The

Capital Improvements Program

Funding Sources

dollar amount of the assessment is based upon the cost of each public facility equitably distributed over a designated area of benefit in the community planning area. Assessments are recorded as liens with the County Assessor's Office. Property being developed is assessed at the time the building permit is issued. The amount of the assessment is determined by the type and size of the development.

General Fund

Some allocations to the CIP budget are allocated from the operating budget of General Fund departments.

Grants

Some projects are entirely or partially funded by grants and reimbursements from the State and federal government and other agencies. The receipts of certain grants and reimbursements typically follow the award of contracts; therefore, other City funding is programmed for front-end financing of the total estimated project costs. Grant funding includes State and federal grants and grants from proceeds from State bond issuances. For example, Community Development Block Grant (CDBG) funding is programmed in accordance with Council Policy 700-2 (amended November 24, 2009). CIP priorities are developed irrespective of whether or not CDBG funding is to be received by the City. CDBG funding is to be used to supplement the City's CIP program and not as a substitute for other City funding.

Internal Service Funds

Internal Service Funds are established for the financing of goods or services provided by one City department to another City department on a cost-reimbursement basis. Examples of Internal Service Funds used in the CIP budget are the Energy Conservation Program Fund and the Fleet Services Internal Service Fund.

Maintenance Assessment Districts

Maintenance Assessment Districts (MADs) are established by the City of San Diego as a means of providing property owners with the opportunity to assess themselves to pay for enhanced improvements, maintenance, services and activities. Certain projects requested by the district may be capital in nature and are funded by the specific MAD. MAD budgets are developed with sufficient funding for current year maintenance and capital projects.

Mission Bay and Regional Park Improvements Funds

Mission Bay rents and concessions revenue is allocated to the Mission Bay and Regional Park Improvements Funds in accordance with the San Diego City Charter, Article V, Section 55.2. The funds in the Mission Bay Improvements Fund may only be expended in Mission Bay Park for permanent capital improvements and capital deferred maintenance of existing facilities, as well as to improve environmental conditions consistent with the Mission Bay Park Master Plan. The funds in the Regional Parks Improvements Fund may only be expended for capital improvements in San Diego's regional parks. The City of San Diego's regional parks include Chollas Lake Park, Balboa Park, Mission Trails Regional Park, Otay River Valley Park, Presidio Park, San Diego River Park, open space parks, and coastal beaches and parks.

Capital Improvements Program

Funding Sources

Redevelopment Funding

The Redevelopment Agency of the City of San Diego was created by the City Council in 1958 to alleviate conditions of urban blight in designated areas of the City. Funds collected are utilized based on the State of California's Health and Safety Code (Section 33000 et seq.), also known as the "California Community Redevelopment Law." The law outlines procedures to determine what development, reconstruction, and rehabilitation are needed and desirable. It also defines the financial tools, legal authority, and citizen participation necessary to successfully implement adopted redevelopment plans. The law is designed to promote an improved and safer neighborhood environment and a restoration of community pride.

Special Revenue Funds

Special Revenue Funds account for revenue received for specifically identified purposes. Examples of Special Revenue Funds used in the CIP budget are the Concourse & Parking Garages Operating, Environmental Growth, Fire/Emergency Medical Services Transport and QUALCOMM Stadium Funds.

TransNet Funds

TransNet, a one-half cent local sales tax, is used for traffic congestion relief and transportation improvements. In addition to roadway enhancements, TransNet Funds are utilized for bikeway and pedestrian projects. TransNet includes a Maintenance of Effort (MOE) provision to guarantee that the City spends a certain amount of discretionary funds on the maintenance and improvement of the public right-of-way. The City utilizes TransNet cash for projects as much as possible in an attempt to minimize the issuance of bonds due to added costs of debt service. TransNet Commercial Paper is a borrowing tool that can be used to raise cash needed to cover cash-flow deficits and is generally viewed as a lower-cost alternative to bank loans. In an attempt to further minimize debt service costs, the issuance of TransNet Commercial Paper may be utilized when feasible.

Utilities Undergrounding Program Fund

This fund provides for the undergrounding of City utilities. San Diego Gas & Electric (SDG&E) includes a surcharge for the undergrounding of utilities on electric bills. This amount is deposited with the City to be used solely for the undergrounding of electrical lines and associated activities.

Unidentified Funding

Some projects may lack sufficient identified funding to complete the project. These projects display an "unidentified funding" amount in the project pages. Each project with an unidentified amount is summarized in each department's Unfunded Needs List. A complete list of all projects with unidentified funding is provided in Schedule V in the Financial Summary.

Community Planning

The City's General Plan

The City of San Diego General Plan (2008) sets out a long-range vision and policy framework for how the City should plan for projected growth and development, provide public services, and maintain the qualities that define San Diego over the next 20 to 30 years.

The General Plan provides guidance on how to design infill development and reinvest in existing communities to support long term growth, since less than four percent of the City's land remains vacant and available for new development. It has a strong sustainability focus through policies addressing transit/land use coordination; climate change; healthy, walkable communities; green buildings; clean technology industries; water and energy conservation and management; and urban forestry. In addition, the General Plan features protections for prime industrial lands, strategies for providing urban parks, "toolboxes" to implement mobility strategies, and policies designed to further the preservation of San Diego's historical and cultural resources. The General Plan was structured to work in concert with the City's community plans.

The General Plan includes the City of Villages strategy to focus growth into mixed-use villages that are pedestrian-friendly districts, of different scales, linked to the transit system. Each village is envisioned as unique to the community in which it is located, yet all villages would be pedestrian-friendly and characterized by inviting, accessible and attractive streets and public spaces. Individual villages are intended to offer a variety of housing types and affordability levels. The strategy draws upon the character and strengths of San Diego's natural environment, distinctive neighborhoods, and activity centers that together form the City as a whole.

The General Plan is comprised of an introductory Strategic Framework section and the following elements: Land Use and Community Planning; Mobility; Economic Prosperity; Public Facilities, Services and Safety; Urban Design; Recreation; Historic Preservation; Conservation; and Noise. The Housing Element update was adopted separately in 2006 and is provided under separate cover from the rest of the 2008 General Plan. The policies within each element were developed with ten guiding principles in mind. These principles are to achieve:

1. An open space network formed by parks, canyons, river valleys, habitats, beaches, and ocean;
2. Diverse residential communities formed by the open space network;
3. Compact and walkable mixed-use villages of different scales within communities;
4. Employment centers for a strong economy;
5. An integrated regional transportation network of walkways, bikeways, transit, roadways, and freeways that efficiently link communities and villages to each other and to employment centers;
6. High quality, affordable, and well-maintained public facilities to serve the City's population, workers, and visitors;
7. Historic districts and sites that respect our heritage;
8. Balanced communities that offer opportunities for all San Diegans and share citywide responsibilities;
9. A clean and sustainable environment; and,
10. A high aesthetic standard.

Capital Improvements Program

Community Planning

The Public Facilities, Services and Safety Element of the General Plan includes policies on the prioritization and provision of public facilities and services, evaluation of new growth, guidelines for implementing a financing strategy, and guidelines for the provision of specific facilities. This element discusses City challenges, including a public facilities deficit, and recommends that facilities deficiencies be remedied through diverse funding strategies such as joint-use, more-efficient resource allocations, and fiscal reform efforts that provide equitable redistribution of revenues to the City from the state.

Implementation of the General Plan is being accomplished through a broad range of legislative and regulatory actions that influence private and public development. The General

Plan Action Plan identifies measures and timeframes for implementing General Plan policies. The Action Plan highlights eight key initiatives which are critical to General Plan implementation, as follows: Community Plan Updates, Climate Change Initiatives, Water Supply and Conservation Efforts, Land Development Code (LDC) Amendments, Public Facilities Finance Strategy, Economic Development Strategic Plan, Parks Master Plan, and Historic Preservation Incentives. In addition, the General Plan is consistent with the Regional Comprehensive Plan and will contribute to the San Diego Association of Governments' efforts to create a Sustainable Communities Strategy that meets regional greenhouse gas emission reduction targets.

Community Plans

The City's community plans contain additional detailed planning guidance and are a part of the General Plan. Community plans establish specific recommendations and objectives in a given community for future land uses and public improvements. The community plan provides a long range physical development guideline for elected officials and citizens engaged in community development. Citizen involvement has been a long-standing concept in the City of San Diego. In the 1960s and 1970s, the City Council adopted policies that established and recognized community planning groups as formal mechanisms for community input in the decision-making processes. Community planning groups provide citizens with an opportunity for involvement in advising the City Council, the Planning Commission, and other decision makers on development projects, community plan amendments, rezoning projects, and public facilities. The recommendations of the planning groups are integral components of the planning process.

The General and community plans are policy documents, which require regulatory tools and programs to help implement their goals and standards. The implementation tools for planning documents include the Municipal Code, the Multiple Species Conservation Program (MSCP), zoning, Neighborhood Code Compliance, facilities financing plans, and redevelopment plans. These regulations and programs help guide land use, development, and design.

CIP Conformance to the City's General Plan and Community Plans

The capital improvement projects in the current budget were reviewed for conformance with the City's General Plan and Community Plans, as required by Council Policy 000-02. The entire process is outlined in the May 13, 2011 Capital Improvement Program Conformance Report to the City's Planning Commission. These capital improvement projects were found to be consistent with the General Plan, relevant community plans, and facilities financing plans.

Install T/S Interconnect Systems / AIL00002	Transportation & Storm Water	Trans - Signals - Traffic Signals	150,000
Installation of City Owned Street Lights / AIH00001	Transportation & Storm Water	Trans - Roadway - Street Lighting	100,000
Juan Street Concrete Street / S00602	Transportation & Storm Water	Trans - Roadway	1,468,369
Median Installation / AIG00001	Transportation & Storm Water	Trans - Roadway - Enhance/Scape/Medians	297,000
Minor Bike Facilities / AIA00001	Transportation & Storm Water	Trans - Bicycle Facilities (All Class.)	15,000
New Walkways / AIK00001	Transportation & Storm Water	Trans - Ped Fac - Sidewalks	375,000
North Torrey Pines Road Bridge/ Los Penasquitos / S00935	Transportation & Storm Water	Trans - Bridge - Vehicular	400,000
Otay Mesa Truck Route Phase 3 / S00724	Transportation & Storm Water	Trans - Roadway	300,000
Otay Mesa Truck Route Phase 4 / S11060	Transportation & Storm Water	Trans - Roadway	300,000
Palm Avenue Roadway Improvements / S00913	Transportation & Storm Water	Trans - Roadway	2,255,000
Replace Obsolete T/S Controllers / AIL00010	Transportation & Storm Water	Trans - Signals - Traffic Signals	75,000
School Traffic Safety Improvements / AIK00002	Transportation & Storm Water	Trans - Ped Fac - Sidewalks	200,000
State Route 163/Friars Road / S00851	Transportation & Storm Water	Trans - Bridge - Vehicular	5,378,531
Streamview Drive Improvements / S00864	Transportation & Storm Water	Trans - Roadway	200,000
Torrey Pines Road Slope Restoration / S00877	Transportation & Storm Water	Trans - Roadway - Erosion/Slope/Ret Wall	540,000
Traffic Calming / AIL00001	Transportation & Storm Water	Trans - Signals - Traffic Signals	200,000
Traffic Signals - Citywide / AIL00004	Transportation & Storm Water	Trans - Signals - Traffic Signals	450,000
Traffic Signals Modification / AIL00005	Transportation & Storm Water	Trans - Signals - Traffic Signals	850,000
Transportation Grant Match / AID00002	Transportation & Storm Water	Trans - Roadway	300,000
West Mission Bay Drive Bridge Over San Diego River / S00871	Transportation & Storm Water	Trans - Bridge - Vehicular	100,000
Total TransNet Extension Congestion Relief Fund			\$ 15,703,818
Underground Surcharge CIP Fund			
Utilities Undergrounding Program / AID00001	Transportation & Storm Water	Trans - Roadway	\$ 15,000,000
Total Underground Surcharge CIP Fund			\$ 15,000,000
Water Utility - CIP Funding Source			
30th Street Pipeline Replacement / S12010	Public Utilities	Water - Distribution Sys - Transmission	\$ 100,000

Financial Summary

Schedule I: Fiscal Year 2012 Capital Improvement Projects by Fund (cont'd)

Fund and Project	Department	Project Type	FY2012 Adopted
69th & Mohawk Pump Station / S12011	Public Utilities	Bldg - Water - Pump Stations	250,000
Alvarado 2nd PL Exten & Morena Blvd CI / S12013	Public Utilities	Water - Distribution Sys - Transmission	250,000
Barrett Flume Cover / S10013	Public Utilities	Bldg - Water - Reservoirs/Dams	400,000
CIS ERP Implementation / S11100	Public Utilities	Bldg - Other City Facility / Structures	1,409,814
Catalina 12inch Cast Iron Mains / S12008	Public Utilities	Water - Distribution Sys - Transmission	100,000
Chollas Building / S11025	Public Utilities	Bldg - Operations Facility / Structures	2,200,000
Cielo & Woodman Pump Station / S12012	Public Utilities	Bldg - Water - Pump Stations	100,000
Dams and Reservoirs / ABK00001	Public Utilities	Bldg - Water - Reservoirs/Dams	824,304
Del Mar Heights East Segment / S12017	Public Utilities	Water - Distribution Sys - Transmission	100,000
El Capitan Potable Water Segment / S12007	Public Utilities	Water - Distribution Sys - Transmission	250,000
El Monte Pipeline #2 / S10008	Public Utilities	Water - Distribution Sys - Distribution	1,000,000
Freeway Relocation / AKB00002	Public Utilities	Water - Distribution Sys - Distribution	250,000
Groundwater Asset Development Program / ABM00001	Public Utilities	Bldg - Water - Wells	900,000
Harbor Drive Pipeline / S00019	Public Utilities	Water - Distribution Sys - Transmission	200,000
La Jolla Scenic Drive 16inch Main / S12009	Public Utilities	Water - Distribution Sys - Transmission	100,000
Lower Otay Outlet Tower / S12018	Public Utilities	Bldg - Water - Reservoirs/Dams	168,248
Montezuma Pipeline/Mid-City Pipeline Phase II / S11026	Public Utilities	Water - Distribution Sys - Distribution	363,562
Morena Reservoir Outlet Tower Upgrade / S00041	Public Utilities	Bldg - Water - Reservoirs/Dams	67,505
Otay 1st / 2nd PL Abandonment West of Highland / S12016	Public Utilities	Water - Distribution Sys - Transmission	100,000
Otay 1st/2nd Pipeline Abandonment East of Highland / S11027	Public Utilities	Water - Distribution Sys - Transmission	1,000,000
Pacific Beach Pipeline / S12015	Public Utilities	Water - Distribution Sys - Transmission	250,000
Pressure Reduction Facility Upgrades / AKA00002	Public Utilities	Water - Distribution Sys - Transmission	500,000
Recycled Water Tank Modifications / S12014	Public Utilities	Reclaimed Water System - Reservoirs	250,000
South Bay Reclamation System / S00018	Public Utilities	Reclaimed Water System - Pipelines	150,000
Standpipe and Reservoir Rehabilitations / ABL00001	Public Utilities	Bldg - Water - Standpipes	4,486,986
University Ave Pipeline Replacement / S11021	Public Utilities	Water - Distribution Sys - Distribution	560,000
Upas Street Pipeline Replacement / S11022	Public Utilities	Water - Distribution Sys - Distribution	1,575,000

Financial Summary

Schedule I: Fiscal Year 2012 Capital Improvement Projects by Fund (*cont'd*)

Fund and Project	Department	Project Type	FY2012 Adopted
Water Group 787 / S11108	Public Utilities	Water - Distribution Sys - Distribution	7,342,159
Water Group Job 915 (3012) / S10123	Public Utilities	Water - Distribution Sys - Distribution	7,887,022
Water Main Replacements / AKB00003	Public Utilities	Water - Distribution Sys - Distribution	39,912,978
Water Pump Station Restoration / ABJ00001	Public Utilities	Bldg - Water - Pump Stations	8,823,952
Total Water Utility - CIP Funding Source			\$ 81,871,530
Grand Total			\$ 208,051,727

Brown Field / AAA00002

Council District: 8	Priority Score: Annual
Community Plan: Otay Mesa	Priority Category: Annual
Project Status: Released	Contact Information: Tussey, Mike
Duration: 2002 - 2020	858-573-1441
Improv Type: Betterment	mtussey@sandiego.gov

Description: The Brown Field Airport annual allocation provides for the following projects: rehabilitation of Runway 8L/26R project, deferred maintenance projects, repaving of the North Parking lot and the remodeling of the terminal restrooms.

Justification: The repaving of the north parking lot will prevent future flooding. The remodel of the restrooms will bring them up to current accessibility codes, and the rehabilitation design will bring the runway up to current design and Federal Aviation Administration (FAA) standards.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design for Runway 8L/26R will begin in Fiscal Year 2011. Construction of Runway 8L/26R is anticipated to be completed in Fiscal Year 2013. Design and Construction of the parking lot and Remodeling of Restrooms is scheduled for Fiscal Year 2013.

Summary of Project Changes: Brown Field Special Aviation funds are allocated to this project annually.

Brown Field Electrical Upgrade / S00773

Council District: 8	Priority Score: N/A
Community Plan: Otay Mesa	Priority Category: N/A
Project Status: Technically completed	Contact Information: Garcia, Alex
Duration: 2009 - 2011	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project provides for the design and construction of electrical system upgrades at Brown Field Airport.

Justification: Brown Field's current electrical system has out lived its design life and needs to be replaced to meet current engineering standards and the Federal Aviation Administration (FAA) regulations; thus providing continued safe use of the airport.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Construction is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: An allocation of \$24,260 from the Brown Field Special Aviation fund has been made to this project for Fiscal Year 2012.

Montgomery Field / AAA00001

Council District: 6	Priority Score: Annual
Community Plan: Kearny Mesa	Priority Category: Annual
Project Status: Released	Contact Information: Tussey, Mike
Duration: 2002 - 2020	858-573-1441
Improv Type: Betterment	mtussey@sanidiego.gov

Description: The Montgomery Field Airport (MYF) Annual allocation will provide: Capital Improvement Projects (CIP): Rehabilitation design of the Montgomery Field Airport Runway 5/23 and Taxiway G. A consultant will evaluate the deteriorated conditions of Runway 5/23 and Taxiway G and provide a rehabilitation design to bring Runway 5/23 and Taxiway G to current engineering and construction standards and in compliance with Federal Aviation Administration (FAA) guideline and regulations. Deferred Maintenance Projects (DMP): Remove and Replace deteriorated pavement sections of Glenn Curtis Road.

Justification: Runway 5/23 and Taxiway G have outlasted their design use and their deteriorated conditions may expose the airport users to unsafe conditions. The rehabilitation of Runway 5/23 and Taxiway G will provide continued safe usage to the airport users, which will ultimately diminish the possibility of aircraft accidents and City liability.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design of Runway 5/23 and Taxiway G began in Fiscal Year 2011 and is scheduled to be completed Fiscal Year 2012. Repaving of Glenn Curtis Road is scheduled to begin and be completed in Fiscal Year 2012.

Summary of Project Changes: Montgomery Field Special Aviation funds are allocated to this project annually.

Community Plan: Kearny Mesa	Priority Category: N/A
Project Status: Technically completed	Contact Information: Garcia, Alex
Duration: 2003 - 2011	619-533-4640
Improv Type: Replacement - Retrofit	agarcia@sanidiego.gov

Description: This project, MYF NW Heliport, provides for redesign of the heliport to address all environmental constraints and complies with the U.S. Fish and Wildlife Service (U.S.F.W.S.), which delayed the construction of the heliport under the previous design. The heliport will meet the needs of airport users.

Justification: Constructing the heliport will result in redefining helicopter flight patterns, reducing noise and flights over residential areas to the south of the airport.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Redesign and construction of this heliport was scheduled to continue upon the completion of the environmental constraints reports and approval of the U.S.F.W.S., however, this project has now been cancelled.

Summary of Project Changes: The Heliport was cancelled due to environmental concerns and the project lost funding. The remaining continuing appropriation will be returned to fund balance and the project will be closed.

Chief Financial Officer

Bldg - Operations Facility / Structures

OneSD Capital / S09999

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Technically completed	Contact Information: Wochaski, Ed
Duration: 2008 - 2010	619-533-3896
Improv Type: New	ewochaski@saniego.gov

Description: The OneSD project provides for the replacement of many legacy software systems currently in use by City departments with the business center of the Office of the Chief Financial Officer (CFO) and Business and Support Services. The System will replace the following major systems: AMRIS (General Ledger), ALVA (Financial Reporting), APIS (Accounts Payable), ARIS (Accounts Receivable), FMIS (Budgeting and Financial Management), FAMIS (Fixed Asset Management), OPIS (Purchasing), CAPPs (Payroll), and PATS (Applicant Tracking). Additionally, this integrated application will be used by all City departments for day-to-day business operations and human resource needs and is expected to support the City's information technology (IT) needs for the next 15 years.

Justification: Recommendations contained in the Kroll Report stated that due to their antiquated state, the City's major software systems require updating. The applications that support the departments under the Office of the Chief Financial Officer (CFO) and Business and Support Services no longer meet the requirements for responsible financial management, efficient human resources management, and IT operational efficiency.

Operating Budget Impact: The expenses to support ongoing operating of the OneSD project are already included in the City's budget. Debt service payments are currently budgeted in the Enterprise Resource Planning (ERP) Department for Fiscal Year 2011.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan.

Schedule: The implementation of the OneSD project was divided into phases and completed on the following dates: Financial and Logistics (purchasing and contracting) applications July 1, 2009; Human Capital Management (HCM), which includes human resources/personnel, benefits and payroll functions December 21, 2009; Public Budget Formulation (PBF) November 1, 2009; and Accounts Receivable March 1, 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Supplier Relationship Management - SAP / S12021

Council District:	Citywide	Priority Score:	N/A
Community Plan:	Citywide	Priority Category:	N/A
Project Status:	Created	Contact Information:	Pepper, Hildred
Duration:	2012 - 2012		619-236-7163
Improv Type:	New		hpepper@sandiego.gov

Description: This project will implement the Supplier Relationship Management (SRM) module of the City's Enterprise Resource Planning (ERP) platform using the SAP (Systems, Applications and Products) system which will automate and simplify the procure-to-pay process. The SRM will be implemented in phases with the initial providing for the Contractor/Vendor Registration component.

Justification: This project will provide for the simplification and automation of the procure-to-pay process for the City's Purchasing and Contracting division.

Operating Budget Impact: None.

Relationship to General and Community Plans: This activity is not a project.

Schedule: Phase 1 is scheduled to be implemented in Fiscal Year 2012. Future phases will be implemented as funding becomes available.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012 with an initial budget of \$900,000.

Arizona Landfill Gas Utility / S00777

Council District: 3	Priority Score: N/A
Community Plan: Balboa Park	Priority Category: N/A
Project Status: Released	Contact Information: Purtee, Ray
Duration: 2003 - 2012	858-573-1208
Improv Type: Betterment	rpurtee@sandiego.gov

Description: This project provides for design and construction of improvements necessary to make beneficial use of the landfill gas currently being flared at this site.

Justification: This project will demonstrate the use of renewable energy resources and will reduce the amount of purchased energy required at park facilities in the vicinity.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in conformance with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2011.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Citywide Energy Improvements / ABT00003

Council District: 6	Priority Score: Annual
Community Plan: Kearny Mesa	Priority Category: Annual
Project Status: Released	Contact Information: Reddy, Chandra
Duration: 2010 - 2020	858-492-6002
Improv Type: Betterment	creddy@sandiego.gov

Description: This project will provide for energy efficiency improvements in City facilities. Projects typically address lighting, air conditioning, chiller, pumping and fan systems, invertors and City owned solar systems. Newer, more efficient technologies greatly reduce energy consumption.

Justification: Energy efficiency improvements repay capital costs in one to nine years, depending upon the project. The energy savings continue each year thereafter. Energy audits are performed in a variety of City-owned facilities to identify opportunities for energy savings.

Operating Budget Impact: None

Relationship to General and Community Plans: These projects are consistent with the Kearny Mesa Community Plan and are in conformance with the City's General Plan.

Schedule: Design evaluation will continue in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Cartier, Thomas
Duration: 2010 - 2020	858-492-6009
Improv Type: Betterment	tcartier@sandiego.gov

Description: This project provides needed energy improvements to various City facilities.

Justification: This project will provide energy improvements at various City facilities located throughout the City of San Diego in all Council Districts.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Currently there are 50 sublet projects in progress. This project will close when the CED loan expires and administrative tasks are completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Environmental Services Facilities Improvements / ABT00005

Council District: 6	Priority Score: Annual
Community Plan: Kearny Mesa	Priority Category: Annual
Project Status: Released	Contact Information: Reddy, Chandra
Duration: 2010 - 2020	858-492-6002
Improv Type: Betterment	creddy@sandiego.gov

Description: This project provides for needed facility improvements for the Environmental Services Department. Facilities include the Ridgehaven building, Miramar Operations Station, and facilities at the Miramar Landfill.

Justification: The Ridgehaven Facility is overdue for scheduled heating, ventilation and air conditioning (HVAC) system replacement. These systems are past their useful lives. No capital upgrades are required at this time for the Miramar Operations Station or facilities at the Miramar Landfill.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: This project began in Fiscal Year 2009 and continued upgrades are scheduled for Fiscal Year 2012.

Summary of Project Changes: Funding in the amount of \$115,090 is allocated in Fiscal Year 2012 to initiate planning and design for the construction of Americans with Disabilities Act (ADA) upgrades at the Environmental Services Department Ridgehaven Facility.

Material Recovery Facility / S00817

Council District: 5	Priority Score: N/A
Community Plan: Non City	Priority Category: N/A
Project Status: Technically completed	Contact Information: Prue, Kenneth
Duration: 1993 - 2010	858-492-5085
Improv Type: New	kprue@sandiego.gov

Description: This project provides for a recycling facility designed to receive, process, transport and/or dispose of municipal solid waste. The scope and magnitude of this project is under review and may change based on a variety of technical issues including adjustments to meet the state-mandated recycling goal.

Justification: The proposed facility will compliment the Curbside Recycling Program by recovering recyclables from non-participants in other recycling programs. The facility is part of the effort to achieve the state-mandated (AB 939) 50% recycling rate.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: This project began in 1992 and was complete in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Ridgehaven Backup Generator Project / S10133

Council District: 6	Priority Score: N/A
Community Plan: Kearny Mesa	Priority Category: N/A
Project Status: Created	Contact Information: Reddy, Chandra
Duration: 2012 - 2012	858-492-6002
Improv Type: New	creddy@sandiego.gov

Description: Installation of Emergency backup generator and associated equipment at Ridgehaven Court facility which will be used as Homeland Security alternate Emergency Operations Center. The Generator is purchased and on site waiting to be installed..

Justification: To serve the requirements of Homeland Security Emergency Operations.

Operating Budget Impact: The operating budget impact is approximately \$10,000 for fuel and maintenance costs.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Installation is scheduled for Fiscal Year 2012.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

West Miramar Landfill - Phase 2 / S00774

Council District: 5	Priority Score: N/A
Community Plan: Non City	Priority Category: N/A
Project Status: Released	Contact Information: Purtee, Ray
Duration: 1996 - 2020	858-573-1208
Improv Type: Betterment	rpurtee@sandiego.gov

Description: This project provides for a landfill gas collection system for the West Miramar Phase II Landfill. Bio-degradation of buried waste produces landfill gas. The landfill gas collection system consists of a network of gas extraction wells connected by piping.

Justification: This improvement is required to maintain compliance with various State and federal regulatory requirements. It will also prevent code violations and enhance public health and safety.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 1996 and will continue through the life of the landfill. The landfill is anticipated to close in Fiscal Year 2019.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Technically completed	Contact Information: Purtee, Ray
Duration: 2003 - 2010	858-573-1208
Improv Type: Betterment	rpurtee@sandiego.gov

Description: This project provides for up to one megawatt of power generation from solar photovoltaic panels located at the South Chollas landfill.

Justification: This project will demonstrate the use of renewable and sustainable energy resources on a brownfield and will reduce the amount of energy consumed from the local utility company at the Chollas Operations Yard.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan, and it is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2003. Construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Groundwater Monitoring Network / AKC00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Purtee, Ray
Duration: 2010 - 2020	858-573-1208
Improv Type: New	rpurtee@sandiego.gov

Description: This annual allocation provides for minor improvements to existing Groundwater Monitoring Networks at all closed and operating landfills managed by the City. Such improvements may include new facilities to monitor groundwater, preparation of reports necessary to modify the groundwater monitoring programs, or potential groundwater mitigation measures.

Justification: This project provides the flexibility necessary to respond to operational issues and possible changes in the Groundwater Monitoring Program required by Title 23, Chapter 15, Article 5 of the California Code of Regulations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis to meet regulatory requirements. Projects scheduled for Fiscal Year 2012 include construction of one groundwater well with an investigational report and procurement and installation of one low flow sampling pump.

Summary of Project Changes: This project was allocated \$270,000 for Fiscal Year 2012.

Minor Improvements to Landfills / AFA00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Thompson, Michael
Duration: 2010 - 2020	858-492-6151
Improv Type: New	mthompson@sanidiego.gov

Description: This annual allocation provides for minor improvements to existing sanitary landfills to comply with operating permits and regulatory requirements. Such improvements may include fencing, access roads, drains, small structures, and environmental protection projects.

Justification: This project provides the flexibility for timely initiation of minor improvements and construction needed to meet operational and solid waste regulatory mandates such as drainage and grading improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis to meet regulatory requirements. Projects scheduled for Fiscal Year 2012 include design and construction of multiple inlet structures and down drains, procurement and installation of 250 feet of rock gabion baskets and rip rap, and minor grading to promote positive drainage.

Summary of Project Changes: Funding has been allocated to this project through Fiscal Year 2016.

Miramar Landfill Greenery Expansion / S00975

Council District: 5	Priority Score: 53
Community Plan: Non City	Priority Category: Low
Project Status: Released	Contact Information: Thompson, Michael
Duration: 2009 - 2013	858-492-6151
Improv Type: Betterment	mthompson@sandiego.gov

Description: This project provides for the expansion of the existing Miramar Greenery currently located at the Miramar Landfill. The expansion of curbside greens collection to additional neighborhoods in the City will increase the tonnage coming into the facility, requiring additional acreage and equipment.

Justification: Expansion of curbside greens collection will increase the diversion of solid waste required by the State of California. A larger facility is required to process the increased tonnage expected as a result of expanded curbside pickup.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: The project will begin in Fiscal Year 2010 and is expected to be completed in Fiscal Year 2013.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Mission Bay Landfill Site / S00780

Council District: 2	Priority Score: N/A
Community Plan: Mission Bay Park	Priority Category: N/A
Project Status: Technically completed	Contact Information: Purtee, Ray
Duration: 2003 - 2010	858-573-1208
Improv Type: Replacement	rpurtee@sandiego.gov

Description: This project involves an assessment which will determine potential impacts the Mission Bay Landfill has on public health and the environment.

Justification: Previous assessment reports for this site were conducted in the 1980s. Newer methodologies and analysis will be used to provide a current assessment of potential impacts. Increased development of this area has resulted in increased public utilization of this landfill area.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Community Plan and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Project Status: Released	Contact Information: Castillo-Corbin, Sylvia
Duration: 2007 - 2014	858-492-5032
Improv Type: New	smcastillo@sandiego.gov

Description: This project provides cover material, grading, drainage, and site improvements at the inactive South Miramar Landfill.

Justification: This project is required in order to maintain compliance with various State and federal regulatory requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design will begin in Fiscal Year 2012 with construction to begin in phases starting in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Castillo-Corbin, Sylvia
Duration: 1995 - 2014	858-492-5032
Improv Type: New	smcastillo@sandiego.gov

Description: This project provides for preliminary assessments and remediation of various burn sites and unclassified disposal sites. These sites have been identified as potential health or environmental risks.

Justification: Assessments are required to determine potential impacts to public health and the environment. Sites that are determined to pose potential hazards must be remediated to prevent any impact.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2011.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Underground Tank Program / AFA00002

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Fergusson, Craig
Duration: 2010 - 2020	858-627-3311
Improv Type: New	cfergusson@sandiego.gov

Description: This project provides for implementation of the Citywide Underground Hazardous Materials Storage Tank Master Plan. The plan addresses the removal, installation, closure, site assessment and mitigation, replacement, testing, and rehabilitation of the 69 City-owned underground storage tanks (USTs). Site assessment and mitigation activities related to 26 unauthorized releases are ongoing to maintain regulatory compliance, eligibility for State reimbursement, protection of groundwater and public health and safety.

Justification: The State Underground Storage of Hazardous Substances Law (Sher Bill AB 1362) and SB989 established guidelines and regulations for the design, installation, rehabilitation, testing and maintenance, and monthly facility inspections by a Designated UST Operator. Non-compliance with UST laws or site assessment and mitigation (SA/M) requirements may make the City ineligible for reimbursement of an estimated \$4.0 million in current and future SA/M costs as well as liable for civil penalties of up to \$25,000 per day per site.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: There are no regulatory mandate-driven projects foreseen in Fiscal Year 2012. Future funding needs will be identified as new regulatory mandates arise.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

West Miramar Landfill Liner Module E / S01075

Council District: 5	Priority Score: N/A
Community Plan: Non City	Priority Category: N/A
Project Status: Technically completed	Contact Information: Thompson, Michael
Duration: 2007 - 2009	858-492-6151
Improv Type: Betterment	mthompson@sandiego.gov

Description: This project provides for continuing development of the West Miramar Landfill, located southwest of Marine Corps Air Station Miramar. The facility will accommodate over 35 million cubic yards of refuse fill on 807 acres. Phase II will develop the second half of the facility, including design and construction of entry roads and drainage systems, excavation, federally-mandated liner systems, and stockpiling and spreading of earthen materials.

Justification: These improvements are required in order to ensure compliance with conditions set forth in the operations permit issued by the California Integrated Waste Management Board and the Regional Water Quality Control Board.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

West Miramar Landfill Public Tipping Area / S00775

Council District: 5	Priority Score: N/A
Community Plan: Non City	Priority Category: N/A
Project Status: Released	Contact Information: Purtee, Ray
Duration: 1996 - 2010	858-573-1208
Improv Type: Betterment	rpurtee@sandiego.gov

Description: This project provides for a convenient site for a public tipping area for the disposal of trash away from the active landfill.

Justification: This improvement will enhance public safety in the active landfill area by segregating public vehicles from heavy equipment operations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Construction of this project was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Project Status: Released	Contact Information: Thompson, Michael
Duration: 1988 - 2021	858-492-6151
Improv Type: Betterment	mthompson@sandiego.gov

Description: This project provides for continuing development of the West Miramar Landfill, located southwest of Marine Corps Air Station Miramar. The facility will accommodate over 35 million cubic yards of refuse on 807 acres. Phase II will develop the second half of the facility, including design and construction of entry roads and drainage systems, excavation, federally-mandated liner systems, and stockpiling and spreading of earthen materials. This project also includes development of the General Development Plan elements for the entire site.

Justification: Improvements are required in order to ensure compliance with conditions set forth by the operations permit issued by the California Integrated Waste Management Board and the Regional Water Quality Control Board.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Engineering design and construction will continue through Fiscal Year 2016 in order to facilitate modular development as additional capacity is required.

Summary of Project Changes: This project was allocated \$300,000 for Fiscal Year 2012.

Description: This project provides for modifications to the existing landfill gas collection system and cover at the Arizona Landfill to enhance operations and maintain regulatory compliance.

Justification: Federal and State waste disposal legislation requires proper environmental safeguards to control landfill gas.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 1995 and will continue through each phase of the project which is scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: This project was allocated \$1.8 million for Fiscal Year 2012.

Description: This project provides for improvements to the Environmental Services Operations Station (ESOS) Yard.

Justification: This project provides for operational yard improvements necessary to support heavy equipment and other upgrades related to yard security, safety and stormwater runoff.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction of the ESOS Manual Wash and Storm Drain Projects, replacement of concrete at the Marindustry Road entrance to the Operations Yard, replacement of heaters in the Motive Equipment Repair Building, and installation of permanent patio canopies occurred Fiscal Year 2004 through 2009.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Future Waste Mgmt Disposal & Processing Facilities / S01088

Council District: Citywide	Priority Score: 92
Community Plan: Citywide	Priority Category: High
Project Status: Released	Contact Information: Castillo-Corbin, Sylvia
Duration: 1989 - 2021	858-492-5032
Improv Type: New	smcastillo@sandiego.gov

Description: This project provides for the development and construction of solid waste disposal and processing facilities. Strategic planning, design, construction, environmental review and potential purchase of mitigation property are all within the scope of the project.

Justification: The City must continue to have adequate disposal or processing facilities for the solid waste it generates each year. Technology to recover and/or convert portions of refuse material is being explored and developed. It appears that there will always be a need for landfilling part of the generated waste stream and residue from other solid waste disposal facilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Ongoing efforts are being made to identify solid waste processing and disposal options; schedule will continue through Fiscal Year 2016.

Summary of Project Changes: This project was allocated \$1.75 million for Fiscal Year 2012.

Fire Station Major Component Replacement Rehab / ABC00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Alex Garcia
Duration: 2010 - 2020	619-533-4640
Improv Type: Replacement - Rehab	agarcia@sandiego.gov

Description: This project provides for the replacement and/or rehabilitation of major structural and construction components in older fire facilities throughout the City. Included are electrical service upgrades, heating, ventilating and air-conditioning (HVAC), roofs, dormitory remodels, kitchen remodels, driveway and parking paving, exterior finishes and miscellaneous renovations. This is one of 12 projects included in the Fire-Rescue Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

Justification: The San Diego Fire-Rescue Department currently maintains 50 fire facilities. Over half of these facilities have been in service for more than 25 years. Many of the major components have exceeded their expected service life and must be replaced. The needs of modern technology and a diversified workforce also require changes in fire facility configuration, HVAC systems distribution and energy capacity.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Fire Station No. 01 - Downtown / S00786

Council District: 2	Priority Score: N/A
Community Plan: Centre City	Priority Category: N/A
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2017	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for the design and construction of modifications to rehabilitate Fire Station 1 which include different floor layouts, new electrical plans, ventilation and exhaust extraction system, new roll up doors, modified asbestos abatement plans to include only portions to be disturbed as part of other improvements, modified mechanical/ventilation system designed for the new configuration, kitchen area remodel and a new accessible restroom. On March 27, 2007, the City Council approved (R-302472 and 302473) a cooperation agreement with the Redevelopment Agency for funding improvements and authorize the expenditure of funds needed to rehabilitate Fire Station 1 in an amount not to exceed \$1.5 million. A more extensive rehabilitation will be required if the station is not replaced.

Justification: This 29-year-old fire station is in need of repair and renovation in order to maintain a safe and livable facility. Many of the major components have exceeded their expected service life. The needs of modern technology and a diversified workforce also require changes in fire facility configuration.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: This project was redesigned and construction started in Fiscal Year 2010. The remodeling (phase 1) is complete. Phase 2 consists of reconstruction of the portion of the station that was not remodeled. Schedule for phase 2 will be established when funding is identified.

Summary of Project Changes: Modified/Reduced remodel scope has been completed for Phase 1 and unidentified funds still needed for a full phase 2 remodel unless a new fire station is constructed as part of new Civic Center.

Fire Station No. 05 - Hillcrest / S00788

Council District: 3	Priority Score: 80
Community Plan: Uptown	Priority Category: Medium
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2014	619-533-4640
Improv Type: New	agarcia@sandiego.gov

Description: This project provides for an approximate 10,500 square foot fire station located at 3902 9th Avenue. The existing fire station will be demolished and replaced by a new, modern fire station. This station will house a crew of eight and one Battalion Chief. It will accommodate one engine, one aerial truck, and one Battalion Chief vehicle. This is one of 12 projects included in the Fire-Rescue Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

Justification: The current station is 48 years old. The water and sewer service to the existing station is deteriorating and requires immediate repairs. The station is too small to accommodate a new style fire engine and the larger type of aerial ladder truck. The current station is inadequate to serve future population growth.

Operating Budget Impact: Once built, the operation of the Hillcrest Fire Station will require additional positions estimated at \$1,777,898 per year. The square footage increase of this fire station will also result in increased maintenance costs estimated at \$5,000 annually.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and is to be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013 and to be completed in Fiscal Year 2014, pending receipt of construction funding.

Summary of Project Changes: No change to this project for Fiscal Year 2012

Project Status: Created	Contact Information: Garcia, Alex
Duration: 2010 - 2020	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project provides for the design and construction of the facility's living quarters, which currently does not provide the full functionality of the fire station requirements.

Justification: The current facility does not provide sufficient space to allow full functions in the living quarters. This station is located at 3974 Goldfinch Street and it serves Mission Hills and surrounding areas and is consistent with City Council Policy to provide 5 minute response times to all residential areas.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: The Phase I of the project was completed in Fiscal Year 2010. Phase II of the project is scheduled to be completed by 2020 pending unidentified funds.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Abella-Shon, Michelle
Duration: 2005 - 2013	858-573-1362
Improv Type: Betterment	mshon@sandiego.gov

Description: This project provides for the remodeling of Fire Station 10. This station is located at 4605 62nd Street and serves San Diego State University and surrounding ares.

Justification: This facility is sub-stadard and inadequate to accomodate staff and equipment and to serve the community efficiently. The last section to be remodeled will be the Battalion Chief Quarters and restroom areas.

Operating Budget Impact: Current operating budget has funds needed to support this project.

Relationship to General and Community Plans: This project is consistent with the College Area Community Plan and is in conformance with the City's General Plan.

Schedule: Project is scheduled to be completed in Fiscal Year 2013.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Fire Station No. 17 - Mid-City / S00783

Council District: 3	Priority Score: 80
Community Plan: City Heights (Mid-City)	Priority Category: Medium
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2015	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for reconstructing the 50-year-old fire station at 4206 Chamoune Avenue in the Mid-City area. The station will accommodate up to ten personnel, two fire apparatus' and one paramedic unit. This is one of 12 projects included in the Fire Rescue Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

Justification: Fire Station 17 is the sixth busiest engine company in the United States and is currently in a state of deterioration. Reconstruction of Fire Station 17 will allow for assignment of one additional fire crew to divide emergency response between two units.

Operating Budget Impact: The square footage increase of this fire station will result in increased maintenance cost of \$5,000. The cost of one additional fire engine is included in the project cost estimate. Also, the cost of one crew estimated at \$1,777,860 annually will need to be included as an operating impact. However, due to the lack of funding for this project, an operational date for the new truck and crew cannot be determined at this time.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: The project is scheduled to complete design in Fiscal Year 2013. Construction will be scheduled when funding is identified.

Summary of Project Changes: Deferred Capital funds were approved in Fiscal Year 2011 for design of this project. Funding for the construction of this project is contingent upon future bond financing. The project cost and schedule will be revised when funding is identified for construction.

Fire Station No. 22 - Point Loma / S00787

Council District: 2	Priority Score: 81
Community Plan: Peninsula	Priority Category: High
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2015	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for the demolition of existing and reconstruction of a new station located at 1055 Catalina Boulevard in Point Loma. This is one of 12 projects included in the Fire Rescue Services Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

Justification: The existing fire station was built in the early 1940's and is now too small to accommodate new fire engines. Many of the major components have exceeded their expected service life. The needs of modern technology and a diversified workforce also require changes in fire facility configuration.

Operating Budget Impact: The square footage increase of this fire station will result in increased maintenance costs estimated at \$5,000 annually. Operation and maintenance funding for this project is included in the Department budget. Due to the lack of construction funding for this project, an estimated operational date cannot be determined.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: The project design is scheduled to be completed in Fiscal Year 2013. Construction will be scheduled upon allocation of funding.

Summary of Project Changes: It is anticipated that bond financing will be added to this project in Fiscal Year 2012. This amount is currently reflected as unidentified funding.

Fire Station No. 33 - Rancho Bernardo / S00789

Council District: 5	Priority Score: N/A
Community Plan: Rancho Bernardo	Priority Category: N/A
Project Status: Technically completed	Contact Information: Garcia, Alex
Duration: 2009 - 2011	619-533-4640
Improv Type: New	agarcia@sandiego.gov

Description: This station is located at 16966 Bernardo Center Drive at Rancho Bernardo Road. It serves the Rancho Bernardo and adjacent community areas. This project brought a major restructuring of an existing aging facility and was successfully completed during Fiscal Year 2010.

Justification: The existing facility was old and inadequate to accommodate staff and equipment and to serve the community efficiently.

Operating Budget Impact: Project enhancements will result in increased maintenance cost estimated at \$5,000 annually. Funds have been identified within the existing budget

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Fire Station enhancements were completed during Fiscal Year 2010. This project will remain open through Fiscal Year 2012 to fulfill potential warranty obligations.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Fire Station No. 38 - Mira Mesa Remodel / S10006

Council District: 1	Priority Score: 81
Community Plan: Mira Mesa	Priority Category: High
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2010 - 2015	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project provides for design and construction of approximately 500 square feet to expand the existing fire station to accommodate Emergency Medical Services (EMS) staff living quarters and increased operational needs

Justification: The existing facility does not accomodate staff adequately. This project will provide for the housing of two medics, who are currently housed in a rented trailer/modular building.

Operating Budget Impact: There is no anticipated impact on operating budget

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to be completed in Fiscal Year 2012 and construction is schedule for Fiscal Year 2013.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Fire Station No. 42 - Carmel Mountain Ranch / S00782

Council District: 5	Priority Score: 81
Community Plan: Carmel Mountain Ranch	Priority Category: High
Project Status: Released	Contact Information: Abella-Shon, Michelle
Duration: 1986 - 2014	858-573-1362
Improv Type: Betterment	mshon@sandiego.gov

Description: This project is for Fire Station 42 located in Carmel Mountain Ranch Community and serves both Carmel Mountain Ranch and Sabre Springs. It was constructed in 1988 and the construction materials used for the exterior of the fire station require replacement.

Justification: The original construction materials used for station siding is an inferior product and the exterior of the station has worn down compromising the structure of the building.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Carmel Mountain Community Plan and is in conformance with the City's General Plan.

Schedule: Construction of the station was completed during Fiscal Year 1988. Repair of the siding is scheduled to begin in Fiscal Year 2012 and is anticipated to be completed in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Fire Station No. 45 - East Mission Valley / S00688

Council District: 6	Priority Score: 92
Community Plan: Mission Valley	Priority Category: High
Project Status: Released	Contact Information: Garcia, Alex
Duration: 1994 - 2012	619-533-4640
Improv Type: New	agarcia@sandiego.gov

Description: This project provides for an updated fire station in Mission Valley. The station will accommodate up to 17 personnel, two engines, one aerial truck, two hazardous material apparatus, one paramedic ambulance, and one Battalion Chief vehicle. This is one of 12 projects included in the Fire Rescue Facility Improvement Program approved by the Mayor and City Council on February 27, 2001 per Council Resolution R-294609 and amended by the Mayor and City Council on April 16, 2002 per Council Ordinance O-19054.

Justification: A fire station is needed to serve the Mission Valley community. This project is consistent with City Council policy to meet response time guidelines.

Operating Budget Impact: Staffing and maintenance costs for the temporary facility are reflected in the Fire-Rescue Department's Fiscal Year 2012 Adopted Budget. The operation of the permanent facility will require additional positions equivalent to \$1,777,898 per year if the facility is fully staffed in Fiscal Year 2014. Non-personnel costs to operate a new station are approximately \$300,000. These funds will need to be added permanently to the Fire-Rescue budget after the project is complete.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan; however, the Mission Valley Community Plan does not currently provide for this project. An amendment to the Community Plan may be required prior to implementation of this project.

Schedule: Design is scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin when the remainder of funding is identified. A temporary facility for one engine company is located in the QUAL-COMM Stadium parking lot. The construction schedule for the permanent facility will be revised when additional funding is identified.

Summary of Project Changes: This project will receive an additional \$3 million in Fiscal Year 2012 from Development Impact Fees (DIF) made available via the Mission Valley Public Facilities Financing Plan. The revenue source for the remainder of construction of the permanent facility is unidentified, contingent upon future bond financing.

Fire Station No. 47 - Pacific Highlands Ranch / S00689

Council District: 1	Priority Score: 81
Community Plan: Pacific Highlands Ranch	Priority Category: High
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2005 - 2011	619-533-4640
Improv Type: New	agarcia@sandiego.gov

Description: This project provides for a 10,500 square foot fire station to serve the Pacific Highlands Ranch community. This station has an engine and an aerial ladder truck. The project budget and funding reflect the Pacific Highlands Ranch Public Facilities Financing Plan for Fiscal Year 2006 as approved by the Mayor and City Council on December 7, 2004, per Resolution R-299980.

Justification: This is the second of three fire stations providing fire protection and emergency medical response in accordance with the requirements of the North City Planned Urbanizing Area.

Operating Budget Impact: The operation of Fire Station 47 requires additional positions to staff the station equivalent to \$1,790,743 for the first year of operation and every year thereafter. These funds will need to be added permanently to the Fire-Rescue budget. Non-personnel costs to operate a new station are approximately \$300,000 and have been identified within the Department's operating budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Construction of Fire Station 47 was completed in Fiscal Year 2010. Project will remain open until the developer is fully reimbursed which is expected to happen during Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Fire Station No. 49 - Otay Mesa / S00784

Council District: 8	Priority Score: 81
Community Plan: Otay Mesa - Nestor, Otay Mesa	Priority Category: High
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2002 - 2011	619-533-4640
Improv Type: New	agarcia@sandiego.gov

Description: This project provides for an approximate 11,000 square foot double-house fire station to serve the Otay Mesa and Otay Mesa/Nestor Communities. The fire station will be located across the intersection of Ocean View Hills Parkway and Sea Fire Point. and will serve the community in addition to Fire Station 6 located at 693 Twining Avenue. The fire station or facility will accommodate two fire apparatus and a paramedic ambulance.

Justification: A second fire station is needed to serve the Otay Mesa Community and is consistent with City Council policy to provide five minute response times to all residential areas. Funding is included in the Otay Mesa Public Facilities Financing Plan.

Operating Budget Impact: The operation of the Otay Mesa/Nestor Communities Fire Station will require additional positions equivalent to \$1,777,898 beginning in the first year of operation. Non-personnel costs to operate a new station are approximately \$300,000. These funds will need to be added permanently to the Fire-Rescue budget after the project is complete. Additionally, the one-time cost of one fire truck is included in the operating expenses shown below.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa and Otay Mesa/Nestor Community Plans and is in conformance with the City's General Plan.

Schedule: Land acquisition is in progress. Design, construction and acquisition of furnishings and apparatus will be scheduled to begin based on development activity.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Fire Station No. 54 - Paradise Hills / S00785

Council District: 4	Priority Score: 81
Community Plan: Skyline - Paradise Hills	Priority Category: High
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2010 - 2015	619-533-4640
Improv Type: New	agarcia@sandiego.gov

Description: This project provides for a new station in the Paradise Hills area to serve the Paradise Hills/Skyline area of San Diego. The site for this project has not been identified.

Justification: This station is needed to serve the Paradise Hills/Skyline community and is consistent with City Council policy to provide five-minute response times to all residential areas.

Operating Budget Impact: The operation of the Paradise Hills/Skyline Station will require additional positions equivalent to \$3,555,796 starting in Fiscal Year 2015 for the first year of operation. Also a new Truck as well as a new apparatus will need to be purchased in FY2015 for a total of \$2,150,000. Non-personnel costs to operate a new double-house station are approximately \$600,000.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction will be scheduled when funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Fire Station No.32 - Skyline North / S00687

Council District: 4	Priority Score: 81
Community Plan: Skyline - Paradise Hills	Priority Category: High
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2002 - 2013	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project provides for an additional station to be located at 7180 Skyline Drive to better serve the growing community of Skyline/Paradise Hills. This is one of 12 projects included in the Fire Rescue Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054. Designation for this fire station will be issued upon completion of the project.

Justification: An additional fire station is needed in this area to meet response time guidelines in this growing community.

Operating Budget Impact: Once built, the operation of the Skyline North Fire Station will require additional positions equivalent to \$1,777,898 per year. Non-personnel costs to operate a new station are approximately \$300,000. These funds will need to be added permanently to the Fire-Rescue budget after the project is complete.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2010. Underground tank assessment is scheduled to be completed in Fiscal Year 2012. The project is currently on hold and the schedule will be revised when funding is identified.

Summary of Project Changes: The project received \$95,000 in bond funding to complete an underground tank assessment.

SDFD Station Alerting / L12002

Council District: Citywide	Priority Score: 79
Community Plan: Citywide	Priority Category: Medium
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2012 - 2014	619-533-3712
Improv Type: New	mnassar@sandiego.gov

Description: This project will provide for the replacement of the Fire In-Station Alerting System at fire stations Citywide. The current alerting system technology is 21 years old and is no longer in service forcing the department to rely upon a back-up system.

Justification: The current in-station alerting system is 21 year old and no longer in service.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Replacement of the system Citywide is estimated to begin in Fiscal Year 2012 and to be completed in Fiscal Year 2014 pending allocation of remaining funding.

Summary of Project Changes: This is a new project for Fiscal Year 2012 with an initial project budget of \$1.7 million.

Children's Pool Lifeguard Station / S00644

Council District: 1	Priority Score: 93
Community Plan: La Jolla	Priority Category: High
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2000 - 2015	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for a new lifeguard station and family restroom at the Children's Pool in La Jolla. This is one of ten lifeguard projects included in the Fire-Rescue Facility Improvement Program approved by the City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

Justification: The existing Lifeguard Tower structure has been condemned and does not meet the current or future needs of Lifeguard Services. The existing facility does not provide adequate safety to the employees, and can no longer keep up with the growing community of La Jolla and the larger number of visitors every year. The scope of this project is also to remodel the existing public restrooms facilities.

Operating Budget Impact: Personnel expenses are expected to increase by approximately \$161,000 during construction only. Maintenance costs for the new facility are expected to increase by approximately \$5,000 annually due to the increased square footage of the new facility.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Conceptual design is completed and approved. Building contract documents are currently in progress. A design-build contract is scheduled to be issued in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013 and to be completed in Fiscal Year 2015.

Summary of Project Changes: City staff is working on contract documents for building construction.

La Jolla Cove Lifeguard Station / S00792

Council District: 1	Priority Score: 93
Community Plan: La Jolla	Priority Category: High
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2014	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for the La Jolla Cove Lifeguard Station, located at 1100 Coast Boulevard, which will be a year-round facility replacing the current station. The structure will include an observation tower, first aid room, and locker room/restroom areas for males and females. This project will also provide for an accessible ramp for the mid-landing. This is one of ten lifeguard projects included in the Fire Rescue Facility Improvement Program approved by the City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

Justification: The existing facility consists of a station constructed in the 1950s and an observation tower added in 1980. It is inadequate to accommodate staff or provide adequate water safety protection.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities and on-going maintenance are estimated to increase by approximately \$5,000 per year due to an expanded facility area.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design is currently in progress and scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2012 and anticipated to be completed in Fiscal Year 2014, contingent upon identification of funding.

Summary of Project Changes: Funding for the construction of this project is contingent upon future bond financing. The project cost and schedule will be revised when funding is identified for construction.

Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2012	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for the La Jolla Shores Lifeguard Station located at 8100 Camino del Oro, which will be a year-round facility replacing the current station. The structure will include an observation tower, first aid room, reception area, kitchen, locker room/restroom areas for males and females, and a separate facility for rescue vehicles and emergency equipment. This is one of ten lifeguard projects included in the Fire-Rescue and Life Safety Services Facility Improvement Program approved by the Mayor and City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

Justification: The existing facility was built in 1981 and is inadequate to accommodate current and future staff and to allow for adequate water safety protection to the public.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities and on-going maintenance are estimated to increase by approximately \$5,000 annually due to increased footage in the new facility.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Final design was completed during Fiscal Year 2010. Construction began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Lifeguard Station Headquarters / S00794

Council District: 2	Priority Score: N/A
Community Plan: Mission Bay Park	Priority Category: N/A
Project Status: Technically completed	Contact Information: Garcia, Alex
Duration: 2009 - 2015	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for construction of the Lifeguard Headquarters located at 2581 Quivira Court. The replacement facility will house lifeguards, mechanics, 24-hour, administrative, and training staff, and will provide an operation yard and storage for the rescue fleet. Construction of this lifeguard facility will occur in two phases. Phase I to replace the emergency dock has been completed. This is one of ten lifeguard projects included in the Fire Rescue Facility Improvement Program approved by the City Council on April 16, 2002, per Council Resolution R-296359 and Ordinance O-19054.

Justification: The existing facility was constructed in 1956 and is inadequate to accommodate staff and equipment. Many of the major components have exceeded their expected service life. The needs of modern technology and a diversified workforce also require changes in fire facility configuration.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities and on-going maintenance are estimated to increase by approximately \$8,000.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design and construction of the Lifeguard Headquarters facility has been deferred due to lack of funds.

Summary of Project Changes: The revenue source for the completion of this project is unidentified contingent upon future bond financing. The Lifeguard Headquarters cost and schedule will be revised when funding is identified.

Project Status: Technically completed	Contact Information: Garcia, Alex
Duration: 1998 - 2014	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for the design of a permanent lifeguard tower; restroom and changing room facility; demolition of the existing structure and construction of replacement facilities at the foot of Grand Avenue in Pacific Beach. This project has been consolidated with the South Pacific Beach Lifeguard Station. This is one of ten lifeguard projects included in the Fire Rescue Facility Improvement Project approved by the Mayor and City Council on April 16, 2002 per Council Resolution R-296359 and Ordinance O-19054.

Justification: These facilities which were constructed in 1968 are deteriorated, undersized, and do not meet the requirements under the Americans with Disabilities Act (ADA). The new facilities include new public restrooms to address beach goers needs and ADA access.

Operating Budget Impact: Personnel expenses are not expected to increase. Non-personnel expenses for utilities or on-going maintenance are estimated to increase by approximately \$5,000 annually due to increased square footage. These funds have been identified within the existing budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan and is in conformance with the City's General Plan.

Schedule: Construction was completed in Fiscal Year 2008.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2015	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for remodeling the existing Mission Beach Station located at 3141 Oceanfront Walk. This is one of ten lifeguard projects included in the Fire-Rescue Facility Improvement Program approved by the Mayor and City Council on April 16, 2002 per Council Resolution R-296359 and Ordinance O-19054.

Justification: The existing facility consists of a station constructed in 1974 and does not accommodate changing workforce demographics. This is the beach that historically gets the highest attendance within the City of San Diego and a remodeling is necessary to accommodate the large and growing community.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities or on-going maintenance are estimated to increase by approximately \$5,000 annually due to new and expanded facilities

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: Design is in progress and to be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2012 and be completed during Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Community Plan: Pacific Beach	Priority Category: High
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2011 - 2016	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for the North Pacific Beach Lifeguard Station located at the foot of Chalcidony Street, which will be a year-round facility replacing the current seasonal station. The structure will include an observation tower, first aid room, reception area, kitchen, locker room/restroom areas for males and females, and a garage for rescue vehicles and emergency equipment.

Justification: Lifeguards are currently operating from a seasonal tower structure supported by a container-type of facility where medical aids and other daily activities like food preparation take place back to back. The existing facilities do not provide restrooms for staff. North Pacific Beach has become a highly frequented beach over the years and new facilities will benefit both the public and the employees.

Operating Budget Impact: Added maintenance costs for this facility are estimated at \$8,000 per year.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan and is in conformance with the City's General Plan

Schedule: Design is scheduled to begin in Fiscal Year 2012. Construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Ocean Beach Lifeguard Station / S10121

Council District: 2	Priority Score: 79
Community Plan: Ocean Beach	Priority Category: Medium
Project Status: Created	Contact Information: Garcia, Alex
Duration: 2011 - 2015	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for the Ocean Beach Station located at 1950 Abbott Street. This will be a year-round facility replacing the current station. The structure will include an observation tower, first aid room, reception area, kitchen, locker room/restroom areas for males and females, and a garage for rescue vehicles and emergency equipment.

Justification: The existing facility consists of a station constructed in 1980. Since that time, the beach has become a very popular area for swimming and surfing. The existing station is inadequate to accommodate staff and equipment.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and is in conformance with the City's General Plan

Schedule: Project is temporarily on hold. A revised design and construction schedule will be determined once funding is identified.

Summary of Project Changes: Funding for design was identified, however, in Fiscal Year 2011, City Council approved the transfer of funds from this project to the North Pacific Beach Lifeguard Station (S10119), which is a higher priority project.

South Mission Beach Lifeguard Station / S00791

Council District: 2	Priority Score: 81
Community Plan: Mission Beach	Priority Category: High
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2015	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: The project provides for the South Mission Beach Station located at 700 North Jetty Road, which will be a year-round facility replacing the current station. The new structure will include an observation tower, first aid room, reception area, kitchen, locker room and restroom areas for males and females, and a rescue vehicle and emergency equipment facility. This is one of ten lifeguard projects included in the Fire-Rescue Facility Improvement Program approved by the Mayor and City Council on April 16, 2002 per Council Resolution R-296359 and Ordinance O-19054.

Justification: The existing facility was constructed in 1974 and was intended to be a temporary lifeguard station. It is inadequate to accommodate staff or to provide adequate water safety protection.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities and on-going maintenance are estimated to increase by approximately \$5,000 annually due to increased area in the new facility.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to be completed in Fiscal Year 2012. Construction will be scheduled once funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Unfunded Needs List

Project	Project Total	Unidentified Funding	Percent Unfunded	Description
Bldg - Pub Safety - Fire Fac / Struct				
Fire Station No. 01 - Downtown / S00786	6,317,116	5,800,000	91.8%	This project provides for asbestos removal, dormitory remodel and a new exhaust extraction system at the fire station located at 1222 First Avenue in Downtown. The total estimated project cost of \$6.3 million includes an unfunded amount of \$5.8 million that would be used for reconstruction.
Fire Station No. 05 - Hillcrest / S00788	9,070,000	8,178,077	90.2%	This project provides for an approximate 10,500 square foot fire station located at 3902 9th Avenue. The existing fire station will be demolished and replaced by a new, modern fire station. Construction funding for this project has not yet been identified.
Fire Station No. 08 - Mission Hills / S10029	183,500	120,000	65.4%	This project provides for the design and construction of the facility's living quarters, which currently does not provide the full functionality of the fire station requirements. Future phases are currently unfunded.
Fire Station No. 17 - Mid-City / S00783	8,720,000	7,936,376	91.0%	This project provides for reconstructing the 50-year-old fire station at 4206 Chamoune Avenue in the Mid-City area. Construction funding for this project has not yet been identified.
Fire Station No. 22 - Point Loma / S00787	5,638,000	4,679,839	83.0%	This project provides for the reconstruction of Fire Station 22, located at 1055 Catalina Boulevard in Point Loma. Construction funding for this project has not been identified.
Fire Station No. 45 - East Mission Valley / S00688	12,016,400	4,877,708	40.6%	This project provides for a new fire station in Mission Valley. The station will accommodate up to 17 personnel, two engines, one aerial truck, two hazardous material apparatus, one paramedic ambulance, and one Battalion Chief vehicle. Construction phase is currently unfunded.
Fire Station No. 54 - Paradise Hills / S00785	10,295,000	10,211,065	99.2%	This project provides for a new station in the Paradise Hills area to serve the Paradise Hills/Skyline area of San Diego. Design and construction phases are currently unfunded.
Fire Station No.32 - Skyline North / S00687	9,123,325	8,162,149	89.5%	This project provides for a new station, in addition to the existing Fire Station 32 located at 484 Briarwood Road, to better serve the growing community of Skyline/Paradise Hills. Design and construction phases are currently unfunded.
SDFD Station Alerting / L12002	3,400,000	1,700,000	50.0%	This project will provide for the replacement of the Fire In-Station Alerting System at fire stations Citywide. Total project cost is estimated to be \$3.4 million.
Total - Bldg - Pub Safety - Fire Fac / Struct		51,665,214		
Bldg - Pub Safety - Fire Fac/Struct				
Fire-Rescue Air Operations Facility / F12000	12,434,956	12,434,956	100.0%	This project provides for the program, design and construction of approximately 12,000 sq ft of aircraft hangar to house three helicopters, four helicopter parking areas and approximately 6,000 sq ft of office and living spaces to accommodate one battalion chief, two captains, two pilots (Fire Captains) and four Fire Fighters. This project is currently unfunded.

Balboa Branch Library / S00808

Council District: 6	Priority Score: 62
Community Plan: Clairemont Mesa	Priority Category: Low
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2010 - 2015	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project provides for a new 15,000 square-foot branch library on the current site to replace the existing facility at 4255 Mount Abernathy. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing undersized facility has no meeting room, computer lab, nor adequate seating to provide adequate library services to the community.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council. The non-personnel expense increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Schematic design began in Fiscal Year 2003 and will continue through Fiscal Year 2011. Construction is estimated to begin when funding is identified. The estimated cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding becomes available.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Description: This project provides the needed upgrades and Americans with Disabilities Act (ADA) improvements to the curb ramps, entrance ramps, entry doors and access from the parking lot.

Justification: These improvements are necessary to comply with ADA accessibility to the libraries.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Library Department budget.

Relationship to General and Community Plans: This project is consistent with Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: ADA improvements were completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

College Heights Branch Library / S00797

Council District: 7	Priority Score: 66
Community Plan: College Area	Priority Category: Medium
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 1997 - 2012	619-533-5328
Improv Type: Betterment	cmeinhardt@sanidiego.gov

Description: This project provides for a 15,000 square-foot library on property acquired in the College Area at the corner of Reservoir Drive and Montezuma Street, to serve the College and Rolando communities. This project is part of the Mayor's 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing library is too small with no meeting room or computer lab to adequately serve the current and projected needs of the community.

Operating Budget Impact: None. Operation and Maintenance funding for this facility was previously included in the Library budget.

Relationship to General and Community Plans: This project is consistent with the College Area Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition took place in Fiscal Year 1999. Design began in Fiscal Year 1999 and was completed in Fiscal Year 2004. Construction began in Fiscal Year 2004 and was completed in Fiscal Year 2005.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Kensington/Normal Heights Library / S00795

Council District: 3	Priority Score: 49
Community Plan: Kensington - Talmadge (Mid-City)	Priority Category: Low
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2004 - 2017	619-533-5328
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for a 2,000 square-foot expansion of the existing building at 4121 Adams Avenue. This project will benefit the Kensington/Normal Heights residents.

Justification: The Kensington/Normal Heights Branch Library is the smallest branch in the Library System. The community has expressed a desire for the library to remain at the same location.

Operating Budget Impact: The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Relationship to General and Community Plans: This project is consistent with the Kensington-Talmadge (Mid-City) Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design and site studies were performed in Fiscal Years 2002 through 2005. The estimated cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Library Collection Conversion to RFID / S12000

Council District:	Citywide	Priority Score:	46
Community Plan:	Citywide	Priority Category:	Low
Project Status:	Created	Contact Information:	Ruark, Brian
Duration:	2012 - 2016		619-236-5808
Improv Type:	Replacement - Rehab		bruark@sandiego.gov

Description: Library collection conversion to RFID (Radio Frequency Identification).

Justification: All Library materials that are checked out to the public are currently labeled with Barcodes. RFID technology offers enhanced security, ergonomic benefits, and lends itself better to automation and self service in libraries; all critical considerations for the Library. Barcodes were once the industry standard for labeling items, however increasingly libraries are adding RFID tags/signals. Increased efficiency and better customer service are primary reasons for adopting RFID technology. RFID increases the speed of circulation as multiple items can be checked out/checked in simultaneously, rather than one by one as in barcode technology. Hand-held RFID readers can also assist staff in the stacks allowing for faster processing of holds, weeding the collection, and performing materials inventory tasks. RFID technology coupled with materials handling systems enhances the speed with which items are back on the shelf and available for check-out.

Operating Budget Impact: None.

Relationship to General and Community Plans: N/A

Schedule: There are no design and construction schedules associated with this project. Phase 1 will involve conversion of the Central Library and Centralized Services, and is anticipated to be completed in Fiscal Year 2012. Phase 2 will involve the conversion of the Branch Library collection, and is scheduled to begin in Fiscal Year 2013 for completion in Fiscal Year 2016.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Logan Heights Branch Library / S00807

Council District: 8	Priority Score: N/A
Community Plan: Southeastern San Diego	Priority Category: N/A
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2010 - 2011	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project provides for a new 25,000 square-foot library at 28th Street and Ocean View Boulevard to serve the Logan Heights Community between the elementary school and the Memorial Charter Middle School. This project was awarded a grant under the State Library Bond Act.

Justification: The Logan Heights Branch Library, located at 811 South 28th Street in the heart of Logan Heights, was built in 1927 and serves a community of 28,883. The 3,967 square foot building has no meeting rooms or a computer lab for its residents and work spaces for staff are very constrained. Updating the existing telecommunications infrastructure is not feasible in the existing facility due to its age and inadequate size. In addition, there is no on-site parking.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Library Department budget.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Project was initiated in Fiscal Year 2001. Design started in Fiscal Year 2002 and was completed in Fiscal Year 2007. Phase I construction started in Fiscal Year 2005 and was completed in Fiscal Year 2006. Phase II construction started in Fiscal Year 2007 and was completed in Fiscal Year 2009.

Summary of Project Changes: No significant change has been made to this project for this fiscal year. This project is complete and will be closed by the end of the fiscal year.

Mission Hills Branch Library / S00804

Council District: 3	Priority Score: 62
Community Plan: Uptown	Priority Category: Low
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2017	619-533-4640
Improv Type: Replacement	agarcia@sanidiego.gov

Description: This project provides for a 15,000 square-foot library at a site adjacent to the Florence Elementary School, on a block bounded by Front Street, Washington Street, Albatross Street and University Avenue. This project will serve the Mission Hills and Hillcrest neighborhoods and is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing facility has no meeting room, computer lab, nor adequate seating and collection space to provide adequate library services to the community.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council (R-296900). The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Relationship to General and Community Plans: The project is consistent with the Uptown Community Plan for promoting a high level of library services, but will require a technical amendment to re-designate the site from Commercial-Mixed use to Institutional-Library. This will be included during the Uptown Community Plan Update process.

Schedule: Preliminary studies and design concepts began in Fiscal Year 2001. Land acquisition was completed in Fiscal Year 2004 and design work began in Fiscal Year 2006. The estimated cost and schedule for this project was developed in Fiscal Year 2003 and will be revised when funding is identified.

Summary of Project Changes: Project Description was updated to reflect a 20,000 square foot building based upon private donation requirements and community input.

Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2008 - 2012	619-533-5328
Improv Type: New	adarvishi@sandiego.gov

Description: This project provides the needed upgrades and Americans with Disabilities Act (ADA) improvements to the curb ramps, entrances, door replacements and the access route from the parking lot to ensure accessibility.

Justification: These improvements are necessary to comply with ADA accessibility to the libraries.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Library Department budget.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: The design began in Fiscal Year 2008 and construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Project Status: Technically completed	Contact Information: Darvishi, Ali
Duration: 2011 - 2015	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project provides for a new 25,000 square-foot library to replace the existing facility at 3795 31st Street. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing facility has no meeting room, computer lab, nor adequate seating and collection space to provide adequate library services to the community.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council. The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary studies and meetings with the community were completed in Fiscal Year 2004. A Request for Proposal process was completed in Fiscal Year 2005, but did not result in a redevelopment agreement. The estimated cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding is identified.

Summary of Project Changes: This project will be closed by the end of the fiscal year and merged with stand alone project S00798, North Park Library.

Description: This project provides for a site feasibility study, land acquisition, planning, design, and construction for a new 25,000 square-foot library to replace the existing facility at 3795 31st Street. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing facility does not have a computer lab or additional seating, a collection space would enhance service to the community.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet standards set in the Branch Libraries Facilities Report approved by City Council. The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary studies and community meetings were completed in Fiscal Year 2004. This project is currently on hold as it is awaiting to be merged with S00809 - North Park Library.

Summary of Project Changes: This project will be merged with S00809 - North Park Library, for Fiscal Year 2012. The transfer of funds will be requested via Council Action.

Project Status: Technically completed	Contact Information: Garcia, Alex
Duration: 2000 - 2012	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: This project provides for a 15,000 square-foot library on a City-owned park site at Nobel Drive and Judicial Drive to serve the community in North University City. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The closest library is the South University Community Library which is only 10,000 square feet and lacks a computer lab, additional seating and sufficient parking to serve the community with a population of over 50,000.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design began in Fiscal Year 2001. Design began in Fiscal Year 2002. Construction began in Fiscal Year 2006 and was completed in Fiscal Year 2007.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Ocean Beach Branch Library / S00806

Council District: 2	Priority Score: 62
Community Plan: Ocean Beach	Priority Category: Low
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2009 - 2017	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project provides for a 15,000 square-foot library using the current site and adjacent property to serve the Ocean Beach community. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing facility was originally built in 1927 and has no meeting room, computer lab, nor adequate seating and collection space to provide adequate library services to the community.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council (R-296900). The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary studies and design concepts began in Fiscal Year 2001. Property acquisition and design were completed in Fiscal Year 2005. Revision of the design documents is in progress. \$75,000 of Development Impact Funds were added in Fiscal Year 2010. The estimated cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding is identified.

Summary of Project Changes: No significant change has been made to this project for this Fiscal Year.

Otay East Library / S10025

Council District: 8	Priority Score: 39
Community Plan: Otay Mesa	Priority Category: Low
Project Status: Created	Contact Information: Meinhardt, Cynthia
Duration: 2010 - 2020	619-533-5328
Improv Type: New	cmeinhardt@sandiego.gov

Description: This project provides for a 15,000 square foot branch library on a three acre site to serve the Otay Mesa/East Community.

Justification: This project will provide branch library service to the Otay Mesa/East Community for future development and population.

Operating Budget Impact: The personnel operating budget impact is based on the increase in staffing necessary to bring the staffing level up to the standard set in the Branch Facilities Report approved by Council. The non-personnel operating budget impact is based on an average amount per increased square footage necessary to fund ongoing maintenance and contractual services required to operate the facility.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: The project schedule is contingent upon the rate of development and receipt of Facilities Benefit Assessment Fees.

Summary of Project Changes: No significant change has been made to this project from Fiscal Year 2012.

Otay Mesa/Nestor Branch Library Expansion / S00691

Council District: 8	Priority Score: 70
Community Plan: Otay Mesa, Otay Mesa - Nestor	Priority Category: Medium
Project Status: Technically completed	Contact Information: Garcia, Alex
Duration: 1999 - 2008	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project provides for a 5,000 square-foot expansion to the existing 10,000 square-foot branch library, located at 3003 Coronado Avenue to provide more space to serve this growing community. This project also provides for improvements to the existing facility including replacement of the roof.

Justification: The Otay Mesa/East Branch Library expansion of the existing facility will minimize impacts on the neighboring community facilities and provide initial service to Otay Mesa/East community.

Operating Budget Impact: Operation and maintenance funding costs for this project is already included in the Library Department budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa and Otay Mesa/Nestor Community Plans and is in conformance with the City's General Plan.

Schedule: Project construction was completed in Fiscal Year 2008.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2009 - 2017	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project provides for the acquisition of a lot adjoining the existing branch library located at 7265 Jackson Drive and building a new 25,000 square-foot library. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing library is too small to provide adequate library services. It does not have a computer lab and the meeting room, public seating and collection space is too small.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council (R-301061/R-2006-516). The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design began in Fiscal Year 2004 and design continues throughout Fiscal Year 2012. The cost estimate and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding is identified.

Summary of Project Changes: The schedule was updated to reflect the continuing design phase.

San Diego New Central Library / S00799

Council District: 2	Priority Score: N/A
Community Plan: Centre City	Priority Category: N/A
Project Status: Released	Contact Information: Meinhardt, Cynthia
Duration: 1996 - 2014	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for the design and construction of a new Central Library of approximately 500,000 square feet, with approximately 250 underground parking spaces dedicated to library patrons. It will be large enough to accommodate library needs for 20 years and contain expansion space to accommodate growth for an additional 30 years. The expansion space will be leased for 40 years by San Diego Unified School District for a Charter High School. The lobby will be open to the courtyard, which will contain an outdoor café, and there will be a 350-seat auditorium adjacent to the lobby. The top floor will house special collections and provide public amenities including an airy reading room, a 400-seat multi-purpose room, an art gallery, a small public meeting room, and a series of open terraces.

Justification: The existing library is too small to provide adequate library and informational services to the library system and the region, and cannot support the technological and programmatic needs of the future.

Operating Budget Impact: The operating budget impact has been estimated. One additional staff is requested as a result of organizational changes, efficiencies and technologies that can be implemented in the new facility. However, the non-personnel costs (NPE) show an increase to maintain a larger building. In fiscal year 2014 an additional \$2.7 million will be needed to cover the NPE costs of the larger building, over 200,000 square feet more than the current Central Library. These operating costs will be offset in part by project-related revenue, which is incorporated in the cost of the project in the amount of \$825,000 per year bringing the revenue to a total of \$2,825,000 a year. Also, the Library Foundation will contribute \$2.0 million per year for the first five years of operation.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001 and was completed in Fiscal Year 2010. Library construction began August 2, 2010 and is scheduled to be completed in Fiscal Year 2013 pending receipt of private donations for Phase II. The library is scheduled to open early Fiscal Year 2014.

Summary of Project Changes: Total project cost increased by \$206,000 per City Resolution R-30594 approved on July 1, 2010.

San Ysidro Branch Library / S00802

Council District: 8	Priority Score: 62
Community Plan: San Ysidro	Priority Category: Low
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2010 - 2014	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project provides for a 15,000 square-foot facility to serve the San Ysidro Community. Discussions are currently underway with the Redevelopment Agency of the City of San Diego to build the new library as part of a redevelopment project currently planned along San Ysidro Boulevard.

Justification: The existing 4,089 square foot library was built in 1924 and was remodeled in 1983. It contains no meeting rooms or computer lab, no on-site parking, and no separation of the children's area and quiet study areas to serve the current and projected needs of the community.

Operating Budget Impact: The personnel increase reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council (R-296900). The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's General Plan.

Schedule: The preliminary study began in Fiscal Year 2010. The estimated construction cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding is identified.

Summary of Project Changes: Two new potential sites supported by the community will be reviewed.

Community Plan: Scripps Miramar Ranch	Priority Category: Low
Project Status: Released	Contact Information: Meinhardt, Cynthia
Duration: 2007 - 2013	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for an expansion of the Scripps Ranch Branch Library parking lot located at 10301 Scripps Lake Drive. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: When the current facility is fully occupied the current parking lot does not have the capacity to serve the needs of the community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Some preliminary inquiries were made of available properties in Fiscal Year 2004. The estimated construction cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding is identified.

Summary of Project Changes: No change to this project for Fiscal Year 2012.

Rancho Bernardo Recreation Center ADA / S01051

Council District: 5	Priority Score: N/A
Community Plan: Rancho Bernardo	Priority Category: N/A
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2008 - 2013	619-533-4640
Improv Type: New	agarcia@sandiego.gov

Description: This project provides for accessibility improvements to the facility to meet Americans with Disabilities Act (ADA) and Title 24 requirements. Upgrades will include the replacement of sidewalks and curb ramps, repaving the existing parking lot and painting parking stalls for ADA parking requirements, and replacing restroom doors and door handles, office doors and thresholds.

Justification: These improvements are necessary to meet Americans with Disabilities Act (ADA) and Title 24 requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction were completed in Fiscal Year 2011.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Cliffridge Park Comfort Station ADA / S01045

Council District: 1	Priority Score: N/A
Community Plan: La Jolla	Priority Category: N/A
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2008 - 2012	619-533-5328
Improv Type: New	adarvishi@sanidiego.gov

Description: This project provides the needed upgrades for the Cliffridge Park comfort station to ensure accessibility under the Americans with Disabilities Act (ADA). Improvements will include an accessible path of travel in addition to new drinking fountains and exterior sinks which will conform to the disabled access requirements and will be mounted on the outside of the comfort station.

Justification: These improvements are necessary to provide Americans with Disabilities Act (ADA) accessibility to the comfort station which does not meet all of the current Americans with Disabilities Act (ADA) requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Construction was completed in Fiscal Year 2011. Close out activities are scheduled for Fiscal Year 2012.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Kids Copy-Tubman/Chavez Center / S01021

Council District: 4	Priority Score: N/A
Community Plan: Southeastern San Diego	Priority Category: N/A
Project Status: Released	Contact Information: Meinhardt, Cynthia
Duration: 1999 - 2013	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for the renovation upgrades to the Tubman/Chavez Center. This facility supports programs in education, health, business training, employment, arts and culture, computers and technology, as well as social recreational events for low to moderate income families.

Justification: This project provides for the renovation of the facility to address safety, accessibility and code requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: This project is complete.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Language Academy/Montezuma Elementary Joint Use / S00972

Council District: 7	Priority Score: 69
Community Plan: College Area	Priority Category: Medium
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2009 - 2014	619-533-5301
Improv Type: New	smahmalji@sanidiego.gov

Description: This project provides for design and construction of approximately 1.37 acres at the Language Academy (formerly Montezuma Elementary School) for joint use facilities to supplement existing park acreage in the College Area Community. Improvements may include artificially-turfed multi-purpose sports fields, multi-purpose courts, walkways, landscaping and Americans with Disabilities Act (ADA) accessibility upgrades.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$12,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the College Area Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2011. Construction will begin contingent upon fund availability.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Montgomery Academy Joint Use Improvements / S00973

Council District: 6	Priority Score: N/A
Community Plan: Linda Vista	Priority Category: N/A
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2014	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the construction of approximately three acres of joint use play fields at the Montgomery Academy and associated Americans with Disabilities Act (ADA) improvements to comply with all State and federal accessibility guidelines and City standards. Phase I amenities may include a turfed multi-purpose sports field, security lighting, decomposed granite running track, accessibility improvements, signage, site furnishings and miscellaneous landscaping. Phase II amenities may include picnic shelters, site furnishings, accent plantings and enhanced gateway treatments.

Justification: Development of this project is a Site Development Permit condition of the Pacific Ridge Apartment Homes to satisfy population-based park acreage requirements in accordance with the City's General Plan standards for the anticipated population generated by the residential development. Additionally, it provides joint-use recreational facilities in a community deficient in population-based park and recreation facilities.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$38,600 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2011. Construction began in Fiscal Year 2011 and will be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Museum of Man Roof Replacement / S11101

Council District: 3	Priority Score: 86
Community Plan: Balboa Park	Priority Category: High
Project Status: Created	Contact Information: Darvishi, Ali
Duration: 2011 - 2013	619-533-5328
Improv Type: Replacement - Rehab	adarvishi@sandiego.gov

Description: This project is intended to restore the integrity of the museum, stop the roof leakages, fix the museum ornamentation, restore the historic carports, protect the the public safety and minimize costly maintenance. The scope of work includes the following: re-roof the Administration Building, re-roof the clay tile roof on the south side of the quadrangle (re-use existing tile), re-roof and partially reconstruct the carport between the north wing and the administration building (re-use existing tiles), re-roof the north wing of the main museum including the built-up roof, restore ornamentation, restore windows, repair and/or reseal tile domes, replace finial on western quadrangle entrance, and other miscellaneous restoration items including the replacement of two curb ramps.

Justification: This project will restore the integrity of the museum, stop the roof leakages, fix the museum ornamentation, restore the historic carports, protect the public safety and minimize costly maintenance.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Plan and is in conformance with the City's General Plan.

Schedule: Construction began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: City Council Resolution R-306368, dated December 7, 2010, authorized the addition of this project to the Capital Improvement Program and established the initial budget of \$1,480,976.

Project Status: Technically completed	Contact Information: Tracanna, John
Duration: 2002 - 2011	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for a new open-air, multiple-use baseball facility in downtown San Diego with approximately 42,000 fixed seats and an Outfield Park, and for the associated infrastructure improvements. Infrastructure improvements include parking, new realigned and repaved roadways, relocation of utilities, storm drain improvements, and streetscape and landscape improvements. The ballpark site is bounded by 7th Avenue, J Street, 10th Avenue, and Harbor Drive. This project is part of a larger redevelopment effort.

Justification: On November 3, 1998, San Diego voters approved a proposition allowing the City to enter into an agreement with the San Diego Padres to redevelop the eastern area of downtown with a multiple-use ballpark as the anchor tenant. Subject to the provisions of this agreement, the City shall provide not more than \$225,000,000 toward the construction of the Ballpark Project. The City's contribution will be made from the proceeds from a lease revenue bond type financing and cash.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Design and land acquisition began in Fiscal Year 1999. Construction began in Fiscal Year 2000, was suspended in October 2000 due to certain outstanding litigation related to the project, and re-commenced in February 2002. The project was completed in April 2004.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Drainage - Best Mgt Practices (BMPs)

Chollas Creek Enhancement / S00686

Council District: 3, 4	Priority Score: N/A
Community Plan: Southeastern San Diego	Priority Category: N/A
Project Status: Released	Contact Information: Matter, Gene
Duration: 2005 - 2010	858-541-4346
Improv Type: Betterment	rmatter@sandiego.gov

Description: This project provides for the removal of concrete sections of the channel, the widening of the floodplain, and the creation and restoration of wetland and transitional upland habitats. These improvements will be designed to re-establish the natural structure, dynamics, and hydrologic functions within applicable creek segments and restore affected beneficial uses.

Justification: This project will implement portions of the Chollas Creek Enhancement Program, as adopted by the City Council on May 14, 2002, and will help achieve Municipal Storm Water Permit compliance through improved water quality in Chollas Creek.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2005 and was completed in Fiscal Year 2006. Construction was completed in calendar year 2007.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Drainage - Channels

Famosa Slough Salt Marsh Creation / S00605

Council District: 2	Priority Score: N/A
Community Plan: Peninsula	Priority Category: N/A
Project Status: Released	Contact Information: Deangelis, Jeannette
Duration: 2003 - 2012	619-533-5497
Improv Type: Betterment	jdeangelis@sandiego.gov

Description: The 0.64 acre mitigation project in Famosa Slough is required by the Army Corps of Engineers, Coastal Commission, and California Department of Fish and Game permits and agreements. The mitigation is a required component of the Storm Water Department's channel clearing efforts to prevent flooding in the Sorrento Valley area, and restoration of this site will enhance the functions and values of this important biological resource consistent with a variety of City policies and objectives.

Justification: The 0.64 acre mitigation project in Famosa Slough is required by the Army Corps of Engineers, Coastal Commission, and California Department of Fish and Game permits and agreements. The Famosa Slough was chosen as the mitigation site because opportunities for coastal salt marsh mitigation in the Los Penasquitos Lagoon have been exhausted. This option utilizes an available, City-owned site within the Coastal Zone and is consistent with the 1993 Famosa Slough Enhancement Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and the Famosa Slough Enhancement Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004 and was completed in Fiscal Year 2005. Construction was completed in Fiscal Year 2005. The five year maintenance and monitoring period began in Fiscal Year 2006 and was anticipated to end in Fiscal Year 2011. In order to obtain site approval from the Resource Agencies, a sixth year of maintenance and monitoring will be required due to soil conditions and below average rainfall.

Summary of Project Changes: No change to this project for Fiscal Year 2012.

San Diego River Dredging-Qualcomm Way to SR163 / S00606

Council District: 6	Priority Score: 69
Community Plan: Mission Valley	Priority Category: High
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2005 - 2012	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for removal of a small island of sediment within the San Diego River near the Murray Creek outfall at the western end of Hazard Center Drive.

Justification: This project will protect adjacent property from potential flooding during rain events.

Operating Budget Impact: Soundings of the river and other ancillary costs related to maintaining the San Diego River channel between State Route 163 and Qualcomm Way are part of the maintenance obligations of the First San Diego River Improvement Project Maintenance Assessment District. No operating budget impact associated with removal of this small sediment island is anticipated.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and the First San Diego River Improvement Project Natural Resource Management Plan and is in conformance with the City's General Plan.

Schedule: Design and environmental studies for the removal of sediment from the Murray Creek outfall in the San Diego River were completed in Fiscal Year 2010. Dredging of this area is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Drainage - Storm Drain Pipes

Marston Point/Balboa Park Storm Drain Repair / S10085

Council District: 3	Priority Score: 38
Community Plan: Balboa Park	Priority Category: Medium
Project Status: Created	Contact Information: Mahmalji, Samir
Duration: 2009 - 2016	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for evaluation, design and construction to repair a damaged storm drain in the Marston Point parking lot area.

Justification: The damaged storm drain causes a portion of the Marston Point parking lot area to flood and remain under water for several days after rain events. This project will repair the damaged storm drain to prevent future flooding.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009. Construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Description: This annual allocation provides for unexpected replacement of minor capital assets on an as-needed basis at the City's Municipal Golf Course - Balboa Park which may include minor replacements of existing golf course building structures and golf course fairway and green systems.

Justification: This annual allocation will provide for a capital assets cost-avoidance program allowing for timely replacement of unanticipated failure of golf capital assets.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design and replacement of minor capital assets will be implemented on an as-needed basis.

Summary of Project Changes: City Council Resolution R-306368, adopted November 30, 2010, authorized the re-allocation of \$370,000 (\$350,000 from the Regional Park Fund; \$18,741 from T.O.T. and \$1,259 from Contributions from General Fund) to the Museum of Man Roof Replacement project, S11101. An increase of \$300,000 of Balboa Park Golf Course funds was added in Fiscal Year 2012.

Mission Bay Golf Course Renovation/Reconstruction / S11010

Council District: 6	Priority Score: 54
Community Plan: Mission Bay Park	Priority Category: Medium
Project Status: Created	Contact Information: Darvishi, Ali
Duration: 2011 - 2014	619-533-5328
Improv Type: Betterment	adarvishi@sanidiego.gov

Description: This project provides for master planning, design and construction of Mission Bay Golf Course. Work will include renovation and reconstruction of the existing course and will consist of new landscaping and irrigation, upgraded electrical and lighting system, drainage improvements, installation of cart paths near tee boxes and improvements to the signage, fencing, and sand bunkers. Other relevant items of work for the overall improvements to the conditions of play will also be included.

Justification: This project is needed to provide the long awaited improvements to the 18-hole golf course. For example, the new computerized irrigation system will replace a system that is outdated, inefficient and wasteful and does not meet current or future water restriction requirements. These improvements will help bring the golf course to within industry standards for municipal golf courses. The actual design and construction costs will be determined upon completion and recommendation of the master plan.

Operating Budget Impact: Operation and maintenance funding for this project will be included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: The master plan began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2014. Design is scheduled to begin in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Justification: This annual allocation will provide a capital assets cost-avoidance program allowing for the timely replacement of unanticipated failure of golf capital assets.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design and replacement of minor capital assets will be implemented on an as-needed basis.

Summary of Project Changes: An increase of \$300,000 of Mission Bay Golf Course funds was added in Fiscal Year 2012.

Torrey Pines North and South Course Golf Paths / S10045

Council District: 1	Priority Score: N/A
Community Plan: University	Priority Category: N/A
Project Status: Created	Contact Information: Darvishi, Ali
Duration: 2010 - 2020	619-533-5328
Improv Type: New	adarvishi@sanidiego.gov

Description: This project provides for the replacement of damaged portions of the existing cart paths within Torrey Pines Golf Course. This project also provides for construction of the missing paths and reconstruction of portions of the paths that are too narrow for motorized carts.

Justification: The original cart paths were constructed decades ago for use by manual golf carts. Today's golf courses including Torrey Pines Golf Course use motorized golf carts which are wider and heavier than their original counterparts. As a result of years of use, some portions of the existing cart paths within Torrey Pines Golf Course are cracked, severely worn out and otherwise damaged beyond repair. This project will remove and reconstruct the damaged portions of the cart paths. In addition, some portions of the existing cart paths are too narrow and need to be widened to accommodate today's golf carts. This project is needed to address these areas.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction on hold pending a needs assessment.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Parks - Community

Black Mountain Ranch Community Park / S00639

Council District: 1	Priority Score: N/A
Community Plan: Black Mountain Ranch, Torrey Highlands	Priority Category: N/A
Project Status: Technically completed	Contact Information: Oliver, Kevin
Duration: 2003 - 2013	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the acquisition, design and construction of a 30 useable-acre community park serving the Black Mountain Ranch and Torrey Highlands communities. Phase I includes the construction of 13 acres, including the athletic fields and a parking lot. Phase II will complete the remaining 17 acres and its associated amenities. The project costs are dependent upon all developments within the Black Mountain Ranch and Torrey Highlands communities providing their fair share toward the costs of the park.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan and provide additional park acreage in a community that is deficient of park land. The community park will provide for additional recreational opportunities to the community.

Operating Budget Impact: Operation and maintenance funding for Phase I (13 acres) of this facility was previously included in the Park and Recreation budget. The remaining 17 acres and amenities require an ongoing operational budget for non-personnel expenses. The current cost estimate of \$268,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch and Torrey Highlands Subarea (Community) Plans and is in conformance with the City's General Plan.

Schedule: Phase I construction was completed in Fiscal Year 2006. Phase II of this project is scheduled to begin in Fiscal Year 2013. Project schedule is dependent upon the development within the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Hilltop Community Park Development Phase 1 / S00634

Council District: 1	Priority Score: N/A
Community Plan: Rancho Penasquitos	Priority Category: N/A
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 1987 - 2010	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the development of a community park in Rancho Penasquitos on approximately 34 acres, of which approximately 14 are useable-acres. Phase I comprised approximately 12 acres of improvements including a recreation building, basketball courts, open play areas, picnic areas, a comfort station, and utilities. Phase II will provide for the development of the remaining two acres and will potentially include additional parking, children's play area, open grass area, irrigation system, picnic area, security lighting, concrete walkways, and shade structures. Phase III will include a soccer and roller hockey arena.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: Operation and maintenance funding for Phase 1 and Phase 2 of this facility was previously included in the Park and Recreation budget. Phase 3 will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate is not available. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I construction of Hilltop Community Park is complete. Construction of Phase II began in Fiscal Year 2008 and was completed in Fiscal Year 2009. Phase III construction will be scheduled when funding becomes available.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Lake Murray Community Park Play Area Expansion / S11018

Council District: 7	Priority Score: N/A
Community Plan: Navajo	Priority Category: N/A
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2011 - 2017	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for American with Disabilities Act (ADA) upgrades and expansion of the children's play area and path of travel within the park. The project will include universal design and ramp concepts in compliance with State and federal safety and accessibility guidelines.

Justification: This project is needed to upgrade existing site improvements and play area facilities to meet current State and federal safety and accessibility regulations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction will be phased and scheduled as additional funding is identified.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

MLK Jr Community Park Rec Center Roof Repair / S00765

Council District: 4	Priority Score: N/A
Community Plan: Southeastern San Diego	Priority Category: N/A
Project Status: Technically completed	Contact Information: Mahmalji, Samir
Duration: 2007 - 2009	619-533-5301
Improv Type: Replacement	smahmalji@sandiego.gov

Description: This project provides for the replacement of approximately 11,000 square feet of asphalt concrete shingle roof at the Martin Luther King Junior Community Park Recreation Center.

Justification: This project provides for the necessary roof replacement to prevent further water damage during inclement weather.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Parks - Community

McAuliffe Community Park Development Phase 2 / S00664

Council District: 5	Priority Score: 12
Community Plan: Mira Mesa	Priority Category: Low
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2000 - 2015	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for design and construction of park improvements at McAuliffe Community Park, located at the west end of Winterwood Lane in the Mira Mesa Community Plan area, formerly known as Winterwood Lane Community Park. Due to environmental constraints, this site will not provide adequate acreage to support community park activities. Approximately 12 of the total 25 undeveloped acres will be conveyed to the School District as a vernal pool habitat mitigation site in exchange for approximately six usable acres of School District-owned property adjacent to Salk Elementary School and Maddox Neighborhood park for the development of park and joint use facilities. The recreational uses and design of any remaining developable acres (approximately 7.5 acres) on the McAuliffe park site will be determined through the community input process. Park improvements could include an open turf area, children's play area, scenic overlook, walkways, off-leash dog area, comfort station, security lighting and landscaping.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents of subdivisions within a 1.5 mile radius from the park.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$153,600 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Completion of design has been delayed due to environmental constraints. Conveyance of the mitigation site to the School District is scheduled to occur in Fiscal Year 2012. Design and construction of the remaining usable park acreage will be scheduled as funding becomes available.

Summary of Project Changes: Public Facilities Financing Plan for Mira Mesa is being updated and will impact funding schedule.

Project Status: Released	Contact Information: Haghkhah, Siavash
Duration: 1999 - 2011	619-533-5186
Improv Type: New	shaghkhah@sandiego.gov

Description: This project provides for developing approximately 24 additional acres of this community park located in the vicinity of the easterly extension of Nobel Drive and Interstate 805. Improvements will include sports fields, comfort station, 10,300 square-foot recreation center, play area, off-leash dog area, parking and passive areas.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project implements the recommendations found in the University Community Plan, and is in conformance with the City's General Plan.

Schedule: Park design began in Fiscal Year 1999. A pilot program Focus Group developed a General Development Plan (GDP) in Fiscal Year 2002. Design was completed in Fiscal Year 2004. Construction of the park, recreation center and library began in Fiscal Year 2005 and was completed in Fiscal Year 2008.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Council District: 3	Priority Score: 41
Community Plan: Normal Heights (Mid-City)	Priority Category: Low
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2004 - 2014	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for the development of an approximately five acre park at 39th Street and Ward Canyon. Park amenities included in Phase I will be an open turf play area, children's play area, picnic and seating facilities, and a basketball court. Phase II provides for a comfort station and the purchase of additional land adjacent to the park. Future phases will include the development of approximately two acres of City owned property and a community center.

Justification: This project will provide the community with additional recreational opportunities as well as enhance the visual quality in an area that is park deficient.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Normal Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I construction was completed in Fiscal Year 2003. Phase II design began in Fiscal Year 2007 and construction was completed in Fiscal Year 2008.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Pacific Breezes (Ocean View Hills) Community Park / S00649

Council District: 8	Priority Score: 62
Community Plan: Otay Mesa	Priority Category: Medium
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2003 - 2013	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for the acquisition, design and construction of the Pacific Breezes Community Park. This park will be 15 acres with an additional five acres of joint-use with the adjacent Ocean View Hills Elementary School. Amenities may include lighted ball fields, a comfort station, a children's play area, picnic areas, and other improvements. A recreation center and pool complex are also scheduled to be developed at this site as separate future projects.

Justification: This project will provide the community with additional recreational opportunities and will enhance the visual quality of the area.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$240,000 is based upon the Park and Recreation Department's current cost to maintain various park areas.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and the California Terraces Precise Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design was completed in Fiscal Year 2007. Final design and construction began in Fiscal Year 2008 and were dependent upon the actual rate of development within the residential community. Final design and construction were delayed due to pending property acquisition and a reimbursement agreement. Property acquisition was completed in Fiscal Year 2010. Final design began and was completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012 and to be completed in Fiscal Year 2013.

Summary of Project Changes: Project development costs have increased due to the greater than anticipated property acquisition cost and increased construction costs.

Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2010 - 2012	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for a new picnic shelter near the skate park within Paradise Hills Community Park. The Americans with Disabilities Act (ADA) accessible path of travel from the existing parking lot to the new picnic shelter will also be upgraded.

Justification: The picnic shelter was identified by the community as an amenity to add to the park by utilizing the telecom site access fee (Antenna Lease Revenue) funds when additional funds were available to supplement the telecom site access fee fund.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills community plan and is consistent with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2010. Construction was completed in Fiscal Year 2011.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Tierrasanta Community Park Sports Field Lighting / S11011

Council District: 7	Priority Score: 91
Community Plan: Tierrasanta	Priority Category: High
Project Status: Created	Contact Information: Mahmalji, Samir
Duration: 2011 - 2014	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the design and construction of a lighting system for the multi-purpose sports fields at the Tierrasanta Community Park.

Justification: This project is needed to expand the hours of facility use and its capacity to serve the community's residential growth.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$7,500 is based upon the Park and Recreation Department's current cost to maintain sports field lighting in various parks. Operational costs for the project will be revised as the project is refined. This park is maintained by the Tierrasanta Maintenance Assessment District with a standard contribution from the General Fund based on useable park acreage.

Relationship to General and Community Plans: This project is consistent with the Tierrasanta Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011. Construction will be phased as funding is identified.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Carmel Grove Mini Park Play Area Upgrade / S00659

Council District: 1	Priority Score: 91
Community Plan: Carmel Valley	Priority Category: High
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2005 - 2013	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the upgrade and replacement of playground equipment at the Carmel Grove Mini-Park.

Justification: This project is needed to upgrade existing site improvements of play area facilities to meet current State and federal safety and accessibility regulations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Neighborhood 1 Precise Plan, the Carmel Valley Community Plan, and is in conformance with the City's General Plan.

Schedule: Design began and was scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

City Heights Square Mini-Park / S01070

Council District: 3	Priority Score: 76
Community Plan: City Heights (Mid-City)	Priority Category: High
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2009 - 2013	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for the design and construction of an approximately 5,348 square foot (0.123 acre) public mini-park, in the City Heights area of the Mid City Community. Improvements will include amenities such as seating, walkways, picnic areas, landscaping, irrigation, and security lighting.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan guidelines.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Project design began in Fiscal Year 2010 and was completed in Fiscal Year 2011. Construction is scheduled for Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

North Park Mini-Park and Streetscape Improvements / S10050

Council District: 3	Priority Score: 12
Community Plan: Greater North Park	Priority Category: Low
Project Status: Created	Contact Information: Oliver, Kevin
Duration: 2010 - 2020	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the design and construction of an approximately 0.50 useable acre, urban mini-park to be located behind the recently renovated North Park Theatre. The project may include public art, plaza areas, specialty/enhanced paving areas for performances and events, an amphitheater or audience seating area, a gazebo/shade structure, a water feature, unique site furniture, walkways, seat walls, security and decorative lighting, and landscape and irrigation. This project also provides for the design and construction of approximately 1,800 linear feet of streetscape which may include enhanced street/pedestrian paving and walkways, street trees with tree grates, landscaping, irrigation, unique street furniture including benches and trash receptacles, security and decorative lighting, pedestrian ramps, curbs and gutters.

Justification: The community is currently deficient in population-based park requirements set forth in the City's General Plan. This project will add population-based park acreage to the community, thus contributing to satisfying population-based park requirements. The project will also create an urban park/plaza and streetscape system for the benefit of pedestrians, automobiles and community members.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate to maintain the mini-park of \$5,700 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined. The streetscape improvements are anticipated to be maintained by the North Park Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and will continue in Fiscal Year 2012. Construction will be scheduled as funding becomes available.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Olive Street Park Acquisition and Development / S10051

Council District: 2	Priority Score: 54
Community Plan: Uptown	Priority Category: Medium
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2010 - 2020	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the acquisition, design, and construction of approximately 0.36 acre of unimproved property contiguous with the south end of the existing Olive Street Park. The project will expand useable park acreage in the Uptown Community. Improvements may include amenities, such as multi-purpose turf areas, a children's play area, seating, walkways, landscaping, and security lighting.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan guidelines.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore the current cost estimate of \$5,000 is based upon the Park and Recreation Department's current cost to maintain various landscape areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Property acquisition has been completed. Design and construction will be scheduled when funding becomes available.

Summary of Project Changes: No significant changes has been made to this project for Fiscal Year 2012.

Council District: 4	Priority Score: N/A
Community Plan: Southeastern San Diego	Priority Category: N/A
Project Status: Released	Contact Information: Schmit, Todd
Duration: 2012 - 2016	619-533-4620
Improv Type: New	tschmit@sandiego.gov

Description: This project provides for the acquisition, design and construction of approximately 0.46 acres (composed of three separate parcels) of unimproved property. The project will expand useable park acreage in the Southeastern San Diego-Encanto Neighborhoods Community. Improvements will include amenities such as multi-purpose turf areas, a children's play area, seating, walkways, landscaping, and security lighting.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan guidelines.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore the current cost estimate of \$4,491 is based upon the Park and Recreation Department's current cost to maintain various landscape areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with recommendations of the Southeastern San Diego-Encanto Neighborhoods Community Plan, and is in conformance with the City's General Plan.

Schedule: Property acquisition was completed in Fiscal Year 2011. Design and construction of the project will be scheduled as funding is identified.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

West Lewis and Falcon Streets Mini-Park / S00757

Council District: 2	Priority Score: N/A
Community Plan: Uptown	Priority Category: N/A
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2012	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for design and construction of a 0.35 acre mini-park within the West Lewis and Falcon Streets rights-of-way. Amenities may include walkways, landscaping, seating areas, and public art.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's Progress Guide and General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$5,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are refined.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2007 and was completed in Fiscal Year 2010. The first phase of construction began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Windwood II Mini Park Play Area Upgrades / S11017

Council District: 1	Priority Score: 90
Community Plan: Carmel Valley	Priority Category: High
Project Status: Created	Contact Information: Oliver, Kevin
Duration: 2011 - 2014	619-533-5139
Improv Type: Replacement	koliver@sandiego.gov

Description: This project provides for Americans with Disabilities Act upgrades and improvements to the children's play area and path of travel within the park to comply with State and federal safety and accessibility guidelines. This project includes an accessible on-street parking space, curb ramp, site furniture, and accessible play area equipment and surfacing.

Justification: This project is needed to upgrade existing site improvements and play area facilities to meet current federal and State safety and accessibility regulations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley (North City West) Community Plan and is in conformance with the City's General Plan.

Schedule: Design will not begin until full funding is identified. Construction will be phased as funding is identified.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Angier Elementary School Joint Use / S00762

Council District: 6	Priority Score: 62
Community Plan: Serra Mesa	Priority Category: Medium
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2013	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the design and construction of 3.95 acres at Angier Elementary School for joint use facilities to supplement existing park acreage in the Serra Mesa Community. Improvements may include turf multi-purpose sports fields, multi-purpose courts, walkways, landscaping, and accessibility upgrades.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan in an area that is park deficient. The project will provide multi-purpose sports fields and associated infrastructure that will provide the community with safer park conditions.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$38,600 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas with a comfort station. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design of the project is complete. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Balboa Park Arcade / AGF00002

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Roberson, Ray
Duration: 2010 - 2020	619-525-8217
Improv Type: New	rroberson@sandigo.gov

Description: This annual allocation provides for the reconstruction of historic structures in Balboa Park. Projects within this annual allocation include: reconstructing the historic West Arcade along the north side of El Prado between the Museum of Man and Museum of Art; restoring the historic ornamentation on the Museum of Man frontspiece and California Tower; restoring the historic ornamentation on the Museum of Art frontspiece and ten window surrounds; minor repairs to the reconstructed ornamentation on the Casa del Prado building and theater; construction of Phase 1 of the Veterans Memorial Garden on approximately one acre of park land adjacent to the Veterans Museum and Memorial Center; and conducting a study of the California Tower for seismic resistance, including construction documents, specifications, and cost estimates for construction.

Justification: This project will provide for the reconstruction of historic structures in Balboa Park which will enhance the structures and will increase park user experience.

Operating Budget Impact: None.

Relationship to General and Community Plans: These projects are consistent with the Balboa Park Master Plan, Central Mesa Precise Plan and are in conformance with the City's General Plan.

Schedule: The West Arcade Reconstruction, Museum of Man/California Tower Ornamentation, Museum of Art Ornamentation, Veteran's Memorial Garden, and California Tower Seismic Retrofit Study projects are complete. The Casa del Prado Ornamentation Project still has some outstanding jobs and is in progress.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Balboa Park/Morley Field Evaluate & Repair Drain / S10087

Council District: 3	Priority Score: 53
Community Plan: Balboa Park	Priority Category: Medium
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2006 - 2015	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for evaluation, design and construction to repair a damaged storm drain in the western tennis court area of Morley Field.

Justification: The damaged storm drain causes heavy debris flow after rain events into the parking lot of the off-leash dog park. This project is needed to repair the damaged storm drain to prevent future debris flow.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009. Construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Beyer Park Development / S00752

Council District: 8	Priority Score: 12
Community Plan: Otay Mesa, San Ysidro	Priority Category: Low
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2002 - 2014	619-525-8261
Improv Type: Replacement	dsharpe@sandiego.gov

Description: This project provides for the acquisition, design, and construction of approximately 12.6 useable acres, out of approximately 43 total acres, for a community and neighborhood park on Beyer Boulevard.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Otay Mesa and San Ysidro Communities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and will be included in the Otay Mesa Community Plan as part of the community plan update process. The project is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2002. Preliminary design was completed in Fiscal Year 2008, however this project will not be completed within the next five years. Design and construction schedules are dependent upon the actual rate of development within the Otay Mesa and San Ysidro Communities. Design and construction will be scheduled and completed when funding is available.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2006 - 2012	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project will provide for improvements to the Birney Elementary School Joint Use Field.

Justification: The community has a deficit of population based park area according to the Citywide standards. This will add additional recreational area to an underserved community.

Operating Budget Impact: Operation and maintenance funding for this facility was added in the previous year.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in 2010 and construction was completed in Fiscal Year 2011.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Duration: 2000 - 2013	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for developing an approximately 10 acre neighborhood park for recreational purposes.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan in an area that is park deficient.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan, and is in conformance with the City's General Plan.

Schedule: This project is complete.

Summary of Project Changes: This project is complete and will be closed at the end of the fiscal year.

Cabrillo Heights Neighborhood Park Improvements / S00763

Council District: 6	Priority Score: 62
Community Plan: Serra Mesa	Priority Category: Medium
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2012	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for improvements at Cabrillo Heights Neighborhood Park. Improvements will provide additional active and passive recreational opportunities. Proposed improvements may include: accessible tot lot play equipment, picnic shade structure, picnic tables, drinking fountains, half basketball court, ball field lighting, shade structures at bleachers and pre-fabricated restroom.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan. The project will enhance the quality of the Cabrillo Heights Neighborhood Park through a variety of improvements providing the community with a more pleasing park-like atmosphere.

Operating Budget Impact: This facility will require on on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore the current cost estimate of \$4,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and will be completed in Fiscal Year 2011. Construction will begin in Fiscal Year 2012 and is scheduled to be completed in Fiscal Year 2012 contingent upon identification of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Canyonside Community Park Improvements / S12004

Council District: 1	Priority Score: 22
Community Plan: Rancho Penasquitos	Priority Category: Low
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2012 - 2014	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for miscellaneous improvements to serve park users, such as accessibility upgrades to the children's play area, drainage repair at the rear parking lot, and creation of a parking area in the northwest corner to accommodate overflow parking needs at the Canyonside Community Park.

Justification: This project will provide upgraded and additional recreation amenities to serve the residents of Rancho Penasquitos which is park-deficient by General Plan standards.

Operating Budget Impact: This is an existing facility which will require an increase in on-going budget for personnel and non-personnel expenses for the new parking area only. The project's final design has not been approved, therefore, the current cost estimate of \$5,000 is based on the Park and Recreation Department's current cost to maintain various typical amenities. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and construction is scheduled to begin in Fiscal Year 2013.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2012	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the upgrade and replacement of playground equipment at the Carmel Mountain Ranch Community Park, which includes Americans with Disabilities Act (ADA) upgrades such as new walkways, accessible parking spaces, and accessible walkways to existing picnic tables. The new play equipment and rubberized safety surfacing will meet current accessibility and safety standards.

Justification: This project will provide much needed playground improvements to meet current code requirements and provide safety for users of the park.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Carmel Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Construction began and was completed in Fiscal Year 2011.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Carmel Valley Skate Park / S00758

Council District: 1	Priority Score: N/A
Community Plan: Carmel Valley	Priority Category: N/A
Project Status: Technically completed	Contact Information: Garcia, Alex
Duration: 2007 - 2010	619-533-4640
Improv Type: New	agarcia@sandiego.gov

Description: This project provides for the design and construction of a 33,000 square foot skate park in Carmel Valley, which will include a 13,500 square foot skating surface area, a concessions and restroom building, lighting for night-time use, and landscaping. The skate park is proposed to be located on City-owned land.

Justification: This project provides additional park improvements within Carmel Valley which will increase the recreational activities available to the community.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction of the project is complete.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Central Avenue Mini Park Acquisition/Development / S00992

Council District: 3	Priority Score: 39
Community Plan: City Heights (Mid-City)	Priority Category: Low
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2005 - 2014	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for the acquisition of an approximate 16,000 square foot parcel, remaining from the construction of the Interstate 15 freeway through Mid-City at the corner of Central Avenue and Landis Street, to be developed as a mini park. Amenities may include an open turf area, children's play area, skate park, seating areas, walkways, and security lighting.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$4,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2008. Design began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Chollas Lake Fishing Pier / S10019

Council District: 4	Priority Score: 74
Community Plan: Eastern Area (Mid-City)	Priority Category: High
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2010 - 2011	619-533-5301
Improv Type: Replacement	smahmalji@sandiego.gov

Description: This project provides for the replacement of one new accessible fishing pier and the installation of a new accessible trail and improvements to the Lend-A-Rod Station and the new pier from the existing parking lot at Chollas Lake Community Park. The park is located at 6350 College Grove Way in the Mid City-Eastern Area.

Justification: The heavily used park currently does not have a convenient path from the parking lot to the lake for people with disabilities. This project will provide a convenient path and an accessible fishing pier out into the lake.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2011. Construction began and was completed in Fiscal Year 2011.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Coastal Erosion and Access / AGF00006

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2010 - 2020	619-533-5328
Improv Type: New	adarvishi@sandiego.gov

Description: This project provides partial funding for coastal infrastructure improvements at 71 sites, from Sunset Cliffs Park to Torrey Pines State Beach, that were identified and prioritized in a 2003 Coastal Erosion Assessment Survey. High priority sites are those that present potential public hazards.

Justification: This project provides improvements to coastal erosion sites that present potential public hazards.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Beach access to Shell Beach and at Sea Ridge Avenue were completed in Fiscal Year 2008. Design for the next six locations began in Fiscal Year 2008 and was completed in Fiscal Year 2009. Future design and construction will be scheduled as funding becomes available.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Crown Point Salt Marsh / S00623

Council District: 2	Priority Score: N/A
Community Plan: Mission Bay Park	Priority Category: N/A
Project Status: Technically completed	Contact Information: Darvishi, Ali
Duration: 1997 - 2012	619-533-5328
Improv Type: Replacement	adarvishi@sanidiego.gov

Description: This project provides for creating a salt marsh in the newly-constructed wetland habitat area of Crown Point adjacent to the Northern Wildlife Preserve. The project will entail some minor regrading, site preparation and planting of upland habitat in the recently created five-acre wetland habitat area on North Crown Point Shores.

Justification: This project is partial mitigation for the shoreline treatment project; remaining balance to be saved for future projects as outlined in the Natural Resource Management Plan adopted by Council in May 1990.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan, and is in conformance with the City's Progress Guide and General Plan.

Schedule: Construction was completed in Fiscal Year 2010.

Summary of Project Changes: Project is complete and will be closed at the end of the fiscal year.

Del Mar Mesa Acquisition / S00998

Council District: 1	Priority Score: N/A
Community Plan: Del Mar Mesa	Priority Category: N/A
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2002 - 2013	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for land acquisition in the Del Mar Mesa community planning area for the Multiple Species Conservation Program (MSCP).

Justification: The MSCP Implementing Agreement, Section 10(a), Take Authorization of the Endangered Species Act, mandates a statutory responsibility on the part of the City to assemble the MSCP preserve. This responsibility includes acquisition of public land to be used for wildlife habitat.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Property acquisition began in Fiscal Year 2002 and was completed in Fiscal Year 2007.

Summary of Project Changes: Funds for management and monitoring of Del Mar Mesa Open Space including vernal pools have been reallocated. This funding was placed into a special fund to be used for personnel and non-personnel operations.

Fiesta Island Causeway Parking Lot / S00622

Council District: 6	Priority Score: N/A
Community Plan: Mission Bay Park	Priority Category: N/A
Project Status: Technically completed	Contact Information: Ibrahim, Yousef
Duration: 1998 - 2012	619-235-1965
Improv Type: New	yibrahim@sandiego.gov

Description: This project provides for the design and construction of all-weather surfacing and security lighting in the existing dirt parking area on the north side of the causeway at the entrance to Fiesta Island off of East Mission Bay Drive.

Justification: The existing undeveloped parking area becomes unusable for park users during and after inclement weather, and the area needs the added security of lighting.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan, is approved by the California Coastal Commission, and is in conformance with the City's General Plan.

Schedule: Design and construction will not be scheduled. This project has been cancelled.

Summary of Project Changes: This project was cancelled and will be closed by the end of the fiscal year.

Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2005 - 2014	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for design and construction of recreational improvements at Fiesta Island consistent with the general development plan and Mission Bay Park Master Plan, including an expanded causeway that has been identified as a high priority, turfed multi-purpose areas, parking lots, playgrounds, comfort stations, walkways, a personal watercraft launching and service area, relocation of the sand area, south beach jetty, coastal landscaping, and additional utilities infrastructure.

Justification: This project will provide infrastructure necessary to support future recreational facilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design and construction will be scheduled in phases as funding is identified and upon completion of the Mission Bay-Fiesta Island General Development Plan.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Hickman Fields / S00751

Council District: 6	Priority Score: 44
Community Plan: Kearny Mesa, Serra Mesa, Clairemont Mesa	Priority Category: Low
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2008 - 2014	619-533-5139
Improv Type: Replacement	koliver@sandiego.gov

Description: This project provides for preparation of a General Development Plan Amendment to enlarge the proposed recreation center and to include an aquatic complex, and to implement Phase I infrastructure improvements, such as irrigation and parking lot upgrades, on a 44-acre athletic area to serve residents within the Kearny Mesa, Clairemont Mesa and Serra Mesa Communities. All Phase I improvements shall be in compliance with federal, State and local accessibility guidelines and regulations.

Justification: This project provides park and recreational facilities to serve the needs of existing and proposed residents within the Kearny Mesa, Clairemont Mesa and Serra Mesa Communities in accordance with the City's General Plan Guidelines.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa, Serra Mesa, and Clairemont Mesa Community Plans and is in conformance with the City's General Plan.

Schedule: Phase I design began in Fiscal Year 2010. Phase I construction will be determined upon completion of the General Development Plan Amendment in Fiscal Year 2012.

Summary of Project Changes: Total project budget has been revised to reflect the reallocation of Serra Mesa DIF funding and the appropriation of funding contributed by Sunroad Development and unallocated park service district funding. These actions were anticipated to occur in Fiscal Year 2011.

Hourglass Field House Parking Areas / S00677

Council District: 5	Priority Score: N/A
Community Plan: Mira Mesa	Priority Category: N/A
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2008 - 2011	619-533-3172
Improv Type: Replacement	koliver@sandiego.gov

Description: This project provides for reimbursment to the San Diego Community College District for constructing parking areas for public use for visitors to the Hourglass Field House, a joint-use facility with San Diego Miramar College.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Construction began in Fiscal Year 2008 and was completed in Fiscal Year 2010. Reimbursement to the San Diego College District was scheduled for Fiscal Year 2011.

Summary of Project Changes: Public Facilities Financing Plan for Mira Mesa is being updated and will reflect a reduction in final project cost.

I-15 Cut & Cover/Teralta Neighborhood Park / S00658

Council District: 3	Priority Score: N/A
Community Plan: City Heights (Mid-City)	Priority Category: N/A
Project Status: Technically completed	Contact Information: Mahmalji, Samir
Duration: 1990 - 2011	619-533-5301
Improv Type: Replacement	smahmalji@sanidiego.gov

Description: This project provides for the development of a five acre park that includes a children's play area, basketball courts, paved walkways, landscaping, and site furnishings. Phase I, the construction of the park, including a bike path and lighting, is complete. Phase II of the project will include the addition of a comfort station to the park and the development of Central Avenue as a pedestrian and bicycle corridor from the park to University Avenue (History Lane).

Justification: The approved general development plan for Teralta Park includes a comfort station to serve park users. History Lane will contribute to the north/south bike route through the Mid-City Communities. Children's Mall will contribute toward the community goal of establishing Polk Avenue as a pedestrian corridor.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I and Phase II are both complete. This project is complete.

Summary of Project Changes: This project is complete and will be closed at the end of the fiscal year.

Inspiration Point Precise Plan / S00615

Council District: 3	Priority Score: N/A
Community Plan: Balboa Park	Priority Category: N/A
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 1992 - 2014	619-525-8261
Improv Type: Replacement	dsharpe@sandiego.gov

Description: This project provides for the completion of the Inspiration Point Precise Plan which will provide policy direction for future development of approximately 50 acres within this area of Balboa Park.

Justification: Inspiration Point is one of the subareas within Balboa Park for which the 1989 Balboa Park Master Plan mandates a Precise Plan. A draft Precise Plan was prepared by the landscape architectural firm of the The Pekarek Group in 1998 with public input; however, it lacks an Historical Preservation Element required by the Historic Resources Board. Since that time, the Balboa Park Parking Study was completed which impacts the Precise Plan as drafted. To complete the Precise Plan, the document must incorporate both an Historical Preservation Element and the approved Parking Study recommendations, as well conduct an environmental review prior to undergoing the approval process.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the 1989 Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Planning began in Fiscal Year 1996 and a draft Precise Plan was completed in 1998. The project was put on hold until funding could be identified to hire a consultant to prepare the Historic Preservation Element to complete the document, prepare the CEQA document and process the Precise Plan for approval. Completion of the project will be scheduled when funding is identified.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Joint Use Improvements - Citywide / AGF00003

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2010 - 2020	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for design and construction of miscellaneous improvements on existing joint use facilities throughout the City. The improvements include replacement and upgrades to turf, irrigation, fencing, and disabled access.

Justification: This project will provide necessary improvements per the joint use agreement renewal process. In order to upgrade the joint use facilities to meet current codes, regulations and standards, and to endure another 25 years of use pursuant to the terms of the joint use agreements, improvements have been identified by individual, on-site inspections and cost estimates.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Sub-projects will be scheduled individually based on priority, school schedules, and league use of the fields. Design of some projects was completed in Fiscal Year 2009 and construction was completed in Fiscal Year 2010.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Kumeyaay Lake Riparian Restoration / S01008

Council District: 7	Priority Score: N/A
Community Plan: Navajo	Priority Category: N/A
Project Status: Technically completed	Contact Information: Winter, James
Duration: 2005 - 2011	619-235-5257
Improv Type: Betterment	jwinter@sandiego.gov

Description: This project will restore riparian habitat at the Kumeyaay Lake Campground to enhance the campground use experience and provide wildlife habitat.

Justification: This project will enhance the camping experience for park users.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Plan, the Navajo Community Plan, and is in conformance with the City's General Plan.

Schedule: This project is complete.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Kumeyaay Lakes Berm Restoration and Dredging / S00655

Council District: 7	Priority Score: 27
Community Plan: Navajo	Priority Category: Low
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2002 - 2014	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for the dredging of two lakes and reconstruction of a lake berm within the Kumeyaay Lake system at Mission Trails Regional Park.

Justification: A berm that surrounds the lakes was breached during the 1995-96 rainy season. Since that time, the San Diego River's flow has been redirected through the Kumeyaay Lakes, to the detriment of the lakes. Impacts include sedimentation of the lakes, the introduction of exotic invasive aquatic plants and the decline of an adjacent state wetland mitigation site through which the river once flowed. Dredging of the lakes to remove accumulated sediments and unwanted plant materials will restore the health and vitality of the lakes and the adjacent mitigation site, which depends upon a flowing water source.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Development Plan, the Navajo Community Plan, and is in conformance with the City's General Plan.

Schedule: Planning began in Fiscal Year 2003. Design and construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

La Mirada Elementary School Joint Use Phase II / S00653

Council District: 8	Priority Score: N/A
Community Plan: San Ysidro	Priority Category: N/A
Project Status: Technically completed	Contact Information: Mahmalji, Samir
Duration: 2002 - 2011	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the turfing of approximately two acres in Phase I and 1.7 acres in Phase II of undeveloped fields at La Mirada Elementary School. Improvements include a running track, a softball field, an accessible ramp to San Ysidro Activity Center, and relocation of the existing school garden for joint-use purposes.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's General Plan.

Schedule: Construction of Phase I is complete. Phase II design began in Fiscal Year 2007 and construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Linda Vista Community Park Picnic Area / S01068

Council District: 6	Priority Score: 71
Community Plan: Linda Vista	Priority Category: Medium
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2012	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for a new picnic shelter for the users of the Linda Vista Community Park.

Justification: The picnic shelter was identified by the community as an amenity they wanted to add to the park. Park and Recreation staff secured a grant for partial funding.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is consistent the City's General Plan.

Schedule: Design of the project is complete. Construction began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Marshall Elementary School Joint Use Improvements / S10080

Council District: 7	Priority Score: N/A
Community Plan: City Heights (Mid-City)	Priority Category: N/A
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2010 - 2015	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for design and construction of approximately 1.46 acres of Marshall Elementary School for joint use facilities to supplement existing park acreage in the City Heights area of the Mid-City Communities. Improvements may include turf multi-purpose sports fields, multi-purpose courts, walkways, landscaping, and Americans with Disability Act (ADA)/accessibility upgrades.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: This project has been cancelled.

Summary of Project Changes: Project will be abandoned due to loss of federal grant funds and site constraints which cannot be overcome. A City Council action (1472) will be processed to abandon the project and reallocate remaining funds in the amount of \$700,000 to another eligible project.

McKinley Elementary School Joint Use Improvements / S12001

Council District: 3	Priority Score: N/A
Community Plan: Greater North Park	Priority Category: N/A
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2012 - 2017	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for design and construction of approximately 1.2 acres of joint use facilities at McKinley Elementary School to supplement existing park acreage in the Greater North Park Community. Improvements will include natural or synthetic turfed multi-purpose sportsfields, multi-purpose courts, walkways, landscaping and Americans with Disabilities Act (ADA)/accessibility upgrades.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$12,200 is based on the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and construction is scheduled to begin when funding is identified.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Memorial Pool Improvements / S00970

Council District: 8	Priority Score: 78
Community Plan: Southeastern San Diego	Priority Category: High
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2009 - 2014	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the demolition of an existing pool and the design and construction of a new pool. The existing 40 year old pool suffers from deferred maintenance, cracked decking, outdated mechanical systems, and doesn't meet Americans with Disabilities Act (ADA) standards. It will be replaced with a larger pool that meets ADA standards.

Justification: This project will address deterioration of the existing pool decking and piping due to age.

Operating Budget Impact: It is anticipated that any additional non-personnel operating expenses will be offset by greater efficiency of new equipment.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and will be completed in Fiscal Year 2011. Construction is scheduled to start in Fiscal Year 2012.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Mission Bay Athletic Area Comfort Stn Modernize / S10021

Council District: 2	Priority Score: 84
Community Plan: Mission Bay Park	Priority Category: High
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2011 - 2012	619-533-5328
Improv Type: Replacement	adarvishi@sandiego.gov

Description: This project provides for the removal and replacement of the existing comfort station/concession stand at the Mission Bay Athletic Area. It will also provide an accessible path of travel from Grand Avenue to the comfort station and the center of the ball field complex.

Justification: These improvements are necessary to provide Americans with Disability Act (ADA) accessibility to the comfort station and concession stand which are not currently accessible..

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: In Fiscal Year 2012, the department is planning to route a City Council Action to reflect a transfer of \$200,000 from American with Disabilities Improvements (ABE00001), Capital Outlay Fund (400002), to substitute for the DIF funding that is no longer available. This planned transfer request is currently reflected as unidentified funding.

Mission Bay Improvements / AGF00004

Council District: 2, 6	Priority Score: Annual
Community Plan: Mission Bay Park	Priority Category: Annual
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2010 - 2020	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This annual allocation provides for permanent public capital improvements and deferred maintenance of existing facilities in accordance with City Charter, Article V, Section 55.2.

Justification: Mission Bay Park, as well as other regional parks, open spaces and coastal beaches, helps define the City's identity, enriches quality of life and serves as a visitor attraction that strengthens the local economy. This regional treasure is threatened by increasing use and a backlog of needed improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design and construction will be scheduled in accordance with the scope of various sub-projects.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Mission Trails Regional Park Master Plan Update / S01014

Council District: 7	Priority Score: N/A
Community Plan: Navajo, Tierrasanta, Rancho Encantada, East Elliott	Priority Category: N/A
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2008 - 2013	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for an update to the 1985 Mission Trails Regional Park (MTRP) Master Development Plan to identify completed capital projects and to guide future expansion, development and preservation of the park, as well as to provide an environmental document to determine potential impacts. A Natural Resource Management Plan will also be prepared and incorporated into the master plan document to provide park rangers with information and tools to manage the Park's sensitive resources.

Justification: MTRP faces numerous challenges and issues due to the high number of visitors and the Park's location within a densely populated area. Extensive recreational use, illegal off-road vehicle activity, erosion, urban runoff, and invasive non-native plants are potential threats to the continued health of the Park's natural resources. The MTRP Natural Resource Management Plan is a part of the implementation task of the City of San Diego's Multiple Species Conservation Program (MSCP). The MSCP was officially adopted on March 18, 1997; The United States Fish and Wildlife Service and the California Department of Fish and Game approved the plan on July 17, 1997.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo, Tierrasanta, Rancho Encantada, and East Elliott Community Plans and is in conformance with the City's General Plan.

Schedule: Planning began in Fiscal Year 2008 and completion of the document is scheduled for Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Mission Trails Regional Pk Equest Comfort Station / S01073

Council District: 7	Priority Score: 44
Community Plan: Navajo	Priority Category: Low
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2004 - 2013	619-533-5328
Improv Type: New	adarvishi@sandiego.gov

Description: This project provides for a comfort station/service building at the Mission Trails Regional Park Equestrian Staging Area.

Justification: The project will provide a needed comfort station at the Mission Trails Regional Park Equestrian Staging Area where one does not currently exist.

Operating Budget Impact: Operation and maintenance funding for this project will be included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan, the Mission Trails Regional Park Master Development Plan, and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012 and anticipated to be completed in Fiscal Year 2013.

Summary of Project Changes: Total project cost has increased \$173,000 per the latest engineer's estimate. This additional cost is currently unfunded.

Council District: 7	Priority Score: N/A
Community Plan: Navajo	Priority Category: N/A
Project Status: Released	Contact Information: Winter, James
Duration: 2006 - 2013	619-235-5257
Improv Type: Betterment	jwinter@sandiego.gov

Description: This project provides for the revegetation of native plants and erosion control in areas burned by the Cedar Fire of 2003.

Justification: This project will re-establish native habitat and enhance park user experiences.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Plan, the Navajo Community Plan, and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Ocean Beach CDC - N Ocean Beach Revitalization / S01057

Council District: 2	Priority Score: N/A
Community Plan: Ocean Beach	Priority Category: N/A
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 1997 - 2013	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for streetscape improvements such as hardscape plaza, street trees, ornamental lighting, landscaping, sidewalk repairs, bicycle facilities, signage, and Americans with Disabilities Act (ADA) improvements. The first phase of improvements is focused on the area at and adjacent to the intersection of Sunset Cliffs Boulevard and West Point Loma Boulevard, one of the main entries into the Ocean Beach community.

Justification: The North Ocean Beach entryway has been identified as a location for streetscape improvements by Council District 2 and by the community. The goals are to increase safety and security, enhance the community image, and contribute positively to the commercial revitalization of the affected area.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$5,000 - \$10,000 is based upon the Park and Recreation Department's estimated cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined and all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and is in conformance with the City's General Plan.

Schedule: The project's design was completed in Fiscal Year 2010. Construction of Phase I improvements began and was completed in Fiscal Year 2011. Phase II improvements will be scheduled upon identification of funding.

Summary of Project Changes: Community Development Block Grant funding for Phase II improvements may become available for this project.

Palisades Park Comfort Station Replacement / S10026

Council District: 2	Priority Score: 84
Community Plan: Pacific Beach	Priority Category: High
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2010 - 2015	619-533-5328
Improv Type: Replacement	adarvishi@sanidiego.gov

Description: This project provides for the removal and replacement of the existing comfort station at Palisades Park at the foot of Law Street in Pacific Beach. Minor grading outside the limits of the building footprint is anticipated due to the improvement of the accessible path from the accessible parking to the comfort station. Major excavations will be carried out for the new retaining walls and building foundations. Because of the limited work areas, traffic control plans will be required during construction activities which will impact Ocean Boulevard.

Justification: These improvements are necessary to provide Americans with Disabilities Act (ADA) accessibility to the comfort station which is not currently accessible and to provide an accessible path of travel from the public way to the new facility.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: In Fiscal Year 2012, the department is planning to route a City Council Action to reflect a transfer of \$45,000 from American with Disabilities Improvements (ABE00001), Capital Outlay Fund (400002). This planned transfer request is currently reflected as unidentified funding.

Park & Recreation Grant Match Funding / AGF00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Roberson, Ray
Duration: 2010 - 2020	619-525-8217
Improv Type: New	rroberson@sandiego.gov

Description: This annual allocation provides for matching fund requirements and other unfunded needs for projects funded with alternative financing, which includes grants and private donations.

Justification: Grant match funding greatly enhances the Park and Recreation Department's ability to secure grants and donations to provide funding for projects.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Funds will be used as grants and alternative financing are identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Technically completed	Contact Information: Mahmalji, Samir
Duration: 1990 - 2011	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for an approximately 7.16 total useable acre park as a result of the Interstate 15 freeway expansion. Phase I improvements are complete and include a children's play area, a playing field, paved walkways, landscaping, and site furnishings on 5.16 acres. Phase II of the project will provide for the design and construction of 2.0 acres of passive park facilities in the 38th Street canyon area of the park. Future phases will include a monument sign, community identification theme element/art, bollards, additional parking on south 38th Street, curb, gutter and sidewalk, and various park amenities. The improvements will comply with current local, State and federal safety and accessibility codes and regulations.

Justification: Additional park acreage and associated infrastructure will provide the community with additional recreational opportunities and will increase the visual aesthetics of the area.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I and phase II are both complete. This project is complete.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Presidio Park Master Plan / S00993

Council District: 2	Priority Score: N/A
Community Plan: Old San Diego	Priority Category: N/A
Project Status: Technically completed	Contact Information: Sharpe, Deborah
Duration: 1999 - 2011	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for preparation of a master plan to restore, enhance, and manage the archaeological and historical resources at Presidio Park. Phase I provided for consultant services to oversee a task force of selected professional archaeologists, geologists, and historians who studied the park site and developed a program that will become the basis for the master plan. Phase II completes the master plan effort.

Justification: This master plan will guide the restoration, enhancement, and management of the archaeological and historical resources over a 20-year period.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Old San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: This project is complete.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Regional Park Improvements / AGF00005

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2010 - 2020	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This annual allocation provides funding for planning and implementation of permanent public capital improvements, including land acquisitions for San Diego regional parks in accordance with City Charter, Article V, Section 55.2.

Justification: San Diego's regional park system contains recreation resources unique to the City. Parks such as Balboa Park, Mission Bay Park, Mission Trails Regional Park, Otay River Valley Park, and San Diego River Park, as well as open spaces and coastal beaches, help define the City's identity, enrich the quality of life for residents, and serve as visitor attractions that strengthen the local economy. These regional treasures are threatened by increasing use and a backlog of needed improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community and park master plans and is in conformance with the City's General Plan.

Schedule: Design and construction will be scheduled in accordance with the scope of the various sub-projects.

Summary of Project Changes: Regional Park Improvement funding in the amount of \$2,281,433 has been allocated to this project for Fiscal Year 2012.

Roosevelt Middle School / S00761

Council District: 3	Priority Score: 68
Community Plan: Balboa Park	Priority Category: Medium
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2008 - 2012	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the design and construction of joint-use athletic fields at Roosevelt Junior High School. Phase I of the project provides for 1.8 useable acres of joint-use and paved walking path surrounding the field area. Future phases will provide an additional 1.9 useable acres of joint-use artificial turf, joint-use parking, a comfort station, overhead shade structures, and other amenities.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: Operation and maintenance funding for Phase I of this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2011. Construction is scheduled to begin and anticipated to be completed in Fiscal Year 2012. Future phases will be scheduled upon identification of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

San Diego River Park Master Plan / S01001

Council District: 6, 7	Priority Score: N/A
Community Plan: Mission Valley, Navajo, Tierrasanta, East Elliott	Priority Category: N/A
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2002 - 2011	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for the development of a Master Plan, including preparation of an environmental document and an economic analysis for approximately 17 miles of the San Diego River within the City of San Diego.

Justification: This project will provide a policy document to guide development, preservation, enhancement and recreation along the river over the next 20 years.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is, or will be, consistent with applicable community plans and is in conformance with the City's General Plan. Applicable community plans will be amended as needed for consistency with master plan recommendations.

Schedule: The project began in Fiscal Year 2004 and will be completed in Fiscal Year 2012.

Summary of Project Changes: Total project cost has increased by \$100,000 due to an increase in the environmental review scope of work. A City Council Action (1472) will be processed to reallocate funding from unallocated fund balance in the Regional Park Improvement Fund, which will increase the total project cost to \$1,732,000.

San Ysidro Athletic Area & Larsen Field Lighting / S11013

Council District: 8	Priority Score: 83
Community Plan: San Ysidro	Priority Category: High
Project Status: Created	Contact Information: Mahmalji, Samir
Duration: 2011 - 2014	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the design and construction of lighting systems for the two multi-purpose sports fields at the San Ysidro Athletic Area/Larsen Field.

Justification: This project is needed to expand the hours of facility use and its capacity to serve the community's residential growth.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$7,900 is based upon the Park and Recreation Department's current cost to maintain sports field lighting in various parks.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2011. Construction will be phased as funding is identified.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Sefton Field Improvements / S01012

Council District: 6	Priority Score: 27
Community Plan: Mission Valley	Priority Category: Low
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2007 - 2013	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides design and construction of improvements to enhance the 19.3 acre site currently maintained by the Presidio Little League. The improvements may include walkways, an entry monument, picnic areas, paved parking lots and roadways, landscaping, and irrigation upgrades for the existing athletic fields.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan Guidelines.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$4,700 is based upon the Park and Recreation Department's current cost to maintain landscaped areas. Operational costs for the project will be revised as amenities and unique site characteristics are refined.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan. During preparation of the General Development Plan, the community expressed a concern regarding approval of the park plan without finalization of the draft San Diego River Master Plan. Therefore, approval of the Park General Development Plan was put on hold pending approval of the River Park Master Plan, at which time compliance with the document can be determined.

Schedule: Design began in Fiscal Year 2007. Approval of the Park General Development Plan is on hold pending approval of the River Park Master Plan. Construction will be scheduled as funding is identified.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Sewer Lateral Replacement for Balboa Park / S00619

Council District: 3	Priority Score: N/A
Community Plan: Balboa Park	Priority Category: N/A
Project Status: Technically completed	Contact Information: Darvishi, Ali
Duration: 2004 - 2012	619-533-5328
Improv Type: Replacement - Rehab	adarvishi@sandiego.gov

Description: This project provides for permanent public capital improvements and deferred maintenance of existing facilities in Balboa Park in accordance with Ordinance 0-19113 and Municipal Code section 22.0229.

Justification: Balboa Park, as well as open spaces and coastal beaches, helps define the City's identity, enriches quality of life and serves as a visitor attraction that strengthens the local economy. This regional treasure is threatened by increasing use and a backlog of needed improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Phase I of this project provided for televising, repair, and replacement of sewer laterals in 20 buildings. Phase II will televise, repair, and replace the laterals in the next 20 buildings. Phase III will continue with the remaining 20 buildings. The project is currently on hold in Fiscal Year 2010 pending coordination with the Metropolitan Wastewater Department on televising and re-routing of sewer laterals within Balboa Park.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Sixth Avenue Playground Improvements / S00616

Council District: 3	Priority Score: 65
Community Plan: Balboa Park	Priority Category: Medium
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 1998 - 2010	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project will replace an existing playground within Balboa Park's West Mesa along Sixth Avenue. It will include necessary improvements to comply with the American's with Disabilities Act.

Justification: The existing playground equipment has reached the end of its useful life and needs to be replaced. A majority of the existing playground is not accessible to people with disabilities. This project will bring the playground into conformance with current standards.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project complies with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design is complete. Construction will be scheduled when funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Southcrest Trails (252 Corridor Pk Imp - Ph2) Park / S01071

Council District: 8	Priority Score: 59
Community Plan: Southeastern San Diego	Priority Category: Medium
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2009 - 2015	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for design and construction of an approximate 5.8 gross acre, 2.0 usable acre, neighborhood park in the Southcrest Neighborhood of the Southeastern Community Plan Area. Improvements may include picnic shelters, children's play area, hardcourts, walkways, fencing, amphitheater, open turf areas, security lighting, and site furnishings.

Justification: This project provides for additional park land in an extremely park deficient area.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$14,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Southeastern Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and is scheduled to be completed in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Technically completed	Contact Information: Winter, James
Duration: 2005 - 2011	619-235-5257
Improv Type: Replacement	jwinter@sandiego.gov

Description: This project studied the feasibility of providing the community with additional recreational fields.

Justification: Proposed area for recreational fields was found to be infeasible due to environmental and cost concerns.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the North City Future Urbanizing Sub Area II Community Plan and is in conformance with the City's General Plan.

Schedule: Study completed in 2006.

Summary of Project Changes: This project is completed and will be closed by the end of the fiscal year.

Sunshine Berardini Fields / S00759

Council District: 4	Priority Score: 48
Community Plan: City Heights (Mid-City)	Priority Category: Low
Project Status: Technically completed	Contact Information: Mahmalji, Samir
Duration: 2006 - 2012	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for a general development plan and design and development of the Sunshine Berardini Fields. The proposed improvements may include a comfort station, playground area, picnic area and amenities, landscaping, security and sports lighting, accessible parking and walkway, pedestrian bridge, ball field upgrades, and habitat restorations as part of the Chollas Creek Enhancement Program.

Justification: This project contributes to satisfying the population-based park acreage requirement set forth in the City's General Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Scheduling is contingent upon identification of funding.

Summary of Project Changes: The General Development Plan was prepared, and approved by the community. To complete the General Development Plan phase additional funds of \$600,000 are needed. Project is on hold until funds are identified.

Project Status: Technically completed	Contact Information: Oliver, Kevin
Duration: 2007 - 2011	619-533-5139
Improv Type: Replacement	koliver@sandiego.gov

Description: This project provides for the reconstruction of a failed slope at the northeastern end of Presidio Park along Taylor Street.

Justification: This project is needed to stabilize the slope to prevent further deterioration and damage to Taylor Street. State and federal grants have been authorized for this project and will reimburse the General Fund upon completion of construction.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Old San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2007 and was completed in Fiscal Year 2008. Construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed at the end of the fiscal year.

Tierrasanta Skate Park / S00997

Council District: 7	Priority Score: 9
Community Plan: Tierrasanta	Priority Category: Low
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2003 - 2013	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for the design and construction of a skateboard park within the Tierrasanta Community Planning Area at a location to be determined later.

Justification: This project provides for additional recreational opportunities in the community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$25,000 - \$50,000 is based upon the Park and Recreation Department's estimated cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined and all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Tierrasanta Community Plan, and is in conformance with the City's General Plan.

Torrey Pines City Park General Development Plan / S01015

Council District: 1	Priority Score: N/A
Community Plan: University	Priority Category: N/A
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2008 - 2011	619-525-8261
Improv Type: Betterment	dsharpe@sandiego.gov

Description: This project provides for the preparation of a General Development Plan and associated environmental review for 44.0 acres of the 447.0 gross acre park located off North Torrey Pines Road. The General Development Plan will incorporate the Glider Port Leasehold and will provide guidance for the development and protection of the park's sensitive habitat and historic attributes. Amenities may include passive use areas, viewing platforms, access road, public parking lot, trail, beach access and accessibility improvements, two new public comfort stations and park signage.

Justification: This project is required pursuant to a settlement agreement between the City and the Coastal Law Enforcement Action Network for violations resulting from unapproved on-site grading activities by the Lessee. Additionally, the park site is located in a community deficient in parks and recreational facilities per the City's General Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and was completed in Fiscal Year 2011. Construction will be scheduled pending funding availability.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Council District: 5	Priority Score: 13
Community Plan: Scripps Miramar Ranch	Priority Category: Low
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2009 - 2014	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for the design and construction of 7.0 acres of lighted multi-sports fields at a location west of Treena Street on San Diego Unified School District-owned property. This project will require a joint-use agreement between the City of San Diego and the San Diego Unified School District.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$96,300 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are refined.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: The scheduling of construction is dependent on the negotiation of a joint-use agreement with the school district and contingent upon the rate of development and Facilities Benefit Assessment (FBA) fees collected in the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Wegeforth Elementary School Joint Use / S00764

Council District: 8	Priority Score: 67
Community Plan: Serra Mesa	Priority Category: Medium
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2009 - 2013	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the design and construction of approximately four acres at Wegeforth Elementary School for joint-use facilities to supplement existing park acreage in the Serra Mesa Community. Phase I joint-use improvements may include turfed multi-purpose sports fields, multi-purpose courts, walkways, landscaping, and accessibility upgrades. Phase II improvements may include a comfort station.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. For Phase 1, the current cost estimate of \$91,600 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are refined.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and is scheduled to be completed in Fiscal Year 2012. Construction will be scheduled when adequate funding is identified.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Windansea Erosion Control Plan / S00656

Council District: 1	Priority Score: N/A
Community Plan: La Jolla	Priority Category: N/A
Project Status: Technically completed	Contact Information: Oliver, Kevin
Duration: 2002 - 2011	619-533-5139
Improv Type: Replacement - Rehab	koliver@sandiego.gov

Description: This project provides for beach access and parking lot improvements, and protection of cliffs and beaches through storm drain erosion control at Windansea Beach. The improvements will be completed in phases as funding becomes available. Phase I includes the construction of three sets of stairs. Phase II includes parking lot and drainage improvements. Future phases may be necessary to address the protection of cliffs and beaches through storm drain erosion control.

Justification: This project will provide stairs to the beach, coastal bluff stability, improve storm water protection through upgrades to the existing storm drain systems, and parking lot improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I construction was completed in Fiscal Year 2004. Design for Phase II began in Fiscal Year 2008 and construction began in Fiscal Year 2009. Construction was completed in Fiscal Year 2011.

Summary of Project Changes: Project is complete and will be closed at the end of the fiscal year.

Camino Ruiz Neighborhood Park Improvements / S00665

Council District: 5	Priority Score: N/A
Community Plan: Mira Mesa	Priority Category: N/A
Project Status: Technically completed	Contact Information: Oliver, Kevin
Duration: 1999 - 2010	619-533-5139
Improv Type: Replacement	koliver@sandiego.gov

Description: This project provides for development and construction of the Camino Ruiz Neighborhood Park. Phase I of this project is complete and provided for the development of an approximately ten useable-acre neighborhood park located south of Penasquitos Canyon at the intersection of Camino Ruiz and Calle Cristobal, including a comfort station, parking lot, and other park amenities. Phase II provides for the development of a multi-use trail from the park to Los Penasquitos Canyon Preserve. A trail head located within the park will provide an information kiosk for users since the trail will be located within the County's Multiple Species Conservation Program (MSCP) and the City's Multiple Habitat Protection Area (MHPA).

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project implements the recommendations found in the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design was complete in Fiscal Year 2005. Phase I of the park improvements was completed in Fiscal Year 2007. Phase II trail improvements were completed in Fiscal Year 2008.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Carmel Valley Neighborhood Park #8 / S00642

Council District: 1	Priority Score: 55
Community Plan: Carmel Valley	Priority Category: Medium
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2007 - 2014	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for acquiring and developing a four useable acre neighborhood park in Carmel Valley. Amenities may include a play area, picnic facilities, open turf area, and landscaping. Frontage road improvement will be provided by another project.

Justification: This project will provide the community with additional recreational opportunities as well enhance the visual quality of the area.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$36,200 is based upon the Park and Recreation Department's estimated cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined and all amenities and unique site characteristics are refined.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan, the Carmel Valley Neighborhood 8 Precise Plan, and is in conformance with the City's General Plan.

Schedule: The land was acquired as part of the Carmel Valley Restoration and Enhancement Project. Design and construction will be scheduled contingent upon the actual rate of development fees collected within the community and the identification of funding. Design began in Fiscal Year 2009 and is to be completed in Fiscal Year 2012. Construction is scheduled to begin in 2013.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Cypress Canyon Neighborhood Park - Phase 2 / S10046

Council District: 5	Priority Score: N/A
Community Plan: Scripps Miramar Ranch	Priority Category: N/A
Project Status: Created	Contact Information: Sharpe, Deborah
Duration: 2010 - 2020	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for Phase II of the plan to develop a 12 useable acre neighborhood park. Approximately eight useable acres were developed in 1991 as part of Phase I. This phase calls for the development of an additional four useable acres.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Cypress Canyon Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$48,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan, and it is in conformance with the City's General Plan.

Schedule: Schedule is contingent upon coordination of site development with adjacent private development.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Dennerly Ranch Neighborhood Park / S00636

Council District: 8	Priority Score: 16
Community Plan: Otay Mesa	Priority Category: Low
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2005 - 2014	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for acquisition, design, and construction of a nine useable acre park site in the Otay Mesa Community Plan and the Dennerly Ranch Precise Plan areas. The park may include a multi-purpose court, restroom, children's play area, picnic area and facilities, open turf area, staging area, and trail with connectivity to the Otay Valley Regional Park.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Dennerly Ranch Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$108,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and the Dennerly Ranch Precise Plan, and is in conformance with the City's General Plan.

Schedule: Acquisition, design and construction will be scheduled contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Dingeman School/Spring Canyon Neighborhood Park / S01067

Council District: 5	Priority Score: N/A
Community Plan: Miramar Ranch North	Priority Category: N/A
Project Status: Technically completed	Contact Information: Oliver, Kevin
Duration: 2007 - 2012	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: The project provides for improvements on the turf multi-sports areas at the Spring Canyon Park. Improvements include replacing irrigation sprinkler heads for more uniformity, bringing in top soil and laser leveling entire multi-sports turfed areas to fill in low spots and provide better drainage, and place Bermuda stolens to fill in bare and worn areas for a safer playing area.

Justification: Improvements to the turf multi-sports areas at the Spring Canyon Park is needed due to excessive use from youth and adult groups from a variety of sports. Improvements will provide for a safer playing area for the community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Miramar Ranch North Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2007 and was completed in Fiscal Year 2007. Construction began in Fiscal Year 2008 and was completed in Fiscal Year 2011.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Fairbrook Neighborhood Park - Acquisition / S01002

Council District: 5	Priority Score: 9
Community Plan: Scripps Miramar Ranch	Priority Category: Low
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 1990 - 2015	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for land acquisition of approximately three useable acres for a neighborhood park south of Pomerado Road in the Scripps Miramar Ranch area.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Fairbrook Subdivision.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Scheduling is contingent upon development of the subdivision, which has been deferred by the property owner, San Diego Unified School District. The City will acquire property for the park subsequent to completion of public infrastructure improvements pursuant to a development agreement.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Fairbrook Neighborhood Park Development / S01083

Council District: 5	Priority Score: N/A
Community Plan: Scripps Miramar Ranch	Priority Category: N/A
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2008 - 2020	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for development of an approximately three useable acre neighborhood park south of Pomerado Road in the Scripps Miramar Ranch area, adjacent half-width street improvements, and utilities to serve the park.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Fairbrook Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$36,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Scheduling is contingent upon acquisition of the site, which has been deferred by the San Diego Unified School District. The City will acquire property for the park subsequent to completion of public infrastructure improvements pursuant to a development agreement.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Gompers Neighborhood Park- Play Area Upgrades / S11030

Council District: 4	Priority Score: 82
Community Plan: Southeastern San Diego	Priority Category: High
Project Status: Created	Contact Information: Mahmalji, Samir
Duration: 2011 - 2014	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for Americans with Disabilities Act (ADA) upgrades and improvements to the children's play area, path of travel, and comfort station within the park to comply with State and federal safety and accessibility guidelines. Phase I will include Americans with Disabilities Act upgrades to the path of travel, including the comfort station. Phase II will include improvements to the children's play area.

Justification: This project is needed to upgrade existing site improvements and play area facilities to meet current federal and State safety and accessibility regulations, and will serve the needs of existing and future residents.

Operating Budget Impact: Operation and maintenance funding for this project will be included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I design began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012. Phase I construction is scheduled for Fiscal Year 2013. Phase II design began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012. Phase II construction will be scheduled when funding is identified.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2007 - 2013	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the acquisition, design and construction of a five useable acre neighborhood park adjacent to a planned elementary school in the Gonzales Canyon area of the Pacific Highlands Ranch Community. Park amenities will include a multi-purpose turf sports field, a children's play area, multi-purpose courts, picnic facilities, security lighting, landscape, and a comfort station.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Gonzales Canyon area of Pacific Highlands Ranch Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$112,600 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Sub Area Plan and is in conformance with the City's General Plan.

Schedule: Land Acquisition was completed in Fiscal Year 2011. The schedule of design and construction of the project is pending agreement with developer.

Summary of Project Changes: No significant changes have been made to this project in Fiscal Year 2012.

Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2007 - 2013	619-525-8261
Improv Type: New	dsharpe@sandiego.gov

Description: This project provides for the acquisition, design and construction of a four useable acre neighborhood park serving the Otay Mesa Community. Amenities may include an open turfed area and children's play area, as well as off-site improvements to serve the park.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Hidden Trails Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$48,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan, the Hidden Trails Precise Plan, and is in conformance with the City's General Plan.

Schedule: Land acquisition began in Fiscal Year 2008 and was scheduled for completion in Fiscal Year 2011. Design was scheduled to begin in Fiscal Year 2011. Project construction is dependent upon the actual rate of development within the Otay Mesa Community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Home Avenue Park / S00673

Council District: 4	Priority Score: 49
Community Plan: City Heights (Mid-City)	Priority Category: Medium
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2002 - 2013	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the design and construction of a new neighborhood park, enhancements to Chollas Creek, and associated traffic improvements on Home Avenue for pedestrian crossing.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$24,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled in Fiscal Year 2012. Construction is anticipated in Fiscal Year 2014.

Summary of Project Changes: The project cost has increased due to additional scope which includes design and construction of additional park amenities, a new comfort station and environmental mitigations. It is anticipated that the project will receive \$2,600,000 from a federal grant in Fiscal Year 2012. Additionally, \$600,000 of the total project cost has not yet been identified.

Maddox Neighborhood Park Playground Upgrades / S10086

Council District: 5	Priority Score: 88
Community Plan: Mira Mesa	Priority Category: High
Project Status: Created	Contact Information: Oliver, Kevin
Duration: 2010 - 2014	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the design and construction/installation for the upgrade/replacement of existing playground equipment at Maddox Neighborhood Park and all associated Americans with Disabilities Act and drainage improvements required to comply with all State and federal accessibility guidelines and City standards.

Justification: The Americans with Disabilities Act (ADA) of 1995 requires that children's play areas provide like facilities for all children regardless of physical ability. This includes equipment, as well as a resilient surfacing which is accessible to persons with disabilities. This project will also upgrade the children's play areas to be fully compliant with current State safety regulations and federal ADA requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in conformance with the Mira Mesa Community Plan and the City's General Plan.

Schedule: Design began and was completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Mira Mesa Community Park-Expansion & Aquatic Compl / S00667

Council District: 5	Priority Score: 11
Community Plan: Mira Mesa	Priority Category: Low
Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2004 - 2013	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for developing approximately 11 usable acres of the former Carroll School park site across the street from Mira Mesa Community Park. Amenities include a comfort station and ballfields. The Mira Mesa Community Park will also be upgraded to include a pool complex, improved recreation center, and skate plaza. The street between the two sites will include parking and street calming. This project will be phased as funding becomes available. Phase I includes the ballfields and street calming. Phase II includes the pool complex and skate plaza. Phase III includes recreation center improvements.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$109,000 for Phase I is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project implements the recommendations found in the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Park design was completed in Fiscal Year 2008. The scheduling of construction is contingent upon the rate of development and Facilities Benefit Assessment (FBA) fees collected in the community.

Summary of Project Changes: Public Facilities Financing Plan for Mira Mesa is being updated and will impact funding schedule.

Project Status: Released	Contact Information: Ritter, Clark
Duration: 2005 - 2014	619-533-4601
Improv Type: New	lritter@sandiego.gov

Description: This project provides for lighting and park improvements at the Montgomery-Waller Community Park. Phase I of this project provides for the addition of lighting to the existing multi-purpose softball, soccer, and football field. Phase II will replace the comfort station.

Justification: This project will provide needed facilities to expand the hours of use at the park and provide safer access for park users.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa-Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I was completed in Fiscal Year 2006. Phase II design began in Fiscal Year 2007 and was completed in Fiscal Year 2011. Phase II construction is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: The scope of the project for Phase II has changed from constructing additional parking to replacing the comfort station because street parking was identified to accommodate additional vehicles. The comfort station will be completed in Fiscal Year 2012.

Rancho Encantada Neighborhood Park #1 / S10122

Council District: 7	Priority Score: N/A
Community Plan: Rancho Encantada	Priority Category: N/A
Project Status: Technically completed	Contact Information: Mahmalji, Samir
Duration: 2005 - 2011	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for acquisition and development of a neighborhood park in the Rancho Encantada Community consisting of approximately eight useable acres.

Justification: This park will be located in the core of the community. In accordance with the City of San Diego's "Progress Guide and General Plan," new development is to provide 2.4 acres of park land improvement for every 1,000 people. With an estimated population of 3,328, the required park acreage would be eight acres. The project meets this requirement. The park has been prepared with the concept that it is centrally located, therefore accessible for bicyclists and pedestrians and is planned to include both active and passive activities. At 2.4 acres per 1,000 population, this park site satisfies the acreage requirements for this community as set forth in the general plan.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Rancho Encantada Community Plan and is in conformance with the City's General Plan.

Schedule: Construction was completed in Fiscal Year 2009. Reimbursement to the developer has been completed.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Rancho Encantada Park #2 / S00652

Council District: 7	Priority Score: N/A
Community Plan: Rancho Encantada	Priority Category: N/A
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2006 - 2014	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for development of approximately six acres for a neighborhood park to include active and passive uses, parking lot, playground, comfort station and lighted ball fields.

Justification: This park will provide additional amenities above the the population-based park acreage requirements set forth in the City's General Plan due to an extraordinary benefits agreement.

Operating Budget Impact: Maintenance and operations will be administered by a Maintenance Assessment District set up Fiscal Year 2007 specifically established for this park.

Relationship to General and Community Plans: This project is consistent with the Rancho Encantada Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2008. Construction is contingent upon the finalization of reimbursement agreements. This is a turn-key park built by the Developer team.

Summary of Project Changes: An increase of \$154,000 of Facilities Benefit Assessment Funds is anticipated for Fiscal Year 2012.

Ridgewood Neighborhood Park Playground / S00672

Council District: 1	Priority Score: N/A
Community Plan: Rancho Penasquitos	Priority Category: N/A
Project Status: Technically completed	Contact Information: Oliver, Kevin
Duration: 2008 - 2010	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project will bring the children's play area at Ridgewood Neighborhood Park into compliance with Americans with Disabilities Act (ADA) standards and requirements.

Justification: The Americans with Disabilities Act (ADA) of 1995 requires that children's play areas provide like facilities for all children, regardless of physical ability. This includes equipment, as well as a resilient surfacing, which is accessible to persons with disabilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008 and construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Riviera Del Sol Neighborhood Park / S00999

Council District: 8	Priority Score: 73
Community Plan: Otay Mesa	Priority Category: High
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 2006 - 2013	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for land acquisition and development of a 4.9 useable acre neighborhood park at a site located in the Riviera del Sol Subdivision.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Riviera del Sol Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$60,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan, the Riviera del Sol Precise Plan, and is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2011. Design began in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Silver Wing Neighborhood Park Sports Fld & Sec Lgt / S11051

Council District: 8	Priority Score: 74
Community Plan: Otay Mesa - Nestor	Priority Category: High
Project Status: Created	Contact Information: Mahmalji, Samir
Duration: 2011 - 2015	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for the design and construction of multi-purpose sports fields and security lighting systems at the Silver Wing Neighborhood Park. The project will be phased with Phase I consisting of the lighting systems' design. Subsequent phases will be implemented as funding becomes available.

Justification: This project is needed to expand the hours of facility use and its capacity to serve the community's residential growth, and will provide a more secure facility.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, however, it is estimated that \$6,000 will be required annually based upon Park and Recreation Departments current cost to maintain lighting in various parks.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011. Construction will be phased as funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Sunroad Neighborhood Park - Development / S10048

Council District: 6	Priority Score: 95
Community Plan: Kearny Mesa	Priority Category: High
Project Status: Created	Contact Information: Oliver, Kevin
Duration: 2010 - 2012	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the design and construction of an approximately two acre public neighborhood park within the Kearny Mesa Community. Improvements may include amenities such as children's play area, open turf area, walkways, picnic facilities, site furnishings, landscaping and security lighting and all associated Americans with Disabilities Act (ADA)/Title 24 requirements to comply with all State and federal accessibility guidelines and City standards.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan and the Site Development Permit to serve the new residents to be generated by the Sunroad Centrum residential development. This project is a turn-key project to be implemented by the Sunroad developer pursuant to an approved park development agreement.

Operating Budget Impact: This facility will be maintained by the developer.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Project design began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: It is anticipated that funding will be contributed to this project in Fiscal Year 2012.

Project Status: Released	Contact Information: Oliver, Kevin
Duration: 2003 - 2012	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the acquisition, design and construction of a five useable acre neighborhood park in Torrey Highlands adjacent to a proposed elementary school, including half-width street improvements and a comfort station.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$68,000 is based upon the Park and Recreation Department's estimated cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined and all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Community Plan and is in conformance with the City's General Plan.

Schedule: Land Acquisition has been completed. Design and construction will be scheduled when funds become available. This schedule is dependent upon the actual rate of development within the Torrey Highlands Community.

Summary of Project Changes: It is anticipated that \$3,333,611 in Facilities Benefit Assessment (FBA) funding will be available for this project in Fiscal Year 2012.

Duration: 2011 - 2012	619-533-6727
Improv Type: Betterment	lball@sandiego.gov

Description: This project provides for design, engineering, construction, and installation of structures, as well as the rehabilitation and installation of appropriate material to re-establish approximately 2,000 linear feet of existing trail. This project will supplement the existing and increasing recreational activities of hikers and the increase of sensitive resource impacts caused by hikers leaving the official trail. When completed, this trail rehabilitation will improve safety and reduce or eliminate loss of sensitive natural resources due to visitor use and erosion. Improvements will include minimal pruning and hand crew installation of materials. No grading will be done; however, some hand tool manipulation of existing soils may occur. This project will also provide funding to improve existing Americans with Disabilities Act (ADA) facilities at the trailhead at Golfcrest Drive and Navajo Road. The remainder of this trail is not ADA accessible.

Justification: This project will benefit the community by increasing safety for hikers and protect sensitive natural and cultural resources.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Plan, the Navajo and Tierrasanta Community Plans, and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2011 and will continue in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Mission Valley Preserve Habitat Enhancement / S00755

Council District: 6	Priority Score: N/A
Community Plan: Mission Valley	Priority Category: N/A
Project Status: Released	Contact Information: Sharpe, Deborah
Duration: 2009 - 2011	619-525-8261
Improv Type: Replacement - Rehab	dsharpe@sandiego.gov

Description: This project provides for the enhancement of 4.22 acres within the Mission Valley Preserve by eradicating non-native vegetation and replanting native plants. The project area is located west of Interstate 5, west of the trolley line, north of Interstate 8 and south of the San Diego River.

Justification: This project will enhance the riparian habitat of the San Diego River for native flora and fauna preservation and public enjoyment.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Implementation of the project was completed in Fiscal Year 2010. Plant establishment was completed in Fiscal Year 2011.

Summary of Project Changes: This project will be closed by the end of the fiscal year.

Multiple Species Conservation / S01076

Council District: 1	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 2000 - 2048	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for acquiring property in support of the Multiple Species Conservation Program (MSCP).

Justification: The Multiple Species Conservation Program (MSCP) Implementing Agreement, Section 10(a), Take Authorization of the Endangered Species Act, mandates a statutory responsibility on the part of the City to assemble the MSCP preserve. This responsibility includes public land acquisition to be used for wildlife habitat.

Operating Budget Impact: Operating Budget Impact to be determined as property is acquired.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Land acquisitions began in Fiscal Year 2000 and will continue as funding becomes available through Fiscal Year 2047. Per the City's MSCP Implementing Agreement (I.A.), preservation of 52,727 acres is to occur within the Multi-Habitat Planning Area (MHPA). To date, 49,230 acres (93%) have been conserved or obligated. The remaining 3,497 acres will be conserved through various means including mitigation, exactions, and acquisitions. Funding necessary to purchase the remaining 3,497 acres is estimated to be \$120.2 million without contributions through mitigation and exactions. It is anticipated that approximately one third of this obligation will be met through mitigation and exactions as part of the development process. Grant funding will be activity pursued as a future funding source for acquisitions. The total project cost has been updated to reflect future property acquisitions pursuant to the MSCP established by Council Resolution R-28455 on March 19, 1997.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Winter, James
Duration: 2010 - 2020	619-235-5257
Improv Type: New	jwinter@sandiego.gov

Description: This project provides for developing public facilities within the City's resource-based open space parks. Improvements may include rehabilitation of Cowles Mountain Trail, drainage improvements within Tecolote Open Space, San Diego River improvements, Arizona Landfill reclamation test plot, and North Chollas Open Space enhancement.

Justification: This project is needed to preserve and enhance the City's open space areas. Enhancement may include removal of exotic, invasive and non-native plant material and re-vegetation with native plants of the areas susceptible to erosion.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and the concepts relative to specific open space systems, and is in conformance with the City's General Plan.

Schedule: The Arizona Landfill is currently in design. North Chollas Open Space enhancement is ongoing. Design for improvements at Cowles Mountain and Tecolote began in Fiscal Year 2009. Florida Canyon Riparian Restoration will begin after the completion of the Florida Canyon drainage project.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Otay Valley Regional Park / S00769

Council District: 8	Priority Score: N/A
Community Plan: Otay Mesa - Nestor	Priority Category: N/A
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2008 - 2014	619-533-5328
Improv Type: New	adarvishi@sandiego.gov

Description: This project provides for design and construction of the regional staging area in Otay Valley Regional Park and may include grading, drainage, utilities, restroom, security lights, interpretive kiosk, horse corals, a project sign, drinking fountain, and trails for hiking, biking, and equestrian users.

Justification: This project will provide equestrian, hiking, and biking infrastructure and access to the Otay Valley Regional Park.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's final design has not been approved, therefore, the current cost estimate of \$50,000 is based upon the Park and Recreation Department's current cost to maintain various open space areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Otay Valley Regional Park Concept Plan, and the Otay Mesa-Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Sunset Cliffs Natural Park Hillside Improvements / S10091

Council District: 2	Priority Score: 58
Community Plan: Peninsula	Priority Category: Medium
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2010 - 2015	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project will complete improvements to the hillside portion of the Sunset Cliffs Natural Park, consisting of final project design documents, environmental review and construction documents. Future phases of this project may include construction of trails, habitat restoration, erosion control, removal of houses within the park, and the removal and return to natural vegetation of the softball field.

Justification: This project is needed to preserve and enhance the Sunset Cliffs Natural Park, one of the unique coastal environments in San Diego County. The project begins the implementation of the Sunset Cliffs Natural Park Master Plan which was approved in 2005.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2013. Construction will be scheduled when the project and funding is fully identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Chollas Community Park / S00654

Council District: 4, 7	Priority Score: 49
Community Plan: Eastern Area (Mid-City)	Priority Category: Medium
Project Status: Released	Contact Information: Mahmalji, Samir
Duration: 1989 - 2014	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the design and development of North Chollas Community Park, located on College Grove Drive midway between 54th Street and College Avenue. Phase I improvements consist of a sports field, parking area, access road, tot lot, and comfort station with concession area. Future phases may include additional sports and multi-purpose fields, a play area, basketball courts, picnic areas, additional parking areas, creek enhancement, trails, a gymnasium, and a dog off-leash area.

Justification: This project will provide a park and athletic facility to serve the greater community. The surrounding area is not currently served by a community park and the region is deficient in sports facilities and open park areas.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$84,000 is based upon the Park and Recreation Department's estimated cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined and all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: The multi-purpose ballfield was completed. Remaining Phase II improvements and additional phases will be scheduled as funding is identified.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Council District: 7	Priority Score: 53
Community Plan: Navajo, Tierrasanta	Priority Category: Medium
Project Status: Released	Contact Information: Deangelis, Jeannette
Duration: 1994 - 2017	619-533-5497
Improv Type: Replacement	jdeangelis@sandiego.gov

Description: This project provides for dredging behind the Old Mission Dam for the purpose of removing silt buildup, the required mitigation and monitoring program, and obtaining the necessary permits for long term preservation measures.

Justification: This project will protect the structural integrity of the historic dam and improve water quality within the San Diego River.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with Mission Trails Regional Park Master Plan, the Navajo Community Plan, and is in conformance with the City's General Plan.

Schedule: Construction was completed in Fiscal Year 2008. Wetland mitigation began in Fiscal Year 2008 and will continue in Fiscal Year 2012 with mitigation and monitoring scheduled through Fiscal Year 2016.

Summary of Project Changes: No changes are anticipated for the project in Fiscal Year 2012.

Resource-Based Open Space Parks / AGE00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Harwell, Steve
Duration: 2010 - 2020	619-533-6729
Improv Type: New	sharwell@sandiego.gov

Description: This annual allocation provides for developing public facilities within the City's resource-based (Parks to Population Ratio - approximately 20 acres/1,000 people, Population Based: 2.8 acres, Resource Based/Open Space: 16.0 acres, Athletic Areas/Mini Parks: 1.6 acres) open space parks, including Los Penasquitos Canyon Preserve, Mission Trails Regional Park, Marian Bear Memorial Park, Tecolote Canyon Natural Park, Otay Valley Regional Park, Rose Canyon and other open space parks such as Black Mountain. Other open space systems may be included as additional acquisitions are completed.

Justification: The City's open space acquisitions have resulted in increased interest by citizens, elected representatives, and government agencies in commencing development of open space public facilities, which are consistent with open space concepts such as trails, signs, historic site improvements, picnic facilities, and entry points.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Design and construction will be phased in accordance with the scope of various sub-projects.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Improv Type: New	pjacob@sandiego.gov

Description: This project provides for a study to identify and analyze drainage and erosion issues at Sunset Cliffs National Park, recommend solutions, and provide environmental review of the recommendations.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Justification: Drainage and erosion improvements to the park are recommended in the Peninsula Community Plan and the Sunset Cliffs Natural Park Master Plan.

Schedule: The study began in Fiscal Year 2006 and will continue through Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Operating Budget Impact: None.

Del Mar Mesa Central Multi Use Trail / S00890

Council District: 1	Priority Score: 19
Community Plan: Del Mar Mesa	Priority Category: Low
Project Status: Released	Contact Information: Ball, Laura
Duration: 2003 - 2012	619-533-6727
Improv Type: New	lball@sandiego.gov

Description: This project provides for the construction of a four-foot wide, one mile long multi-use trail, extending easterly from the northerly section of Carmel Mountain Road through the Lorenz Parcel, then south-erly into Penasquitos Canyon.

Justification: This project provides additional recreational opportunities in Del Mar Mesa.

Operating Budget Impact: This project will require an on-going operational budget for non-personnel expenses. The current cost estimate of \$2,000 is based upon the Park and Recreation Department's current cost to maintain trails.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2005. This project is being completed in segments and is dependent on development construction build out.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Del Mar Mesa Northern Hiking/Equestrian Trail / S00892

Council District: 1	Priority Score: 19
Community Plan: Del Mar Mesa	Priority Category: Low
Project Status: Released	Contact Information: Ball, Laura
Duration: 2002 - 2012	619-533-6727
Improv Type: New	lball@sandiego.gov

Description: This project provides for an eight-foot wide hiking and equestrian trail, 8,000 feet long, extending northerly from the Carmel Mountain Road and Del Mar Mesa Road intersection area, then westerly in the developable area along open space. The trail will continue to the westerly end of Del Mar Mesa Road. This project also includes improvements to a 1,000-foot long existing trail that extends northerly into Carmel Valley Neighborhood 8.

Justification: This project provides additional recreational opportunities in Del Mar Mesa.

Operating Budget Impact: This project will require an on-going operational budget for non-personnel expenses. The current cost estimate of \$3,030 is based upon the Park and Recreation Department's current cost to maintain trails.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition and design began in Fiscal Year 2004. Construction began in Fiscal Year 2005. However, this project is being completed in segments and is dependent upon the actual rate of development within the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Ball, Laura
Duration: 2002 - 2012	619-533-6727
Improv Type: New	lball@sandiego.gov

Description: This project provides for a surfaced eight-foot wide multi-use trail, 2,000 feet long, extending southerly from the end of Del Mar Mesa Road, crossing the Meadows Del Mar entry road. The trail will branch westerly to connect to the wildlife crossing under Carmel Country Road, and easterly to connect to the Shaw Valley and Neighborhood 10 trails in Carmel Valley.

Justification: This project provides additional recreational opportunities.

Operating Budget Impact: This project will require an on-going operational budget for non-personnel expenses. The current cost estimate of \$1,000 is based upon the Park and Recreation Department's current cost to maintain trails.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2007. Construction began in Fiscal Year 2007 and is scheduled to be completed when funding is identified. This project is being completed in segments and is dependent on development construction build-out.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Hiking & Equestrian Trail Neighborhood Park #10 / S00722

Council District: 1	Priority Score: 19
Community Plan: Carmel Valley	Priority Category: Low
Project Status: Released	Contact Information: Ball, Laura
Duration: 2008 - 2012	619-533-6727
Improv Type: New	lball@sandiego.gov

Description: This project provides for a multi-use trail connection from Del Mar Mesa to Carmel Valley.

Justification: The construction of the identified trails or trail connections will contribute to completion of connectivity with the existing City and regional trail system, providing benefits to the community, including increased recreational opportunities, protection of sensitive natural resources, and alternate transportation opportunities to residents and visitors.

Operating Budget Impact: This project will require an on-going operational budget for non-personnel expenses. The current cost estimate of \$2,200 is based upon the Park and Recreation Department's current cost to maintain trails.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and the Carmel Valley Neighborhood 10 Precise Plan, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2007. Construction began in Fiscal Year 2009. The schedule is contingent upon the rate of development and fees collected in the community. The project is expected to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Ball, Laura
Duration: 2003 - 2012	619-533-6727
Improv Type: New	lball@sandiego.gov

Description: This project provides for the construction of an unimproved multi-use trail, 8,000 feet long extending easterly from the end of Z Street to the San Diego Gas and Electric (SDG&E) easement. The trail will continue southerly within the easement into Penasquitos Canyon.

Justification: This project provides additional recreational opportunities in Del Mar Mesa.

Operating Budget Impact: Maintenance of the site will be the responsibility of SDG&E

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2007. Construction began in Fiscal Year 2005 and is ongoing. Major trail segments are complete, however, construction of additional segments is dependent upon the actual rate of development within the community. The location is in an SDG&E easement corridor and work must be coordinated with SDG&E.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Mission Trails Regional Park Trail Realignments / S10066

Council District: 7	Priority Score: 20
Community Plan: Navajo, Tierrasanta	Priority Category: Low
Project Status: Created	Contact Information: Ball, Laura
Duration: 2009 - 2012	619-533-6727
Improv Type: New	lball@sandiego.gov

Description: This project provides for design, engineering and construction of approximately 5,000 linear feet of new (realignment) trail and rehabilitation of approximately 3,500 linear feet of existing trail. This is to supplement existing and increased recreational activity of all visitor user groups (hikers, bikes, equestrian) and to stabilize and protect sensitive habitat and natural resources currently impacted by poor trail alignment. Improvements will include vegetation pruning and trimming, as well as hand crew manipulation of soils for best location of trails that will meet City Trail Standards (safety and sustainability). Locations of these trail realignments have been roughly engineered on-site but will require environmental review and approval. No grading is anticipated. No trails in this area are Americans with Disabilities Act (ADA) accessible and this realignment would not provide (ADA) opportunities due to lack of access.

Justification: New realignment will provide for improved safety to visitors and protection of sensitive resources.

Operating Budget Impact: Operation and maintenance funding for this facility will be included in Park and Recreation's budget.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Plan, the Navajo and Tierrasanta Community Plans, and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2009 and are scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant changes has been made to this project for Fiscal Year 2012.

North Park/Main Street Sidewalk Improvements / S10040

Council District: 3	Priority Score: 47
Community Plan: Greater North Park	Priority Category: Medium
Project Status: Created	Contact Information: Field, Andy
Duration: 2010 - 2016	619-533-6724
Improv Type: Betterment	afield@sandiego.gov

Description: The project provides for the replacement of existing red sidewalk and decorative tile pavement along 30th Street and University Avenue near the Main Street area of North Park.

Justification: The project will replace existing red sidewalk and decorative tiles that are cracked, deteriorated, and missing.

Operating Budget Impact: Cleaning activities along the sidewalk including litter pick-up, sweeping, and steam cleaning will continue after the project is completed. Maintenance is funded by the Greater North Park Maintenance Assessment District; no additional operating budget impact as a result of this project is anticipated.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Project on hold pending Project S-00915, University Avenue Mobility Project (UAMP). Design and construction will not occur until Fiscal Year 2012 at the earliest.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Del Mar Terrace Street Improvements / S10038

Council District: 1	Priority Score: 34
Community Plan: Torrey Pines	Priority Category: Low
Project Status: Created	Contact Information: LaSelle, Kim
Duration: 2010 - 2016	619-527-5455
Improv Type: Betterment	klaselle@sandiego.gov

Description: This project will provide for the resurfacing and slurry sealing of residential streets within the Del Mar Terrace Maintenance Assessment District (MAD). Additional improvements may include upgrades to asphalt berms and curb and gutter installation where needed.

Justification: This project is an identified improvement in the Del Mar Terrace Maintenance Assessment District which includes slurry seal maintenance every five years and resurfacing every 15 years.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Schedule: This project addresses on-going maintenance requirements. Project schedule is dependent upon funding availability.

Summary of Project Changes: An additional \$65,000 of Del Mar Terrace MAD funding has been allocated to this project in Fiscal Year 2012.

Talmadge Street Improvements / S00820

Council District:	3	Priority Score:	36
Community Plan:	Kensington - Talmadge (Mid-City)	Priority Category:	Low
Project Status:	Released	Contact Information:	Lasaga, Fernando
Duration:	2002 - 2014		619-533-7406
Improv Type:	New		flasaga@sandiego.gov

Description: This project provides for streetscape and lighting improvements within the Talmadge Maintenance Assessment District (MAD). A prior phase of this project landscaped the traffic circle located at 49th Street, Adams Street, and Lorraine Drive. The current phase will install decorative street lighting throughout the neighborhood in conjunction with a utility undergrounding project. The MAD is divided into two zones (east and west). Ornamental lighting improvements are planned for Zone 1 (east). Upgrades and improvements to the existing lighting infrastructure are planned for Zone 2 (west). Companion projects are S00976, S00977, and S00978.

Justification: This project will enhance nighttime illumination, which should increase resident safety in Talmadge. Decorative elements in the lights will increase neighborhood identification and pride.

Operating Budget Impact: The Talmadge MAD will maintain the enhanced street lights and other improvements installed through this project. Maintenance of this area is identified as an improvement in the Talmadge MAD Assessment Engineer's Report and the Talmadge Master Plan. The estimated budget impact will be known after completion of design.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Schedule: Street lighting installation is scheduled to begin in late Fiscal Year 2011 and to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant changes has been made to this project in Fiscal Year 2012.

Bird Rock Median Lighting / S11007

Council District: 1	Priority Score: 41
Community Plan: La Jolla	Priority Category: Medium
Project Status: Created	Contact Information: Qasem, Labib
Duration: 2011 - 2014	619-533-6670
Improv Type: New	lqasem@sandiego.gov

Description: This project will provide for the lighting of medians located within the Bird Rock Maintenance Assessment District.

Justification: Median street lighting will provide illumination of planting and trees within Bird Rock along La Jolla Boulevard. Street lighting within the boundaries of the Bird Rock Maintenance Assessment District is an identified improvement in accordance with the Assessment Engineer's Report.

Operating Budget Impact: The Bird Rock Maintenance Assessment District will provide for maintenance and energy costs associated with the enhanced street lighting. The operating budget impact to the Maintenance Assessment District will be estimated when design is complete.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and it is in conformance with the City's General Plan.

Schedule: Design and construction are scheduled for Fiscal Years 2011 and 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Field, Andy
Duration: 2011 - 2016	619-533-6724
Improv Type: Replacement	afield@sandiego.gov

Description: This project provides for the renovation and replacement of existing asphalt medians with stamped concrete medians.

Justification: This project is an identified improvement in the Camino Santa Fe Maintenance Assessment District (MAD). The existing medians are old and damaged and in need of renovation or replacement.

Operating Budget Impact: The Camino Santa Fe Maintenance Assessment District will be responsible for maintenance associated with the medians. No operating budget impact is anticipated as current sweeping and cleaning schedules would continue.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and it is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012. Construction will be scheduled when sufficient funding becomes available.

Summary of Project Changes: An additional \$30,000 of Camino Santa Fe MAD funding has been allocated to this project in Fiscal Year 2012.

Description: This project provides for the installation of landscaping and accompanying stamped concrete to an unimproved median along Carmel Country Road.

Justification: The benefit of this project is to improve the visual quality and integrity of the street medians through street and landscaping improvements.

Operating Budget Impact: The existing unimproved median is currently maintained for trash and weed removal by the Carmel Valley Maintenance Assessment District. Once the project is completed, the additional landscape maintenance services will be funded by the District.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011. Construction is scheduled to begin and to be completed in Fiscal Year 2012.

Convert RB Medians-Asphalt to Concrete / L12000

Council District: 5	Priority Score: 50
Community Plan: Rancho Bernardo	Priority Category: Medium
Project Status: Created	Contact Information: Field, Andy
Duration: 2012 - 2012	619-533-6724
Improv Type: New	afield@sandiego.gov

Description: This project provides for the conversion of asphalt medians to concrete medians along various roadways in the Rancho Bernardo community. Initial locations include medians along Pomerado Road near the intersection with Rancho Bernardo Road.

Justification: The community has requested streetscape improvements to major arterial corridors within Rancho Bernardo. This project allows certain medians to be enhanced by replacing deteriorating asphalt with decorative stamped concrete.

Operating Budget Impact: The existing hardscape medians are maintained by the Maintenance Assessment District. There is no anticipated increase in maintenance costs.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction for initial locations are scheduled for Fiscal Year 2012.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Project Status: Released	Contact Information: Lasaga, Fernando
Duration: 1994 - 2016	619-533-7406
Improv Type: New	flasaga@sandiego.gov

Description: This project provides for streetscape improvements which include the installation of street lights and replacement of sidewalks, curbs, and gutters along El Cajon Boulevard from Louisiana Street east to 54th Street.

Justification: The El Cajon Boulevard revitalization project began as a part of the Mid-City Commercial Revitalization Program which was originally funded by a Community Development Block Grant and TransNet. This project will continue the approved design along additional commercial blocks using funding from the El Cajon Boulevard Maintenance Assessment District (MAD). The MAD Assessment Engineer's Report identifies streetscape improvements including street lighting as an improvement within the project area.

Operating Budget Impact: Those projects that are identified as improvements in the El Cajon Boulevard MAD Assessment Engineer's Report will be maintained by the El Cajon Boulevard MAD. The MAD will fund the maintenance and energy costs associated with the special benefit street lighting installed by this project. Since design for the street light element has not been completed, the actual number of street lights to be installed by this project and resultant operating budget effect is not known.

Relationship to General and Community Plans: This project implements the Mid-City and Greater North Park Communities' Plans and is in conformance with the City's General Plan.

Schedule: Preliminary Engineering of additional streetlighting began in Fiscal Year 2010, but is now on hold pending City Council re-allocation of Community Development Block Grants in Fiscal Year 2011. Design and construction will continue in Fiscal Year 2012. Additional street lights and curb, sidewalk, and gutter improvements are planned when funding becomes available.

Summary of Project Changes: An additional \$50,000 of Mid-City MAD CIP funding and \$310,000 of Federal Grant has been allocated to this project in Fiscal Year 2012.

Trans - Roadway - Enhance/Scape/Medians

Council District: 5	Priority Score: 28
Community Plan: Rancho Bernardo	Priority Category: Low
Project Status: Created	Contact Information: Field, Andy
Duration: 2010 - 2016	619-533-6724
Improv Type: Betterment	afield@sandiego.gov

Description: This project provides for the renovation and replacement of existing asphalt medians along Pomerado Road between Greens East Road/Paseo Del Verano to Oaks North Drive with landscape improvements and accompanying stamped concrete at various locations.

Justification: This project will enhance the appearance of the corridor through the replacement of deteriorating medians.

Operating Budget Impact: Newly planted medians will require additional maintenance which will be funded from the Rancho Bernardo Maintenance Assessment District. The estimated cost to maintain the enhanced medians will become known once design is completed.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and it is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and construction thereafter contingent upon future allocations from the Rancho Bernardo Maintenance Assessment District.

Summary of Project Changes: An additional \$175,000 of Rancho Bernardo Maintenance Assessment District funding has been allocated to this project in Fiscal Year 2012. The project scope has been narrowed to include solely the median between Greens East Road/Paseo Del Verano to Oaks North Drive along Pomerado Road.

Description: This project provides for replacement of the asphalt paving around existing landscaped medians at various locations along Pomerado Road south of Rancho Bernardo Road.

Justification: Existing medians are deteriorating and are in need of repairs. Median improvements will enhance the visual quality of the area.

Operating Budget Impact: Sweeping and upkeep of medians is currently, and will continue to be, funded by the Rancho Bernardo Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Pomerado Rd Median Improvements-s/o R Bernardo Rd / S10034

Schedule: Design and construction of the first two segments (Caminito Vecinos North to Caminito Vecinos South and Caminito Vecinos South to Avenida la Valencia) began in Fiscal Year 2010. Additional segments will be scheduled upon identification of funding. Project is complete (initial two medians have been reconstructed) and funds should be returned to fund balance. Additional median work will be funded through project L-12000. Project consists of three median conversions on Pomerado Road between Higa Place and Rios Road south of Rancho Bernardo Road. This work was completed in Fiscal Year 2011.

Summary of Project Changes: Construction of the first two segments of the project is fully funded. The remaining segments are currently unfunded.

Rancho Bernardo Road Streetscape / S12006

Council District: 5	Priority Score: 32
Community Plan: Rancho Bernardo	Priority Category: Low
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2012 - 2012	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for improvements to the streetscape in the median along Rancho Bernardo Road, including replacement of brick pavers, decorative hardscape, and low water use demonstration planting projects. Funding is provided for two initial projects. The first will improve the median at the interchange of Interstate 15 and Rancho Bernardo Road, including removal and replacement of brick pavers in the median. The second project will convert landscaping from turf to a drought tolerant palette at a pilot location along the median strip.

Justification: The medians along Rancho Bernardo Road were built in the late 1960's and are in need of refreshing. The existing brick median is deteriorating. Existing turf medians may use more water than other landscaping applications; this project intends to reduce water usage.

Operating Budget Impact: These medians are maintained by the Rancho Bernardo Maintenance Assessment District (MAD) and there will be no increase to maintenance costs.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction are scheduled for Fiscal Year 2012.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Rancho Bernardo Westwood Soundwall / S10033

Council District: 5	Priority Score: 28
Community Plan: Rancho Bernardo	Priority Category: Low
Project Status: Created	Contact Information: Palaseyed, Abi
Duration: 2010 - 2016	619-533-4654
Improv Type: New	apalaseyed@sandiego.gov

Description: This project provides for landscape infrastructure to irrigate native plant material within the north public right-of-way along Rancho Bernardo Road from west of West Bernardo Drive to just north of Matinal Road near an existing soundwall. This project may also include landscape enhancements.

Justification: Installation of a landscape infrastructure would provide for a permanent water source to ensure the viability of native plants.

Operating Budget Impact: This area is an identified area of maintenance for the Rancho Bernardo Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2011.

Summary of Project Changes: Unidentified funding in the amount of \$325,000 has been removed from the project reducing project cost to \$94,178. Project scope was revised to project design and the installation of a water meter. Aspects of the work associated with replanting and the installation of irrigation systems will be handled through the Maintenance Assessment District.

Rancho Penasquitos Monument Signs / S10032

Council District: 1	Priority Score: 29
Community Plan: Rancho Penasquitos	Priority Category: Low
Project Status: Created	Contact Information: Palaseyed, Abi
Duration: 2010 - 2016	619-533-4654
Improv Type: New	apalaseyed@sandiego.gov

Description: This project provides for five permanent monument signs to be located in center medians throughout the Rancho Penasquitos community. The monument signs will read Welcome to Rancho De Los Penasquitos and may include faux rocks and solar lighting.

Justification: The existing monument signs need to be replaced because the signs have been destroyed or damaged by vehicle accidents.

Operating Budget Impact: The signs will be installed in locations already maintained by the Park Village Maintenance Assessment District and Penasquitos East Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Schedule: Design began and was completed in Fiscal Year 2011. Construction is scheduled to begin and to be completed in Fiscal Year 2012.

Summary of Project Changes: An additional \$69,475 from Penasquitos East Trust fund was allocated to this project in Fiscal Year 2012.

Switzer Canyon/30th Street Bridge Enhancement Prgm / S10054

Council District: 3	Priority Score: 38
Community Plan: Greater North Park	Priority Category: Low
Project Status: Created	Contact Information: Field, Andy
Duration: 2010 - 2016	619-533-6724
Improv Type: Betterment	afield@sandiego.gov

Description: This project provides for bridge landscaping, hardscape, tree planting, signage, sidewalk, median, design of traffic calming devices, and pedestrian safety features for the Switzer Canyon/30th Street Bridge.

Justification: This project provides for a variety of improvements within the boundaries of the Greater North Park Maintenance Assessment District (MAD), which will provide visual neighborhood enhancements and support commercial revitalization.

Operating Budget Impact: The North Park MAD will maintain this enhanced area. The operating budget impact of the improvement will become known after the project is designed. Maintenance of this area is identified as an improvement in the North Park MAD Assessment Engineer's Report.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design began in Fiscal Year 2010. Design and construction will be scheduled as funding becomes available.

Summary of Project Changes: An additional \$5,000 has been allocated to this project in Fiscal Year 2012.

Talmadge Historic Gates / L12001

Council District: 3	Priority Score: N/A
Community Plan: Mid-City: Kensington — Talmadge	Priority Category: N/A
Project Status: Created	Contact Information: Field, Andy
Duration: 2012 - 2012	619-533-6724
Improv Type: New	afield@sandiego.gov

Description: This project provides for the restoration of existing Talmadge Historic Gates and installation of new gates along sidewalks in the Talmadge neighborhood. Funding in Fiscal Year 2012 provides for restoration of existing gates only; additional funds in future years will provide for installation of new gates at other locations throughout the neighborhood.

Justification: The neighborhood of Talmadge is defined by historic gates located along the south side of Monroe Avenue at intersecting streets. These gates have been in existence for decades and are in need of restoration. Some are in danger of failing due to corrosion and decay. The Fiscal Year 2012 allocation will provide for the restoration of these existing gates. Future phases in upcoming years will provide for installation of new gates that have been removed over the years or never were installed.

Operating Budget Impact: Talmadge Maintenance Assessment Districts (MAD) funds the maintenance of these gates.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Schedule: Restoration of existing gates is scheduled to begin in Fiscal Year 2012. Future phases, including installation of new gates, will occur as funding is identified.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Torrey Highlands Community ID and Enhancement / S11009

Council District: 1	Priority Score: 32
Community Plan: Torrey Highlands	Priority Category: Low
Project Status: Created	Contact Information: Field, Andy
Duration: 2011 - 2012	619-685-1307
Improv Type: New	afield@sandiego.gov

Description: This project provides for community identification signage and enhancements within the Torrey Highlands Maintenance Assessment District (MAD).

Justification: This project is consistent with the Torrey Highlands Maintenance Assessment District Assessment Engineer's Report and will provide signage to identify the boundaries of the community.

Operating Budget Impact: Signs will be located in landscaped areas already maintained by the Torrey Highlands Maintenance Assessment District. The additional maintenance impact should be minimal, although the design process may result in some minor increased cost associated with ongoing maintenance (such as sign lighting or focal landscaping around the sign).

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and it is in conformance with the City's General Plan.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2012.

Summary of Project Changes: An additional \$25,000 has been allocated to this project in Fiscal Year 2012.

Torrey Hills SDG&E Easement Enhancement / S11006

Council District: 1	Priority Score: 19
Community Plan: Torrey Hills	Priority Category: Low
Project Status: Created	Contact Information: Kuzminsky, Larry
Duration: 2011 - 2014	619-533-3065
Improv Type: New	lkuzminsky@sanidiego.gov

Description: This project will provide for an enhancement of an easement area located under San Diego Gas and Electric (SDG&E) power transmission lines at the southwest corner of East Ocean Air Drive and Corte Mar Asombrosa within the Torrey Hills Maintenance Assessment District.

Justification: The community desires enhanced, natural planting at this location that would be similar to the other planted areas in Torrey Hills.

Operating Budget Impact: The Torrey Hills Maintenance Assessment District will provide for maintenance costs associated with this project. The operating budget impact will be determined upon completion of design.

Relationship to General and Community Plans: This project is consistent with the Torrey Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2012.

Summary of Project Changes: An increase of \$141,000 of Torrey Hills MAD funding was added to this project for Fiscal Year 2012.

Project Status: Created	Contact Information: Field, Andy
Duration: 2010 - 2016	619-533-6724
Improv Type: Betterment	afield@sandiego.gov

Description: This project provides for replacement of the destroyed identification sign located on Rancho Bernardo Road east of Interstate 15 and west of Bernardo Center Drive within the Rancho Bernardo Community.

Justification: This project is an identified improvement in the Rancho Bernardo Maintenance Assessment District. The existing sign was destroyed in a vehicle accident and is in need of replacement. The Rancho Bernardo MAD Citizen's Advisory Committee has approved full funding for this project to replace this sign (using proceeds from the insurance settlement).

Operating Budget Impact: Maintenance activities will be funded from the Rancho Bernardo Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and it is in conformance with the City's General Plan.

Schedule: Community input and preliminary design took place in Fiscal Year 2011. Design and construction are scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: The addition of \$45,367 will provide for full funding of a community identification sign to replace the one that was destroyed by a vehicle accident along Rancho Bernardo Road between Interstate 15 and Bernardo Center Drive.

Project Status: Released	Contact Information: Lasaga, Fernando
Duration: 2009 - 2013	619-533-7406
Improv Type: Betterment	flasaga@sandiego.gov

Description: This project provides for upgrades and improvements to the existing lighting infrastructure in Zone 2 (West) of the Talmadge Maintenance Assessment District.

Justification: This project provides for improvements within the boundaries of the Talmadge Maintenance Assessment District which will provide visual neighborhood enhancements.

Operating Budget Impact: The Talmadge Maintenance Assessment District will maintain the enhanced street lights. Maintenance of this area is identified as an improvement in the Talmadge MAD Assessment Engineer's Report and the Talmadge Master Plan. The operating budget impact will be known after the completion of design.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Schedule: Street lighting installation is scheduled to begin in late Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012.

Unfunded Needs List

Project	Project Total	Unidentified Funding	Percent Unfunded	Description
Golf Courses				
Balboa Park Golf Course Parking Lot & Improvements / S00614	8,038,120	6,900,000	85.8%	This project provides for a master plan, design and restoration of the clubhouse and a parking lot at the Balboa Park Golf Course. The construction phase is currently unfunded.
Total - Golf Courses		6,900,000		
Parks - Community				
Black Mountain Ranch Community Park / S00639	17,895,441	200,000	1.1%	This project provides for the acquisition, design and construction of a 30 useable-acre community park. Acquisition for Phase I has been completed. Design and construction phases are currently unfunded.
Encanto Community Park Concession Expansion / S01056	153,299	149,108	97.3%	This project provides for the design and construction of the expansion of the existing concession stand at Verna Quinn Fields. Design and construction phases are currently unfunded.
Lake Murray Community Park Play Area Expansion / S11018	1,150,000	1,088,000	94.6%	This project provides for American with Disabilities Act (ADA) upgrades and expansion of the children's play area and path of travel within the park. Design and construction phases are currently unfunded.
Tierrasanta Community Park Sports Field Lighting / S11011	300,000	150,000	50.0%	This project provides for the design and construction of lighting systems for the multi-purpose sports fields at the Tierrasanta Community Park. Construction phase is currently unfunded.
Total - Parks - Community		1,587,108		
Parks - Mini Parks				
North Park Mini-Park and Streetscape Improvements / S10050	3,710,000	3,460,000	93.3%	This project provides for the design and construction of an approximately 0.50 useable acre, urban mini-park to be located behind the recently renovated North Park Theatre. Construction phase is currently unfunded.
Valencia Park Acquisition and Development / S11103	674,013	450,000	66.8%	This project provides for provision of population-based park land to serve the Encanto Neighborhood residents. Design and construction phases are currently unfunded.
West Lewis and Falcon Streets Mini-Park / S00757	630,000	180,000	28.6%	This project provides for design and construction of a 0.35 acre mini-park within the West Lewis and Falcon Streets rights-of way. A future construction phase is currently unfunded.
West Maple Canyon Mini-Park / S00760	575,000	200,000	34.8%	This project provides for the design and construction of a 0.25 acre mini-park to be located within the dedicated portion of the Maple Canyon Open Space. Construction phase is currently unfunded.
Windwood II Mini Park Play Area Upgrades / S11017	523,775	42,917	8.2%	This project provides for Americans with Disabilities Act upgrades and improvements to the children's play area. Construction phase is currently unfunded.
Total - Parks - Mini Parks		4,332,917

Unfunded Needs List

Project	Project Total	Unidentified Funding	Percent Unfunded	Description
Parks - Miscellaneous Parks				
Beyer Park Development / S00752	13,212,000	13,000,000	98.4%	This project provides for the acquisition, design, and construction of approximately 12.6 useable acres for a community and neighborhood park on Beyer Boulevard. Design and construction phases are currently unfunded.
Cabrillo Heights Neighborhood Park Improvements / S00763	843,000	165,000	19.6%	This project provides for improvements at Cabrillo Heights Neighborhood Park. The construction phase is currently unfunded.
Coastal Erosion and Access / AGF00006	3,163,146	2,702,402	85.4%	This project provides partial funding for coastal infrastructure improvements at 71 sites, from Sunset Cliffs Park to Torrey Pines State Beach, that were identified and prioritized in a 2003 Coastal Erosion Assessment Survey.
Fiesta Island Infrastructure Improvements / S00991	253,959,888	250,000,000	98.4%	This project provides for design and construction of recreational improvements at Fiesta Island consistent with the general development plan and Mission Bay Park Master Plan. Design and construction phases are currently unfunded.
Inspiration Point Precise Plan / S00615	914,645	500,000	54.7%	This project provides for the completion of the Inspiration Point Precise Plan which will provide policy direction for future development of approximately 50 acres within this area of Balboa Park. Funding for completion of the plan has not been identified.
Kumeyaay Lakes Berm Restoration and Dredging / S00655	10,000,000	9,840,000	98.4%	This project provides for the dredging of two lakes and reconstruction of a lake berm within the Kumeyaay Lake system at Mission Trails Regional Park. Design and construction phases are currently unfunded.
McKinley Elementary School Joint Use Improvements / S12001	1,630,000	1,523,000	93.4%	This project provides for design and construction of approximately 1.2 acres of joint use facilities at McKinley Elementary School to supplement existing park acreage in the Greater North Park Community. Construction phase is currently unfunded.
Memorial Pool Improvements / S00970	3,000,000	500,000	16.7%	This project provides for the demolition of an existing pool and the design and construction of a new pool. A portion of the construction phase is currently unfunded.
Mission Bay Athletic Area Comfort Stn Modernize / S10021	400,000	200,000	50.0%	This project provides for the removal and replacement of the existing comfort station/concession stand at the Mission Bay Athletic Area. It will also provide an accessible path of travel from Grand Avenue to the comfort station and the center of the ball field complex. Construction phase is currently unfunded.
Mission Trails Regional Pk Equest Comfort Station / S01073	682,000	173,000	25.4%	This project provides for a comfort station/service building at the Mission Trails Regional Park Equestrian Staging Area. A portion of the construction phase is currently unfunded.
Ocean Beach CDC - N Ocean Beach Revitalization / S01057	1,103,960	500,000	45.3%	This project provides for streetscape improvements in North Ocean Beach. Design and construction of the second phase of improvements is currently unfunded.
Palisades Park Comfort Station Replacement / S10026	345,000	45,000	13.0%	This project provides for the removal and replacement of the existing comfort station at Palisades Park at the foot of Law Street in Pacific Beach. Construction phase is currently unfunded.
Roosevelt Middle School / S00761	1,190,000	600,000	50.4%	This project provides for the design and construction of joint-use athletic fields at Roosevelt Junior High School. Future improvements are currently unfunded.

Park & Recreation

Unfunded Needs List

Project	Project Total	Unidentified Funding	Percent Unfunded	Description
Sefton Field Improvements / S01012	1,000,000	500,000	50.0%	This project provides design and construction of improvements to enhance the 19.3 acre site currently maintained by the Presidio Little League. Construction phase is currently unfunded.
Sixth Avenue Playground Improvements / S00616	2,000,000	1,880,000	94.0%	This project will replace an existing playground within Balboa Park's West Mesa along Sixth Avenue. Funding for construction of the project is unidentified.
Sunshine Berardini Fields / S00759	684,113	600,000	87.7%	This project provides for a general development plan and design and development of the Sunshine Berardini Fields. Funds are required for the completion of the General Development Plan.
Tierrasanta Skate Park / S00997	5,000,000	4,975,000	99.5%	This project provides for the design and construction of a skateboard park within the Tierrasanta Community Planning area. Design and construction phases are currently unfunded.
Total - Parks - Miscellaneous Parks		287,703,402		
Parks - Neighborhood				
Carmel Valley Neighborhood Park #8 / S00642	6,139,350	1,179,350	19.2%	This project provides for acquiring and developing a four useable-acre neighborhood park in Carmel Valley, including a play area, picnic facilities, open turf area, and landscaping. A portion of the construction phase is currently unfunded.
Del Mar Mesa Neighborhood Park / S00648	4,150,000	750,000	18.1%	This project provides for the acquisition, design and construction of a four useable acre park to serve the Del Mar Mesa population. The construction phase is currently unfunded.
Gompers Neighborhood Park- Play Area Upgrades / S11030	1,090,000	600,000	55.0%	This project provides for Americans with Disabilities Act upgrades and improvements to the children's play area, path of travel, and comfort station within the park to comply with state and federal safety and accessibility guidelines. Phase II construction is currently unfunded.
Hidden Trails Neighborhood Park / S00995	3,100,000	680,000	21.9%	This project provides for the acquisition, design and construction of a four useable acre neighborhood park serving the Otay Mesa Community. Construction phase is currently unfunded.
Home Avenue Park / S00673	3,800,000	600,000	15.8%	This project provides for the design and construction of a new six acre neighborhood park with approximately two useable-acres, enhancements to Chollas Creek, and traffic improvements on Home Avenue. Total construction cost is currently unfunded.
Silver Wing Neighborhood Park Sports Fld & Sec Lgt / S11051	725,000	430,000	59.3%	This project provides for the design and construction of multi-purpose sports fields and security lighting systems at the Silver Wing Neighborhood Park. Construction phase is currently unfunded.
Torrey Highlands Park Play Area Upgrades / S11020	940,377	338,305	36.0%	This project provides for Americans with Disabilities Act upgrades and improvements to the children's play area and path of travel within the park to comply with State and federal safety and accessibility guidelines. Construction phase is currently unfunded.
Wightman Street Neighborhood Park / S00767	3,049,000	2,363,000	77.5%	This project provides for the design and development of Wightman Street Neighborhood Park on 0.9 acres of parkland. Construction phase is currently unfunded.

Parks - Resource Based				
Chollas Community Park / S00654	29,267,867	26,343,967	90.0%	This project provides for the design and development of North Chollas Community Park. Design and construction of future phases of the park are currently unfunded.
Total - Parks - Resource Based		26,343,967		
Parks - Trails				
Del Mar Mesa Southern Multi-Use Trail / S00889	260,300	150,000	57.6%	This project provides for a surfaced eight-foot wide multi-use trail extending south-erly from the end of Del Mar Mesa Road to complete Neighborhood 10 Trail Con-nection. The next phase of construction is currently unfunded.
Total - Parks - Trails		150,000		
Trans - Roadway - Enhance/Scape/Medians				
El Cajon Boulevard Streetscape Improvements / S00826	2,807,800	1,517,800	54.1%	This project provides for streetscape improvements along El Cajon Boulevard from Louisiana Street east to 54th Street. The unfunded amount may change as additional street lighting and streetscape needs are identified along the corridor.
Pomerado Rd Median Improvements-s/o R Bernardo R d / S10034	548,921	331,967	60.5%	This project provides for replacement of the asphalt paving around existing land-scaped medians at various locations along Pomerado Road south of Rancho Ber-nardo Road. Future construction phases are currently unfunded.
Switzer Canyon/30th Street Bridge Enhancement Prgm / S10054	230,000	175,000	76.1%	This project provides for bridge landscaping, hardscape, tree planting, signage, side-walk, median, design of traffic calming devices, and pedestrian safety features. Design and construction phases are currently unfunded.

Central Area Police Substation / S00694

Council District: 8	Priority Score: N/A
Community Plan: Barrio Logan	Priority Category: N/A
Project Status: Released	Contact Information: Meinhardt, Cynthia
Duration: 1999 - 2012	619-533-5259
Improv Type: New	cmeinhardt@sandiego.gov

Description: This project provides for a 5,000 square foot expansion at the Central Area Police Sub-station to provide for additional office space for the Crime Lab Expansion and the relocation of police units from the Police Headquarters.

Justification: This project provides 5,000 square feet of office space for additional personnel within the Police Department and was funded with grant funding from the State Office of Justice, in December of 2001.

Operating Budget Impact: All operating and maintenance costs associated with this project have been accommodated within the Police Department's annual budget.

Relationship to General and Community Plans: This project is consistent with the Barrio Logan Community Plan and is in conformance with the City's General Plan.

Schedule: Construction was completed in Fiscal Year 2005.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Police Headquarters Cogeneration Repower Project / S10131

Council District: 2	Priority Score: N/A
Community Plan: Centre City	Priority Category: N/A
Project Status: Created	Contact Information: Cosio-Azar, Lorie
Duration: 2011 - 2012	858-627-3352
Improv Type: New	lcosioazar@sandiego.gov

Description: This project will replace existing engines and system components necessary to provide for system reliability.

Justification: This project will provide the facility with more reliable power during emergency operation events.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011. Installation of co-generation components is scheduled for Fiscal Year 2012.

Summary of Project Changes: An additional \$33,085 has been identified to fully fund this this project.

Police Range Refurbishment / S10118

Council District: 3	Priority Score: N/A
Community Plan: City Heights	Priority Category: N/A
Project Status: Created	Contact Information: Darvishi, Ali
Duration: 2011 - 2014	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project will provide for the repair, replacement and maintenance of the existing police shooting range located on Federal Boulevard. The project includes the demolition of dilapidated bullet back stops, removal of lead contaminated soil berms, hauling of excess soil off site, drainage improvements, installation of retaining walls and the installation of new bullet recovery systems.

Justification: This project will provide for the repair and maintenance of the existing police shooting range.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013.

Summary of Project Changes: This project was originally created as a sublet of the annual allocation for City Facility Improvements, with a budget of \$326,266. In Fiscal Year 2010, per Council Resolution 305163, dated July 28, 2009, Deferred Maintenance funds in the amount of \$400,000 were allocated to the project increasing its total appropriation to \$726,266. These funds are being expended for the design of the project. It was anticipated in Fiscal Year 2011 that the project's budget would increase by \$4,046,734 for construction. This action necessitated the creation of a standalone capital improvement project. Unfortunately, this construction funding was not realized. For Fiscal Year 2012, the project has been budgeted to receive \$1,822,864 in Pueblo Land Sales proceeds for the purpose of funding the start of the project construction. The remaining \$2,223,870 will be appropriated in the project when financing becomes available to complete the project construction. Future resolution is needed to move the design expenditures not showing in this project.

Public Safety Training Institute / S00816

Council District: 2	Priority Score: N/A
Community Plan: Peninsula	Priority Category: N/A
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2003 - 2014	619-533-4640
Improv Type: Replacement	agarcia@sandiego.gov

Description: The City Council approved a Joint Powers Authority between the City of San Diego, County of San Diego and San Diego Community College District for the development, financing and administration of the Regional Public Safety Training Institute (RPSTI). This project provides for an Emergency Vehicle Operations Course (EVOC) training facility in the Camp Nimitz area of the former Naval Training Center. The Naval Training Center Reuse Plan, approved by the Department of the Navy and City Council, set aside 24.7 acres for the purpose of a public safety training facility. The City's projected share of the total cost of the project will be funded jointly by the San Diego Fire-Rescue and Police Departments.

Justification: The expansion of the campus at Miramar College has required the relocation of law enforcement training, specifically the EVOC, to QUALCOMM Stadium. Construction of an EVOC will allow for consistent training of all emergency responders countywide.

Operating Budget Impact: The impact on the Police Department's operating budget cannot be determined at this time due to the unavailability of detailed project information. This project would impact the operating budget of the Police and Fire-Rescue Departments.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2003 and is scheduled to be completed in 2014. The project description is preliminary and the scope of work is not established; only planning and other preliminary activities have been performed to date. The project schedule for the design and construction will be established once the scope of work is approved and the remaining funding identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

North City Raw Sludge & Water Cathodic Upgrade / S00318

Council District: 1	Priority Score: N/A
Community Plan: University	Priority Category: N/A
Project Status: Technically completed	Contact Information: Wong, Pete
Duration: 2005 - 2010	858-292-6475
Improv Type: Expansion	pwong@sandiego.gov

Description: This project provides for a new impressed current cathodic protection system to prevent external corrosion on the 36-inch reclaimed water pipeline, the 16-inch blended sludge pipeline, and the 20-inch centrate pipeline, between the North City Water Reclamation Plant (NCWRP) and the Metro Biosolids Center (MBC). The new system will replace an existing galvanic anode cathodic protection system.

Justification: The existing cathodic protection system for these pipelines is inadequate and does not provide satisfactory corrosion protection to the pipelines. The new system will fully protect the pipelines and prevent any corrosion related sewer spills.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: This project is complete and awaiting closure and capitalization.

Summary of Project Changes: This project is complete and awaiting closure and capitalization.

Pt Loma-South Access Road Protection Project / S00316

Council District: 2	Priority Score: 69
Community Plan: Peninsula	Priority Category: Medium
Project Status: Released	Contact Information: Phung, Tung
Duration: 2003 - 2018	858-292-6425
Improv Type: Replacement	tphung@sandiego.gov

Description: This project provides for continued access to the Point Loma Wastewater Treatment Plant (PLWTP) investigating and if necessary implementing options to mitigate erosion at two sea coves adjacent to the plant's access road.

Justification: The treatment plant has only one access road as granted by the federal government and this project is needed to ensure continued access.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I design began in Fiscal Year 2002 and was completed in Fiscal Year 2007. Based on re-prioritization of projects, Phase II design and construction is scheduled to begin in Fiscal Year 2018 and be completed in Fiscal Year 2018.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Wet Weather Storage Facility / S00314

Council District: 1, 2, 6	Priority Score: 83
Community Plan: University, Clairemont Mesa, Mission Bay Park, Peninsula	Priority Category: High
Project Status: Released	Contact Information: Phung, Tung
Duration: 1999 - 2018	858-292-6425
Improv Type: Expansion	tphung@sandiego.gov

Description: This project includes the implementation of the Live Stream Discharge of reclaimed water from the North City Reclamation Plant during heavy rain events to reduce the capacity demand on the downstream sewer system and facilities. This project also includes constructing a seven million gallon Underground Storage Tank at Liberty Station (vacated Naval Training Center) to provide hydraulic relief to Pump Station 2, the South and North Metro Interceptors, and the major trunk sewers.

Justification: The facility will reduce the risk of potential wet weather overflows, which may be caused by the capacity limitation of the Metro Pump Station 2 during extreme rainfall events.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula, University, and Clairemont Mesa Community Plans, and Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: A feasibility study for wet weather intermittent stream discharge is being conducted and it is ongoing. Construction for the facilities required for the wet weather intermittent stream discharge is scheduled to begin in Fiscal Year 2012. Design for a seven million gallon storage facility is scheduled to be completed in Fiscal Year 2013. Construction for a storage facility is scheduled to begin in Fiscal Year 2014 and be completed in Fiscal Year 2018.

Summary of Project Changes: Total project cost decreased by \$4.7 million due to revised project requirements.

Alvarado Water Quality Lab Roof Replacement / S00311

Council District: 7	Priority Score: N/A
Community Plan: Navajo	Priority Category: N/A
Project Status: Released	Contact Information: Phung, Tung
Duration: 2008 - 2011	858 292-6425
Improv Type: Replacement	tphung@sandiego.gov

Description: This project provided for the removal and replacement of approximately 58,000 square feet of roofing, installation of California Title 24 roof coating, the removal and installation of HVAC ductwork at the water chemistry and industrial waste unit offices and the installation of miscellaneous sheet metal and flashing.

Justification: These improvements were needed to repair a leaking and deteriorated roofing system.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Schedule: This project is complete and awaiting closure and capitalization.

Summary of Project Changes: This project is complete and awaiting closure and capitalization.

Public Utilities

Bldg - MWWD - Laboratories

Council District: 2	Priority Score: 81
Community Plan: Peninsula	Priority Category: High
Project Status: Released	Contact Information: Elling, Michael
Duration: 2012 - 2014	858 292-6477
Improv Type: Expansion	melling@sandiego.gov

Description: This project provides for design and construction of a boat dock, an esplanade (park) within an approximately 1.25 acre parcel located between the existing Public Utilities laboratory and adjacent boat channel, as well as under-grounding approximately 600 feet of an above ground steam line situated along the boat channel.

Justification: A 40,000 square foot ocean monitoring laboratory was constructed and is now in operation. As a part of the Public Benefit Conveyance of this property, Public Utilities is required to construct a boat dock and to fund a portion of the esplanade improvements along our frontage. To gain future unobstructed access to the boat dock within the adjacent boat channel, and to provide unobstructed access to the future esplanade, the existing steam line must be underground. Public Utilities currently leases boat dock space at Driscoll's Wharf, and this project would eliminate this ongoing expense.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Partial design for the boat dock was completed in Fiscal Year 2001. The project was postponed due to site cleanup issues in the boat channel and conveyance of the channel to the City, and an updated design will be required. Design is scheduled to begin and be completed in Fiscal Year 2013, with construction to begin in Fiscal Year 2015 and scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: Total project cost decreased by \$519,718 due to revised project requirements.

Metropolitan System Pump Stations / ABP00002

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2021	858 292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for comprehensive upgrades, design modifications, and renovations or replacement of equipment such as pumps, valves, tanks, controls, odor control systems, etc. at Metropolitan System Pump Stations (Pump Stations 1, 2, Otay River and Grove Avenue).

Justification: These improvements will allow pump stations to run more efficiently and increase the reliability of the Metropolitan Wastewater System.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: Total project cost decreased by \$337,459 due to revised project requirements.

NCWRP Sludge Pump Station Upgrade / S00309

Council District: 5	Priority Score: 82
Community Plan: University	Priority Category: High
Project Status: Released	Contact Information: Azar, Hossein
Duration: 2006 - 2013	619-533-4102
Improv Type: Replacement	hazar@sanidiego.gov

Description: This project provides for the correction of a vibration problem at the North City Water Reclamation Plant (NCWRP) Sludge Pump Station.

Justification: Excessive vibration of the pump and flywheel contribute to wear and tear of equipment. The vibration also generates tremendous heat. The excessive vibration and heat can cause premature failure of equipment, impact operational efficiency and have structural impacts at the facility.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008 and will be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013 and be completed in Fiscal Year 2013.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

PS2 Power Reliability & Surge Protection / S00312

Council District: 2	Priority Score: 90
Community Plan: Midway - Pacific Highway	Priority Category: High
Project Status: Released	Contact Information: Azar, Hossein
Duration: 2005 - 2016	619-533-4102
Improv Type: Expansion	hazar@sandiego.gov

Description: This project will remove two existing natural gas reciprocating engines and install of two 4.6 megawatt (MW) natural gas turbine generators and one 206 kilowatt (kW) diesel startup generator at Pump Station 2. The two existing engine drives will be replaced with new electric motors. This new configuration will provide the required surge protection against an electrical utility outage and comply with Environmental Protection Agency (EPA) recommendation of standby power for essential facilities.

Justification: Sewer Pump Station 2 currently has three feeds from San Diego Gas and Electric (SDG&E). Two of the feeds are fed from the same substation. An existing agreement between the Public Utilities Department and SDG&E limits a maximum of two pumps per utility feed under normal operating conditions and three pumps per utility feed under emergency conditions, in the event that one or two utilities have failed. Therefore, losing two of the three utility feeds the pump station has 5 pumps available, three electric pumps and two engine driven pumps. EPA guidelines recommend that facilities like Pump Station 2 be equipped with two separate and independent sources of electrical power provided from either two separate utility substations or from a single substation and a plant base generator. The current pump station electrical configuration does not comply with the EPA recommendations. Besides satisfying the EPA guidelines, it is also required that force main surge protection be provided at all times during pump station operation and in the event of a total power failure. In essence, the proposed alternative will provide the required force main surge protection and will comply with the EPA recommendations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Midway/Pacific Highway Corridor Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and be completed in Fiscal Year 2014. Construction will begin in Fiscal Year 2015 and is scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: Total project cost increased by \$21,016,519 due to revised project requirements.

Project Status: Released	Contact Information: Phung, Tung
Duration: 2008 - 2010	858-292-6425
Improv Type: Replacement	tphung@sandiego.gov

Description: This project provides modifications to the existing 2400 volt electrical distribution equipment to improve reliability of the pump station operations. This project will replace/upgrade key switchgear equipment and provide power monitoring equipment to better control station electrical demand and respond to electrical system emergencies.

Justification: Recent electrical system failures have indicated problems with the current electrical system. An investigation will determine what upgrades are needed to improve the overall reliability of the electrical system.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: This project was cancelled and is awaiting closure.

Summary of Project Changes: This project was cancelled and is awaiting closure.

Pump Station Restorations / ABP00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2021	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for the replacement of deteriorated pumping equipment and/or pipeline appurtenances.

Justification: Many existing sewer pump stations have reached or exceeded their anticipated service life of 40 years. However, because of the widely varying actual lengths of service life, the scheduling for pump station restorations is difficult. This project allows flexibility in replacing deteriorated pumping equipment.

Operating Budget Impact: None.

Relationship to General and Community Plans: This annual allocation is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: Total project cost decreased by \$500,000 due to revised project requirements.

Pump Station Upgrades Group I North County / S00303

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Released	Contact Information: Azar, Hossein
Duration: 2003 - 2013	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project provides for the upgrade of 23 pump stations, divided into four groups, located throughout San Diego. The upgrades involve providing new and backup pumps and motors, new control panels, new generators, redundant force mains, underground storage tanks, and miscellaneous civil work.

Justification: This project will provide for the upgrading of deteriorated pump stations, improvement of the level of service to the residents of San Diego, and compliance with regulatory agencies by reducing the impact of sewer spills.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Group I design began in Fiscal Year 2003 and was completed in Fiscal Year 2009. Construction began in Fiscal Year 2009 and is scheduled to be completed in Fiscal Year 2012. Group II design began in Fiscal Year 2008 and was completed in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2011 and be completed in Fiscal Year 2012. Sewer Pump Station 41 Rehabilitation / S00337

Council District: 2, 6	Priority Score: N/A
Community Plan: Mission Bay Park	Priority Category: N/A
Project Status: Released	Contact Information: Gamboa, Wendy
Duration: 1999 - 2012	619-235-1971
Improv Type: Replacement - Rehab	wgamboa@sandiego.gov

Description: This project provides for constructing a new pump station, emergency overflow storage structure, and 2,800 linear feet of primary and secondary force main to be primarily located in the right-of-way. The project includes the abandonment of the original pump station and existing force main currently located within the recreational space of Mission Bay Park.

Justification: The existing pump station and force main were built in 1953 and have exceeded their service life. The project's goal is to restore and improve the reliability of the pump station and bring it up to current standards and regulations. This project is mandated by the Environmental Protection Agency.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2003 and was completed in Fiscal Year 2008. Construction began in Fiscal Year 2009 and was completed in Fiscal Year 2011.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

MBC Biosolids Storage Silos / S00322

Council District: 7	Priority Score: 74
Community Plan: Non City	Priority Category: Medium
Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 2007 - 2015	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project provides for two additional biosolid storage silos (numbers 9 and 10).

Justification: When a silo is out of service, silo storage capacity is frequently exceeded. In order to accommodate such events and to restore adequate silo capacity, it is essential to build two more storage silos.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and is scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2012 and be completed in Fiscal Year 2013.

Summary of Project Changes: Total project costs decreased by \$17,738 due to revised project requirements.

MBC Centrate Collection Upgrades / S00321

Council District: 7	Priority Score: N/A
Community Plan: Non City	Priority Category: N/A
Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 2008 - 2012	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project provides for converting the existing foul air ducting into dual-use headers for centrate and foul air collection and will increase the size of the existing centrate collection headers.

Justification: This project replaces the foul air header ducts at the centrifuges to a material that will handle both centrate and foul air. These improvements will provide a bypass pipeline for the centrate flow during additional improvements. The additional improvements will upgrade the undersized centrate collection headers for future larger centrate flows and prevent on-going centrate backups into the foul air duct headers and damage to the centrifuges.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: The Design-build project began in Fiscal Year 2009. Construction began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

MBC Dewatering Centrifuges Replacement / S00339

Council District: 7	Priority Score: 83
Community Plan: Non City	Priority Category: High
Project Status: Released	Contact Information: Wong, Pete
Duration: 2009 - 2015	858-292-6475
Improv Type: Expansion	pwong@sandiego.gov

Description: This project provides for the replacement of six of the eight existing dewatering centrifuges with six larger capacity units to handle larger future biosolids flows. The existing units are also near the end of their useful life.

Justification: This project will increase the production capacity of the dewatering centrifuges to accommodate plant shutdowns for maintenance and construction, to accommodate future flows, and to address diverse types of constraining operational factors that limit current capacity. To achieve the required capacity, the existing dewatering centrifuge units must be replaced with larger units.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: The schedule is based on a design/build (D/B) type of contract. Selection of the D/B entity is projected for December 2013, design is scheduled to be completed by October 2013, and installation of the six centrifuges is scheduled to be completed by December 2015.

Summary of Project Changes: The total project cost increased by \$4.2 million due to revised project requirements.

MBC Odor Control Facility Upgrades / S00323

Council District: 7	Priority Score: 83
Community Plan: Non City	Priority Category: High
Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 2007 - 2016	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project provides for upgrading the odor control system fans and ducting to reduce system headlosses and improve overall foul air collection efficiency at the various process areas. Access platforms will also be installed at monitoring instruments and damper locations. This project will be implemented in three phases.

Justification: Several areas at the Metro Biosolids Center (MBC) have been identified to cause significant odor problems due to foul air collection deficiencies because of insufficient fan capacity and high headlosses, including poorly located foul air collection registers. Installing access platforms at the monitoring instruments and air volume control dampers will provide safe and timely access for operation and maintenance needs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design is estimated to begin in Fiscal Year 2012 and be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013.

Summary of Project Changes: The total project cost increased by \$1.5 million due to revised project requirements.

Metro Facilities Control Systems Upgrade / L10000

Council District: 2, 5	Priority Score: N/A
Community Plan: University, Peninsula	Priority Category: N/A
Project Status: Created	Contact Information: Azar, Hossein
Duration: 2010 - 2014	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project provides for replacement and upgrade of existing control systems at various Metropolitan Wastewater treatment and pump station facilities. These include the Metro Biosolids Center (MBC), North City Water Reclamation Plant (NCWRP), and Point Loma Water Treatment Plant (PLWTP).

Justification: This project is needed to provide replacement of existing control systems at various facilities. The existing control systems are microprocessor/computer-based. The life cycle of these systems is seven to ten years. Replacement will also provide an upgrade in technology. The change in technology will provide the facilities with greater control system capabilities and are essential for future facility expansion.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with North University and Peninsula Community Plans, and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2014.

Summary of Project Changes: The total project cost decreased by \$1.9 million due to revised project requirements.

Metro Treatment Plants / ABO00001

Council District:	1, 2, 8	Priority Score:	Annual
Community Plan:	Peninsula, University, Tijuana River Valley	Priority Category:	Annual
Project Status:	Released	Contact Information:	Hwang, Guann
Duration:	2010 - 2021		858 292-6476
Improv Type:	Replacement		ghwang@sandiego.gov

Description: This annual allocation provides for renovation or replacement of facilities at Metro Treatment Plants - Point Loma Wastewater Treatment Plant (PLWTP), North City Water Reclamation Plant (NCWRP), South Bay Water Reclamation Plant (SBWRP) and Metro Biosolids Center (MBC).

Justification: Various facilities require replacement due to increasing wastewater flows and to be compliant with current regulatory requirements. Since the start-up period, several projects will be required within these facilities to enhance or maintain operation. This annual allocation will be considered an enhancement to the facility and does not include operation and maintenance.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with Peninsula, Tijuana River Valley, University Community Plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The budget for Fiscal Year 2012 decreased by \$8,719,825 due to revised requirements.

North City Water Reclamation Plant - EDR Enclosure / S00340

Council District: 5	Priority Score: N/A
Community Plan: University	Priority Category: N/A
Project Status: Technically completed	Contact Information: Wong, Pete
Duration: 2007 - 2011	858-292-6475
Improv Type: Expansion	pwong@sandiego.gov

Description: This project will provide an enclosure around the Electro Dialysis Reversal (EDR) at the North City Water Reclamation Plant (NCWRP) to prevent harmful ultraviolet rays and coastal high salinity environmental levels from attacking existing equipment.

Justification: When the EDR was constructed, it was supposed to be a temporary facility with no enclosure. As a result, the EDR's cartridge filters, pumps, piping and other associated equipment are currently open to the environment and therefore are prone to ultraviolet light attack and a high salinity environment. The EDR enclosure will prevent equipment from prematurely failing due to ultraviolet light attack.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: This project is complete and awaiting closure and capitalization.

Summary of Project Changes: This project is complete and awaiting closure and capitalization.

North City Water Reclamation Plant EDR Upgrade / S00324

Council District: 1	Priority Score: 71
Community Plan: University	Priority Category: Medium
Project Status: Released	Contact Information: Wong, Pete
Duration: 2007 - 2012	858-292-6475
Improv Type: Expansion	pwong@sandiego.gov

Description: This project provides for the upgrade of the electro dialysis reversal (EDR) equipment at the North City Water Reclamation Plant including valves, piping, electrical conduits, pumps and other equipment. Other upgrades require installation of soft start on the recycle pumps, replacement of EDR stack covers and the addition of a mixer on the brine tank.

Justification: The EDR was constructed to be a temporary facility with no enclosure. As a result, the EDR's cartridge filters, pumps, piping, and other associated equipment have corroded or failed due to the to ultraviolet light attack and a high salinity environment.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Univeristy Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction is scheduled to begin in Fiscal Year 2012 and to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Point Loma Grit Processing Improvements / S00315

Council District: 2	Priority Score: N/A
Community Plan: Peninsula	Priority Category: N/A
Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 2001 - 2015	619-533-5105
Improv Type: Replacement	iasgharzadeh@sanidiego.gov

Description: This project provides for upgrading the existing grit removal process at the Point Loma Wastewater Treatment Plant (PLWTP) which includes new grit agitation blowers enclosed in a sound dampening facility and the associated air piping.

Justification: The Point Loma Wastewater Treatment Plant has six aerated grit removal tanks. Grit removal from influent flows was found to be more efficient when the two south grit tanks were not used. The plant is not achieving desirable grit removal because the existing grit processing equipment is unable to extract fine sand or silt. The grit accumulated downstream of the grit tanks reduces the efficiency of processing equipment and minimizes the biosolid treatment in the digesters.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001 and is scheduled to be completed in Fiscal Year 2014. Construction began in Fiscal Year 2006 and is scheduled to be completed in Fiscal Year 2014.

Summary of Project Changes: The total project cost decreased by \$10.5 million due to revised project requirements.

SBWR Plant Demineralization Facility / S00310

Council District: 8	Priority Score: 77
Community Plan: Tijuana River Valley	Priority Category: Medium
Project Status: Released	Contact Information: Wong, Pete
Duration: 2006 - 2016	858-292-6475
Improv Type: Expansion	pwong@sandiego.gov

Description: This project provides for demineralization of reclaimed water. Phase I will construct a demineralization facility to provide 7.5 million gallons a day (mgd) of reclaimed water for conveyance to the users. Phase II will expand the facility to provide 15 mgd of reclaimed water.

Justification: The majority of reclaimed water is used for irrigation. Demineralization will reduce the level of total dissolved solids in the reclaimed water.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Tijuana River Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2012. Phase I construction is scheduled to begin in Fiscal Year 2012 and be completed in Fiscal Year 2013. Phase II design is scheduled to begin in Fiscal Year 2014 and be completed in Fiscal Year 2014. Phase II construction is scheduled to begin in Fiscal Year 2015 and be completed in Fiscal Year 2016.

Summary of Project Changes: The total project cost decreased by \$121,022 due to revised project requirements.

South Metro Sewer Rehabilitation Phase 3B / S00317

Council District: 2	Priority Score: 46
Community Plan: Non City	Priority Category: Low
Project Status: Released	Contact Information: Phung, Tung
Duration: 2003 - 2018	858-292-6425
Improv Type: Replacement	tphung@sandiego.gov

Description: This project will rehabilitate the remaining 5,000 feet of the 108 inch pipeline from Winship Lane to Pump Station 2.

Justification: Sections of the South Metro Interceptor have deteriorated significantly due to the corrosive effects of sewer gases over 40 years.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2014 and is scheduled to be completed in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2016 and be completed in Fiscal Year 2018.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

CIS ERP Implementation / S11100

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Released	Contact Information: Arnold, Jane
Duration: 2010 - 2012	619-533-4839
Improv Type: Replacement	jarnold@sandiego.gov

Description: This project provides for the establishment of an integrated, real-time enterprise customer service information and billing system.

Justification: The Customer Information System (CIS) Enterprise Resource Planning (ERP) Implementation is a strategic project for investment in, and support of, the Citywide SAP ERP System for the City of San Diego. The legacy CIS provides the water, sewer, storm drain, fire service, reclaimed water, backflow and associated meter customer billing information for the City. This project will replace the legacy CIS and Installation Order System (IOS).

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: This project began in Fiscal Year 2011 and is scheduled to be completed by Fiscal Year 2012.

Summary of Project Changes: The budget for Fiscal Year 2012 decreased by \$4,940,780 due to a fiscal Year 2011 mid-year budget adjustment per City Council Resolution R-306801. There is no change to total project cost.

Bldg - Other City Facility / Structures

MOC Building / S11023

Council District: 7	Priority Score: 29
Community Plan: Kearny Mesa	Priority Category: Low
Project Status: Created	Contact Information: Phung, Tung
Duration: 2011 - 2013	858-292-6425
Improv Type: Expansion	tphung@sandiego.gov

Description: This project will purchase a 15,000 square foot facility at 9176 Kearny Villa Court near the Metropolitan Operation Center (MOC) from the private sector.

Justification: The current Metropolitan Operation Center complex is near capacity. The purchase of the new Metropolitan Operation Center complex is needed in order to accomodate 150 additional personnel transferring from the 600 B Street facility as a result of the Public Utilities Consolidation.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan, and is in conformance with the City's General Plan.

Schedule: This project was cancelled and will be closed in Fiscal Year 2012.

Summary of Project Changes: This project was cancelled.

Advanced Water Treatment Demo Plant (IPR/RA) / S10127

Council District: 1	Priority Score: N/A
Community Plan: University	Priority Category: N/A
Project Status: Released	Contact Information: Dorman, Amy
Duration: 2010 - 2013	619-533-5248
Improv Type: New	adorman@sandiego.gov

Description: This project explores the feasibility of the project's treatment technology to produce water that can be sent to a reservoir and later be distributed as drinking water. During the time the Demonstration Project is in operation, the advanced treated water will be frequently tested to determine the effectiveness of the treatment equipment in removing contaminants; operational data will be gathered and analyzed to refine operation and maintenance estimates for a full scale system; and tours will be conducted as part of the public outreach effort. The Demonstration Project is the second phase of a three phase program that could lead to implementation of a full-scale Indirect Potable Reuse/Reservoir Augmentation (IPR/RA) project.

Justification: A rate increase to fund the Demonstration Project was approved on November 18, 2008, and went into effect on January 1, 2009. This project was established by Ordinance-19887 Section IV-A, with an initial budget of \$7.2 million.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the University Community Plan, and is in conformance with the City's General Plan.

Schedule: Design, procurement and installation was completed in Fiscal Year 2011. Data collection will continue through Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Alvarado Water Quality Lab Roof Replacement / S00047

Council District: 7	Priority Score: N/A
Community Plan: Navajo	Priority Category: N/A
Project Status: Released	Contact Information: Haghhkiah, Siavash
Duration: 2008 - 2010	619-533-5186
Improv Type: Replacement	shaghhkiah@sandiego.gov

Description: This project provided for the removal and replacement of approximately 58,000 square feet of roofing, installation of California Title 24 roof coating, the removal and installation of heating, ventilation and air conditioning (HVAC) ductwork at the water chemistry and industrial waste unit offices and the installation of miscellaneous sheet metal and flashings.

Justification: These improvements were needed to repair a leaking and deteriorated roofing system.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plans and is in conformance with the City's General Plan.

Schedule: The project is complete and awaiting closure and capitalization.

Summary of Project Changes: The project is complete and awaiting closure and capitalization.

69th & Mohawk Pump Station / S12011

Council District: 7	Priority Score: 36
Community Plan: College Area, Mid-City: Eastern Area	Priority Category: Low
Project Status: Created	Contact Information: Varga, Tibor
Duration: 2012 - 2016	858-654-4284
Improv Type: Expansion	tvarga@sandiego.gov

Description: This project will construct a new pump station at the corner of 69th Street and Mohawk Street. The new pump station will feed the 645 Redwood Village Zone. Suction to the pump station will come from the Mid-City Pipeline Phase II.

Justification: This project will replace the existing Montezuma Pump Station for Redwood Village which is reaching the end of its life cycle.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with College Area and Mid City: Eastern Area Community Plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2014 and be completed in Fiscal Year 2016.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Bldg - Water - Pump Stations

Cielo & Woodman Pump Station / S12012

Council District: 4	Priority Score: 25
Community Plan: Southeastern (Encanto Neighborhoods)	Priority Category: Low
Project Status: Created	Contact Information: Varga, Tibor
Duration: 2012 - 2017	858-654-4284
Improv Type: Expansion	tvarga@sandiego.gov

Description: This project provides for the replacement of the Cielo and Woodman Pump Station (PS) with a new PS with a 12 million gallons per day (mgd) capacity to improve efficiency and reliability, and allow for substitution of Alvarado City water (536 Zone) which is now provided via the County Water Authority (CWA) #19 Paradise Mesa Crosstie. It will replace two 12-inch and 16-inch cast iron distribution mains. The first main is on Imperial and Woodman Street and the second main is on Skyline Drive to Cielo Drive. It will install a dedicated Alvarado 536 line from the intersection of Imperial Avenue and Woodman Street to the new upgraded Cielo and Woodman PS. This project provides for the replacement of the Cielo and Woodman Pump Station (PS) with a new PS with a 12 mgd capacity to improve efficiency and reliability, and allow for substitution of 536 Alvarado City water for County Water Authority (CWA) treated water (now provided via the CWA #19 Paradise Mesa Crosstie). Replace 12/16 cast-iron distribution main on Imperial and Woodman St. Install a dedicated Alvarado 536 line from the intersection of Imperial Ave and Woodman St to the new upgraded Cielo and Woodman PS. Replace 12/16 cast-iron distribution main on Skyline Drive to the Cielo Dr.

Justification: This project will replace a deteriorating pump station facility and cast iron mains that lead to the station. According to year 2030 demands, the Otay Water Treatment Plant (WTP) will not be able to supply enough suction head to the pump station, thus the pump station would need to be supplied from the Alvarado Water Treatment Plant (WTP).

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern (Encanto Neighborhoods) community plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2013 and will be completed in Fiscal Year 2014. Construction is scheduled to begin in Fiscal Year 2015 and be completed in Fiscal Year 2017.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Rancho Penasquitos Water Pump Station #2 / S00043

Council District: 1	Priority Score: N/A
Community Plan: Rancho Penasquitos	Priority Category: N/A
Project Status: Released	Contact Information: Azar, Hossein
Duration: 1999 - 2011	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project provides for the construction of a new water pump station and a new pressure reducing station in Rancho Penasquitos.

Justification: This pump station is required to deliver treated water from the Miramar Water Treatment Plant to the service area of Rancho Bernardo and most of Rancho Penasquitos and Del Mar; and will include Black Mountain Ranch development. This delivery of Miramar Water Treatment Plant water will reduce dependency on imported filtered water and will support future development and growth.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Schedule: The planning phase started in Fiscal Year 2001. The project was then put on hold until funding could be identified. Presently, the project is in construction under a Design-Build delivery process. The Design-Build project started in Fiscal Year 2008 and completed in Fiscal Year 2011.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Water Pump Station Restoration / ABJ00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2021	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for replacing deteriorated pumping equipment and appurtenances or expanding pumping capacities to meet present and future water demands.

Justification: Many existing water pump stations have reached or exceeded their anticipated service life or demands have exceeded their maximum pumping capacity. However, because of the widely varying actual lengths of service life, scheduling for pump station restoration is difficult.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis. Design for the Tierrasanta (Via Dominique) Pump Station and Design/Build for the Scripps Miramar Pump Station will begin in Fiscal Year 2012.

Summary of Project Changes: Total project cost increased by \$6.0 million due to revised project requirements.

Barrett Flume Cover / S10013

Council District: Non-city	Priority Score: 51
Community Plan: Non City	Priority Category: Low
Project Status: Released	Contact Information: Varga, Tibor
Duration: 2010 - 2014	858-654-4284
Improv Type: Betterment	tvarga@sandiego.gov

Description: This project will provide a covering for the 10 to 12 mile open channel delivering water from the Barrett Reservoir to the Lower Otay Reservoir

Justification: Each year golden eagles, deer, and other wildlife drown in the open channel sections of the Barrett Flume. There is also an excessive maintenance burden to keep soil and sediment out. Additionally, there is a slight algae build up due to sunlight. Covering the open flume sections is necessary to prevent fines and sanctions from the resource agencies, to maintain water quality, and to reduce maintenance and down time.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Planning will begin in Fiscal Year 2012. Design is scheduled to begin in Fiscal Year 2013. Construction is estimated to begin in Fiscal Year 2013 and end in Fiscal Year 2014.

Summary of Project Changes: The total project cost increased by \$232,794 in Fiscal Year 2012 due to revised project requirements.

Barrett Reservoir Outlet Tower Upgrade / S00039

Council District: Non-city	Priority Score: N/A
Community Plan: Non City	Priority Category: N/A
Project Status: Technically completed	Contact Information: Asgharzadeh, Iraj
Duration: 2001 - 2010	619-533-5105
Improv Type: Betterment	iasgharzadeh@sandiego.gov

Description: This project provides for upgrades to the electrical and operating systems and the replacement of outlet tower ladders, valves and platforms to the Barrett Reservoir Outlet Tower.

Justification: The aging outlet tower components are in need of replacement for safety and ease of operation. The electrical and operating systems need to be upgraded to meet current standards and provide better control, safety and accessibility.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: The project is complete and awaiting closure and capitalization.

Summary of Project Changes: In Fiscal Year 2011 the total project budget decreased by \$1M due to a transfer to A-BL.00001 AA Standpipe and Reservoir Rehabilitations authorized per R-306436. This project has been completed and will be closed by the end of the fiscal year.

Dams and Reservoirs / ABK00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2021	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for rehabilitating and reconstructing improvement projects at reservoirs and dams. Projects include resurfacing access roads, reconstructing berms, installing lighting around dams, and sandblasting and shotcreting all exposed surfaces of the dams.

Justification: The rehabilitation and reconstruction of access roads and the upgrading of berms, lighting, and all exposed surfaces of the dams are necessary to maintain access to and safety in the dam area. The State required improvements will also serve to satisfy a portion of the Division of Safety of Dams.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in compliance consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Modifications to Lake Hodges Dam scheduled in Fiscal Year 2010 were deferred to Fiscal Year 2012. The Emergency Storage Project-San Vicente Reservoir Marina project was started in Fiscal Year 2009 and will be completed in Fiscal Year 2013.

Summary of Project Changes: Total project cost increased by \$574,304 due to revised project requirements.

El Capitan Reservoir Road Improvements / S00040

Council District: Non-city	Priority Score: 14
Community Plan: Non City	Priority Category: Low
Project Status: Released	Contact Information: Varga, Tibor
Duration: 1999 - 2018	858-654-4284
Improv Type: Replacement - Rehab	tvarga@sandiego.gov

Description: This project provides for repairing and widening the access road to El Capitan Reservoir.

Justification: The existing access road is narrow and has become a safety concern due to rain induced sloughing. Widening the road will improve accessibility to the reservoir, accommodate the recreation activities, and assist maintenance efforts for the reservoir.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2000 and was completed in Fiscal Year 2001. Construction has been re-scheduled to begin in Fiscal Year 2016 and scheduled to be completed in Fiscal Year 2018.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Lower Otay Outlet Tower / S12018

Council District: Non-city	Priority Score: 21
Community Plan: Non City	Priority Category: Low
Project Status: Created	Contact Information: Varga, Tibor
Duration: 2012 - 2016	858-654-4284
Improv Type: Betterment	tvarga@sandiego.gov

Description: This project provides for the replacement of eight saucer outlet valves. This project will also conduct investigations to determine if settlement of the anchor blocks is occurring due to silt at the outlet tower base.

Justification: Seismic analysis concluded that the tower concrete has an overstress in flexural tension. Both the tower and the tower foundation are in danger of failure.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is outside the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2015 and be completed in Fiscal Year 2016.

Community Plan: Non City	Priority Category: Medium
Project Status: Released	Contact Information: Azar, Hossein
Duration: 2001 - 2015	619-533-4102
Improv Type: Betterment	hazar@sandiego.gov

Description: This project provides for the installation of two sluice gates on the auxiliary spillway to improve draw-down capacity.

Justification: The State Department of Safety of Dams requires an emergency draw-down capability of 10 percent of reservoir capacity in 10 days. Lower Otay Reservoir (backed up by Savage Dam) requires 56 days for 10 percent draw-down in order to prevent a risk of dam failure.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001 and was completed in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2013 and is scheduled to be completed in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Morena Reservoir Outlet Tower Upgrade / S00041

Council District: Non-city	Priority Score: 27
Community Plan: Non City	Priority Category: Low
Project Status: Released	Contact Information: Azar, Hossein
Duration: 2001 - 2017	858-654-4284
Improv Type: Betterment	tvarga@sandiego.gov

Description: This project upgrades the outlet tower to meet seismic requirements, replaces the electrical system and outlet tower piping, interior and exterior valves, and platforms. It will add a 100-foot long, 6-foot wide pedestrian bridge from the dam to the outlet tower.

Justification: The aging outlet tower components are in need of replacement for safety and ease of operation. Furthermore, the electrical system needs to be upgraded to meet current standards, provide better control, and provide safety and better accessibility.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Planning is scheduled to begin in Fiscal Year 2012. Design phase to begin in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2014 and will be completed in Fiscal Year 2016

Summary of Project Changes: Changes to project cost and schedule reflect changes to initial estimates. Total project cost increased by \$141,992 due to revised project requirements.

Rancho Bernardo Reservoir Rehabilitation / S00042

Council District: 5	Priority Score: N/A
Community Plan: Rancho Bernardo	Priority Category: N/A
Project Status: Technically completed	Contact Information: Azar, Hossein
Duration: 2000 - 2010	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project rehabilitates the existing 10 million gallon concrete reservoir to better meet operational needs and seismic codes.

Justification: This rehabilitation project will extend the service life of the existing reservoir and reduce the maintenance required to keep it in safe operating condition.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2000 and was completed in Fiscal Year 2007. Construction began in Fiscal Year 2008 and was completed in Fiscal Year 2009. The project is complete and awaiting closure and capitalization.

Summary of Project Changes: This project is complete and awaiting closeout and capitalization.

Miramar Clearwell Improvements / S11024

Council District: 5	Priority Score: 46
Community Plan: Scripps Miramar Ranch	Priority Category: Low
Project Status: Created	Contact Information: Varga, Tibor
Duration: 2011 - 2018	858-654-4284
Improv Type: Replacement	tvarga@sandiego.gov

Description: This project will construct two new clearwells just west of the Miramar Water Treatment Plant. Capacity will be determined by the planning study.

Justification: This project will replace the existing clearwells at Miramar Water Treatment Plant. The existing clearwells were determined to have significant structural issues.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and to be completed in Fiscal Year 2014. Construction is scheduled to begin in Fiscal Year 2015 and to be completed in Fiscal Year 2018.

Summary of Project Changes: Total project cost decreased by \$10.2 million due to revised project requirements.

Standpipe and Reservoir Rehabilitations / ABL00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2021	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for reconstructing standpipes and reservoirs to improve operations and extend their useful life.

Justification: Many existing standpipes and reservoirs in the water system have deteriorated to a point where they must be reconstructed or replaced to meet the current Occupational Safety and Health Act and Environmental Protection Agency safety and water quality standards.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is in compliance with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis. Construction of the San Carlos Reservoir Interior Enhancement project is anticipated for completion in Fiscal Year 2012. Planning for the Catalina Standpipe project has been completed. Pomerado Park Reservoir has been placed on hold. The new projects for Fiscal Year 2012 are: La Jolla View Reservoir and La Jolla Country Club Reservoir

Summary of Project Changes: Total project cost increased by \$1.3 million due to revised project requirements.

Alvarado Water Treatment Plant Upgrade & Expansion / S00021

Council District: 7	Priority Score: N/A
Community Plan: Navajo	Priority Category: N/A
Project Status: Technically completed	Contact Information: Asgharzadeh, Iraj
Duration: 1999 - 2018	619-533-5105
Improv Type: Expansion	iagharzadeh@sandiego.gov

Description: This project increases the treatment capacity of the Alvarado Water Treatment Plant (WTP) from 150 million gallons of water per day (mgd) to 200 mgd and upgrades the existing treatment plant facilities to replace aged equipment to comply with new drinking water regulations. This project is split into multiple construction projects and will be phase funded. The major project components consist of the construction of two new sedimentation basins, the rehabilitation of existing 1950's-era sedimentation basins, the rehabilitation of the mechanical equipment and controls on the filters, ozone generation, and treatment facilities. Various site and landscaping improvements will also be made.

Justification: The Safe Drinking Water Act, Environmental Protection Agency regulations, and a Department of Public Health Compliance Order dictate the need to upgrade the treatment plant process and equipment. Anticipated future demands within the Alvarado Water Service Area also require the plant to be expanded to 200 mgd, allowing for better utilization of the raw water storage in the San Vicente and El Capitan Reservoirs.

Operating Budget Impact: The upgrade from chlorine to ozone, as the primary disinfectant, will have a significant impact on the electrical and chemical consumption of the plant (an increase of approximately of \$1.6 million annually at completion). The increase in treated water capacity and the technical aspect of the equipment will also impact the cost for maintaining and operating the plant.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 1999 and has continued through subsequent phases of work. Construction began on the initial phase of work in Fiscal Year 2004 and is scheduled to be completed in Fiscal Year 2013. Alvarado WTP - Flow Control Facility #12 has been rescheduled for Fiscal Year 2014 and has an estimated completion date of Fiscal Year 2018.

Summary of Project Changes: The total project cost increased by \$2 million due to revised project requirements.

Fluoridation Facilities / S00074

Council District: 5, 7	Priority Score: N/A
Community Plan: Navajo, Scripps Miramar Ranch, Non City	Priority Category: N/A
Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 2009 - 2011	619-533-5105
Improv Type: Betterment	iasgharzadeh@sandiego.gov

Description: This project consists of installing fluoridation equipment at each of the City of San Diego Water Treatment Plants.

Justification: The State of California Assembly Bill No. 733 requires Public Water Systems with more than 10,000 service connections to fluoridate their drinking water.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Plan, the Navajo and Scripps Miramar Ranch Community Plans, and is in conformance with the City's General Plan.

Schedule: On May 13, 2008, the California Department of Public Health (CDPH) notified the City to install equipment and reliability features necessary to provide fluoridation within two years, before May 2010. This Design Build project started in Fiscal Year 2010 and was completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Miramar Water Treatment Plant Upgrade & Expansion / S00024

Council District: 5	Priority Score: N/A
Community Plan: Scripps Miramar Ranch	Priority Category: N/A
Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 1993 - 2013	619-533-5105
Improv Type: Expansion	iasgharzadeh@sanidiego.gov

Description: This project provides for upgrades to and expansion of the Miramar Water Treatment Plant, including construction of state-of-the-art filters, rapid mix and de-aeration facilities, chlorine and chemical facilities, four flocculation and sedimentation basins, an ozone structure with generation equipment, site paving, landscaping, and an administration building.

Justification: The Safe Drinking Water Act, mandated by the Environmental Protection Agency and the Department of Public Health, dictates the need to upgrade the existing treatment plant. Increasing demands on the plant by the rapidly growing North City area also necessitate its expansion.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 1997 and will continue through subsequent phases of work. Construction began on the initial phase of work in Fiscal Year 2001 and is scheduled to be completed in Fiscal Year 2013.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Asgharzadeh, Iraj
Duration: 1993 - 2012	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project provides for upgrading the treatment processes at the Otay Water Treatment Plant (Phase 1 and 2) to comply with the Safe Drinking Water Act standards. The Safe Drinking Water Act is a federal act, enforced by the State of California.

Justification: New standards required by the Safe Drinking Water Act dictate the need to upgrade the existing water treatment plant standards.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001 and will continue through subsequent phases of work. Construction began in Fiscal Year 2009.

Groundwater Asset Development Program / ABM00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Adrian, George
Duration: 2010 - 2021	619-533-4680
Improv Type: Replacement	gadrian@sandiego.gov

Description: This annual allocation provides for investigation work related to legal, technical, regulatory, and water quality issues; and for the planning, design, and construction of groundwater facilities to increase the local water supply.

Justification: The City imports 90 percent of its water from the Colorado River and the State Water Project. The City has access to nine under-utilized groundwater assets that could be developed to supply new yield, seasonal storage or carryover storage.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is in compliance with applicable community plans and is in conformance with the City's General Plan.

Schedule: Research, exploration and demonstration began in Fiscal Year 2001 and will continue through Fiscal Year 2014. Design and construction of sub-projects identified in the research/exploration/demonstration phase are anticipated to begin in Fiscal Year 2012 and continue through Fiscal Year 2021 and beyond.

Summary of Project Changes: The budget for Fiscal Year 2012 increased by \$650,000 due to revised project requirements. The total project cost increased by \$29.6 million due to planned future projects.

Reclaimed Water System - Pipelines

North City Reclamation System / AHC00002

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2020	858-292-6476
Improv Type: Expansion	ghwang@sandiego.gov

Description: This annual allocation in the Northern Service Area recycled water system expansion is identified as Phase II in the 2000 and 2005 Recycled Water Master Plans and will be served by the North City Water Reclamation Plant. Once all the components of Phase II are completed, recycled water service will extend from Black Mountain Road west, along the I-56 corridor, to Carmel Valley. Portions of the recycled water pipeline expansion have been completed; bringing service to Olivenhain Municipal Water district and the communities of Black Mountain Ranch and Santa Luz. Transmission/distribution pipelines are planned in Carmel Valley, Pacific Highlands, Los Penasquitos Canyon and Camino Del Sur. State Proposition 50 (Integrated Regional Water Management Plan) and Bureau of Reclamation Title 16 Grant funds are anticipated for this project.

Justification: Recycled water pipelines have been constructed by private developers or Caltrans. The City needs to construct the gaps to complete the system and start delivering recycled water. The City also needs to expand the distribution system to customers already retrofitted to use recycled water.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Planning, design and construction began in Fiscal Year 2001 and is currently scheduled for completion in Fiscal Year 2015.

Summary of Project Changes: No significant change has been made to this annual allocation for Fiscal Year 2012.

Project Status: Released	Contact Information: Casamassima, Jennifer
Duration: 2010 - 2020	619-533-7402
Improv Type: Expansion	jcasamassima@sandiego.gov

Description: This annual allocation provides for pipeline extensions of the City's Recycled Water Distribution System to serve potential customers adjacent or in close proximity to the existing system.

Justification: This project provides recycled water to customers served by the pipeline extensions.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis. Planned projects over the course of the next five years are currently being evaluated.

Summary of Project Changes: Total project cost decreased by \$500,000 due to revised project requirements.

Reclaimed Water Retrofit / AHC00003

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Casamassima, Jennifer
Duration: 2010 - 2020	619-533-7402
Improv Type: Expansion	jcasamassima@sandiego.gov

Description: This annual allocation provides for supplying reclaimed water customers with the proper connections and metering for the new reclaimed water distribution system.

Justification: The City of San Diego has embarked on an aggressive water reclamation program to provide reclaimed water to large users of potable water for irrigation purposes. This will allow the City to increase its available potable water to serve new potential customers.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Reclaimed Water System - Pipelines

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Released	Contact Information: Azar, Hossein
Duration: 2010 - 2014	858-654-4284
Improv Type: Betterment	tvarga@sandiego.gov

Description: This project is needed to ensure that spills from the recycled water system flow into the sewer rather than the storm water system. This project would include 14 Pressure Reducing Station vaults to be retro-fitted to divert the drainage inside the vault from the storm drain to the sewer system, as required by Regional Water Quality Control Board.

Justification: This project is needed to comply with the latest regulatory requirements that recycled water be drained to the sewer system rather than the storm drain system when emergency spills or main breaks occur inside the vaults.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2011 and construction is to be completed in Fiscal Year 2014.

Summary of Project Changes: The total project cost decreased by \$31,914 due to revised project requirements.

Reclaimed Water System - Pipelines

South Bay Reclamation System / S00018

Council District: 8	Priority Score: N/A
Community Plan: San Ysidro, Tijuana River Valley	Priority Category: N/A
Project Status: Released	Contact Information: Phung, Tung
Duration: 2002 - 2012	858-292-6425
Improv Type: Expansion	tphung@sandiego.gov

Description: This project acquires a pipeline that was installed by the Metropolitan Wastewater Department at Dairy Mart Road. It is approximately 4,145 linear feet of 30-inch diameter, ductile iron pipe, polyurethane lined and coated. A cathodic protection system is in place on this project. Subsequently, additional sub-projects will be created to form a distribution system for reclaimed water produced at the South Bay Water Reclamation Plant.

Justification: One of the requirements of the Ocean Pollution Reduction Act Consent Decree Agreement between the City, the State of California and the Environmental Protection Agency is the Beneficial reuse of Title 22 reclaimed water.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the San Ysidro and Tijuana River Valley Community Plans, and is in conformance with the City's General Plan.

Schedule: All pipelines for this project have been completed and will be closed by the end of the fiscal year. The final phase consists of the installation of a mag-meter assembly to facilitate recycled water billings to the Otay Water District.

Summary of Project Changes: \$150,000 has been identified for this project for Fiscal Year 2012. The project is in its final stage in Fiscal Year 2012. Total project expenditures do not include projects which closed prior to conversion to SAP. The Mag Meter Assembly project is in progress.

Reclaimed Water System - Reservoirs

Council District:	1, 5, 8
Community Plan:	Scripps Miramar Ranch, Rancho Penasquitos, Tijuana River Valley
Project Status:	Created
Duration:	2012 - 2016
Improv Type:	Replacement

Recycled Water Tank Modifications / S12014

Priority Score:	26
Priority Category:	Medium
Contact Information:	Varga, Tibor 858-654-4284 tvarga@sandiego.gov

Description: This project provides funding for tank modifications for four tank drains to comply with new laws. The tanks being modified are the 9 million gallon (mg) Miramar Recycled Water Tank, the 9mg Tank Automated Chlorination Facility, the 9mg Tank Reservoir Management System (two mixers inside the tank).

Justification: This project is needed in order to comply with the latest regulatory requirements that recycled water be drained to the sewer system rather than the storm drain system.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with Scripps Miramar Ranch, Rancho Penasquitos and Tijuana River Valley Community plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2014 and be completed in Fiscal Year 2015.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Pipeline Rehabilitation / AJA00002

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2020	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for the rehabilitation and repair of deteriorated sewers and man-holes at various locations within the City limits.

Justification: This annual allocation provides for the extension of the useful life of sewers and manholes, improvements in the level of service to the residents of San Diego, and compliance with regulatory agencies' standards by reducing the impact of sewer spills.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: Total project cost decreased by \$10 million due to revised project requirements.

Project Status: Released	Contact Information: Azar, Hossein
Duration: 2005 - 2011	619-533-4102
Improv Type: Replacement - Rehab	hazar@sandiego.gov

Description: This project provides rehabilitation and repair of 21.72 miles of sewer pipeline.

Justification: This project will help meet EPA requirements to reduce sewer spills while reducing maintenance costs and extending the service life of sewer pipelines.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community planning areas and is in conformance with the City's General Plan.

Schedule: Construction began in Fiscal Year 2008 and was completed in Fiscal Year 2011.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Balboa Avenue Trunk Sewer / S00331

Council District: 6	Priority Score: N/A
Community Plan: Clairemont Mesa	Priority Category: N/A
Project Status: Released	Contact Information: Gamboa, Wendy
Duration: 2001 - 2012	619-235-1971
Improv Type: Expansion	wgamboa@sandiego.gov

Description: This project includes the construction of approximately 4,500 linear feet of 18-inch trunk sewer, and replacement of 1,700 feet of 8-inch and 12-inch sewer mains.

Justification: This project will upgrade the existing trunk sewer with a larger pipe to accommodate additional flow in the future.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2002 and was completed in FY2010. Construction is underway and scheduled to be completed in this Fiscal Year 2012.

Summary of Project Changes: No significant changes have been made to the project in Fiscal Year 2012.

Beach Area Low Flow Storm Diversion / S00313

Council District: 1, 2	Priority Score: N/A
Community Plan: La Jolla, Pacific Beach	Priority Category: N/A
Project Status: Technically completed	Contact Information: Batta, Jamal
Duration: 1999 - 2010	619-533-7482
Improv Type: Replacement	jbatta@sanidiego.gov

Description: This project and Storm Water Department's Beach Area Low Flow Storm Drain Diversion project, S-00603, provide for diversion of low flow storm runoff and sewer overflows.

Justification: This project will allow for the sewer overflow and low flow storm runoff to return to the sewer, preventing pollution in the beach areas.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla and Pacific Beach Community Plans, and is in conformance with the City's General Plan.

Schedule: This project is complete and awaiting closure and capitalization.

Summary of Project Changes: This project is complete and awaiting closure and capitalization.

Carmel Valley Trunk Sewer / S00325

Council District: 1	Priority Score: N/A
Community Plan: Carmel Valley	Priority Category: N/A
Project Status: Released	Contact Information: Phung, Tung
Duration: 1992 - 2012	858-292-6425
Improv Type: Expansion	tphung@sandiego.gov

Description: This project provides for replacement of the existing Carmel Valley Trunk Sewer east of Interstate 5.

Justification: The existing sewer has experienced a significant number of structural failures. Continuing development within the area tributary to the existing trunk sewer will also create the need for greater capacity than the existing sewer can provide. CalTrans will replace a portion of the existing trunk sewer in conjunction with its work on the State Route 56/Interstate 5 interchange. This project is included in the Environmental Protection Agency Consent Decree.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: This project is completed and awaiting closure and capitalization.

Summary of Project Changes: This project is completed and awaiting closure and capitalization.

East Mission Gorge Force Main Rehabilitation / S00326

Council District: 7	Priority Score: 36
Community Plan: Navajo	Priority Category: Low
Project Status: Released	Contact Information: Phung, Tung
Duration: 2004 - 2015	858-292-6425
Improv Type: Replacement	tphung@sandiego.gov

Description: This project provides for the rehabilitation of the East Mission Gorge force main due to deterioration of the pipeline concrete lining from sulfuric acid build up.

Justification: This project provides for the rehabilitation of the force main in order to prevent breakage of the force main and prevent potential sewage spills.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004. This project is on hold pending the negotiation of a cost sharing agreement with the participating agencies.

Summary of Project Changes: The total project cost increased by \$500,000 due to revised project requirements.

East Point Loma Trunk Sewer / S00329

Council District: 2	Priority Score: N/A
Community Plan: Peninsula, Midway - Pacific Highway	Priority Category: N/A
Project Status: Released	Contact Information: Spier, Carl
Duration: 2001 - 2013	619-533-5126
Improv Type: Expansion	cspier@sandiego.gov

Description: Construction consists of the rehabilitation of approximately 4,932 feet of 27-inch & 3,229 feet of 30-inch trunk sewer mains, the rehabilitation of sewer manholes, and sewer laterals connections, and all other work and appurtenances necessary to complete the work. The affected streets are Nimitz Boulevard, Barnett Avenue, and Cushing Road between Nimitz Boulevard and Barnett Avenue.

Justification: This project redirects the existing trunk sewer system to the 96 Sewer Interceptor located on Barnett Avenue. The age of the existing system is almost 60 years old and needs to be rehabilitated.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Peninsula and Midway-Pacific Highway Corridor Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004 and was completed in Fiscal Year 2011. Construction began in Fiscal Year 2011 and will be completed in Fiscal Year 2012.

Summary of Project Changes: The total project cost decreased by \$1.5 million due to revised project requirements.

Harbor Drive Trunk Sewer Replacement / S00336

Council District: 8	Priority Score: 90
Community Plan: Barrio Logan	Priority Category: Medium
Project Status: Released	Contact Information: Spier, Carl
Duration: 2000 - 2013	619-533-5126
Improv Type: Expansion	cspier@sandiego.gov

Description: This project provides for upgrading and replacing existing portions of 39-inch Harbor Drive Trunk Sewer with 48-inch pipelines.

Justification: The existing trunk sewer has a portion constructed of techite pipeline, which has been prone to structural failure.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Barrio Logan Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2002 and was completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012 and be completed in Fiscal Year 2013.

Summary of Project Changes: \$4.0 million has been allocated to this project for Fiscal Year 2012 to fulfill accelerated construction timeline. Total project cost has been increased to \$11.5 million.

La Jolla/PB Trunk Sewer-Chelsea Street Relocation / S00327

Council District: 1	Priority Score: N/A
Community Plan: La Jolla	Priority Category: N/A
Project Status: Technically completed	Contact Information: Gamboa, Wendy
Duration: 1997 - 2010	619-235-1971
Improv Type: Expansion	wgamboa@sandiego.gov

Description: This project will realign approximately 3,850 feet of 21-inch trunk sewer; construct approximately 28 feet of 12-inch sewer main; construct approximately 4,638 feet of 8-inch sewer main; and replumb approximately 65 laterals.

Justification: This project will relocate an existing trunk sewer located within a utility easement area between private properties fronting La Jolla Boulevard and Chelsea Street.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and it is in conformance with the City's Program Guide and General Plan.

Schedule: This project is complete and awaiting closure and capitalization.

Summary of Project Changes: This project is complete and awaiting closure and capitalization.

Lake Murray Trunk Sewer / S00335

Council District: 7	Priority Score: N/A
Community Plan: Navajo	Priority Category: N/A
Project Status: Released	Contact Information: Spier, Carl
Duration: 2003 - 2012	619-533-5126
Improv Type: Expansion	cspier@sandiego.gov

Description: This project provides for the replacement of three miles of existing trunk sewer and installation of maintenance access pathways.

Justification: This project provides for the upsizing of the trunk sewer to meet build-out capacity.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2003 and was completed in Fiscal Year 2010. Construction began in Fiscal year 2010 and will be completed by Fiscal Year 2012.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Metropolitan Waste Water Department Trunk Sewers / AJB00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Guann Hwang
Duration: 2010 - 2020	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for the replacement of trunk sewers and sewer mains at various locations, including canyons, within the City.

Justification: This annual allocation provides for the upgrading of trunk sewers, to improve the level of service to residents of San Diego and to comply with regulatory agencies by reducing the impact of sewer spills.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: Total project cost decreased by \$4,579,538 due to revised requirements.

Miramar Road Trunk Sewer / S00330

Council District: 1, 5	Priority Score: N/A
Community Plan: Mira Mesa, University	Priority Category: N/A
Project Status: Technically completed	Contact Information: Phung, Tung
Duration: 2001 - 2010	858-292-6425
Improv Type: Expansion	tphung@sandiego.gov

Description: This project provides for the replacement and upgrade of the Miramar Trunk Sewer.

Justification: This project provides for upgrading the existing 15-inch diameter pipe to 18-inch diameter pipe in order to accommodate the flow from the Marine Corps Air Station, Miramar.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University and Mira Mesa Community Plans and is in conformance with the City's General Plan.

Schedule: This project is complete and awaiting closure and capitalization.

Summary of Project Changes: This project is complete and awaiting closure and capitalization.

Montezuma Trunk Sewer / S00332

Council District: 7	Priority Score: 90
Community Plan: College Area	Priority Category: Medium
Project Status: Released	Contact Information: Spier, Carl
Duration: 2002 - 2013	619-533-5126
Improv Type: Expansion	cspier@sandiego.gov

Description: This project provides for the replacement of approximately 6,769 feet of the existing 15-inch trunk sewer with 21-inch pipe.

Justification: This trunk sewer will be upgraded with a larger pipe to accommodate future flow capacity.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the College Area Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004 with final design completed in Fiscal Year 2011. Construction for this project will begin in Fiscal Year 2012.

Summary of Project Changes: The total project cost increased by \$1.4 million due to revised project requirements.

Otay Mesa Trunk Sewer / S00301

Council District: 8	Priority Score: N/A
Community Plan: Otay Mesa	Priority Category: N/A
Project Status: Released	Contact Information: Phung, Tung
Duration: 2001 - 2010	858-292-6425
Improv Type: Expansion	tphung@sandiego.gov

Description: This project will provide for adequate sewage capacity and accommodate future growth in the Otay Mesa community. The City of San Diego and developers have entered into cooperative agreements to design and construct the Otay Mesa Trunk Sewer project. This is a multi-phased, major trunk sewer system to serve the Otay Mesa area as described in the 2004 Otay Mesa Sewer Master Plan and Alignment Study. The project constructs all sewer pipes 18-inches and larger and upgrades the existing pump station 23T. Phase 2A1 constructs 2,634 feet of 42-inch pipe in Old Otay Mesa Road. Phase 2A2 constructs a continuation of the pipe for another 4,282 feet. Phase 2B1 constructs a continuation of the pipe for another 6,180 feet to connect to the San Ysidro Trunk Sewer

Justification: The project will provide service for the future wastewater flows in the Otay Mesa Area.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: This project is complete and awaiting closure and capitalization.

Summary of Project Changes: This project is complete and awaiting closure and capitalization.

Council District:	2, 3, 6, 7	Priority Score:	N/A
Community Plan:	Mission Valley, Old San Diego	Priority Category:	N/A
Project Status:	Released	Contact Information:	Gamboa, Wendy
Duration:	2001 - 2012		619-235-1971
Improv Type:	Expansion		wgamboa@sandiego.gov

Description: This project provides for the installation of approximately 3,000 feet of new 36-inch trunk sewer along Interstate 8 between Taylor Street and Hotel Circle Place, and approximately 600 feet of new 24-inch trunk sewer at the Interstate 5/Interstate 8 interchange.

Justification: This project will increase the flow capacity of the South Mission Valley Trunk Sewer.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley and Old San Diego Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2003 and was completed in Fiscal Year 2008. Construction began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant changes have been made to the project in Fiscal Year 2012.

USIU Trunk Sewer / S00334

Council District: 5	Priority Score: N/A
Community Plan: Scripps Miramar Ranch, Mira Mesa	Priority Category: N/A
Project Status: Released	Contact Information: Amen, Rania
Duration: 2002 - 2013	619-533-5492
Improv Type: Replacement	ramen@sandiego.gov

Description: This project provides for the replacement of the existing 2.2-mile trunk sewer. The trunk sewer starts on the west side of Interstate 15, proceeds east through Horse Ranch Canyon, and continues east on the edge of Pomerado Road to 400 feet east of Avenida Magnifica.

Justification: This project will provide for the upsizing of the trunk sewer to meet build-out capacity.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch and Mira Mesa Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2002 and is scheduled to be completed in Fiscal Year 2012. Construction began in Fiscal Year 2011 and will be completed in Fiscal Year 2012.

Del Mar Heights Pipeline Relocation / S00070

Council District: 1	Priority Score: N/A
Community Plan: Del Mar Mesa	Priority Category: N/A
Project Status: Released	Contact Information: Wilson, Leonard
Duration: 2005 - 2014	858-654-4112
Improv Type: Expansion	llwilson@sandiego.gov

Description: This project will provide for the relocation and upsizing of this 36-inch pipeline in the ultimate right-of-way for Carmel Valley Road. The existing Del Mar Heights Pipeline will no longer follow the alignment of Carmel Valley Road once Carmel Valley Road is improved to four lanes.

Justification: Future maintenance of this facility is enhanced when it is in an accessible and convenient location such as a public street right-of-way. This project will relocate the pipeline so that it can be easily maintained, repaired, and serviced in the future.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to be completed in Fiscal Year 2012. Construction will begin in Fiscal Year 2013 and is scheduled to be completed in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project in Fiscal Year 2012.

El Capitan Pipeline #2 / S10005

Council District: Non-city	Priority Score: 35
Community Plan: Non City	Priority Category: High
Project Status: Released	Contact Information: Wong, Pete
Duration: 2010 - 2020	858-292-6475
Improv Type: Expansion	pwong@sandiego.gov

Description: This project provides for a pipeline parallel to the existing 48-inch El Capitan Pipeline with 41,490 linear feet of new 54-inch pipeline.

Justification: This project would provide an additional outlet capacity of 75 million gallons per day (mgd) from El Capitan Reservoir to the Lakeside Pump Station. The combined capacity of the two pipelines would be 130 mgd. This would enable the Lakeside Pump Station to deliver 110 mgd to the Alvarado Water Treatment Plant and 20 mgd to the Helix Water District.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: This project is scheduled to undergo condition assessment in Fiscal Year 2015. Planning is scheduled to begin in Fiscal Year 2016. Design phase is re-scheduled to begin in Fiscal Year 2017. Construction is scheduled to begin in Fiscal Year 2018 with completion anticipated by Fiscal Year 2020.

Summary of Project Changes: Project schedule adjusted to initiate condition assessment in Fiscal Year 2014. No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Wong, Pete
Duration: 2010 - 2020	858-292-6475
Improv Type: Replacement - Rehab	pwong@sandiego.gov

Description: This project would build a new 60-inch pipeline with a capacity of 150 million gallons per day (mgd) between the Lakeside Pump Station and the Alvarado Water Treatment Plant.

Justification: This project is necessary to ensure that future water demands are met in the Alvarado service area.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Schedule: Project currently undergoing condition assessment / planning. Condition assessment is re-scheduled to begin in Fiscal Year 2012. Planning and design is scheduled for Fiscal Year 2013 and Fiscal Year 2014. Construction is scheduled to begin in Fiscal Year 2015 with completion in Fiscal Year 2020.

Summary of Project Changes: Project schedule changed to include condition assessment. The project budget was changed in Fiscal Year 2012 to reflect the revised project schedule.

Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2021	858-595-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides funding to relocate water lines in conflict with the State Department of Transportation highway construction zones.

Justification: Waterline relocation is required by the State Department of Transportation's effort to expand the State Highway System. Relocation projects are accomplished in conjunction with highway projects scheduled by the State Department of Transportation.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis per Caltrans requests.

Summary of Project Changes: Total project cost increased by \$200,000 due to revised project requirements.

Project Status: Released	Contact Information: Wong, Pete
Duration: 2010 - 2019	858-292-6475
Improv Type: Replacement - Rehab	pwong@sandiego.gov

Description: This project provides for the replacement of the Kearny Mesa Pipeline. There will be 49,000 linear feet of 36-inch and 30-inch pipeline replaced.

Justification: This upgrade is necessary to prevent water pipe breaks, and to assure a continuous water supply to the Kearny Mesa community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley, Linda Vista, Clairemont Mesa and Kearny Mesa Community Plans and is in conformance with the City's General Plan.

Schedule: This project is scheduled for condition assessment in Fiscal Year 2014. Planning is scheduled to begin in Fiscal Year 2015. Design is scheduled to begin in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2017 and to be completed in Fiscal Year 2019.

Kensington Pressure Regulator / S10059

Council District: 3	Priority Score: 13
Community Plan: Normal Heights (Mid-City)	Priority Category: Low
Project Status: Created	Contact Information: Varga, Tibor
Duration: 2013 - 2015	858-654-4284
Improv Type: Betterment	tvarga@sandiego.gov

Description: This project will install two pressure regulating stations at the Kensington Park Villas in order to provide more consistent water pressure throughout the community.

Justification: The pressure regulating station will provide more consistent water pressure throughout the community and decrease pipe ruptures or other problems due to over pressurizing.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Normal Heights Community Plan and is in conformance with the City's General Plan.

Schedule: This project is on hold until Fiscal Year 2013.

Summary of Project Changes: The total project cost decreased by \$51,217 in Fiscal Year 2012 due to revised project requirements.

Miramar Pipeline Monitoring & Reinspection / S00083

Council District: 5	Priority Score: 35
Community Plan: Mira Mesa	Priority Category: High
Project Status: Released	Contact Information: Wong, Pete
Duration: 2007 - 2012	858-292-6475
Improv Type: Replacement - Retrofit	pwong@sandiego.gov

Description: This project provides for monitoring and reinspection of 26,870 linear feet of existing pre-stressed concrete cylinder pipe on Mira Mesa Boulevard from Pacific Heights Boulevard eastward to the Miramar Water Treatment Plant. A pipeline condition assessment will be performed prior to initiating design.

Justification: These improvements are necessary to prevent water pipe breaks and to assure a continuous water supply to the Mira Mesa Community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: The Miramar Pipeline re-inspection began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: The total project cost decreased by \$82,462 in Fiscal Year 2012 due to revised project requirements.

Montezuma Pipeline/Mid-City Pipeline Phase II / S11026

Council District: 7	Priority Score: 80
Community Plan: College Area, Eastern Area (Mid-City), Navajo	Priority Category: High
Project Status: Created	Contact Information: Varga, Tibor
Duration: 2011 - 2017	858-654-4284
Improv Type: Expansion	tvarga@sandiego.gov

Description: This project will construct a new 54-inch pipeline from the Alvarado Water Treatment Plant Clearwells to the existing 48-inch Mid-City Pipeline, which crosses Highway 8. Approximate pipeline length is 6,505 linear feet.

Justification: This project will give complete redundancy to the Trojan Pipeline and will add transmission capacity to all of San Diego, south of Highway 8. The project will provide a back-up supply for the aging 54-inch Trojan Pipeline that currently supplies the Mid-City Pipeline west of the 63rd Street inter-tie, a second supply line to the largest region of the Alvarado Water Treatment Plant service area, and a back-up service that will allow the Trojan Pipeline to be removed from service for inspection. In addition, the project provides connections for a new 69th and Mohawk Pump Station to become the lead supply to the Redwood Village (645 Zone).

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the College Area, Navajo and Eastern Area Community Plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and completed in Fiscal Year 2014. Construction is scheduled to begin in Fiscal Year 2015 and completed in Fiscal Year 2017.

Summary of Project Changes: The total project cost increased by \$5.8 million in Fiscal Year 2012 due to revised project requirements.

Pomerado Pipeline #2 / S00072

Council District:	5, 7	Priority Score:	35
Community Plan:	Scripps Miramar Ranch, Tierrasanta	Priority Category:	High
Project Status:	Released	Contact Information:	Varga, Tibor
Duration:	1987 - 2015		858-654-4284
Improv Type:	Betterment		tvarga@sandiego.gov

Description: This project provides for negotiating an agreement with the San Diego County Water Authority for the disposition of the City's share of the Pomerado Pipeline.

Justification: The City and the San Diego County Water Authority jointly own the Pomerado Pipeline. The agreement will determine the long-term disposition of the pipeline. Negotiations with the San Diego County Water Authority are expected to continue through 2014.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch and Tierrasanta Community Plans and is in conformance with the City's General Plan.

Schedule: Negotiations with San Diego County Water Authority are scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Seismic Upgrades / AKB00004

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2021	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for seismic retrofits and upgrades to existing facilities to protect the water system in case of an earthquake.

Justification: Many existing facilities throughout the City have serious structural and seismic defects. This annual allocation provides funding to upgrade these facilities to meet current compliance requirements and guidelines. This project allows City crews the ability to rapidly restore water services to affected areas after a large earthquake.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis. The Fault Crossing Retrofits to Large Pipelines and Landslide/Liquefaction Pipeline Mitigation projects, which began in Fiscal Year 2009, were completed in Fiscal Year 2011.

Summary of Project Changes: Total project cost decreased by \$466,830 due to revised project requirements.

Telemetry Control Systems SCADA Phase II / S00046

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Technically completed	Contact Information: Spier, Carl
Duration: 2000 - 2010	619-533-5126
Improv Type: Expansion	cspier@sandiego.gov

Description: This is phase II of a two-phase program to install a modern Supervisory Control and Data Acquisition (SCADA) system. The SCADA system monitors and controls all critical water distribution sites. Phase I included the central control and operations component, as well as Remote Control Panels (RCPs) at 42 of the water distribution sites. Due to additional work that had been identified, phase II was divided into five parts, phases IIa, IIb, IIc, IId, and IIe. Phase IIa included the installation of RCPs to control 60 additional water distribution sites. Phase IIb included remediation work at 36 existing sites. Phase IIc included installation of RCPs at 29 large meter sites. Phase IId included installation of RCPs at 72 sites, an operating efficiency assessment, a communication network upgrade, and intranet functionality for data access. Phase IIe included the work identified in the Water Operations Optimization plan.

Justification: Although electronic monitoring systems are currently in operation, City crews have no ability to remotely control the water system, and crews must still personally visit various system locations to turn valves and control pumps manually in emergencies. With recent technological advances, new telemetry installations can provide versatility and flexibility. The new SCADA system will upgrade and centralize all telemetry controls into one location to facilitate the control, monitoring and tracking of data. Improved service and quick emergency control over the entire water system will be the ultimate result.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2000 and was completed in Fiscal Year 2001. Construction began in Fiscal Year 2000 and was completed in Fiscal Year 2009.

Summary of Project Changes: Project is complete and awaiting closure and capitalization.

University Ave Pipeline Replacement / S11021

Council District: 2, 3	Priority Score: 30
Community Plan: Uptown, Greater North Park	Priority Category: Medium
Project Status: Created	Contact Information: Asgharzadeh, Iraj
Duration: 2011 - 2016	619-533-5105
Improv Type: Replacement	iasgharzadeh@sandiego.gov

Description: This project replaces 13,463 linear feet of existing cast iron University Avenue Pipeline with new 16-inch distribution line on the entire alignment of the pipeline. This project will connect crossing distribution lines at all intersections, and re-connect all services, including lining or sleeving of freeway crossings, where necessary.

Justification: Cast iron reaches of the University Avenue Pipeline are neither safe nor reliable facilities, and may contribute to poor water quality. An active approach is recommended because of high risks and consequences of pipe failure. The University Avenue Pipeline was built in 1912 and lined with concrete in 1974. The replacement of cast-iron pipes is mandated by the California Department of Public Health's (CDPH) Compliance Order.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Uptown and Greater North Park Community Plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and be completed in Fiscal Year 2015.

Summary of Project Changes: Changes to project cost and schedule reflect changes to initial estimates. Total project cost increased by \$509,304 due to revised project requirements..

Council District: 2, 3	Priority Score: 30
Community Plan: Uptown, Greater North Park, Midway - Pacific Highway	Priority Category: Medium
Project Status: Created	Contact Information: Asgharzadeh, Iraj
Duration: 2011 - 2016	619-533-5105
Improv Type: Replacement	iasgharzadeh@sandiego.gov

Description: This project replaces 22,184 linear feet of existing cast iron Upas Street Pipeline with a new 16-inch and 30-inch line from 30th and Upas to Upas and Front Street. Abandon 2,546 linear feet of existing cast iron Upas Street Pipeline from Upas and Front to West Upas and Ibis Street. Replace 250 linear feet of cast iron Upas Street Pipeline with a new 8-inch line from West Upas and Ibis to West Upas and Jackdaw Street. Abandon 1,902 linear feet of Upas Street Pipeline from West Upas and Jackdaw to the west side of California Street. Replace 249 linear feet of cast iron Upas Street Pipeline with new 16-inch lines from the Pacific Beach Pipeline west of California Street to the 12-inch connection west of Pacific Highway.

Justification: This project is needed because the cast iron reaches of the Upas Street Pipeline are neither safe nor reliable facilities, and may contribute to poor water quality. An active approach is recommended because of high risks and consequences of pipe failure. The Upas Street Pipeline was built in 1940. The replacement of cast-iron pipes is mandated by the California Department of Public Health's (CDPH) Compliance Order.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Uptown and Greater North Park Community Plans, and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and be completed in Fiscal Year 2015.

Summary of Project Changes: Changes to project cost and schedule reflect changes to initial estimates. Total project cost increased by \$10 million due to changes in project scope.

Water Group 787 / S11108

Council District: 3	Priority Score: 38
Community Plan: Mid-City: City Heights, Mid-City: Kensington — Talmadge, Mid-City: Eastern Area	Priority Category: High
Project Status: Released	Contact Information: Spier, Carl
Duration: 2011 - 2015	619-533-5126
Improv Type: Replacement	cspier@sandiego.gov

Description: This project provides for the removal and replacement of 26,703 linear feet (5.06 miles) of 6-inch, 8-inch, 12-inch and 16-inch of cast iron mains (CI) and 1029 linear feet of asbestos concrete (AC) pipes in the 6-inch and 8-inch diameter range in the Mid-City areas of City Heights, Kensington-Talmadge and the Eastern Area communities. All of these mains are being replaced with polyvinyl chloride (PVC) pipelines.

Justification: Water mains require replacement due to their deteriorated condition or size limitation. The existing cast-iron system is either approaching or has exceeded its expected life. The replacement of cast-iron pipes is mandated by the California Department of Health's (CDPH) Compliance Order.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City City Heights, Kensington-Talmadge, and Eastern Area community plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008 and was completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012 and be completed in Fiscal Year 2013.

Summary of Project Changes: This project converted from a sublet of the Water Main Replacement Annual Allocation to a standalone project per Council Resolution R-306713 in Fiscal Year 2011 and is a newly published project for Fiscal Year 2012.

Water Group Job 790 / S10004

Council District:	1, 4	Priority Score:	N/A
Community Plan:	La Jolla, Skyline - Paradise Hills	Priority Category:	N/A
Project Status:	Released	Contact Information:	Amen, Rania
Duration:	2010 - 2012		619-533-5492
Improv Type:	Replacement		ramen@sandiego.gov

Description: This project will replace 4.41 miles of existing water mains comprised of the following components: This job is located within two separate planned communities. The first is located within the Paradise Hills/Skyline Community Plan area which consists of the replacement of 14,137 lineal-feet (2.67 miles) of water mains ranging from 2 to 12 in diameter. The streets affected by the construction are: 68th Street, Jamacha Road, Guthie Way, Cardiff Street, Bonsall Street, Wade Street, San Vicente Street, Sawtelle Avenue and Skyline Drive. The second site is located within the La Jolla Community Plan and consists of the replacement and addition of a total of 10,864 lineal-feet (2.06 miles) of water mains ranging from 6 to 12 in diameter. The streets affected by the construction are: Nautilus Street, Michael John Drive, Aranda Avenue, Avenida Manana, Via Barranca, Avenida Mirola, Avenida Reina and Avenida De Las Pescas.

Justification: Water mains require replacement due to their deteriorated condition or size limitation. The existing cast-iron system is either approaching or has exceeded its expected life. The replacement of cast-iron pipes is mandated by the California Department of Public Health's (CDPH) Compliance Order.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla and Skyline/Paradise Hills Community Plans and is in conformance with the City's General Plan.

Schedule: Planning phase began in Fiscal Year 2008. Construction started in Fiscal Year 2010 and will be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal year 2012.

30th Street Pipeline Replacement / S12010

Council District:	3	Priority Score:	27
Community Plan:	Greater North Park, Greater Golden Hill	Priority Category:	Low
Project Status:	Created	Contact Information:	Varga, Tibor
Duration:	2012 - 2016		858-654-4284
Improv Type:	Replacement		tvarga@sandiego.gov

Description: This project will replace all cast iron sections of the 30th Street Pipeline south of Thorn Street in University Heights (390 Zone) with 16,397 linear feet of new 16-inch distribution line, and reconnect all services to the new line. It will abandon all parallel cast iron distribution lines and reconnect all services to the new 16-inch line.

Justification: Because the pipeline has been paralleled by the newer 28th Street Pipeline south of Thorn Street and no longer serves as an important transmission route to University Heights (390 Zone), this project will replace the cast iron pipe, provide supply reliability to the south end of the 390 Zone, and improve water quality.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with Greater North Park and Greater Golden Hill community plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2014 and be completed in Fiscal Year 2016.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Alvarado 2nd PL Exten & Morena Blvd CI / S12013

Council District:	2, 6	Priority Score:	29
Community Plan:	Mission Valley, Linda Vista, Mission Bay Park	Priority Category:	Low
Project Status:	Created	Contact Information:	Varga, Tibor
Duration:	2012 - 2020		858-654-4284
Improv Type:	Replacement		tvarga@sandiego.gov

Description: This project provides for replacement of the aging Kearny Mesa Pipeline transmission route with a new transmission route that uses the Alvarado 2nd Pipeline. It will replace 17,032 linear feet of existing 20-inch and 16-inch cast iron Morena Boulevard Pipeline with a new 36-inch Morena Boulevard Pipeline. This 36-inch line will run from the end of the 48-inch Alvarado 2nd Extension Pipeline and connect to the Kearny Mesa Pipeline at the north end, operating at a 536 Hydraulic Grid Line (HGL). It will also replace 15,598 linear feet of parallel 16-inch distribution line from Friars Road and Morena to Morena and Balboa Avenue. The new 16-inch line will operate at 390 HGL connected to the existing 16-inch line on Friars Road and terminating at Morena and Bunker Hill Street. Additionally, it is proposed that 22,504 linear feet of new 48-inch Alvarado 2nd Extension Pipeline from the western terminus of the existing 48-inch Alvarado 2nd Pipeline (at Interstate 805 and Friars Road to Morena Boulevard and Napa Street) be built. The project will use existing surface streets in Mission Valley to avoid tunneling under the State Route 163 freeway, and other bridge crossings.

Justification: This project will replace cast iron pipe; provide redundant transmission to the coastal zones of La Jolla and Pacific Beach for supply reliability; improve water quality; reduce energy waste at the Miramar County Water Authority Pumpback facility; reduce peaking problems in the Miramar Water Treatment Plant service area; and provide supply flexibility (Alvarado vs. Miramar). This project is part of a larger plan to improve transmission reliability to the coastal Pacific Beach/La Jolla Zones by replacing the aging Kearny Mesa Pipeline as the lead supply, and adding a second transmission route to the coastal zones.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with Mission Valley, Linda Vista, and Mission Bay Park Community plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2013 and will be completed in Fiscal Year 2014. Construction is scheduled to begin in Fiscal Year 2015 and be completed in Fiscal Year 2017.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

CIP Program Management / S00045

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Released	Contact Information: Hong, Vien
Duration: 2008 - 2020	858-292-6473
Improv Type: Replacement	vhong@sandiego.gov

Description: This project provides for consultant activity related to the preparation and management of the Water Fund's Capital Improvements Program, value engineering, and program management. This project also provides for specialized studies and activities related to water facility master plans, financing, organization and management structure, scheduling, engineering, cost estimation, bond funding, and project impacts on operations and maintenance.

Justification: These activities are required to plan and continue to keep the Water Fund's Capital Improvements Program, which is in excess of \$1.0 billion, in conformance with the Strategic Plan for Water Supply.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Consulting activity is scheduled on an as-needed basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Carmel Mountain Road Transmission Line / S00071

Council District: 1	Priority Score: N/A
Community Plan: Carmel Valley	Priority Category: N/A
Project Status: Released	Contact Information: Wilson, Leonard
Duration: 2008 - 2012	858-654-4112
Improv Type: Replacement	llwilson@sandiego.gov

Description: This project provides for construction of a transmission waterline east of Interstate 5, along the alignment of Carmel Mountain Road to the eastern boundary of the Carmel Valley Community Plan area.

Justification: The waterline is required in order to develop the southern portion of Carmel Valley in accordance with the Carmel Valley Community Plan.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: The portion of the transmission potable water pipeline along Carmel Mountain Road west of Canter Heights Drive and east of Timber Brook Lane has been constructed and is in-service. The remaining portion east of Timber Brook Lane easterly along Carmel Mountain Road to the eastern Carmel Valley Community Boundary was completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Catalina 12inch Cast Iron Mains / S12008

Council District: 2	Priority Score: 27
Community Plan: Peninsula	Priority Category: Low
Project Status: Created	Contact Information: Varga, Tibor
Duration: 2012 - 2016	858-654-4284
Improv Type: Replacement	tvarga@sandiego.gov

Description: This project provides for replacement of 13,963 linear feet of 12-inch and 16-inch cast iron mains on Catalina Blvd with 16-inch lines. The 16-inch line will consolidate the 12-inch cast iron line with the parallel 4-inch and 6-inch small distribution mains north of Garden Lane, and consolidate the dual 12-inch cast iron lines south of Garden lane. The new pipeline will run parallel to the existing 12-inch pipeline.

Justification: This project will replace cast iron pipe, provide supply reliability to the Catalina Pump Station service area, and improve water quality.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with Peninsula community plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2014 and be completed in Fiscal Year 2015.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Corrosion Control / AKA00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2020	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for renovating or replacing deteriorating corrosion control and monitoring systems throughout the City.

Justification: Deteriorating corrosion control and monitoring systems are in need of rehabilitation. This annual allocation provides for an ongoing program to rehabilitate over 600 existing corrosion protection stations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: Total project cost decreased by \$100,000 due to revised project requirements.

Del Mar Heights East Segment / S12017

Council District: 1	Priority Score: 29
Community Plan: Del Mar Mesa	Priority Category: Low
Project Status: Created	Contact Information: Varga, Tibor
Duration: 2012 - 2017	858-654-4284
Improv Type: Expansion	tvarga@sandiego.gov

Description: This project provides funding to finish installing 2,800 feet of 36-inch pipe portions not being built by developers along the east end of the pipeline and install 3,668 feet of parallel pipeline between Mona Lane and Lopiella Meadows Place for redundancy.

Justification: This pipeline was built in 1961 and has experienced leaks. It is in poor condition and has no corrosion protection. The original pipe was a 30-inch Steel Cylinder Rod Lined (SCRW) pipeline. This size is too small to meet projected demand increases in the area.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with Del Mar Mesa Community plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2014. Construction is scheduled to begin in Fiscal Year 2015 and be completed in Fiscal Year 2016.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Dulzura Conduit Concrete Covers / S00067

Council District: Non-city	Priority Score: N/A
Community Plan: Non City	Priority Category: N/A
Project Status: Technically completed	Contact Information: Azar, Hossein
Duration: 2009 - 2011	619-533-4102
Improv Type: New	hazar@sandiego.gov

Description: This project provided concrete covers over 1,010-feet of the Dulzura Conduit.

Justification: Covers provided protection from excessive rock slides and landslides caused by unstable soil conditions when all vegetation above the conduit was burned in the 2007 wildfires. Rocks and soil inside the channel prohibited transfer of water from Lake Barrett to Lower Otay Lake.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan

Schedule: Design and construction were started and completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and awaiting closure and capitalization.

El Capitan Potable Water Segment / S12007

Council District: 7	Priority Score: 31
Community Plan: Navajo	Priority Category: Medium
Project Status: Created	Contact Information: Varga, Tibor
Duration: 2012 - 2017	858-654-4284
Improv Type: Replacement	tvarga@sanidiego.gov

Description: This project provides funding to upgrade / replace approximately 15,000 linear feet of 36" steel pipeline. Based on assessment the pipeline will be replaced or lined.

Justification: The pipeline was installed in the 1920's and 30's and relined in the 1960's, the pipeline is reaching the end of its life span.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with Navajo community plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2014. Construction is scheduled to begin in Fiscal Year 2015 and be completed in Fiscal Year 2017.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Harbor Drive Pipeline / S00019

Council District: 2	Priority Score: 31
Community Plan: Old San Diego, Ocean Beach, Peninsula	Priority Category: Medium
Project Status: Released	Contact Information: Azar, Hossein
Duration: 1996 - 2015	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project replaces 4.4 miles of 16-inch Cast Iron water pipeline from Harbor Drive Bridge to the Point Loma Reservoir.

Justification: These improvements are necessary to prevent water pipe breaks and to ensure a continuous water supply to the Ocean Beach, Fleetridge, Old San Diego, and Peninsula community planning areas.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach, Old San Diego, and Peninsula Community Plans and is in conformance with the City's General Plan.

Schedule: Design phase began in Fiscal Year 2010 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and will be completed in Fiscal Year 2015.

Summary of Project Changes: The total project cost decreased by \$2,241,924 due to revised project requirements.

La Jolla Scenic Drive 16inch Main / S12009

Council District: 1	Priority Score: 27
Community Plan: La Jolla	Priority Category: Low
Project Status: Created	Contact Information: Varga, Tibor
Duration: 2012 - 2016	858-654-4284
Improv Type: Replacement	tvarga@sandiego.gov

Description: This project provides for replacement of 6-inch, 8-inch, and 12-inch pipelines with 15,635 linear feet of 16-inch line the from the Soledad Reservoir that travels south along La Jolla Scenic Drive South; continues onto La Jolla Rancho Road, La Jolla Mesa Drive, Muirlands Drive, and El Camino Del Teatro; rejoins Muirlands Drive and Nautilus Street; and finally ends at Fairway Road and the Muirlands Pump Station (PS). It will connect the Muirlands PS to the south Soledad Muirlands (725 Zone) to provide backup supply to the 725 Zone, and to solve fire flow deficiency and maintain peak pressures.

Justification: Current distribution grid has insufficient capacity to not only meet fire flow requirements, but is a bottleneck that leads to two isolated portions of the 725 Zone. If either of the pump/reservoir tandems that feed the zone go out of service, feed from the other tandem could not effectively be moved across the zone.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with La Jolla community plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2014 and be completed in Fiscal Year 2016.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Lindbergh Field 16" Cast Iron Main Replacement / S10055

Council District: 2	Priority Score: 30
Community Plan: Midway - Pacific Highway	Priority Category: Medium
Project Status: Released	Contact Information: Azar, Hossein
Duration: 2010 - 2015	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project replaces 2.65 miles of pipeline and relocates the 16-inch cast iron transmission main from adjacent to the departure taxiway at Lindbergh Field to the public street which is more accessible for operation and maintenance.

Justification: In case of a pipe failure requiring Water Operations to work emergency repair, the pipeline must be relocated to a location outside the secured Airport property that is more accessible for operation and maintenance. The 12-inch and 16-inch cast iron pipe was installed in 1940's.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Midway/Pacific Highway Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal year 2010. Construction is estimated to begin in Fiscal Year 2013 and to be completed in late Fiscal Year 2014.

Summary of Project Changes: The total project cost decreased by \$2.8 million due to revised project requirements.

Little McGonigle Ranch Road Pipeline / S00069

Council District: 1	Priority Score: 70
Community Plan: Del Mar Mesa, Pacific Highlands Ranch	Priority Category: High
Project Status: Released	Contact Information: Wilson, Leonard
Duration: 2004 - 2013	858-654-4112
Improv Type: Expansion	llwilson@sandiego.gov

Description: This project provides for the construction of approximately 15,800 linear feet of 30-inch diameter water transmission pipeline in Carmel Mountain Road and Little McGonigle Ranch Road within the Del Mar Mesa and Pacific Highlands Ranch Communities to provide capacity for both Del Mar Mesa and Pacific Highlands Ranch.

Justification: The pipeline is required to provide capacity in the water system to adequately supply the demand resulting from the build-out of the Del Mar Mesa and Pacific Highlands Ranch communities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa and Pacific Highlands Ranch Specific (Community) Plans and is in conformance with the City's General Plan.

Schedule: Phases 1 and 2 are complete. The design of Phase 4 and 5 is complete. Construction of Phase 4 and 5 is scheduled to be completed in Fiscal Year 2013, but is dependent upon the construction of the Shaw Lorenz Community. The design of Phase 3 is not scheduled, at this time.

Summary of Project Changes: No significant change has been made to this project in Fiscal Year 2012.

Otay 1st / 2nd PL Abandonment West of Highland / S12016

Council District: 3	Priority Score: 29
Community Plan: Greater North Park, City Heights	Priority Category: Low
Project Status: Created	Contact Information: Varga, Tibor
Duration: 2012 - 2017	858-654-4284
Improv Type: Replacement	tvarga@sandiego.gov

Description: This project provides for replacement of Otay 1st and 2nd Pipeline (west of Highland Avenue, along the existing Otay 2nd alignment). It will replace 14,572 linear feet of existing cast iron Otay 2nd Pipeline with a new 42-inch Wightman St. Pipeline line, primarily along existing Otay 2nd alignment from Highland Avenue and Polk Avenue to the University Heights Reservoir at Howard Avenue and Idaho Street. The reach on Highland Avenue includes replacement of 1,328 linear feet of the existing cast iron Otay 1st Pipeline. It will also replace 10,896 linear feet of the cast iron Otay 1st Pipeline from Highland and Polk to the University Heights Reservoir with a 16-inch distribution line.

Justification: This project will develop a replacement and/or abandonment plan to remove the existing castiron segments of pipeline west of Highland Avenue. Cast iron reaches of the Otay 1st and 2nd Pipelines are neither safe nor reliable facilities, and may contribute to poor water quality.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with City Heights and Greater North Park Community plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2014 and be completed in Fiscal Year 2015.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Duration:	2011 - 2016		619-533-5105
Improv Type:	Replacement		iasgharzadeh@sanidiego.gov

Description: This project will abandon 13,000 feet of Otay 1st and Otay 2nd cast iron transmission mains that are no longer required; construct 2,874 feet of 16-inch pipeline; abandon a section of 36-inch Otay 2nd Pipeline from Highland and Wightman east to 54th Street and Chollas Station Road; reconnect all services to existing distribution mains; remove all exposed sections of the line; abandon portions of 30-inch and 36-inch Otay 1st Pipeline from Highland and Landis east to 54th Street and Chollas Station Road; construct 2,874 linear feet of new 16-inch distribution line from a 12-inch line at University Avenue and Winona Avenue to Altadena Avenue south of Sterling Court (current 16-inch connection to Otay 2nd PL) via Winona, Wightman Street and Altadena Avenue.

Justification: This project will abandon 13,000 feet of cast iron pipelines. The cast iron Otay 1st and 2nd Pipelines were built in 1915 and 1930, respectively. Cast iron may contribute to pipe failure and the California Department of Public Health (CDPH) has mandated that all cast iron pipes be replaced.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights and Mid-City: Eastern Area Community Plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and to be completed in Fiscal Year 2014. Construction is scheduled to begin in Fiscal Year 2014 and to be completed in Fiscal Year 2016.

Summary of Project Changes: Total project cost increased by \$4.1 million due to revised project requirements.

Otay Second Pipeline Improvements / S00032

Council District: 4, 8	Priority Score: 23
Community Plan: Skyline - Paradise Hills, Southeastern San Diego	Priority Category: Low
Project Status: Released	Contact Information: Varga, Tibor
Duration: 1993 - 2020	858-654-4284
Improv Type: Replacement	tvarga@sandiego.gov

Description: This project provides funding to evaluate the condition of existing pipelines and to make appropriate upgrades and replacements to the water pipeline.

Justification: This pipeline was originally installed in 1928 and has exceeded its useful life expectancy of 60 years. Breaks in the pipeline have revealed severe pipe corrosion in certain locations, requiring upgrades and replacement.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills and Southeastern San Diego Community Plans and is in conformance with the City's General Plan.

Schedule: Engineering studies and design began in Fiscal Year 1999 and were completed in Fiscal Year 2007. Project scheduling is contingent on the assessed condition of the pipeline.

Summary of Project Changes: One new sub-phase was created during Fiscal Year 2011 for emergency project Otay 2nd Pipeline Emergency Main Repairs. Total project cost decreased by \$648,678 due to revised project requirements.

Council District:	2	Priority Score:	30
Community Plan:	Pacific Beach, Midway - Pacific Highway, Mission Bay Park	Priority Category:	Medium
Project Status:	Created	Contact Information:	Varga, Tibor
Duration:	2012 - 2017		858-654-4284
Improv Type:	Expansion		tvarga@sandiego.gov

Description: This project provides for replacement of 16,586 linear feet of 16-inch cast iron Pebble Beach pipeline with a new 24-inch pipeline, from Sea World Drive and West Mission Bay Drive to Foothill Boulevard, and Tourmaline Street. The project includes 1,744 linear feet of dual 16-inch pipeline hung from two bridges (bridge to Vacation Island and Fisherman's Channel Bridge). It will install a 16-inch parallel pipeline segment: 2,950 linear feet from Sea World Drive and West Mission Bay Drive to 8-inch connection just south of the bridge to Vacation Island, and 1,824 linear feet of 12-inch parallel line on Vacation Island.

Justification: This project is needed to replace cast iron pipe, provide supply reliability to Pacific Beach, improve water quality, reduce energy waste at the Miramar County Water Authority Pumpback facility, reduce peaking problems in the Miramar Water Treatment Plant service area, and to provide supply flexibility (Alvarado vs. Miramar).

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Midway-Pacific Highway, Mission Bay Park and Pacific Beach Community plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and will be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2014 and be completed in Fiscal Year 2017.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Pressure Reduction Facility Upgrades / AKA00002

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hwang, Guann
Duration: 2010 - 2020	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This annual allocation provides for replacing existing pressure reducing stations, or expanding pressure capacities to meet present and future water demands.

Justification: Increasing demands for water throughout the City dictate the need to better control water pressure throughout the City's system. This annual allocation will continue to fund the replacement and expansion of pressure reduction facilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis. Pressure regulating station upgrade projects for Rosecrans and Nimitz are scheduled for Fiscal Year 2012.

Summary of Project Changes: Total project cost decreased by \$500,000 due to revised project requirements.

Proctor Valley Off-Highway Vehicle Barrier / S00068

Council District: Non-city	Priority Score: N/A
Community Plan: Non City	Priority Category: N/A
Project Status: Released	Contact Information: McGinnis, Nicole
Duration: 2009 - 2011	619-533-4101
Improv Type: New	nmcginnis@sandiego.gov

Description: This project replaces an existing barbed wire fence with a steel pipe barrier, based on the US Forest Service barrier designed, along both sides of the 1.3 miles of Proctor Valley Road that runs through Water Fund land, north of Upper Otay Reservoir.

Justification: City property is designated Multiple Species Conservation Program Cornerstone Lands. Historic use by off roaders has significantly deteriorated the biological resources on the property, including vernal pools. City property is adjacent to and provides access to the federal and State preserve lands.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Construction began in Fiscal Year 2010 and was completed by Fiscal Year 2011.

Summary of Project Changes: The project is completed and awaiting closure and capitaliation.

South County Raw Water Reservoir Intertie Study / S00066

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Released	Contact Information: Dorman, Amy
Duration: 2009 - 2012	619-533-5248
Improv Type: New	adorman@sandiego.gov

Description: This study will examine the feasibility and benefit of connecting four outlying reservoirs (Love-land, Murray, San Vicente, and El Capitan) to more efficiently operate the City's raw water reservoirs. The study will be performed in conjunction with the Secretary of the Interior and the Sweetwater Authority. These funds will be the City's share of a match to the federal funding.

Justification: This study will look for ways to improve the water supply reliability and operational efficiencies of the existing reservoirs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: This CIP project was cancelled in Fiscal Year 2011 and will be closed by the end of the fiscal year.

Summary of Project Changes: This project has been cancelled. The study will be completed in the Operations and Maintenance budget.

Torrey Pines Road/La Jolla Blvd Main Replacement / S00003

Council District: 1	Priority Score: 31
Community Plan: La Jolla	Priority Category: Medium
Project Status: Released	Contact Information: Azar, Hossein
Duration: 2000 - 2014	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project provides for the replacement of approximately 31,496 linear feet of aged 16-inch cast iron pipe along Torrey Pines Road and La Jolla Boulevard.

Justification: This pipeline improvement project is necessary to prevent water pipe breaks and to ensure a continuous water supply to the La Jolla community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: This project was scheduled with multiple phases. Construction of the Fay Avenue Realignment segment was completed in Fiscal Year 2002. Construction of Phase I was completed in Fiscal Year 2006. The Pacific Beach Water Main Accelerated Replacement construction was completed in Fiscal Year 2006. Phase II construction was completed in Fiscal Year 2007. Design of the La Jolla Shores Drive 16-inch Water Main Replacement (Phase III) was put on hold in Fiscal Year 2006 at 90% completion due to funding issues. In Fiscal Year 2009 the project restarted, however due to revised project requirements, the design was redone and was completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012 and to be completed in Fiscal Year 2013.

Summary of Project Changes: Total project cost decreased by \$2.1 million due to revised project requirements. Total project expenditures do not include projects which closed prior to conversion to SAP.

Water CIP Reserve / S00048

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Released	Contact Information: Hwang, Guann-Jiun
Duration: 1999 - 2020	858-292-6476
Improv Type: Replacement	ghwang@sandiego.gov

Description: This project provides for an emergency financial reserve for Water Fund capital improvement projects.

Justification: This reserve is required to comply with the stipulation in the Bond Counsel.

Operating Budget Impact: None.

Relationship to General and Community Plans: This reserve is not a project. Projects utilizing this funding source are consistent with applicable community plans and are in conformance with the City's General Plan.

Schedule: This reserve will be used on an as-needed basis, in conformance with Bond Counsel requirements. This reserve will be held as a continuing appropriation.

Summary of Project Changes: No significant change has been made to this reserve for Fiscal Year 2012.

Fitting Facility Expansion / S10042

Council District:	4	Priority Score:	84
Community Plan:	Encanto Neighborhoods (Southeastern)	Priority Category:	High
Project Status:	Released	Contact Information:	Meinhardt, Cynthia
Duration:	2010 - 2012		619-533-5259
Improv Type:	Betterment		cmeinhardt@sandiego.gov

Description: This project allows for the expansion of the existing vehicle fitting facility located at the Chollas Operations Yard. The expansion will increase the facility from one service bay to six service bays and will include office space. The project will also provide equipment necessary for operations.

Justification: The fitting facility is responsible for outfitting new vehicles and placing them into service as well as preparing retired vehicles for auction. With the consolidation of the fleet to include Police and Fire vehicles, the workload has significantly increased. Additionally, as part of the fleet consolidation, the repair facility located at 20th and B was closed. The vehicles serviced at that location as well as the personnel were transferred to the repair facility at the Chollas Operations Yard. The existing building does not have sufficient space to accommodate the personnel.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern (Encanto Neighborhoods) Community Plan and is in conformance with the City's General Plan.

Schedule: Construction is scheduled to begin in Fiscal Year 2012 and is anticipated to be completed in Fiscal Year 2013.

Summary of Project Changes: The schedule was revised to reflect actual project milestones. \$175,000 in Equipment Division CIP funding has been allocated to this project for Fiscal Year 2012 and is now fully funded.

Americans with Disabilities Improvements / ABE00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Madison, Susan
Duration: 2010 - 2020	619-236-5985
Improv Type: Replacement	smadison@sandiego.gov

Description: This annual allocation provides for City facilities and public right of way improvements related to the Americans with Disabilities Act (ADA). Funding ADA obligations is one of the Mayor's eight significant areas.

Justification: ADA improvements will allow greater access to City facilities and public right of way for residents.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis. Council approved funding of \$30.0 million of land sale proceeds to support ADA improvements since Fiscal Year 2008.

Summary of Project Changes: An increase of \$1.5 million, to fulfill ADA requirements Citywide, was added in Fiscal Year 2012 as a result of one-time savings identified in the General Fund.

Project Status: Released	Contact Information: Godwin, Paul
Duration: 2004 - 2013	619-236-6312
Improv Type: Betterment	pgodwin@sandiego.gov

Description: This project provides for improvements to the Family Health Center of San Diego / Beach Area Family Care Center. The scope of work for this project includes the replacement of the building's heating system.

Justification: Improvements will enhance the facility for residents of the community who utilize the center.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Pre-cise Plan and is in conformance with the City's General Plan.

Schedule: Design of the project is complete. Construction began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2011.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

City Administration Building / S00819

Council District: 2	Priority Score: N/A
Community Plan: Centre City	Priority Category: N/A
Project Status: Released	Contact Information: Garcia, Alex
Duration: 2000 - 2014	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: This project provides for the installation of a fire sprinkler system and upgrading the existing fire alarm system at the City Administration Building located at 202 C Street in Centre City. One component of the project is asbestos spot abatement. All work will be performed during non-working hours allowing the facility to remain occupied and operational during construction. Phase I provided for the installation of fire sprinklers on the 10th, 14th, and 15th floors. Phase II provided for the installation of eight-inch stand pipes and eight-inch basement lateral pipes. Phase III provided for the installation of sprinklers in the basement and on the 11th and 13th floors and a fire alarm system in the basement and on the 10th, 11th, and 13th floors. Included in Phase III was abatement of amosite ceiling tile on the 11th floor. Phase IV will provide for the installation of sprinklers and alarm system for the 1st through the 9th, and 12th floors. Spot asbestos abatement will not be required on the 6th and 7th floors due to prior asbestos abatement.

Justification: This facility currently does not comply with Council Ordinance O-17172 requiring sprinkler retrofitting for high-rise buildings.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Phases I, II and III were completed in Fiscal Years 2000, 2002, and 2003, respectively. Phase IV will be scheduled when funds are identified, and a decision is made regarding the Civic Center redevelopment project.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

City Facilities Improvements / ABT00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Montoya, John
Duration: 2010 - 2020	619-525-8544
Improv Type: Betterment	jmontoya@sandiego.gov

Description: This annual allocation provides for capital improvements at City facilities. Potential improvements include roof, heating, ventilation, air-conditioning and elevator replacements.

Justification: Several City-owned facilities are aged and in need of repair. High-priority repairs will be completed with this project. Funding for this annual allocation will ensure the facilities remain safe.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: \$300,000 was identified for this project from residual bond interest for Fiscal Year 2012. City Council Resolution R-306368, dated December 7, 2010, authorized the transfer of Capital Outlay funding in the amount of \$1,110,976 from this project to the Museum of Man Roof Replacement project, S-11101. In addition, it is anticipated that approximately \$31 million in additional bond financing will be allocated to building projects each year in Fiscal Years 2012 through 2016. The unidentified funding amount reflects the remaining amount of funding needed to address the deferred capital needs of the City's General Fund supported buildings based on condition assessments that have been conducted.

Downtown Parking Projects / S01080

Council District: 2, 8	Priority Score: N/A
Community Plan: Centre City	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 1998 - 2011	619-533-3682
Improv Type: Betterment	jtracanna@sandiego.gov

Description: This project provides funding to implement and facilitate projects and programs to maximize the use of existing parking resources. Parking management projects and programs include design and implementation of a wayfinding-parking program throughout downtown that places directional signs in the Downtown San Diego area, implementation of residential parking permits, and payment of debt service. These funds have also been pledged for the payment of 6th Avenue and Market Street, and 6th Avenue and K Street parking facilities.

Justification: The Redevelopment Plan of the Centre City Redevelopment Area calls for the elimination of blight in Centre City. The Redevelopment Plan was adopted on May 11, 1992 by Council Ordinance O-17767. The Parking Meter Revenue Allocation Policy (Council Policy 100-18) was adopted on March 4, 1997 and the Comprehensive Downtown Parking Plan was adopted on December 2, 1997.

Operating Budget Impact: None.

Relationship to General and Community Plans: The project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Debt service payments on bonds are made in March and September of each fiscal year.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

La Jolla Parking Structure / S00897

Council District: 1	Priority Score: N/A
Community Plan: La Jolla	Priority Category: N/A
Project Status: Technically completed	Contact Information: Pazargadi, Siavash
Duration: 2002 - 2012	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: This project provides for the design of a parking structure in the La Jolla community.

Justification: This project will assist with parking concerns in the La Jolla community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: In the late 1990s the City conducted a parking study for La Jolla which recommended the installation of parking meters in the village area. Parking meter proceeds were to be utilized to build a parking structure, however parking meter installation was opposed by the community. This project will not be constructed and will be closed by the end of the fiscal year.

Summary of Project Changes: This project will not be constructed and will be closed by the end of the fiscal year.

Mission Beach Community Clinic - ADA Improvements / S01092

Council District: 2	Priority Score: 82
Community Plan: Mission Beach	Priority Category: High
Project Status: Technically completed	Contact Information: Garcia, Alex
Duration: 2009 - 2012	619-533-4640
Improv Type: New	agarcia@sandiego.gov

Description: This project provides the required upgrades to improve Americans with Disabilities Act (ADA) accessibility to the Mission Beach Community Clinic in compliance with the ADA. The scope of work for this project includes upgrading the accessible parking, wing area, plaza and patio area, providing an accessible path of travel from the sidewalk, and accessible parking to the picnic area and building entrance, and upgrades to the men's and women's restrooms.

Justification: These improvements are necessary to provide ADA accessibility to the facility from the street, improving the ADA ramp and modifications to the restrooms, which does not meet all of the current ADA requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: Design began and was completed in Fiscal Year 2010. Construction was scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Technically completed	Contact Information: Nassar, Mark
Duration: 2008 - 2009	619-533-3172
Improv Type: Replacement - Rehab	mnassar@sandiego.gov

Description: This project provides for the modernization of the elevators in the City Administration Building.

Justification: The four elevators at the City Administration Building were modernized in 1987 and are heavily used by city staff and the public. Technological advancement through the years has rendered the elevator controllers outdated.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with City's General Plan.

Schedule: Construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Modernization of Elevators - Evan B. Jones Parkade / S00698

Council District: 2	Priority Score: N/A
Community Plan: Centre City	Priority Category: N/A
Project Status: Technically completed	Contact Information: Nassar, Mark
Duration: 2008 - 2010	619-533-3172
Improv Type: Replacement - Rehab	mnassar@sanidiego.gov

Description: This project provides for the modernization of the elevators at the Evan V. Jones Parking facility (Parkade).

Justification: The Evan V. Jones Parking facility, popularly known as the City Parkade, is utilized by the public and City staff and is open 7-days a week/24-hours a day. The four elevators at this facility were originally installed in 1977 and are heavily used. Technological advancement through the years has rendered the elevator controllers obsolete and difficult to maintain.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Duration: 2008 - 2014	619-533-5328
Improv Type: Betterment	adarvishi@sanidiego.gov

Description: This project provides for the construction of a pedestrian ramp at the entrance of the Palisades Building in Balboa Park to comply with the Americans with Disabilities Act (ADA).

Justification: The ADA ramp will increase public access to the Balboa Park Palisades Building.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Construction of this project was completed in Fiscal Year 2009.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Roof Replacement / ABT00002

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Montoya, John
Duration: 2010 - 2020	619-525-8544
Improv Type: Betterment	jmontoya@sanidiego.gov

Description: This annual allocation provides needed roof replacements at various City facilities. This project has funded various roof replacements including Museum of Art, Museum of Man, Old Globe Theater and Bud Kearns Pool.

Justification: This annual provides roof replacements for various city facilities that are beyond their life cycle and are in need of total roof replacements. Leaky roofs damage other building infrastructure and building systems (electrical, interiors, carpets, etc.) increasing repair or replacement costs. Sustainable maintained roofs preserve the life cycle expectancy of a building.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Medina, Lydia
Duration: 2010 - 2020	619-641-3105
Improv Type: Betterment	lmedina@sandiego.gov

Description: This annual allocation provides for needed improvements at QUALCOMM Stadium, including the electrical system, parking lot and stadium seating areas.

Justification: QUALCOMM Stadium enriches the quality of life through a variety of hosted events, and serves as a visitor attraction that strengthens the local economy. As the stadium ages, regular upgrades and renovations are required for various components of the facility.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction will be phased in accordance with the scope of various projects.

Summary of Project Changes: Fiscal Year 2012 projects will be funded from the annual allocation's continuing appropriations.

Evan V. Jones Parkade Parking Equipment Upgrade / S11034

Council District: 2	Priority Score: N/A
Community Plan: Centre City	Priority Category: N/A
Project Status: Created	Contact Information: Garcia, Alex
Duration: 2010 - 2013	619-533-4640
Improv Type: Betterment	agarcia@sandiego.gov

Description: The project provides for the furnishing and installation of fully automated parking garage equipment upgrades which will allow visitors to utilize self-service pay machines or credit card pay-in-lane. New basic equipment will include ticket machines; pay-on-foot and pay-in-lane machines; credit card machine; and intercoms.

Justification: The project will improve ingress and egress to the parking facility. It will improve the overall traffic flow. It will reduce time to exit due to transactions occurring in advance, i.e. prior to the parker retrieving their vehicle, which only requires submission of the paid ticket to the acceptor at the exit gate. It also centralizes the supervision via a command center operation. Intercoms will also allow immediate response to customer service issues and monitoring of entrance and exit gate activity.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: This project is scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2012.

Summary of Project Changes: An additional \$100,000 is proposed to be added to this project in Fiscal Year 2012.

Beach Area Low Flow Storm Drain Diversion / S00603

Council District: 1, 2	Priority Score: N/A
Community Plan: La Jolla, Pacific Beach	Priority Category: N/A
Project Status: Technically completed	Contact Information: Batta, Jamal
Duration: 1998 - 2010	619-533-7482
Improv Type: New	jbatta@sanidiego.gov

Description: This project provides for the beach area interception and diversion of sewer spills and storm drain low-flows. Federal grants are available for 55 percent of the construction costs for Phase II, which has 10 sites and Phase III, which has 11 sites.

Justification: This project provides for returning dry weather sewer overflows and low flow storm runoff to the sewer, preventing pollution in the beach areas.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla and Pacific Beach Community Plans and is in conformance with the City's General Plan.

Schedule: Phase I, completed construction. Phase II, design completed in Fiscal Year 2004 and construction was completed in early Fiscal Year 2008. Phase III, design and construction were completed in Fiscal Year 2010.

Summary of Project Changes: This project is now complete and will be closed by the end of the fiscal year.

La Jolla Ecological Reserve Area of ASBS / S00607

Council District: 1	Priority Score: 28
Community Plan: La Jolla	Priority Category: Low
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2008 - 2013	619-533-7482
Improv Type: New	jbatta@sandiego.gov

Description: This project provides low flow diversion systems for four storm drain outfalls that discharge directly into the La Jolla Ecological Reserve Area of Special Biological Significance (ASBS 29).

Justification: This project will divert non-storm water discharges during the dry season from reaching La Jolla Shores, which minimizes harmful pollutants from entering this significant biological and recreational resource.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008. Construction is scheduled for Fiscal Year 2012.

Summary of Project Changes: The construction of this project was postponed until Fiscal Year 2012, due to the Summer Moratorium and the State Water Resource Control Board providing notifications that grant funding is not available as originally agreed and scheduled. However, it is anticipated that grant funding in the amount of \$1,660,000 will become available in Fiscal Year 2012.

Low Flow Telemetry System / S01096

Council District: 1	Priority Score: N/A
Community Plan: La Jolla, Pacific Beach	Priority Category: N/A
Project Status: Technically completed	Contact Information: Demich, Andrea
Duration: 2009 - 2019	858-541-4348
Improv Type: New	ademich@sanidiego.gov

Description: This project will provide for the design and construction of a central telemetry system for monitoring and control (SCADA) of low flow diversions.

Justification: This project, if completed, would have provided for a centralized telemetry system for the monitoring of coastal low flow diversions.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla and Pacific Beach Community plans and is in conformance with the City's General Plan.

Schedule: This project is inactive but is being retained in the budget until the grant funding is reallocated.

Summary of Project Changes: A City Council action (1472) will be processed in Fiscal Year 2012 to reallocate the grant funding to an eligible low flow diversion project.

Mission Bay Sewer Interceptor System / S01095

Council District:	1, 2, 6	Priority Score:	N/A
Community Plan:	Peninsula, Mission Beach, La Jolla, Ocean Beach	Priority Category:	N/A
Project Status:	Released	Contact Information:	Batta, Jamal
Duration:	2009 - 2019		619-533-7482
Improv Type:	New		jbatta@sandiego.gov

Description: This project will upgrade 31 low flow diversion sites in Mission Bay. These sites divert storm water runoff from the storm drain to the sewer system during low flow conditions.

Justification: This project rehabilitates and upgrades various low flow diversion systems. The Mission Bay low flow diversions have been in operation since 1987 and need rehabilitation and upgrades to bring them up to current safety and operational standards. The sub-systems of 31 sites were identified to be in need of repair because of salt water corrosion, outdated instrumentation and control equipment, and poor access for maintenance personnel.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan, the Mission Beach Precise Plan, and the La Jolla, Ocean Beach, and Peninsula Community Plans and is in conformance with the City's General Plan.

Schedule: Construction began in Fiscal Year 2010 and was completed in Fiscal Year 2011.

Summary of Project Changes: Project is complete and will be closed this fiscal year.

Rose & Tecolote Creeks Water Quality Improvements / ACC00002

Council District: 6	Priority Score: Annual
Community Plan: Clairemont Mesa	Priority Category: Annual
Project Status: Released	Contact Information: Gene Matter
Duration: 2010 - 2015	858-451-4346
Improv Type: Betterment	rmatter@sandiego.gov

Description: This project proposes Storm Water Best Management Practices (BMP's) to address pollutants of concern in the Tecolote Creek sub-watershed. A green street consisting of several biofiltration basins will be constructed at various points in the neighborhood around Mount Abernathy Avenue. The basins will reduce the amount of storm water runoff that reaches the storm drain system.

Justification: This project addresses pollutants of concern within the Rose and Tecolote Creek watersheds which satisfies the watershed-based water quality activity requirements in the Regional Water Quality Board's Municipal Storm Water Permit.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design of the project will be completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Transportation & Storm Water

Drainage - Best Mgt Practices (BMPs)

Rose/Tecolote Creeks Water Quality Improvements / S10002

Council District:	2, 6	Priority Score:	N/A
Community Plan:	Clairemont Mesa, Linda Vista, Pacific Beach, University	Priority Category:	N/A
Project Status:	Released	Contact Information:	Matter, Gene
Duration:	2001 - 2016		858-451-4346
Improv Type:	Betterment		rmatter@sandiego.gov

Description: This project provides for improvements to the water quality in the Rose and Tecolote Creek watersheds. Utilizing existing storm water monitoring data, best management practices (BMPs) will be developed to address pollutants of concern within these watersheds. BMPs are structural controls, such as vegetated swales and strips, infiltration basins, wet ponds, constructed wetlands, and filtration systems. Initially, entire watersheds will be evaluated to identify potential areas for water quality enhancement. These areas will then be prioritized and a few locations will be selected for implementation of structural controls, including baseline and post-construction water quality monitoring. The City completed the construction of the first BMP in Fiscal Year 2006 and a baffle-box was installed in the Tecolote Creek sub-watershed. A second BMP includes a right-of-way landscape infiltration project in the Clairemont Mesa community in the Tecolote Creek sub-watershed.

Justification: This project addresses pollutants of concern within the Rose and Tecolote Creek watersheds which satisfies the watershed-based water quality activity requirements in the Regional Water Quality Board's Municipal Storm Water Permit.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa, Linda Vista, Pacific Beach and University Community Plans and is in conformance with the City's General Plan.

Schedule: Construction of the first BMP was completed in Fiscal Year 2006.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Transportation & Storm Water

Drainage - Best Mgt Practices (BMPs)

Watershed CIP / ACC00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Gene Matter
Duration: 2010 - 2015	858-451-4346
Improv Type: Betterment	rmatter@sandiego.gov

Description: This project provides for the design and construction of watershed capital projects. These projects, in conjunction with non-structural water quality projects, address storm drain discharge water quality standards.

Justification: The purpose of these projects is to remove pollutants from storm water before it enters our public waterways or to reuse the storm water and keep it from entering public waterways. This results in reduced pollutants entering the ocean and various San Diego rivers and bays. These projects satisfy watershed-based water quality activity requirements in the Regional Water Quality Control Board's Municipal Storm Water National Pollutant Discharge Elimination System (NPDES) permit.

Operating Budget Impact: Maintenance cost of the structural watershed Best Management Practice (BMP) needs to be estimated and included in the storm drain infrastructure operating budget by Fiscal Year 2020.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled to address pollutants of concern within high priority watersheds.

Summary of Project Changes: The total project cost increased by \$799,918 to address storm water quality improvements for Fiscal Year 2012.

Drainage - Channels

62nd to 65th Street Channel Improvements / S00926

Council District: 4	Priority Score: 33
Community Plan: Southeastern San Diego	Priority Category: Low
Project Status: Technically completed	Contact Information: McKee, Jerry
Duration: 2008 - 2011	619-533-3095
Improv Type: New	jmckee@sandiego.gov

Description: This project provides for the installation of an upgraded fence along the existing drainage channel between 62nd and 65th Streets.

Justification: This project is required in order to prevent unauthorized access to the drainage channel.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: The project was completed in Fiscal Year 2010.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Drainage - Channels

Carmel Country Road Low Flow Channel / S00969

Council District: 1	Priority Score: 41
Community Plan: Carmel Valley	Priority Category: Medium
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2009 - 2012	619-533-3172
Improv Type: New	mnassar@sanidiego.gov

Description: This project provides a permanent hard bottom, low flow channel from Carmel Country Road to the first drop structure west.

Justification: This project will provide for relief of water ponding under the Carmel Country Road Bridge and to the east of the bridge on the Palacio Del Mar property. This condition has created a health and safety issue for area residents.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Public Facilities Financing Plan (Project W-3) and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2011 and to be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Drainage - Pump Stations

Santa Clara Pump Station / S00604

Council District: 2	Priority Score: N/A
Community Plan: Mission Beach	Priority Category: N/A
Project Status: Technically completed	Contact Information: Batta, Jamal
Duration: 1999 - 2010	619-533-7482
Improv Type: Replacement - Retrofit	jbatta@sanidiego.gov

Description: This project provides for eliminating the submerged outfall and for relocating and/or modifying the existing control system at the Storm Water pump station at Santa Clara Point in Mission Beach.

Justification: This project will improve the reliability of the pump station, thus preventing potential flooding of City streets.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 1999 and was completed in Fiscal Year 2002. Construction began in Fiscal Year 1999 and was completed in Fiscal Year 2002. Environmental monitoring was completed in Fiscal Year 2010.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Drainage - Storm Drain Pipes

34th Street Storm Drain / S11001

Council District: 3	Priority Score: 25
Community Plan: Golden Hill	Priority Category: Low
Project Status: Created	Contact Information: Batta, Jamal
Duration: 2011 - 2014	619-533-7982
Improv Type: Replacement	jbatta@sandiego.gov

Description: This project provides for improved flood control by upgrading the existing pipe and outfall along 34th Street.

Justification: This project will alleviate frequent flooding during normal storm events as a result of the current undersized storm drain and reduce slope erosion due to runoff discharges into an adjacent canyon.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Golden Hill Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and is anticipated to end in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and is anticipated to be completed in Fiscal Year 2014.

Drainage - Storm Drain Pipes

Alta La Jolla Drive Drainage Repair Phase II / S10001

Council District: 1	Priority Score: 91
Community Plan: La Jolla	Priority Category: High
Project Status: Released	Contact Information: Handal, Mike
Duration: 2010 - 2016	619-533-7588
Improv Type: Betterment	mhandal@sandiego.gov

Description: This project will repair the erosion and damage to the lower La Jolla Canyon bounded by Alta La Jolla Drive and the cul-de-sac at Vickie Drive.

Justification: This project is part of the settlement agreement and limited release entered into by the La Jolla Alta Master Council and the City of San Diego.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design began and was completed in Fiscal Year 2011. Construction is scheduled to begin and to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Drainage - Storm Drain Pipes

Balboa Park/Florida Canyon Storm Drain Repairs / S01064

Council District: 3	Priority Score: N/A
Community Plan: Balboa Park	Priority Category: N/A
Project Status: Released	Contact Information: Darvishi, Ali
Duration: 2009 - 2012	619-533-5328
Improv Type: Betterment	adarvishi@sanidiego.gov

Description: This project provides for evaluation, design, and construction to repair a damaged storm drain that leads from Park Boulevard and the San Diego Zoo parking lot into the Florida Canyon creek bed.

Justification: This project repairs a damaged storm drain caused by erosion of a gully that spans the entire length of Florida Canyon, from Park Boulevard east to the creek bed. This project will repair the storm drain to prevent further erosion and allow a north-south trail access to continue through the west side of Florida Canyon.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2009. Construction began in Fiscal Year 2009 and was completed in Fiscal Year 2010. The five year mitigation and monitoring requirements for this project began in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Drainage - Storm Drain Pipes

Drainage Projects / ACA00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Matter, Gene
Duration: 2010 - 2020	858-541-4346
Improv Type: New	rmatter@sandiego.gov

Description: This annual allocation provides for reconstructing or replacing failed drainage facilities citywide.

Justification: This project provides for the high priority redesign and reconstruction of existing storm drain structures. There are currently over 900 miles of storm drains in the City of San Diego. These storm drains can fail because of a variety of reasons (system material, age, earth movement, etc). The Operations and Maintenance Section of the Storm Water Division regularly cleans these systems and performs minor repairs; however, they often come across storm drain systems that require redesign and reconstruction.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: For Fiscal Year 2012, funding of \$1,325,000 has been approved for the repair of high priority redesign and reconstruction of existing storm drain structures and newly identified emergency locations. In addition, it is anticipated that approximately \$37 million in additional bond financing will be allocated to drainage projects each year in Fiscal Years 2012 through 2016. The unidentified funding amount reflects the remaining amount of funding needed to address the deferred capital needs of the City's drainage projects based on condition assessments that have been conducted.

Transportation & Storm Water

Drainage - Storm Drain Pipes

Maryland Street Storm Drain Replacement / S10056

Council District: 2	Priority Score: 37
Community Plan: Uptown	Priority Category: Low
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2011 - 2014	619-533-7482
Improv Type: Replacement	jbatta@sanidiego.gov

Description: This project involves replacement of existing deteriorated corrugated metal pipe within the right of way easement.

Justification: Replacement is required to prevent flooding and potential damage to surrounding structures.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin and be completed in Fiscal Year 2013.

Summary of Project Changes: Additional funding of \$105,000 will be needed to complete this project.

Transportation & Storm Water

Drainage - Storm Drain Pipes

Murphy Canyon Road Storm Drain Repair / S01098

Council District: 6	Priority Score: N/A
Community Plan: Kearny Mesa	Priority Category: N/A
Project Status: Technically completed	Contact Information: Batta, Jamal
Duration: 2009 - 2015	619-533-7482
Improv Type: Replacement	jbatta@sandiego.gov

Description: The project provides for the replacement of approximately 1,150 linear feet of 54-inch storm drain pipe. The existing pipe is deteriorated and not functioning as required.

Justification: This project replaces the existing 54-inch deteriorated and failed storm drain pipe. It will eliminate flooding and maintenance clean-up.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and in conformance with the City's General Plan.

Schedule: Design began and was completed in Fiscal Year 2010. Construction began and was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Drainage - Storm Drain Pipes

Ransom Street/Darwin Way Storm Drain Repairs / S00601

Council District: 8	Priority Score: 38
Community Plan: Otay Mesa - Nestor	Priority Category: Medium
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2001 - 2012	619-533-7482
Improv Type: Replacement	jbatta@sanidiego.gov

Description: This project provides for a replacement storm drain pipe at Darwin Way and Ransom Street. Approximately 490 feet of 42-inch and 610 feet of 24-inch corrugated metal pipe will be replaced with reinforced concrete pipe.

Justification: The existing corrugated metal pipe under Darwin Way and Ransom Street is badly corroded and has created sinkholes on Ransom Street. Replacement is needed to prevent flooding of the streets.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa/Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Drainage - Storm Drain Pipes

San Remo Way Storm Drain / S11004

Council District: 2	Priority Score: 44
Community Plan: Peninsula	Priority Category: High
Project Status: Created	Contact Information: Batta, Jamal
Duration: 2011 - 2014	619-533-7482
Improv Type: Replacement	jbatta@sandiego.gov

Description: This project provides for improved flood control by upgrading the existing pipe along San Remo Way.

Justification: This project will alleviate frequent flooding during normal storm events as a result of the current undersized storm drain.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in 2011 and is anticipated to end in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2013 and is anticipated to end in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Drainage - Storm Drain Pipes

TV/Evaluation-Storm Drain Corrugated Metal Pipes / S00608

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Technically completed	Contact Information: Batta, Jamal
Duration: 2008 - 2010	619-533-7482
Improv Type: New	jbatta@sanidiego.gov

Description: This project televised and evaluated 13 miles of corrugated metal pipe storm drains to identify sites for replacement or realignment.

Justification: This project will identify the sites at high risk to property and other elements for immediate repair/replacement or re-alignment. The resulting product will be an identification of the deficient systems and a ranking to identify the critical drainage projects. Storm drain projects will be initiated based on the ranking and funding availability.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is in compliance with applicable community plans and is in conformance with the City's General Plan.

Schedule: All televising was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Drainage - Storm Drain Pipes

Uptown Community Storm Drainage / S10060

Council District: 2, 3	Priority Score: N/A
Community Plan: Uptown	Priority Category: N/A
Project Status: Created	Contact Information: Matter, Gene
Duration: 2010 - 2012	858-541-4346
Improv Type: New	gmatter@sandiego.gov

Description: This project will provide for the installation, reconstruction, and upgrading of street pavement, curbs, gutters, and storm drains at various locations throughout the community. This project also provides for an initial study to specifically identify the required projects.

Justification: This project is needed to provide extensive improvements and increase the drainage capacity in the right-of-way.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: The study, which will identify specific projects, was initiated in Fiscal Year 2010 and was completed in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Transportation & Storm Water Flood Control Systems

Fashion Valley Road Restoration / S00610

Council District: 6	Priority Score: N/A
Community Plan: Mission Valley	Priority Category: N/A
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2007 - 2011	619-533-7482
Improv Type: Replacement	jbatta@sandiego.gov

Description: This project provides for the replacement of the failed corrugated metal pipes under the roadway at the San Diego River Crossing and for the restoration of the roadway.

Justification: The road collapsed on December 30, 2004 due to the failure of six corrugated metal pipes under the roadway. The road is located in the floodplain zone and is, therefore, subject to inundation during heavy flows in the river as a result of high intensity rainfall. The road was repaired and in operation before the end of October 2005. The project is eligible for FHWA reimbursement.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: This project is anticipated to be completed in Fiscal Year 2011.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Project Status: Released	Contact Information: Martedi Gaetano
Duration: 2008 - 2012	619-533-5410
Improv Type: New	gmartedi@sandiego.gov

Description: This project provides for the installation of Class II Bike Lanes on 54th Street between Trojan and Euclid Avenues and for Class III Bike Route signage and pavement markings along Euclid Avenue between 54th Street and Market Street.

Justification: This project will close a gap in bicycle routes between the College Area and Southeastern San Diego and its neighborhoods and provide a safer route for bicyclists.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego and College Area Community Plans and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2010. Construction is anticipated to be complete in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Pazargadi, Siavash
Duration: 2003 - 2011	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: This project updates the current Bicycle Master Plan that was completed in 2002. This update provides for documenting existing conditions and making recommendations for future bicycle facilities. It is an essential reference tool for updating community plans, and for use in reviewing development proposals and street improvement plans.

Justification: To facilitate grant fund applications, a new Master Plan is required to update the existing 2002 Bicycle Master Plan.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: The Request for Proposal was issued in January 2008 and the Master Plan project is expected to be completed in Fiscal Year 2011.

Summary of Project Changes: This project will be completed by the end of the fiscal year.

Trans - Bicycle Facilities (All Class.)

Council District: 8	Priority Score: N/A
Community Plan: San Ysidro	Priority Category: N/A
Project Status: Technically completed	Contact Information: Pazargadi, Siavash
Duration: 2003 - 2011	619-533-3757
Improv Type: New	spazargadi@sanidiego.gov

Description: This project provides for installation of 180 bike racks at an existing state-owned lot addressing some of the deficiencies in available bicycle parking near the border. This project is a cooperative effort between the City of San Diego, Caltrans, and the Metropolitan Transit Development Board for joint construction of a surface to support the racks. Caltrans is the lead agency for this project.

Justification: A recent count showed that about 2,000 bicycles are crossing the border each day. There are insufficient parking facilities to accommodate the large number of bicycles in the area. This project provides for installation of 180 bike racks at an existing State-owned lot addressing some of the deficiencies in available bicycle parking near the border.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's General Plan.

Schedule: Installation of bicycle racks was completed in Fiscal Year 2007.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Coastal Rail Trail / S00951

Council District: 1	Priority Score: 72
Community Plan: Torrey Pines, University	Priority Category: High
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2002 - 2015	619-533-4654
Improv Type: New	apalaseyed@sandiego.gov

Description: This project provides for identifying the best alignment for a bikeway route of approximately 10 miles between Sorrento Valley/Carmel Valley Rd to the Gilman Drive/I-5 Intersection.

Justification: This project is part of a larger multi-jurisdictional project, which proposes a bikeway along the coast in the cities of Oceanside, Encinitas, Solana Beach, Carlsbad, Del Mar, and San Diego. It is intended to provide regional connectivity for both commuting bicylists and recreational activities.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines and University Community Plans and is in conformance with the City's General Plan.

Schedule: Preliminary engineering and preparation of environmental document began in Fiscal Year 2012. Design is anticipated to begin in Fiscal Year 2013. Construction is expected to begin in Fiscal Year 2014. This schedule will be revised once funding is identified to complete the project.

Summary of Project Changes: This project has been awarded \$489,507 in federal Regional Surface Transportation Program (RSTP) funds and \$63,429 in Transportation Development Act (TDA) funds. A City Council action will be processed in Fiscal Year 2012 to accept and appropriate this additional funding to the project.

Darkwood Canyon Connector Study / S00736

Council District: 1	Priority Score: N/A
Community Plan: Rancho Penasquitos	Priority Category: N/A
Project Status: Released	Contact Information: Pazargadi, Siavash
Duration: 2005 - 2011	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: The project provides for a feasibility study for a bike lane connection between the State Route 56 Bike Path and Park Run Road and is a part of the State Route 56 Corridor Study.

Justification: Bicyclists would otherwise only be able to access the bikepath from the adjacent freeway interchanges of Black Mountain Road or Camino Ruiz. Providing this direct connection would reduce the out-of-direction travel for accessing the bikepath and would also positively influence the potential usage by bicyclists.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: The project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Schedule: Project was completed in Fiscal Year 2010.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

El Camino Real/State Route 56 Bike Path Connector / S00981

Council District: 1	Priority Score: 32
Community Plan: Carmel Valley	Priority Category: Low
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2009 - 2012	619-533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: This project will provide a pervious pavement bike path connector and a driveway apron on the east side of El Camino Real in order to provide access to the State Route 56 Bike Path.

Justification: This project is required in order to provide a safe method of bicycle access from street to trail.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Public Facilities Financing Plan (See project T-4) and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012, contingent upon rate of development in the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Friars Road/Pacific Highway Bicycle Path / S00947

Council District: 6	Priority Score: 76
Community Plan: Mission Valley, Linda Vista	Priority Category: High
Project Status: Released	Contact Information: Lundquist, James
Duration: 2001 - 2012	619-533-3045
Improv Type: New	jlundquist@sanidiego.gov

Description: This project provides for designing and constructing a Class I bike path connecting Friars Road to Pacific Highway.

Justification: This project will provide shortcut access between the one-way Class II east-bound bike paths on Friars Road to a one-way Class II bike path northbound on the Pacific Highway bridge.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Linda Vista and Mission Valley Community Plans and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2007. This project has been abandoned due to environmental and financial constraints.

Summary of Project Changes: This project has been abandoned and will be closed by the end of the fiscal year.

Transportation & Storm Water

Trans - Bicycle Facilities (All Class.)

Council District: 1	Priority Score: 66
Community Plan: Carmel Valley	Priority Category: High
Project Status: Released	Contact Information: Pazargadi, Siavash
Duration: 2009 - 2012	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: This project will provide the (missing) link between two existing bike/pedestrian paths: the regional bike connection that runs parallel to State Route 56 corridor, and the Sorrento Valley Road multi-use bike/pedestrian path, and will pass under Interstate 5, just south of the Carmel Mountain Road interchange.

Justification: Currently cyclists and pedestrians must use the shoulders of Carmel Valley Road to access the west side of I-5. High traffic volumes coupled with commercial driveways and freeway ramps make it difficult for pedestrians and cyclists to travel from one side of the freeway to the other.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Public Facilities Financing Plan (Project T-5) and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011. Construction will be scheduled contingent upon timing/availability of funding. It is anticipated that State and federal grant funding will be made available for this project.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Kearny Villa Road Bike Lane Improvements / S00961

Council District: 6	Priority Score: 91
Community Plan: Kearny Mesa	Priority Category: High
Project Status: Released	Contact Information: Martedi Gaetano
Duration: 2008 - 2014	619-533-5410
Improv Type: New	gmartedi@sandiego.gov

Description: This project provides for the resurfacing and repair of damaged bicycle lanes on Kearny Villa Road between Miramar Way and State Route 163.

Justification: The deteriorating asphalt in the bicycle lane causes bicyclists to ride close to the main travel lanes, where there are high volumes of high-speed traffic. This project will replace the existing bicycle lane with new asphalt and provide a safer route of travel for bicyclists.

Operating Budget Impact: The operating and maintenance funding for this project is included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2011 and will be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Pazargadi, Siavash
Duration: 2008 - 2011	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: This project will provide for a feasibility study focusing on a long term solution to provide an alternative parallel facility to the existing bicycle lane on Kearny Villa Road, including possible operational improvements at the interchanges at State Route 163.

Justification: This project's goal is to increase bicycling as a viable commuting or recreational option.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: The study began in Fiscal Year 2010 and will continue through Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Gardiner, Maureen
Duration: 2007 - 2013	619-236-7065
Improv Type: New	mgardiner@sandiego.gov

Description: This project provides for the development of a comprehensive Pedestrian Master Plan to guide the way the City plans and implements pedestrian improvement projects to address safety, accessibility, connectivity, and walkability. The plan will identify and prioritize pedestrian improvement projects based on technical analysis and community input.

Justification: The plan will identify the City's pedestrian needs list, improve the City's ability to implement pedestrian projects using its limited resources as effectively as possible, and improve the City's position to receive grant funding to construct such projects.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Earlier phases of the project have been completed. Phase III began in Fiscal Year 2007 and will be completed in Fiscal Year 2012. Phase IV began in Fiscal Year 2011 and will be completed in Fiscal Year 2014. Subsequent phases will be scheduled as funding becomes available.

Summary of Project Changes: Grant funding for this project may become available in Fiscal Year 2012.

Poway Road Bicycle Path - Class I / S00943

Council District: 5	Priority Score: 56
Community Plan: Sabre Springs	Priority Category: High
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1997 - 2014	619-533-5120
Improv Type: Widening	bjohnson@sandiego.gov

Description: This project provides for the construction of a Class I bicycle path (combined pedestrian and bicycle travel) easterly along the south side of Poway Road from the I-15/Poway Road interchange to Sabre Springs Parkway, approximately 1,950 feet in length. This project replaces the existing Class II bikeway located within the shoulder of Poway Road.

Justification: The Sabre Springs Community Plan encourages the development of a system of bikeways within the community, tying into the regional bicycle network.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Sabre Springs Community Plan and is in conformance with the City's General Plan.

Schedule: The Environmental Process began in Fiscal Year 2008 and was completed in Fiscal Year 2011. Design began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2012 and will be completed in Fiscal Year 2013.

Rose Creek Bikeway / S00946

Council District: 2, 6	Priority Score: N/A
Community Plan: Mission Bay Park, Pacific Beach	Priority Category: N/A
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2001 - 2014	619-533-7482
Improv Type: New	jbatta@sanidiego.gov

Description: This project provides for design and construction of a pedestrian/bicycle bridge across Rose Creek and a paved Class I bike path to connect the westerly end of the new bridge to Pacific Beach Drive.

Justification: This project will close a gap in the existing network of bike paths and lanes in Mission Bay Park. The project will allow pedestrians and bicyclists to circumvent a much longer existing route along Grand Avenue.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project implements the Pacific Beach Community Plan and the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001 and was completed in Fiscal Year 2010. Construction began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Ruffin Road/Murphy Canyon Road Bikeway Project / S00959

Council District: 6	Priority Score: 91
Community Plan: Kearny Mesa	Priority Category: High
Project Status: Released	Contact Information: Martedi Gaetano
Duration: 2008 - 2014	619-533-5410
Improv Type: New	gmartedi@sandiego.gov

Description: This proposed project will install 3.25 miles of Class II Bikeways from Kearny Villa Road to Murphy Canyon Road and upgrade the existing Class III facility on Murphy Canyon Road between Aero Drive to city limits that will connect to Murphy Canyon Road Bike Path.

Justification: This project will provide north and south connectivity to other bikeways within the city and will provide a safer route of travel for bicyclists.

Operating Budget Impact: The operating and maintenance funding for this project is included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan. This Study is consistent with the Bicycle Master Plan, which was passed by Council Resolution R-296581.

Schedule: Design began in Fiscal Year 2010. Construction is scheduled to begin and be completed in Fiscal Year 2011.

Summary of Project Changes: This project will be completed and closed by the end of the fiscal year.

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Released	Contact Information: Pazargadi, Siavash
Duration: 2009 - 2011	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: This project provides for development of a public education campaign to promote safe use of streets by motorists, pedestrians, and bicyclists.

Justification: This project will result in a guide for a multi-media ad campaign to raise public awareness of the interactions of motorists, pedestrians, and bicyclists on City streets. Various aspects of the public education campaign will target specific elements of the traveling public. Additional funding will be required for campaign implementation.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: This project was implemented in Fiscal Year 2009 and will continue through Fiscal Year 2014, pending award of additional grant funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

San Diego River Multi-Use Path / S00958

Council District: 6	Priority Score: 56
Community Plan: Mission Valley	Priority Category: High
Project Status: Released	Contact Information: Giandoni, Mark
Duration: 2006 - 2012	619-533-4618
Improv Type: New	mgiandoni@sandiego.com

Description: This project provides for a multi-use pedestrian and bicycle path under State Route 163 from Hazard Center Drive to Fashion Valley Mall on the north side of the San Diego River. The project includes a paved bicycle and pedestrian path, grading, fill, striping, signage, bollards, and lighting for the path including the State Route 163 undercrossing.

Justification: This project is part of the Bicycle Master Plan to guide the development and the creation of a firm foundation for a bicycle-friendly environment to serve bicyclists and pedestrians throughout the City. These improvements will benefit the community by increasing the mobility and safety through the enhancement of the bicycle path environment.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary engineering and planning began in Fiscal Year 2006 and was completed in Fiscal Year 2008. The environmental review process began in Fiscal Year 2009 and was completed in Fiscal Year 2011. Design began in Fiscal Year 2008 and was completed in Fiscal Year 2011. Construction is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Council District: 1	Priority Score: 90
Community Plan: Black Mountain Ranch, Del Mar Mesa, Pacific Highlands Ranch, Rancho Penasquitos	Priority Category: High
Project Status: Released	Contact Information: Pazargadi, Siavash
Duration: 2006 - 2014	619-533-3757
Improv Type: New	spazargadi@sanidiego.gov

Description: This project will provide for a bicycle path interchange and community connection points at Black Mountain Road, Camino Del Sur, Rancho Del Sol Way, and Torrey Meadows Drive along State Route 56.

Justification: Bicyclists and pedestrians traveling the SR-56 bicycle path and needing to cross through the interchange areas have to contend with high volumes of conflicting vehicular traffic. This project will expedite the movements along the bicycle path through and connecting to the interchange areas.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch, Del Mar Mesa, Pacific Highlands Ranch, and Torrey Highlands Subarea Plans and the Rancho Penasquitos Community Plan, and is in conformance with the City's General Plan.

Schedule: The project study report began in Fiscal Year 2006 and was completed in Fiscal Year 2008. Design and construction for SR-56 / Black Mountain Road began in Fiscal Year 2010 and are scheduled to be completed in Fiscal Year 2012. Future projects are dependent on financial resources.

Summary of Project Changes: It is anticipated that \$368,492 in FBA funding will be available for this project in Fiscal Year 2012.

Project Status: Technically completed	Contact Information: Pazargadi, Siavash
Duration: 2008 - 2012	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: This project provides for a feasibility study and preliminary and environmental impact evaluation for providing improved bicycle access on India Street between Laurel Street and Washington Street.

Justification: This project is needed to determine the required modification to a roadway that has heavy bicycle use, heavy auto use, and poor visibility through a lengthy freeway underpass.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: The study began in Fiscal Year 2010 and will continue in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Taylor Street - Bikeway / S00965

Council District: 2	Priority Score: 56
Community Plan: Old San Diego	Priority Category: High
Project Status: Released	Contact Information: Lundquist, James
Duration: 2007 - 2012	619-533-3045
Improv Type: New	jlundquist@sanidiego.gov

Description: This project provides for the replacement of a bicycle lane on Taylor Street between Presidio Drive and Hotel Circle South, adjacent to Presidio Park.

Justification: Erosion has caused the cliffside at this location to destabilize. Temporary barriers are in place to prevent additional rockslide onto Taylor Street; however, these barriers have eliminated the bicycle lane. This project will re-establish the bike lane.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Old San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Construction schedule and funding were determined upon transfer to the Engineering & Capital Projects Department in Fiscal Year 2011 and will be incorporated in the cliff stabilization project.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Description: This project provides for the restriping of University Avenue from east of Florida Street to the west side of Mississippi Street, including the two intersections of University Avenue at Alabama Street to provide a center refuge median and wider travel lanes to improve bicycle and pedestrian safety. This project will provide for the removal of parking on both sides of the street and eliminate left turns in and out of both intersections of University Avenue and Alabama Street.

Justification: Te project will provide a center refuge median and wider travel lanes to improve bicycle and pedestrian safety.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2010. Construction is scheduled to begin in Fiscal Year 2012.

Project Status: Technically completed	Contact Information: Johnson, Brad
Duration: 2002 - 2011	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the construction of bike lanes on Vista Sorrento Parkway between Sorrento Valley Boulevard and Lusk Boulevard by widening the existing roadway.

Justification: Bicyclists along this section of Vista Sorrento Parkway currently must contend with heavy volumes and high speeds from vehicular traffic in common lanes. The proposed bike lanes will provide a separate venue for bicyclists to use, which is in accordance with the Torrey Pines and Mira Mesa Community Plans.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines and Mira Mesa Community Plans and is in conformance with the City's General Plan.

Schedule: Construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Pedestrian Bridge - Ted Williams Parkway / S00938

Council District: 5	Priority Score: N/A
Community Plan: Carmel Mountain Ranch	Priority Category: N/A
Project Status: Technically completed	Contact Information: Palaseyed, Abi
Duration: 2003 - 2011	619-533-4654
Improv Type: New	apalaseyed@sandiego.gov

Description: This project provides for construction of a pedestrian bridge along Shoal Creek Drive to facilitate crossing Ted Williams Parkway. This phase of the project includes design and environmental studies.

Justification: The intersection is in close proximity to Shoal Creek Elementary School and has a high volume of children crossing Ted Williams Parkway. This project will increase pedestrian safety and was requested by City Council and the community.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Carmel Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Design and preparation of environmental documents began in Fiscal Year 2008. Construction began in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Bridge Preventative Maintenance Program / S00940

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Released	Contact Information: Kuzminsky, Larry
Duration: 2007 - 2012	619-533-3065
Improv Type: Betterment	lkuzminsky@sandiego.gov

Description: This project provides for the development of bridge preventive maintenance assessments. It will provide an evaluation of 318 existing vehicular bridges, analyze current industry practices, and determine the cost benefits of program implementation.

Justification: Bridges identified in this assessment will be considered for participation in a future preventive maintenance construction contract. This will minimize structural deficiencies and extend bridge existence.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: The program began in Fiscal Year 2007 and will continue through Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Carroll Canyon Road/Sorrento Valley Road - Dist 1 / S00841

Council District: 1, 5	Priority Score: 73
Community Plan: Mira Mesa, Torrey Pines	Priority Category: High
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1988 - 2016	619-533-4654
Improv Type: New	apalaseyed@sandiego.gov

Description: This project provides for a modified four-lane collector street from Sorrento Valley Road, under Interstate 805 to Scranton Road as part of a joint project with Caltrans. Carroll Canyon Road will include Class II bike lanes and direct access ramps onto I-805 from Carroll Canyon Road to the I-5 interchange.

Justification: Canyon Road extension project is necessary in accordance with the community plan and the average daily trip forecast is 25,000 vehicles per day. Currently, there is no roadway and the traffic travels on Mira Mesa Boulevard which is over capacity. This project will improve traffic circulation in the area.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was scheduled in Fiscal Year 2005 and rescheduled to Fiscal Year 2009 due to changes in scope and alignment. Design was completed in Fiscal Year 2010. Construction began in Fiscal Year 2010 and is anticipated to be completed by Fiscal Year 2013, however, this schedule is dependent upon the availability of State funding for the Caltrans portion of the project.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

El Camino Real - Half Mile to Via De La Valle / S00856

Council District: 1	Priority Score: 53
Community Plan: Future Urbanizing Area - Subarea 2	Priority Category: Medium
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1992 - 2014	619-533-5120
Improv Type: Widening	bjohnson@sandiego.gov

Description: This project provides for reconstruction and widening of the existing two-lane bridge to a four-lane bridge. It provides for widening the existing two-lane roadway to a modified four-lane major road and includes improvements on eastbound Via de la Valle as far as northbound El Camino Real.

Justification: The El Camino Real project proposes to modify the segment of el Camino Real between Via de la Valle and San Dieguito Road in order to improve the structural integrity of the bridge over the San Dieguito river, alleviate problems associated with high flood events, improve pedestrian and vehicular access to nearby coastal and recreational resources, relieve traffic congestion, and improve consistency with the adopted land use plan for the project area.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Fairbanks Ranch Country Club Specific Plan and the North City Future Urbanizing Area Framework Plan and is in conformance with the City's General Plan.

Schedule: The environmental review process began in Fiscal Year 2007 and is scheduled to be completed in Fiscal Year 2012. Design is scheduled to begin in Fiscal Year 2012. Land acquisition is scheduled to begin in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2014 and to be completed in Fiscal Year 2015.

Summary of Project Changes: It is anticipated that grant funding in the amount of \$6,692,000 will become available for this project for Fiscal Year 2012.

First Avenue Bridge Over Maple Canyon / S00862

Council District: 2	Priority Score: 44
Community Plan: Uptown	Priority Category: Medium
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1994 - 2012	619-533-4654
Improv Type: Replacement - Retrofit	apalaseyed@sandiego.gov

Description: This project provides for seismic retrofit to the abutments, expansion joints and bracing of the First Avenue bridge and for replacement of corroded rivets. Miscellaneous painting is required to prevent rusting.

Justification: This bridge needs extensive hardware restoration and replacement, miscellaneous painting, and seismic upgrades to prevent collapse during a catastrophic earthquake.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project implements the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: An initial study began in late Fiscal Year 1993. Design began in Fiscal Year 1996 and was completed Fiscal Year 2007. Construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Genesee Avenue - Widen Interstate 5 Crossing / S00839

Council District: 1	Priority Score: 44
Community Plan: University	Priority Category: Medium
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1990 - 2013	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for widening Genesee Avenue to six lanes plus dual turn lanes and replacing the existing Genesee Avenue overcrossing with a higher, wider (124-foot) structure and the modification of the existing ramps. The environmental document will also clear additional Interstate 5 Corridor improvements including auxiliary lanes on both sides of the freeway, north and south of Genesee Avenue and the replacement of the Voight Drive Overcrossing.

Justification: This project is needed to improve traffic flow. It is included in the Council-approved North University City Public Facilities Financing Plan as Project Number 24.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: The environmental document was scheduled to be completed in Fiscal Year 2011. Land Acquisition is scheduled to be completed in Fiscal Year 2012. Design began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012. Construction of the Genesee Overcrossing and ramps is scheduled to begin in Fiscal Year 2013. Construction of the additional corridor improvements is also contingent upon the identification of funding.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Georgia Street Bridge Improvements / S00863

Council District: 3	Priority Score: 51
Community Plan: Greater North Park	Priority Category: Medium
Project Status: Released	Contact Information: Giandoni, Mark
Duration: 1994 - 2014	619-533-4618
Improv Type: New	mgiandoni@sandiego.gov

Description: This project provides for improvements of the bridge, the adjacent retaining walls, and the corresponding guardrails along the bridge walls.

Justification: This bridge has severe spalling due to age and has severe height limitations which need to be corrected. Trucks continue to hit the low arches of the bridge. The retaining walls on either side are an integral part of the bridge and also need restoration or replacement. The guardrails of the bridge and adjacent walls are deteriorating.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project implements the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: The environmental review process and design continued in Fiscal Year 2011 due to environmental delays and community outreach impacts. Construction is scheduled to begin in Fiscal Year 2013.

Summary of Project Changes: Federal grant and TransNet funds are anticipated to be increased by \$8.6 million in Fiscal Year 2013.

La Jolla Village Dr /Torrey Pines - Villa La Jolla / S00850

Council District: 1	Priority Score: 62
Community Plan: University	Priority Category: High
Project Status: Technically completed	Contact Information: Palaseyed, Abi
Duration: 1992 - 2011	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project provides for Phase III of widening La Jolla Village Drive from Torrey Pines Road to Interstate 805, and for widening the bridge over Gilman Drive to six lanes. It widens La Jolla Village Drive to six lanes from Torrey Pines Road to Gilman Drive, and to six lanes with two auxiliary lanes from Gilman Drive to Villa La Jolla Drive. It also adds a fourth westbound lane from Interstate 5 to Villa La Jolla Drive. The project reconstructs some portions of the existing roadway, improves drainage at the Villa La Jolla/La Jolla Village Drive intersection, and improves the North Torrey Pines Road/Torrey Pines Road/La Jolla Village Drive intersection, including a right-turn lane to Torrey Pines Road along eastbound North Torrey Pines Road from Expedition Way funded by a developer's contribution.

Justification: Widening La Jolla Village Drive will enhance the traffic flow. See Project Number 47 in the North University City Public Facilities Financing Plan.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 1998 and was completed in Fiscal Year 2004. Construction began in Fiscal Year 2004 and was completed in Fiscal Year 2006.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

La Jolla Village Drive - Interstate 805 Ramps / S00857

Council District: 1	Priority Score: N/A
Community Plan: University	Priority Category: N/A
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2001 - 2014	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project converts the existing La Jolla Village Drive/Interstate 805 full cloverleaf interchange configuration to a partial cloverleaf configuration, including widening the overpass structure and approaches to provide three through lanes with an auxiliary lane in each direction. The project also provides for widening La Jolla Village Drive to eight lanes and constructing three lanes to the southbound on-ramp. Bike lanes will be included.

Justification: This project is needed to improve traffic circulation and safety in the University community per the North University City Public Facilities Financing Plan - Project C.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design and land acquisition began in Fiscal Year 2001. Design was completed in Fiscal Year 2004. Caltrans awarded the construction contract in Fiscal Year 2011. Road construction will be completed in Fiscal Year 2012. There will be a five year plant establishment and monitoring period through Fiscal Year 2017.

Summary of Project Changes: Unidentified funding of \$5 million is no longer required due to the bids coming in 30% below engineers estimate.

Laurel Street Bridge Over State Route 163 / S00939

Council District: 3	Priority Score: 73
Community Plan: Balboa Park	Priority Category: High
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2007 - 2014	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the maintenance, rehabilitation, and seismic retrofitting of the Laurel Street (Cabrillo) Bridge over Highway 163.

Justification: This bridge has been identified by Caltrans as requiring maintenance and rehabilitation which is currently seismically deficient.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: The environmental process began in Fiscal Year 2009 and continued through Fiscal Year 2010. Design began in Fiscal Year 2011 and will continue through Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013 and is anticipated to be completed in Fiscal Year 2014. Caltrans is lead agency for this project. The City share may not exceed current appropriation. Revisions to schedule are consistent with Caltrans Project Study Report.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Mission City Parkway/San Diego River / S00936

Council District: 6	Priority Score: 54
Community Plan: Mission Valley	Priority Category: Medium
Project Status: Released	Contact Information: Marabian, Linda
Duration: 1999 - 2010	619-533-3082
Improv Type: New	lmarabian@sandiego.gov

Description: This project provides for a new two-lane bridge extending Mission City Parkway from the intersection of Camino Del Rio North to the north over the San Diego River. Mission City Parkway would connect to Fenton Parkway, which was constructed by a developer as part of the Mission City Development. This project also provides for an additional entrance to QUALCOMM Stadium. This project description is preliminary and the amounts shown below only reflect the funding currently programmed. The total funding needs of the project will be determined once a final scope of work is established.

Justification: The bridge is part of the approved Mission City Plan and is being constructed from funding provided by H. G. Fenton as part of the settlement with the City implementing the Mission City Development, specifically for the construction of the bridge and roadway.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: The project description is preliminary and the scope of work is not established; only planning and other preliminary activities have been performed to date. The project schedule for the design and construction will be established once the scope of work is approved and the remaining funding identified.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Duration: 1997 - 2015	619-533-4654
Improv Type: Replacement - Retrofit	apalaseyed@sandiego.gov

Description: This project provides for the seismic retrofit of the North Harbor Drive Bridge, which will consist of stabilizing the existing piers and joining the paired piers together at the waterline to increase support during seismic events.

Justification: The North Harbor Drive Bridge over Navy Estuary has been identified as a seismically deficient bridge by Caltrans.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2007. Construction began in Fiscal Year 2009 and was completed in Fiscal Year 2010. The project is scheduled to be closed in 2015 after the five year mitigation and monitoring period.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

North Torrey Pines Road Bridge/ Los Penasquitos / S00935

Council District: 1	Priority Score: 56
Community Plan: Torrey Pines	Priority Category: High
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1992 - 2014	619-533-4654
Improv Type: Replacement - Retrofit	apalaseyed@sandiego.gov

Description: This project provides for demolishing and reconstructing the North Torrey Pines Road Bridge over Los Penasquitos Creek and for transitionally widening both road approaches from approximately 770 feet south of the bridge to 1,100 feet north of the bridge. Tidal action from Los Penasquitos Lagoon is compromising beach access. Tidal action has become an issue due to the new configuration of the bridge span over the lagoon. Scouring of the access point from the State parking lot is an issue for State maintenance vehicles and beach patrons.

Justification: This project is needed to replace the structurally deficient and functionally obsolete bridge. The new bridge will be designed to current standards.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Schedule: Environmental review was completed in Fiscal Year 2000. Design began in Fiscal Year 2000 and was completed in Fiscal Year 2003. Construction was completed in Fiscal Year 2006. Environmental mitigation and monitoring began in Fiscal Year 2006 and will continue until Fiscal Year 2014. Due to environmental obligations, a post construction ramp for access to Torrey Pines beach for state vehicles and beach patrons will be completed in Fiscal Year 2012.

Summary of Project Changes: An additional \$400,000 in TransNet funding has been allocated to the project in Fiscal Year 2012.

Palm Avenue Interstate 805 Interchange / S00869

Council District: 8	Priority Score: 53
Community Plan: Otay Mesa, Otay Mesa - Nestor	Priority Category: Medium
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2002 - 2017	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project provides for improving the Palm Avenue/Interstate 805 interchange in three phases. The first phase has been completed. The second phase consists of repairs to the bridge approaches and abutments; bridge widening to the south; installation of sidewalk and signal; restriping; and signage modifications. The third stage consists of bridge widening to the north, relocation of north bound on and off-ramp, and widening of the two on-ramps. All three phases of the project provide improvements per the Otay Mesa Public Facilities Financing Plan - Projects T1.1, 1.2, 1.3, and 1.4.

Justification: This project is required to accommodate the additional traffic generated as a result of development in the Otay Mesa Community. Improvements to this interchange will also help to reduce traffic volumes on State Route 905.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa and Otay Mesa/Nestor Community Plans and is in conformance with the City's General Plan.

Schedule: Phase I is complete. Phase II and III environmental studies began in Fiscal Year 2010. Phase II design will be completed in Fiscal Year 2012 and construction is scheduled in Fiscal Year 2012. Phase III design is scheduled in Fiscal Year 2013. Construction for Phase III will be scheduled upon identification of funding. This schedule is contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Regents Road Bridge / S00729

Council District: 1	Priority Score: N/A
Community Plan: University	Priority Category: N/A
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1992 - 2015	619-533-4654
Improv Type: New	apalaseyed@sandiego.gov

Description: This project provides for an 870-foot bridge spanning the AT&SF Railroad and a portion of the flood plain. Additionally, this project provides for a four-lane major street with Class II bike lanes on Regents Road from the AT&SF railroad bridge to 100 feet north of Lahitte Court as well as widening the existing half width street to a four-lane major street from 100 feet north of Lahitte Court to Governor Drive, including Class II bike lanes. In addition, the project recreational improvements in the canyon, which include limiting noise to the greatest extent possible, traffic calming, walkability, profile/light penetration structure design, habitat restoration, recreational improvements for pedestrians, and bike access trails.

Justification: This project will complete Regents Road and provide continuous access to northern communities. This project is included in the Council-approved North University City Financing Plan and Facilities Benefit Assessment Plan - Project NUC-18.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008. Land acquisition began in Fiscal Year 2009 and construction is on indefinite hold.

Summary of Project Changes: Project is on indefinite hold due to a vote not to proceed by the Land Use and Housing Committee.

Project Status: Created	Contact Information: Pazargadi, Siavash
Duration: 2011 - 2014	619-533-3757
Improv Type: Replacement	spazargadi@sandiego.gov

Description: This project provides for the evaluation and environmental work for widening and removing the "S" curve of State Route 94/Euclid Avenue eastbound off ramp and its subsequent construction.

Justification: This project will improve safety and capacity.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Encanto Neighborhoods Community Plan and in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012 and construction is scheduled to begin in Fiscal Year 2013.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Sea World Drive/Interstate 5 Interchange Imp / S00888

Council District: 2, 6	Priority Score: 74
Community Plan: Mission Bay Park	Priority Category: High
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2007 - 2018	619-533-4654
Improv Type: Replacement	apalaseyed@sandiego.gov

Description: This project proposes to realign and widen the southbound off-ramp, reconfigure the off-ramp intersection to eliminate the free right turn onto Sea World Drive, widen the eastbound approach to the southbound on-ramp, and increase storage on the overcrossing for the eastbound to northbound left turn at the northbound on-ramp. In addition, this alternative proposes to provide a loop on ramp to northbound Interstate 5 from eastbound Sea World Drive. The eastbound and westbound approaches would be modified to provide required storage and the entire interchange would be relocated approximately 30-feet to the south to accommodate phased construction of a new overcrossing. In addition, when funding is identified, Sea World Drive will be widened to six lanes between Sea World Way and Interstate 5.

Justification: Widening Sea World Drive to six lanes and improving the Sea World Drive/Interstate 5 interchange are necessary to meet existing and forecasted traffic volumes.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Project study report was completed in Fiscal Year 2011. Preliminary Engineering and preparation of environmental document began in Fiscal Year 2011. Design is scheduled to begin in Fiscal Year 2012. Construction is scheduled to begin 2015. This schedule is contingent upon availability of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Seismic Retrofit West Mission Bay Drive Bridge / S00937

Council District: 2	Priority Score: N/A
Community Plan: Mission Bay Park	Priority Category: N/A
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2003 - 2011	619-533-4654
Improv Type: Replacement - Retrofit	apalaseyed@sandiego.gov

Description: This project provides for the seismic retrofit which will consist of stabilizing the existing piers and joining the paired piers together at the waterline to increase support during seismic event.

Justification: The West Mission Bay Drive Bridge over Mission Bay Channel has been identified as a seismically deficient bridge by Caltrans.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Community Plan and is in conformance with the City's General Plan.

Schedule: Construction activities were completed in Fiscal Year 2004. Post Construction Environmental Obligations were completed in FY2011. This action is pending the successful creation of an Eel Grass Mitigation Ban, of which the project will need to contribute \$4,200. This payment is a stipulation of an environmental permit.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

State Route 163/Clairemont Mesa Blvd Interchange / S00905

Council District: 6	Priority Score: 71
Community Plan: Kearny Mesa	Priority Category: High
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2005 - 2013	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project provides for improving Clairemont Mesa Boulevard/State Route 163 to six-lane prime arterial standards. Phase I of the project consists of bridge widening and ramp realignment on the eastern side of the interchange. Phase II consists of ramp realignment on the western side. The interchange will be re-configured to eliminate existing loop on-ramps. The ramps will be re-configured to intersect Clairemont Mesa Boulevard at standard signalized intersections. High-occupancy vehicle/bus bypass lanes will be incorporated on the on-ramps.

Justification: These improvements will eliminate existing pedestrian/bike high-speed crossings and all vehicle, bike and pedestrian moves will be controlled, thus improving safety. Transit movement through the interchange area will be greatly enhanced.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2013. Construction is scheduled to begin in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

State Route 163/Friars Road / S00851

Council District: 6	Priority Score: 61
Community Plan: Mission Valley	Priority Category: High
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1990 - 2019	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project provides for construction of a new southbound State Route 163 to westbound Friars Road off-ramp, widening of the Friars Road overcrossing structure to eight lanes extending to Frazee Road, construction of a third westbound lane on Friars Road to Fashion Valley Road, the addition of an exclusive right-turn lane on southbound Frazee Road to westbound Friars Road, other modifications to the existing on and off-ramps, and improvements to the existing State Route 163 southbound travel lanes to improve the weaving problems. This project also includes an auxiliary lane on southbound State Route 163 from Genesee Avenue to westbound Interstate 8, which requires major structural work to widen the bridge over the San Diego River. Additionally, over 5,300 feet of retaining walls will need to be constructed along State Route 163 and Friars Road, including one that is over 30 feet high. Friars Road widening and ramp improvements at Friars Road will be constructed with Phase I.

Justification: This project will alleviate some of the severe traffic delays along Friars Road due to new development in Mission Valley and the backup that occurs on the existing southbound off-ramp because of the weaving situation with the southbound on-ramp.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary engineering was completed in Fiscal Year 1996. Phase I design began in Fiscal Year 2002 and continued through Fiscal Year 2009. Final design began in Fiscal Year 2011. Right of way will be acquired in Fiscal Year 2012. Construction for Phase I is scheduled for Fiscal Year 2014 due to an extended and complex design process. Phase II and Phase III are scheduled to be constructed in Fiscal Years 2017 and 2019.

Summary of Project Changes: TransNet funding totalling \$5.4 million and Mission Valley DIF of \$5.1 million has been identified for this project for Fiscal Year 2012 for design, right of way and construction phases.

Torrey Meadows Drive Overcrossing / S10015

Council District: 1	Priority Score: 46
Community Plan: Torrey Highlands	Priority Category: Medium
Project Status: Created	Contact Information: Tracanna, John
Duration: 2010 - 2020	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for the design and construction of a two-lane overcrossing of Torrey Meadows Drive over State Route 56. This project will include the bridge approaches on each side of the bridge, approximately 200 linear feet of a two-lane local collector road, together with any right-of-way not previously acquired as part of the State Route 56 project. The City is moving forward with a reimbursement agreement with developer to provide design and construction specifications for future construction of project.

Justification: This two-lane connection will provide access to the neighborhood park, elementary and high schools, and the local mixed use zone for those properties south of State Route 56. The project should alleviate traffic congestion on the Camino Del Sur Interchange and provide enhanced traffic flow.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan, the Torrey Highlands Public Facilities Financing Plan (Project T-9) and is in conformance with the City's General Plan.

Schedule: Design and the environmental review process began in Fiscal Year 2010. Project design and construction is to be completed by developer in accordance with a future Reimbursement Agreement (RA).

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

West Mission Bay Drive Bridge Over San Diego River / S00871

Council District: 2, 6	Priority Score: 70
Community Plan: Midway - Pacific Highway, Mission Bay Park, Peninsula	Priority Category: High
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1997 - 2021	619-533-4654
Improv Type: Replacement	apalaseyed@sandiego.gov

Description: This project provides for replacing the existing four-lane West Mission Bay Drive bridge with a six-lane bridge, sidewalk, bike lanes and shoulder improvements.

Justification: A six-lane facility is needed to accommodate both the existing and the projected future traffic volumes. It was determined that a bridge replacement was more cost effective than widening the existing bridge.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan, Midway - Pacific Highway Community Plan, and the Peninsula Community Plan, and is in conformance with the City's General Plan.

Schedule: Preliminary engineering was scheduled to begin in Fiscal Year 1998, however the scope changed from bridge widening to bridge replacement. Feasibility and environmental studies began in Fiscal Year 2001. Preliminary engineering and Environmental Document began in Fiscal Year 2009. Design is scheduled to begin in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013.

Summary of Project Changes: TransNet funding in the amount of \$100,000 has been allocated to this project for Fiscal Year 2012. City Council Resolution R-306848, dated June 7, 2011 authorized the additional appropriation of \$899,307 in TransNet funding to the project. This funding will be appropriated in Fiscal Year 2012 and is currently shown as anticipated. A request for City Council action in Fiscal Year 2012 will authorize the acceptance of additional grant funding.

Architectural Barrier Removal - DIF Funded / AII00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Gefrom, Walter
Duration: 2010 - 2020	619-527-7509
Improv Type: Betterment	wgefrom@sandiego.gov

Description: This project provides for installing curb ramps at various locations throughout the City as funded by Development Impact Fees (DIF).

Justification: Persons with disabilities and many senior citizens find their mobility restricted by curbs, which they find difficult or impossible to negotiate.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the appropriate community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Kelton Road Pedestrian Improvements / S10154

Council District: 4	Priority Score: 38
Community Plan: Southeastern San Diego	Priority Category: Low
Project Status: Created	Contact Information: Johnson, Brad
Duration: 2010 - 2015	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides the installation of bulbouts and an in-pavement lighted crosswalk on Kelton Road between Zircon Street and Luber Street, at the entrance to Johnson Elementary School.

Justification: This will provide traffic calming elements in the vicinity of Johnson Elementary School and will be designed to slow traffic speed. This will narrow the roadway, thus providing better visibility for pedestrians, bicyclists and automobiles. This measure will also shorten actual distance crossing on streets, thus reducing children/pedestrians' exposure to traffic, reducing accidents.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Southeastern Community Plan and the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin and be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Created	Contact Information: Puente, Edgar
Duration: 2011 - 2011	619-527-7527
Improv Type: New	epuente@sandiego.gov

Description: This project will provide for an accessible path of travel to the Azalea Park Water Conservation Garden and ensures accessibility under the American's with Disabilities Act (ADA).

Justification: The improvements are necessary to provide ADA accessibility to the Azalea Water Conservation Garden.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010. Construction began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012.

Centre City Intersection Improvements / S00895

Council District: 2, 8	Priority Score: N/A
Community Plan: Centre City	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 2002 - 2010	619-533-3682
Improv Type: Betterment	jtracanna@sandiego.gov

Description: This project provides for pedestrian curb pop-outs that will allow for greater pedestrian access and improved traffic control by widening the sidewalks or providing additional landscaped parkway strips.

Justification: Intersection pop-outs are needed to make pedestrian crossings shorter and reduce the visual width of long, straight streets. They also narrow the area of pavement in travel lane widths providing a visual cue to the driver that caution is necessary.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the General Plan.

Schedule: Since the project description is preliminary and the scope of work is not established, only planning and other preliminary activities have been performed to date. The project schedule for the design and construction will be established, once the scope of work is approved and the remaining funding identified.

Summary of Project Changes: Revisions to the Centre City Public Facilities Financing Plan, adopted April 1, 2005, do not include transportation projects as a component of the Centre City DIF. Funding in this project will be removed and the project closed by the end of the fiscal year.

Council District: 3	Priority Score: N/A
Community Plan: City Heights (Mid-City), Golden Hill, Greater North Park	Priority Category: N/A
Project Status: Technically completed	Contact Information: McKee, Jerry
Duration: 2003 - 2011	619-533-3095
Improv Type: Betterment	jmckee@sandiego.gov

Description: This project provides for an inventory and inspection of sidewalks in the Council District Three portions of the communities of Greater Golden Hill, Mid-City, and Greater North Park.

Justification: This engineering study would assist the City in planning for future improvements to sidewalks in Council District Three.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Golden Hill, Mid-City: City Heights, and Greater North Park Community Plans, and is in conformance with the City's General Plan.

Schedule: The study was conducted in Fiscal Year 2004 and is complete.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Hillcrest Corridor Mobility Study / S00908

Council District: 2	Priority Score: N/A
Community Plan: Uptown	Priority Category: N/A
Project Status: Technically completed	Contact Information: Wright, Mary
Duration: 2006 - 2009	619-236-7258
Improv Type: Betterment	mpwright@sandiego.gov

Description: This project provides for the evaluation of the mobility needs along 4th, 5th and, 6th Avenues between Elm Street and Washington Street within the Hillcrest and Bankers Hill/Park West neighborhoods and development of traffic calming measures, transit, bicycle and pedestrian improvements, and additional parking opportunities with public input.

Justification: The 4th, 5th and, 6th Avenue corridors within the Hillcrest and Bankers Hill/Park West neighborhoods of the Uptown community are currently experiencing safety issues associated with speeding traffic. Additionally, this project area experiences a high level of pedestrian and visitor activity and is located adjacent to Balboa Park and along high density residential and mixed-use development corridors that run through the Hillcrest business corridor.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: The project meets several General Plan Mobility Element goals such as creating a safe and walkable pedestrian environment, developing streets that balance the needs of multiple users of the public right-of-way, creating a city where bicycling is a viable travel option, and developing solutions to community-specific parking issues. The project also meets objectives in Transportation Element of the Uptown Community Plan for enhancing the pedestrian environment, facilitating alternative modes of transportation such as walking and bicycling, increasing opportunities for parking, and improving and promoting transit service.

Schedule: This project has been completed.

Summary of Project Changes: Project is complete and will be closed out this fiscal year.

Duration: 2002 - 2012	619-533-7482
Improv Type: Replacement - Rehab	jbatta@sandiego.gov

Description: This project provides for preserving the life of the historic Mission Beach bulkhead from Balboa Court to Pacific Beach Drive. The project includes replacing the concrete deck, restoring the wall backfill, and replacing the parapet.

Justification: This project will preserve the life of the bulkhead which was built in 1928.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Pre-cise Plan and is in conformance with the City's General Plan.

Schedule: Two sections of walkway have been removed and replaced, a total of 900 linear feet. Design has begun on the next phase to remove and replace another 500-600 linear feet. Construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant change was made to this project for Fiscal Year 2012.

Mission Beach Boardwalk Widening Project / S00860

Council District: 2	Priority Score: N/A
Community Plan: Mission Beach, Pacific Beach	Priority Category: N/A
Project Status: Released	Contact Information: Batta, Jamal
Duration: 1997 - 2015	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project increases public accessibility of the beach areas in Pacific and Mission Beach. Phase I of this project completed the widening of 1.34 miles of boardwalk along Oceanfront Walk and Ocean Boulevard from Ventura Place to Santa Rita Place. This included widening of the existing concrete boardwalk by nine feet and the creation of a three foot wide landscape buffer zone immediately to the east of, and adjacent to, the boardwalk. Phase II, which is complete, was a safety study. Phase III provides for the acquisition of the right-of-way at Santa Rita Place and from Pacific Beach Drive to Oliver Avenue. Phase IV will complete the widening from Santa Rita Place to Thomas Avenue.

Justification: This project will enhance public access to this section of beach.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan, Pacific Beach Community Plan, and is in conformance with the City's General Plan.

Schedule: Phase I was completed in Fiscal Year 2004 and the Phase II follow-up safety study was completed in the summer of 2003. Phases III and IV will be scheduled when funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

New Walkways / AIK00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2021	619-533-3092
Improv Type: New	jfuentes@sandiego.gov

Description: This annual allocation provides for the construction of sidewalks at locations where none exist in order to provide safe routes for pedestrians and to provide access routes for school children.

Justification: This project provides permanent sidewalks along streets in areas where children are required to walk to school and contributes to the City's ongoing efforts to promote walking as a mode of transportation.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: TransNet funding in the amount of \$375,000 has been allocated to this project for Fiscal Year 2012. Additionally, State grant funding is anticipated to be received for this project in Fiscal Year 2012.

North Park Commercial Revitalization / S00825

Council District: 3	Priority Score: 29
Community Plan: Greater North Park	Priority Category: Low
Project Status: Technically completed	Contact Information: Batta, Jamal
Duration: 1994 - 2010	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for neighborhood identification signage and public improvements along University Avenue and adjacent streets in North Park.

Justification: Public improvement and neighborhood identification are an important part of the revitalization project, which is a continuing effort to improve the economic base of the North Park Community. This project will extend the existing demonstration block concept east and west of the completed phases at 30th Street and University Avenue.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project implements the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Community sign construction was completed in Fiscal Year 1994. Construction of streetscape improvements on University Avenue west of 30th Street was completed in Fiscal Year 1998. The Gateway Project near Interstate 805 was completed in Fiscal Year 2000. Street trees were planted on University Avenue between Ohio Street and Interstate 805 in Fiscal Year 2001. Design of streetscape improvements between 28th and Granada Streets was completed in Fiscal Year 2006. Construction of streetscape improvements between 28th and Granada Street (southside) and 30th Street (eastside) was completed in Fiscal Year 2009.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Ocean Front Walk-San Fernando to Ventura / S00875

Council District: 2	Priority Score: 42
Community Plan: Mission Beach	Priority Category: Medium
Project Status: Released	Contact Information: Batta, Jamal
Duration: 1999 - 2012	619-533-7482
Improv Type: Replacement - Rehab	jbatta@sanidiego.gov

Description: This project provides for the removal and replacement of the existing pile cap, parapet wall, lights, and walkway along Ocean Front Walk between San Fernando Place and Ventura Place to their original 1925 appearance, in accordance with the Secretary of the Interior Standard for the Treatment of Historic Properties.

Justification: These structures are significant to the history of San Diego. They were constructed in 1925 to protect and complement the John D. Spreckels Amusement Center, now named Belmont Park. Extensive patching of spalled concrete and asphalt overlay of the walkway have robbed these structures of their character. Patching is no longer an option to restore and preserve these structures.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001 and was completed Fiscal Year 2007. Construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Council District: 4	Priority Score: 49
Community Plan: Skyline - Paradise Hills	Priority Category: Medium
Project Status: Technically completed	Contact Information: Batta, Jamal
Duration: 2008 - 2011	619-533-7482
Improv Type: New	jbatta@sanidiego.gov

Description: This project provides for installation of a concrete sidewalk on Potomac Street along the west side of the road adjacent to the Paradise Hills Community Park.

Justification: The surrounding streets to the Paradise Hills Community Park, Potomac Street and Paradise Valley Road, have existing sidewalk except for the segment in front of the park site. The concrete sidewalk will improve pedestrian access to the park.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2009 and construction was completed in Fiscal Year 2010.

Summary of Project Changes: Project was completed in Fiscal Year 2010 and will be closed by the end of the fiscal year.

Rosa Parks Elementary School-Safe Route to School / S00739

Council District: 3	Priority Score: N/A
Community Plan: Normal Heights (Mid-City)	Priority Category: N/A
Project Status: Technically completed	Contact Information: Giandoni, Mark
Duration: 2005 - 2010	619-533-4618
Improv Type: New	mgiandoni@sandiego.gov

Description: This project provides for improved pedestrian safety around Rosa Parks Elementary school. Project scope includes the construction of new sidewalks, retaining walls where needed, curb ramps, curb extensions, an enhanced school entry crosswalk, and solar flashing beacon crossing equipment.

Justification: The area surrounding Rosa Parks Elementary School has high automobile, bicycle, and pedestrian injury rates. This project will provide a safer walking environment for both students and members of the community.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Normal Heights Community Plan and is in conformance with the City's Progress Guide and General Plan.

Schedule: Design began and was completed in Fiscal Year 2006. Construction began in Fiscal Year 2007 and was completed in Fiscal Year 2008.

Summary of Project Changes: This project is now complete and will be closed by the end of the fiscal year.

SR2S Sidewalk Projects Grant #2 / L00011

Council District: 8	Priority Score: 40
Community Plan: Otay Mesa - Nestor	Priority Category: Medium
Project Status: Created	Contact Information: Fuentes, Julio
Duration: 2010 - 2015	619-533-3092
Improv Type: New	jfuentes@sanidiego.gov

Description: This project will provide for the construction of new sidewalks along the streets in and around Berry and Emory Elementary Schools and Mar Vista Middle School for school traffic safety improvement.

Justification: This project will provide needed for school traffic safety improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa-Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012. Construction is scheduled to be completed by Fiscal Year 2014.

Summary of Project Changes: This project was approved by the City Council on June 22, 2010 per Resolution 306007 which authorized the acceptance of a CALTRANS Grant from the Safe Routes to School Program for school traffic safety improvement.

School Traffic Safety Improvements / AIK00002

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2021	619-533-3092
Improv Type: New	jfuentes@sandiego.gov

Description: This annual allocation provides for the installation of traffic control devices, sidewalks, signal modifications and other improvements that will serve to improve safety surrounding schools. This allocation can also be used to match State or Federal grants for this purpose.

Justification: The Public Safety and Neighborhood Services Committee of the City Council requested that this program be instituted in order to proactively respond to school traffic safety problems in the City.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be identified each year based on the priorities identified by the Engineering and Capital Projects Department.

Summary of Project Changes: TransNet funding has been allocated to this project through Fiscal Year 2015.

Skyline Drive Improvements / S00912

Council District: 4	Priority Score: 49
Community Plan: Skyline - Paradise Hills	Priority Category: Medium
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2007 - 2012	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for improvements along Skyline Drive from Sears Avenue to Cardiff Street. These improvements include hardscape medians, traffic signal modifications, pavement enhancements, street lights, bus stops, pedestrian crossing improvements, traffic calming, and community signs.

Justification: The hardscaped medians, street lighting, and other proposed improvements will provide reduction in vehicle travel delay at many intersections. In addition, the proposed improvements will increase pedestrian and vehicular safety, particularly near many schools along the corridor. The project will also improve corridor walkability and add bicycle lanes that will provide connectivity to existing bicycle lanes.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary Design was completed in Fiscal Year 2008. Design began in Fiscal Year 2009 and was completed in Fiscal Year 2011. Construction is scheduled for Fiscal Year 2012.

Summary of Project Changes: It is anticipated that grant funding will become available for this project in Fiscal Year 2012.

University Avenue Sidewalk from 54th to 68th / S00910

Council District: 3, 7	Priority Score: 39
Community Plan: City Heights (Mid-City), College Area	Priority Category: Low
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2008 - 2012	619-533-3092
Improv Type: New	jfuentes@sandiego.gov

Description: This project provides for the installation of approximately 16,000 feet of new concrete sidewalk and other roadway and safety/capacity improvements on both sides of University Avenue from 54th Street to 68th Street. In addition, a corridor study will be completed to analyze existing conditions and future traffic in order to determine other capacity and safety improvements.

Justification: The existing sidewalk has settled and cracked necessitating replacement in order to provide safe pedestrian access. Portions of University Avenue within the limits of this project are without sidewalks. New sidewalk will be constructed in these areas. In addition, a corridor study will be completed to analyze existing conditions and future traffic in order to determine other capacity and safety improvements.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the College Area and Mid-City: City Heights and Eastern Area Communities Plans and is in conformance with the City's General Plan.

Schedule: Preliminary engineering is scheduled for Fiscal Year 2012. Design is scheduled for Fiscal Year 2012 and construction is scheduled for Fiscal Year 2013.

Summary of Project Changes: It is anticipated that Redevelopment Agency funding will be available for this project in Fiscal Year 2012.

University Avenue and Front Street Pop Out / S00909

Council District: 3	Priority Score: N/A
Community Plan: Uptown	Priority Category: N/A
Project Status: Technically completed	Contact Information: Batta, Jamal
Duration: 2007 - 2011	619-533-7482
Improv Type: New	jbatta@sandiego.gov

Description: This project will provide for pedestrian improvements at the corner of University Avenue and Front Street and will include the construction of a pop-out on the southwest corner and a new curb ramp on the north side of the intersection.

Justification: Installation of the pop-out will shorten the crossing distance on both University Avenue and Front Street, and make pedestrians more visible to vehicular traffic travelling east on University Avenue. The pop-out will also sharpen the angle at the southwest corner of the intersection, which should result in slower speeds for eastbound right turning vehicles and provide a safer walking environment for the community.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design began and was completed in Fiscal Year 2009. Construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Willow Elementary School-Safe Route to School / S00740

Council District: 8	Priority Score: 38
Community Plan: San Ysidro	Priority Category: Low
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2006 - 2011	619-533-7482
Improv Type: New	jbatta@sandiego.gov

Description: This project provides for improved pedestrian safety around Willow Elementary School. The scope includes the construction of new sidewalks, curb ramps, and pedestrian countdown timers.

Justification: The area surrounding Willow Elementary School has high automobile, bicycle, and pedestrian injury rates. This project will provide a safer walking environment for both students and members of the community.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2009. Construction was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

38th Street Improvements / S00930

Council District: 3	Priority Score: 81
Community Plan: City Heights	Priority Category: High
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2008 - 2012	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides full street improvements on 38th Street from Dwight Street north to terminus. Improvements will include curb, gutter, driveways, sidewalk, pedestrian ramps, pavement, drainage facilities, angled on-street parking, etc. The improvements will comply with current local, State and federal safety and accessibility codes and regulations.

Justification: Street improvements are needed to comply with the City's design guides for the improvement of public right-of-way.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: The project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

43rd Street Widening / S00845

Council District: 4	Priority Score: 55
Community Plan: Southeastern San Diego	Priority Category: High
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1989 - 2013	619-533-4654
Improv Type: Betterment	apalaseyed@sandiego.gov

Description: This project provides for realigning the intersection at 43rd Street and National Avenue. This project will make necessary traffic enhancements to handle the increased daily traffic associated with the residential, industrial and commercial development of the State Route 252 Corridor (approximately 66 acres).

Justification: This project is a major component in the development of the State Route 252 Corridor within the Southcrest Project. The street currently handles approximately 12,000 weekday trips. Once development on the corridor is complete, the number of trips will increase significantly. The Southeastern San Diego Community Plan recommends improvement to four lanes to handle the current capacity.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Design and land acquisition began in Fiscal Year 2002 and was completed in Fiscal Year 2009. Construction began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Alvarado Canyon Road Realignment / S00894

Council District: 7	Priority Score: 59
Community Plan: Navajo	Priority Category: High
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2006 - 2015	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the realignment of Alvarado Canyon Road from 380 feet east of the Fairmount Avenue and Camino Del Rio North intersection to the Fairmount Avenue and Mission Gorge Road intersection. Improvements for this two-lane collector street will include a structure over the existing concrete drainage channel, removal of some existing pavement, re-grading of affected private parcels and traffic signal modifications.

Justification: This project will improve the traffic flow at the Interstate 8, Fairmount Avenue and Mission Gorge Road interchange.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan. The proposed realignment requires an amendment to the Navajo Community Plan. This proposed change is being processed by the Metropolitan Transit Development Board (MTDB) as part of an amendment to identify the Mission Valley East Light Rail alignment through the corridor.

Schedule: Preliminary engineering began in Fiscal Year 2009 and continued through Fiscal Year 2010. Design began in Fiscal Year 2011. Construction will be scheduled upon identification of funding. Land acquisition will begin when the alignment is defined.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Nassar, Mark
Duration: 2009 - 2019	619-533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: This project provides traffic improvements to the intersection of Balboa Avenue and Hathaway Street, which includes removing and replacing a median, adding an additional left turn lane, traffic signal modifications, and new signing and striping.

Justification: The improvements to the intersection will improve driver and pedestrian safety.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2011. Construction began and was completed in Fiscal Year 2011.

Summary of Project Changes: This project has been completed and will be closed this fiscal year.

Project Status: Created	Contact Information: Palaseyed, Abi
Duration: 2011 - 2013	619-533-4654
Improv Type: New	apalaseyed@sandiego.gov

Description: This project will install a missing section of sidewalk and provide curb ramps on the east side of the street between Kearny Villa Road/Mesa College Drive and Frost Street.

Justification: The project location is a highly used area. One or more Americans with Disabilities Act (ADA) complaints have been received. The improvements are needed for disabled access in the public right-of-way for compliance with current ADA standards.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and in in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012. Construction is scheduled for Fiscal Year 2012.

Bus Stop Improvements / AID00007

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Celniker, Steve
Duration: 2010 - 2020	619-533-3611
Improv Type: Betterment	scelniker@sandiego.gov

Description: This project will provide for the installation of concrete pads in the roadways at bus stops city-wide. The project is funded by the City's share of bus stop advertising revenue. Funding for the project was provided per terms of an agreement with San Diego Metropolitan Transit System in Fiscal Years 2011, 2012 and 2103.

Justification: Asphalt street pavement at bus stops may be damaged by rippling and potholing caused by friction from bus tires when buses decelerate, accelerate or turn. This project provides for replacing asphalt paving at bus stops with concrete pads in the street that better withstand the wear from buses. This extends pavement life and reduces maintenance costs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Construction began in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Cam Del Sur Widening # San Dieguito Rd to Paseo De / RD11003

Council District: 1	Priority Score: N/A
Community Plan: Black Mountain Ranch	Priority Category: N/A
Project Status: Released	Contact Information: Abeyta, Angela
Duration: 2011 - 2012	619-533-3674
Improv Type: Widening	aabeyta@sandiego.gov

Description: Construct the widening of Camino del Sur from its initial two lanes northward from San Dieguito Road to Paseo del Sur as an ultimate four-lane major street. This project also includes a traffic signal at the intersection of Camino del Sur and Del Sur Court located about 300 feet north of the bridge over Lusardi Creek.

Justification: This facility is required to accommodate traffic generated by new development in Black Mountain Ranch and surrounding communities as well as existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation and Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Construction will start in Fiscal Year 2012. Reimbursement is scheduled for Fiscal Year 2012.

Summary of Project Changes: This is a newly publish project for Fiscal Year 2012.

Project Status: Released	Contact Information: Abeyta, Angela
Duration: 2011 - 2012	619-533-3674
Improv Type: New	aabeyta@sandiego.gov

Description: Design and construct a four-lane major roadway within a six-lane right-of-way. The project will be built in two phases. The first phase consists of the two northerly lanes between Bernardo Lakes Drive and Lone Quail Road that have been built as a subdivider improvement. The second phase consists of design and construction of the southerly two lanes and the median from Bernardo Lakes Drive to Lone Quail Road.

Justification: This facility is required to accommodate traffic generated by new development in Black Mountain Ranch and surrounding communities as well as existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Construction is scheduled to start in Fiscal Year 2012. Reimbursement is anticipated in Fiscal Year 2013.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Camino Del Sur-SR 56 to Carmel Valley Road / S00899

Council District: 1	Priority Score: N/A
Community Plan: Torrey Highlands	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 2003 - 2014	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for the construction of Camino del Sur between State Route 56 and Carmel Valley Road as a two-lane interim roadway (40-foot paved width) within the right-of-way for a future six-lane facility. Additional lanes may be required in the immediate vicinity of the interchange. This project will be constructed by the developer who will be reimbursed.

Justification: This project will accommodate the increase in vehicular traffic caused by development in the area and is funded by development within Torrey Highlands.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and is in conformance with the City's General Plan. See Projects T2.1 and T2.2 in the Torrey Highlands Ranch Financing Plan.

Schedule: The initial four lanes of this project are complete and reimbursement to the developer is pending, contingent upon fees collected within the community and an amendment to the original reimbursement agreement. The final two lanes of the project within the six lane right-of-way are tentatively scheduled for Fiscal Year 2014 dependent upon the rate of development within the community.

Summary of Project Changes: Black Mountain Ranch Facilities Benefit Assessment funding will fund the cost of the final two lanes contingent upon fees collected within Black Mountain Ranch FBA.

Camino Ruiz from n/o of Reagan to Jade Coast / S01018

Council District: 5	Priority Score: N/A
Community Plan: Mira Mesa	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 1990 - 2013	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for widening Camino Ruiz from Gold Coast Drive to the east leg of Jade Coast Road and from the northern most boundaries of Miralani Business Park to Miramar Road, widening Camino Ruiz to a modified six-lane major street/primary arterial. The project includes Class II bike lanes between Mira Mesa Boulevard and Gold Coast Drive and within the project limits.

Justification: Widening this portion of Camino Ruiz will accommodate increased vehicular traffic generated by the Mira Mesa Community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I has been completed. Phase II will be created as a new project.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Camino Santa Fe-Del Mar Mesa Road to SR 56 / S00898

Council District: 1	Priority Score: N/A
Community Plan: Del Mar Mesa	Priority Category: N/A
Project Status: Technically completed	Contact Information: Tracanna, John
Duration: 2004 - 2010	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides construction of Little McGonigle Ranch Road and will be completed in two phases. Phase I has been completed for the construction of Little McGonigle Ranch Road (formerly Camino Santa Fe) (45'/65') from the northerly terminus of Carmel Mountain Road at Del Vino Court, north-westerly to the easterly terminus of Del Mar Mesa Road. The project includes a multi-use trail adjacent to the roadway. Phase II provides for the construction of Little McGonigle Ranch Road (40'/62') from Del Mar Mesa Road to State Route 56. The project will include a 100-foot bridge. A multi-use trail will also be constructed adjacent to the roadway.

Justification: This project is required to accommodate additional traffic in Del Mar Mesa and will provide access from Del Mar Mesa to adjoining communities.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition, design and construction were completed by the developer for the Phase I. Phase II improvements are not anticipated for several years and will be contingent upon the availability of FBA funding.; thus a new project will be created for phase II.

Summary of Project Changes: Phase I of this project has been completed and will be closed by the end of the fiscal year.

Description: This project provides for the construction of Camino del Sur (formerly Camino Ruiz) as a four-lane major street with Class II bicycle lanes from SR-56 to 1,600 feet north of Park Village Road.

Justification: Camino del Sur is the major street connecting the southwest corner of Rancho Penasquitos to the future Carmel Mountain Road extension and to State Route 56. This street is required to accommodate traffic generated in Rancho Penasquitos, Torrey Highlands and surrounding communities.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: The Torrey Highlands Public Facilities Financing Plan was approved by City Council Resolution R-304935 on June 2, 2009 authorizing the appropriation of \$4,036,000 in the project. The project is also consistent with the Rancho Penasquitos Community Plan, and Torrey Highlands Subarea Plan, projects T31A, 32A, 31B and 32B and is in conformance with the City's General Plan.

Schedule: The Environmental Impact Report was completed in Fiscal Year 2006. Design is scheduled to begin in Fiscal Year 2012 contingent on funds being available. Construction is scheduled to occur in Fiscal Year 2017

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Camino del Sur-San Dieguito Rd to Carmel Valley Rd / S00710

Council District: 1	Priority Score: N/A
Community Plan: Black Mountain Ranch, Torrey Highlands	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 2008 - 2010	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for reimbursement to a developer for the design and construction of Camino del Sur between San Dieguito Road south to Carmel Valley Road as a two-lane interim facility within a six-lane right-of-way. It also provides a wildlife crossing, traffic signals and intersection widening at San Dieguito Road, B Street and Carmel Valley Road. A second phase of the project will construct two additional lanes on Camino del Sur from San Dieguito Road southward to Carmel Valley Road and modify the traffic signals accordingly.

Justification: This project is in accordance with projects T-10 in the Black Mountain Ranch Public Facilities Financing Plan, Council Resolution R-301005, November 1, 2005, and Project T-2.4 of the Torrey Highlands Public Facilities Financing Plan, Council Resolution 304935, June 2, 2009.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch and Torrey Highlands Subarea Plans and the Torrey Highlands Public Facilities Financing Plan, and is in conformance with the City's General Plan.

Schedule: Phase I of this project was completed in Fiscal Year 2002, with reimbursement to developer ongoing, per the terms of an existing reimbursement agreement. A portion of Phase II was completed in Fiscal Year 2004. The remainder of Phase II construction began in Fiscal Year 2011.

Summary of Project Changes: It is proposed to allocate \$5,556,500 in anticipated funds to this project for Fiscal Year 2012.

Carmel Mountain Road to Del Mar Mesa Road / S00846

Council District: 1	Priority Score: N/A
Community Plan: Del Mar Mesa	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 2003 - 2011	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for the construction of Carmel Mountain Road as a two-lane collector street from the Carmel Valley Neighborhood easterly boundary to Little McGonigle Ranch Road (formerly Del Mar Mesa Road). The 4,050 linear feet of half-width road (FBA funded) which traverses open space will be 40-foot/62-foot. Also included as part of this project is a wildlife crossing under Carmel Mountain Road. The remainder (sub-divider funded) will be both 40-foot/62-foot and 50-foot/72-foot and will include left-turn lanes at intersections and major driveways as needed. A multi-use trail will be constructed as part of this project along the entire project length.

Justification: This project is required to accommodate the additional traffic generated as a result of development in Del Mar Mesa.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific (Community) Plan and is in conformance with the City's General Plan.

Schedule: Project design and construction is to be completed by developer in accordance with a future Reimbursement Agreement (RA). The RA is anticipated to be completed during Fiscal Year 2012 with work moving forward shortly after.

Summary of Project Changes: Fiscal Year 2011 anticipated revenues have not been realized, therefore anticipated funding will carry over to Fiscal Year 2012.

Carmel Valley Rd-Lopelia Meadows to Via Abertura / S00934

Council District: 1	Priority Score: 46
Community Plan: Pacific Highlands Ranch	Priority Category: Medium
Project Status: Released	Contact Information: Tracanna, John
Duration: 2008 - 2015	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for reimbursement to a developer for the design and construction of Carmel Valley Road from Lopelia Meadows place to Via Abertura as a four-lane facility within a 122 foot right-of-way that can accommodate six lanes in the future (Approx. 3,600 LF).

Justification: This project is in accordance with the Pacific Highlands Ranch Public Facilities Financing Plan, Project T-4.4. Companion Projects T-4.2 and T-4.3 for the other phases of this project.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I completion is scheduled for Fiscal Year 2012, if Pardee agrees to advance funding and will be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment (FBA) under the terms of a reimbursement agreement. Reimbursement to the developer is programmed for Fiscal Year 2015. Subsequent phases are anticipated with adjacent subdivision development estimated to occur in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Carmel Valley Rd-Via Albutura to Camino Del Sur / S00854

Council District: 1	Priority Score: 55
Community Plan: Torrey Highlands	Priority Category: High
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2003 - 2011	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for the design and construction of two additional travel lanes in two increments. The first increment requires the widening along the frontage of Torrey Del Mar development. The second increment completes the remainder of the widening. Timing of each increment of widening will be based on the rate of development in Torrey Highlands.

Justification: This facility is required to accommodate traffic generated by new development in Black Mountain Ranch, Torrey Highlands and surrounding communities as well as existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and is in conformance with the City's General Plan. See project T4.3 in the Torrey Highlands Public Facilities Financing Plan.

Schedule: Initial lanes have been completed. Widening to be completed by the developer per terms of the reimbursement agreement. The Reimbursement Agreement is anticipated to be completed in Fiscal Year 2012 with work to begin shortly after.

Summary of Project Changes: Fiscal Year 2011 anticipated revenues have not been realized, therefore anticipated funding will carry over to Fiscal Year 2012.

Carmel Valley Road 4/6 Lanes s/o of Street A / S00900

Council District: 1	Priority Score: N/A
Community Plan: Torrey Highlands, Pacific Highlands Ranch	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 2004 - 2010	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for the design and construction of Carmel Valley Road from the Camino Santa Fe Interchange to Pacific Highlands Ranch Parkway as a six-lane facility within a 146 foot right-of-way transitioning to a four-lane facility within a 122 foot right-of-way (4,000 linear feet). The expanded right-of-way will permit widening of up to 24 additional feet for a future transit oriented facility. In the interim, these two-lanes shall be landscaped and incorporated into the center median improvements.

Justification: Due to anticipated traffic volumes on Carmel Valley Road, the portion between SR-56 and Del Mar Heights Road will be constructed as a six lane facility, in two phases, as required by the Transportation Phasing. See Project T- 4.2 and Torrey Highlands Public Facilities Financing Plan Project T- 4.5.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch and Torrey Highlands Public Facilities Financing Plans and is in conformance with the City's General Plan.

Schedule: The developer (Pardee) provided advanced funding for this project and will be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment under the terms of a reimbursement agreement.

Summary of Project Changes: Fiscal Year 2011 anticipated revenues have not been realized, therefore anticipated funding will carry over to Fiscal Year 2012 (anticipated).

Carmel Valley Road-Street A to Neighborhood Pky / S00906

Council District: 1	Priority Score: N/A
Community Plan: Pacific Highlands Ranch	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 2005 - 2010	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for design and construction of Carmel Valley Road from A-Street to the Neighborhood Parkway as a four-lane facility within a 122 foot right-of-way that can accommodate six lanes in the future. The two internal lanes will be left unimproved for future expansion to accommodate six lanes of traffic or another transit oriented facility. In the interim, these two lanes shall be landscaped and incorporated into the center median improvements. This section of Carmel Valley Road includes the pedestrian undercrossing at the Neighborhood Parkway. See Project T-4.3 in the Pacific Highlands Ranch Public Facilities Financing Plan. This project will be built by the developer who will be reimbursed.

Justification: Due to anticipated traffic volumes on Carmel Valley Road, the section between A-Street and Neighborhood Parkway will be constructed as a four-lane facility that can be expanded to six lanes in the future.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Reimbursement to the developer will be made in accordance with the existing reimbursement agreement. This project is complete.

Summary of Project Changes: Fiscal Year 2011 anticipated revenues have not been realized, therefore anticipated funding will carry over to Fiscal Year 2012 (anticipated).

Carroll Canyon Rd-I-15 to Maya Linda Rd / S01019

Council District: 5	Priority Score: N/A
Community Plan: Mira Mesa	Priority Category: N/A
Project Status: Technically completed	Contact Information: McKee, Jerry
Duration: 1992 - 2015	619-533-3095
Improv Type: New	jmckee@sandiego.gov

Description: This project provides for widening the south side of Carroll Canyon Road from Interstate 15 to 150 feet east of Maya Linda Road in order to provide a right-turn lane with a Class II bike lane. See Project Number 7A in the Mira Mesa Public Facilities Financing Plan.

Justification: Due to growth in the community, increases to traffic volumes will require an exclusive right-turn lane to maintain and improve service levels for I-15 at Carroll Canyon Road.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary engineering was completed in Fiscal Year 2009. This project has been cancelled and will be closed by the end of the fiscal year. Project funding will be returned to the fund for reallocation.

Summary of Project Changes: This project has been cancelled and will be closed by the end of the fiscal year.

Project Status: Released	Contact Information: Johnson, Brad
Duration: 1998 - 2011	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provided for debt service related to TransNet Bond funded projects (previously managed by the Engineering and Capital Projects Department).

Justification: Debt service payments for prior TransNet Bond issuances were required annually. This project reflects completely paid debt service payment requirements stemming from prior year issuances.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: No further debt service payment activity is expected for this project.

Summary of Project Changes: Project will be closed this fiscal year.

Project Status: Technically completed	Contact Information: Tracanna, John
Duration: 1992 - 2011	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for developer reimbursement, contingent upon approval of a reimbursement agreement, for the half-width improvement of Del Mar Heights Road north to Ashley Falls Neighborhood Park to a six-lane major arterial with Class II bike lanes.

Justification: The developer was required to build this road and will be reimbursed from Facilities Benefit Assessment funding by agreement. See Project Number T-6 in the Carmel Valley Public Facilities Financing Plan.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: This project was constructed in prior years by the developer and reimbursement was scheduled for Fiscal Year 2010 contingent upon approval of the Reimbursement Agreement.

Summary of Project Changes: The project costs have been fully reimbursed to developer and project will be closed this fiscal year.

Del Mar Heights Road-4/6 Lanes / S00903

Council District: 1	Priority Score: N/A
Community Plan: Pacific Highlands Ranch	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 2003 - 2012	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for construction of Del Mar Heights Road from Old Carmel Valley Road to the new alignment of Carmel Valley Road as a modified five-lane roadway within a 122 foot right-of-way for a future six-lane facility. The project includes an eastbound third lane as the roadway approaches Carmel Valley Road. This project includes the bridge crossing over the open space corridor. This is the second phase of the project and will provide local access to the central area of development. The developer will advance funding for this project and be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment under the terms of a reimbursement agreement.

Justification: This facility is required to accommodate traffic being generated by new development in Pacific Highlands Ranch as well as by existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan (Project T-3.2) and is in conformance with the City's General Plan.

Schedule: Construction of the project is complete. Reimbursements to the developer will continue through Fiscal Year 2012.

Summary of Project Changes: Fiscal Year 2011 anticipated revenues have not been realized, therefore anticipated funding will carry over to Fiscal Year 2012 (anticipated).

Del Mar Mesa Public Facilities / S00893

Council District: 1	Priority Score: N/A
Community Plan: Del Mar Mesa	Priority Category: N/A
Project Status: Technically completed	Contact Information: Tracanna, John
Duration: 2001 - 2010	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for the construction of Del Mar Mesa Road as a two-lane rural residential road from Carmel Country Road to the future Carmel Mountain Road. The improvements also include a 16-inch water line and a multi-use trail. This roadway will provide access to the east until other road improvements are in place. This project was formerly named Shaw Ridge Road. This project will be constructed by three developers under three separate reimbursement agreements.

Justification: This project is required to accommodate the additional traffic generated as a result of development in Del Mar Mesa. See Project Number 43-3 in the Del Mar Mesa Public Facilities Financing Plan.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: This project was constructed by developers in Fiscal Years 1999 through 2003. Reimbursements were made from the Del Mar Mesa Facilities Benefit Assessment fund as scheduled in the Public Facilities Financing Plan.

Summary of Project Changes: The project costs have been fully reimbursed to developers and project will be closed by end of fiscal year.

Transportation & Storm Water

Trans - Roadway

Del Sol Boulevard-Central / S00858

Council District: 8	Priority Score: 51
Community Plan: Otay Mesa	Priority Category: Medium
Project Status: Released	Contact Information: Nassar, Mark
Duration: 2004 - 2012	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for construction of the central section of Del Sol Boulevard from the eastern boundary of Palm Ridge through the Multiple Species Conservation Program (MSCP) open space, and along the frontage of the proposed community park, elementary and middle school site. The roadway will consist of 800 linear feet of a two-lane collector and 2,000 linear feet of a four-lane collector street.

Justification: The transportation element of the Otay Mesa Community Plan suggests that an integrated transportation network will provide mobility and accessibility for the residents and business travelers to, from and through the community. See companion projects T-4.1 and T-4.2 in the Otay Mesa Public Facilities Financing Plan.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I will be constructed by the San Ysidro School District through an Facilities Benefit Assessment Reimbursement Agreement. Phase I will construct approximately 1,000 linear feet of new road along the frontage of a new school. Phase II will be designed and constructed by the City to complete the connection from Phase I to the existing westerly terminus. Design began in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Created	Contact Information: January, Frank
Duration: 2010 - 2013	619-533-3699
Improv Type: New	fjanuary@sandiego.gov

Description: This project provides for constructing approximately 2,900 linear feet as a two-lane collector street north of Palm Avenue within the Dennerly Ranch Precise Plan area. Multiple Species Conservation Program frontage is to be funded from Facilities Benefit Assessment.

Justification: This project is required to accommodate the additional traffic generated as a result of development in the Otay Mesa community.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction have been completed. Reimbursements are anticipated to the developer.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Eastgate Mall-Towne Centre to Miramar Road / S00848

Council District: 1	Priority Score: 36
Community Plan: University	Priority Category: Low
Project Status: Released	Contact Information: Marabian, Linda
Duration: 1992 - 2014	619-533-3082
Improv Type: New	lmarabian@sandiego.gov

Description: This project provides for widening Eastgate Mall to a four-lane collector street between Miramar Road and the San Diego Gas and Electric (SDG&E) easement. In addition, this project provides for Class II bicycle lanes.

Justification: These improvements will enhance traffic flow at this location. See project Number 34 in the North University City Public Facilities Financing Plan.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: The project description is preliminary and the scope of work is not established; only planning and other preliminary activities have been performed to date. The project schedule for the design and construction will be established once the scope of work is approved.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

El Camino Real Widening / S00916

Council District: 1	Priority Score: N/A
Community Plan: Pacific Highlands Ranch, Black Mountain Ranch	Priority Category: N/A
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2007 - 2014	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for completion of the construction of the existing El Camino Real between Half Mile Drive and San Dieguito Road as a four-lane major street within the existing, graded right-of-way.

Justification: This project is required in order to accommodate the additional traffic generated as a result of development in the surrounding communities, including Pacific Highlands Ranch, as well as the existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch and Black Mountain Ranch Public Facilities Financing Plans and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2011.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Euclid Avenue & Home Improvements / S00886

Council District: 3, 7	Priority Score: N/A
Community Plan: Normal Heights (Mid-City)	Priority Category: N/A
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2002 - 2011	619-533-7482
Improv Type: New	jbatta@sandiego.gov

Description: This project provides for the completion of street improvements recommended in the Euclid Avenue Revitalization Program and the Mid-City Community Plan. Improvements will extend from Home Avenue to Thorn Street and will include curb, gutter, sidewalk, paving, and traffic calming installations.

Justification: Euclid Avenue carries a traffic volume in excess of its design capacity, resulting in significant congestion, which impacts neighboring properties. Traffic speed, volume, and a deficiency in pedestrian infrastructure compromise pedestrian safety.

Operating Budget Impact: Maintenance will be the responsibility of the landscape maintenance assessment district.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Normal Heights Community Plan and is in conformance with the City's General Plan.

Schedule: This project is anticipated to be completed with landscaping in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Euclid Avenue Corridor Improvements / S00904

Council District: 3, 7	Priority Score: N/A
Community Plan: Eastern Area (Mid-City)	Priority Category: N/A
Project Status: Technically completed	Contact Information: Johnson, Brad
Duration: 2006 - 2014	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides improvements on Euclid Avenue from 300 feet north of Redwood Street to El Cajon Boulevard and will include curb, gutter, sidewalk, curb ramps, landscaping, roadway restoration, striping, and traffic calming installations.

Justification: Euclid Avenue carries a traffic volume in excess of its design capacity, resulting in significant congestion, which impacts neighboring properties. Traffic speed, volume, and deficiency in pedestrian infrastructure compromise pedestrian safety.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project implements the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: This project was removed from the Regional Transportation Improvement Program per City Council approval (R-303851).

Summary of Project Changes: This project has been cancelled and will be closed by the end of the fiscal year.

Five Year CIP Planning / AID00003

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Marabian, Linda
Duration: 2010 - 2020	619-533-3082
Improv Type: Betterment	lmarabian@sandiego.gov

Description: This annual allocation provides funding for the planning and preliminary design work for potential future transportation projects submitted by City Council, City departments, constituents, and other agencies.

Justification: This project funds required work by City staff to evaluate, plan and perform preliminary design as requested.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: TransNet funding has been allocated to this project through Fiscal Year 2015.

Project Status: Technically completed	Contact Information: Johnson, Brad
Duration: 1991 - 2011	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for widening Genesee Avenue to a modified six-lane primary arterial from Interstate 5 to Campus Point Drive. The total project length is approximately 2,500 feet with Class II bicycle lanes. A separate project (S-00839) is scheduled to redesign the freeway interchange and widen Genesee Avenue at Interstate 5.

Justification: This project is needed to improve traffic flow and is included in the Council-approved North University City Community Financing Plan and Facilities Benefit Assessment Document.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Hillery Drive Improvements / S11064

Council District: 5	Priority Score: N/A
Community Plan: Mira Mesa	Priority Category: N/A
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2012 - 2014	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project will provide for the widening of Hillery Drive and traffic calming projects on adjacent streets.

Justification: Caltrans is completing a High Occupancy/Transit freeway lanes project in the middle of I-15, with a Direct Access Ramp (DAR) onto Hillery Drive to serve the Mira Mesa community. Traffic mitigation is required as part of this project.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Hollister Street Widening / S00980

Council District: 8	Priority Score: N/A
Community Plan: Otay Mesa - Nestor	Priority Category: N/A
Project Status: Released	Contact Information: Marabian, Linda
Duration: 2009 - 2012	619-533-3082
Improv Type: Widening	lmarabian@sandiego.gov

Description: This project provides for improvements to the west side of the 900 block of Hollister Street. Improvements include new curb, gutter, sidewalk, and asphalt pavement.

Justification: The project addresses the need for adequate drainage and pedestrian accessibility.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Otay Mesa/Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: This project was cancelled because it was determined that the new curb, gutter and sidewalk required placement in the ultimate location which meant widening the street and causing significant conflicts with the existing mobile home park and church facility. These issues substantially increased the cost of the project with no additional funding available.

Summary of Project Changes: This project has been cancelled and will be closed by the end of the fiscal year.

I-5 / SR-56 Fiberoptic Relocation / S00708

Council District: 1	Priority Score: N/A
Community Plan: Carmel Valley	Priority Category: N/A
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2004 - 2013	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: The Interstate 5/State Route 56 Fiber Optic Relocation project will abandon an existing fiber optic cable alignment adjacent and parallel to Interstate 5 between Carmel Valley Road and Del Mar Heights Road and will relocate the utility to the east of the existing alignment and into the public right of way.

Justification: The relocation is necessary to accommodate the future road widening of Interstate 5 that would affect the existing utility alignment.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Construction is schedule to begin in Fisac Year 2012 and will be completed in Fiscal Year 2013.

Summary of Project Changes: Caltrans will be utilizing federal funds for the construction of the project.

I-5 to SR-56 Freeway Connectors / S00707

Council District: 1	Priority Score: N/A
Community Plan: Carmel Valley	Priority Category: N/A
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2003 - 2016	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the preparation of a project report and environmental document (PR/ED) for northerly connections of the Interstate 5 and State Route 56 freeways. Alternatives under consideration include direct freeway to freeway connectors from westbound State Route 56 to northbound Interstate 5 and southbound Interstate 5 to eastbound State Route 56, an auxiliary lane alternative which proposes providing operational improvements on Interstate 5 between Del Mar Heights Road and Carmel Valley Road, on Carmel Valley Road between Interstate 5 and State Route 56 and on State Route 56 west of Carmel Country Road. The third alternative includes the direct freeway connectors from westbound State Route 56 to northbound Interstate 5 and the auxiliary lane alternative improvements on southbound Interstate 5, eastbound Carmel Valley Road and eastbound State Route 56.

Justification: State Route 56 opened to traffic in July 2004 and provides a new east/west connection between Interstates 5 and 15. This will introduce a significantly new volume of traffic to the Interstate 5 corridor in Carmel Valley, some of which will need to go to or from the north. This project will provide the improvements necessary to make these moves most efficiently and avoid the heavy use of local streets.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plans and is in conformance with the City's General Plan.

Schedule: Preparation of the project report and environmental determination began in Fiscal Year 2004 and is scheduled to be completed in Fiscal Year 2012. Design and construction will be scheduled following completion of the prior phases.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

I-805/Home Avenue Ramp Improvements / S11042

Council District: 4	Priority Score: 27
Community Plan: Mid-City: Eastern Area	Priority Category: Low
Project Status: Created	Contact Information: Pazargadi, Siavash
Duration: 2011 - 2013	619-533-3757
Improv Type: Widening	spazargadi@sandiego.gov

Description: This project provides for widening the westbound approach on Home Avenue by narrowing and relocating the median to provide two left turn lanes onto Interstate 805 south/South Route 94 east on ramp and two through lanes.

Justification: This project will improve safety by allowing additional capacity through this intersection.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City Community Plan, the City Heights Facilities Financing Plan, and is in conformance with the City's General Plan.

Schedule: City staff updated capacity level-of-service analysis, developed a scope of work and cost work in Fiscal Year 2011. Further discussion with Caltrans will determine the appropriate permitting process to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Interstate 15 Improvements / S00931

Council District: 1	Priority Score: 35
Community Plan: Black Mountain Ranch	Priority Category: Low
Project Status: Released	Contact Information: Tracanna, John
Duration: 2008 - 2015	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project involved the design and construction of capacity improvements on the I-15 freeway between SR-56 and the northern City of San Diego limits near Lake Hodges which included auxiliary lanes, HOV lanes, managed lanes and widening of the northbound bridge over Lake Hodges.

Justification: This project is in accordance with the Black Mountain Ranch Public Facilities Financing Plan, Project T-55, Council Resolution R-301005, November 1, 2005.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: This project was completed by CALTRANS in Fiscal Year 2009 using City, State, and Federal freeway construction funds. Black Mountain Ranch, LLC. provided CALTRANS a fair share of the funding in the amount of \$7,150,000 in Fiscal Year 2007, which was in turn reimbursed from the Black Mountain Ranch Facilities Benefit Assessment (FBA).

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Juan Street Concrete Street / S00602

Council District: 2	Priority Score: 73
Community Plan: Old San Diego, Uptown	Priority Category: High
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2010 - 2020	619-533-4654
Improv Type: Replacement	apalaseyed@sandiego.gov

Description: This project provides for the replacement of the existing concrete pavement, curb, gutter and sidewalk on Juan Street from Taylor Street to Sunset Road. It is proposed to do the reconstruction work in two phases. Phase I (Taylor Street to Harney Street) will provide new asphalt cement and cement treated base pavement. Phase II (Harney Street to Sunset Road) will provide new Portland cement concrete pavement.

Justification: This project is needed to reconstruct the roadway due to deterioration of the existing roadway. This project location is one of the lowest rated non-residential concrete streets within the City based on Overall Condition Index (OCI) rating.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Old San Diego and Uptown Community Plans and is in conformance with the City's General Plan.

Schedule: Design and Environmental Document began in Fiscal Year 2010 and is scheduled to be completed in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2012 and be completed in Fiscal Year 2013.

Summary of Project Changes: \$1,468,369 of TransNet funding has been allocated to this project for Fiscal Year 2012.

Judicial Drive-Golden Haven to Eastgate Mall / S00879

Council District: 1	Priority Score: N/A
Community Plan: University	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 2000 - 2011	619-533-3682
Improv Type: New	jtracanna@sanidiego.gov

Description: This project provides for constructing Judicial Drive from Golden Haven Drive to Eastgate Mall as a four-lane major street, including an undercrossing at La Jolla Village Drive. The undercrossing will be funded by Facilities Benefit Assessment (FBA) funding.

Justification: This project is needed to improve traffic flow, and it is included in the Council-approved North University City Community Financing Plan and Facilities Benefit Assessment Document. See Project Number 33 in the North University City Public Facilities Financing Plan.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in October of 2002 and was completed in December of 2003. Construction began in May of 2005 and was completed in September of 2006.

Summary of Project Changes: The project has been completed and will be closed by the end of the fiscal year.

Kearny Mesa Community Sign / S10044

Council District: 6	Priority Score: 21
Community Plan: Kearny Mesa	Priority Category: Low
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2009 - 2019	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the installation of community signs in Kearny Mesa.

Justification: The project is funded by a State contribution agreement as part of the relinquishment of State Route 274 to the City of San Diego and was requested by Council District 6.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011. Construction schedule is to be determined.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

La Jolla Mesa Vista Project UUD / S00695

Council District: 1	Priority Score: N/A
Community Plan: Torrey Pines	Priority Category: N/A
Project Status: Released	Contact Information: Reyes, Mario
Duration: 2004 - 2012	619-533-7426
Improv Type: Replacement	mreyes@sandiego.com

Description: This project coordinates, establishes and administers an Undergrounding Utility District for the La Jolla Mesa Vista area. The La Jolla Mesa Vista Underground Utility Assessment District No. 4098 outlines a process for SDG&E, AT&T and the cable companies to underground their facilities while installing new streetlighting and restoring roadway surfaces. Construction costs for undergrounding are paid by the utility companies in accordance with Public Utilities Commission Decisions 73078, 820118 and Case 8209

Justification: The California Public Utilities Commission (CPUC) Rule 20A mandates that local utility companies allocate funding for the undergrounding of their respective utility services at the direction of the local municipality. The City of San Diego must provide the necessary administrative expenses, conversion of City-owned streetlighting, and resurfacing of roadways associated with the undergrounding purpose.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines community plan and is in conformance with the City's General Plan.

Schedule: This project's Underground Utility Assessment District (No. 4098) was established in Fiscal Year 2008 and will continue to be active until all remaining deliverables are resolved on a priority basis or determined to be complete. If determined to be complete, this project will be closed by the end of the fiscal year.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2012.

Linda Vista Rd at Genesee Intersection Improvement / S00907

Council District: 6	Priority Score: 52
Community Plan: Linda Vista	Priority Category: Medium
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2006 - 2011	619-533-5120
Improv Type: Widening	bjohnson@sandiego.gov

Description: This project provides for lengthening the Genesee Avenue westbound left-turn lanes to 300 feet of vehicle storage and re-striping Genesee Avenue to provide an exclusive eastbound right-turn lane. It will also widen Linda Vista Road to provide an exclusive northbound right-turn lane.

Justification: This project will improve the traffic flow through the intersection.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Schedule: The project description is preliminary and the scope of work is not established; only planning and other preliminary activities have been performed to date. The project schedule for design and construction will be established once the scope of work is approved.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Miramar Road-Interstate 805 Easterly Ramps / S00880

Council District: 5	Priority Score: 71
Community Plan: University	Priority Category: High
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2001 - 2012	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project provides for widening Miramar Road to eight lanes from the Interstate 805 easterly on and off-ramps to 300 feet east of Eastgate Mall. It includes dual left-turn lanes at Eastgate Mall. Phase I work consists of the construction of road improvements west of Eastgate Mall. Phase II improvements would construct a right turn only lane on westbound Miramar Road approaching Eastgate Mall.

Justification: This project is needed to improve traffic flow, and is included in the Council approved North University City Community Plan and Facilities Benefit Assessment Document per the North University City Public Facilities Financing Plan - Project 50.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I has been completed. Phase II Right of Way acquisition is scheduled for Fiscal Year 2011 and construction will be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Napa Street from Linda Vista Rd to Morena Blvd / S00849

Council District: 6	Priority Score: 55
Community Plan: Linda Vista	Priority Category: High
Project Status: Released	Contact Information: Nassar, Mark
Duration: 1999 - 2010	619-533-3172
Improv Type: New	mnassar@sandiego.gov

Description: This project provides for improved traffic flow at the Napa Street/Linda Vista Road intersection.

Justification: Napa Street is classified as a major street in the Linda Vista Community Plan. Current traffic volumes in excess of 19,000 average daily trips are beyond the desirable capacity of the existing facility. The proposed design would eliminate congestion.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Schedule: The project description is preliminary and the scope of work is not established; only planning and other preliminary activities have been performed to date. The project schedule for the design and construction will be established once the scope of work is approved and the remaining funding identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

New Developments / AID00009

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Tracanna, John
Duration: 2010 - 2020	619-533-3682
Improv Type: Betterment	jtracanna@sandiego.gov

Description: This annual allocation provides for street and utility improvements along City-owned land and in other situations where it is desired to have an adjoining developer install such improvements and be reimbursed by the City.

Justification: The City is required to improve the right-of-way alongside its property, as must all property owners. The City Council may determine that it is more economical to have such work done by an adjoining developer rather than by a separate City contract.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis and is dependent upon the work program of the developer.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

New Heritage Road (Otay Valley Road)-Central / S00876

Council District: 8	Priority Score: N/A
Community Plan: Otay Mesa	Priority Category: N/A
Project Status: Technically completed	Contact Information: Tracanna, John
Duration: 2000 - 2011	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for realigning a portion of the existing two-lane roadway by a private developer as an interim improvement. This work will be completed by an adjacent private developer and be reimbursed through Facilities Benefit Assessment credits.

Justification: The transportation element of the Otay Mesa Community Plan suggests that an integrated transportation network will provide mobility, accessibility and safety for the residents and businesses traveling to, from, and through the community. See Project Number T-21.3i in the Otay Mesa Public Facilities Financing Plan.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2000 and was completed in Fiscal Year 2002. Construction began in Fiscal Year 2002 and was completed in Fiscal Year 2004.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Nobel Drive / I-805 Interchange / S00709

Council District: 1	Priority Score: N/A
Community Plan: University	Priority Category: N/A
Project Status: Technically completed	Contact Information: Palaseyed, Abi
Duration: 1987 - 2011	619-533-4654
Improv Type: New	apalaseyed@sandiego.gov

Description: This project provides for construction of Nobel Drive as a six-lane primary arterial from Shoreline Drive to Interstate 805, and as a four-lane major street from Interstate 805 to Miramar Road. It includes construction of one-half of a diamond interchange with ramps to and from the south at Nobel Drive and Interstate 805. The new overcrossing will provide four through-lanes plus dual left-turn lanes, bike lanes, and sidewalk on both sides. Two traffic signals will be constructed at both ramp terminals with Nobel Drive. Auxiliary lanes will be constructed on Interstate 805 from north of Governor Drive to Nobel Drive. The existing bridge over the AT&SF railroad tracks will be widened to accommodate these two additional auxiliary lanes on Interstate 805.

Justification: This project will improve traffic circulation in the University Community. See Project Number 21 in the North University City Public Facilities Financing Plan.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 1998 and was completed in Fiscal Year 2000. Construction began in Fiscal Year 2000 was completed in Fiscal Year 2002. A five year plant establishment period followed. This project is now complete.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

North Torrey Pines Road at Genesee Avenue / S00720

Council District: 1	Priority Score: N/A
Community Plan: University	Priority Category: N/A
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1992 - 2010	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the reconstruction of Genesee Avenue at Torrey Pines Road and John Jay Hopkins Drive. The proposed changes include rebuilding the intersection of Genesee Avenue/North Torrey Pines Road, widening Genesee Avenue and North Torrey Pines Road north of Genesee Avenue to a six-lane primary arterial, and widening North Torrey Pines Road south of Genesee Avenue to a six-lane major street. The limits of the widening are easterly to John Jay Hopkins Drive, southerly to Torrey Pines Scenic Drive and to 500 feet north of the North Torrey Pines Road/Genesee Avenue intersection. This project also provides for Class II bicycle lanes. See Project Number E in the North University City Public Facilities Financing Plan.

Justification: This project will improve sight distance through the intersection and provide additional left turn storage capacity on Genesee Avenue at John Jay Hopkins Drive and University of California entrance.

Operating Budget Impact: The operating and maintenance funding for this project is included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines and Community Plan and the City's General Plan Guidelines.

Schedule: Design was scheduled in Fiscal Year 1992. Land acquisition was scheduled to begin in Fiscal Year 1992. Construction was scheduled to begin in Fiscal Year 1993 and be completed in Fiscal Year 1994. This project was reinstated in Fiscal Year 2004 to reflect budget and funding adjustments. All work associated with this project was complete in Fiscal Year 2006.

Summary of Project Changes: This project completion is pending easement acquisition.

Ocean Beach Commercial Revitalization Newport Ave / S01077

Council District: 1	Priority Score: N/A
Community Plan: Ocean Beach	Priority Category: N/A
Project Status: Technically completed	Contact Information: McKee, Jerry
Duration: 2004 - 2012	619-533-3095
Improv Type: Betterment	jmckee@sandiego.gov

Description: This project provides for phased design and construction of drainage improvements, street grinding and resurfacing, installation of concrete gutters, additional surface drain inlets, enhanced crosswalks, curb pop-outs, hardscaping and tree planting along Newport Avenue from Sunset Cliffs Boulevard to Abbott Street.

Justification: The proposed improvements are necessary to satisfy the Americans with Disabilities Act (ADA) requirements by bringing the street surface areas up to standard.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2011.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Ocean View Hills Parkway / S00882

Council District: 8	Priority Score: N/A
Community Plan: Otay Mesa	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 2000 - 2011	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for reimbursing the developer for the City's share of the design and construction of Ocean View Hills Parkway (Phases II and III) from Dennerly Road to Otay Mesa Road. The project includes approximately 5,200 lineal feet of a four-lane major street and 4,900 lineal feet of a six-lane major street. See projects T2.1, T2.2 and T2.3 in the Otay Mesa Public Facilities Financing Plan.

Justification: The transportation element of the Otay Mesa Community Plan recommends that an integrated transportation network will provide mobility, accessibility and safety for the residences and businesses traveling to, from and through the community.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Phases I and II were completed in previous years with reimbursements to date. Phase III design began and was completed in Fiscal Year 2005. Construction began in Fiscal Year 2006 and completion schedule is contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Old Otay Mesa Road- Westerly / S00870

Council District: 8	Priority Score: 66
Community Plan: Otay Mesa, Otay Mesa - Nestor	Priority Category: High
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2008 - 2015	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project provides for design and construction of Old Otay Mesa Road from the intersection of B Street, as shown on the Remington Hills Tentative Map, easterly to the intersection with Otay Mesa Road (Town Center Drive Extension South), per the Otay Mesa Public Facilities Financing Plan - Project T-50.2. This project includes approximately 2,400 linear feet of a two-lane collector street.

Justification: The transportation element of the Otay Mesa Community Plan suggests that an integrated transportation network will provide mobility, accessibility and safety for persons traveling to, from and through the community. This project is being funded with Facilities Benefit Assessment Fees funding because there is either no project fronting this roadway or the projects fronting the roadway are also public facility projects, e.g., school, park. Should the adjacent properties be developed, these properties shall reimburse the Facilities Benefit Assessment Fees Fund for the actual cost of the project as a condition of approval of their developments.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is required in and consistent with the Otay Mesa and Otay Nestor Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008. Construction began in Fiscal Year 2011. This schedule is contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Council District: 8	Priority Score: 54
Community Plan: Otay Mesa	Priority Category: Medium
Project Status: Released	Contact Information: Li, David
Duration: 2003 - 2012	619-533-5164
Improv Type: New	dli@sandiego.gov

Description: This Phase III project provides for an emergency lane and paved shoulder from Drucker Lane to the port of entry.

Justification: The Phase III additional lane will provide a dedicated emergency lane for Border Patrol, Police and other emergency vehicles.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Phase III design was completed in Fiscal Year 2010 and construction began in Fiscal Year 2010 and was completed in Fiscal Year 2011.

Summary of Project Changes: This project no longer includes Phase IV which is now a separate project. Phase III of the project is complete. A City Council action will be processed to reallocate TransNet funding from this project to Otay Mesa Truck Route Phase IV.

Otay Mesa Truck Route Phase 4 / S11060

Council District: 8	Priority Score: 43
Community Plan: Otay Mesa	Priority Category: Medium
Project Status: Created	Contact Information: Li, David
Duration: 2010 - 2017	619-533-5164
Improv Type: New	dli@sandiego.gov

Description: This phase IV project provides for the construction of an additional lane to the existing Otay Truck Route from La Media Road to Drucker Lane and for the extension of the Truck Route (two lanes) from Britannia Boulevard to La Media Road and along Britannia Boulevard from the border to Britannia Court.

Justification: The Phase IV additional lane and extension of the Truck Route will remove cargo traffic from local streets and further expedite international truck traffic southbound into Mexico at the Otay Mesa Port of Entry

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: The environmental process for Phase IV is scheduled for Fiscal Year 2012. The design is scheduled to begin in Fiscal Year 2013 and to be completed in Fiscal Year 2013. Right of way acquisition is scheduled for Fiscal Year 2013. Construction for Phase IV is scheduled to begin in Fiscal Year 2014.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Palm Avenue Roadway Improvements / S00913

Council District: 8	Priority Score: 57
Community Plan: Otay Mesa - Nestor	Priority Category: High
Project Status: Released	Contact Information: Giandoni, Mark
Duration: 2007 - 2012	619-533-4618
Improv Type: New	mgiaandoni@sandiego.gov

Description: This project provides for vehicular and traffic safety improvements on Palm Avenue from Beyer Way to Interstate 805. The improvements include installation of raised center medians, turn pockets, traffic signals, a pedestrian refuge area, crosswalks, landscaping, striping and signage. Subsequent phases of this project may include further analysis of the pedestrian and streetscape aspects of the project area.

Justification: These improvements will benefit the community by increasing the safety and flow of traffic.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa-Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary project planning began in Fiscal Year 2007 and was completed in Fiscal Year 2008. Design began in Fiscal Year 2010 and was completed in Fiscal year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: It is proposed to allocate TransNet funding of \$2.255 million in Fiscal Year 2012 to fund the construction phase of the project.

Council District: 4	Priority Score: N/A
Community Plan: Skyline - Paradise Hills	Priority Category: N/A
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2001 - 2011	619-533-4654
Improv Type: Betterment	apalaseyed@sandiego.gov

Description: This project provides for a vision and implementation strategy for rehabilitating an older commercial strip development on Reo Drive between Albemarle Street and Cumberland Street in the heart of Paradise Hills. Phase I added crosswalks, pop-outs, and surface improvements on Reo Drive between Albemarle Street and Cumberland Drive. Phase II will widen Reo Drive from 60 to 80 feet, including diagonal parking, and surface improvements between Albemarle Street and Cumberland Drive.

Justification: Revitalization of this strip will encourage commercial opportunities in this underserved community.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: This project was completed Fiscal Year 2009.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Description: This project provides for improvements along Pershing Drive at Redwood Street and Jacaranda Place, and at the entrance to the Morley Field Disc Golf Course in Balboa Park. The City was awarded a \$150,000 State Community-Based Transportation Planning Grant for preliminary engineering activities, public outreach, and to assist in determining the project scope of work.

Justification: The re-configuration of this intersection will improve traffic control and safety for vehicles, bicycles, and pedestrians.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Balboa Park and Greater North Park Community Plans and is in conformance with the City's General Plan.

Schedule: Preliminary design began in Fiscal Year 2011. Design is scheduled to begin in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Description: This project involved improvements at the intersection of Pomerado Road and Willow Creek Road/Avenue of Nations as part of the construction of Thurgood Marshall Middle School. The improvements included a traffic signal, widening, striping and landscaping.

Justification: This project is in accordance with the Scripps Miramar Ranch Public Facilities Financing Plan, Project: 34-14, Council Resolution R-302405, March 5, 2007.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: This project was completed by the San Diego Unified School District in Fiscal Year 2007, and reimbursement in the amount of \$1,260,158 was provided for the project from the Scripps Ranch Miramar Ranch Facilities Benefit Assessment (FBA) under the terms of a reimbursement agreement.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Rancho Bernardo Street and Sidewalk Improvements / S00887

Council District: 6	Priority Score: 42
Community Plan: Rancho Bernardo	Priority Category: Medium
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2001 - 2010	619-533-4654
Improv Type: Betterment	apalaseyed@sandiego.gov

Description: This project provides for improvements to streets and sidewalks throughout the Rancho Bernardo community, as needed. Other improvements may include installation of landscaping and irrigation systems and construction of retaining and sound walls.

Justification: Additional street and sidewalk improvements are required as a result of continuing development in the area.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: As improvements are identified, funding will need to be appropriated to complete design and construction.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Regents Road Widening-Genesee to Executive / S00881

Council District: 1	Priority Score: 56
Community Plan: University	Priority Category: High
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2003 - 2015	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for widening Regents Road to a modified four-lane major street from Genesee Avenue to Executive Drive, relocation of the Genesee Avenue/Regents Road intersection to the east, and bike lanes.

Justification: This project is needed to improve traffic flow and is included in the Council-approved North University City Community Financing Plan - Project 13 and Facilities Benefit Assessment Document.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2011. Construction schedule will be established pending land acquisition from the University of California - San Diego (UCSD).

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Resurfacing of City Streets / AID00005

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Gefrom, Walter
Duration: 2010 - 2020	619-527-7509
Improv Type: Betterment	wgefrom@sandiego.gov

Description: This annual allocation provides for roadway resurfacing, repair and reconstruction.

Justification: Resurfacing, repair, and reconstruction of City streets are necessary to maintain the streets in serviceable condition and prevent deterioration of the roadway.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: It is anticipated that approximately \$32 million in additional bond financing will be allocated to streets projects each year in Fiscal Years 2012 through 2016. The unidentified funding amount reflects the remaining amount of funding needed to address the deferred capital needs of the City's streets based on condition assessments that have been conducted.

Rosecrans Street Corridor Improvements / S00830

Council District: 2	Priority Score: N/A
Community Plan: Midway - Pacific Highway, Peninsula	Priority Category: N/A
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2003 - 2015	619-533-3092
Improv Type: Betterment	jfuentes@sandiego.gov

Description: This project provides for improvements to the former State Route 209, which includes all or parts of Camino del Rio West, Rosecrans Street, Canon Street, Catalina Boulevard, and Cabrillo Memorial Drive. Camino del Rio West improvements consist of upgrading the sidewalk facilities, including installation of pedestrian ramps and traffic signal modifications, and construction of turn pocket and signal modifications on Rosecrans at Midway.

Justification: Redevelopment in the area resulted in increased traffic and pedestrian activity.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Peninsula and Midway Community Plans and is in conformance with the City's General Plan.

Schedule: Phase I of the project which includes traffic signal modifications, and installation of turn pockets began in Fiscal Year 2010. Construction of Phase I began in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Trans - Roadway

SR56 / I-15 Interchange / S00920

Council District: 1	Priority Score: N/A
Community Plan: Pacific Highlands Ranch	Priority Category: N/A
Project Status: Technically completed	Contact Information: January, Frank
Duration: 2007 - 2010	619-533-3682
Improv Type: New	jtracanna@sanidiego.gov

Description: This project provides for the design and construction of a loop ramp in the southeast quadrant of SR-56 at I-15 in Rancho Penasquitos for eastbound to northbound movements to eliminate the need for making left turns at the existing traffic signal. It will also widen the southbound to westbound ramp and the eastbound to southbound ramp. (See Project T-1.6 and Black Mountain Ranch PFFP Project T-56.)

Justification: This facility is required to accommodate the additional traffic generated as a result of development in the I-15 Corridor, with Pacific Highlands Ranch contributing its fair share based on percentage of increased traffic.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Public Facility Financing Plan and is in conformance with the City's General Plan.

Schedule: Construction was completed in Fiscal Year 2011.

Summary of Project Changes: This project is complete and will be closed by the end of of the fiscal year.

Saturn Blvd Roadway Improvements / S11028

Council District: 8	Priority Score: 41
Community Plan: Otay Mesa - Nestor	Priority Category: Medium
Project Status: Created	Contact Information: Nassar, Mark
Duration: 2011 - 2015	619-533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: This project provides for the widening of the west side of Saturn Boulevard, north of Grove Street. The project includes new pavement, with approximately 980 linear feet of new curb, gutter and sidewalk, pedestrian ramps, retaining wall, drainage improvements and relocation of existing above ground utilities.

Justification: The project is located adjacent to a school where students disembark from a school bus and then walk to school via this route. This project would provide a safer pedestrian route for the students and also improve surface drainage.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa-Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2012. Construction is scheduled for Fiscal Year 2013.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Saturn Boulevard-Palm Ave to Coronado / S00861

Council District: 8	Priority Score: 46
Community Plan: Otay Mesa - Nestor	Priority Category: Medium
Project Status: Released	Contact Information: Batta, Jamal
Duration: 1994 - 2015	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for widening the west side of Saturn Boulevard to a four-lane collector street from Palm Avenue to Coronado Avenue. Improvements include construction of concrete curb, gutter, sidewalk, drainage facilities, asphalt concrete pavement, and landscaping as necessary.

Justification: This project is needed to widen the existing southbound traffic lanes to a four-lane collector and to standardize the street width to accommodate the increase in traffic volume.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa/Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design was completed in Fiscal Year 1995 and design was completed in Fiscal Year 2002. Construction is scheduled to begin upon identification of funding. Design standards were updated in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Soledad Mountain Road Emergency Repair Project / S00932

Council District: 2	Priority Score: N/A
Community Plan: La Jolla	Priority Category: N/A
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2008 - 2011	619-533-7482
Improv Type: Replacement	jbatta@sandiego.gov

Description: This project provides for the reconstruction of Soledad Mountain Road. On October 3, 2007, a landslide occurred on Mt. Soledad and destroyed a large section of the 5700 block of Soledad Mountain Road and Desert View Drive Alley.

Justification: Soledad Mountain Road is classified as a four-lane major street with approximately 8,470 average daily traffic volume. The road is heavily utilized as a through access to and from La Jolla.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: The construction of Soledad Mountain Road was partially completed and re-opened for traffic on October 16, 2008. The landslide affecting Desert View Alley (a sublet of this project) is not complete.

Summary of Project Changes: No significant change to this project for Fiscal Year 2012.

Trans - Roadway

Spring Canyon Road-Scripps Ranch to Pomerado Road / S00832

Council District: 7	Priority Score: 42
Community Plan: Scripps Miramar Ranch, Rancho Encantada	Priority Category: Medium
Project Status: Released	Contact Information: Qasem, Labib
Duration: 2004 - 2015	619-533-6670
Improv Type: New	lqasem@sandiego.gov

Description: This project provides for the installation of traffic signals at three locations and the construction of raised medians at a number of intersections to reduce cut-through traffic on local collector streets. The project includes interconnection of the traffic signals in the segment. Specific locations will be determined by a traffic study which is included in this scope of work. The Community Planning Committees of Miramar Ranch North and Scripps Ranch approved a two phase plan as a result of the scheduled traffic study: Phase I: Install a traffic signal on Spring Canyon Road at Spruce Run Drive and median chokers on Spring Canyon Road at Semillon Boulevard and Sunset Ridge Drive. Phase II: Further evaluation of traffic calming, roadway safety, capacity enhancement and traffic control features on Spring Canyon Road, which may include a traffic signal interconnect, additional traffic signals and electronic speed monitoring signs.

Justification: The traffic signals will allow pedestrians to cross at controlled intersections. The raised medians at the three intersections will provide additional control of the traffic movements. The additional raised medians at specific intersections will reduce cut-through traffic on local collector streets. Interconnecting the traffic signals will be an effective means of controlling traffic speeds without sacrificing roadway capacity.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Rancho Encantada Precise Plan and Scripps Miramar Ranch Community Plan, and is in conformance with the City's General Plan.

Schedule: The traffic study was done in Fiscal Year 2009. Design of Phase I traffic improvements began in Fiscal Year 2011, construction is scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

State Route 56-Carmel Country to Black Mountain / S00853

Council District: 1	Priority Score: N/A
Community Plan: Los Penasquitos Canyon Preserve (RPQ, Sabre Springs, Rancho Penasquitos, Torrey Highlands)	Priority Category: N/A
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1991 - 2011	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the State Route 56 freeway between the Carmel Valley and Rancho Penasquitos communities. A four-lane freeway will be constructed with interchanges at Black Mountain Road, Camino Santa Fe and Camino Del Sur. This project will provide the necessary right-of-way and prepare the grade for a six-lane freeway. In addition, this project provides for the bikepath through the State Route 56 corridor, and a future project is planned for a bikepath interchange at Camino Del Sur. The preparation of project report and environmental document for the remaining Interstate 5/State Route 56 connector ramps is budgeted under S-00707, Interstate 5/State Route 56 Freeway Connectors.

Justification: This project is needed to provide an east-west connection between Interstate 5 and Interstate 15.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Los Penasquitos Canyon Preserve Master Plan, the Sabre Springs, Rancho Penasquitos and Torrey Hills Community Plans, and the Torrey Highlands and Pacific Highlands Ranch Subarea Plans, and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2010.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Community Plan: City Heights (Mid-City)	Priority Category: Medium
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2007 - 2015	619-533-3172
Improv Type: Betterment	jfuentes@sandiego.gov

Description: This project provides for safety/capacity improvements on Streamview Drive from 54th Street to College Avenue to reduce excessive speeds, increase safety, and enhance visual impacts.

Justification: A study is required to determine solutions to several problems on Streamview Drive. Design solutions and construction, predicated on the study, will address these problems.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Two consultants will assist staff on final preliminary engineering for Fiscal Year 2010. Design is scheduled for Fiscal Year 2011 and construction is scheduled for Fiscal Year 2012.

Summary of Project Changes: \$200,000 in TransNet funding has been allocated to this project for Fiscal Year 2012.

Torrey Pines Improvements Phase I / S00613

Council District: 1	Priority Score: 58
Community Plan: La Jolla	Priority Category: High
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2015	619-533-3092
Improv Type: Betterment	jfuentes@sanidiego.gov

Description: This project provides for improvements to the Torrey Pines Corridor. The corridor limits are: Torrey Pines Road from La Jolla Parkway to Prospect Place. Improvements may include guardrails, median improvements, sidewalks, traffic signals and lighting, installation of bikelanes and modification to striping.

Justification: Improvements are needed on Torrey Pines Road, west of La Jolla Shores Drive, to better accommodate the traffic flow, bicycles and pedestrians that use this roadway. The corridor study conducted identified safety issues and walkability along the Torrey Pines Road corridor.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design was completed in Fiscal Year 2010. Phase I design was completed in Fiscal Year 2011. Construction of Phase I improvements will be scheduled upon identification of funding.

Summary of Project Changes: No significant changes to this project for Fiscal Year 2012.

Transportation Grant Match / AID00002

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Carnell, Sabrina
Duration: 2010 - 2020	619-533-7587
Improv Type: Betterment	scarnell@sandiego.gov

Description: This annual allocation provides funding for matching fund obligations for various types of transportation grants. Grants may require City matching funds as a condition of approval.

Justification: In order to qualify for future additional grant funds, the City may be required to ensure that matching funds are available.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: TransNet funding has been allocated to this project through Fiscal Year 2015.

Triple Pipe Crossing - Dennery Road / S10017

Council District: 8	Priority Score: N/A
Community Plan: Otay Mesa	Priority Category: N/A
Project Status: Created	Contact Information: Tracanna, John
Duration: 2010 - 2020	619-533-3682
Improv Type: New	jtracanna@sandiego.gov

Description: This project provides for constructing a triple pipe arch culvert beneath Dennery Road where the road spans Dennery Canyon to maintain the continuity of the Dennery Canyon Open Space link with the Otay River Valley and to accommodate the existing wildlife movement.

Justification: The alignment of Dennery Road will bisect a key wildlife corridor within the Otay Mesa Community. In order to minimize the disturbance, a wildlife undercrossing is proposed to provide an unobstructed corridor for wildlife movement between Dennery Canyon and the Otay River Valley.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010. Construction began in Fiscal Year 2011. The design and construction of the triple pipe crossing shall be performed by the subdivider responsible for the construction of Dennery Ranch Road and reimbursed from Facilities Benefit Assessment funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Utilities Undergrounding Program / AID00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Mario Reyes
Duration: 2010 - 2020	619-533-7426
Improv Type: Betterment	mreyes@sanidiego.gov

Description: This annual allocation provides for additional underground conversion projects to augment the California Public Utilities Commission (CPUC) Rule 20A projects as well as provides for the necessary administrative expenses, conversion of City-owned street lighting, and resurfacing of roadways associated with the undergrounding of utilities.

Justification: The CPUC mandates that local utility companies allocate funding for undergrounding of utilities at the direction of the local municipality. San Diego Gas and Electric (SDG&E), AT&T and the cable companies spend several million dollars annually to underground overhead facilities. The City must provide the utility companies with a priority listing of projects, aid coordination, establish underground utility districts and give informational support. Construction costs for undergrounding are paid by utility companies in accordance with Public Utilities Commission Decisions 73078, 820118 and Case 8209. If not provided with administrative support, millions of dollars of utility company construction money could go unused. Additional underground conversion projects are funded through the City Undergrounding Surcharge Fund. This fund is used solely for the undergrounding of utilities and cannot be used for other purposes.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: It is proposed to allocate \$15,000,000 in Underground Surcharge funds to this project for Fiscal Year 2012.

Via Dela Valle Widening / RD11001

Council District: 1	Priority Score: N/A
Community Plan: Black Mountain Ranch	Priority Category: N/A
Project Status: Created	Contact Information: Abeyta, Angela
Duration: 2011 - 2013	619-533-3674
Improv Type: Widening	aabeyta@sandiego.gov

Description: Reconstruct existing Via de la Valle between San Andres Drive and El Camino Real West to a modified four-lane major street to accommodate existing and projected sub-regional traffic. Modify signals at San Andres Drive and El Camino Real West as required and relocate existing overhead utilities to underground locations. Restripe Via de la Valle between San Andres Drive and Interstate 5 to six lanes.

Justification: This facility is required to accommodate traffic generated by new development in Black Mountain Ranch and surrounding communities as well as existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the black Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary engineering and design is on-going, with final design and construction currently scheduled for Fiscal Year 2013.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Village Loop Road / S00919

Council District: 1	Priority Score: N/A
Community Plan: Pacific Highlands Ranch	Priority Category: N/A
Project Status: Released	Contact Information: Tracanna, John
Duration: 2007 - 2010	619-533-3682
Improv Type: New	jtracanna@sanidiego.gov

Description: This project provides for construction of Village Loop Drive, from the intersection of Del Mar Heights Road and Carmel Valley Road easterly to the property line (approximately 2,000 linear feet), as a four-lane collector roadway within a 108 foot right-of-way route providing access to the high school site and the core residential areas.

Justification: This project is dependent upon the development of the high school, community park, and core residential area including the village area of the community.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Public Facility Financing Plan and is in conformance with the City's General Plan.

Schedule: The developer (Pardee) advanced funding for this project and will be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment (FBA) under the terms of a reimbursement agreement. Reimbursement is programmed from Fiscal Years 2006 through 2012. Project is complete.

Summary of Project Changes: Project cost and schedule have been updated to reflect the most recent Pacific Highlands Ranch Public Facilities Financing Plan.

Westerly Extension of Hazard Center Drive / RD10001

Council District: 6	Priority Score: N/A
Community Plan: Mission Valley	Priority Category: N/A
Project Status: Created	Contact Information: Johnson, Brad
Duration: 2010 - 2012	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: The construction of the Westerly Extension of Hazard Center Drive will provide for the construction of a two lane road from the eastern terminus of Hazard Center Drive to the existing road behind Fashion Valley Shopping Center.

Justification: This project will provide for the construction of the missing segment of Hazard Center Drive and when constructed, the road will provide enhanced traffic circulation which will benefit the community.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal year 2011. This project began construction in Fiscal Year 2011 and is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

36th Street Landscape Maintenance / S00902

Council District: 4	Priority Score: N/A
Community Plan: Eastern Area (Mid-City)	Priority Category: N/A
Project Status: Released	Contact Information: Medina, Camille
Duration: 2006 - 2012	619-533-6742
Improv Type: Betterment	cmedina@sandiego.gov

Description: This project is the result of a relinquishment agreement between the City of San Diego and Caltrans and provides for the landscape maintenance of 36th Street between Imperial Avenue and Market Street.

Justification: This project was approved by the City Council Resolution No. R-300154 and will provide for plant establishment as defined in the standard specifications for the construction of local street and roads.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: Plant establishment is scheduled to begin in Fiscal Year 2010 and to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Azalea Park Neighborhood Identification / S00699

Council District: 3	Priority Score: N/A
Community Plan: City Heights (Mid-City)	Priority Category: N/A
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2004 - 2010	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the construction of new vehicular and pedestrian improvements, including raised medians, sidewalks and curb ramps, enhanced crosswalks and curb-extensions, (which are to be funded by Development Impact Fees), neighborhood identification signs (which are to be funded by Community Development Block Grants), and seating areas. This project is part of a community revitalization effort outlined in the Azalea Park-Hollywood Park Revitalization Action Program. The specific locations of this portion of the project are the intersections of Poplar Street and Fairmount Avenue and Poplar Street and Tulip Street.

Justification: These improvements will benefit the community by increasing safety, improving the flow of traffic, enhancing pedestrian access, and promoting community identification.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project implements the recommendations found in the Mid-City Community Plan and the Azalea Park-Hollywood Park Revitalization Action Program and is in conformance with the City's General Plan.

Schedule: The preliminary design process for the raised medians, neighborhood identification signs and seating areas, which included neighborhood residents' involvement, was completed. Design began in Fiscal Year 2007 and was completed in Fiscal Year 2011. Construction began in Fiscal Year 2011 and will be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Balboa Avenue Corridor Improvements / S00831

Council District: 6	Priority Score: 12
Community Plan: Clairemont Mesa, Kearny Mesa	Priority Category: Low
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2003 - 2014	619-533-3092
Improv Type: Betterment	jfuentes@sanidiego.gov

Description: This project provides for improvements to the former State Route 274, which is Balboa Avenue. This project is divided into three phases. Phase I begins at Interstate 5 and ends at Interstate 805. Phase II begins at Interstate 805 and ends at Interstate 15. Improvements to both phases consist of roadway widening, construction of new curbs, gutters, and sidewalks, reconstruction of existing sidewalks and medians, installation of a new traffic signal(s), modification of existing traffic signals, and new bicycle routes. Phase III will install community signs at the Kearny Mesa Community boundaries.

Justification: This project is funded by a State contribution agreement as part of the relinquishment of State Route 274 to the City of San Diego.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa and Kearny Mesa Community Plans and is in conformance with the City's General Plan.

Schedule: Phase I - Preliminary engineering was completed in Fiscal Year 2005. Design began in Fiscal Year 2005 and was completed in Fiscal Year 2006. Construction began in Fiscal Year 2008 and was completed in Fiscal Year 2009. Phase II - Preliminary engineering began in Fiscal Year 2009 and design is scheduled to begin in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2013 and to be completed in Fiscal Year 2013. Phase III - Design started in Fiscal Year 2009 and was completed in Fiscal Year 2010. Construction will start and be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Bird Rock Coastal Traffic Improvements Phase I / S00896

Council District: 1	Priority Score: N/A
Community Plan: La Jolla	Priority Category: N/A
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2006 - 2011	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides traffic calming measures to reduce speed and improve safety and walkability on La Jolla Boulevard. The project includes three modern roundabouts on La Jolla Boulevard and three mini roundabouts on connecting residential streets. La Jolla Boulevard will be reduced from four to two lanes. The project also includes 20 additional traffic calming measures on connecting residential streets.

Justification: This project will reduce traffic speed and improve traffic flow and safety on La Jolla Boulevard. The project also reduces speed and minimizes traffic on surrounding area streets. This project is in accordance with the La Jolla Public Facilities Financing Plan, Project T-13.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004 and was completed in Fiscal Year 2007. Construction will be scheduled in two phases. Phase I construction was completed in Fiscal Year 2008 and Phase II was completed in Fiscal Year 2010 when the Notice of Completion was processed.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Carmel Valley Road Enhancement Project / S00859

Council District: 1	Priority Score: 51
Community Plan: Carmel Valley	Priority Category: Medium
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1997 - 2014	619-533-4654
Improv Type: Replacement - Rehab	apalaseyed@sandiego.gov

Description: This project provides for improving Carmel Valley Road to a modified two-lane collector street from 300 feet east of Portofino Drive to the Del Mar city limits. The improvements include construction of curb, gutter, sidewalks and drainage improvements as well as construction of a Class II bicycle lane on both sides of Carmel Valley Road.

Justification: This project will improve traffic flow and turning movements on this roadway and provide bike paths on Carmel Valley Road.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction of the project are complete. Environmental monitoring will continue through Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Transportation & Storm Water

Trans - Roadway - Enhance/Scape/Medians

Del Mar Heights Road Center Median / S00884

Council District: 1	Priority Score: 41
Community Plan: Torrey Pines	Priority Category: Medium
Project Status: Technically completed	Contact Information: Marabian, Linda
Duration: 2000 - 2012	619-533-3082
Improv Type: New	lmarabian@sandiego.gov

Description: This project provides for raised center decorative concrete medians on Del Mar Heights Road, between Mango Drive and the San Diego city limits. The future landscaping area is to be covered with landscape fabric and mulch above top soil, and irrigation sleeves under the vehicular area.

Justification: Construction of the median is required to control turning movements and reduce traffic conflicts.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2004. Construction will be scheduled when remaining funding is identified and a new maintenance assessment district is created.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Florida Drive Median Improvements / S11057

Council District: 3	Priority Score: N/A
Community Plan: Balboa Park	Priority Category: N/A
Project Status: Created	Contact Information: Qasem, Labib
Duration: 2011 - 2016	619-533-6670
Improv Type: New	lqaasem@sandiego.gov

Description: This project provides for the installation of median improvements on Florida Drive. Improvements include the installation of a concrete center median and street lighting to enhance safety conditions for vehicles, bicyclists and other users of the roadway.

Justification: This project will enhance roadway conditions by reducing the occurrence of head-on collisions caused by vehicles crossing over the center median and adding street lights where non exist.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2012.

Summary of Project Changes: This is a newly published project for Fiscal Year 2012.

Genesee Avenue-Nobel Dr to SR 52 / S00852

Council District: 1	Priority Score: 13
Community Plan: University	Priority Category: Low
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 1992 - 2017	619-533-4654
Improv Type: Widening	apalaseyed@sandiego.gov

Description: This project provides for widening Genesee Avenue from Nobel Drive to State Route 52 to a modified six-lane major street north of Decoro Street and a modified six-lane primary arterial south of Decoro Street. The project includes a right-turn lane, eastbound to southbound, at the Genesee Avenue/Nobel Drive intersection; additional left-turn lane, including a traffic signal at State Route 52 interchange; and Class II bicycle lanes.

Justification: This project is needed to increase the capacity of this facility. See Project Number A in the North University City Public Facilities Financing Plan.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: City Council initiated a community plan amendment to delete this project from the the community plan (R-301787, August 21, 2006). City Council Resolution R-302497, April 2, 2007, stipulates deletion of the project pending the preparation, consideration and certification of a project level Environmental Impact Report (EIR). This project will remain in the financing plan until the EIR is completed.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Created	Contact Information: Nassar, Mark
Duration: 2010 - 2013	619-533-3172
Improv Type: Betterment	mnassar@sandiego.gov

Description: This project provides for pedestrian enhancements to the transit center located on Imperial Avenue between 61st Street and 62nd Street. Improvements will include installation and improvements of the bus stop at Imperial Avenue.

Justification: This project will improve transit conditions for individuals traveling to, from and through the community and will enhance access to both residences and businesses as well as improving pedestrian access to the bus stop.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Skyline-Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: This project is anticipated to be completed in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project in Fiscal Year 2012.

Council District: 1	Priority Score: 15
Community Plan: University	Priority Category: Low
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1995 - 2012	619-533-5120
Improv Type: Betterment	bjohnson@sanidiego.gov

Description: This project provides for a southbound-to-westbound right-turn lane at the La Jolla Village Drive/Regents Road intersection. A Class II bike lane is included for southbound bicyclists. Additional right-of-way will be acquired from the University of California San Diego at no cost.

Justification: This project is needed to improve traffic flow at this intersection per the North University Public Facilities Financing Plan - Project 41.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design was scheduled to be completed in Fiscal Year 2011. Construction was scheduled to begin after the completion of the property exchange with UCSD in Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Pence, Gary
Duration: 2010 - 2020	619-533-3184
Improv Type: New	gpence@sandiego.gov

Description: This annual allocation provides for the installation of medians citywide.

Justification: This project provides median installation for safety improvement or left-turn movements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: TransNet funding has been allocated to this project through Fiscal Year 2015.

Mid City Gateways / S00828

Council District: 3	Priority Score: N/A
Community Plan: City Heights (Mid-City)	Priority Category: N/A
Project Status: Technically completed	Contact Information: Martinez-Higgs, Alicia
Duration: 2001 - 2011	619-236-6488
Improv Type: New	amhiggs@sanidiego.gov

Description: This project provides for streetscape enhancements on El Cajon Boulevard and University Avenue where they intersect with the I-15 freeway corridor. Streetscape enhancements will be added to the freeway bridge overpasses where decks were built with pedestrian plaza areas. Improvements include trees and shrubs, public artwork, signage and bus shelters. The project also provides for median and sidewalk enhancements between Central Avenue and 43rd Street on El Cajon Boulevard. Improvements include trees, ground cover, automatic irrigation, enhanced paving and lighting. A traffic signal was installed at El Cajon Boulevard and Copeland Avenue to provide for increased safety.

Justification: This project enhances the commercial revitalization of El Cajon Boulevard and University Avenue near the I-15 freeway corridor.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project implements the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design of Phase I, El Cajon Boulevard from Central Avenue to 43rd Street, began in Fiscal Year 2000. Construction began in Fiscal Year 2002 using continuing appropriations and was completed in Fiscal Year 2003. Phase II includes enhancement of the I-15 bridge decks on El Cajon Boulevard and University Avenue. Design of that phase began in Fiscal Year 2001. Construction began in Fiscal Year 2005 and was completed in Fiscal Year 2007.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Mira Mesa Community Transit Center / S00847

Council District: 5	Priority Score: 68
Community Plan: Mira Mesa	Priority Category: High
Project Status: Released	Contact Information: Pazargadi, Siavash
Duration: 1991 - 2015	619-533-3757
Improv Type: New	spazargadi@sandiego.gov

Description: This project provides for installation of an off-street transit center at Hillery Drive and Interstate 15. Concrete pads, bus bays, a shelter and a 300-space park-and-ride facility will be constructed. The Mira Mesa Facilities Benefit Assessment (FBA) fund will contribute \$692,000 toward the project which is estimated to cost a total of \$6 million. The Metropolitan Transit Development Board (MTDB) will design and construct the facility.

Justification: The transit center will facilitate transfer activity between existing and planned routes, and will establish a central focal point for transit in the community. It may also tie into either the future Interstate 15 corridor rail or the high-speed express bus system, depending on the results of the Metropolitan Transit Development Board Interstate 15 advance planning study now underway.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan, and is in conformance with the City's General Plan.

Schedule: Construction will start in Fiscal Year 2013 with completion in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Council District: 3	Priority Score: 24
Community Plan: Uptown	Priority Category: Low
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2008 - 2011	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for improvements to traffic circulation in order to prevent illegal u-turns, and enhance pedestrian safety on Normal Street between Blaine Avenue and University Avenue. New landscaped medians will include aesthetic enhancements and will allow for the creation of additional parking spaces.

Justification: This project will improve traffic circulation and provide additional parking spaces.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008 and was completed in Fiscal Year 2009. Construction began in Fiscal Year 2010 and was completed in Fiscal Year 2011.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Project Status: Released	Contact Information: Johnson, Brad
Duration: 1998 - 2012	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for median curb, gutter, drainage and landscaping improvements, from 600 feet north of Genesee Avenue to the State Reserve boundary including the Callan Road intersection.

Justification: This project will improve safety and drainage on North Torrey Pines Road per the North University City Public Facilities Financing Plan - Project D.

Operating Budget Impact: Eligible maintenance activities will be funded by the Genesee Avenue/North Torrey Pines Road Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design was completed in Fiscal Year 2004. Design began in Fiscal Year 2008 and was completed in Fiscal Year 2011. Construction is scheduled for Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Scripps Ranch Blvd-Carroll Canyon Rd to Aviary / S00837

Council District: 5	Priority Score: 29
Community Plan: Scripps Miramar Ranch	Priority Category: Low
Project Status: Technically completed	Contact Information: Johnson, Brad
Duration: 1990 - 2011	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for constructing a 14-foot landscaped center median with left-turn pockets and additional pavement in the unimproved median area from Carroll Canyon Road to Aviary Drive. The street will be striped to include bike lanes and parking on both sides.

Justification: The general community plan is currently being amended to reflect Scripps Ranch Boulevard as a two-lane connector road. This project has completed this section of roadway per the Scripps Miramar Ranch Public Facilities Financing Plan - Project 34-1.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design occurred in previous years. Design was completed in Fiscal Year 2009. Construction began in Fiscal Year 2009 and was completed in Fiscal Year 2010.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Scripps Ranch/Mira Mesa Medians Project / S00838

Council District: 5	Priority Score: 37
Community Plan: Scripps Miramar Ranch	Priority Category: Low
Project Status: Released	Contact Information: Palaseyed, Abi
Duration: 2001 - 2012	619-533-4654
Improv Type: Betterment	apalaseyed@sandiego.org

Description: This project provides for median improvements on Scripps Ranch Boulevard between Hibert Street and Mira Mesa Boulevard and on Mira Mesa Boulevard from Interstate 15 to Scripps Ranch Boulevard. Bike lanes will also be added along Mira Mesa Boulevard. The improvements on Mira Mesa Boulevard will be done by a developer reimbursement agreement, and includes a new traffic signal and mid-block crosswalk at the Hibert Street driveway, restricting u-turns during peak hours for east bound to west bound Mira Mesa Boulevard at Scripps Ranch Boulevard, and accommodating u-turns at the Scripps Ranch Boulevard and Erma Road intersection. The City will be responsible for the improvements on Scripps Ranch Boulevard.

Justification: This portion of Scripps Ranch Boulevard and Mira Mesa Boulevard is classified as a four-lane major street. The median improvement will improve vehicle access and operations per the Scripps Miramar Ranch Public Facilities Financing Plan - Project 34-2A.

Operating Budget Impact: The operating and maintenance funding for this project is included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004 and continued into Fiscal Year 2010. Construction of the Scripps Ranch Boulevard portion will begin in Fiscal Year 2012. Construction of the Mira Mesa Boulevard portion is scheduled to begin in Fiscal Year 2012, contingent upon approval of a reimbursement agreement and the completion of design by the developer.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Trans - Roadway - Enhance/Scape/Medians

Sports Arena Blvd-Rosecrans to Midway / S00721

Council District: 2	Priority Score: 27
Community Plan: Midway - Pacific Highway	Priority Category: Low
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 1992 - 2011	619-533-3092
Improv Type: Widening	jfuentes@sandiego.gov

Description: This project provides for modifying the intersection of Sports Arena Boulevard, Rosecrans Street and Camino del Rio West and widening Sports Arena Boulevard to a six-lane major street between Midway Drive and Rosecrans Street by modifying the median and restriping the street. This project description is preliminary and the amounts shown below only reflect the funding currently programmed. The total funding needs of the project will be determined, once a final scope of work is established.

Justification: The eastbound traffic on Sports Arena Boulevard will be able to continue eastbound through the intersection of Sports Arena Boulevard/Rosecrans Street/Camino del Rio. Widening Sports Arena Boulevard will improve the traffic circulation. The average number of daily trips forecast for this segment of Sports Arena Boulevard is 50,000.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Midway/Pacific Highway Corridor Community Plan and is in conformance with the City's General Plan.

Schedule: The project description is preliminary and the scope of work is not established; only planning and other preliminary activities have been performed to date. The project schedule for the design and construction will be established once the scope of work is approved and funding identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Johnson, Brad
Duration: 2003 - 2012	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for the construction of a landscaped median along Thorn Street between 33rd Street and Felton Street in Greater North Park.

Justification: This project provides for traffic calming and circulation.

Operating Budget Impact: The operating and maintenance funding for this project is included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2011. Construction began and was completed in Fiscal Year 2011.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

University Avenue Mobility Project / S00915

Council District: 3	Priority Score: 53
Community Plan: Greater North Park	Priority Category: Medium
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2007 - 2014	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the University Avenue Mobility Project-Phase I (UAMP-Phase I), which is a subset of the improvements planned in the larger University Avenue Mobility Plan. Since funding for the entire project is not available at this time, the Phase I project was developed by combining selected portions of the UAMP that would provide the greatest benefits, focusing on the commercial core of the corridor. The major elements of the UAMP-Phase I are restriping to provide a painted median, left turn pockets at signalized intersections and improved lane widths, installation of raised landscaped medians in the core area, installation of enhanced pedestrian crosswalks, repainting of existing crosswalks, removal of parallel on-street parking, and re-striping to provide angle parking on both sides of the street.

Justification: This project will significantly improve safety and mobility along the corridor for pedestrians, bicyclists, transit, and automobile traffic.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design began in Fiscal Year 2007. The environmental process began in Fiscal Year 2009. Design was completed in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012. Later phases of the UAMP will be determined as additional funding is appropriated.

Summary of Project Changes: The total project cost has been reduced by \$5 million due to the delay of Phase II. Grant funding for this project may become available in Fiscal Year 2012.

Washington Street Improvements Phase II / S00703

Council District: 2	Priority Score: 33
Community Plan: Uptown	Priority Category: Low
Project Status: Technically completed	Contact Information: Johnson, Brad
Duration: 2001 - 2012	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for streetscape improvements on Washington Street between San Diego Avenue and India Street, and between Goldfinch Street and Dove Street.

Justification: The Mission Hills Community Plan group adopted the Washington Street Beautification Master Plan in Fiscal Year 1997. Streetscape improvements are being installed to revitalize the Mission Hills Business District.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project implements the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Construction of Phase I was completed in Fiscal Year 1994. A community tree planting added 80 street trees to Washington Street in Fiscal Year 1998. Design of Phase II was completed in Fiscal Year 1999. Construction of Phase II, segment one, which included upgrades and public artwork in two medians, was completed in Fiscal Year 2000. Improvements to the intersection of Washington Street and Goldfinch Street were designed in Fiscal Years 2003 and 2004, updated in Fiscal Year 2007 including median improvements on Washington Street between Goldfinch and Falcon Streets and between Eagle and Dove Streets. Construction of these improvements was completed in Fiscal Year 2009. The design for median improvements on Washington Street between India Street and San Diego Avenue was completed in Fiscal Year 2011. Construction is scheduled for Fiscal Year 2012.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Batta, Jamal
Duration: 2004 - 2010	619-533-7482
Improv Type: Replacement	jbatta@sanidiego.gov

Description: This project provides for public improvements along West San Ysidro Boulevard on the block located between Cottonwood and Via de San Ysidro. The improvements are the initial revitalization activities for the area and will consist of sidewalk improvements, new street trees, and ornamental street lamps.

Justification: The City of San Diego Redevelopment Agency and San Ysidro Business Improvement District have identified this public improvement project as a priority for the San Ysidro commercial district to help eliminate blight, spark new development, and increase business activity.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's Progress Guide and General Plan.

Schedule: Design began and was completed in Fiscal Year 2004. Project has been completed.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Aldine Drive and Fairmount Drive Slope Restoration / S00865

Council District: 3	Priority Score: 78
Community Plan: Kensington - Talmadge (Mid-City)	Priority Category: High
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2006 - 2012	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for the evaluation, design and construction of slope stability improvements along the south side of Aldine Drive between Fairmont Avenue and Van Dyke Avenue. Located in the Kensington Community Area of Council District 3.

Justification: The inordinate amount of rainfall from the 2004/2005 rainy season caused erosion of sections of the slope along the south side of Aldine Drive between Fairmont Avenue and Van Dyke Avenue.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project implements the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Schedule: Design began and was completed in Fiscal Year 2009. Construction began in Fiscal Year 2011. There will be 25 months of maintenance after the completion of construction.

Summary of Project Changes: It is anticipated that grant funding will become available in Fiscal Year 2012 to support project completion.

Coastal Erosion Affecting City Streets / AIF00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2020	619-533-3092
Improv Type: Betterment	jfuentes@sandiego.gov

Description: This annual allocation provides for corrections of miscellaneous erosion problems along the shorelines that affect City streets.

Justification: This project provides remedies for erosion caused by surf, weather, and surface runoff impacting City streets in various locations along the San Diego shoreline.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Phase I, completed in Fiscal Year 1994, studied the coastline that borders the City of San Diego and prioritized areas in need of restoration and enhancement. Phase II, also completed in Fiscal Year 1994, involved detailed analysis of the prioritized areas. Phase III will begin project planning and implementation on an annual basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Midway Street Bluff Repair / S12005

Council District: 1	Priority Score: 80
Community Plan: La Jolla	Priority Category: High
Project Status: Created	Contact Information: Espinoza, Julian
Duration: 2012 - 2012	619-533-4384
Improv Type: Betterment	jespinoza@sandiego.gov

Description: This project provides for the repair of the coastal bluff; enhance support of the concrete paving and reconstruct protective barrier at the top of the bluff.

Justification: The coastal bluff at the west end of Midway Street in the Birdrock area eroded during the 2004-2005 storm season. The protective safety barriers at the bluff collapsed including portions of the concrete paving in the area. The area was temporarily barricaded to protect the public. This project provides for bluff repair and reconstruct protective barrier at the top of the bluff.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin and be completed in Fiscal Year 2012.

Summary of Project Changes: This project is newly published project for Fiscal Year 2012.

Talbot Street Slope Restoration / S00609

Council District: 2	Priority Score: 72
Community Plan: Peninsula	Priority Category: High
Project Status: Released	Contact Information: Batta, Jamal
Duration: 2007 - 2013	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for the stabilization of the slope adjacent to Talbot Street at Martinez Street.

Justification: The winter storms of 2004 and 2005 eroded the steep slope adjacent to Talbot Street and threatened the houses at the top of the slope. This project is eligible for Federal Highways Administration (FHWA) reimbursement.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008 and was completed in Fiscal Year 2011. Construction is scheduled to be completed in Fiscal Year 2012.

Summary of Project Changes: It is proposed to allocate \$2,000,000 in anticipated funds to this project for Fiscal Year 2012.

Project Status: Released	Contact Information: Batta, Jamal
Duration: 2000 - 2012	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for reconstructing a 350-foot section of earthen slope along the south side of Torrey Pines Road between Little Street and Roseland Drive.

Justification: The existing slope is eroding. This project will eliminate the possibility of soil slough landing in the travel lane of a primary arterial street.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design will be completed in Fiscal Year 2012. Construction is anticipated to begin and be completed in Fiscal Year 2014, pending identification of funding.

Summary of Project Changes: Fiscal Year 2012 budget increased \$540,000 to fund the final design phase of the project.

Description: This annual allocation provides for installing new and replacing old guard rails along streets where needed.

Justification: The City maintains an ongoing program to promote safety within the public right-of-way. Analysis of accident patterns at a particular location will occasionally show that some minor improvements in the area would help to reduce the number and/or severity of accidents. This annual allocation provides the flexibility necessary for timely initiation of such improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: It is proposed to allocate \$2,000,000 in bond funding to this project for Fiscal Year 2012.

El Cajon Blvd Commercial Revitalization / S00824

Council District: 3	Priority Score: N/A
Community Plan: Greater North Park	Priority Category: N/A
Project Status: Released	Contact Information: Johnson, Brad
Duration: 1994 - 2011	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for median landscaping and related improvements along El Cajon Boulevard between Park Boulevard and Interstate 805. The improvements are part of other revitalization activities in the area.

Justification: The El Cajon Boulevard landscaping project has been a part of the Mid-City Commercial Revitalization Program as a Community Development Block Grant funded activity.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan, and is in conformance with the City's General Plan.

Schedule: Construction of improvements from 30th Street to Illinois Street were completed in Fiscal Year 1996. Design for Texas Street to 30th Street was completed in Fiscal Year 1997. Project phases between Park Boulevard and Texas Street, and 30th Street and Interstate 805, have been completed.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Eligible Street Lights in District 7 / S01037

Council District: 7	Priority Score: 19
Community Plan: City Heights (Mid-City), Eastern Area (Mid-City)	Priority Category: Low
Project Status: Released	Contact Information: Qasem, Labib
Duration: 2008 - 2015	619-533-6670
Improv Type: New	lqasem@sandiego.gov

Description: This project provides street lighting systems on 50th Street at University Avenue and on 59th Street at Adelaide Avenue.

Justification: This project will provide lighting in high crime areas.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with Mid-City Communities Plans and is in conformance with the City's General Plan.

Schedule: Preliminary Design was completed in Fiscal Year 2007. Design began in Fiscal Year 2007 and was completed in Fiscal Year 2009. Construction will begin when funding becomes available.

Summary of Project Changes: This project will go to construction when CDBG funds are scheduled to be re-allocated in March 2011. Funds to update the design to current conditions must also be identified since CDBG funds are not eligible for that activity.

North Park Lighting Improvements / S00823

Council District: 3	Priority Score: 38
Community Plan: Greater North Park	Priority Category: Low
Project Status: Released	Contact Information: Qasem, Labib
Duration: 2005 - 2013	619-533-6670
Improv Type: New	lqasem@sandiego.gov

Description: This project provides for the installation of approximately 150 street lights within the boundaries of the North Park Maintenance Assessment District (MAD).

Justification: This project provides for street lights within the boundaries of the North Park MAD in accordance with the Assessment Engineer's Report.

Operating Budget Impact: The North Park MAD will provide for the maintenance and energy costs associated with the enhanced street lighting. Maintenance of the street lights is identified as an improvement in the North Park MAD Assessment Engineer's Report.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: North Park MAD-funded street light installation began in Fiscal Year 2004. The project was completed in Fiscal Year 2011.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Project Status: Created	Contact Information: Lasaga, Fernando
Duration: 2009 - 2013	619-533-7406
Improv Type: New	flasaga@sandiego.gov

Description: This project will install 25 streetlights in the Memorial, Stockton and Grant Hill neighborhoods of Southeast San Diego. The proposed method of installation requires resident and Council office approvals which are forthcoming.

Justification: The street lights will improve the safety of pedestrian route to the new Logan Heights Library, the Clay Street Park, the Memorial Recreation Center, and the Stockton Recreation Center.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and Construction is anticipated to be completed in Fiscal Year 2012.

Project Status: Released	Contact Information: Gefrom, Walter
Duration: 2010 - 2020	619-527-7509
Improv Type: New	wgefrom@sandiego.gov

Description: This annual allocation provides for the replacement of obsolete street light series circuits.

Justification: Series circuits are over 70 years old and no longer meet current standards and they constantly have maintenance problems which impact a large number of lights.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Street Lights in High Crime Areas / ACC00003

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2015	619-533-3092
Improv Type: Betterment	jfuentes@sanidiego.gov

Description: This annual allocation provides for installing City-owned safety street lights.

Justification: Additional street lights will increase the level of lighting for motorists, bicyclists, and pedestrians on public streets. This project prioritizes locations on all streets in census tracts where the violent crime rate is 1.5 times or greater than the Citywide average for two or more consecutive years.

Operating Budget Impact: Additional \$100 per year (average) for each street light installed.

Relationship to General and Community Plans: This project is consistent with the appropriate community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: This annual allocation will be deleted in Fiscal Year 2012. Future projects for this purpose will be funded under annual allocation number AIH00001.

Florence Griffith Joyner Elem Safe Route to School / S10061

Council District: 3	Priority Score: 52
Community Plan: City Heights (Mid-City)	Priority Category: Medium
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2010 - 2013	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project will provide for the installation of new sidewalks, intersection bulb-outs to decrease the street crossing distances, road humps, pedestrian ramps, and a new traffic signal.

Justification: Located in the City Heights Community, Florence Griffith Joyner Elementary School serves students from kindergarten through fifth grade who walk or bike to school, and are faced with crossing several wide intersections in the vicinity of the school. This project will provide traffic calming measures and will enhance pedestrian mobility.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011. Construction is scheduled to begin in Fiscal Year 2012.

Project Status: Created	Contact Information: Fuentes, Julio
Duration: 2011 - 2013	619-533-3092
Improv Type: New	jfuentes@sanidiego.gov

Description: This project provides for the installation of pop-outs to reduce walking distance at both intersections and installs in-roadway lighting at Fifth Avenue.

Justification: This project will improve safety and walkability.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction are scheduled to begin in Fiscal Year 2012.

Summary of Project Changes:

Mar Ave/Soledad Avenue Intersection Improvements / S10097

Council District: 1	Priority Score: 29
Community Plan: La Jolla	Priority Category: Low
Project Status: Created	Contact Information: Fuentes, Julio
Duration: 2005 - 2012	619-533-3092
Improv Type: Betterment	jfuentes@sanidiego.gov

Description: This project realigns the existing Y intersection into a traditional T intersection. The project would also provide sidewalks, with pedestrian ramps, on both sides of Mar Avenue.

Justification: The purpose of the Mar & Soledad Intersection Improvement Project is to improve safety for vehicles at the intersection, and enhance its appearance with landscaping.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2011. Construction will be scheduled when funding has been identified.

Summary of Project Changes: No significant change has been made to this project for fiscal year 2012.

Prospect Street/Silverado Street Roundabout / S00924

Council District: 1	Priority Score: 11
Community Plan: La Jolla	Priority Category: Low
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2008 - 2012	619-533-3092
Improv Type: New	jfuentes@sanidiego.gov

Description: This project provides for intersection improvements at Prospect Street and Silverado Street.

Justification: The arrangement of the existing intersection does not meet current geometric standards. This makes effective traffic circulation and pedestrian usage difficult. This project will address these issues through the installation of a roundabout or similar improvement.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design and environmental documentation began in Fiscal Year 2009.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Project Status: Created	Contact Information: Palaseyed, Abi
Duration: 2012 - 2013	619-533-4654
Improv Type: New	apalaseyed@sandiego.gov

Description: This project is to construct intersection bulb-outs, curb ramps, install V-calm signs, and install speed humps on the streets in and around Berry, Nestor, and Emory Elementary School and Mar Vista Middle School.

Justification: Needed for school traffic safety improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa - Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Design for this project is estimated to happen in Fiscal Year 2012 and complete construction by Fiscal Year 2014.

Summary of Project Changes: This project was approved by the City Council on June 22, 2010 with Resolution# 306007 authorizing the acceptance and expenditure of funds from CALTRANS Grant for the Safe Routes to School Program.

Via Capri Traffic Calming Project / S00986

Council District: 1	Priority Score: N/A
Community Plan: La Jolla	Priority Category: N/A
Project Status: Released	Contact Information: Johnson, Brad
Duration: 2009 - 2012	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the construction of curb pop-outs on Via Capri at Hidden Valley Road and a traffic circle on Via Capri at Senn Way. This project will include excavation, tree removal, and installation of new curb, gutter, sidewalk, pavement, and landscaping.

Justification: This project will increase the level of safety in the community of La Jolla by reducing automobile traffic speed.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2010.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Del Mar Heights Road Interconnect / S00745

Council District: 1	Priority Score: N/A
Community Plan: Torrey Pines, Carmel Valley	Priority Category: N/A
Project Status: Released	Contact Information: Zhang, Dayue
Duration: 2006 - 2011	619-533-7409
Improv Type: Betterment	dzhang@sandiego.gov

Description: This project provides for the installation of traffic signal interconnect systems on Del Mar Heights Road from Mango Drive to Carmel Canyon Road, El Camino Real from Half Mile Drive to High Bluff Drive, and Carmel Country Road from Del Mar Heights Road to Townsgate Drive. The system will provide central communication to 16 traffic signals, improving traffic control.

Justification: This project will accommodate the need to centrally control heavily-traveled arterials and provide constant surveillance for efficient traffic signal operation and maintenance. The benefits include reduced stops, delays, fuel consumption and emissions.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley and Torrey Pines Community Plans and is in conformance with the City's General Plan.

Schedule: Design, including the purchasing of equipment, began November of 2005 and was completed in March of 2010. Construction by City Forces began in December 2010, and was completed in June of 2011.

Summary of Project Changes: This project has been completed and will be closed this fiscal year.

Project Status: Technically completed	Contact Information: Qasem, Labib
Duration: 2003 - 2009	619-533-6670
Improv Type: Betterment	lqasem@sandiego.gov

Description: This project provides for traffic signal interconnect and central communications to 35 traffic signals in the Point Loma and Ocean Beach areas. Fiber optic cable will be installed on Rosecrans Street (1,900 feet) and on Sports Arena Boulevard (5,008 feet). Twisted pair interconnect will be installed on Nimitz Boulevard (8,200 feet), Catalina Boulevard (6,600 feet), West Point Loma Boulevard (5,000 feet), Chatsworth Boulevard (2,800 feet), Sunset Cliffs Boulevard (2,500 feet) and Voltaire Street (700 feet). This system will connect to the fiber optic communication network on Pacific Highway.

Justification: This project will accommodate the need to centrally control heavily-traveled arterials and provide constant surveillance for efficient traffic signal operation and maintenance. The benefits include reduced stops, delays, fuel consumption and emissions.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Point Loma, Ocean Beach, and Peninsula Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2003. Construction began in Fiscal Year 2004 and was completed in Fiscal Year 2006. This project will be closed when the City and Caltrans complete the on-going grant administration closeout process. This process was completed in Fiscal Year 2011.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Community Plan: Rancho Bernardo	Priority Category: N/A
Project Status: Released	Contact Information: Qasem, Labib
Duration: 2003 - 2009	619-533-6670
Improv Type: Betterment	lqasem@sandiego.gov

Description: This project provides for traffic signal interconnect and central communications to 37 traffic signals in the Rancho Bernardo community. The project consists of installation of twisted pair interconnect on Pomerado Road (13,200 feet), Rancho Bernardo Road (10,800 feet), Bernardo Center Drive (6,900 feet), West Bernardo Drive (6,000 feet), Paseo Lucido (4,500 feet), Via del Campo (4,500 feet), Bernardo Heights Parkway (2,700 feet), and Camino del Norte (2,500 feet). Central communications will be achieved by wireless communication or by connecting to a proposed addition to the fiber optic network.

Justification: This project will accommodate the need to centrally control heavily-traveled arterials and provide constant surveillance for efficient traffic signal operation and maintenance. The benefits include reduced stops, delays, fuel consumption and emissions.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Bicycle Loop Detectors / S11058

Council District:	2, 3, 4, 7, 8	Priority Score:	24
Community Plan:	Greater North Park, Uptown	Priority Category:	Low
Project Status:	Released	Contact Information:	Hughes, Duncan
Duration:	2011 - 2013		619-533-3141
Improv Type:	Betterment		dhughes@sandiego.gov

Description: This project provides for the installation of bicycle detection of 20 intersections at various locations within the Balboa Park, Barrio Logan, Centre City, College Area, Mission Beach, Otay Mesa-Nestor, Skyline-Paradise Hills, Southeastern and Uptown communities.

Justification: This project will promote bicycle safety and mobility by providing detection to enable bicycles to actuate traffic signals. All locations are in older parts of the City where the existing loop detection systems are not sensitive enough to detect bicycles.

Operating Budget Impact: None. The new detection systems will not require any more maintenance than the older existing systems.

Relationship to General and Community Plans: This project is consistent with the Balboa Park, Barrio Logan, Centre City, College Area, Mission Beach, Otay Mesa-Nestor, Skyline-Paradise Hills, Southeastern and Uptown Community Plans and with the City's General Plan (Mobility Element), and the City's Bicycle Master Plan.

Schedule: Design and Construction began in Fiscal Year 2011.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Cooperative Traffic Signal Projects / AIL00003

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hughes, Duncan
Duration: 2010 - 2020	619-533-3141
Improv Type: Replacement	drhughes@sandiego.gov

Description: This annual allocation provides for the City's share of the cost of traffic signal improvements undertaken in cooperation with others.

Justification: It is often beneficial for the City to share in the cost of traffic signal improvements undertaken in cooperation with other agencies. The most common situation involves the intersection of a City street with a State highway, County road, or street that is the responsibility of another jurisdiction. This project provides the flexibility necessary for timely initiation of these improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: Funding was not allocated to this project for Fiscal Year 2012.

Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hughes, Duncan
Duration: 2010 - 2020	619-533-3141
Improv Type: Replacement	drhughes@sandiego.gov

Description: This annual allocation provides for traffic signal modifications and other minor improvements such as guardrails, regulatory signs, and striping at locations experiencing sudden increases in accident frequency.

Justification: The City maintains an ongoing program to promote safety within the public right-of-way. Analysis of accident patterns at a particular location often shows that some minor improvements in the area would help to reduce the number and/or severity of accidents. This annual allocation provides the flexibility necessary for timely initiation of such improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: This annual allocation is no longer being funded. Traffic signal improvements at high accident locations are included in the annual allocation for traffic signal modifications/modernizations. Budget remaining in this annual allocation is related to active sublet projects and once the sublets are completed, this project will be closed.

Install T/S Interconnect Systems / AIL00002

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hughes, Duncan
Duration: 2010 - 2020	619-533-3141
Improv Type: Replacement	drhughes@sandiego.gov

Description: This annual allocation provides for the installation of, and modifications to, traffic signal interconnect systems citywide.

Justification: This project provides for increased traffic signal coordination which will reduce traffic congestion.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: TransNet funding has been allocated to this project through Fiscal Year 2015.

Minor Signal Improvements / AIL00007

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hughes, Duncan
Duration: 2010 - 2020	619-533-3141
Improv Type: Replacement	drhughes@sandiego.gov

Description: This annual allocation provides for minor improvements to existing traffic signals as necessary to improve traffic flow and safety.

Justification: It is often necessary to undertake minor improvements to existing traffic signals. Such improvements are generally needed to accommodate changing traffic patterns. This annual allocation provides the flexibility necessary for timely initiation of such improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: This annual allocation is no longer being funded. Minor traffic signal improvements are included in the annual allocation for traffic signal modifications/modernizations. Pacific Highlands Traffic Signals / S01062

Council District: 1	Priority Score: N/A
Community Plan: Pacific Highlands Ranch	Priority Category: N/A
Project Status: Released	Contact Information: January, Frank
Duration: 2004 - 2019	619-533-3699
Improv Type: New	fjanuary@sandiego.gov

Description: This project provides for installing up to 16 different traffic signals within the Pacific Highlands Ranch Community.

Justification: These signals will be installed as part of the traffic control system for the Pacific Highlands Ranch community. They are needed to accommodate the increase in traffic generated by this community.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Public Facilities Financing Plan and is in conformance with the City's General Plan.

Schedule: Traffic signal installation will be scheduled as the community develops.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2012.

Replace Obsolete T/S Controllers / AIL00010

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Hughes, Duncan
Duration: 2010 - 2020	619-533-3141
Improv Type: Replacement	drhughes@sandiego.gov

Description: This annual allocation provides for replacing obsolete and/or out-of-production traffic signal controller units.

Justification: Present day requirements for coordinated signal operation, protected left turns, and emergency vehicle preemption are increasingly difficult or impossible to incorporate into some older controller units now in service. Older units function with moving parts and electrical contacts, both of which are subject to wear. Maintenance costs are increasing and parts are becoming difficult to find. The new controllers are solid-state, less costly to maintain, and more adaptable to today's needs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: TransNet funding of \$75,000 has been added to this project for Fiscal Year 2012.

Traffic Calming / AIL00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2020	619-533-3092
Improv Type: Replacement	jfuentes@sandiego.gov

Description: This annual allocation provides for installing traffic control measures at locations in "Smart Growth" areas on an as-needed basis. Sudden changes in the character of traffic, such as increased volumes and new route patterns, make it necessary to provide traffic control measures to respond to a variety of traffic concerns in residential neighborhoods, such as speeding motorists and shortcutting traffic. Solutions used include the construction of flashing beacons and geometric design features such as road humps and traffic islands.

Justification: This annual allocation is needed to improve safety by mitigating traffic problems on streets such as speeding, shortcutting traffic, and the need for increased pedestrian safety.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: The total project cost for annual allocation projects is reflective through Fiscal Year 2015.

Traffic Count Stations-Variou Locations / S10098

Council District: 1, 2	Priority Score: N/A
Community Plan: Peninsula, Pacific Beach, University	Priority Category: N/A
Project Status: Created	Contact Information: Qasem, Labib
Duration: 2004 - 2011	619-533-6670
Improv Type: Betterment	lqasem@sandiego.gov

Description: This project provides a means to conduct traffic studies and counts at various locations in the Peninsula, North University City and Pacific Beach Communities.

Justification: This project provides traffic counts and studies necessary determining traffic conditions and for developing solutions for improving traffic safety.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Peninsula, Pacific Beach, and University Community Plans and is in conformance with the City's General Plan.

Schedule: Traffic counts and studies began in Fiscal Year 2010 and were completed in Fiscal Year 2011.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Traffic Signals - Citywide / AIL00004

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2020	619-533-3092
Improv Type: Replacement	jfuentes@sanidiego.gov

Description: This annual allocation provides for the installation of traffic signals at high-priority locations and the City's share of the costs of traffic signals undertaken in cooperation with others.

Justification: The City maintains an inventory of candidate intersections which are periodically surveyed for significant changes in operating conditions. Installing traffic signals in select intersections provides for the orderly movement of traffic, increased traffic handling capacity, reduced frequency of accidents, and for improved traffic flow. Signals also permit vehicles and pedestrians from a minor street to enter or cross continuous traffic on the major street. The criteria for installing traffic signals are governed by Council Policy 200-6.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: TransNet funding has been allocated to this project through Fiscal Year 2015.

Traffic Signals Modification / AIL00005

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Released	Contact Information: Fuentes, Julio
Duration: 2010 - 2020	619-533-3092
Improv Type: Replacement	jfuentes@sandiego.gov

Description: This annual allocation provides for upgrading existing traffic signals as necessary to improve traffic flow and promote safety. Improvements may include conversion from post-mounted to mast-arm-mounted indicators, addition of pedestrian signals, and additional phases to accommodate separate turning moves.

Justification: The City maintains an ongoing program to promote safety within the public right-of-way. Analysis of accident patterns at a particular location often shows that some minor improvement would help to reduce the number and/or severity of accidents. In addition, increasing traffic volumes and changing traffic patterns typically reduce the effectiveness and efficiency of existing traffic signal controls at certain intersections, warranting upgrades.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: TransNet funding has been allocated to this project through Fiscal Year 2015.
