Capital Improvements Program

Capital Budget Introduction

In keeping with the City of San Diego's continued efforts to provide greater transparency for the general public, elected officials, and other City departments, this budget publication has been designed to provide the user with project-to-date information for the published 431 standalone and annual allocation type projects managed by 12 asset-owning departments. In order to further advance the goal of transparency, a CIP webpage (<http://www.sandiego.gov/cip/>) was developed by the Public Works - Engineering & Capital Projects Department which provides capital project information that is readily available to the public.

The **Fiscal Year 2016 Adopted Budget Summary** (page 5) focuses on activity anticipated to occur in the upcoming fiscal year. This section explains how the allocation of budget is based on a fund source analysis that takes into account project needs and priorities. To assist with the explanation of available resources, this section is broken down by funding source, descriptions, and specific projects included in the Proposed CIP Budget.

The **Profile of the City of San Diego's CIP** (page 27) details the City's Budgeting Best Practices which provides an overview of the multi-year program in accordance with the City's budget policy; the CIP prioritization process; available funding options; operating budget impacts; and total project cost estimates. In addition, this section explains how the CIP budget is developed in conjunction with the City's operating budget which follows the timeline established by the City Charter [Section 69].

A **Fiscal Year 2015 Budget Update** (page 43) details changes made to the CIP since the Fiscal Year 2015 Adopted Budget was published. Of note are new projects added to the Capital Improvements Program; projects closed and no longer published; a breakdown of expenditures by fiscal year; and contracts awarded.

To aid in understanding the development of the CIP budget, descriptions of the **Project Prioritization** process (page 49), **Project Types** (page 63), **Funding Sources** (page 67), and a **Glossary** (page 617) of terms have been included. The **Community Planning** section (page 73) provides additional details and maps of the City's planning areas. A **Guide to the Capital Improvement Projects** (page 77) details how the project pages are organized. Each asset-owning department's narrative and project pages follow the Guide. Finally, **Indexes** (page 623) will help guide the user to specific projects within the budget document.

Page Intentionally Left Blank

Capital Improvements Program

Fiscal Year 2016 Adopted Budget Summary

The Fiscal Year 2016 Adopted Capital Improvements Program (CIP) Budget is \$367.6 million. This Adopted budget allocates existing funds and anticipated revenues to both new and continuing projects in the City's \$7.57 billion multi-year CIP. The Adopted allocation of funds is based upon an analysis of available funding sources as well as a review of project needs and priorities. The City's CIP needs often outweigh available resources; therefore, the Adopted CIP budget is constrained by the availability of funds. The Fiscal Year 2016 Adopted CIP Budget, as summarized in **Table 1** below, is funded by a variety of sources, including, but not limited to, water and sewer enterprise funds, TransNet, development impact fees (DIF), and facilities benefit assessments (FBA). Further details on all funding sources and the specific projects included in the Fiscal Year 2016 Adopted CIP Budget can be found later in this section, beginning on page 7 .

Table 1: Fiscal Year 2016 Adopted CIP Budget

Funding Source	FY2016 Adopted Budget	Percent of Total CIP Budget
Bond Financing	\$ 3,876,000	1.05%
Bus Stop Capital Improvement Fund	60,000	0.02%
Developer Funding	63,732	0.02%
Development Impact Fees	33,281,000	9.05%
Environmental Growth Funds	3,284,250	0.89%
Facilities Benefit Assessments	12,566,887	3.42%
Gas Tax Fund	5,000,000	1.36%
General Fund	34,170,579	9.29%
Golf Course Enterprise Fund	175,000	0.05%
Maintenance Assessment Districts	110,000	0.03%
Mission Bay Improvements Fund	6,296,250	1.71%
OneSD/ERP Funding	5,116,800	1.39%
Park Service District Funds	450,565	0.12%
Regional Park Improvements Fund	2,500,000	0.68%
Sewer Funds	114,040,243	31.02%
TransNet Funds	18,829,521	5.12%
Utilities Undergrounding Program Fund	5,000,000	1.36%
Water Fund	122,815,547	33.41%
Grand Total	\$ 367,636,374	

An additional \$44.9 million of funding is anticipated to be received during Fiscal Year 2016. This anticipated funding is not included in the Adopted budget amount of \$367.6 million because the funding sources either require additional City Council approval, such as Facilities Benefit Assessments and grants, or the funding sources are more tentative and staff will request City Council approval to appropriate when the funds have been received. Anticipated funding includes a variety of funding such as donations, grants, developer funding, and facilities benefit assessments.

The Fiscal Year 2016 Adopted CIP Budget of \$367.6 million will support various types of projects, as displayed in **Figure 1**, such as water and sewer facilities, buildings, and transportation projects. Because the allocation of resources is primarily driven by the availability of funds, the distribution of the Adopted CIP Budget is concentrated on those project types with dedicated funding sources. The Water and Sewer Funds account for the majority of the Adopted CIP Budget and support water and

Capital Improvements Program

Fiscal Year 2016 Adopted Budget Summary

wastewater project types. In addition, 51.9 percent of the Adopted CIP Budget allocation for City buildings is for buildings that are maintained and operated by the Public Utilities Department and are funded by the Water and Sewer Funds. Transportation projects are primarily funded by TransNet, which may also fund transportation components of other project types in the right-of-way. Landfills, airports, and golf project types are funded by enterprise funds. Parks, and other building projects such as police, fire, and library buildings, compete for scarce resources, including development impact fees and the City's General Fund.

Figure 1: Fiscal Year 2016 Adopted Budget by Project Type

The City's multi-year CIP includes assets which are maintained and operated by a variety of City departments, as shown below in **Table 2**. The largest funding allocation in the Fiscal Year 2016 Adopted CIP Budget is for the Public Utilities Department's projects, receiving \$242.0 million, or 65.8 percent, of the Adopted CIP Budget. The next largest portion is for the Transportation & Storm Water Department's projects, with \$44.8 million, or 12.2 percent, of the Adopted CIP Budget. This distribution of funding for each department's projects is primarily dependent upon the availability of funding for the types of assets maintained by each department, combined with the amount, size and condition of those assets. Project pages for each asset-owning department can be found later in this volume, beginning on page 85.

Capital Improvements Program

Fiscal Year 2016 Adopted Budget Summary

Table 2: Multi-Year CIP

Department		Prior Year	FY2016 Adopted	Future Years	Total
Airports	\$	16,303,684	- \$	- \$	16,303,684

Grand Total	\$	2,302,429,835	\$ 367,636,374	\$ 4,897,001,289	\$ 7,567,067,498

The Fiscal Year 2016 Adopted CIP Budget will add \$367.6 million to the City's \$7.57 billion multi-year CIP, as reflected in **Table 2**. City Council previously approved \$2.30 billion towards projects that are continuing from previous fiscal years. An estimated \$4.90 billion of additional funding will be needed in future years to complete the projects currently in the City's CIP and to fund annual ongoing capital expenses, such as road resurfacing and pipe replacements. The City's CIP does not include all of the City's unfunded CIP needs or new projects which may be added in future years. For more information about the City's multi-year CIP, please refer to the Profile of the City of San Diego's CIP section, beginning on page 27.

Funding Sources for the Fiscal Year 2016 Adopted CIP Budget

The Fiscal Year 2016 Adopted CIP Budget of \$367.6 million was developed by evaluating available funding sources for new and continuing CIP projects. The following discussion identifies the funding sources which have been allocated to projects for Fiscal Year 2016 and describes each funding source's purpose and constraints. Some funding sources are very flexible and can be used for a variety of projects while other funding sources are restricted, in some cases to certain types of projects or areas of the community. Further, funds to support capital projects are limited, requiring that project needs and priorities be evaluated within the requirements of the funding source. For more information on the more common funding sources used in the CIP, refer to the Funding Sources section of this volume beginning on page 67. While projects are prioritized within project types, funding sources may be constrained by other factors, such as geographic region or specific contractual agreements. Therefore, projects with low priority scores may be proposed to receive funding because they are the highest scoring projects that meet the requirements of a particular funding source.

The Fiscal Year 2016 Adopted CIP Budget includes funding for 103 CIP projects, of which 13 are new this year. Most of the projects are standalones, limited to a single asset or set of assets with a

Capital Improvements Program

Fiscal Year 2016 Adopted Budget Summary

clear scope for project completion, while others are annual allocation projects which receive funding each year to provide for ongoing repair and replacement of a certain asset type.

Included with the description of each funding source is a list of the projects that are proposed to receive funding in Fiscal Year 2016. Projects are listed in alphabetical order along with the project's page number, an indication of whether the project is new for Fiscal Year 2016 or continuing from a prior year, the project's priority score and category, and the Fiscal Year 2016 Adopted Budget amount. Annual allocation projects and projects in construction are not scored. Refer to the Project Prioritization section on page 49 for more information on the scoring process.

Bond Financing

A legislatively established subdivision of government established to revitalize blighted and economically depressed areas of a community and to promote economic growth. Tax Allocation Bonds are issued to pay the cost of land and building acquisition and their redevelopment and are repaid by the incremental increase in tax revenues produced by the increase assessed value of the area after redevelopment. The Adopted CIP Budget for Fiscal Year 2016 is \$3.9 million, as shown in **Table 3**.

Table 3: Bond Financing

Project	Page No.	Project Status	Priority Score	Priority Category	FY2016 Adopted
San Ysidro Branch Library / S00802	162	Continuing	62	Low \$	3,876,000
Total				\$	3,876,000

Bus Stop Improvement Fund

The City receives revenue for advertisements on bus benches and bus shelters. This funding is restricted to making capital improvements to roadways adjacent to bus stops. Fiscal Year 2016 revenues in this fund are budgeted for installing concrete bus pads. The Adopted CIP Budget for Fiscal Year 2016 is \$60,000, as shown in **Table 4**.

Table 4: Bus Stop Improvement Fund

Project	Page No.	Project Status	Priority Score	Priority Category	FY2016 Adopted
Bus Stop Improvements / AID00007	500	Continuing	Annual	Annual \$	60,000
Total				\$	60,000

Developer Funding

Contributions may be received from developers to support City CIP projects. These funds are provided in order to satisfy conditions placed on development and are usually restricted to certain projects, or types of projects, in specific areas. For Fiscal Year 2016, \$63,732 of developer funding has been added to the CIP budget in two continuing projects, **Table 5**.

Table 5: Developer Funding

Project	Page No.	Project Status	Priority Score	Priority Category	FY2016 Adopted
Fire-Rescue Air Operations Facility / S15012	134	Continuing	78	Medium \$	39,981

Total				\$	63,732

Capital Improvements Program

Fiscal Year 2016 Adopted Budget Summary

Development Impact Fees

Development impact fees (DIFs) are assessed to mitigate the impacts of development on a community. These funds are then used to expand existing City facilities or build new facilities to support the increased population. DIFs are assessed within a specific community and must be used for expanded or new facilities within the same community. A total of \$33.3 million in DIF funding has been added to CIP projects in Fiscal Year 2016. A summary of these amounts by community is provided in **Table 6**.

Table 6: Development Impact Fees by Community

Community	FY2016 Adopted Budget
Centre City	\$ 30,000,000
Clairemont Mesa	250,000
College Area	270,000
Kearny Mesa	740,000
Mid-City	75,000
Midway/Pacific Highway	10,000
Mission Valley	450,000
Navajo	140,000
North Park	100,000
Pacific Beach	196,000
Peninsula	160,000
Serra Mesa	430,000
Tierrasanta	170,000
Uptown	290,000
Total	\$ 33,281,000

Available DIF funding is one of the most competitive funding sources in the CIP. The needs of most urbanized communities outweigh the availability of funds. A total of 16 projects have received DIF funding in Fiscal Year 2016 as shown in **Table 7**. The Americans with Disabilities Improvements, Traffic Signals - Citywide, and Traffic Signals Modifications annual allocation projects will provide improvements throughout many different communities and, as a result, will receive funding from the various DIF communities in which the projects are taking place. The other DIF funded projects are located within individual DIF communities.

Environmental Growth Funds

A portion of franchise fee revenue from the transmission and distribution of gas, electricity, and steam is allocated to the Environmental Growth Fund in accordance with City Charter Article VII, Section 103.1a. Funds are used exclusively for the purpose of preserving and enhancing the environment of the City of San Diego. For Fiscal Year 2016, \$3.3 million has been allocated to three projects, as shown in **Table 8**.

Table 8: Environmental Growth Funds

Facilities Benefit Assessments

A Facilities Benefit Assessment (FBA) generally provides 100 percent of funds for public facilities projects which service a designated area of benefit and are identified in the Public Facilities Financing Plan (PFFP). The dollar amount of the assessment is based upon the cost of each public facility equitably distributed over a designated area of benefit in the community planning area. Fees will be paid on the actual development when permits are issued. A total of \$12.6 million has been added to the Fiscal Year 2016 Adopted Budget as shown in **Table 9**.

Table 9: Facilities Benefit Assessments

Total					\$ 12,566,887

Gas Tax Fund

The Gas Tax Fund collects revenue resulting from a tax on the sale of gasoline. The current total State Excise Tax on gasoline is 18 cents per gallon. The City's share of gas tax revenue is based on

Capital Improvements Program

Fiscal Year 2016 Adopted Budget Summary

a formula that takes into account vehicle registration, assessed property valuation, and population. The funding generated is used to perform citywide repairs and restoration to existing roadways, reduce congestion, improve safety, and provide for the construction of assets within the public right-of-way. A total of \$5.0 million has been added to the Fiscal Year 2016 Adopted Budget as shown in **Table 10**.

Table 10: Gas Tax Fund

General Fund

The City's General Fund supports core community services, such as public safety, parks, libraries, refuse collection, and roadway maintenance. The largest funding sources for the General Fund are taxes, such as property, sales, and transient occupancy taxes, and franchise fees. Because the General Fund is the primary funding source for basic City services and those funds are limited, General Fund monies are only used for the most urgent capital projects that do not have any other available funding sources. The use of General Fund monies for CIP impacts the operational budgets of the departments requesting these funds. The General Fund CIP budget for Fiscal Year 2016 is \$34.2 million as shown in **Table 11**.

Fiscal Year 2016 Adopted Budget Summary

Golf Course Enterprise Fund

The Golf Course Enterprise Funds support the City's three municipal golf courses: Balboa Park, Mission Bay and Torrey Pines. These funds receive revenue from the operations of the golf courses, which are in turn used to fund capital projects that improve and/or maintain the condition of the courses. Projects for Balboa Park Golf Course received additional funding in Fiscal Year 2016, for a total Golf Course Enterprise Funds allocation of \$175,000, **Table 12**.

Table 12: Golf Course Enterprise Funds

Balboa Park Golf Course / AEA00002	186	Continuing	Annual	Annual \$	175,000
Total				\$	175,000

Maintenance Assessment Districts

Property owners in Maintenance Assessment Districts (MADs) assess themselves in order to pay for enhanced improvements, maintenance, services, and activities in their community. If those improvements are capital in nature, they are included in the CIP budget. Listed below in **Table 13** are the \$110,000 of MAD-funded projects requested by the respective districts for inclusion in the Fiscal Year 2016 Adopted CIP Budget.

Total				\$	110,000

Mission Bay Improvements Fund

The Mission Bay Improvements Fund receives revenue from Mission Bay rents and concessions in accordance with San Diego City Charter Article V, Section 55.2. These funds may only be spent in the Mission Bay Park for capital improvements. The Adopted budget of \$6.3 million is based on current projections of the revenue to be received by the end of Fiscal Year 2015. Once the revenue is received, the Park & Recreation Department will work with the Mission Bay Park Improvement Fund Oversight Committee to identify specific sub-projects per the City Charter and based on the actual amount of available revenue. For Fiscal Year 2016, \$6.3 million has been allocated in the Mission Bay Improvements annual allocation, as shown in **Table 14**.

Fiscal Year 2016 Adopted Budget Summary

OneSD / ERP Funding

The OneSD Support Fund is a special revenue fund which receives revenue from other City departments in order to manage and maintain the City's Enterprise Resource Planning (ERP) system. While most of the funding is used to maintain the existing system, efforts are also underway to implement and/or integrate additional modules into the ERP system. The Fiscal Year 2016 Adopted CIP Budget includes \$5.1 million of OneSD Support Funds, as shown in **Table 15**, to establish a new project to implement the Enterprise Asset Management (EAM) system.

Table 15: OneSD / ERP Funding

Total				\$	5,116,800

Park Service District Funds

Park Service District Funds were established to support park facilities. The funds must be used for capital improvements within the district in which the funds were collected. These funds are no longer earning revenue and have been replaced with development impact fees and facilities benefit assessments, which include a park component in the fees. In an effort to allocate remaining funds, \$450,565 of Park Service District funds have been added to the Adopted CIP Budget for Fiscal Year 2016 as shown in **Table 14**.

Regional Park Improvements Fund

The Regional Park Improvements Fund receives revenue from Mission Bay rents and concessions in accordance with San Diego City Charter Article V, Section 55.2. These funds may only be spent on capital improvements in the City's regional parks, including Balboa Park, Chollas Lake Park, Mission Trails Regional Park, Otay River Valley Park, Presidio Park, San Diego River Park, open space

Capital Improvements Program

Fiscal Year 2016 Adopted Budget Summary

parks, and coastal beaches and contiguous coastal parks. The Adopted budget of \$2.5 million is based on current projections of the revenue and estimated fund balance for Fiscal Year 2015. Once the revenue is received, the Park & Recreation Department will work with the San Diego Regional Parks Improvement Fund Oversight Committee to identify specific sub-projects based on the actual amount of available revenue. For Fiscal Year 2016, \$2.5 million has been allocated to four projects, as shown in **Table 17**.

Table 17: Regional Park Improvements Fund

Project	Page No.	Project Status	Priority Score	Priority Category	FY2016 Adopted
Junipero Serra Museum ADA Improvements / S15034	237	Continuing	60	Medium	\$ 500,000

Total					\$ 2,500,000

Sewer Funds

The Sewer Funds are enterprise funds that support the Municipal and Metropolitan Sewer Systems. Funding for sewer capital projects is provided by a variety of sources, including sewer rates, bond financing, state revolving fund loans, and grants. A total of \$114.0 million in Sewer Funds is added to the CIP budget for Fiscal Year 2016, as shown in **Table 18**. This funding will support projects to meet the requirements of the Clean Water Act and projects to replace and/or rehabilitate the aging sewer system infrastructure.

Table 18: Sewer Funds

TransNet Funds

TransNet is a one-half cent local sales tax that can only be used for projects in the City's right-of-way. The primary goal of TransNet funding is to reduce traffic congestion. In addition to roadway improvements, the funds can be used for bicycle facilities, bridges, pedestrian facilities and traffic

Capital Improvements Program

Fiscal Year 2016 Adopted Budget Summary

signals. The City's transportation needs greatly outweigh the availability of funds. Projects are considered for inclusion in the budget based on community needs and the individual project's priority score. Efforts are made to distribute funding among all transportation assets types, such as roadways, traffic signals and calming, and bike facilities. Priority scores vary among the transportation asset types which results in funding some projects that are scored lower within the overall transportation category but highest within the individual asset type. The Fiscal Year 2016 Adopted CIP Budget of \$18.8 million, as shown in **Table 19**, adds funding to five projects, which includes two annual allocations.

Table 19: TransNet Funds

Project	Page No.	Project Status	Priority Score	Priority Category	FY2016 Adopted

Utilities Undergrounding Program Fund

This fund provides for the undergrounding of City utilities. San Diego Gas & Electric (SDG&E) includes a surcharge for the undergrounding of utilities on electric bills. This amount is deposited with the City to be used solely for the undergrounding of electrical lines and associated activities. For Fiscal Year 2016, \$5.0 million has been allocated in the Utilities Undergrounding Program annual allocation, as shown in **Table 20**.

Table 20: Utilities Undergrounding Program Fund

Water Fund

The Water Fund is an enterprise fund that supports the City's Water System. Funding for water capital projects is provided by a variety of sources, including water rates, bond financing, state revolving fund loans, and grants. The Fiscal Year 2016 Adopted CIP Budget of \$122.8 million from the Water Fund, as shown in **Table 21**, includes projects contained in the Compliance Order from the California Department of Public Health as well as projects to meet the requirements of the federal Safe Drinking Act and projects to replace and/or rehabilitate the aging water system infrastructure.

Projects to Fund with Other Project Savings

Following, in **Table 22**, is a list of underfunded projects that are proposed to receive funding during Fiscal Year 2016, pending availability of funds from other project closures. This list is organized in priority order by project and includes the project's page number and priority score along with the phase or activity that would be funded and the amount of funding needed for that phase of the project. These projects will be eligible to receive a budget increase without returning to City Council during the fiscal year. If another project is substantially completed and put into service with budget remaining, it may be transferred to the first eligible project on this list, rather than returning the unspent money to fund balance. By receiving City Council approval for these budget transfers in advance, these projects can be accelerated as soon as funding becomes available. If the first project is not eligible for the available funding source, or if available funds exceed the amount requested for the project, the amount not allocated to the first project would move on to the next project on the list and so forth. This budgetary authority has been included in the Fiscal Year 2016 Appropriations Ordinance.

Developer Credits

Pursuant to the Municipal Code and City of San Diego RTCIP Funding Program, the City may accept public facilities improvements as consideration in lieu of the FBA, DIF, or RTCIP. In these cases a developer provides capital improvements as credit against current and future fees. The amount of the credit is based on the final cost of the capital improvements as verified by the City. A credit is only available based upon an executed reimbursement agreement which has been approved by City Council and pursuant to the RTCIP Credit Policy. Because the City does not receive cash as reimbursement for capital improvements provided by the developer, FBA credits are not included as a funding source in the department's CIP project pages. Therefore, in order to show the contribution of FBA credits to the Capital Improvement Program, a list of projects receiving developer credits are listed below in **Table 23**.

Capital Improvements Program

Note: The Credit listings above are exclusive to those projects which are being funded through FBA, DIF, and RTCIP credits and is not inclusive of the entire funding program.

¹ PFFP stands for Public Facilities Financing Plan.

² A full description of each project is contained in the respective Public Facilities Financing Plans.

³ The timing of the funding for this project has been pushed back; therefore, previous FY 2013 anticipated funding has been combined into Future Years Credit.

⁴ This is a completed project with remaining FBA credits scheduled for future years.

⁵ It's anticipated that final credits will be awarded for this project and used in FY 2015.

⁶ A full description of each project is contained in the Quarry Falls Transportation Phasing Plan Project No. 49068.

Planned Construction Contracts

In Fiscal Year 2012, City Council approved increases in the Mayor's CIP contract execution thresholds. As a result, most CIP projects are able to proceed with awarding construction contracts without returning to City Council for additional authorization, as long as City Council has approved the project's budget and the contract is under \$30 million. This is estimated to reduce project execution timelines by three to 12 months. Since the individual contracts will no longer be brought before City Council prior to award, they are provided here. The list of projects anticipated to move forward to bid and award construction contracts during Fiscal Year 2016 is shown in **Table 24**; any changes to the list (i.e., added/deleted projects or contracting method) throughout the fiscal year will be communicated to the City Council. The list is organized by department and then alphabetically by project and includes the construction contract delivery method and estimated amount of the contract.

Capital Improvements Program

Fiscal Year 2016 Adopted Budget Summary

Conclusion

The Fiscal Year 2016 Adopted CIP Budget provides a \$367.6 million increase to the City's multi-year CIP. This budget will establish 13 new projects and add funding to 103 continuing projects spanning a variety of departments and project types. The Fiscal Year 2016 Adopted CIP Budget also includes a list of underfunded projects which are proposed to receive funding if other projects have savings at project completion, and a list of projects which are anticipated to be entering into construction contracts during the fiscal year. City Council approved the \$367.6 million increase to the City's CIP (**Tables 3-21**), the projects to fund when other projects close (**Table 22**) and the planned construction contracts (**Table 24**) for Fiscal Year 2016.

Profile of the City of San Diego's CIP

Budgeting Best Practices

The City of San Diego's Capital Improvements Program (CIP) is a multi-year forecast of capital needs which includes new construction projects and planned improvements of existing facilities. The CIP establishes structure and consistency by identifying, prioritizing, approving, and funding capital improvement projects through coordination of the participating City departments and the Mayor's Capital Improvements Program Review and Advisory Committee (CIPRAC). Implementation of CIP projects is based on the City's adopted General Plan and applicable community plans.

In accordance with the City's budget policy (City Council Policy 000-02), CIP descriptions clearly establish that a project is capital in nature. Projects include, but are not limited to, the construction, purchase, or major renovation of buildings, utility systems, and other facilities; in addition to land acquisition and roadway projects. Each capital project is represented by a City department and categorized by project type and improvement type. Project types provide a categorized breakdown of the type of facility being constructed or improved. Improvement types describe the project's impact on existing assets and may be identified as providing betterment, expansion, replacement, or widening of an existing City asset or the project may result in a new asset to the City. Project types are discussed in greater detail beginning on page 63.

The City's CIP prioritization process establishes guidelines for project selection and an objective process for ranking projects which then allows decision-makers a basis for optimizing the use of available funding resources. City Council Policy 800-14, Prioritizing Capital Improvement Program Projects, updated in November 2013, details the purpose, process, and implementation of the City's prioritization process. For further information on priority scores and policies see the Project Prioritization section on page 49.

Funding for the CIP is programmed from a variety of sources, such as: sewer and water fees, a one half-cent local sales tax for transportation improvements, development impact fees, facilities benefit assessments, private donations, the sale of City-owned property, and State and federal grants. Financing in the form of bonds may be utilized for large and/or costly projects, and deferred capital project needs.

Additionally, funding options utilizing the available resources are taken into consideration in the programming of projects. Annual allocations are budgeted each year and allow the City to better plan for the expansion, renovation, reallocation, or replacement of facilities, as well as providing for emergency and accelerated construction needs. This type of financial planning allows the City to better address State and federal standards. Phase funding provides a process by which large projects are budgeted in an efficient manner that maximizes the use of available funds. This method of funding allows the contract or project to be divided into clearly defined phases which are contracted for independently, allowing the funds to be phased into the project based on the timing of expenses.

Identification of unfunded needs, or unidentified funding, provides a method for communicating resource requirements of projects that are not fully funded and for which a fund source has not yet been identified. Some CIP project schedules indicate an undetermined timeline with unfunded needs as a mechanism to communicate intent or community support for improvements.

The operating budget impact included on many CIP projects provides a reasonable estimate of a capital project's effect on the operating budget of the asset-owning department. New or expanded capital projects can lead to increased programs which require additional personnel and non-

Capital Improvements Program

Profile of the City of San Diego's CIP

personnel expenditures. Conversely, capital enhancements, such as energy efficiencies, may reduce on-going operating or maintenance expenditures. Explanation of the operating budget impact establishes the connection between the construction of an asset and the required operational needs following project completion.

CIP project cost estimates are developed by City departments based on capital asset type and commonly accepted methodology to determine a project cost that is complete, reliable, attainable, and easily verified. Project budgets consist of identified or potential funding sources and previously allocated funding. City departments are responsible for the regular monitoring of expenditures, encumbrances, and continuing appropriations of authorized CIP budgets in order to ensure accuracy and accountability within each project. Financial data referenced in the budget includes total costs and fund allocations since project inception.

The CIP budget is the mechanism that implements the CIP and fulfills a requirement of the City Charter (Section 69). The City Council annually approves the CIP budget and the allocation of funds for the included projects via the Appropriations Ordinance (AO) which establishes capital spending limits for a given fiscal year. These limits include appropriations carried forward from prior years as authorized in the City Charter (Section 84). Although the budget includes a provision for current year anticipated funding, these funds are not included in the AO as they are either not certain to be received within the fiscal year or the appropriation of the funds will require additional legal authority. Spending limits, based on updated information, can be amended during the year through City Council action. For example, a grant may be shown as anticipated until all related documents are fully executed. The agreements must be accepted and the funding appropriated via an approved Council resolution.

CIP Streamlining and Transparency

In accordance with Council Policy 000-31, Capital Improvements Program Transparency, the Fiscal Year 2016 Adopted CIP Budget document includes the following information.

- A list of underfunded projects which are proposed to receive funding if other projects have savings at project completion is provided on page 16.
- A list of projects entering into construction contracts is provided on page 20 so that City Council may review the contracts as part of the budget process, rather than requiring a project to return to City Council later in the fiscal year.
- All projects in the Fiscal Year 2016 Adopted CIP Budget have been organized into four project status categories as shown in **Table 2** at the end of this section on page 32. The project status categories are:
 - *New*: projects that are newly established as part of the Fiscal Year 2016 Adopted Budget
 - *Continuing*: projects initiated in Fiscal Year 2015, or in a prior year, and are currently in progress
 - *Warranty*: projects that are technically completed, and the asset has been put into service, but have not yet been closed
 - *Underfunded*: projects that are on hold due to lack of funding
- Details of funding sources and proposed Fiscal Year 2016 allocations for City Council approval can be found in the Fiscal Year 2016 Adopted CIP Budget Summary (pages 5-26).
- Department narratives have been included for each asset-owning department in conjunction with a list of that department's projects and precede each department's project pages.

Capital Improvements Program

Profile of the City of San Diego's CIP

- A CIP webpage (<http://www.sandiego.gov/cip/>) was created by the Public Works Department which provides project information that is readily available to the public.

In addition to the streamlining measures above, the Public Works Department presented a list of 13 additional process improvements and streamlining measures to the Infrastructure Committee on March 11, 2015, and subsequently presented to the City Council on April 21, 2015. These improvements will further assist with the efficient delivery of CIP projects and are estimated to reduce the overall cost of CIP delivery between \$3.0 million and \$9.0 million annually for all CIP projects combined. Additionally, CIP cash management process improvements were presented to the Infrastructure Committee and Budget and Governmental Efficiency Committee by the Financial Management Department on March 11, 2015 and March 18, 2015, respectively, and subsequently presented to the City Council on April 21, 2015. The purpose of these improvements, which include an internal CIP monitoring process, CIP budget review process, reallocation of funding from projects that are technically completed, pooling project contingencies, deappropriation of annual allocations at year-end, encumbrance policy improvements, and a commercial paper program, is to manage cash in the CIP as efficiently and effectively as possible.

CIP Performance Measures

In order to evaluate the success of the execution of the City's entire Capital Improvements Program, the following performance measures will be tracked and reported to the Infrastructure Committee twice a year as part of the State of the CIP Report. These six measures were designed to give an accurate and transparent account of ongoing CIP activity.

- The total amount expended on CIP projects.
- The value of CIP contracts awarded for construction.
- The value of CIP construction work-in-place.
- The average number of days from bid opening to construction contract award for CIP projects.
- The number of notices of award for CIP construction contracts.
- The percentage of all CIP funds awarded through construction and consultant contracts that are restricted to SLBE/ELBE certified firms.

Multi-Year CIP Program

Buildings, infrastructure, technology, and major equipment are the physical foundation for providing services to the City's constituents. Therefore, the procurement, construction, and maintenance of capital assets are a critical activity of the City. Careful planning involves ongoing review of the City's capital needs and funding programs to develop an integrated capital asset management system. In addition, the CIP Audit of 2011 elaborated on how important it was for the City to implement a comprehensive multi-year plan in addition to the annual CIP budget. A prudent multi-year capital plan will identify and prioritize expected needs based on a community's strategic plan, establish project scope and cost, detail estimated amounts of funding from various sources, and project future operating and maintenance costs that will expand well beyond one year.

To this end, the Public Works Department released Report No: 15-008, Multi-Year Capital Planning Report (MYCP), on January 16, 2015. The MYCP is the first ever consolidated CIP plan which presents a comprehensive overview of the City's MYCP including current driving factors, reviews of services level standards, a discussion of condition assessment impacts, and a cost analysis which spans over multiple fiscal years. The MYCP will be released on an annual basis and will be used as a guide in developing the City's Annual Capital Improvement Program Budget.

Capital Improvements Program

Profile of the City of San Diego's CIP

The City's CIP budget incorporates five fiscal years of budget data. It includes all on-going projects with details of current budget-to-date and expended/encumbered funding, while also detailing future revenue estimates and forecasting future needs. The budget serves as a planning tool for balancing anticipated funding with community needs and requests. The CIP budget not only shows the current adopted budget but is a reflection of future intent. Projected budgets shown for the next four fiscal years are not a part of the annual Appropriations Ordinance adopted by City Council.

Future year funding is based upon estimated revenue from various sources. For example, Facilities Benefit Assessments (FBA) are dependent upon the rate of development in communities. Although current projections show that revenue should be received, in reality a certain portion of these fees may not be collected at the rate assumed in the five-year plan. FBA funded project budgets should mirror the project as represented in Public Facilities Financing Plans. TransNet revenue estimates are based upon sales tax projections provided by the San Diego Association of Governments (SANDAG). These estimates are utilized in preparation of the TransNet five-year program of projects as required by SANDAG for compliance with the Regional Transportation Improvement Program. These and all other revenue sources are carefully monitored throughout the year and will be adjusted as needed. The City's enterprise funds are received directly from fees and charges to users. These funding sources are reflected in the Airports, Environmental Services, Park & Recreation, and Public Utilities Departments. Anticipated funding from these sources is based on revenue trends and fees or rate schedules. Other funding sources may also be included. For projects without sufficient identified funding, the balance required to fulfill the engineer's cost estimate is included on the unfunded needs list. It should also be noted that project cost estimates reflect uninflated dollars and are not adjusted for market volatility.

Table 1 provides expected revenues in major fund source categories for the current budget year and following four years of the multi-year CIP.

Table 1: Five-Year CIP by Funding Source (in thousands of dollars)

Funding Source	FY2016 Adopted	FY2016 Anticipated	FY2017	FY2018	FY2019	FY2020	Total by Source

Total	\$ 367,636	\$ 44,879	\$ 674,206	\$ 446,904	\$ 416,963	\$ 480,154	\$ 2,430,741

Note: This table does not include unidentified funding of \$1.53 billion or \$1.30 billion of funding expected in Fiscal Year 2021 or beyond.

Projects within the CIP budget are required to include estimates of the project's impact on the City's operating budget. Operating impacts are provided for the first year, or the annualized portion of the first year, an asset is anticipated to be put into service. Full-year projections are also provided for each year in the five-year plan. Operating impacts include both personnel and non-personnel expenditures and are critical for departments proposing new facilities with ongoing staffing needs which will require increased expenditures in the City's General Fund.

Following is a sample of important projects in the five-year program with significant milestones expected in Fiscal Year 2016:

- The launching of Public Utilities innovative water purification technology known as Pure Water San Diego. Pure Water San Diego is a 20-year cost effective, integrated water and wastewater capital improvement program to provide a safe, secure, and sustainable local water supply by turning recycled water into drinkable water through the use of water purification technology. It will also eliminate the need for nearly \$2.00 billion of upgrades to the Point Loma Wastewater Treatment Plant and associated facilities.
- Over 300 miles of City streets will be resurfaced, contributing to the goal of resurfacing 1,000 miles within five years and reaching an average OCI of 70 in 10 years for all City streets.
- The Charles Lewis III Memorial Park in City Heights will be completed.
- In collaboration with the Public Utilities Department, the Environmental Services Department, will install solar photovoltaic systems at Bayview Reservoir and the Metropolitan Operations Center complex. These systems will range in size from 30 to 500 kilowatts. Combined, these systems are anticipated to generate one megawatt of solar power.
- The Fire-Rescue Department continues to update and construct facilities to best serve the City of San Diego and to conform to the Citygate Report's recommendations. Some highlights include the completion of Fire Station 45 located in Mission Valley, and land acquisition for both fire stations at Home Avenue and Fire Station 7 in Barrio Logan.
- The Library Department will make major headway on the Skyline Hills Branch Library as they expect to finish construction on this facility in Fiscal Year 2018 to better serve the residents of this community.

Many programs will continue throughout the multi-year program, including:

- Undergrounding of utilities
- Bond financing for deferred capital projects
- Improvements for compliance with the Americans with Disabilities Act

Capital Improvements Program

Profile of the City of San Diego's CIP

Budget Process

The CIP budget is developed in conjunction with the City's operating budget and follows the timeline established by the City Charter. Development of the CIP budget begins earlier than that of the operating budget and is initiated by a review of project status and community needs conducted by the Public Works Department in coordination with City's asset-owning departments.

The CIP budget process considers project priorities and funding availability.

October - February: Budget development training on the budgeting system and the current CIP budget process is provided to City departments with CIP project responsibilities. Departments develop fiscal year needs based on MYCP and submit proposed CIP funding requests to Financial Management which are then brought to Capital Improvements Program Review and Advisory Committee (CIPRAC) for a recommendation to the Mayor. During this timeframe, Financial Management also confirms the availability of funds to support the budget to be considered by CIPRAC. The CIP budget development and CIPRAC approval calendar is established by the Financial Management and Public Works Departments.

February - March: In coordination with asset-owning departments, Financial Management reviews all CIP project pages and prepares the proposed budget publication.

April: The Mayor releases the Proposed Budget to the public by April 15 in compliance with the City Charter [Article XV, Section 265, Item (b) (15)].

May: During the month of May, the City Council holds a series of public budget hearings. Council members may recommend changes to the Proposed CIP Budget. Additionally, the Mayor's May Revision to the Proposed Budget is released. This report recommends changes to specific CIP project budgets based on updated information.

June: City Council reviews final modifications and approves the budget in June. The Mayor's veto period follows City Council's initial approval. Once the budget is approved, the final changes are implemented. The Change Letter will be created to summarize the May Revision and Council Action changes to the CIP Budget.

July: The annual Appropriations Ordinance is presented to the City Council and adopted in July authorizing expenditure of the CIP budget.

Capital Improvements Program

Fiscal Year 2015 Budget Update

Fiscal Year 2015 Budget Update

Project Changes

The Fiscal Year 2015 Adopted Capital Improvements Program budget published 447 ongoing and new standalone and annual allocation projects. Since publication, 61 of these projects have been closed or cancelled and 45 projects have been initiated. The Fiscal Year 2016 Adopted Budget includes 431 standalone and annual allocation projects. **Table 1** lists the 45 newly published projects which includes 13 projects receiving funding for the first time in the Fiscal Year 2016 Adopted Budget and other projects which have been added during Fiscal Year 2015 or are anticipated to be added in Fiscal Year 2016 via City Council resolution.

¹ New Projects for Fiscal Year 2016

It is important to note that although the published number of projects is 431, the total number of active projects being managed is nearly 1,350. This number includes all active sublets of annual allocations in addition to all standalone projects.

Project Progress

In accordance with Council Policy 000-31, Capital Improvements Program Transparency, all published projects in the CIP budget have been categorized by four progress categories - *New*, *Continuing*, *Warranty* or *Underfunded*. The complete list of categorized projects can be found in the Profile of the City's CIP section on page 27. The current breakdown is shown in **Figure 1** below.

Figure 1: Projects by Project Status

Capital Improvements Program

Fiscal Year 2015 Budget Update

In Fiscal Year 2015, 61 projects have been closed or cancelled. Approximately \$13.4 million in a variety of sources was returned to fund balances or transferred to other projects as a result of these closures. Not all projects resulted in completed assets; some of the projects were cancelled or abandoned resulting in the budget being removed. **Table 2** at the end of this section lists the projects that have been closed and are no longer published.

Project Expenditures

Since Fiscal Year 2010, \$1.96 billion dollars has been added to the Capital Improvements Program budget and \$1.91 billion has been expended. The chart below shows a significant budget surplus in Fiscal Year 2010 due in part to the addition of deferred capital bond financing. Budget added annually supports the on-going needs of the CIP and multi-year life of projects. Expenditures of funds appropriated in one year may occur over a number of years. For Fiscal Year 2015, the largest portion of CIP dollars were spent on City buildings, transportation, water, and wastewater projects. These four project types represent 90.3 percent of the \$304.1 million in CIP expenditures during this time.

Figure 2: Budget Added and Expended by Year (In Millions of Dollars)

* Fiscal Year 2012 Net Budget Added has been predominantly reduced by project closures.

** Fiscal Year 2015 Net Budget Added and Expended include activity through June 30, 2015.

Contracts Awarded

Consultant and construction contracts account for a significant portion of annual CIP expenditures. The Public Works Department, is responsible for the bid and award process for CIP contracts. For Fiscal Year 2015, 88 consultant and construction contracts, totaling \$266.3 million, were awarded.

One goal of City Council Policy 000-31, Capital Improvements Program Transparency, is the streamlining of the contract award process. By publishing a list of projects expecting to enter into

Capital Improvements Program

Fiscal Year 2015 Budget Update

contracts in the budget document, City Council has the opportunity to review the contracts as part of the budget process, rather than requiring a project to return to City Council later in the fiscal year. This is expected to reduce the project execution time by three to 12 months. The list of projects expecting to enter into contracts during Fiscal Year 2016 can be found on page 20.

Project Prioritization

Priority Scores are given to projects as a way to compare them to other similar projects of the same project type within the Capital Improvements Program (CIP). Since the implementation of the Prioritization Policy, it has been the goal of the CIP to refine and expand the method in which projects are scored and ranked.

Prioritization Policy

Council Policy 800-14, Prioritizing CIP Projects, outlines the process for scoring and prioritizing projects. The policy was updated in November 2013 and is intended to guide the City Council, Mayor and the Mayor's Capital Improvement Program Review and Advisory Committee (CIPRAC) in their CIP deliberations. The policy establishes a capital planning process that ultimately leads to decisions that optimize the use of available resources for projects competing for funding, resulting in the maximum benefit from the projects delivered. The amended Council Policy addresses areas of improvements identified in the 2011 CIP Audit and 2012 Public Utilities Department Audit that include consideration for emergency projects, risk to environment and sustainability of resources in prioritizing CIP projects. The amended Council Policy also provides guidelines and procedures to maintain consistency in application across all asset-owning departments by requiring asset specific scoring methodology using unique operational needs and a more objective scoring tool. The policy was initially adopted for transportation projects in Fiscal Year 2007 and first revised in Fiscal Year 2008 to incorporate the prioritization of all capital projects. Projects that were scored prior to November 13, 2013 used the process approved in the prior Prioritization Policy, revised in Fiscal Year 2008.

Briefly, the policy states that:

- Projects within restricted funding categories will compete only with projects within the same funding category.
- Projects will compete only with projects within the same asset categories, which include: Enterprise-Funded Assets and Mandated Programs, Mobility Assets, Public Safety Assets, and Neighborhood Assets.
- Prior to inclusion in the CIP Budget, a simple high level project score will be developed to aide in the determination of whether or not the project will be included in the next fiscal year CIP Budget.
- Once included in the CIP Budget, projects will compete only with projects within the same level of completion or project development phase (planning, design, and construction).
- Project Priority Scores will be updated as the condition of the project changes or other information becomes available.
- Low scoring projects may proceed due to unique funding source restrictions.

In addition, projects that were in construction or had completed construction as of Fiscal Year 2012 have not been scored. These projects are noted as not applicable (N/A). Annual allocation project types, funded yearly for ongoing repair and replacement of smaller projects, are not scored and are noted as Annual.

Capital Improvements Program

Project Prioritization

Priority Scoring

Table 1 lists, in order of importance, the scoring weights taken into consideration when projects are scored. Projects receive points for each category from a minimum of zero to a maximum equivalent to the weight of the category.

Table 1: Scoring Weights

Factors	Enterprise-Funded Assets and Mandated Programs	Mobility Assets	Public Safety Assets	Neighborhood Assets
Risk to Health, Safety and Environment and Regulatory or Mandated Requirements	25	20	15	10
Asset Condition, Annual Recurring Costs and Asset Longevity	20	20	20	15
Community Investment and Economic Prosperity	20	20	10	25
Level and Quality of Service	10	20	30	20
Sustainability and Conservation	10	5	5	10
Funding Availability	5	5	10	5
Project Readiness	5	5	5	5
Multiple Category Benefit and Bundling Opportunities	5	5	5	10
Total	100	100	100	100

Priority Categories

Priority Scores for CIP projects, within each major asset category, have been grouped into the following Priority Categories. However, major asset types with six or fewer scored projects are defaulted to Medium.

- High: Priority Scores in the upper one-third, or the highest 33-percent, of priority scores by major asset type category.
- Medium: Priority Scores in the middle one-third, or the middle 33-percent, of all priority scores by major asset type category.
- Low: Priority Scores in the lower one-third, or the lowest 33-percent, of all priority scores by major asset type category.

Table 2 groups all active projects by major asset category. The projects are then listed by priority score.

Table 2: Capital Improvement Projects by Project Type and Priority Scores

Project	Page No.	Project Status	Priority Score	Priority Category
Airport Assets				
Brown Field / AAA00002	91	Continuing	Annual	Annual
Montgomery Field / AAA00001	92	Continuing	Annual	Annual

Capital Improvements Program

Project Types

The Capital Improvements Program (CIP) uses a variety of project types, which are a more specific manner of categorizing the kind of improvement provided by each project. Below is a description of each of the major project types along with a summary schedule of their budgets.

Airport Assets

Airport Assets include anything related to the two airports that the City of San Diego oversees, Montgomery and Brown Field Airports. These assets are managed by the Airports Division and the Airport Assets Project Types can be seen below in **Table 1**.

Table 1: Airport Assets Project Types

Project Type	Prior Fiscal Years	FY2016 Adopted	Future Fiscal Years	Project Type Total
Airport Assets	\$ 16,303,684	\$ -	\$ -	\$ 16,303,684
Airport Assets Total	\$ 16,303,684	\$ -	\$ -	\$ 16,303,684

Buildings

Buildings projects refer to the construction, expansion, or capital upgrade of any building the City owns regardless of the department that operates it. They are further broken down into more descriptive asset types that often describe the department that manages the asset as well as a more specific building type which can be seen below in **Table 2**.

Table 2: Buildings Project Types

Project Type	Prior Fiscal Years	FY2016 Adopted	Future Fiscal Years	Project Type Total
Bldg - Libraries	\$ 223,138,353	\$ 4,331,000	\$ 83,310,508	\$ 310,779,861

Bldg - Water - Treatment Plants	33,413,552	615,940	1,331,231	35,360,723
Bldg - Water - Wells	877,605	-	2,437,436	3,315,041
Buildings Total	\$ 681,710,548	\$ 88,716,949	\$1,125,738,361	\$1,896,165,858

Capital Improvements Program

Project Types

Drainage

Drainage projects are related to the storm water system which consists of channels, pump stations, and storm drain piping. These assets are primarily managed by the Transportation & Storm Water Department and the Drainage Project Types can be seen below in **Table 3**.

Table 3: Drainage Project Types

Project Type	Prior Fiscal Years	FY2016 Adopted	Future Fiscal Years	Project Type Total
Drainage - Best Mgt Practices (BMPs)	\$ 22,692,696	\$ 4,380,361	\$ 28,150,000	\$ 55,223,057
Drainage - Channels	1,422,000	-	20,000	1,442,000
Drainage - Storm Drain Pipes	58,386,269	1,675,000	206,450,433	266,511,702
Drainage Total	\$ 82,500,966	\$ 6,055,361	\$ 234,620,433	\$ 323,176,760

Golf

Golf projects are related to the three golf courses owned by the City of San Diego which are: Torrey Pines Golf Course, Balboa Golf Course, and Mission Bay Golf Course and Practice Center. These assets are managed by the Park & Recreation Department and the Golf Project Types can be seen below in **Table 4**.

Table 4: Golf Project Types

Project Type	Prior Fiscal Years	FY2016 Adopted	Future Fiscal Years	Project Type Total
Golf Courses	\$ 25,916,038	\$ 184,023	\$ 11,320,977	\$ 37,421,038
Golf Total	\$ 25,916,038	\$ 184,023	\$ 11,320,977	\$ 37,421,038

Landfills

Landfill projects take place at landfills owned by the City of San Diego and are managed by the Environmental Services Department. The Landfills Project Types can be seen below in **Table 5**. Some typical projects include operations yard improvements, groundwater monitoring projects, and other landfill improvements to maintain regulatory compliance.

Table 5: Landfills Project Types

Project Type	Prior Fiscal Years	FY2016 Adopted	Future Fiscal Years	Project Type Total
Landfills	\$ 41,560,809	\$ -	\$ -	\$ 41,560,809
Landfills - Supporting Fac / Struct	32,431,544	900,000	900,000	34,231,544
Landfills Total	\$ 73,992,352	\$ 900,000	\$ 900,000	\$ 75,792,352

Parks

The Park & Recreation Department manages a wide variety of park projects. They are further broken down into more descriptive asset types such as a mini park (1-acre to 3-acres without a comfort station) to a community park (at least 13 acres, meant to serve a population of 25,000 with comfort stations and parking). These project types and more can be seen below in **Table 6**.

Capital Improvements Program

Project Types

Table 6: Parks Project Types

Project Type	Prior Fiscal Years	FY2016 Adopted	Future Fiscal Years	Project Type Total
Parks - Community	\$ 16,926,001	\$ 279,034	\$ 13,805,245	\$ 31,010,280
Parks - Developed Regional Park	1,160,657	-	1,341,697	2,502,354
Parks - Mini Parks	7,829,395	301,079	1,645,348	9,775,822
Parks - Miscellaneous Parks	51,868,857	24,502,470	66,951,726	143,323,053
Parks - Neighborhood	67,382,714	7,660,468	25,948,157	100,991,339
Parks - Open Space	6,009,858	1,950,000	2,200,000	10,159,858
Parks - Resource Based	14,813,119	1,353,152	35,989,288	52,155,559
Parks - Trails	2,647,640	981,098	7,368,344	10,997,082
Parks Total	\$ 168,638,241	\$ 37,027,301	\$ 155,249,805	\$ 360,915,347

Potable Reuse

Potable Reuse projects are needed to meet the new permit requirement stipulated in the 2015 Point Loma Wastewater Treatment Plant permit application and to reduce reliance on external water sources by providing an uninterrupted local water supply. These assets are managed by the Public Utilities Department and the Potable Reuse Project Types can be seen below in **Table 7**.

Table 7: Potable Reuse Project Types

Project Type	Prior Fiscal Years	FY2016 Proposed	Future Fiscal Years	Project Type Total
Potable Reuse	\$ 5,000,000	\$ 18,693,478	\$ 1,529,034,569	\$ 1,552,728,047
Potable Reuse Total	\$ 5,000,000	\$ 18,693,478	\$ 1,529,034,569	\$ 1,552,728,047

Reclaimed Water System

The Reclaimed Water System is made up of pipelines and reservoirs widely identified by their utilization of purple pipes that transport water that was once seen as waste and has undergone treatment to make the water usable for tasks such as landscaping. These assets are managed by the Public Utilities Department and the Reclaimed Water System Project Types can be seen below in **Table 8**.

Table 8: Reclaimed Water System Project Types

Project Type	Prior Fiscal Years	FY2016 Adopted	Future Fiscal Years	Project Type Total
Reclaimed Water System - Pipelines	\$ 7,889,361	\$ -	\$ -	\$ 7,889,361
Reclaimed Water System - Reservoirs	991,984	408,016	-	1,400,000
Reclaimed Water System Total	\$ 8,881,345	\$ 408,016	\$ -	\$ 9,289,361

Transportation

Transportation projects include a variety of different project subtypes. Some of these include: roadways, traffic signals, sidewalks, bridges, and bicycle facilities. These assets are primarily managed by the Transportation & Storm Water Department and the Transportation Project Types can be seen below in **Table 9**.

Table 9: Transportation Project Types

Project Type	Prior Fiscal Years	FY2016 Adopted	Future Fiscal Years	Project Type Total
Trans - Bicycle Facilities (All Class.)	\$ 26,860,829	\$ 30,000	\$ 30,446,047	\$ 57,336,876
Trans - Bridge - Pedestrian	4,919,547	-	-	4,919,547

Transportation Total	\$ 686,471,817	\$ 38,866,521	\$1,090,710,446	\$1,816,048,784

Wastewater

Wastewater project types largely consist of mains and trunk sewers which are used to transport and treat waste for nearly 2.5 million customers in the City of San Diego and surrounding areas. The assets are managed by the Public Utilities Department and the Wastewater Project Types can be seen below in **Table 10**.

Table 10: Wastewater Project Types

Project Type	Prior Fiscal Years	FY2016 Adopted	Future Fiscal Years	Project Type Total
Wastewater - Collection Sys - Main	\$ 247,022,368	\$ 92,345,627	\$ 316,302,702	\$ 655,670,697
Wastewater - Collection Sys - Trunk Swr	60,946,415	360,000	60,807,774	122,114,189
Wastewater Total	\$ 307,968,782	\$ 92,705,627	\$ 377,110,476	\$ 777,784,885

Water

Water project types include distribution and transmission systems that allow the City to provide water to approximately 1.3 million customers in the City of San Diego. These assets are managed by the Public Utilities Department and the Water Project Types can be seen below in **Table 11**.

Table 11: Water Project Types

Project Type	Prior Fiscal Years	FY2016 Adopted	Future Fiscal Years	Project Type Total
Water - Distribution Sys - Distribution	\$ 201,453,520	\$ 63,082,868	\$ 247,538,441	\$ 512,074,829
Water - Distribution Sys - Transmission	43,592,542	20,996,230	124,777,781	189,366,553
Water Total	\$ 245,046,062	\$ 84,079,098	\$ 372,316,222	\$ 701,441,382

Funding Sources

The Capital Improvements Program (CIP) uses a variety of funding sources to support projects. This section outlines some of the more common funding sources used in the CIP.

Bond Financing

Bond financing is a long-term borrowing tool used to meet the City's cash flow needs and to provide funds for capital projects. In Fiscal Years 2009, 2012, 2013, and 2014, the City Council approved financing to provide funding for ongoing and deferred capital projects throughout the City. The list of deferred capital projects includes improvements to General Fund streets, buildings, and storm drain infrastructure.

Capital Outlay

Capital Outlay Funds are used exclusively for the acquisition, construction, and completion of permanent public improvements or real property; replacement or reconstruction of public facilities; and other improvements of a permanent character. Repair or maintenance expenditures cannot be made from the Capital Outlay Funds. Revenue for the Capital Outlay Fund is derived primarily from the sale of City-owned property but may also come from other sources per Section 77 of the San Diego City Charter. In addition, San Diego City Ordinance No. 12685 (New Series) further specifies that all proceeds from sales or leases of the Pueblo Lands of San Diego be utilized to finance police substations and other permanent improvements for police purposes.

Development Impact Fees

Development Impact Fees (DIFs) are collected to mitigate the impact of new development in urbanized communities that are near build-out. The amount of DIF is based on a portion of the financing needed for identified public facilities. Property being developed is assessed the fee(s) at the time the building permit is issued.

Donations and Developer Funding

Projects may be funded by contributions and/or donations from private sources, such as residents, developers, private organizations, and businesses. Contributions by developers and vendors may be reimbursed with City funds in future years.

Enterprise Funds

Enterprise Funds account for specific services that are funded directly by fees and charges to users. These include the services provided by Public Utilities, Environmental Services, Airports, and Golf Courses. These funds are intended to be fully self-supporting and are not typically subsidized by any general revenue or taxes. Within each Enterprise Fund, budgets are developed which are sufficient to fund current year operations and maintenance expenses, as well as provide for current and future years' upgrade, replacement, and expansion-related capital construction requirements.

Facilities Benefit Assessments

Facilities Benefit Assessments (FBAs) provide 100 percent of funding for public facilities projects that service a designated area of benefit and are identified in the public facilities financing plan. The dollar amount of the assessment is based upon the cost of each public facility equitably distributed over a designated area of benefit in the community planning area. Assessments are recorded as liens with the County Assessor's Office. Property being developed is assessed at the time the building permit is issued. The amount of the assessment is determined by the type and size of the development.

Capital Improvements Program

Funding Sources

General Fund

The General Fund is the City's main operating fund that pays for basic City services that use most of the City's tax revenue, such as public safety, parks, and library services. The General Fund is also supported by fees from licenses and permits, fines, and investment earnings. Some allocations to the CIP budget are allocated from the operating budget of General Fund departments.

Grants

Some projects are entirely or partially funded by grants and reimbursements from the State and federal government and other agencies. The receipts of certain grants and reimbursements typically follow the award of contracts; therefore, other City funding is programmed for front-end financing of the total estimated project costs. Grant funding includes State and federal grants and grants from proceeds from State bond issuances. For example, Community Development Block Grant (CDBG) funding is programmed in accordance with Council Policy 700-02, Community Development Block Grant Program (CDBG). CIP priorities are developed irrespective of whether or not CDBG funding is to be received by the City. CDBG funding is to be used to supplement the City's CIP program and not as a substitute for other City funding.

Internal Service Funds

Internal Service Funds are established for the financing of goods or services provided by one City department to another City department on a cost-reimbursement basis. Examples of Internal Service Funds used in the CIP budget are the Energy Conservation Program Fund and the Fleet Services Internal Service Fund.

Maintenance Assessment Districts

Maintenance Assessment Districts (MADs) are established by the City of San Diego as a means of providing property owners with the opportunity to assess themselves to pay for enhanced improvements, maintenance, services, and activities. Certain projects requested by a district may be capital in nature and are funded by the specific MAD. MAD budgets are developed with sufficient funding for current year maintenance and capital projects.

Mission Bay and Regional Park Improvements Funds

Mission Bay rents and concessions revenue is allocated to the Mission Bay and Regional Park Improvements Funds in accordance with the San Diego City Charter, Article V, Section 55.2. The funds in the Mission Bay Improvements Fund may only be expended in Mission Bay Park for permanent or deferred capital improvements of existing facilities, as well as to improve environmental conditions consistent with the Mission Bay Park Master Plan. The funds in the Regional Park Improvements Fund may only be expended for permanent or deferred capital improvements in San Diego's regional parks. The City of San Diego's regional parks include Chollas Lake Park, Balboa Park, Mission Trails Regional Park, Otay River Valley Park, Presidio Park, San Diego River Park, open space parks, and coastal beaches and parks.

Park Service District Funds

Park Service District Funds were established by the City of San Diego for park and recreation purposes. Proceeds from these funds are to be used for park and recreational facilities within the district areas from which the funds were collected. Funds may be used for the purchase of land and construction of facilities; purchase of previously constructed facilities; rehabilitation of existing park facilities or purchase of new equipment when such rehabilitation or purchase allows for expanded uses; and to reimburse those who have donated land or constructed improvements. Park Service District Funds no longer collect revenues and have been replaced by Facilities Benefit Assessments and Development Impact Fees which now include a park component.

Capital Improvements Program

Funding Sources

Special Revenue Funds

Special Revenue Funds account for revenue received for specifically identified purposes. Examples of Special Revenue Funds used in the CIP budget are the Environmental Growth Fund, Fire/Emergency Medical Services Transport Fund, Gas Tax Fund, QUALCOMM Stadium Fund, Bus Stop Capital Improvement Fund, Library System Improvement Fund, Sunset Cliffs Natural Park Fund, and OneSD/ERP Support Funds.

TransNet Funds

TransNet, a one-half cent local sales tax, is used for traffic congestion relief and transportation improvements. In addition to roadway enhancements, TransNet Funds are utilized for bikeway and pedestrian projects. TransNet includes a Maintenance of Effort (MOE) provision to guarantee that the City spends a certain amount of discretionary funds on the maintenance and improvement of the public right-of-way. The City utilizes TransNet cash for projects as much as possible in an attempt to minimize the issuance of bonds due to added costs of debt service. TransNet Commercial Paper is a borrowing tool that can be used to raise cash needed to cover cash-flow deficits and is generally viewed as a lower-cost alternative to bank loans. In an attempt to further minimize debt service costs, the issuance of TransNet Commercial Paper may be utilized when feasible.

Utilities Undergrounding Program Fund

This fund provides for the undergrounding of City utilities. San Diego Gas & Electric (SDG&E), AT&T, and the cable companies all contribute funds for the purpose of undergrounding overhead facilities. This amount is deposited with the City to be used solely for the undergrounding of electrical lines and associated activities.

A complete list of funding sources in the CIP and their budgets are provided below in **Table 1**.

Table 1: Capital Improvements Program by Funding Source

Funding Source	Prior Fiscal Years	FY2016 Adopted	Future Fiscal Years	Funding Source Total

Community Planning

The City's General Plan

The City of San Diego General Plan (2008) sets out a long-range vision and policy framework for how the City should plan for projected growth and development, provide public services, and maintain the qualities that define San Diego over the next 20 to 30 years.

The General Plan provides guidance on how to design both infill and remaining new growth development, and emphasizes the need to reinvest in existing communities. It has a strong sustainability focus through policies addressing transit/land use coordination; climate change; healthy, walkable communities; green buildings; clean technology industries; water and energy conservation and management; and urban forestry. In addition, the General Plan features protections for prime industrial lands, strategies for providing urban parks, “toolboxes” to implement mobility strategies, and policies designed to further the preservation of San Diego’s historical and cultural resources. The General Plan was structured to work in concert with the City’s community plans.

The General Plan includes the City of Villages strategy to focus growth into mixed-use villages that are pedestrian-friendly districts, of different scales, linked to the transit system. Each village is envisioned as unique to the community in which it is located, yet all villages would be pedestrian-friendly and characterized by inviting, accessible and attractive streets and public spaces. Individual villages are intended to offer a variety of housing types and affordability levels. The strategy draws upon the character and strengths of San Diego’s natural environment, distinctive neighborhoods, and activity centers that together form the City as a whole.

The General Plan is comprised of an introductory Strategic Framework section and the following elements: Land Use and Community Planning; Mobility; Economic Prosperity; Public Facilities, Services, and Safety; Urban Design; Recreation; Historic Preservation; Conservation; and Noise. The Housing Element update was adopted separately in 2013 and is provided under separate cover from the rest of the 2008 General Plan. The policies within each element were developed with ten guiding principles in mind. These principles are to achieve:

- An open space network formed by parks, canyons, river valleys, habitats, beaches, and ocean;
- Diverse residential communities formed by the open space network;
- Compact and walkable mixed-use villages of different scales within communities;
- Employment centers for a strong economy;
- An integrated regional transportation network of walkways, bikeways, transit, roadways, and freeways that efficiently link communities and villages to each other and to employment centers;
- High quality, affordable, and well-maintained public facilities to serve the City’s population, workers, and visitors;
- Historic districts and sites that respect our heritage;
- Balanced communities that offer opportunities for all San Diegans and share citywide responsibilities;
- A clean and sustainable environment; and,
- A high aesthetic standard.

The Public Facilities, Services, and Safety Element of the General Plan includes policies on the prioritization and provision of public facilities and services, evaluation of new growth, guidelines for implementing a financing strategy, and guidelines for the provision of specific facilities. This element

Capital Improvements Program

Community Planning

discusses City challenges, including a public facilities deficit, and recommends that facilities deficiencies be remedied through diverse funding strategies such as joint-use, more-efficient resource allocations, and fiscal reform efforts that provide equitable redistribution of revenues to the City from the state.

Implementation of the General Plan is being accomplished through a broad range of legislative and regulatory actions that influence private and public development. The General Plan Action Plan identifies measures and timeframes for implementing General Plan policies. The Action Plan highlights eight key initiatives which are critical to General Plan implementation, as follows: Community Plan Updates, Climate Change Initiatives, Water Supply and Conservation Efforts, Land Development Code (LDC) Amendments, Public Facilities Finance Strategy, Economic Development Strategic Plan, Parks Master Plan, and Historic Preservation Incentives. In addition, the General Plan is consistent with the Regional Comprehensive Plan prepared by the San Diego Association of Governments (SANDAG).

Community Plans

The City's community plans contain additional detailed planning guidance and are a part of the General Plan. Community plans establish specific recommendations and objectives in a given community for future land uses and public improvements. The community plan provides a long range physical development guideline for elected officials and citizens engaged in community development. Citizen involvement has been a long-standing concept in the City of San Diego. In the 1960s and 1970s, the City Council adopted policies that established and recognized community planning groups as formal mechanisms for community input in the decision-making processes. Community planning groups provide citizens with an opportunity for involvement in advising the City Council, the Planning Commission, and other decision makers on development projects, community plan amendments, rezoning projects, and public facilities. The recommendations of the planning groups are integral components of the planning process.

The General and community plans are policy documents, which require regulatory tools and programs to help implement their goals and standards. The implementation tools for planning documents include the Municipal Code, the Multiple Species Conservation Program (MSCP), zoning, code enforcement, development impact fees, and others. These regulations and programs help guide land use, development, and design.

CIP Conformance to the City's General Plan and Community Plans

The capital improvement project information in the current budget was reviewed by City planners for conformance with the City's General Plan and community plans, as required by Council Policy 000-02 and General Plan Policy PF.A.4.a. These capital improvement projects were found to be consistent with the General Plan, relevant community plans, and facilities financing plans.

Capital Improvements Program

Community Planning

Community Planning Areas by Council District

Capital Improvements Program

Guide to the Capital Improvement Projects

The CIP project pages are designed to provide accurate and informative financial and logistical information for projects. All active projects as of June 2015 are included in addition to new projects scheduled to begin in Fiscal Year 2016. Within the Capital Improvement Projects section, CIP project pages are organized by asset-owning department, then alphabetically by project title. Refer to the Indexes beginning on page 623 to locate a specific project page.

Each asset-owning department section begins with a Budget Narrative which introduces the department and highlights Fiscal Year 2015 accomplishments and Fiscal Year 2016 goals. Following the narrative is an alphabetical list of the department's projects including budgeted amounts and total project cost.

Project Attributes

Fire-Rescue

Fire Station No. 45 - E Mission Valley / S00688

Bldg - Pub Safety - Fire Fac / Struct

Council District:	7	Priority Score:	92
Community Plan:	Mission Valley	Priority Category:	High
Project Status:	Continuing	Contact Information:	Cetin, Elif
Duration:	1994 - 2019		619-533-4640
Improv Type:	New		ecetin@sandiego.gov

Department, Project Title, and Project Number

The department listed is the department that will be responsible for operating or maintaining the asset once complete. Each department's CIP is organized by project title. The project's title and unique identification number are listed below the department name. Due to character restrictions, the Capital Improvement Program uses a standard set of abbreviations in the project's title; some of which can be found in **Table 1** below:

Table 1: Project Title Abbreviations

Full Description	Abbreviation	Full Description	Abbreviation
Abestos Concrete	AC	Neighborhood Park	NP
Canyon	Cyn	Open Space	OS
Community Park	CP	Pipeline	PL
Concrete	CRC	Pump Station	PS
Ductile Iron	DI	Regional Park	RP
Golf Course	GC	Steel	STL
Maintenance Assessment District	MAD	Water Treatment Plant	WTP
Mini Park	MP		

Additionally, the first character of the project number indicates the type of project. The following list describes the characteristics of each type of project:

A: Annual Allocation - These projects provide for ongoing repair and replacement requiring funding on an annual basis. Individual projects funded by an annual allocation are typically smaller projects that are expected to be completed in a short time frame. The funding information provided for annual allocation projects aggregates all funding in existing sub-projects and will fluctuate as individual projects are completed and new projects are added.

Capital Improvements Program

Guide to the Capital Improvement Projects

L: Large - These projects are a combination of multiple assets into a single project in order to achieve efficiencies. Each individual asset will be capitalized as that portion of the project is completed. As a result, the total estimated project cost will be reduced as each asset is completed.

RD: Reimbursement to Developer - These projects allocate funding to reimburse developers for projects privately constructed in accordance with approved financing plans or other regulatory documents.

S: Standalone - These projects are typically limited to a single asset and may be of any size and duration.

Project Type

Project Types are a more specific manner of categorizing the type of improvement provided by each project. A complete listing of Project Types is available on page 63. On the project pages, the Project Type is listed to the right of the Project Title and Number. Some Project Types, such as Buildings, are used in several departments.

Council District

This identifies the City Council District in which a project is located. Projects that have a Citywide impact or are outside the City limits are also noted. For a map of all Council Districts, refer to the Community Planning section beginning on page 73.

Community Plan

This component lists affected community planning area(s). Projects that have a Citywide impact or are outside the City limits are also noted. For additional information on community planning areas, refer to the Community Planning section beginning on page 73.

Project Status

The Project Status serves as an indicator of project progress. Below is a description of these statuses:

New - This indicates that the project is newly established as part of the Fiscal Year 2016 Adopted Budget.

Continuing - This indicates that the project was initiated in Fiscal Year 2015, or in a prior year, and is currently in progress.

Warranty - This indicates that the project is technically completed and the asset has been put into service but has not yet been closed.

Underfunded - This indicates that the project is on hold due to lack of funding.

Duration

Duration is the estimated starting and ending fiscal years for each project.

Capital Improvements Program

Guide to the Capital Improvement Projects

Improvement Type

This component describes the project's impact on existing assets. A project may provide betterment, expansion, replacement, or widening of an existing City asset, or may result in a new asset to the City.

Priority Score

Projects are scored to establish an objective process for ranking CIP projects. Project scores range from 0-100. Projects that were in construction or had completed construction as of Fiscal Year 2012 have not been scored and are noted as not applicable (N/A). Annual allocation projects are noted as Annual and are not scored. For additional information, refer to the Prioritization Policy section beginning on page 49.

Priority Category

The priority category indicates if the project is scored within the upper one-third (High), middle one-third (Medium), or lower one-third (Low) of the priority scores within the same major asset type category. Projects that were in construction or had completed construction as of Fiscal Year 2012 have not be categorized and are noted as not applicable (N/A). Annual allocation projects are categorized as Annual. For additional information, refer to the Prioritization Policy section beginning on page 49.

Contact Information

This provides the name, phone number, and e-mail address of the project manager or designated point of contact, at the time of publication.

Project Description

Description: This project provides for an updated fire station in Mission Valley. The station will accommodate up to 18 personnel, two engines, one aerial truck, two hazardous material apparatus, one paramedic ambulance, and one Battalion Chief vehicle.

Justification: A fire station is needed to serve the Mission Valley community. This project is consistent with City Council policy to meet response time guidelines.

Operating Budget Impact: The operation of the permanent facility will require additional positions equivalent to \$2.1 million per year. Non-personnel costs to operate a new station are approximately \$300,000. These funds will need to be added permanently to the Fire-Rescue operating budget after the project is complete. The purchase of an additional fire truck will be financed through this project's allocated funds.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan; however, the Mission Valley Community Plan does not currently provide for this project. An amendment to the Community Plan may be required prior to implementation of this project.

Schedule: Design was completed in Fiscal Year 2013. Construction began in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made for this project for Fiscal Year 2016.

Description

This component provides a brief statement explaining what the project is, where it is located, and its impact on the surrounding neighborhood(s).

Justification

This component explains why a project is needed and describes any legal requirements for the project, including State or federal mandates.

Operating Budget Impact

This component describes any ongoing operating expenses anticipated upon completion of the project and the impact on the City's operating budget. An Operating Budget Impact table may be

Capital Improvements Program

Guide to the Capital Improvement Projects

included to provide additional detail and is described later in this section. Operating budget impacts include additional funding requirements to support both the operation and maintenance of the building, facility, park, or other infrastructure once it is put into service.

Relationship to General and Community Plans

This component indicates whether a project is consistent with the affected community plan(s) and is in conformance with the City's General Plan. Additional information can be found in the Community Planning section beginning on page 73.

Schedule

This component describes the anticipated project timeline and includes the years when design, construction, and other phases are expected to begin and end.

Summary of Project Changes

This component explains any changes that have occurred since publication of the Fiscal Year 2015 Adopted Budget. Changes may have resulted from modifications to the project scope, City Council action to modify funding (resolutions and/or ordinances), updated total project cost estimates, and changes in project schedule.

Project Funding

Expenditure by Funding Source Table

This table lists the funding sources, expended/encumbered amounts, continuing appropriations, and an estimated budget timeline through project completion. The total estimated project cost includes project activity since inception through current and future fiscal years. Descriptions of common funding sources for the CIP can be found in the Funding Sources section beginning on page 67.

Expenditure by Funding Source												
Fund Name	Fund No	Exp/Enc	Con Appn	FY 2016	FY 2016 Anticipated	FY 2017	FY 2018	FY 2019	FY 2020	Future FY	Unidentified Funding	Project Total
Deferred Maint Revenue 2009A-Project	400624	\$ 160,000	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -	160,000
Deferred Maintenance Revenue 2012A-Project	400848	938,729	21,680	-	-	-	-	-	-	-	-	960,408
PFFA Lease Revenue Refunding Bonds 2013A - Project	400853	2,739,592	-	-	-	-	-	-	-	-	-	2,739,592
Mission Valley-Urban Comm.	400135	5,888,427	111,573	-	-	-	-	-	-	-	-	6,000,000
PFFA-FLSF 2002B-Const.	400157	978,692	-	-	-	-	-	-	-	-	-	978,692
Total		\$ 10,705,439	\$ 133,253	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -	10,838,692

Expended and Encumbered (Exp/Enc) - Projects initiated prior to Fiscal Year 2016 may have incurred expenditures and encumbrances in a prior fiscal year. Amounts shown include all funds that have been expended in the project, as well as any contractual or other obligations, as of June 30, 2015. The expended and encumbered amount is cumulative since project inception.

Continuing Appropriations (Con Appn) - Funding budgeted prior to Fiscal Year 2016, but not yet expended or encumbered, is reflected as continuing appropriations. Continuing appropriations are a cumulative amount of unexpended and unencumbered budget since project inception through June 30, 2015.

Capital Improvements Program

Guide to the Capital Improvement Projects

FY 2016 - This is the amount of funding approved in the Fiscal Year 2016 Adopted CIP Budget. This amount, as approved by City Council, is included in the annual Appropriations Ordinance, which gives the City the authority to expend from the capital improvement project.

FY 2016 Anticipated - Funding that is uncertain to be received during Fiscal Year 2016 is reflected as anticipated funding. Anticipated funding may include sources, such as grants and donations, that require additional City Council approval prior to budgeting, or that are unpredictable revenue streams, such as land sale proceeds. The City is not legally bound to any Fiscal Year 2016 Anticipated funding because it is not included in the annual Appropriations Ordinance.

Outlying Fiscal Years - Projects that will extend beyond Fiscal Year 2016 may include future year cost estimates based on project scheduling and projected funding availability. The City is not legally bound to any projections made beyond Fiscal Year 2016 because they are not included in the annual Appropriations Ordinance. Revisions and refinements of project scope, cost estimates, scheduling, and funding may affect the unidentified funding estimate.

Unidentified Funding - This reflects the portion of the total estimated project cost for which a funding source has not yet been identified. This amount is based upon the current estimated total project cost and funding schedule. Revisions and refinements of project scope, cost estimates, scheduling, and funding may affect the unidentified funding estimate.

Project Total - The project total by funding source is an estimate of the total project cost from project inception through the current and future fiscal years, to project completion.

Operating Budget Impact Table

The Operating Budget Impact table provides estimated operational and maintenance costs that will be incurred upon completion of the project. This table supports the Operating Budget Impact description that was discussed earlier in this section. Not every published project will have an Operating Budget Impact table. This data is required for any project with anticipated impacts to a department's operating budget within the next five fiscal years. Operating budget impacts are provided for each impacted department and fund.

Operating Budget Impact					
Department - Fund	FY 2016	FY 2017	FY 2018	FY 2019	FY 2020
Fire-Rescue - GENERAL FUND	FTEs	0.00	20.80	20.80	20.80
	Total Impact \$	- \$	2,352,199 \$	2,352,199 \$	2,352,199 \$

Full-time Equivalents (FTEs) - The decimal equivalent of the number of positions required to be added to the budget to operate and maintain the asset.

Total Impact - The estimated amount of personnel and non-personnel expenses required to be added to the budget to operate and maintain the asset upon completion, net of any additional anticipated revenue. Personnel expenses are expenditures related to employee compensation including salaries and wages, fringe benefits, retirement, and special pays such as shift differentials. Non-personnel expenses are expenditures related to supplies and services, information technology, energy, utilities, and outlay.

Capital Improvements Program

Guide to the Capital Improvement Projects

Unfunded Needs List

The Unfunded Needs List for each department provides a summary of projects with insufficient funding to complete an active project. Projects are listed by the percent of the project that is unfunded and include the total estimated project cost, unidentified funding amount, and the percent of the project that is unfunded. Also included is a brief description of the project and what components are unfunded. Unfunded Needs Lists follow the project pages within each department's section. For a complete list of all projects with unfunded needs, refer to page 71.

Fire-Rescue

Unfunded Needs List

Project	Project Total	Unidentified Funding	Percent Unfunded	Description
Fire Station No. 38 - Mira Mesa Remodel / S10006	\$ 930,000	\$ 80,000	8.6%	This project provides for the design and construction of an expansion to the existing fire station. \$80,000 of increased construction costs are currently unfunded.
Fire Station No. 15 - Ocean Beach Expansion / S13011	565,000	65,000	11.5%	The project provides for the expansion of the existing fire station, \$65,000 of increased construction costs are currently unfunded.
Fire Station No. 48 - Black Mountain Ranch / S15015	11,780,000	9,080,000	77.1%	This project will result in a Fire Station to serve the Black Mountain Ranch area. Funding for construction of the facility is currently unfunded.
Home Avenue Fire Station / S14018	12,000,000	10,000,000	83.3%	This project will provide for a new fire station to serve the City Heights community. Funds needed for design and construction have not yet been identified.
North Pacific Beach Lifeguard Station / S10119	6,923,347	6,185,444	89.3%	This project provides for the North Pacific Beach Lifeguard Station located at the foot of Law Street, which will be a year-round facility replacing the current station. Construction phase is currently unfunded.
Fire-Rescue Air Operations Facility / S15012	12,500,000	11,351,919	90.8%	This project provides for the program, design and construction of a Fire-Rescue Air Operations ("Air Ops") Facility for helicopter operations. Construction for this project is currently unfunded.
Fire Station No. 51 - Skyline Hills / S14017	12,000,000	11,000,000	91.7%	This project provides for an additional station to be built at 7180 Skyline Drive to better serve the growing community of Skyline/Paradise Hills. Construction phase is currently unfunded.
Fire Station No. 07 - Barrio Logan / S15013	12,000,000	11,150,000	92.9%	This project provides for the program, design and construction of a new fire station, demolition of the old station and design and assembly of a temporary fire station. Design and construction phases are currently unfunded.
College Area Fire Station / S16015	12,000,000	11,730,000	97.8%	This project will result in a new Fire Station to serve the College Community area. Design and construction phases are currently unfunded.
Fire Station No. 54 - Paradise Hills / S00785	11,095,000	11,011,065	99.2%	This project provides for a new station in the Paradise Hills area to serve the Paradise Hills/Skyline area of San Diego. Design and construction phases are currently unfunded.
Ocean Beach Lifeguard Station / S10121	4,560,000	4,550,000	99.8%	This project provides for the Ocean Beach Station located at 1950 Abbott Street. Design and construction phases are currently unfunded.
Total - Fire-Rescue	\$ 86,203,428			

Airports

Page Intentionally Left Blank

Airports

The Airports Division manages Brown and Montgomery Fields with a combined 1,330 acres. These two general aviation airports contain nearly eight miles of runways and taxiways, which safely accommodate over 275,000 annual aircraft operations, including those of the military, U.S. Customs and Border Protection, San Diego Police, San Diego Fire-Rescue, Cal-Fire, Sheriff, Medi-Evacs, as well as business and recreation sectors. The most critical factor associated with airport management is maintaining safety. To that end, the Capital Improvements Program plays an important role by rehabilitating and repairing the pavement and lighting of its runways, taxiways and aircraft ramp areas. These capital improvements are largely funded by Federal Aviation Administration (FAA) grants and enterprise funds.

2015 CIP Accomplishments

The Airports Division had a number of accomplishments and successes in Fiscal Year 2015, including:

Montgomery Field (KMYF)

- Completed Design of ADA Terminal Improvements
- Completed the FAA Grant-Funded Access Control Security Project

Brown Field (KSDM)

- Completed the design of Runway 8L-26R, Phase 1
- Completed Design of ADA Terminal Improvements

2016 CIP Goals

The CIP Goals of the Airports Division are the provision of safety, and compliance with federal, State, and local regulations and policies. To achieve this in Fiscal Year 2016, Airports Division is pursuing these goals as follows:

Montgomery Field (KMYF)

- Initiate Construction of ADA Terminal Improvements
- Initiate Construction of Runway 5/23 Rehabilitation

Brown Field (KSDM)

- Initiate Construction of ADA Terminal Improvements
- Initiate Construction of the FAA Grant-Funded Runway 8L/26R Rehabilitation, Phase I
- Pavement of Curran Street

Council District: 8	Priority Score: Annual
Community Plan: Otay Mesa	Priority Category: Annual
Project Status: Continuing	Contact Information: Propst, Rodney
Duration: 2002 - 2020	858-573-1441
Improv Type: Betterment	rpropst@sanidiego.gov

Description: This annual allocation provides for as-needed improvements within the City's Brown Field Airport; which can include, but is not limited to, pavement, drainage, striping, and signage condition assessments for scheduled rehabilitation in order to meet current Federal Aviation Administration (FAA) standards.

Justification: This project maintains an airport which promotes the safe use of the runways as required by the FAA, Caltrans (Division of Aeronautics), and compliance with federal and State ADA regulations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: Funding for this project has been decreased \$1.4 million for Fiscal Year 2016 as scheduled projects will spend down continuing appropriations. No other significant change has been made to this project for Fiscal Year 2016. Future year appropriations have also been removed from this annual allocation until it spends down its continuing appropriations.

Expenditure by Funding Source

Fund Name	Fund No	Exp/Enc	Con Appn	FY 2016	FY 2016 Anticipated	FY 2017	FY 2018	FY 2019	FY 2020	Future FY	Unidentified Funding	Project Total

Environmental Services

Page Intentionally Left Blank

Environmental Services

The Environmental Services Department ensures that all residents of the City of San Diego are provided with a clean, safe, and ecologically-sound environment. The Department operates a full-service landfill and maintains eight closed landfills and eight inactive burn sites, all of which require sustained improvements related to landfill gas systems, groundwater monitoring networks, and grading and slope work. The Department also manages the City's energy use and a variety of programs focused on implementing innovative alternatives to increase energy efficiency at City facilities. Through the Capital Improvements Program, the Department identifies and dedicates Refuse Disposal Fund resources to projects that focus on providing reliable solid waste management.

2015 CIP Accomplishments

The Department has continued to dedicate capital improvement resources towards its mission of providing reliable solid waste management, resource conservation, and environmental protection to preserve public health and ensure sustainable communities for future generations.

The Department's Energy, Sustainability, and Environmental Protection Division completed projects for Fiscal Year 2015 included:

- Completion of the Broad Spectrum Post Top Pedestrian Street Lighting project which retrofitted 3,465 decorative pedestrian street lights with energy efficient LED fixtures with adaptive controls. Expected project savings are over 2.5 million kilowatt hours and \$254,000 in utility costs annually.

The Department's Waste Reduction and Disposal Division completed improvements at landfills throughout the City included:

- Completion of design work of a landfill gas blower/flare station for the West Miramar landfill.
- Implementing comprehensive grading, drainage, and landfill gas improvements at the Chollas Operations Yard. This also includes the replacement of lighting poles, storage containers, and permanent staging areas which will ensure a clean, safe, and healthy environment for the employees and customers at the operations yard.

2016 CIP Goals

The Department will continue to promote sustainability and public health through its effective delivery of capital improvement projects. The following are the Department's goals for Fiscal Year 2016:

- Solicit designs from pre-qualified vendors and select one to begin construction on a Compressed Natural Gas Fueling Station at the Environmental Services Operations Station. This project will provide the necessary fueling infrastructure to begin converting the City's refuse and recycling fleet from low sulfur diesel to compressed natural gas.
- Continue construction on energy improvements to City facilities resulting in the installation of more efficient technologies, such as lighting and air conditioning, in order to reduce energy consumption.
- In collaboration with the Public Utilities Department, the Environmental Services Department, through its Energy Conservation Fund, is contributing \$1.3 million toward a \$4.0 million project which will finance solar photovoltaic systems at Bayview Reservoir and the Metropolitan Operations Center complex. These systems will range in size from 30 to 500 kilowatts. Combined, these systems are anticipated to generate one megawatt of solar power and be completed in Fiscal Year 2016.

Environmental Services

- Award a solar power purchase agreements to install solar photovoltaic systems at over 100 City facilities and closed landfills.
- Begin construction of a new landfill gas handling facility at West Miramar Landfill in order to capture and destroy greenhouse gases that would otherwise enter into the atmosphere, thus ensuring compliance with state, federal, and local regulations.
- Complete construction at the South Chollas Landfill and Operations Yard in order to bring site into compliance with State regulations.

CNG Fueling Station for Refuse & Recycling / S15000

Council District: 1
Community Plan: University
Project Status: Continuing
Duration: 2015 - 2021
Improv Type: New

Landfills - Supporting Fac / Struct

Priority Score: 55
Priority Category: Low
Contact Information: Fergusson, Craig
 858-627-3311
 cfergusson@sandiego.gov

Description: This project provides for the design and construction of a compressed natural gas (CNG) fueling station at the Environmental Services Operations Station located at 8353 Miramar Place. In conjunction with the completion of the fueling station, the division plans to put into service refuse and recycling vehicles that run on CNG eventually replacing the entire fleet of low sulphur diesel refuse and recycling packers. The construction of CNG fueling infrastructure and the replacement of vehicles will be implemented in a phased approach. It is estimated that CNG infrastructure will be constructed to allow for the replacement of approximately 20 vehicles on an annual basis until all vehicles have been replaced.

Justification: This project provides for the necessary infrastructure to convert Environmental Services fleet refuse and recycling vehicles from low sulfur diesel to compressed natural gas.

Operating Budget Impact: Provides for a positive operating budget impact by saving fuel costs to the General Fund and Recycling Enterprise Fund.

Relationship to General and Community Plans: This project is in conformance with the Conservation Element of the City's General Plan.

Schedule: Design and construction are scheduled to continue in Fiscal Year 2016 and will continue through each phase of the project which is scheduled to be completed in Fiscal Year 2021.

Summary of Project Changes: A total of \$1.8 million of General Fund funding will be allocated to this project, of which \$900,000 is in Fiscal Year 2016 and \$900,000 is anticipated in Fiscal Year 2018.

Citywide Energy Improvements / ABT00003

Bldg - Other City Facility / Structures

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Reddy, Chandra
Duration: 2010 - 2020	858-492-6002
Improv Type: Betterment	creddy@sandiego.gov

Description: This project will provide for energy efficiency improvements in City facilities. Projects typically address lighting, air conditioning, chiller, pumping and fan systems, invertors, and City-owned solar systems. Newer, more efficient technologies greatly reduce energy consumption.

Justification: Energy efficiency improvements repay capital costs in one to nine years, depending upon the project. The energy savings continue each year thereafter. Energy audits are performed in a variety of City-owned facilities to identify opportunities for energy savings.

Operating Budget Impact: None

Relationship to General and Community Plans: These projects are consistent with applicable community plans and are in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2016.

Environmental Services Operations Yard Improvement / AFA00003

Landfills

Council District: 5	Priority Score: Annual
Community Plan: University	Priority Category: Annual
Project Status: Continuing	Contact Information: Coleman, Monique
Duration: 2010 - 2016	858-526-2335
Improv Type: New	mcoleman@sandiego.gov

Description: This annual allocation provides for operational yard improvements necessary to support heavy equipment and other upgrades related to yard security, safety, and stormwater runoff to the Environmental Services Operations Station (ESOS) Yard.

Justification: Operational yard improvements are required to support heavy equipment. Other upgrades will improve yard security, safety, and ensure regulatory compliance with stormwater runoff.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: This annual is scheduled to be closed by the end of the Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Future Waste Mgmt Disposal & Pro Fac / S01088

Landfills - Supporting Fac / Struct

Council District: Citywide	Priority Score: 92
Community Plan: Citywide	Priority Category: High
Project Status: Continuing	Contact Information: Fergusson, Craig
Duration: 1989 - 2018	858-627-3311
Improv Type: New	cfergusson@sandiego.gov

Description: This project provides for the development and construction of solid waste disposal and processing facilities. Strategic planning, design, construction, environmental review, and potential purchase of mitigation property are all within the scope of the project.

Justification: The City must continue to have adequate disposal or processing facilities for the solid waste it generates each year. Technology to recover and/or convert portions of refuse material is being explored and developed. It appears that there will always be a need for landfilling part of the generated waste stream and residue from other solid waste disposal facilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Ongoing efforts are being made to identify solid waste processing and disposal options. The project is scheduled to continue through Fiscal Year 2018.

Summary of Project Changes: No significant changes were made to this project in Fiscal Year 2016.

Minor Improvements to Landfills / AFA00001

Landfills

Council District:	Citywide	Priority Score:	Annual
Community Plan:	Citywide	Priority Category:	Annual
Project Status:	Continuing	Contact Information:	Fergusson, Craig
Duration:	2010 - 2016		858-627-3311
Improv Type:	New		cfergusson@sandiego.gov

Description: This annual allocation provides for minor improvements to existing sanitary landfills to comply with operating permits and regulatory requirements. Such improvements may include fencing, access roads, drains, small structures, and environmental protection projects. This project also provides for minor improvements to existing groundwater monitoring networks at all closed and operating landfills managed by the City. Improvements include new facilities as well as engineering reports and/or design specifications necessary to mitigate groundwater issues or modify groundwater monitoring programs.

Justification: This project provides the flexibility for timely initiation of minor improvements and construction needed to meet operational and solid waste regulatory mandates such as drainage, grading, and groundwater monitoring improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis to meet regulatory requirements.

Summary of Project Changes: A balance of \$1.6 million remains in this project for future projects. No additional funds will be added to this project until tasks are identified and scheduled.

Miramar Landfill Greenery Expansion / S00975

Landfills

Council District:	Citywide	Priority Score:	53
Community Plan:	Citywide	Priority Category:	Low
Project Status:	Continuing	Contact Information:	Thompson, Michael
Duration:	2009 - 2018		858-492-6151
Improv Type:	Betterment		mthompson@sandiego.gov

Description: This project provides for the expansion of the existing Miramar Greenery currently located at the Miramar Landfill. The expansion of curbside greens collection to additional neighborhoods in the City will increase the tonnage coming into the facility, requiring additional acreage and equipment.

Justification: Expansion of curbside greens collection will increase the diversion of solid waste required by the State of California. A larger facility is required to process the increased tonnage expected as a result of expanded curbside pickup.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: The remaining balance in this project will be used to conduct a feasibility study and potentially the preliminary design of an anaerobic digestion facility at the Miramar Greenery in Fiscal Year 2016. An anaerobic digestion facility will allow the Miramar Greenery to intake and process food waste into commodities such as compost.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status: Continuing	Contact Information: Fergusson, Craig
Duration: 2000 - 2016	858-627-3311
Improv Type: Replacement	cfergusson@sandiego.gov

Description: This project provides for cover material, grading, drainage, and site improvements at the inactive South Chollas Landfill. The project will also result in improvements to the Chollas Operations Yard required by the Regional Water Quality Control Board in order to bring the site into compliance. A Corrective Action Plan has been developed to identify the corrective measures and timelines to mitigate the groundwater issues.

Justification: This project is required to maintain compliance with various State and federal regulatory requirements and to avoid code violations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and it is in conformance with the City's General Plan.

Schedule: The City is in the process of awarding the construction contract for the grading, drainage, and site improvements of the Chollas Operations Yard. Construction began in Fiscal Year 2015 and will be completed in Fiscal Year 2016.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2016.

Underground Tank Program / AFA00002

Landfills

Council District:	Citywide	Priority Score:	Annual
Community Plan:	Citywide	Priority Category:	Annual
Project Status:	Continuing	Contact Information:	Fergusson, Craig
Duration:	2010 - 2020		858-627-3311
Improv Type:	New		cfergusson@sandiego.gov

Description: This project provides for implementation of the Citywide Underground Hazardous Materials Storage Tank Master Plan. The plan addresses the removal, installation, closure, site assessment and mitigation, replacement, testing, and rehabilitation of the 69 City-owned underground storage tanks (USTs). Site assessment and mitigation activities related to 11 unauthorized releases are ongoing to maintain regulatory compliance, eligibility for State reimbursement, protection of groundwater, and public health and safety.

Justification: Title 23, California Code of Regulations, Chapter 16 and the California Health and Safety Code, Chapter 6.7 establish guidelines and regulations for the design, installation, rehabilitation, testing and maintenance, and monthly facility inspections by a Designated UST Operator. Non-compliance with UST laws or site assessment and mitigation (SA/M) requirements would expose the City to civil penalties of up to \$10,000 per day per UST.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: There are no regulatory mandate-driven projects foreseen in Fiscal Year 2016. Future funding needs will be identified as new regulatory mandates arise.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

West Miramar Landfill - Phase 2 / S00774

Bldg - Other City Facility / Structures

Council District:	Citywide	Priority Score:	N/A
Community Plan:	Citywide	Priority Category:	N/A
Project Status:	Continuing	Contact Information:	Purtee, Ray
Duration:	1996 - 2024		858-573-1208
Improv Type:	Betterment		rpurtee@sandiego.gov

Description: This project provides for a landfill gas collection system for the West Miramar Phase II Landfill. Bio-degradation of buried waste produces landfill gas. The landfill gas collection system consists of a network of gas extraction wells connected by piping.

Justification: This improvement is required to maintain compliance with various State and federal regulatory requirements. It will also prevent code violations and enhance public health and safety.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 1996 and will continue through the life of the landfill which is anticipated to close in Fiscal Year 2024. The next scheduled project is the design and construction of the the landfill gas blower flare station. The station will mitigate landfill gas surface emissions and migration. Design was completed, construction began in Fiscal Year 2015 and is scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status:	Continuing	Contact Information:	Thompson, Michael
Duration:	1988 - 2016		858-492-6151
Improv Type:	Betterment		mthompson@sandiego.gov

Description: This project provides for continuing development of the West Miramar Landfill, located southwest of Marine Corps Air Station Miramar. The facility will accommodate over 35 million cubic yards of refuse on 807 acres. Phase II will develop the second half of the facility, including design and construction of entry roads and drainage systems, excavation, federally-mandated liner systems, and stockpiling and spreading of earthen materials. This project also includes development of the General Development Plan elements for the entire site.

Justification: Improvements are required in order to ensure compliance with conditions set forth by the operations permit issued by the California Integrated Waste Management Board and the Regional Water Quality Control Board. In addition, the funding will provide for improvements related to drainage and stormwater runoff to ensure National Pollutant Discharge Elimination System regulatory compliance.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: This project is scheduled to be completed by the end of the Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Fire-Rescue

The City of San Diego's Fire-Rescue Department (SDFD) is committed to replacing and rehabilitating the Fire and Lifeguard station facilities and associated infrastructure in order to better serve our community. The Capital Improvements Program (CIP) plays a vital role in meeting future infrastructure needs while also addressing ongoing deferred maintenance and capital needs of the existing stations. The Department has 47 fire stations, two 9-1-1 communications centers, an air operations facility, a training facility, nine lifeguard stations, a boat dock, and 48 seasonal lifeguard towers. The Department seeks funding for capital improvements to preserve and extend the life-cycle of its facility infrastructure. This is accomplished through reconstruction, renovation, rehabilitation, expansion, and replacement of the essential building components such as roof, HVAC, exterior walls and windows, driveways and other necessary facility maintenance and repair. These improvements positively impact the efficiency, health and safety of the department's workforce, as well as ensure the community can take pride in its public facilities. Funding for the Department's projects come from a variety of sources such as Development Impact Fees, Facilities Benefit Assessments, deferred capital bonds, various grants, foundation funds and the General Fund.

2015 CIP Accomplishments

In Fiscal Year 2015, the Fire-Rescue Department completed many capital improvements that included:

- Groundbreaking of the temporary Fire Station 51 (Skyline/Paradise Hills)
- Completion of the Mission Beach Lifeguard Station's exterior improvements such as roof, stucco and windows
- 50% construction completion of the new La Jolla Children's Pool Lifeguard Station
- 90% construction completion of the new La Jolla Cove Lifeguard Station
- 30% design completion of the North Pacific Beach Lifeguard Station
- Began construction on the new South Mission Beach Lifeguard Station
- 30% design completion of the new Fire Station 50 (North University City)
- Completion of the Pacific Beach Lifeguard Station exterior windows upgrade and replacement
- Completion of the 100% design with building permits issuance for the rebuilding of Fire Stations 5 (Hillcrest), 17 (City Heights), 22 (Pt. Loma) and South Mission Beach Lifeguard Station
- Notice to proceed issuance for the construction of new Fire Stations 5, 17, 22
- Design completion of Fire Station 15 (Ocean Beach) for a new kitchen, dining/meeting room and ADA bathroom
- Completion of the design of Fire Station 8 (Mission Hills) for a new kitchen, ready room, watch room and ADA bathroom
- Completion of the replacement of the Lifeguard Headquarters' Boat Safety Unit trailers
- Construction completion of the La Jolla Shores Lifeguard Station
- Completion of the Lifeguard Headquarters' Communication Tower remodel
- Completion of the Ocean Beach Lifeguard Station windows replacement

2016 CIP Goals

The San Diego Fire-Rescue Department is looking forward to initiating and implementing the following capital improvement projects based on funding availability:

- Completion of Fire Station 45 (Mission Valley)
- Completion of the bridging documents for the Design/Build Fire Station 50 (University City)

Fire-Rescue

- Initiation of the design and construction of the new Fire Helicopter Air Operations helipad, hangars, parking, FAA building tenant improvements and other offsite improvements at Montgomery Field
- Completion of La Jolla Children's Pool and Cove Lifeguard Station
- Completion of the ambulance apparatus bay and station expansion at Fire Station 38 (Mira Mesa)
- Completion of the design for the new North Pacific Beach Lifeguard Station
- Completion of the design for Fire Station 48 (Black Mountain Ranch)
- Land acquisition for the fire station at Home Avenue
- Land acquisition for replacement of Fire Station 7 (Barrio Logan)
- Initiate construction of Fire Station 15 (Ocean Beach) for a new kitchen, dining/meeting room and ADA upgrades
- Initiate construction for Fire Station 8 (Mission Hills) for a new kitchen, ready room, watch room and ADA bathroom
- Construction completion for the replacement of the roof, windows and building exterior for the Mission Beach Lifeguard Station
- 100% design completion of the North Pacific Beach Lifeguard Station
- Completion of the Fire Headquarters Reception tenant improvement
- Completion of the Lifeguard Headquarters Boat Safety Unit dorms
- Design completion of Fire Station 3 (Little Italy) for a new kitchen & dorms

Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2000 - 2018	619-533-4640
Improv Type: Replacement	ecetin@sandiego.gov

Description: This project provides for a new lifeguard station and family restroom at the Children's Pool in La Jolla.

Justification: The previous Lifeguard Tower structure was no longer safe and has been abandoned. It did not meet the current or future needs of Lifeguard Services. It did not provide adequate safety to the employees, and can no longer keep up with the growing community of La Jolla and the larger number of visitors every year. The scope of this project is also to remodel the existing public restrooms facilities.

Operating Budget Impact: Personnel expenses are expected to increase by approximately \$182,000 during construction only. Maintenance costs for the new facility are expected to increase by approximately \$5,000 annually due to the increased square footage of the new facility.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Conceptual design is completed and approved. Construction began in Fiscal Year 2014 and is scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: Total project cost increased by \$50,000 due to revised requirements.

College Area Fire Station / S16015

Bldg - Pub Safety - Fire Fac / Struct

Council District:	9	Priority Score:	65
Community Plan:	College Area	Priority Category:	Low
Project Status:	New	Contact Information:	Cetin, Elif
Duration:	2016 - 2019		619-533-4640
Improv Type:	New		ecetin@sandiego.gov

Description: This project provides for the possible land acquisition, design and construction of a new permanent fire station of approximately 10,500 SF, as well as the purchase of a new fire engine apparatus. The facility will accommodate up to 10 personnel and will include apparatus bay, dorm rooms, kitchen, watch room, ready room, station alerting system and any infrastructure associated with the new fire station facility that meets SDFD operational requirements.

Justification: This project will provide for the much needed Fire Station to meet the emergency response times for the College Community area and SDFD Citygate Study Priority no.3 and the College Community Plan.

Operating Budget Impact: The operating budget effect will be determined once funding and land have been identified.

Relationship to General and Community Plans: This project implements the recommendations by the Fire-Rescue Department and it is in conformance with the City's General Plan's Public Facilities, Services and Safety Element and Public Facilities Financing Plan.

Schedule: \$270,000 is initially appropriated to support the planning report and feasibility study for land acquisition, design and construction which will begin when funding is identified.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016.

Fire-Rescue

Fire Station Major Component Replacement Rehab / ABC00001

Bldg - Pub Safety - Fire Fac / Struct

Council District:	Citywide	Priority Score:	Annual
Community Plan:	Citywide	Priority Category:	Annual
Project Status:	Continuing	Contact Information:	Hojnacki, Brian
Duration:	2010 - 2020		619-533-4355
Improv Type:	Replacement - Rehab		bhojnacki@sandiego.gov

Description: This project provides for the replacement and/or rehabilitation of major structural and construction components in older fire facilities throughout the City. Included are electrical service upgrades, heating, ventilating and air-conditioning (HVAC), roofs, dormitory remodels, kitchen remodels, driveway and parking paving, exterior finishes, and miscellaneous renovations.

Justification: The San Diego Fire-Rescue Department currently maintains 50 fire facilities. Over half of these facilities have been in service for more than 25 years. Many of the major components have exceeded their expected service life and must be replaced. The needs of modern technology and a diversified workforce also require changes in fire facility configuration, HVAC systems distribution, and energy capacity.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Fire Station No. 02 - Bayside / S15042

Bldg - Pub Safety - Fire Fac / Struct

Council District: 3	Priority Score: N/A
Community Plan: Centre City - Little Italy	Priority Category: N/A
Project Status: New	Contact Information: Abella-Shon, Michelle
Duration: 2015 - 2017	858-573-1362
Improv Type: New	mshon@sanidiego.gov

Description: This project provides for the program, design, and construction of a new fire station of approximately 24,680 SF of work and living spaces, underground parking, 3 apparatus bays, dorm rooms, kitchen, watch room, ready room, and station alerting system, to accommodate the 24-hour SDFD crew of 12.

Justification: This project will add the much needed brand new fire station west of the existing railroad tracks in order to meet current SDFD operational needs and response times. The new station will also meet future growth population of downtown San Diego's and the surrounding communities' ongoing redevelopment.

Operating Budget Impact: The operating budget effect will be determined upon the completion of the project.

Relationship to General and Community Plans: This project implements the recommendations by Fire-Rescue Department and it is in conformance with the City's General Plan's Public Facilities, Services and Safety Element and the Downtown and Little Italy Community Plan.

Schedule: Design is at 90-100% and building permits in process. Construction bid and award process is scheduled to begin in Fiscal Year 2016.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016.

Fire-Rescue

Fire Station No. 05 - Hillcrest / S00788

Bldg - Pub Safety - Fire Fac / Struct

Council District: 3	Priority Score: 80
Community Plan: Uptown	Priority Category: Medium
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2009 - 2018	619-533-4640
Improv Type: New	ecetin@sandiego.gov

Description: This project provides for an approximately 10,500 square foot fire station located at 3902 9th Avenue. The existing fire station will be demolished and replaced by a new, modern fire station. This station will house a crew of eight and one Battalion Chief. It will accommodate one engine and one aerial truck. The cost of the project includes the purchase of a new Fire Engine valued at \$800,000 and one Battalion Chief vehicle valued at \$90,000.

Justification: The current station is 49 years old. The water and sewer service to the existing station is deteriorating and requires immediate repairs. The station is too small to accommodate a new style fire engine and the larger type of aerial ladder truck. The current station is inadequate to serve future population growth.

Operating Budget Impact: The square footage increase of this fire station will result in an increased maintenance costs estimated at \$5,000 annually.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Design is anticipated to be completed in Fiscal Year 2016 and construction is scheduled to begin in Fiscal Year 2017.

Summary of Project Changes: Project costs have increased by \$50,000 due to revised project requirements for Fiscal Year 2016.

Fire Station No. 07 - Barrio Logan / S15013

Bldg - Pub Safety - Fire Fac / Struct

Council District: 8	Priority Score: 85
Community Plan: Barrio Logan	Priority Category: High
Project Status: Continuing	Contact Information: Abella-Shon, Michelle
Duration: 2015 - 2020	619-533-4640
Improv Type: Betterment	ecetin@sandiego.gov

Description: This project provides for land acquisition and the program, design and construction of a new fire station, demolition of the old station and design and assembly of a temporary fire station. The new permanent station will provide approximately 10,500 Square Feet of work and living spaces, conference/training room, apparatus bay, dorm rooms, kitchen, watch room, ready room, station alerting system, to accommodate the 24-hour SDFD staff. The design of a temporary station, at a location to be determined, will include the site plan, utility hook-ups to address the temporary displacement of the crew during demolition of the old and construction of the new station facility.

Justification: This project will replace the existing 1957 Fire Station 7, which does not meet current SDFD operational needs. The new station will also meet future growth population of Barrio Logan and the surrounding communities, consistent with San Diego Association of Governments 2050.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project implements the recommendations by Fire-Rescue Department and it is in conformance with the City's General Plan's Public Facilities, Services, and Safety Element and the Barrio Logan Community Plan.

Schedule: Land acquisition was partially funded in Fiscal Year 2015. Design and construction schedules will be provided upon allocation of funds.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2013 - 2018	619-533-4640
Improv Type: Betterment	ecetin@sandiego.gov

Description: This station is located at 3974 Goldfinch Street and it serves Mission Hills and surrounding areas. This project provides for the design and construction of the facility's working areas to provide the full functionality of the fire station operational requirements.

Justification: The current facility does not provide sufficient space to allow full functionality. This project will allow to better serve the community and to provide more efficient responses.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Project Design began in Fiscal Year 2015 and is anticipated to be completed in Fiscal Year 2016. Construction will begin Fiscal Year 2016 and be completed in Fiscal Year 2017.

Summary of Project Changes: No significant changes are scheduled for this project in Fiscal Year 2016.

Fire Station No. 15 - Ocean Beach Expansion / S13011

Bldg - Pub Safety - Fire Fac / Struct

Council District: 2	Priority Score: 44
Community Plan: Ocean Beach	Priority Category: Low
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2013 - 2018	619-533-4640
Improv Type: Betterment	ecetin@sandiego.gov

Description: Fire Station 15 serves the community of Ocean Beach and surrounding areas and is located at 4711 Voltaire Street. The project provides for the expansion of the existing fire station facility to meet current department standards and operational needs (meeting room or dorm rooms) to serve the growing population.

Justification: Expansion of the existing station is needed to keep up with increased operational activity over the years. The project provides for the expansion of the existing fire station facility to meet current department standards and operational requirements to serve the needs of the community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and is in conformance with the City's General Plan.

Schedule: Project Design began in Fiscal Year 2015 and will be completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2016 and be completed in Fiscal Year 2017.

Summary of Project Changes: An additional \$100,000 in DIF Funds are allocated for Fiscal Year 2016. Additionally, total project cost increased by \$65,000 due to revised requirements.

Fire-Rescue

Fire Station No. 17 - Mid-City / S00783

Bldg - Pub Safety - Fire Fac / Struct

Council District: 9	Priority Score: 80
Community Plan: City Heights (Mid-City)	Priority Category: Medium
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2009 - 2020	619-533-4640
Improv Type: Replacement	ecetin@sandiego.gov

Description: This project provides for reconstructing the 50-year-old fire station at 4206 Chamoune Avenue in the Mid-City area. The station will accommodate up to ten personnel, two fire vehicles, and one paramedic unit. The cost of one fire truck is included in the project cost.

Justification: Fire Station 17 is one of the busiest engine companies in the United States and is currently in a state of deterioration. Reconstruction of Fire Station 17 will allow for assignment of one additional fire crew to divide emergency response between two units.

Operating Budget Impact: The square footage increase of this fire station will result in increased maintenance costs of \$5,000 per year. Staffing of one additional crew will be required once the construction is complete and will need to be added to the Department's annual operating budget (Approximately \$2.0 million).

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: The project is scheduled to complete design in Fiscal Year 2015. Construction will begin in Fiscal Year 2016 and is estimated to be completed in Fiscal Year 2018.

Summary of Project Changes: No significant changes in Fiscal Year 2016.

Fire Station No. 22 - Point Loma / S00787

Bldg - Pub Safety - Fire Fac / Struct

Council District: 2	Priority Score: 81
Community Plan: Peninsula	Priority Category: Medium
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2009 - 2019	619-533-4640
Improv Type: Replacement	ecetin@sandiego.gov

Description: This project provides for the demolition of an existing station and reconstruction of a new station located at 1055 Catalina Boulevard in Point Loma.

Justification: The existing fire station was built in the early 1940s and is now too small to accommodate new fire engines. Many of the major components have exceeded their expected service life. The needs of modern technology and a diversified workforce also require changes in fire facility configuration.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: The project design is anticipated to be completed in Fiscal Year 2016. Construction will begin in Fiscal Year 2016 and be completed in Fiscal Year 2017.

Summary of Project Changes: Total project cost has been decreased by \$155,000 as authorized per City Council Resolution R-309287, adopted Nov 13, 2014.

Fire Station No. 38 - Mira Mesa Remodel / S10006

Bldg - Pub Safety - Fire Fac / Struct

Council District: 6	Priority Score: 81
Community Plan: Mira Mesa	Priority Category: Medium
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2010 - 2018	619-533-4640
Improv Type: Betterment	ecetin@sandiego.gov

Description: This project provides for design and construction of approximately 637 square feet to expand the existing fire station to accommodate Emergency Medical Services (EMS) staff living quarters and increased operational needs. This project will also include design and construction of a 385 square foot ambulance garage if the existing funding is adequate.

Justification: The existing facility does not accommodate staff adequately. This project will provide for the housing of two medics who are currently housed in a rented trailer/modular building. This project will ensure consistency with the Citygate Report's recommendations.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2014. Construction began in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: Total project cost increased by \$200,000 due to an increase in construction cost.

Fire-Rescue

Fire Station No. 45 - E Mission Valley / S00688

Bldg - Pub Safety - Fire Fac / Struct

Council District: 7	Priority Score: 92
Community Plan: Mission Valley	Priority Category: High
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 1994 - 2019	619-533-4640
Improv Type: New	ecetin@sandiego.gov

Description: This project provides for an updated fire station in Mission Valley. The station will accommodate up to 18 personnel, two engines, one aerial truck, two hazardous material apparatus, one paramedic ambulance, and one Battalion Chief vehicle.

Justification: A fire station is needed to serve the Mission Valley community. This project is consistent with City Council policy to meet response time guidelines.

Operating Budget Impact: The operation of the permanent facility will require additional positions equivalent to \$2.1 million per year. Non-personnel costs to operate a new station are approximately \$300,000. These funds will need to be added permanently to the Fire-Rescue operating budget after the project is complete. The purchase of an additional fire truck will be financed through this project's allocated funds.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan; however, the Mission Valley Community Plan does not currently provide for this project. An amendment to the Community Plan may be required prior to implementation of this project.

Schedule: Design was completed in Fiscal Year 2013. Construction began in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made for this project for Fiscal Year 2016.

Fire-Rescue

Fire Station No. 48 - Black Mountain Ranch / S15015

Council District: 5	Priority Score: 71
Community Plan: Black Mountain Ranch	Priority Category: Low
Project Status: Continuing	Contact Information: Abella-Shon, Michelle
Duration: 2015 - 2019	858-573-1362
Improv Type: Betterment	mshon@sandiego.gov

Description: This project provides for the acquisition, design and construction of a new permanent Fire Station of approximately 10,500 square feet. The facility will accommodate eight crewmembers and will include apparatus bay, dorm rooms, kitchen, watch room, ready room, station alerting system, and training classroom/multi-purpose room. The new station will be located at Carmel Valley Rd. and Winecreek Rd. in the Black Mountain Community. The fire station design and construction will be implemented through facilities financing development and reimbursement agreement with the private developer. This is one of the new stations recommended by the Citygate Report #18.

Justification: This project will provide for the much needed Fire Station to meet the emergency response times of the community.

Operating Budget Impact: This station will require the purchase of one Fire Engine and Brush Apparatus (included in the cost estimate of \$11.8 million). A recurring total of \$2.1 million will need to be added to the Fire-Rescue Operating Budget to hire a new crew of Fire Fighters once construction is completed.

Relationship to General and Community Plans: This project is consistent with Black Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: This project will be constructed by a developer per the terms of a reimbursement agreement. Reimbursement will be in the form of FBA credits. Land acquisition is anticipated to be completed in Fiscal Year 2016. Design will be scheduled for Fiscal Year 2016. Construction funds are currently unidentified.

Summary of Project Changes: This project will be constructed by a developer per the terms of reimbursement agreement. Reimbursement will be in the form of FBA credits.

Fire-Rescue

Fire Station No. 49 - Otay Mesa / S00784

Bldg - Pub Safety - Fire Fac / Struct

Council District:	8	Priority Score:	81
Community Plan:	Otay Mesa - Nestor, Otay Mesa	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Abella-Shon, Michelle
Duration:	2002 - 2023		858-573-1362
Improv Type:	New		mshon@sandiego.gov

Description: This project provides for an approximately 10,500 square foot double-house fire station to serve the Otay Mesa and Otay Mesa/Nestor Communities. The fire station will be located across the intersection of Ocean View Hills Parkway and Sea Fire Point and will serve the community in addition to Fire Station 6 located at 693 Twining Avenue. The fire station will accommodate two fire apparatus and a paramedic ambulance and will also have a training room. The one-time cost of \$800,000 for one fire engine is included in the project.

Justification: A second fire station is needed to serve the Otay Mesa Community and it will ensure consistency with the Citygate Report's recommendations.

Operating Budget Impact: The operation of the Otay Mesa/Nestor Communities Fire Station will require the addition of a full crew (approximately \$2.1 million) and non-personnel costs (approximately \$300,000) to operate the new station. These costs will need to be added permanently to the Fire-Rescue operating budget once the project is complete.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa and Otay Mesa/Nestor Community Plans and is in conformance with the City's General Plan.

Schedule: Design and land acquisition is anticipated to begin in Fiscal Year 2019 and construction is anticipated to begin in Fiscal Year 2020.

Summary of Project Changes: Total project cost for this project decreased by \$1.9 million due to revised cost estimates. The schedule for this project also changed to reflect Facilities Benefit Assessment (FBA) funding anticipated in Fiscal Years 2019 and 2020.

Fire-Rescue

Fire Station No. 50 - North University City / S13021

Bldg - Pub Safety - Fire Fac / Struct

Council District: 1	Priority Score: 74
Community Plan: University	Priority Category: Medium
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2013 - 2020	619-533-4640
Improv Type: New	ecetin@sandiego.gov

Description: This new facility will provide support to the University City area and will provide emergency response times that meet City and national standards. This project will include design, construction, and equipment for a new fire station to accommodate up to 11 crew members, a fire engine, service aerial truck, ambulance and training room. The size of the station will be approximately 10,500 square feet. The site of the station has been selected.

Justification: An additional fire station is needed in this area to ensure consistency with the Citygate Report's recommendations.

Operating Budget Impact: Once construction is completed additional staffing (approximately \$2.1 million) and non-personnel expenditures (approximately \$300,000) will need to be added to the Department's annual operating budget.

Relationship to General and Community Plans: The building design will comply with San Diego Fire-Rescue Department's Design and Construction Standards and will be consistent with the North and South University Community Plan, Council Policy 900-14 on Sustainable Building Policy, Leadership in Energy and Environmental Design requirements and with the City's General Plan.

Schedule: Planning and design was initiated in Fiscal Year 2015 and will be completed in Fiscal Year 2016. Construction is anticipated to be completed in Fiscal Year 2020.

Summary of Project Changes: Additional Facilities Benefit Assessment (FBA) funding of \$5.0 million will be allocated to this project per the Public Facilities Financing Plan in Fiscal Year 2016.

Fire Station No. 51 - Skyline Hills / S14017

Bldg - Pub Safety - Fire Fac / Struct

Council District: 4	Priority Score: 83
Community Plan: Skyline - Paradise Hills	Priority Category: High
Project Status: Continuing	Contact Information: Antoun, Nevien
Duration: 2015 - 2021	619-533-4640
Improv Type: New	ecetin@sandiego.gov

Description: This project provides for the design and construction of a permanent station to be built at 7180 Skyline Drive to better serve the growing community of Skyline/Paradise Hills. This is one of the 12 projects included in the Fire Rescue Facility Improvement Program approved by the City Council on February 27, 2001 per Council Resolution R-294609 and amended by the City Council on April 16, 2002 per Council Ordinance O-19054.

Justification: An additional fire station is needed in this area to meet response time guidelines in this growing community.

Operating Budget Impact: This station will be staffed by the employees that are currently working the temporary station at this site. No additional staff will be requested once this station is completed.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Design is anticipated to be completed in Fiscal Year 2018. Construction phase is currently unfunded.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Improv Type: New	mshon@sandiego.gov

Description: This project provides for a new fire station in the Paradise Hills area to serve the Paradise Hills/Skyline area of San Diego. The site for this project has not been identified.

Justification: This station is needed to serve the Paradise Hills/Skyline community and will ensure consistency with the Citygate Report's recommendations.

Operating Budget Impact: The operation of the Paradise Hills/Skyline double-house station will require additional positions equivalent to approximately \$2.1 million. Additionally, a new fire engine will need to be purchased for \$800,000. Non-personnel costs to operate a new station are approximately \$300,000.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction will be scheduled when funding is identified.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2016.

Fire-Rescue

Fire-Rescue Air Operations Facility / S15012

Bldg - Pub Safety - Fire Fac / Struct

Council District: 6	Priority Score: 78
Community Plan: Tierrasanta	Priority Category: Medium
Project Status: Continuing	Contact Information: Abella-Shon, Michelle
Duration: 2015 - 2020	858-573-1362
Improv Type: Betterment	mshon@sandiego.gov

Description: This project provides for the program, design and construction of a Fire-Rescue Air Operations ("Air Ops") Facility for helicopter operations or improvements to an existing facility at Montgomery Field Airport. Air Ops is operating Bell 212HP and 412EP helicopters, currently working out of trailers with no hangar space on Montgomery Field. The proposed facility includes offices, dormitory and hangar space. The aircraft hangar will be approximately 15,000 square feet. The 'station' area will provide approximately 6,000 square feet of office and living spaces to accommodate 24 hour staffing that includes one battalion chief, two captains, two pilots, and four firefighters.

Justification: This project will provide a much needed, permanent, Fire-Rescue Air Operations Facility to accommodate the helicopters and crews that provide fire suppression, rescues from remote areas, advanced life support and medical transport.

Operating Budget Impact: The operating budget impact will be non-personnel expenses of the facility (approximately \$300,000) once the project is completed and will need to be added to the Departments annual allocated budget.

Relationship to General and Community Plans: This project implements the recommendations by the Fire-Rescue Department and it is in conformance with the City's General Plan's Public Facilities, Services, and Safety Element, Airport Land Use Compatibility Plan (ALUCP) and Airport Layout Plan (ALP) for Montgomery Field.

Schedule: Design will begin in Fiscal Year 2016 and is anticipated to be completed in Fiscal Year 2017. Funds needed for construction have not yet been identified.

Summary of Project Changes: \$983,100 in DIF Funding and an additional \$39,981 in Developer Contributions CIP funding has been allocated to this project for Fiscal Year 2016 to support the design of the Fire-Rescue Air Operations ("Air Ops") Facility.

Fire-Rescue

La Jolla Cove Lifeguard Station / S00792

Bldg - Pub Safety - Lifeguard Stations

Council District: 1	Priority Score: 93
Community Plan: La Jolla	Priority Category: High
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2009 - 2017	619-533-4640
Improv Type: Replacement	ecetin@sandiego.gov

Description: This project provides for the La Jolla Cove Lifeguard Station, located at 1100 Coast Boulevard, which will be a year-round facility replacing the current station. The structure will include an observation tower, first aid room, and locker room/restroom areas. This project will also provide for an accessible ramp for the mid-landing.

Justification: The existing facility consists of a station constructed in the 1950s and an observation tower added in 1980, which is inadequate to accommodate staff or provide adequate water safety protection.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities and on-going maintenance are estimated to increase by approximately \$5,000 per year due to an expanded facility area.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2013. Construction began in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: Total project cost decreased \$520,000 due to construction bids coming in lower than anticipated.

La Jolla Shores Lifeguard Station / S00790

Bldg - Pub Safety - Lifeguard Stations

Council District: 1	Priority Score: N/A
Community Plan: La Jolla	Priority Category: N/A
Project Status: Warranty	Contact Information: Cetin, Elif
Duration: 2009 - 2016	619-533-4640
Improv Type: Replacement	ecetin@sandiego.gov

Description: This project provided for a new lifeguard station at La Jolla Shores, located at 8100 Camino del Oro. The structure includes an observation tower, first aid room, reception area, kitchen, locker room/restroom areas, and a separate facility for rescue vehicles and emergency equipment.

Justification: The old facility was built in 1981 and was inadequate to accommodate current and future staff and to allow for adequate water safety protection to the public.

Operating Budget Impact: Personnel expenses have not increased; however, non-personnel expenses have increased by approximately \$5,000 annually and are to increase of square footage and maintenance costs.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Final design was completed during Fiscal Year 2010. Construction began in Fiscal Year 2011 and was completed in Fiscal Year 2014.

Summary of Project Changes: Redesign of the main observation tower occurred in Fiscal Year 2014 and was completed. The project is complete and is scheduled to be closed by the end of the fiscal year.

Mission Beach Lifeguard Station / S00793

Bldg - Pub Safety - Lifeguard Stations

Council District: 2	Priority Score: 71
Community Plan: Mission Beach	Priority Category: Low
Project Status: Warranty	Contact Information: Cetin, Elif
Duration: 2009 - 2016	619-533-4640
Improv Type: Replacement	ecetin@sandiego.gov

Description: This project provides for remodeling the existing Mission Beach Lifeguard Station located at 3141 Oceanfront Walk.

Justification: The existing facility consists of a lifeguard station constructed in 1974 and does not accommodate changing workforce demographics. Mission Beach historically accommodates the highest attendance within the City of San Diego and remodeling the station is necessary to accommodate the large and growing community.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities or on-going maintenance are estimated to increase by approximately \$5,000 annually due to the new and expanded facilities.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2012. Construction was completed in Fiscal Year 2014.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Fire-Rescue

North Pacific Beach Lifeguard Station / S10119

Council District: 2	Priority Score: 83
Community Plan: Pacific Beach	Priority Category: High
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2011 - 2022	619-533-4640
Improv Type: Replacement	ecetin@sandiego.gov

Description: This project provides for the North Pacific Beach Lifeguard Station located at the foot of Law Street, which will be a year-round facility replacing the current station. The structure will include an observation tower, first aid room, reception area, kitchen, locker room/restroom areas and a rescue vehicles facility.

Justification: North Pacific Beach has become a highly frequented beach over the years and new facilities will benefit both the public and the employees. Lifeguards are currently operating from a seasonal tower structure supported by a container-type of facility where medical aids and other daily activities like food preparation take place. This can create health issues for both the public and the employees.

Operating Budget Impact: There is an estimated \$5,000 operating cost that will need to be added to the Lifeguard Division budget, after construction is complete. The funds will be needed to properly maintain this expanded new facility.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2014 and is scheduled to be completed during Fiscal Year 2017. Construction will be scheduled upon identification of funding.

Summary of Project Changes: Total project cost increased \$160,000 due to additional design work needed to process a coastal development permit.

Ocean Beach Lifeguard Station / S10121

Bldg - Pub Safety - Lifeguard Stations

Council District: 2	Priority Score: 79
Community Plan: Ocean Beach	Priority Category: Medium
Project Status: Underfunded	Contact Information: Abella-Shon, Michelle
Duration: 2011 - 2020	858-573-1362
Improv Type: Replacement	mshon@sandiego.gov

Description: This project provides for the design and construction of a new Ocean Beach Lifeguard Station located at 1950 Abbott Street to replace the current station. The structure will include an observation tower, first aid room, reception area, kitchen, locker room/restroom areas, and a garage for rescue vehicles and emergency equipment.

Justification: The existing facility consists of a station constructed in 1980. Since that time, the beach has become a very popular area for swimming and surfing. The existing station is inadequate to accommodate staff and equipment. This project will result in a more effective deployment of lifeguard personnel and equipment, therefore improving the safety of the public and the community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and is in conformance with the City's General Plan.

Schedule: Project is temporarily on hold until funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status: Continuing	Contact Information: Meinhardt, Cynthia
Duration: 2012 - 2017	619-533-5259
Improv Type: Replacement	cmeinhardt@sandiego.gov

Description: This project will provide for the replacement of the Fire In-Station Alerting System at fire stations Citywide. The current alerting system technology is 21 years old and is no longer in service forcing the department to rely upon a back-up system.

Justification: This project will help address General Plan recommended revisions. To treat medical patients and control small fires, the first-due unit should arrive within 7.5 minutes, 90 percent of the time from the receipt of the 911 call in fire dispatch.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Replacement of the system Citywide began in Fiscal Year 2014 and will be completed in Fiscal Year 2017.

Summary of Project Changes: The schedule of this project has been extended into Fiscal Year 2017 due to change orders.

Skyline Hills FS Land Acquisition / S00687

Bldg - Pub Safety - Fire Fac / Struct

Council District: 4	Priority Score: 81
Community Plan: Skyline - Paradise Hills	Priority Category: Medium
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2002 - 2017	619-533-4640
Improv Type: New	ecetin@sandiego.gov

Description: This project provides for the demolition and land clearing for the site of a temporary fire station to meet community emergency response needs.

Justification: An additional fire station is needed in this area to meet General Plan recommended revisions. To treat medical patients and control small fires, the first-due unit should arrive within 7.5 minutes, 90 percent of the time from the receipt of the 911 call in fire dispatch. The purpose of this project is solely to provide land acquisition, complete an underground tank assessment, and construct a temporary fire station. The design and construction of the permanent facility will be completed under S-14017 (Fire Station No. 51 - Skyline Hills). This temporary fire station will mitigate priority number 4 of the Citygate study.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2004 and the underground tank assessment is completed. Demolition and land clearing began in Fiscal Year 2015 and is scheduled to be completed in Fiscal Year 2016. Construction of the temporary fire station will be completed in Fiscal Year 2016.

Summary of Project Changes: Total project cost increased \$110,000 due to Construction Bids coming in higher than expected.

South Mission Beach Lifeguard Station / S00791

Bldg - Pub Safety - Lifeguard Stations

Council District: 2	Priority Score: 81
Community Plan: Mission Beach	Priority Category: Medium
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2009 - 2020	619-533-4640
Improv Type: Replacement	ecetin@sandiego.gov

Description: The project provides for a replacement for the South Mission Beach Station located at 700 North Jetty Road. The new structure will include an observation tower, first aid room, reception area, kitchen, locker room and restroom areas, and a rescue vehicle and emergency equipment facility.

Justification: The existing facility was constructed in 1974 and was intended to be a temporary lifeguard station. It is inadequate to accommodate staff or to provide adequate water safety protection.

Operating Budget Impact: Personnel expenses are not expected to increase; however, non-personnel expenses for utilities and on-going maintenance are estimated to increase by approximately \$5,000 annually due to increased area of the new facility.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2014. Construction is anticipated to begin in Fiscal Year 2016 and to be completed in Fiscal Year 2019.

Summary of Project Changes: Total project cost increased \$1.8 million due to revised requirements.

Fire Station No. 48 - Black Mountain Ranch / S15015	11,780,000	9,080,000	77.1%	This project will result in a Fire Station to serve the Black Mountain Ranch area. Funding for construction of the facility is currently unfunded.
Home Avenue Fire Station / S14018	12,000,000	10,000,000	83.3%	This project will provide for a new fire station to serve the City Heights community. Funds needed for design and construction have not yet been identified.
North Pacific Beach Lifeguard Station / S10119	6,923,347	6,185,444	89.3%	This project provides for the North Pacific Beach Lifeguard Station located at the foot of Law Street, which will be a year-round facility replacing the current station. Construction phase is currently unfunded.
Fire-Rescue Air Operations Facility / S15012	12,500,000	11,351,919	90.8%	This project provides for the program, design and construction of a Fire-Rescue Air Operations ("Air Ops") Facility for helicopter operations. Construction for this project is currently unfunded.
Fire Station No. 51 - Skyline Hills / S14017	12,000,000	11,000,000	91.7%	This project provides for an additional station to be built at 7180 Skyline Drive to better serve the growing community of Skyline/Paradise Hills. Construction phase is currently unfunded.
Fire Station No. 07 - Barrio Logan / S15013	12,000,000	11,150,000	92.9%	This project provides for the program, design and construction of a new fire station, demolition of the old station and design and assembly of a temporary fire station. Design and construction phases are currently unfunded.
College Area Fire Station / S16015	12,000,000	11,730,000	97.8%	This project will result in a new Fire Station to serve the College Community area. Design and construction phases are currently unfunded.
Fire Station No. 54 - Paradise Hills / S00785	11,095,000	11,011,065	99.2%	This project provides for a new station in the Paradise Hills area to serve the Paradise Hills/Skyline area of San Diego. Design and construction phases are currently unfunded.
Ocean Beach Lifeguard Station / S10121	4,560,000	4,550,000	99.8%	This project provides for the Ocean Beach Station located at 1950 Abbott Street. Design and construction phases are currently unfunded.
Total - Fire-Rescue	\$ 86,203,428			

Library

Page Intentionally Left Blank

Library

The Library Department serves a population of over 1.3 million residents of the City of San Diego. Creating and maintaining facilities that are valued for their accessibility, comfort, and beauty is a high priority of the Department. The Capital Improvements Program plays an important role in providing new facilities and addressing the capital needs of existing facilities. The Library System includes the Central Library and 35 branch libraries.

2015 CIP Accomplishments

In Fiscal Year 2015, the Library Department made progress on the following projects:

Mission Hills - Hillcrest Branch Library

The new 15,000 square-foot facility will be located at the southwest corner of Washington and Front streets. The project is currently in the design phase, and a Request for Proposal for Design Builders is in process.

San Ysidro Branch Library

This project provides for a 15,000 square-foot facility to serve the San Ysidro Community. The new San Ysidro Branch Library project is in the land acquisition phase. \$5.0 million in additional bond funding was received for this project in Fiscal Year 2015.

Skyline Hills Branch Library

This project provides for a new 15,000 square-foot library. The new Skyline Hills Branch Library is located at 7844 Paradise Valley Road on a 3.6 acre lot. Ground breaking is expected to occur in the summer of 2015.

2016 CIP Goals

The Library Department is looking forward to Fiscal Year 2016 with the following goals:

Skyline Hills Branch Library

Construction will begin in the summer of 2015, and is projected to be completed in the winter of 2017. The project budget is \$13.8 million. The project consists of construction of a single-story 15,000 square foot library and demolition of the existing 4,400 square foot library. The facility includes reading areas, a community room, computer rooms, staff offices/support area, and public art.

Mission Hills - Hillcrest Branch Library

Construction of the Mission Hills–Hillcrest Branch Library is anticipated to begin in the summer of 2017. The project is currently in the design phase with construction completion planned for Fiscal Year 2019 pending full funding. The project budget is \$17.8 million.

Balboa Branch Library / S00808

Bldg - Libraries

Council District: 6	Priority Score: 62
Community Plan: Clairemont Mesa	Priority Category: Low
Project Status: Underfunded	Contact Information: Burnett, Sheila
Duration: 2010 - 2016	619-236-5873
Improv Type: Betterment	sburnett@sandiego.gov

Description: This project provides for a new 15,000 square-foot branch library on the current site to replace the existing facility at 4255 Mount Abernathy. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing undersized facility has no meeting room, computer lab, nor adequate seating to provide adequate library services to the community.

Operating Budget Impact: Operational costs for the project will be determined once funding is identified and a new project is created.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: The original schematic design began in Fiscal Year 2003 and was completed in Fiscal Year 2006; however, due to higher than anticipated total project cost this project will be requested to be abandoned and closed. Once funds are identified a new project will be created. The scope, cost, and schedule (including construction) will be revised once a new schematic design is developed, approved by the community, and funding is identified.

Summary of Project Changes: \$250,000 has been transferred to CIP S15028, Olive Grove Community Park ADA Improvements, via City Council Resolution R-309683, adopted on May 28, 2015. This project is anticipated to be abandoned and closed by the end of the fiscal year.

Project Status: Continuing	Contact Information: Burnett, Sheila
Duration: 2004 - 2017	619-236-5873
Improv Type: Betterment	sburnett@sandiego.gov

Description: This project provides for a 2,000 square-foot expansion of the existing building at 4121 Adams Avenue. This project will benefit the Kensington/Normal Heights residents.

Justification: The expansion is to provide adequate library services to the community. The Kensington/Normal Heights Branch Library is the smallest branch in the Library System. The community has expressed a desire for the library to remain at the same location.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. Estimates of the operating budget impact will be developed as the project progresses.

Relationship to General and Community Plans: This project is consistent with the Kensington-Talmadge (Mid-City) Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design and site studies were performed in Fiscal Years 2002 through 2005. The estimated cost and schedule for this project were developed in Fiscal Year 2003 and will be revised when funding is identified. Preliminary design is scheduled to resume in Fiscal Year 2016.

Summary of Project Changes: DIF funding in the amount of \$75,000 will be allocated to this project in Fiscal Year 2016. Project schedule has been updated.

Community Plan:	Citywide	Priority Category:	Low
Project Status:	Continuing	Contact Information:	Gage-Norquist, Robyn
Duration:	2012 - 2017		619-236-5803
Improv Type:	Replacement		rgage@sandiego.gov

Description: This project provides for re-labeling all library materials with Radio Frequency Identification (RFID) tags, purchasing self-checks and security gates that will detect the RFID tags/signals, and where cost effective, modify existing equipment to detect the RFID tag/signal.

Justification: All library materials that are checked out to the public are currently labeled with barcodes. RFID technology offers enhanced security, ergonomic benefits, and lends itself better to automation and self-service in libraries; all critical considerations for the Library. Barcodes were once the industry standard for labeling items; however, libraries are increasingly adding RFID tags/signals. Increased efficiency and better customer service are primary reasons for adopting RFID technology. RFID increases the speed of circulation as multiple items can be checked out/checked in simultaneously, rather than one-by-one as in barcode technology. Hand-held RFID readers can also assist staff in the stacks allowing for faster processing of holds, weeding the collection, and performing materials inventory tasks. RFID technology coupled with materials handling systems enhances the speed with which items are back on the shelf and available for check-out.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: There are no design and construction schedules associated with this project. Phase 1 involved the conversion of the Central Library and Centralized Services which was completed in Fiscal Year 2013. Phase 2 will involve the conversion of the Branch Library collection, which began in Fiscal Year 2015 and is anticipated to be completed in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Library

Mission Hills-Hillcrest Library / S13022

Bldg - Libraries

Council District: 3	Priority Score: 62
Community Plan: Uptown	Priority Category: Low
Project Status: Continuing	Contact Information: Meinhardt, Cynthia
Duration: 2013 - 2019	619-533-5259
Improv Type: New	cmeinhardt@sandiego.gov

Description: This project provides for a 15,000 square-foot library at a site adjacent to the Florence Elementary School, on a block bounded by Front Street, Washington Street, Albatross Street, and University Avenue. This project will serve the Mission Hills and Hillcrest neighborhoods and is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing facility has no meeting room, computer lab, nor adequate seating and collection space to provide adequate library services to the community.

Operating Budget Impact: The personnel increase in Fiscal Year 2018 reflects the staffing necessary to meet the standard set in the Branch Facilities Report approved by City Council (R-296900). The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Relationship to General and Community Plans: The project is consistent with the Uptown Community Plan for promoting a high level of library services, but will require a technical amendment to re-designate the site from Commercial-Mixed use to Institutional-Library. This will be included during the Uptown Community Plan Update process.

Schedule: Preliminary studies and design concepts began in Fiscal Year 2001. Land acquisition was completed in Fiscal Year 2004 and design work began in Fiscal Year 2006. Design will continue in Fiscal Year 2016. A Request for Proposals for Design/Builders is planned for Fiscal Year 2016. Construction completion is planned for Fiscal Year 2019 pending full funding.

Summary of Project Changes: DIF funding in the amount of \$70,000 will be allocated to this project in Fiscal Year 2016. An additional \$2.0 million of Infrastructure Bond funding was allocated to this project in Fiscal Year 2015. The project schedule was updated for Fiscal Year 2016.

Project Status: Underfunded	Contact Information: Burnett, Sheila
Duration: 1992 - 2018	619-236-5873
Improv Type: Betterment	sburnett@sandiego.gov

Description: This project provides for land acquisition, planning, design, and construction of a new 25,000 square-foot library to replace the existing facility at 3795 31st Street. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing facility does not have a computer lab or additional seating. A collection space would enhance service to the community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. Estimates of the operating budget impact will be developed as the project progresses.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary studies and community meetings were completed in Fiscal Year 2004. This project is on hold. The project cost and schedule were initially developed in Fiscal Year 2013; however, the scope, cost, and schedule (including construction) will be revised once funding is identified.

Summary of Project Changes: No significant changes are expected for Fiscal Year 2016.

Project Status: Underfunded	Contact Information: Burnett, Sheila
Duration: 2009 - 2017	619-236-5873
Improv Type: Betterment	sburnett@sandiego.gov

Description: This project provides for a 15,000 square-foot library using the current site and adjacent property to serve the Ocean Beach community. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing facility was originally built in 1927 and has no meeting room, computer lab, nor adequate seating and collection space to provide adequate library services to the community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. Estimates of the operating budget impact will be developed when funding is identified and the new project is created.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary studies and design concepts began in Fiscal Year 2001. Property acquisition and design were completed in Fiscal Year 2005. Revision of the design documents is in progress. The project cost and schedule were initially developed in Fiscal Year 2002; however, the scope, cost, and schedule (including construction) will be revised once funding is identified.

Summary of Project Changes: Total project cost has been updated and increased by \$7.9 million.

Improv Type: New	galvez@sanidiego.gov

Description: This project provides for a new 18,000 square foot branch library facility on a three-acre site in Pacific Highlands Ranch to serve the entire North City Future Urbanizing Area (NCFUA).

Justification: This project will provide branch library service to the NCFUA for future development and population.

Operating Budget Impact: The facility will require an on-going operational budget for personnel and non-personnel expenses. Estimates of the operating budget impact will be developed as the project progresses.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2015. Project design and construction are anticipated to occur as funding is available from the contributing communities.

Summary of Project Changes: The financial schedules have been updated for the programmed Facilities Benefit Assessment (FBA) funds per the contributing communities in Black Mountain Ranch, Del Mar Mesa, Pacific Highlands Ranch and Torrey Highlands Ranch. The total project cost increased by \$15.0 million.

Project Status: Continuing	Contact Information: Meinhardt, Cynthia
Duration: 2009 - 2020	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for the acquisition of a lot adjoining the existing branch library located at 7265 Jackson Drive and building a new 25,000 square-foot library. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing library does not have a computer lab, meeting room, nor adequate public seating and collection space.

Operating Budget Impact: The personnel increase in Fiscal Year 2020 reflects the staffing necessary to meet the standard set in the Branch Libraries Facilities Report approved by City Council (R-301061). The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design began in Fiscal Year 2004. Bridging document development began in Fiscal Year 2008 and will be completed in Fiscal Year 2017. Project cost and schedule (including construction) will be revised once additional funding is identified.

Summary of Project Changes: DIF funding in the amount of \$140,000 has been allocated to this project in Fiscal Year 2016. An additional \$1.0 million in Infrastructure Bond funding was allocated to this project in Fiscal Year 2015. \$155,605 in Library Improvement Trust Fund funding has been allocated to this project for Fiscal Year 2017.

San Diego New Central Library / S00799

Bldg - Libraries

Council District: 3	Priority Score: N/A
Community Plan: Centre City	Priority Category: N/A
Project Status: Warranty	Contact Information: Meinhardt, Cynthia
Duration: 1996 - 2016	619-533-5259
Improv Type: Betterment	cmeinhardt@sandiego.gov

Description: This project provides for the design and construction of a new Central Library of approximately 500,000 square feet, with approximately 250 underground parking spaces dedicated to library patrons. It will be large enough to accommodate library needs for 20 years and contain expansion space to accommodate growth for an additional 30 years. The expansion space will be leased for 40 years by San Diego Unified School District for a Charter High School. The lobby will be open to the courtyard, which will contain an outdoor café, and there will be a 350-seat auditorium adjacent to the lobby. The top floor will house special collections and provide public amenities including an airy reading room, a 400-seat multi-purpose room, an art gallery, a small public meeting room, and a series of open terraces.

Justification: The existing Library was too small to provide adequate library and informational services to the library system and the region, and could not support the technological and programmatic needs of the future.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001 and was completed in Fiscal Year 2010. Construction began in Fiscal Year 2011 and was completed in early Fiscal Year 2014. The grand opening occurred on Saturday, September 28, 2013.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Library

San Ysidro Branch Library / S00802

Bldg - Libraries

Council District: 8	Priority Score: 62
Community Plan: San Ysidro	Priority Category: Low
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2010 - 2017	619-533-4640
Improv Type: Betterment	ecetin@sandiego.gov

Description: This project provides for a 15,000 square-foot facility to serve the San Ysidro Community. This project is part of the 21st Century System/Library Department Facility Improvements Program.

Justification: The existing 4,089 square foot library was built in 1924 and was remodeled in 1983. It contains no meeting rooms or computer lab, no on-site parking, and no separation of the children's area and quiet study areas to serve the current and projected needs of the community.

Operating Budget Impact: The personnel increase in Fiscal Year 2019 reflects the staffing necessary to meet the standard set in the Branch Libraries Facilities Report approved by City Council (R-296900). The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's General Plan.

Schedule: The preliminary study began in Fiscal Year 2010. Design phase will begin in Fiscal Year 2016 and is anticipated to be completed in Fiscal Year 2017. The project cost and schedule were initially developed in Fiscal Year 2013; however the scope, cost and schedule (including construction) will be revised once additional funding is identified.

Summary of Project Changes: Project budget was decreased in Fiscal Year 2015 in the amount of \$2.0 million per City Council Resolution R-309360, adopted December 12, 2014, which authorized the transfer of \$2.0 million to CIP S13022 Mission Hills - Hillcrest Library. \$5.0 million in Infrastructure Bond funding was allocated to this project in Fiscal Year 2015. Redevelopment Agency funding of \$3.9 million was allocated to this project in Fiscal Year 2016.

Duration: 2003 - 2020	619-236-5873
Improv Type: Betterment	sburnett@sandiego.gov

Description: This project provides for an expansion of the Scripps Ranch Branch Library parking lot located at 10301 Scripps Lake Drive. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The current facility is fully occupied and the current parking lot does not have the capacity to serve the needs of the community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary inquiries were made of available properties in Fiscal Year 2004. The estimated construction cost and schedule for this project were developed in Fiscal Year 2003 and will continue once funding is identified. This project is currently on hold due to lack of funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Council District: 4	Priority Score: 64
Community Plan: Skyline - Paradise Hills	Priority Category: Low
Project Status: Continuing	Contact Information: Cetin, Elif
Duration: 2003 - 2018	619-533-4640
Improv Type: New	ecetin@sandiego.gov

Description: This project provides for a new 15,000 square-foot library adjacent to the existing library location at 480 South Meadowbrook Drive. The existing 4,400 square foot Library will be demolished. This project is part of the 21st Century Library System/Library Department Facility Improvements Program.

Justification: The existing library was built in 1969 and is too small to provide adequate library services to the community. There are no meeting room facilities or computer lab, and limited collection space and patron seating.

Operating Budget Impact: The personnel increase in Fiscal Year 2018 reflects the staffing necessary to meet the standard set in the Branch Libraries Facilities Report approved by City Council. The non-personnel increase is required to fund ongoing maintenance and contractual services for the additional square footage.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2004. Design began in Fiscal Year 2014 and construction is anticipated to be completed by Fiscal Year 2017.

Summary of Project Changes: \$2.8 million in Infrastructure Bond funding was received in Fiscal Year 2015, and per Council Resolution R-309124, adopted on July 30, 2014, a total of \$1.3 million of which \$580,000 from Capital Outlay and \$720,000 from General Fund was to be returned to the appropriate annual allocation upon receiving the \$2.8 million in Infrastructure Bond funding. The project schedule was updated in Fiscal Year 2016.

Tierrasanta Library Expansion / S15011

Bldg - Libraries

Council District: 7	Priority Score: 60
Community Plan: Tierrasanta	Priority Category: Low
Project Status: Continuing	Contact Information: Meinhardt, Cynthia
Duration: 2015 - 2020	619-533-5259
Improv Type: Betterment	cmeinhardt@sanidiego.gov

Description: This project will enclose two areas under the existing roof area (approximately 520 sq. ft each) and provide an outdoor reading patio under the third roof area, an expansion of usable space totaling approximately 1,560 sq. ft. One enclosure will become two separate study rooms, and the other enclosure will become an addition to the existing Community/Meeting Room. These improvements will necessitate remodel work to the existing Men's and Women's restrooms and site accessible parking stall to comply with current accessibility codes. Other miscellaneous site improvements will be included as necessary for access and Path of Travel compliance. This project will also include the roof replacement of the facility.

Justification: This project library expansion will meet the immediate needs of the community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Tierrasanta Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary studies and meetings began in Fiscal Year 2013. Planning will be completed in Fiscal Year 2015. Design will begin and be completed in Fiscal Year 2016. Construction is anticipated to be completed once additional funding is identified.

Summary of Project Changes: Development Impact Fees in the amount of \$170,000 have been allocated to this project in Fiscal Year 2016. Project cost has been updated to remove \$3.6 million, which was the total cost of the legacy project Tierrasanta Library Expansion project (35-108.0). The legacy project was to expand the existing branch library by 6,234 square feet, at 4985 La Cuenta Drive; once funding is identified a new project will be created for the larger expansion of the Library.

Park & Recreation

Page Intentionally Left Blank

Park & Recreation

The Park and Recreation Department oversees more than 41,000 acres of developed parks, open space, underwater park, golf courses, and two cemeteries within the City of San Diego. The park system provides a wide-range of recreational opportunities for San Diego citizens and visitors alike. The Capital Improvement Program (CIP) plays an important role in providing new facilities and addressing deferred capital of existing facilities. To meet our goal of providing quality parks and programs, it is important to continually invest in capital improvements to keep park facilities available for recreational activities and safe to use. With 56 recreation centers, 13 aquatic centers, approximately 256 playgrounds in 8,700 acres of developed parks, as well as over 26,000 acres of open space, and the 110 acre Mt. Hope Cemetery, the Department continually seeks funding for capital improvements ranging from roof replacements to playground upgrades to trail enhancements. The Department's three golf course complexes continually invest in capital improvements to keep the courses in an enjoyable and playable condition. Department CIP projects derive funding from a variety of sources, including facilities benefit assessments, park development fees, development impact fees, maintenance assessment districts, Mission Bay Park lease revenue, golf course enterprise funds, private donations, and State and Federal grants.

2015 CIP Accomplishments

In Fiscal Year 2015, the Public Works Department, along with the Park and Recreation Department, completed many capital improvements within the overall park system. These improvements included:

- The grand re-opening of Memorial Pool took place in Summer 2015, which included an expansion and upgrade of the original pool site
- The opening of Edward Tyler Cramer and Solana Ranch (formerly Sycamore Canyon) neighborhood parks
- Completion of Spanish Village Water Service Repair
- Completion of ADA upgrades at Morley Field Tennis Registration and Timken Museum
- Completion of the Ocean Beach Gateway Mini Park
- Restoration and stabilization of the Rancho Mission Slope
- Completion of the Museum of Man Roof Replacement and Interior Repairs
- Completion of the California Tower Electric Room System Relocation
- Completion of Crystal Pier Structural Improvements
- Replacement of the 1950's comfort station at Palisades Park at the foot of Law Street in Pacific Beach
- Completion of upgrades to the heavily used Cowles Mountain Trail
- Addition of new ball field lights at San Ysidro Athletic Area (Larsen Field) and Rancho Bernardo Community Park
- Completion of park upgrades and rain gardens in Cabrillo Heights Neighborhood Park
- Completion of upgrades to the Rancho Peñasquitos Skate Park and various ADA upgrades throughout Balboa Park
- Completion of the Villa Montezuma preservation project
- Completion of design of the Sunset Cliffs Trail rehabilitation and re-vegetation project
- Initiation of construction of Charles Lewis III Memorial Park, Central Avenue Mini Park and Skate Plaza, and Phase I Sunset Cliffs Project (Dixon Estates)
- Approval of the Amendment to the General Development Plan for the Linda Vista Community Park Skate Park
- Installation of new cart paths at the Balboa Park Golf Course

Park & Recreation

- The City of San Diego won 2015 American Public Works Association (APWA) awards for several park projects, including Rancho Mission Slope Repair, Villa Montezuma Preservation, Cabrillo Heights Park and Rain Garden, Palisades Park Comfort Station, and Dolores Magdaleno Memorial Pool

2016 CIP Goals

The Public Works Department, Park and Recreation Department, and Planning Department will work in cooperation with each other on a variety of park related capital improvement projects in Fiscal Year 2016, which include:

- Completion of the new Charles Lewis III Memorial Park
- Completion of the new Trail for All People in Black Mountain Open Space Park
- Completion of ADA Upgrades at Casa de Balboa and the Museum of Man
- Completion of Sunset Cliffs Trail rehabilitation and re-vegetation at Dixon Estates
- Completion of Central Avenue Mini Park & Skate Plaza
- Completion of sports field lighting projects at Silver Wing and Tierrasanta community parks and the initiation of design for security light enhancements at Marie Widman and Kelly Street neighborhood parks, and Encanto and Skyline Hills community parks
- Implementation of playground upgrades and improvements at Torrey Highlands and Mountain View neighborhood parks along with initiation of the design for playground upgrades at Memorial Community Park.
- Opening of the West Maple Canyon Mini-Park in Uptown and the new Ranger Station within Los Peñasquitos Canyon Preserve
- Opening of two new joint-use facilities in partnership with the San Diego Unified School District, located at Wegeforth Elementary in Serra Mesa and Montgomery Academy in Linda Vista
- Construction of North Torrey Pines Golf Course Improvements, University Villages Tot Lot, Del Sur Neighborhood Park, the Trail for All People in Black Mountain Open Space Park, Park de la Cruz improvements including Mid-City skate park, and Linda Vista skate park
- Development of Del Mar Mesa, Torrey Meadows, and Wightman Street neighborhood parks
- Expansion of Mira Mesa Community Park
- Design of Olive Street Park
- Construction of various ADA improvements and upgrades at a number of park sites to make them accessible to park users with physical disabilities. Park sites will include Balboa Park, San Ysidro Community Park, Chollas Lake Playgrounds, Pioneer Park, Chicano Park Comfort Station, Larsen Field Playgrounds, and Colina Del Sol Pool

36th Street Landscape Maintenance / S00902

Trans - Roadway - Enhance/Scape/Medians

Council District: 4	Priority Score: N/A
Community Plan: Eastern Area (Mid-City)	Priority Category: N/A
Project Status: Continuing	Contact Information: Lucas, Steve
Duration: 2006 - 2017	619-685-1317
Improv Type: Betterment	slucas@sandiego.gov

Description: This project is the result of a relinquishment agreement between the City of San Diego and Caltrans and provides for the plant establishment of 36th Street between Imperial Avenue and Market Street.

Justification: This project was approved by the City Council Resolution No. R-300154 and will provide for plant establishment as defined in the standard specifications for the construction of local street and roads.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Gas Tax budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: New plant establishment period began in Fiscal Year 2015 and is expected to continue through Fiscal Year 2017.

Summary of Project Changes: Project schedule was updated in Fiscal Year 2016.

ADA Improvements & Expansion of Paradise Senior Ce / S15002

Council District: 8	Priority Score: 62
Community Plan: Barrio Logan	Priority Category: Low
Project Status: Continuing	Contact Information: Shackelford, Kris
Duration: 2015 - 2019	619-533-4121
Improv Type: Betterment	kshackelford@sandiego.gov

Description: This project provides for the design and construction of Americans with Disabilities Act (ADA) upgrades and improvements to comply with State and federal safety and accessibility guidelines for the existing Paradise Senior Center, parking lot and walkways and includes a new 3,000 square foot expansion of the kitchen, restroom, and multi-purpose room.

Justification: This project will contribute to satisfying population-based park acreage requirements as a park equivalency as set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Barrio Logan Community Plan and is in conformance with the City's General Plan.

Schedule: ADA barrier removal design began in Fiscal Year 2015. Construction of the ADA barrier removals will begin in Fiscal Year 2016 and will complete as many barrier removals as funding allows. The design for the expansion of the center will commence upon the identification of additional funding.

Summary of Project Changes: \$200,000 in Development Impact Fee funding was added to this project in Fiscal Year 2016, via City Council Resolution R-309683, adopted on May 28, 2015.

Angier Elementary School Joint Use / S00762

Council District: 7
Community Plan: Serra Mesa
Project Status: Continuing
Duration: 2009 - 2016
Improv Type: Betterment

Parks - Miscellaneous Parks

Priority Score: 62
Priority Category: High
Contact Information: Oliver, Kevin
 619-533-5139
 koliver@sandiego.gov

Description: This project provides for the design and construction of 3.95 acres at Angier Elementary School for joint-use facilities to supplement existing park acreage in the Serra Mesa Community. Improvements may include turfed multi-purpose sports fields, multi-purpose courts, walkways, landscaping, and accessibility upgrades.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan in an area that is park deficient. The project will provide multi-purpose sports fields and associated infrastructure that will provide the community with safer park conditions.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$53,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2014. Construction is anticipated to begin and completed in Fiscal Year 2016.

Summary of Project Changes: A total of \$464,575 was added to this project in Fiscal Year 2015, per City Council Resolutions R-309683, adopted on May 28, 2015.

Balboa Park Golf Course / AEA00002

Golf Courses

Council District: 3	Priority Score: Annual
Community Plan: Balboa Park	Priority Category: Annual
Project Status: Continuing	Contact Information: Bragado, Alex
Duration: 2010 - 2020	858-581-7867
Improv Type: Betterment	abragado@sandiego.gov

Description: This annual allocation provides for unexpected replacement of minor capital assets on an as-needed basis at the City's Municipal Golf Course - Balboa Park which may include minor replacements of existing golf course building structures and golf course fairway and green systems.

Justification: This annual allocation will provide for a capital assets cost-avoidance program allowing for timely replacement of unanticipated failure of golf capital assets.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design and replacement of minor capital assets will be implemented on an as-needed basis.

Summary of Project Changes: \$6,743 in CIP Contributions from the General Fund funding was transferred to the Wightman Street Neighborhood Park project (S00767) in Fiscal Year 2015, per City Council Resolution R-309681, adopted on May 28, 2015. An additional \$175,000 in Golf Enterprise funding has been allocated to this project for Fiscal Year 2016 to fully fund the installation of an above ground fuel storage tank and wash rack at Balboa Park Golf Course.

Balboa Park Golf Course - Clubhouse / S00614

Golf Courses

Council District: 3	Priority Score: 44
Community Plan: Balboa Park	Priority Category: Medium
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 1994 - 2017	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for revisions to the existing Balboa Park Master Plan to accommodate the design and construction of a new clubhouse, restoration of the existing historic clubhouse, and a new parking lot at the Balboa Park Golf Course.

Justification: Currently the clubhouse is inadequate and there is insufficient parking available to serve users of the golf course.

Operating Budget Impact: The operating budget impact for the additional parking, the restored clubhouse, and the new clubhouse will be determined as the design is finalized.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan, East Mesa Precise Plan, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and is anticipated to be completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2017 due to updated construction estimates requiring changes to project scope.

Summary of Project Changes: Golf Course Enterprise funding in the amount of \$9.5 million is anticipated to be allocated to this project in Fiscal Year 2017.

Balboa Park West Mesa Comfort Station Replacement / S15036

Council District: 3	Priority Score: 63
Community Plan: Balboa Park	Priority Category: Low
Project Status: Continuing	Contact Information: Antoun, Nevien
Duration: 2016 - 2019	619-533-4852
Improv Type: Replacement	nantoun@sanidiego.gov

Description: This project provides for the design and construction of two replacement comfort stations on the West Mesa of Balboa Park, one north of the children's play area and one near the intersection of 6th Avenue and Nutmeg Street. The project also includes the demolition of the existing comfort stations at these locations and associated path of travel improvements. It is anticipated the new comfort stations will be pre-fabricated buildings.

Justification: The improvements will bring the park into compliance with the Americans with Disabilities Act (ADA), federal and State accessibility requirements and thus making park facilities available to park users with disabilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park West Mesa Precise Plan and is in conformance with the City's General Plan.

Schedule: The project design is anticipated to begin in Fiscal Year 2016 with construction complete and the new facilities open to the public by the end of calendar year 2016.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. \$1.0 million in Regional Park Improvement funding was allocated to this project in Fiscal Year 2015, per City Council Resolution R-309680, adopted on May 28, 2015.

Bay Terraces Parkside Greenbelt Lighting / S14008

Trans - Roadway - Enhance/Scape/Medians

Council District: 4	Priority Score: 48
Community Plan: Skyline - Paradise Hills	Priority Category: Medium
Project Status: Warranty	Contact Information: Sirois, Paul
Duration: 2014 - 2016	619-685-1307
Improv Type: New	psirois@sandiego.gov

Description: This project provides for the installation of 13 street lights along a concrete walkway within an enhanced open space greenbelt in the Bay Terraces-Parkside neighborhood. This walkway connects several cul-de-sac streets located off Manos Drive and Parkside Avenue and links single-family dwelling units together near Parkside Neighborhood Park.

Justification: The addition of the street lights will decrease criminal activity within the neighborhood between dusk and dawn.

Operating Budget Impact: The 13 additional street lights are estimated to cost \$888 in energy costs annually. The operating and maintenance cost of these street lights is to be funded by the Bay Terraces Parkside Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Skyline-Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: This project was completed by the Transportation and Storm Water Department - Street Division in Fiscal Year 2015.

Summary of Project Changes: This project will be closed by the end of the fiscal year.

 hgreenstein@sandiego.gov

Description: This project provides for the acquisition, design, and construction of approximately 12.6 useable acres, out of approximately 43 total acres, for a community and neighborhood park on Beyer Boulevard.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Otay Mesa and San Ysidro Communities.

Operating Budget Impact: Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and the Otay Mesa Community Plan. The project is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2002. Preliminary design was completed in Fiscal Year 2008; however, this project will not be completed within the next five years. Design and construction schedules are dependent upon the actual rate of development within the Otay Mesa and San Ysidro Communities. Design and construction will be scheduled and completed when funding is available.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Cabrillo Heights NP Improvements / S00763

Council District: 7	Priority Score: 62
Community Plan: Serra Mesa	Priority Category: High
Project Status: Warranty	Contact Information: Oliver, Kevin
Duration: 2009 - 2016	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for improvements at Cabrillo Heights Neighborhood Park. Improvements will provide additional active and passive recreational opportunities. Proposed improvements may include: accessible tot lot play equipment, picnic shade structure, picnic tables, drinking fountains, trees, and barrier fencing along north fence of ball fields.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan. The project will enhance the quality of the Cabrillo Heights Neighborhood Park through a variety of improvements providing the community with a more pleasing park-like atmosphere.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and was completed in Fiscal Year 2013. Construction began and was completed in Fiscal Year 2014.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

California Tower Seismic Retrofit / L12003

Parks - Resource Based

Council District: 3	Priority Score: 68
Community Plan: Balboa Park	Priority Category: High
Project Status: Continuing	Contact Information: Darvishi, Ali
Duration: 2013 - 2019	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project provides for the seismic retrofit of the historic California Tower within Balboa Park. As part of the tower seismic retrofit, the plan requires the structural re-enforcements of the walls of the electrical room located at the bottom floor of the tower. This room presently hosts the San Diego Gas and Electric and the Museum of Man electrical transformers and control panels. Phase I of this project provides for the relocation of these electrical systems. Phase II of this project provides for the seismic system upgrade of the tower.

Justification: The California Tower was built in 1914. The last seismic upgrade was conducted in 1975. This additional seismic upgrade is required to bring the tower structure up-to-date with the current California Building Code.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan, East Mesa Precise Plan, and is in conformance with the City's General Plan.

Schedule: Phase I design and construction were completed in Fiscal Year 2015. Phase II design began in Fiscal Year 2015 and scheduled to be completed in Fiscal Year 2016. Phase II construction is scheduled to begin in Fiscal Year 2018, pending identification of funding.

Summary of Project Changes: Grant funding in the amount of \$1.0 million is anticipated to be received in Fiscal Year 2016. An additional \$750,000 in Regional Park Improvements funding was transferred to this project in Fiscal Year 2015, per City Council Resolution R-309126, adopted on July 30, 2014. The project schedule was updated for Fiscal Year 2016.

Camino Santa Fe Median Improvements / S10037

Trans - Roadway - Enhance/Scape/Medians

Council District: 6	Priority Score: 41
Community Plan: Mira Mesa	Priority Category: Low
Project Status: Continuing	Contact Information: Sirois, Paul
Duration: 2014 - 2016	619-685-1307
Improv Type: Replacement	psirois@sanidiego.gov

Description: This project provides for the renovation and replacement of existing asphalt medians with stamped concrete medians.

Justification: This project is an identified improvement in the Camino Santa Fe Maintenance Assessment District (MAD). The existing medians are old and damaged and in need of renovation or replacement.

Operating Budget Impact: The Camino Santa Fe Maintenance Assessment District will be responsible for maintenance associated with the medians. No operating budget impact is anticipated as current sweeping and cleaning schedules would continue.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and it is in conformance with the City's General Plan.

Schedule: Construction began in Fiscal Year 2015 and will be completed in Fiscal Year 2016.

Summary of Project Changes: MAD funding in the amount of \$30,000 has been allocated to this project in Fiscal Year 2016. The project schedule was updated for Fiscal Year 2016.

Canyon Hills Resource Park Improvements / S15006

Parks - Resource Based

Council District: 6	Priority Score: 45
Community Plan: Mira Mesa	Priority Category: Low
Project Status: Continuing	Contact Information: Darvishi, Ali
Duration: 2015 - 2018	619-533-5328
Improv Type: New	adarvishi@sandiego.gov

Description: This project provides for the design and construction of neighborhood park amenities in Canyon Hills Resource Park to supplement existing park acreage in the Mira Mesa community. Park improvements could include typical neighborhood park amenities such as picnic areas, interpretive signs, walkways, benches and landscaping.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$219,000 (16.25 acres) is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015. Construction will be scheduled when funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Canyonside Community Park Improvements / S12004

Parks - Community

Council District: 6	Priority Score: 22
Community Plan: Rancho Penasquitos	Priority Category: Low
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2012 - 2018	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for miscellaneous improvements to serve park users, such as accessibility upgrades to the children's play area, drainage repair at the westerly parking lot, and creation of a parking area in the northwest corner to accommodate overflow parking needs at the Canyonside Community Park.

Justification: This project will provide upgraded and additional recreation amenities to serve the residents of Rancho Penasquitos which is park-deficient by General Plan standards.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$30,300 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas and playgrounds. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2016. Construction is anticipated to begin in Fiscal Year 2016.

Summary of Project Changes: Park Service District Funds of \$1,008 have been allocated to this project for Fiscal Year 2016. The project schedule was updated for Fiscal Year 2016.

Carmel Valley Landscaping & Irrigation / L14000

Council District: 1	Priority Score: 42
Community Plan: Carmel Valley	Priority Category: Low
Project Status: Continuing	Contact Information: Bose, Sheila
Duration: 2014 - 2018	619-533-4698
Improv Type: New	sbose@sandiego.gov

Description: This project provides for the design and installation of multiple landscaping and irrigation enhancements along major roadways with landscaping maintained by the Carmel Valley Maintenance Assessment District. This phased project will include multiple locations with additional phases in future years as funding becomes available. The specific locations proposed for landscaping enhancement include, but are not limited to unimproved medians along El Camino Real from Carmel Valley Road and State Route 56 north to Valley Center Drive; various unimproved rights-of-way along Carmel Center Drive, Carmel Country Road, Carmel Knolls Drive, Carmel Park Road, Del Mar Heights Road, El Camino Real, Graydon Road, Seagrove Street, Torrey Bluff Drive, Townsgate Drive, and Worsch Road; asphalt walkway through City Open Space along San Diego Gas and Electric easement; and an open space trail between Del Mar Trails Road and Carmel Country Road.

Justification: This project will improve unplanted areas within the public right-of-way and unify the landscaping theme of Carmel Valley along various roadways north of State Route 56, west of Pacific Highlands Ranch, south of Gonzales Canyon, and east of Interstate 5. Improvements will include design, permitting, water meter, irrigation, and landscaping.

Operating Budget Impact: All landscaping improvements will be funded and maintained by the Carmel Valley Maintenance Assessment District (MAD). Each sub-project will be uniquely designed and calculated for its operating budget during the design process for each location.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction of Phase I were completed in Fiscal Year 2015.

Summary of Project Changes: The project schedule was updated for Fiscal Year 2016.

Carmel Valley Neighborhood Park #8 / S00642

Parks - Neighborhood

Council District: 1	Priority Score: 55
Community Plan: Carmel Valley	Priority Category: Medium
Project Status: Continuing	Contact Information: Greenstein, Howard
Duration: 2007 - 2018	619-525-8233
Improv Type: New	hgreenstein@sandiego.gov

Description: This project provides for acquiring and developing a four useable acre neighborhood park in Carmel Valley. Amenities may include a play area, picnic facilities, open turf area, and landscaping. This project also provides for direct access to the park by way of a frontage road, estimated to be 850 feet long by 24 feet wide, from the easterly end of Tang Drive to the park entrance.

Justification: This project will provide the community with additional recreational opportunities as well as enhance the visual quality of the area.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$54,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas and playgrounds. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan, the Carmel Valley Neighborhood 8 Precise Plan, and is in conformance with the City's General Plan.

Schedule: The land was acquired as part of the Carmel Valley Restoration and Enhancement Project. Design began in Fiscal Year 2009 and is anticipated to be completed once access to the park site is secured/acquired through the adjacent private property. Construction is anticipated to begin in Fiscal Year 2017.

Summary of Project Changes: Project schedule has been updated to reflect the most recent Carmel Valley Public Facilities Financing Plan.

Description: This project provides for the design and construction of Phase II of the Central Avenue Mini Park in the City Heights community. This new 0.145 acre mini park will include an unsupervised concrete skateboard plaza area and related landscaping. Phase I was a separate project under S-00992.

Justification: This project will contribute to satisfying the population-based park requirements set forth in the City's General Plan.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2013 and was completed in Fiscal Year 2014. Construction will begin in Fiscal Year 2015 and is anticipated to be completed in Fiscal Year 2017.

Description: This project provides for the acquisition of an approximate 16,000 square foot parcel, remaining from the construction of the Interstate 15 freeway through Mid-City at the corner of Central Avenue and Landis Street, to be developed as a mini park. Phase 1 shall include, but not limited to, a 2- to 5-year-old playground, a 5- to 12-year-old playground, small open turf area for passive recreation, a plaza with game tables, site furnishings, realignment of the existing walkway from the Interstate 15 pedestrian bridge, and park landscaping. Phase II is a separate project, S-14010.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2008. General Development Plan design began in Fiscal Year 2011 and was approved by the Park and Recreation Board mid-Fiscal Year 2013. Design began in late Fiscal Year 2013 and was completed in Fiscal Year 2014. Construction began in Fiscal Year 2015 and will be completed in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Parks - Community

Council District: 8	Priority Score: 62
Community Plan: Otay Mesa	Priority Category: High
Project Status: Continuing	Contact Information: Mahmalji, Samir
Duration: 2003 - 2019	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for the acquisition, design, and construction of the Pacific Breezes Community Park. This park will be 15 acres with an additional five acres of joint-use with the adjacent Ocean View Hills School. Amenities may include lighted ball fields, a comfort station, a children's play area, picnic areas, and other improvements. A recreation center and pool complex are also scheduled to be developed at this site as separate future projects.

Justification: This project will provide the community with additional recreational opportunities and will enhance the visual quality of the area.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$290,000 is based upon the Park and Recreation Department's current cost to maintain various park areas of this size.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and the California Terraces Precise Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design was completed in Fiscal Year 2007. Final design and construction began in Fiscal Year 2008 and were dependent upon the actual rate of development within the residential community. Final design and construction were delayed due to pending property acquisition and a reimbursement agreement. Property acquisition was completed in Fiscal Year 2010. Final design began and was completed in Fiscal Year 2011. Construction is anticipated to begin in Fiscal Year 2016.

Summary of Project Changes: This project is anticipated to receive \$5.5 million in Otay Mesa Facilities Benefit Assessment funding in Fiscal Year 2016, per the Otay Mesa Public Facilities Financing Plan. The name of this project has been changed from "Pacific Breezes (Ocean View Hills) CP" to "Cesar Solis Community Park."

Charles Lewis III Memorial Park / S00673

Parks - Neighborhood

Council District: 9	Priority Score: 49
Community Plan: City Heights (Mid-City)	Priority Category: Medium
Project Status: Continuing	Contact Information: Mahmalji, Samir
Duration: 2002 - 2016	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the design and construction of a 5.8 total acre parcel, of which 1.9 acres will be developed into Charles Lewis III Neighborhood Park. Amenities include: walkways, a half court basketball court, a fenced dog-off leash area, picnic area with shade structure, turf area, comfort station, playground, and security lighting.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$93,500 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Mid-City-City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2013. Construction began in Fiscal Year 2015 and anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: Environmental Growth funding of \$337,646 was added to this project in Fiscal Year 2015, per City Council Resolution R-309684, adopted on May 28, 2015. Additionally, the name of this project changed from "Home Avenue Park" to "Charles Lewis III Memorial Park".

Chicano Park ADA Upgrades / S13003

Council District: 8	Priority Score: 57
Community Plan: Barrio Logan	Priority Category: Medium
Project Status: Continuing	Contact Information: Mahmalji, Samir
Duration: 2014 - 2017	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for accessibility upgrades at Chicano Park to accommodate persons with disabilities pursuant to State and federal accessibility guidelines and regulations, while respecting the park's cultural significance and attributes, and for the expansion of Chicano Park by approximately 2.0 acres through acquisition of ground lease, and development of adjacent and contiguous parcels as they become available or feasible, to serve future residents. Accessibility upgrades for existing park land may include parking areas, walkways, children's play areas, drinking fountains, park furniture, and construction of a new comfort station. A skateboard plaza, park lighting, and sportsfield lighting would expand the use of the existing park.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$51,000 is based on the Park and Recreation Department's current cost to maintain various landscaped areas of this size. Operational costs for the project will be revised once all amenities and site characteristics are identified.

Relationship to General and Community Plans: This project is consistent with the Barrio Logan Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015. Construction is anticipated to begin in Fiscal Year 2016.

Summary of Project Changes: \$740,000 in grant funding is anticipated to be received in Fiscal Year 2016 and will support the design and construction of a restroom as well as Americans with Disabilities Improvements within the park. \$200,000 in Regional Park Improvements funding has been allocated to this project in Fiscal Year 2015, via City Council Resolution R-309126, adopted on July 30, 2014.

 rshifflet@sanidiego.gov

Description: This project provides for the design and construction of improvements to the existing Children's Park that could include large multi-purpose lawn areas, comfort station, children's play area, interactive water fountain and vendor's building.

Justification: This project implements the Downtown Community Plan Policy 4.1-P-11, "Implement a program to reclaim open spaces that have deteriorated, have design features that provide use opportunities and/or are in need of activity and revitalization."

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is unknown as operational costs for the project will be determined as the project is refined and all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Downtown Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2016. Construction will begin when funding is identified.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. \$600,000 in Development Impact Fee funding has been allocated to this project in Fiscal Year 2016.

Chollas Community Park / S00654

Council District: 4, 7
Community Plan: Eastern Area (Mid-City)
Project Status: Underfunded
Duration: 1989 - 2021
Improv Type: New

Parks - Resource Based

Priority Score: 49
Priority Category: Medium
Contact Information: Winter, James
 619-235-5257
 jwinter@sandiego.gov

Description: This project provides for the design and development of North Chollas Community Park, located on College Grove Drive midway between 54th Street and College Avenue. Phase I improvements consisted of a sports field, parking area, and access road. Future phases may include tot lot, comfort station with concession area, additional sports and multi-purpose fields, a play area, basketball courts, picnic areas, additional parking areas, creek enhancement, trails, a gymnasium, and a dog off-leash area.

Justification: This project will provide a park and athletic facility to serve the greater community. The surrounding area is not currently served by a community park and the region is deficient in sports facilities and open park areas.

Operating Budget Impact: Phase I operation and maintenance funding for this facility was previously included in the Park and Recreation operating budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I improvements are complete. Phase II design documents are complete, however, the project is on hold until additional funding can be identified. The completed project design documents may need to be refreshed to address code changes related to facility accessibility for disabled park users.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status: Continuing	Contact Information: Mahmalji, Samir
Duration: 2014 - 2017	619-533-5301
Improv Type: Replacement	smahmalji@sandiego.gov

Description: This project provides for the design and construction of two playgrounds at Chollas Lake Park to replace existing playgrounds which have surpassed their life expectancy and do not meet current Americans with Disabilities Act (ADA) and playground safety requirements. The new playgrounds will be fully ADA compliant and meet all safety guidelines for public playgrounds.

Justification: This project will replace the equipment within two children's playgrounds and provide new accessible safety surfacing. These playgrounds are approximately 30 years old and have reached the end of their service life.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015 and construction is anticipated to be completed in Fiscal Year 2017.

Summary of Project Changes: This project is anticipated to receive \$750,000 in grant funding in Fiscal Year 2016. The total project cost increased by \$239,000 due to increased project scope and construction costs.

Description: This project provides for the design and construction of an approximately 5,348 square foot (0.123 acre) mini-park, in the City Heights area of the Mid-City Community. Improvements will include amenities such as seating, walkways, picnic areas, landscaping, irrigation, and security lighting.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan guidelines.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and was completed in Fiscal Year 2011. Construction began mid-Fiscal Year 2013 and was completed in Fiscal Year 2014.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Description: This project provides for the design and construction of widened walkways, enhanced paving, slope protection, sea walls, curb and street paving, and various improvements including, but not limited to, bollards, railings and landscape along Coast Boulevard in the vicinity of Children's Pool from the lifeguard tower to Jenner Street. This project represents the final phase of work outlined in the 1989 "Preliminary Plan for the La Jolla Coastline."

Justification: This project will provide improved walkway access and enhanced landscaping along Coast Boulevard.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design was initiated by the community in Fiscal Year 2012 with final design anticipated to be completed in Fiscal Year 2017. Construction is scheduled to begin in Fiscal Year 2017.

Summary of Project Changes: Development Impact Fee funding in the amount of \$360,000 was added to this project in Fiscal Year 2015, per City Council Resolution R-309683, adopted May 28, 2015. The project schedule was updated for Fiscal Year 2016.

Duration:	2010 - 2020		619-533-5328
Improv Type:	New		adarvishi@sanidiego.gov

Description: This project provides partial funding for coastal infrastructure improvements at 71 sites, from Sunset Cliffs Park to Torrey Pines State Beach, that were identified and prioritized in a 2003 Coastal Erosion Assessment Survey. High priority sites are those that present potential public hazards.

Justification: This project provides improvements to coastal erosion sites that present potential public hazards.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Beach access to Shell Beach and at Sea Ridge Avenue were completed in Fiscal Year 2008. South Casa Beach access was completed in Fiscal Year 2011. Diamond Street Access was completed in Fiscal Year 2014. Pescadero Avenue was completed in Fiscal Year 2015. Construction of Capri-by-the-Sea, Orchard Street and Old Salt Pool Access is scheduled to begin in Fiscal Year 2016. Future design and construction will be scheduled as funding becomes available.

Summary of Project Changes: The project schedule was updated for Fiscal Year 2016.

Convert RB Medians-Asphalt to Concrete / L12000

Council District: 5
Community Plan: Rancho Bernardo
Project Status: Continuing
Duration: 2012 - 2016
Improv Type: Replacement

Trans - Roadway - Enhance/Scape/Medians

Priority Score: 50
Priority Category: Medium
Contact Information: Schaar, Luis
 619-533-7492
 lschaar@sanidiego.gov

Description: This project provides for the conversion of asphalt medians to concrete medians along various roadways in the Rancho Bernardo community. The first two phases of this project converted medians along Pomerado Road near the intersection with Rancho Bernardo Road. Additional future locations include existing asphalt medians along Rancho Bernardo Road, Bernardo Center Drive, Pomerado Road, and other identified roadways within the Rancho Bernardo Maintenance Assessment District boundaries.

Justification: The community has requested streetscape improvements to major arterial corridors within Rancho Bernardo. This project allows certain medians to be enhanced by replacing deteriorating asphalt with decorative stamped concrete.

Operating Budget Impact: The existing hardscape medians are maintained by the Rancho Bernardo Maintenance Assessment District (sweeping, litter removal, and weed removal). There is no anticipated increase in maintenance costs as a result of this project.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Construction for the first and second phases of this project began and was completed in Fiscal Year 2012. Additional locations began in Fiscal Year 2014 and completed in Fiscal Year 2015.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status:	Continuing	Contact Information:	Ball, Laura
Duration:	2014 - 2016		619-685-1301
Improv Type:	Replacement - Rehab		lball@sandiego.gov

Description: This project provides for rehabilitation of approximately 1.6 miles of service/access road on the east side of Cowles Mountain within Mission Trails Regional Park. The rehabilitated road will provide safer access for recreational users (bikers/hikers), emergency personnel, and service providers for the communications antenna on top of the mountain.

Justification: This project will improve and prolong safe access to the top of the mountain for recreation users and service providers, as well as protecting a valuable park asset and lease revenue generators.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Plan, the Navajo Community Plan, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2014. Construction was completed in Fiscal Year 2015.

Summary of Project Changes: This project is no longer a Capital Improvement Project and all maintenance costs have been paid from Park and Recreation's operating budget. This project has been completed and will be closed by the end of the fiscal year.

Project Status: Continuing	Contact Information: Shifflet, Robin
Duration: 2015 - 2018	619-533-4524
Improv Type: New	rshifflet@sandiego.gov

Description: This project provides for the design and construction of a neighborhood park in the Torrey Pines community. Park amenities could include picnic areas, children's play area, walkways, turf areas, and landscaping.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$34,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas and playgrounds. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2016. Construction will be scheduled when additional funding is identified.

Summary of Project Changes: Development Impact Fee funding in the amount of \$130,000 was added to this project in Fiscal Year 2015, per City Council Resolution R-309683, adopted on May 28, 2015.

Crest Canyon Resource Management Plan / S10067

Parks - Open Space

Council District: 1	Priority Score: N/A
Community Plan: Torrey Pines	Priority Category: N/A
Project Status: Continuing	Contact Information: Miller, Betsy
Duration: 2011 - 2017	619-685-1314
Improv Type: New	bmiller@sandiego.gov

Description: This project provides for the completion of an existing biology report, a literature review, data collection, and formulation of Area Specific Management Directives to manage the Multiple Species Conservation Program (MSCP) covered species within Crest Canyon.

Justification: This project will provide a management framework for sensitive resources within the plan area and ensure the City's compliance with MSCP.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Schedule: This project began in Fiscal Year 2011 and will be completed in Fiscal Year 2017.

Summary of Project Changes: The schedule for this project was updated for Fiscal Year 2016.

Park & Recreation

Crystal Pier Improvements / S11014

Parks - Resource Based

Council District: 2	Priority Score: 70
Community Plan: Pacific Beach	Priority Category: High
Project Status: Continuing	Contact Information: Darvishi, Ali
Duration: 2011 - 2016	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project will provide for the evaluation of the overall condition of the pier which is located in Pacific Beach and to make recommendations for repairs to ensure public safety. This project will also provide for phase I construction per repair recommendations. The pier was originally constructed in 1927. A storm demolished 240 feet of the pier in 1983 and this portion was reconstructed in 1987.

Justification: The purpose of this study is to evaluate the overall condition of the pier and recommend needed repairs. This will include an investigation of the structural integrity of the pier below the surface of the ocean.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan and it is in conformance with the City's General Plan.

Schedule: The study was completed in Fiscal Year 2013. Design and construction of the short-term repair recommendations was completed in Fiscal Year 2015.

Summary of Project Changes: This project received a total of \$750,000 in Fiscal Year 2015, of which \$500,000 is Infrastructure Bond funding, and \$250,000 is General Fund funding. Project cost has been updated to remove \$11.0 million, which was the total cost for a long-term solution of the replacement of the pier. Once funding is identified a new project will be created for the replacement of the pier. This project has been completed and will be closed by the end of the fiscal year.

Park & Recreation

Del Mar Mesa Central Multi Use Trail / S00890

Council District: 1	Priority Score: 19
Community Plan: Del Mar Mesa	Priority Category: Low
Project Status: Continuing	Contact Information: Ball, Laura
Duration: 2003 - 2016	619-685-1301
Improv Type: New	lball@sandiego.gov

Description: This project provides for the design and construction of a multi-purpose trail, approximately 1,300 linear feet by 8-10 feet wide and 400 lineal feet of 4 foot wide trail. The total multi-use trail, approximately 5,800 linear feet, extends easterly from the northerly section of Carmel Mountain Road through the Lorenz Parcel, then southerly into Penasquitos Canyon.

Justification: This project provides additional recreational opportunities in Del Mar Mesa.

Operating Budget Impact: This project will require an on-going operational budget for non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain trails.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2005. This project is being completed in segments and is dependent upon the actual rate of development within the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Del Mar Mesa N Hiking/Equestrian Trail / S00892

Council District: 1	Priority Score: 19
Community Plan: Del Mar Mesa	Priority Category: Low
Project Status: Continuing	Contact Information: Ball, Laura
Duration: 2002 - 2016	619-685-1301
Improv Type: New	lball@sandiego.gov

Description: The Del Mar Mesa Community Plan Amendments of Spring 2015 identifies approximately 23,300 feet of multi-use trails hiking/equestrian trails in the northern area. Of this, approximately 10,800 feet of multi-use trail have been completed from Carmel Country Road east to just of Little McGonigle Road. 12,500 feet remain to be completed.

Justification: This project provides additional recreational opportunities in Del Mar Mesa.

Operating Budget Impact: This project will require an on-going operational budget for non-personnel expenses. The current cost estimate is based upon the Park and Recreation Department's current cost to maintain trails.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition and design began in Fiscal Year 2004. Construction began in Fiscal Year 2005. However, this project is being completed in segments and is dependent upon the actual rate of development within the community.

Summary of Project Changes: Facilities Benefit Assessment funding in the amount of \$174,000 is anticipated to be allocated to this project for Fiscal Year 2017 due to a revised project scope.

Council District: 1	Priority Score: 55
Community Plan: Del Mar Mesa	Priority Category: Medium
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2014 - 2018	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the design and construction of Del Mar Mesa Neighborhood Park in the community of Del Mar Mesa. This new 3.7 acre neighborhood park will include a children's play area, one-half basketball court, comfort station, parking lot, horse corral, picnic areas, turf, and landscaping.

Justification: This project will contribute to satisfying the population-based park requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$95,700 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas, playgrounds, and comfort stations. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015 and is scheduled to be completed in Fiscal Year 2016. Construction is anticipated to be completed in Fiscal Year 2017.

Summary of Project Changes: The project schedule was updated for Fiscal Year 2016.

Del Mar Mesa Southern Multi-Use Trail / S00889

Council District: 1	Priority Score: 19
Community Plan: Del Mar Mesa	Priority Category: Low
Project Status: Continuing	Contact Information: Ball, Laura
Duration: 2002 - 2016	619-685-1301
Improv Type: New	lball@sandiego.gov

Description: This project provides for the construction of a multi-use trail approximately 200 lineal feet wide. The total multi-use trail, approximately 1,000 lineal feet, extends southerly from the end of Del Mar Mesa Road and crosses the Grand Del Mar entry road, and then extends westerly to connect to the wildlife crossing under Carmel Country Road and the Neighborhood 10 Trail, and easterly to connect to the Shaw Valley Trail in the Carmel Valley Community.

Justification: This project provides recreational opportunities in Del Mar Mesa in accordance with the City's General Plan and implements the Del Mar Mesa Specific Plan recommendations.

Operating Budget Impact: This project will require an on-going operational budget for non-personnel expenses. The current cost estimate of \$1,000 is based upon the Park and Recreation Department's current cost to maintain trails.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific Plan and is in conformance with the City's General Plan.

Schedule: Approximately 800' of the north-south portion of the trail has been completed, including the connection to Shaw Valley and the wildlife undercrossing improvements or realignment to approximately 200' of the south end of the trail alignment is required to complete the trail. The connection to the Neighborhood 10 trail remains to be completed, due to property/right-of-way acquisition. The remaining trail connection is within the Carmel Valley Community and funding will be from the Carmel Valley FBA.

Summary of Project Changes: Project decreased by \$150,000 to reflect the current Del Mar Mesa Public Facilities Financing Plan.

Trans - Roadway - Enhance/Scape/Medians

Council District: 1	Priority Score: 34
Community Plan: Torrey Pines	Priority Category: Low
Project Status: Continuing	Contact Information: Sirois, Paul
Duration: 2014 - 2027	619-685-1307
Improv Type: Betterment	psirois@sandiego.gov

Description: This project will provide for the resurfacing and slurry sealing of residential streets within the Del Mar Terrace Maintenance Assessment District (MAD). Additional improvements may include upgrades to asphalt berms and curb and gutter installation where needed.

Justification: This project is an identified improvement in the Del Mar Terrace MAD which includes slurry seal maintenance every five years and resurfacing every fifteen years.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Schedule: This project addresses on-going maintenance requirements. Project schedule is dependent upon funding availability.

Summary of Project Changes: This project is anticipated to be closed contingent upon the approval by City Council in Fiscal Year 2016.

Park & Recreation

Dennerly Ranch Neighborhood Park / S00636

Parks - Neighborhood

Council District: 8	Priority Score: 47
Community Plan: Otay Mesa	Priority Category: Low
Project Status: Continuing	Contact Information: Greenstein, Howard
Duration: 2005 - 2022	619-525-8233
Improv Type: New	hgreenstein@sandiego.gov

Description: This project provides for acquisition, design, and construction of a nine useable acre park site in the Otay Mesa Community Plan and the Dennerly Ranch Precise Plan areas. The park may include a multi-purpose court, multi-purpose sports fields, comfort station, children's play area, picnic area and facilities, open turf area, staging area, and trail with connectivity to the Otay Valley Regional Park.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Dennerly Ranch Subdivision.

Operating Budget Impact: This facility will require an ongoing operational budget for personnel and non-personnel expenses. The cost estimate of \$155,000 is based on Park and Recreation's current cost to maintain landscaped areas that have similar amenities. Operational costs will be revised once all amenities and unique site characteristics are finalized.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and the Dennerly Ranch Precise Plan, and is in conformance with the City's General Plan.

Schedule: This turn-key project will be designed and constructed by the developer, Pardee Homes. Design is expected to begin in Fiscal Year 2016. Construction and conveyance of the completed park to the City, is expected to be completed in Fiscal Year 2021.

Summary of Project Changes: Project budget was decreased in Fiscal Year 2015 in the amount of \$2.0 million per City Council Resolution R-308811, adopted March 25, 2014, which authorized the update to the Otay Mesa Public Facilities Financing Plan and provided for the reconciliation of project budgets.

Council District:	1	Priority Score:	45
Community Plan:	Mid-City: Eastern Area	Priority Category:	Low
Project Status:	Continuing	Contact Information:	Winter, James
Duration:	2015 - 2018		619-235-5257
Improv Type:	New		jwinter@sandiego.gov

Description: This project provides for the installation of path of travel and accessibility improvements to the rear entrance at Doyle Community Park adjacent to the dog off-leash area and future community garden. It may include a small parking area, walkway improvements and accessibility signage.

Justification: The current parking area located in the rear cul-de-sac and adjacent walkways leading into the dog off-leash area and park are not compliant with current accessibility requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: The design will commence in Fiscal Year 2016. Construction will begin in Fiscal Year 2016 and completed in Fiscal Year 2017.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. City Council Resolution R-309685, dated May 28, 2015, authorized the increase of \$400,000 to this project for the purpose of installing path of travel improvements. An additional \$20,402 in Park Service District Funds has been allocated to this project for Fiscal Year 2016 to support ADA improvements at Doyle Park Community Park.

EB Scripps Pk Comfort Station Replacement / S15035

Bldg - Other City Facility / Structures

Council District: 1	Priority Score: 43
Community Plan: La Jolla	Priority Category: Low
Project Status: Continuing	Contact Information: Antoun, Nevien
Duration: 2016 - 2019	619-533-4852
Improv Type: Replacement	nantoun@sanidiego.gov

Description: This project provides for the design and construction of a replacement comfort station located in EB Scripps Park adjacent to La Jolla Cove. The project also includes the demolition of the existing comfort station and associated path of travel improvements. The La Jolla community has raised funds and hired a consultant to initiate the preliminary design of the comfort station. Future City and private funds will be used to complete the design and begin the project construction.

Justification: The existing comfort station was constructed in the 1960's and has reached the end of its useful life. The salt air from the ocean has accelerated the deterioration of the metal structural components within the building. This project corresponds with Project P-22 of the La Jolla Public Facilities Financing Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: The project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: The project's preliminary design has been initiated through community efforts. The design will continue through Fiscal Year 2016 with construction anticipated to be complete in Fiscal Year 2019.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. \$250,000 in Regional Park Improvements funding was transferred to this project in Fiscal Year 2015, per City Council Resolution R-309680, adopted on May 28, 2015. An additional \$35,379 in Park Service District Funds has been allocated to this project for Fiscal Year 2016 to support improvements at EB Scripps Park.

East Village Green General Development Plan / S16014

Council District: 3	Priority Score: 51
Community Plan: Centre City - East Village	Priority Category: Medium
Project Status: New	Contact Information: Shifflet, Robin
Duration: 2016 - 2020	619-533-4524
Improv Type: New	rshifflet@sandiego.gov

Description: This project provides for the development of a General Development Plan for the East Village Green, located between 13th, 15th, F and G Streets in the East Village. Park amenities could include a recreation center and pool, comfort stations, below-grade parking, a leash free dog park, outdoor seating, landscaping, children's play area and an amphitheater.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Downtown Community Plan and is in conformance with the City's General Plan.

Schedule: Development of the plan is scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. \$100,000 in Development Impact Fee funding has been allocated to this project in Fiscal Year 2016.

Project Status: New	Contact Information: Shifflet, Robin
Duration: 2016 - 2020	619-533-4524
Improv Type: New	rshifflet@sanidiego.gov

Description: This project provides for the design and construction for Phase 1 of the East Village Green Park. Phase 1 park amenities could include a recreation center and pool, comfort station, below-grade parking, a leash free dog park, outdoor seating and landscaping.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore, the current operating cost estimate is based on the Park and Recreation Department's current cost to maintain various similar facilities. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Downtown Community Plan and is conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2017.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. Development Impact Fee funding of \$14.3 million has been allocated to this project in Fiscal Year 2016.

Description: This project provides for the design and construction of Americans with Disabilities Act improvements for the children's play areas and paths of travel to comply with accessibility requirements.

Schedule: Design is scheduled to begin in Fiscal Year 2016. Construction will begin when funding is identified.

Justification: The project is needed to provide Americans with Disabilities Act improvements to meet federal and State safety and accessibility regulations, and will serve the needs of existing and future residents.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. \$110,000 in Development Impact Fee funding was added to this project in Fiscal Year 2015, per City Council Resolution R-309683, adopted on May 28, 2015.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Nestor Community Plan and is in conformance with the City's General Plan.

Park & Recreation

El Cajon Blvd Streetscape Improvements / S00826

Trans - Roadway - Enhance/Scape/Medians

Council District: 3, 9	Priority Score: 46
Community Plan: Normal Heights (Mid-City), Kensington - Talmadge (Mid-City), City Heights, North Park	Priority Category: Medium
Project Status: Continuing	Contact Information: Lasaga, Fernando
Duration: 1994 - 2020	619-533-7406
Improv Type: New	flasaga@sandiego.gov

Description: This project provides for streetscape improvements which include the installation of street lights and replacement of sidewalks, curbs, and gutters along El Cajon Boulevard from Louisiana Street east to 54th Street, as well as the side streets adjacent to El Cajon Boulevard that are within the El Cajon Boulevard Maintenance Assessment District (MAD) boundaries.

Justification: The El Cajon Boulevard revitalization project began as a part of the Mid-City Commercial Revitalization Program which was originally funded by a Community Development Block Grant and TransNet. This project will continue the approved design along additional commercial blocks using funding from the El Cajon Boulevard MAD. The MAD Assessment Engineer's Report identifies streetscape improvements including street lighting as an improvement within the project area.

Operating Budget Impact: Those projects that are identified as improvements in the North Park MAD Assessment Engineer's Report and the El Cajon Boulevard MAD Assessment Engineer's Report will be maintained by each respective MAD. Each MAD will fund the maintenance and energy costs associated with the special benefit street lighting installed by this project. Since design of all phases of the street light element has not been completed, the actual number of street lights to be installed by this project and resultant operating budget effect is not known.

Relationship to General and Community Plans: This project implements the Mid-City and Greater North Park Communities' Plans and is in conformance with the City's General Plan.

Schedule: Continued improvements of street light installation, replacement of sidewalks, curbs, and gutters within the El Cajon Boulevard Maintenance Assessment District (MAD). Construction for these phases is anticipated for completion by the end of Fiscal Year 2017.

Summary of Project Changes: A total of \$373,729 in Redevelopment funding was added to this project in Fiscal Year 2015, per City Council Resolution R-309745, adopted on May 28, 2015, for the installation of double-acorn street lights. An additional \$50,000 in Maintenance Assessment District funding was added to this project in Fiscal Year 2016.

Park & Recreation

El Cuervo Adobe Improvements / S14006

Parks - Open Space

Council District: 6	Priority Score: 53
Community Plan: Rancho Penasquitos	Priority Category: Medium
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2014 - 2018	619-533-5139
Improv Type: Replacement - Rehab	koliver@sandiego.gov

Description: This project provides for long-term protection of the physical remains of the historic El Cuervo Adobe located within the Rancho Penasquitos Community consistent with a 2004 Conditions Assessment Report. Improvements shall include stabilization activities to protect the remaining length of walls of the historic structure measuring thirty-one feet long by seven to nine feet tall.

Justification: The El Cuervo Adobe Ruins site has been designated historic by the City Historic Site Board, California Historic Resources Inventory, and the National Register of Historic Places. Only two of the original structural adobe walls remained until a portion of one wall (the north wall) collapsed in December 2011. This project will protect the historic resource consistent with National Park Service Standards and San Diego Municipal Code Section 143.0205(f).

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the City General Plan Historic Resources Element.

Schedule: Design began in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2017.

Summary of Project Changes: The project schedule has been updated for Fiscal Year 2016.

Park & Recreation

Encanto Comm Pk Security Lighting Upgrades / S16017

Council District: 4
Community Plan: Southeastern (Encanto Neighborhoods)
Project Status: New
Duration: 2016 - 2017
Improv Type: New

Parks - Miscellaneous Parks

Priority Score: 52
Priority Category: Medium
Contact Information: Winter, James
 619-235-5257
 jwinter@sandiego.gov

Description: This project provides for security lighting upgrades within Encanto Community Park. It may include electrical engineering, new security light poles and fixtures, upgrades to existing security light poles and fixtures, and electrical component upgrades as needed to support the park lighting upgrades.

Justification: The improvements will help bring the park into compliance the Park and Recreation Department's security light guidelines by providing a more even broadcast of lighting along the park's walkways and parking lots. Improved security lighting will also assist the San Diego Police Department in their nightly patrols.

Operating Budget Impact: The operating budget impact will be determined upon completion of the security lighting design. While electrical use may increase due to increased number of light fixtures, the use of energy efficient light fixtures such as LED may minimize additional electrical use.

Relationship to General and Community Plans: The project is consistent with the Southeastern San Diego Community Plan, Encanto Neighborhoods and is in conformance with the City's General Plan.

Schedule: This project will begin design in Fiscal Year 2016 with completion of the security lighting upgrades in Fiscal Year 2017.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016.

Evans Pond Reclaimed Water Pipeline Inst / S13010

Reclaimed Water System - Pipelines

Council District: 5	Priority Score: 40
Community Plan: Scripps Miramar Ranch	Priority Category: Medium
Project Status: Continuing	Contact Information: Meinhardt, Cynthia
Duration: 2013 - 2017	619-533-5259
Improv Type: New	cmeinhardt@sandiego.gov

Description: This project would provide for the installation of a reclaimed water pipeline and meter to service Evans Pond, a small pond located adjacent to Scripps Ranch Library (10301 Scripps Lake Drive). The reclaimed water pipe would connect an existing reclaimed water reservoir located in Meanley Park (just south of the Library) and extend northeast to the pond. An additive alternative would be to connect existing landscape irrigation systems surrounding the Library to reclaimed water. Scripps Ranch Maintenance Assessment District (MAD) maintains this pond via a Memorandum of Understanding (MOU) with the Library Department.

Justification: Evans Pond is currently fed by natural rainwater and runoff, but during summer months it loses depth and becomes shallow. Despite annual transfers of raw water from the nearby San Diego Aqueduct, there is insufficient water to maintain Evans Pond at an acceptable depth. The pond is home to a variety of plant and animal species, including water plants, turtles, ducks, and fish. This project would allow for a stable water source to keep the pond at an acceptable level throughout the year. A health/safety concern would be the use of reclaimed water in a pond environment, which has been accomplished at Torrey Pines Golf Course.

Operating Budget Impact: Currently, the Scripps Ranch Maintenance Assessment District funds a transfer of raw water from the San Diego Aqueduct once a year at a cost of approximately \$18,500. If this project is implemented, water costs are expected to decrease to approximately \$2,000 annually under the reclaimed water rate rather than the potable water rate.

Relationship to General and Community Plans: This project is in compliance with the Scripps-Miramar Ranch Community Plan and in conformance with the City's General Plan.

Schedule: Planning began in Fiscal Year 2013 and was completed in Fiscal Year 2014. Design began in Fiscal Year 2014 and will continue in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2016.

Summary of Project Changes: Community Projects, Programs, and Services (CPPS) funding of \$9,933 was added to this project in Fiscal Year 2015. The project schedule was updated for Fiscal Year 2016.

Fairbrook Neighborhood Park Development / S01083

Parks - Neighborhood

Council District: 5	Priority Score: N/A
Community Plan: Scripps Miramar Ranch	Priority Category: N/A
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2016 - 2020	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for development of an approximately three acre neighborhood park south of Pomerado Road in the Scripps Miramar Ranch area. Rough grading, adjacent half-width street improvements, and utilities to serve the park were provided by a developer per vesting tentative map (VTM) conditions.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Fairbrook Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$40,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Grading and half-width improvements completed by developer per Vesting Tentative Map (VTM) condition in Fiscal Year 2014. Acquisition of site occurred in Fiscal Year 2015. Design will begin in Fiscal Year 2016. Construction is anticipated to be completed in Fiscal Year 2020.

Summary of Project Changes: Park Service District Funds of \$41,004 have been allocated to this project for Fiscal Year 2016 to support the development of the Fairbrook Neighborhood Park. The project schedule was updated for Fiscal Year 2016.

Famosa Slough Salt Marsh Creation / S00605

Drainage - Channels

Council District: 2	Priority Score: N/A
Community Plan: Peninsula	Priority Category: N/A
Project Status: Warranty	Contact Information: Genova, Darren
Duration: 2003 - 2016	619-533-4659
Improv Type: Betterment	dgenova@sandiego.gov

Description: The 0.64 acre mitigation project in Famosa Slough is required by the Army Corps of Engineers, Coastal Commission, and California Department of Fish and Game permits and agreements. The mitigation is a required component of the Transportation and Storm Water Department's channel clearing efforts to prevent flooding in the Sorrento Valley area, and restoration of this site will enhance the functions and values of this important biological resource consistent with a variety of City policies and objectives.

Justification: The 0.64 acre mitigation project in Famosa Slough is required by the Army Corps of Engineers, Coastal Commission, and California Department of Fish and Game permits and agreements. The Famosa Slough was chosen as the mitigation site because opportunities for coastal salt marsh mitigation in the Los Peñasquitos Lagoon have been exhausted. This option utilizes an available, City-owned site within the Coastal Zone and is consistent with the 1993 Famosa Slough Enhancement Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and the Famosa Slough Enhancement Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004 and was completed in Fiscal Year 2005. Construction was completed in Fiscal Year 2005. The five-year maintenance and monitoring period began in Fiscal Year 2006 and ended in Fiscal Year 2011. Due to the extended drought and lack of rainfall, additional maintenance and monitoring has been required in order to obtain site approval and sign off from the Resource Agencies.

Summary of Project Changes: Project cost increased by \$20,000 for the continuing management of the mitigation site.

Description: This project provides for preparation of a General Development Plan Amendment to include an aquatic complex and to implement infrastructure improvements, such as irrigation and parking lot upgrades, on a 44-acre athletic area to serve residents within the Kearny Mesa, Clairemont Mesa, and Serra Mesa Communities. Improvements shall be in compliance with federal, State, and local accessibility guidelines and regulations.

Justification: This project provides park and recreational facilities to serve the needs of existing and proposed residents within the Kearny Mesa, Clairemont Mesa, and Serra Mesa Communities in accordance with the City's General Plan Guidelines.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa, Serra Mesa, and Clairemont Mesa Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010. The General Development Plan Amendment was completed in Fiscal Year 2015. Construction is anticipated to begin in Fiscal Year 2017.

Summary of Project Changes: This project received a total of \$1.5 million in Fiscal Year 2015 as follows: \$946,730 from Developer Contributions, \$37,310 from Gen Dyna Community Improvement funds, and \$507,544 from Kearny Mesa Improvements funds, via City Council Resolution R-309685, adopted on May 28, 2015. The schedule for this project has been updated for Fiscal Year 2016.

Description: This project provides for the acquisition, design, and construction of an approximately 4.0 useable acre neighborhood park serving the Ocean View Hills Community. Amenities may include an open turf area and children's play area, as well as off-site improvements to serve the park.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Hidden Trails Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$57,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan, the Hidden Trails Precise Plan, and is in conformance with the City's General Plan.

Schedule: Land acquisition began in Fiscal Year 2008 and was completed in Fiscal Year 2012. Design began in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2016. Construction is anticipated to begin in Fiscal Year 2017 and be completed in Fiscal Year 2018.

Summary of Project Changes: Future years funding has been added per the updated Otay Mesa Public Facilities Financing Plan.

Hiking & Equestrian Trail NP #10 / S00722

Parks - Trails

Council District: 1	Priority Score: 19
Community Plan: Carmel Valley	Priority Category: Low
Project Status: Continuing	Contact Information: Ball, Laura
Duration: 2008 - 2016	619-685-1301
Improv Type: New	lball@sandiego.gov

Description: This project provides for a multi-use trail connection from Del Mar Mesa to Carmel Valley.

Justification: The construction of the identified trails or trail connections will contribute to completion of connectivity with the existing City and regional trail system, providing benefits to the community, including increased recreational opportunities, protection of sensitive natural resources, and alternate transportation opportunities to residents and visitors.

Operating Budget Impact: This project will require an on-going operational budget for non-personnel expenses. The current cost estimate of \$2,200 per year is based upon the Park and Recreation Department's current cost to maintain trails.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and the Carmel Valley Neighborhood 10 Precise Plan, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2007. Construction began in Fiscal Year 2009 in segments. The schedule is contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Junipero Serra Museum ADA Improvements / S15034

Council District:	3	Priority Score:	60
Community Plan:	Old San Diego	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Antoun, Nevien
Duration:	2015 - 2019		619-533-4852
Improv Type:	Betterment		nantoun@sanidiego.gov

Description: This project provides for the design and construction of improvements to provide Americans with Disabilities Act (ADA) access to the Junipero Serra Museum within Presidio Park. The project may include a new parking lot, security lighting, walkways and/or accessible ramps, site furnishings and landscape enhancements.

Justification: The ADA improvements will make the historic Junipero Serra Museum more accessible to park users with disabilities.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate is unknown as operational costs for the project will be determined as the project is refined and all amenities and unique site characteristics are considered.

Parks - Miscellaneous Parks

Relationship to General and Community Plans: The project is consistent with the Old Town San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Design is anticipated to begin in Fiscal Year 2016, with construction complete and the new facilities open to the public by the end of December 2016.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. \$500,000 in Regional Park Improvements funding was allocated to this project in Fiscal Year 2016. Additionally, \$500,000 in Regional Park Improvements funding was transferred to this project in Fiscal Year 2015, per City Council Resolution R-309680, adopted on May 28, 2015.

Description: This project provides for the design and construction of Americans with Disabilities Act (ADA) improvements for the children's play area and paths of travel to comply with federal and State accessibility requirements.

Justification: This project is needed to provide ADA improvements in compliance with federal and State accessibility requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Skyline/Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2016. Construction will begin when additional funding is identified.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. \$110,000 in Development Impact Fee funding was added to this project in Fiscal Year 2015, per City Council Resolution R-309683, adopted on May, 28, 2015.

Kelly St Neighborhood Pk Security Lighting Upgrade / S16016

Council District: 7	Priority Score: 48
Community Plan: Linda Vista	Priority Category: Medium
Project Status: New	Contact Information: Winter, James
Duration: 2016 - 2017	619-235-5257
Improv Type: New	jwinter@sandiego.gov

Description: This project provides for security lighting upgrades within Kelly Street Neighborhood Park. It may include electrical engineering, new security light poles and fixtures, upgrades to existing security light fixtures, and electrical component upgrades as needed to support the park lighting upgrades.

Justification: The improvements will help bring the park into compliance the Park and Recreation Department's security light guidelines by providing a more even broadcast of lighting along the park's walkways and near the comfort station. Improved security lighting will also assist the San Diego Police Department in their nightly patrols.

Operating Budget Impact: The operating budget impact will be determined upon completion of the security lighting design. While electrical use may increase due to increased number of light fixtures, the use of energy efficient light fixtures such as LED may minimize additional electrical use.

Relationship to General and Community Plans: The project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Schedule: This project will begin design in Fiscal Year 2016 with completion of the security lighting upgrades in Fiscal Year 2017.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016.

Kumeyaay Lakes Berm Restoration and Dredg / S00655

Parks - Miscellaneous Parks

Council District: 7	Priority Score: 27
Community Plan: Navajo	Priority Category: Low
Project Status: Underfunded	Contact Information: Zirkle, Chris
Duration: 2002 - 2018	619-685-1323
Improv Type: Betterment	czirkle@sandiego.gov

Description: This project provides for the dredging of two lakes and reconstruction of a lake berm within the Kumeyaay Lake system at Mission Trails Regional Park.

Justification: A berm that surrounds the lakes was breached during the 1995-96 rainy season. Since that time, the San Diego River's flow has been redirected through the Kumeyaay Lakes, to the detriment of the lakes. Impacts include sedimentation of the lakes, the introduction of exotic invasive aquatic plants, and the decline of an adjacent state wetland mitigation site through which the river once flowed. Dredging of the lakes to remove accumulated sediments and unwanted plant materials will restore the health and vitality of the lakes and the adjacent mitigation site, which depends upon a flowing water source.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Development Plan, the Navajo Community Plan, and is in conformance with the City's General Plan.

Schedule: Planning began in Fiscal Year 2003. Design and construction will be scheduled upon identification of funding.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2016.

Larsen Field ADA Improvements Phase II / S13004

Parks - Miscellaneous Parks

Council District: 8	Priority Score: 71
Community Plan: San Ysidro	Priority Category: High
Project Status: Continuing	Contact Information: Mahmalji, Samir
Duration: 2014 - 2019	619-533-5301
Improv Type: Replacement	smahmalji@sandiego.gov

Description: This project provides for a children's play area and associated path of travel upgrades to meet current accessibility requirements at Larsen Field.

Justification: This project is needed to bring the children's play area and associated paths of travel into conformance with current Americans with Disabilities Act (ADA) standards and to make the facilities accessible to people with disabilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015. Construction is anticipated to begin in Fiscal Year 2016.

Summary of Project Changes: \$2,543 in Park Service District Funds has been allocated to this project for Fiscal Year 2016 to support ADA improvements at Larsen Field. An additional \$1.0 million in federal grant funding is anticipated to be received in Fiscal Year 2016 for construction.

Linda Vista Skate Park / S15008

Council District: 7	Priority Score: 62
Community Plan: Linda Vista	Priority Category: High
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2015 - 2017	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the General Development Plan amendment, design and construction of a multi-generational skatepark at the existing Linda Vista Community Park.

Justification: This project will provide an additional recreational use to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$38,000 is based upon the Park and Recreation Department's current cost various skate parks. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Schedule: A General Development Plan amendment was processed in Fiscal Year 2015. Design began in Fiscal Year 2015. Construction is scheduled to begin and be completed in Fiscal Year 2016.

Summary of Project Changes: \$16,986 in Council District 7 CPPS funding was added to this project in Fiscal Year 2015. An additional \$1,999 in Park Service District Funds have been allocated to this project for Fiscal Year 2016 to support construction of the Linda Vista Skate Park. The project schedule was updated for Fiscal Year 2016.

Lomita Neighborhood Park Playground ADA Upgrades / S16019

Council District: 4	Priority Score: 63
Community Plan: Skyline - Paradise Hills	Priority Category: High
Project Status: New	Contact Information: Winter, James
Duration: 2016 - 2019	619-235-5257
Improv Type: New	jwinter@sandiego.gov

Description: This project provides for Americans with Disabilities Act (ADA) upgrades to the existing playground within Lomita Neighborhood Park as well as the associated ADA path of travel requirements. The ADA upgrades may include new play equipment, accessible safety surfacing, benches, picnic tables, a drinking fountain, and walkway improvements to meet local, State and Federal accessibility requirements.

Justification: The existing playground and the play equipment within is not accessible to park users with various forms of disabilities. The improvements will help bring the park facilities into compliance with the ADA and will replace playground equipment which has exceeded its useful life.

Operating Budget Impact: None. This project provides for upgrades to existing facilities within the park.

Relationship to General and Community Plans: The project is consistent with the Skyline-Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Design will begin in Fiscal Year 2016, with construction to be completed in Fiscal Year 2020.

Summary of Project Changes: This is a new published project for Fiscal Year 2016.

Project Status: New	Contact Information: Ball, Laura
Duration: 2013 - 2017	619-685-1301
Improv Type: Betterment	lball@sandiego.gov

Description: This project provides for the reconstruction and improvement of one of the main trails in Los Penasquitos Canyon Preserve.

Justification: The existing trail consistently washes out, which results in trail closures after inclement weather.

Operating Budget Impact: None.

Relationship to General and Community Plans: The main trail is depicted in the Los Penasquitos Canyon Preserve Master Plan and is in conformance with the City's General Plan.

Schedule: Design is anticipated to begin in Fiscal Year 2016. Construction is anticipated to begin in Fiscal Year 2017.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016.

MTRP Equestrian & Multi Use Staging Area AdminBldg / S14016

Parks - Resource Based

Council District: 7	Priority Score: 73
Community Plan: Navajo	Priority Category: High
Project Status: Continuing	Contact Information: Meinhardt, Cynthia
Duration: 2014 - 2017	619-533-5259
Improv Type: New	cmeinhardt@sandiego.gov

Description: This project provides for the development and construction of an administration building (approximately 5000 sq. ft.) that could include, but not be limited to staff offices, kitchen, showers and conference room, a small information center, public restrooms, and a workshop room with a screened storage yard, in addition to a covered picnic shelter (approximately 2,300 sq. ft.) as proposed in the site development permit (SDP#40-0524). This project is for the third and final phase of the Equestrian and Multi-use Staging Area that was originally approved by the Mission Trails Citizens Advisory Committee.

Justification: The Mission Trails Visitors Center office space is at capacity and the administration building is needed to accommodate new staff. The facility will also provide additional opportunities for public interface with park staff. The shade structure will provide relief from the elements at a heavily used entry point into Mission Trails Regional Park. The shade structure will be large enough to accommodate large events.

Operating Budget Impact: This facility will require an on-going operational budget for non-personnel expenses. The project's final design has not been approved; therefore, the current cost estimate of \$38,000 is based upon the Park and Recreation Department's current operating cost for similar facilities. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is in conformance with the City's General Plan Guidelines and Tierrasanta Community Plan, and implements the Mission Trails Regional Park Master Plan.

Schedule: Design began in Fiscal Year 2015 and is anticipated to be complete in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2017, pending identification of funding.

Summary of Project Changes: The total project cost has been updated in Fiscal Year 2016.

Marie Widman Memorial Pk Security Lighting Upgrade / S16018

Council District:	4	Priority Score:	60
Community Plan:	Skyline - Paradise Hills	Priority Category:	Medium
Project Status:	New	Contact Information:	Winter, James
Duration:	2016 - 2017		619-235-5257
Improv Type:	New		jwinter@sandiego.gov

Description: This project provides for security lighting upgrades within Marie Widman Memorial Neighborhood Park. It may include electrical engineering, new security light poles and fixtures, upgrades to existing security light fixtures, and electrical component upgrades as needed to support the park lighting upgrades.

Justification: The improvements will help bring the park into compliance the Park and Recreation Department's security light guidelines by providing a more even broadcast of lighting along the park's walkways and near the comfort station. Improved security lighting will also assist the San Diego Police Department in their nightly patrols.

Operating Budget Impact: The operating budget impact will be determined upon completion of the security lighting design. While electrical use may increase due to increased number of light fixtures, the use of energy efficient light fixtures such as LED may minimize additional electrical use.

Relationship to General and Community Plans: The project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: This project will begin design in Fiscal Year 2016 with completion of the security lighting upgrades in Fiscal Year 2017.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016.

Park & Recreation

McKinley Elementary School JU Improvemts / S12001

Parks - Community

Council District:	3	Priority Score:	61
Community Plan:	Greater North Park	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Mahmalji, Samir
Duration:	2012 - 2017		619-533-5301
Improv Type:	New		smahmalji@sandiego.gov

Description: This project provides for a new General Development Plan of approximately 1.4 acres of new joint-use facilities at McKinley Elementary School to supplement existing park acreage in the Greater North Park Community. Improvements will include natural turfed multi-purpose sportsfields, multi-purpose courts, walkways, landscaping, and Americans with Disabilities Act (ADA) accessibility upgrades.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$16,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: The scope of work has been modified to include the preparation of a General Development Plan which was completed in Fiscal Year 2014. Final design and construction have been removed from this project's scope of work. San Diego Unified School District will build the facility using Prop Z funds.

Summary of Project Changes: The project schedule has been updated. This project will be closed by the end of the fiscal year.

 jwinter@sandiego.gov

Description: This project provides for Americans with Disabilities Act (ADA) upgrades to the existing playground within Memorial Community Park as well as the associated ADA path of travel requirements. The ADA upgrades may include new play equipment, accessible safety surfacing, benches, picnic tables, a drinking fountain, and walkway improvements to meet local, State and federal accessibility requirements.

Justification: The existing playground and the play equipment within is not accessible to park users with various forms of disabilities. The improvements will help bring the park facilities into compliance with the ADA and will replace playground equipment which has exceeded its useful life.

Operating Budget Impact: None. This project provides for upgrades to existing facilities within the park.

Relationship to General and Community Plans: The project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Design will be completed in Fiscal Year 2016. Construction will be scheduled upon the identification of additional funding.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016.

Memorial Community Building Clearance Activity / S15039

Council District: 8	Priority Score: 56
Community Plan: Southeastern San Diego	Priority Category: Medium
Project Status: Continuing	Contact Information: Winter, James
Duration: 2016 - 2017	619-235-5257
Improv Type: New	jwinter@sandiego.gov

Description: This project will demolish and remove an existing building of approximately 11,100 square feet located within Memorial Community Park. The 1959 constructed building was used as a Girls Club until 2008 when the lease agreement expired. The structure is in severe decline and necessary improvements and accessibility upgrades have been determined to be cost prohibitive. After the building and associated site improvements are removed, reuse of the park area for park purposes will be explored through a public input process.

Justification: The existing building is considered spot blight within the community. Removal of the building will allow other park uses within Memorial Community Park.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern community plan and the General Plan Standards.

Schedule: Demolition of the building is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. This project is anticipated to receive \$650,000 in federal grant in Fiscal Year 2016.

Memorial Pool Improvements / S00970

Council District: 8	Priority Score: 78
Community Plan: Southeastern San Diego	Priority Category: High
Project Status: Warranty	Contact Information: Mahmalji, Samir
Duration: 2009 - 2016	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the demolition of an existing pool and the design and construction of a new pool. The existing 40 year old pool suffers from deferred maintenance, cracked decking, outdated mechanical systems, and doesn't meet Americans with Disabilities Act (ADA) standards. It will be replaced with a larger pool that meets ADA standards.

Justification: This project will address deterioration of the existing pool decking and piping due to age.

Operating Budget Impact: Operations and maintenance funding for this facility was included in the Park and Recreation budget beginning in Fiscal Year 2015.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2011. Construction began in Fiscal Year 2014 and was completed in Fiscal Year 2015.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Mira Mesa CP - Exp & Aquatic Complex / S00667

Parks - Neighborhood

Council District: 6	Priority Score: 55
Community Plan: Mira Mesa	Priority Category: Medium
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2004 - 2018	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for developing approximately 11 usable acres of the former Carroll School park site across the street from Mira Mesa Community Park. Amenities include a comfort station and ballfields. The Mira Mesa Community Park will also be upgraded to include a pool complex, improved recreation center, and skate plaza. The street between the two sites will include parking and street calming. This project will be phased as funding becomes available. Phase I includes the ballfields and street calming. Phase II includes the pool complex and skate plaza. Phase III includes recreation center improvements.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. For Phase I only, the current cost estimate of \$144,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas and comfort stations. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project implements the recommendations found in the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: General Development Plan was approved in June 2005. Funding for Phase I construction was made available in Fiscal Year 2013. Phase I construction by design-build contractor anticipated to begin in early Fiscal Year 2016. Phase II pool complex and skate plaza anticipated in Fiscal Year 2018.

Summary of Project Changes: Facilities Benefit Assessment funding in the amount of \$17.0 million was reprogrammed. \$7.6 million will be received in Fiscal Year 2016 and \$9.5 million is anticipated to be received in Fiscal Year 2018. An additional \$23,751 in Facilities Benefit Assessments funding has been allocated to this project in Fiscal Year 2016 for additional storm water requirements and drought tolerant landscaping at the Mira Mesa Community Park.

Description: This project provides for the removal and replacement of the existing comfort station/concession stand at the Mission Bay Athletic Area. It will also provide an accessible path of travel from Grand Avenue to the comfort station and the center of the ball field complex.

Justification: These improvements are necessary to provide Americans with Disabilities Act (ADA) accessibility to the comfort station and concession stand which are not currently accessible.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2012. Construction will be scheduled pending identification of additional funding.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Council District: 2	Priority Score: 60
Community Plan: Mission Bay Park	Priority Category: Medium
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2004 - 2017	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the demolition of the existing, antiquated practice center and clubhouse buildings, and installation of temporary trailers/portables at the Mission Bay Golf Course until such time as the new clubhouse is constructed. The design and construction of a new practice center, parking lot, and clubhouse, which were originally part of this project, will be completed separately in the future, in conjunction with other projects proposed for the golf course.

Justification: These improvements are necessary to comply with current codes, address maintenance needs, and increase the viability of identifying potential future lessees.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design for the temporary trailers/portables will begin in Fiscal Year 2016 with construction beginning in Fiscal Year 2017. The demolition of existing facilities is scheduled to begin in Fiscal Year 2016.

Summary of Project Changes: The project schedule has been updated for Fiscal Year 2016.

Council District: 2	Priority Score: 54
Community Plan: Mission Bay Park	Priority Category: Medium
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2011 - 2018	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the design and construction of various improvements within Mission Bay Golf Course. Work will include renovation and reconstruction of the existing course and may consist of new landscaping and irrigation, upgraded electrical and lighting system, drainage improvements, installation of cart paths near tee boxes, upgraded tee boxes, improvements to signage, as well as other improvements relevant to the conditions of play will also be included.

Justification: This project is needed to provide the long awaited improvements to the 18-hole golf course. For example, the new computerized irrigation system will replace a system that is outdated, inefficient, and does not meet current or future water restriction requirements. These improvements will help bring the golf course to within industry standards for municipal golf courses.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design is anticipated to be completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2017 and is anticipated to be completed in Fiscal Year 2017.

Description: This annual allocation provides for the unexpected replacement of minor capital assets on an as-needed basis at the City's Municipal Golf Course - Mission Bay.

Justification: This annual allocation will provide a capital assets cost-avoidance program allowing for the timely replacement of unanticipated failure of golf capital assets.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design and replacement of minor capital assets will be implemented on an as-needed basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Description: This annual allocation provides for permanent public capital improvements and deferred maintenance of existing facilities in accordance with City Charter, Article V, Section 55.2.

Justification: Mission Bay Park, as well as other regional parks, open spaces, and coastal beaches, helps define the City's identity, enriches quality of life, and serves as a visitor attraction that strengthens the local economy. This regional treasure is threatened by increasing use and a backlog of needed improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Projects will be funded in the order provided per City Charter Section 55.2.

Summary of Project Changes: Mission Bay Improvements funding in the amount of \$6.3 million will be allocated to this project for Fiscal Year 2016.

Description: This project provides for the procurement and installation of decorative, acorn style, street lighting within the Mission Hills Historic Street Lighting Maintenance Assessment District (MAD).

Justification: This project is an identified improvement in the Mission Hills Historic Street Lighting MAD and will be conducted in conjunction with an underground utility project.

Operating Budget Impact: The Mission Hills Historic Street Lighting MAD will provide for the special benefit of maintenance and energy costs associated with the enhanced street lighting.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2012 and completed in Fiscal Year 2013. Construction began in Fiscal Year 2014 and will be completed in Fiscal Year 2016.

Summary of Project Changes: The schedule for this project has been updated for Fiscal Year 2016.

Duration: 2011 - 2017	619-685-1301
Improv Type: Betterment	lball@sandiego.gov

Description: This project provides for design, engineering, construction, and installation of structures, as well as the rehabilitation and installation of appropriate material to re-establish approximately 2,000 linear feet of existing trail. This project will supplement the existing and increasing recreational activities of hikers and the increase of sensitive resource impacts caused by hikers leaving the official trail. When completed, this trail rehabilitation will improve safety and reduce or eliminate loss of sensitive natural resources due to visitor use and erosion. Improvements will include minimal pruning and hand crew installation of materials. No grading will be done; however, some hand tool manipulation of existing soils may occur.

Justification: This project will benefit the community by increasing safety for hikers and protect sensitive natural and cultural resources.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Plan, the Navajo and Tierrasanta Community Plans, and is in conformance with the City's General Plan.

Schedule: Construction began in Fiscal Year 2012 and significant trail work was completed in Fiscal Year 2014. Work is ongoing and anticipated to be completed in Fiscal Year 2017.

Summary of Project Changes: The project schedule was updated for Fiscal Year 2016.

 jharkness@sandiego.gov

Description: This project provides for an update to the 1985 Mission Trails Regional Park (MTRP) Master Development Plan to identify completed capital projects and to guide future expansion, development, and preservation of the park, as well as to provide an environmental document to determine potential impacts. A Natural Resource Management Plan will also be prepared and incorporated into the master plan document to provide park rangers with information and tools to manage the Park's sensitive resources.

Justification: MTRP faces numerous challenges and issues due to the high number of visitors and the Park's location within a densely populated area. Extensive recreational use, illegal off-road vehicle activity, erosion, urban runoff, and invasive non-native plants are potential threats to the continued health of the Park's natural resources. The MTRP Natural Resource Management Plan is a part of the implementation task of the City of San Diego's Multiple Species Conservation Program (MSCP). The MSCP was officially adopted on March 18, 1997; The United States Fish and Wildlife Service and the California Department of Fish and Game approved the plan on July 17, 1997.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo, Tierrasanta, Rancho Encantada, and East Elliott Community Plans and is in conformance with the City's General Plan.

Schedule: Planning began in Fiscal Year 2010 and is anticipated to be completed in Fiscal Year 2018.

Summary of Project Changes: The project schedule was updated for Fiscal Year 2016.

Park & Recreation

Mission Trails RP Trail Realignments / S10066

Council District: 7	Priority Score: 20
Community Plan: Navajo, Tierrasanta	Priority Category: Low
Project Status: Continuing	Contact Information: Ball, Laura
Duration: 2009 - 2018	619-685-1301
Improv Type: New	lball@sandiego.gov

Description: This project provides for design, engineering, and construction of approximately 5,000 linear feet of new (realignment) trail and rehabilitation of approximately 3,500 linear feet of existing trail. This is to supplement existing and increased recreational activity of all visitor user groups (hikers, bikes, equestrian) and to stabilize and protect sensitive habitat and natural resources currently impacted by poor trail alignment. Improvements will include vegetation pruning and trimming, as well as hand crew manipulation of soils for best location of trails that will meet City Trail Standards (safety and sustainability). Locations of these trail realignments have been roughly engineered on-site but will require environmental review and approval. No grading is anticipated. No trails in this area are Americans with Disabilities Act (ADA) accessible and this realignment would not provide ADA opportunities due to lack of access.

Justification: New realignment will provide for improved safety to visitors and protection of sensitive resources.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Trails Regional Park Master Plan, the Navajo and Tierrasanta Community Plans, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009. Construction began in Fiscal Year 2012 and is anticipated to be completed in Fiscal Year 2018.

Summary of Project Changes: The project schedule was updated for Fiscal Year 2016.

Park & Recreation

Mohnike Adobe and Barn Restoration / S13008

Parks - Open Space

Council District: 5	Priority Score: 62
Community Plan: Los Penasquitos Canyon Preserve	Priority Category: High
Project Status: Continuing	Contact Information: Qasem, Labib
Duration: 2015 - 2019	619-533-6670
Improv Type: Betterment	lqasem@sandiego.gov

Description: This project provides for the rehabilitation/restoration of the historic adobe and hay barn located within the 14-acre Rancho Penasquitos Equestrian Center on the eastern end of the Los Penasquitos Canyon Preserve. Completion of a site assessment of current condition of the 2,512 square-foot adobe structure, the hay barn and surrounding grounds shall include the following items: exterior walls; north and west porches, roof, interior walls, ceilings and wood floors, drainage swale on southwest, and accessibility needs to determine Phase II of rehabilitation program. Additionally, a Treatment Plan and Historic Structure Report are required prior to preparation of Phase II design and construction plans for the rehabilitation due to storm damage which the barn sustained in 2010. Emergency work to shore up the barn until a rehabilitation/restoration plan can be prepared and implemented was completed in 2011.

Justification: Phase I of a rehabilitation program was completed in 2005 consistent with an Historic Structures Report prepared for the Mohnike Adobe and Hay Barn by Ferris, Johnson and Perkins Architects, Inc. in 1999. Architectural design and construction plans are required to proceed with Phase II of the project.

Operating Budget Impact: None.

Relationship to General and Community Plans: The Rancho Penasquitos Community Plan and Los Penasquitos Canyon Preserve Master Plan do not specifically address rehabilitation/restoration of historic structures; however the project is consistent with the City's General Plan Historic Resources Element.

Schedule: Preparation of Assessment Report and Treatment Report is scheduled in Fiscal Year 2016. Design is scheduled in Fiscal Year 2016. Construction is anticipated to be begin in Fiscal Year 2017 and be completed in Fiscal Year 2018.

Summary of Project Changes: This project has been allocated a total of \$2.0 million in Fiscal Year 2016, of which \$1.5 million is from the Environmental Growth Fund and \$500,000 is from the Regional Park Improvements Fund. An additional \$500,000 in Regional Park Improvements funds has been allocated to this project in Fiscal Year 2015, per Council Resolution R-309126, adopted on July 30, 2014. Project cost increased by \$500,000 due to higher than anticipated labor cost to restore the historic adobe and hay barn. The project schedule has been updated for Fiscal Year 2016.

Park & Recreation

Montgomery Academy JU Improvements / S00973

Bldg - Other City Facility / Structures

Council District: 7	Priority Score: N/A
Community Plan: Linda Vista	Priority Category: N/A
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2009 - 2016	619-533-5139
Improv Type: New	koliver@sandiego.gov

Description: This project provides for the construction of approximately three acres of joint-use play fields at the Montgomery Academy and associated Americans with Disabilities Act (ADA) improvements to comply with all State and federal accessibility guidelines and City standards. Phase I amenities may include a turfed multi-purpose sports field, decomposed granite running track, accessibility improvements, signage, baseball backstops, and miscellaneous landscaping. Phase II amenities may include picnic shelters, site furnishings, security lighting, accent plantings, and enhanced gateway treatments.

Justification: Development of this project is a Site Development Permit condition of the Pacific Ridge Apartment Homes to satisfy population-based park acreage requirements in accordance with the City's General Plan standards for the anticipated population generated by the residential development. Additionally, it provides joint-use recreational facilities in a community deficient in population-based park and recreation facilities.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The on-going cost of \$45,114 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2014. Construction began in Fiscal Year 2015 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Duration: 2011 - 2017	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for Americans with Disabilities Act (ADA) upgrades and improvements to the children's play area and path of travel within the park and along South Boundary Street to comply with State and federal safety and accessibility guidelines.

Justification: This project is needed to upgrade existing site improvements and play area facilities to meet current federal and State safety and accessibility regulations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2013. Construction for the children's play area upgrades and the additional accessibility improvements was completed in Fiscal Year 2015.

Summary of Project Changes: \$393,500 in federal grant was added to this project in Fiscal Year 2015, due to increased construction costs.

Description: This project provides for acquiring property in support of the Multiple Species Conservation Program (MSCP).

Justification: The Multiple Species Conservation Program (MSCP) Implementing Agreement, Section 10(a), Take Authorization of the Endangered Species Act, mandates a statutory responsibility on the part of the City to assemble the MSCP preserve. This responsibility includes public land acquisition to be used for wildlife habitat.

Operating Budget Impact: Operating Budget Impact to be determined as property is acquired.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Land acquisitions within East Elliott began in Fiscal Year 2000 and was completed in Fiscal Year 2015. Per the City's MSCP Implementing Agreement (I.A.), preservation of 52,727 acres is to occur within the Multi-Habitat Planning Area (MHPA). To date, 49,004 acres (93%) have been conserved or obligated. The remaining 3,723 acres will be conserved through various means including mitigation, exactions, and acquisitions.

Summary of Project Changes: This project will be closed by the end of the fiscal year.

Project Status: Continuing	Contact Information: Darvishi, Ali
Duration: 2011 - 2016	619-533-5328
Improv Type: Replacement - Rehab	adarvishi@sandiego.gov

Description: This project is intended to restore the integrity of the museum, stop the roof leakages, fix the museum ornamentation, restore the historic carports, protect the public safety and minimize costly maintenance. Phase I scope of work includes re-roofing of the Administration Building, the clay tile roof on the south side of the quadrangle, the north wing of the main museum including the built-up roof, re-roofing and partial reconstruction of the carport between the north wing and the administration building, restoration of the ornamentation, restoration of the windows, repair and/or resealing of the tile domes, replacement of the finial on western quadrangle entrance, and other miscellaneous restoration items including the replacement of two curb ramps. Phase II scope of work includes repairs to the interior damaged by roof leakages.

Justification: This project will restore the integrity of the museum, stop the roof leakages, fix the museum ornamentation, restore the historic carports, protect the public safety, and minimize costly maintenance.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Plan and is in conformance with the City's General Plan.

Schedule: Phase I construction was completed in Fiscal Year 2013. Phase II design began in Fiscal Year 2014 and was completed in Fiscal Year 2015. Phase II construction was completed in Fiscal Year 2015.

Summary of Project Changes: This project has been completed and will be closed by the end of the fiscal year.

Description: This project will provide for the planning and design of a new aquatic facility center at Naval Training Center Park. The proposed facility will include, but will not be limited to, two competitive and recreational pools, a leisure pool with water playground features, spectator seating deck, bath house facility, and associated site improvements.

Justification: This project will contribute to satisfying the recreation facility requirement set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The project's design has not been completed or approved. Therefore, operational cost estimate will be available upon completion of the conceptual design.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design work will begin upon identification of adequate funding. No schedule has been established.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status: Warranty	Contact Information: Cetin, Elif
Duration: 2013 - 2017	619-533-4640
Improv Type: New	ecetin@sandiego.gov

Description: The scope of work will include design and construction of disabled accessible walkway with landings to comply with the current Americans with Disabilities Act (ADA) requirements. The newly proposed walkway will connect the existing entry plaza to the north end of the project site which is adjacent to Robb Field. The scope will also include enhanced crosswalk improvements at the intersection of West Point Loma Boulevard and Sunset Cliffs Boulevard and a property line screen wall.

Justification: To provide disabled accessible walkway with landings to comply with the current ADA requirements, the newly proposed walkway will connect the existing entry plaza to the north end of the project site which is adjacent to Robb Field.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I of this project is complete. Design began in Fiscal Year 2013 and was completed in Fiscal Year 2014. Construction was completed in Fiscal Year 2015.

Summary of Project Changes: Project cost decreased by \$298,000 due to lower construction cost than anticipated. This project is complete and will be closed by the end of this fiscal year.

North Park Mini Park & Streetscape Improvements / S10050

Parks - Mini Parks

Council District:	3	Priority Score:	34
Community Plan:	Greater North Park	Priority Category:	Low
Project Status:	Continuing	Contact Information:	Shifflet, Robin
Duration:	2010 - 2019		619-533-4524
Improv Type:	New		rshifflet@sandiego.gov

Description: This project provides for the design and construction of an approximately 0.50 useable acre, urban mini-park to be located behind the recently renovated North Park Theatre. The project may include public art, plaza areas, specialty/enhanced paving areas for performances and events, an amphitheater or audience seating area, a gazebo/shade structure, walkways, seat walls, security/decorative lighting, and landscape and irrigation. This project also provides for the design of a Streetscape Master Plan for approximately 1,800 linear feet of streetscape which may include enhanced street/pedestrian paving and walkways, street trees with tree grates, landscaping, irrigation, unique street furniture including benches and trash receptacles, security and decorative lighting, pedestrian ramps, curbs, and gutters.

Justification: The community is currently deficient in population-based park requirements set forth in the City's General Plan. This project will add population-based park acreage to the community, thus contributing to satisfying population-based park requirements. The project also includes the design of a Streetscape Master Plan, incorporating a streetscape system for the benefit of pedestrians, automobiles, and community members.

Operating Budget Impact: Facility will require an ongoing operational budget for personnel and non-personnel expenses. The current cost estimate of \$9,100 is based on Park and Recreation's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are finalized.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Design of the General Development Plan for the mini-park and Streetscape Master Plan for the associated streetscapes began in Fiscal Year 2011 and was completed in Fiscal Year 2012. Construction document design for the mini-park is scheduled to begin in Fiscal Year 2015, pending resolution of property ownership legal issues between the State and the previous City of San Diego Redevelopment Agency. Construction is anticipated in Fiscal Year 2017. The individual associated streetscapes (which are a part of the Streetscape Master Plan) will be implemented by Transportation and Storm Water Department (Transportation Engineering Operations Division) as funding for design, construction, and maintenance becomes available.

Summary of Project Changes: The project schedule has been updated for Fiscal Year 2016.

Description: The project provides for the replacement of existing red sidewalk and decorative tile pavement along 30th Street and University Avenue near the Main Street area of North Park.

Justification: The project will replace existing red sidewalk and decorative tiles that are cracked, deteriorated, and missing.

Operating Budget Impact: Cleaning activities along the sidewalk including litter pick-up, sweeping, and steam cleaning will continue after the project is completed. Maintenance is funded by the North Park Maintenance Assessment District; no additional operating budget impact as a result of this project is anticipated.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Design began and was completed in Fiscal Year 2015. Construction began in Fiscal Year 2016 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: The addition of \$10,000 in Maintenance Assessment District (MAD) funding has been allocated to this project in Fiscal Year 2016, due to increased construction cost. In addition \$175,000 in Redevelopment funding was added to this project in Fiscal Year 2015, per City Council Resolution R-309745, adopted on May 28, 2015. The project schedule was updated for Fiscal Year 2016.

Description: This project provides for dredging behind the Old Mission Dam for the purpose of removing silt buildup, the required mitigation and monitoring program, and obtaining the necessary permits for long-term preservation measures.

Justification: This project will protect the structural integrity of the historic dam and improve water quality within the San Diego River.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with Mission Trails Regional Park Master Plan, the Navajo and Tierrasanta Community Plans, and is in conformance with the City's General Plan.

Schedule: Construction was completed in Fiscal Year 2008. Wetland mitigation began in Fiscal Year 2008 and will continue through Fiscal Year 2017. This project's overall mitigation and monitoring is anticipated to be completed in Fiscal Year 2017.

Summary of Project Changes: The schedule has been updated for this project in Fiscal Year 2016.

Olive Grove Community Park / S15028

Parks - Community

Council District: 6	Priority Score: 65
Community Plan: Clairemont Mesa	Priority Category: High
Project Status: Continuing	Contact Information: Kuzminsky, Larry
Duration: 2015 - 2019	619-533-3065
Improv Type: Betterment	lkuzminsky@sandiego.gov

Description: This project provides for the design and construction of Americans with Disabilities Act (ADA) improvements to the existing comfort station, children's play areas and associated paths of travel to comply with federal and State accessibility requirements.

Justification: This project is needed to upgrade the existing comfort station, children's play areas and associated paths of travel to comply with federal and State accessibility requirements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Clairemont Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2016. Construction will begin when additional funding is identified.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. \$250,000 in Development Impact Fee funding and \$172,849 in Park Service District Fees was added to this project in Fiscal Year 2015, per City Council Resolution R-309683, adopted on May 28, 2015.

Park & Recreation

Olive St Park Acquisition/Development / S10051

Parks - Mini Parks

Council District: 3	Priority Score: 57
Community Plan: Uptown	Priority Category: Medium
Project Status: Continuing	Contact Information: Lewis, Yovanna
Duration: 2010 - 2020	619-533-5130
Improv Type: New	ylewis@sandiego.gov

Description: This project provides for the acquisition, design, and construction of approximately 0.36 acre of unimproved property contiguous with the south end of the existing Olive Street Park. The project will expand useable park acreage in the Uptown Community. Improvements may include amenities, such as multi-purpose turf areas, a children's play area, seating, walkways, landscaping, and security lighting.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan guidelines.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$16,633 is based on Park and Recreation's current cost to maintain various landscaped areas.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Property acquisition has been completed. Design is scheduled to begin in Fiscal Year 2016. Construction is anticipated to be completed in Fiscal Year 2020.

Summary of Project Changes: The project schedule has been updated for Fiscal Year 2016.

Open Space Improvements / AGG00001

Parks - Open Space

Council District:	Citywide	Priority Score:	Annual
Community Plan:	Citywide	Priority Category:	Annual
Project Status:	Continuing	Contact Information:	Ball, Laura
Duration:	2010 - 2020		619-685-1301
Improv Type:	New		lball@sandiego.gov

Description: This project provides funding for developing various public facilities within the City's resource-based open space parks. Improvements may include, but not be limited to, rehabilitation of Cowles Mountain Trail, drainage improvements within Tecolote Open Space, San Diego River improvements, Arizona Landfill reclamation test plot, and North Chollas Open Space enhancement.

Justification: This project is needed to preserve and enhance the City's open space areas. Enhancement may include removal of exotic, invasive, and non-native plant material and re-vegetation with native plants of the areas susceptible to erosion.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and the concepts relative to specific open space systems, and is in conformance with the City's General Plan.

Schedule: The Arizona Landfill is currently in design. North Chollas Open Space enhancement is ongoing. Florida Canyon Riparian Restoration is currently in the plant establishment and monitoring period. Construction on Cowles Mountain Trail began in Fiscal Year 2014.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Parks - Resource Based

Council District: 8	Priority Score: N/A
Community Plan: Otay Mesa - Nestor	Priority Category: N/A
Project Status: Warranty	Contact Information: Darvishi, Ali
Duration: 2005 - 2016	619-533-5328
Improv Type: Betterment	adarvishi@sanidiego.gov

Description: This project provides for the first staging area in Otay Valley Regional Park and will include hiking trails, a ranger station, and related amenities.

Justification: This project will provide access to the Otay Valley Regional Park.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation Department's operating budget.

Relationship to General and Community Plans: This project implements the recommendations found in the Otay River Valley Natural Resource Management Plan and the Otay Mesa-Nestor Community Plan, and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2006. Construction was completed in Fiscal Year 2007. Mitigation monitoring was completed in Fiscal Year 2015.

Summary of Project Changes: This project has been completed and will be closed by the end of this fiscal year.

Pacific Highlands Ranch Hiking & Biking / RD12003

Parks - Trails

Council District:	1	Priority Score:	N/A
Community Plan:	Pacific Highlands Ranch	Priority Category:	N/A
Project Status:	Continuing	Contact Information:	Galvez III, Oscar
Duration:	2012 - 2020		619-533-3685
Improv Type:	New		galvez@sanidiego.gov

Description: This project provides for the design and construction of approximately 80,000 linear feet (15 miles) of hiking, equestrian, and biking trails to be located throughout the community in accordance with the Pacific Highlands Ranch subarea plan. The trail system will provide access into the multiple habitat planning area of McGonigle canyon; provide pathways along Del Mar Heights Road, Little McGonigle Ranch Road, Pacific Highlands Ranch Parkway, Lopelia Meadows Place, Old Carmel Valley Road Crossing under SR-56, and Carmel Valley Road alignments; and provide access into subarea II and the Rancho Penasquitos community. The project will also provide for the acquisitions, design, and construction of three trailheads/overlooks, including parking areas, benches, and signage.

Justification: This project will provide the community with additional recreational opportunities.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Subarea Plan, and is in conformance with the City's General Plan.

Schedule: This project is being completed in segments and is dependent upon the actual rate of development within the community.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Palisades Park Comfort Station Replace / S10026

Council District: 2	Priority Score: 84
Community Plan: Pacific Beach	Priority Category: High
Project Status: Warranty	Contact Information: Darvishi, Ali
Duration: 2010 - 2016	619-533-5328
Improv Type: Replacement	adarvishi@sandiego.gov

Description: This project provides for the removal and replacement of the existing comfort station at Palisades Park at the foot of Law Street in Pacific Beach. Minor grading outside the limits of the building footprint is anticipated due to the improvement of the accessible path from the accessible parking to the comfort station. Major excavations will be carried out for the new retaining walls and building foundations. Because of the limited work areas, traffic control plans will be required during construction activities which will impact Ocean Boulevard.

Justification: These improvements are necessary to provide Americans with Disabilities Act (ADA) accessibility to the comfort station which is not currently accessible and to provide an accessible path of travel from the public way to the new facility.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Pacific Beach Community Plan, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2012. Construction began in Fiscal Year 2014 and was completed in Fiscal Year 2016.

Summary of Project Changes: Regional Park Improvements funding of \$50,000 was added to this project in Fiscal Year 2015, per City Council Resolution R-309680, adopted on May 28, 2015. This project has been completed and will be closed by the end of the fiscal year.

Project Status: Continuing	Contact Information: Mahmalji, Samir
Duration: 2015 - 2018	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the General Development Plan amendment, design and construction of a skate park at the existing Park de la Cruz Neighborhood Park.

Justification: This project will provide an additional recreational use to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going budget for personnel and non-personnel expenses. The current cost estimate of \$31,000 is based on Park and Recreation Department's current cost to maintain a skate park of this size.

Relationship to General and Community Plans: This project is consistent with the Mid-City Community Plan and is in conformance with the City's General Plan.

Schedule: A General Development Plan amendment will begin in Fiscal Year 2015. Construction will begin in Fiscal Year 2016.

Summary of Project Changes: \$3.1 million in federal grant funding is anticipated to be received in Fiscal Year 2016, per City Council Resolution R-309884, adopted on August 3, 2015.

Pomerado Median Improve-N of R Bernardo / S10035

Trans - Roadway - Enhance/Scape/Medians

Council District: 5	Priority Score: 28
Community Plan: Rancho Bernardo	Priority Category: Low
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2010 - 2016	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for the renovation and replacement of existing asphalt medians along Pomerado Road north of Rancho Bernardo Road with landscape improvements.

Justification: This project will enhance the appearance of the corridor through the replacement of deteriorating medians.

Operating Budget Impact: Newly planted medians will require additional maintenance which will be funded from the Rancho Bernardo Maintenance Assessment District. The estimated cost to maintain the enhanced medians will become known once design is completed.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2013 and was completed in Fiscal Year 2015. Construction is scheduled to begin and be completed in Fiscal Year 2016.

Summary of Project Changes: The project schedule was updated for Fiscal Year 2016.

Rancho Encantada Park #2 / S00652

Council District: 5, 7	Priority Score: N/A
Community Plan: Rancho Encantada	Priority Category: N/A
Project Status: Warranty	Contact Information: Mahmalji, Samir
Duration: 2006 - 2016	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for development of approximately six acres for a neighborhood park to include active and passive uses, parking lot, playground, comfort station, and lighted ball fields.

Justification: This park will provide additional amenities above the the population-based park acreage requirements set forth in the City's General Plan due to an extraordinary benefits agreement.

Operating Budget Impact: Maintenance and operations will be administered by a Maintenance Assessment District established in Fiscal Year 2007 and specifically created for this park.

Relationship to General and Community Plans: This project is consistent with the Rancho Encantada Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2008. This is a turn-key park built by the developer per a reimbursement agreement. Construction began in Fiscal Year 2013 and was completed and turned over to the Park and Recreation Department in Fiscal Year 2015.

Summary of Project Changes: Final reimbursement to developer was made in Fiscal Year 2015. This project has been completed and will be closed by the end of the fiscal year.

Council District: 7	Priority Score: 77
Community Plan: Navajo	Priority Category: High
Project Status: Continuing	Contact Information: Mahmalji, Samir
Duration: 2015 - 2018	619-533-5301
Improv Type: Betterment	smahmalji@sandiego.gov

Description: This project provides for the design and construction of upgrades to the existing children's play area and associated paths of travel within Rancho Mission Neighborhood Park to comply with Americans with Disabilities Act (ADA) upgrades and improvements to comply with State and federal safety and accessibility guidelines.

Justification: This project will allow for an upgraded play area as well as accessible paths of travel to meet current State and federal safety and accessibility guidelines within the Rancho Mission Neighborhood Park Play Area Upgrade.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015. Construction anticipated to begin in Fiscal Year 2016 and be completed in Fiscal Year 2017.

Summary of Project Changes: The project schedule was updated for Fiscal Year 2016. \$983 in Park Service District Funds has been allocated to this project for Fiscal Year 2016 to support the play area improvements at Rancho Mission Neighborhood Park.

Rancho Penasquitos Towne Centre Park Imp / S12003

Parks - Miscellaneous Parks

Council District: 5	Priority Score: 14
Community Plan: Rancho Penasquitos	Priority Category: Low
Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2012 - 2016	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for the installation of miscellaneous amenities to serve dog off-leash users, such as a group shade structure and Americans with Disabilities Act (ADA) accessibility improvements, at the Rancho Penasquitos Towne Centre Park.

Justification: This project will provide additional recreation amenities to serve the residents of Rancho Penasquitos.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2014. Construction is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: The project schedule was updated for Fiscal Year 2016.

Park & Recreation

Regional Park Improvements / AGF00005

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Winter, James
Duration: 2010 - 2020	619-235-5257
Improv Type: New	jwinter@sandiego.gov

Description: This annual allocation provides funding for planning and implementation of permanent public capital improvements, including land acquisition's for San Diego regional parks.

Justification: San Diego's regional park system contains recreation resources unique to the City. Parks such as Balboa Park, Mission Bay Park, Mission Trails Regional Park, Otay River Valley Park, and San Diego River Park, as well as open spaces and coastal beaches, help define the City's identity, enrich the quality of life for residents, and serve as visitor attractions that strengthen the local economy. These regional treasures are threatened by increasing use and a backlog of needed improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community and park master plans and is in conformance with the City's General Plan.

Schedule: Design and construction will be scheduled in accordance with the scope of the various sublet projects and as funds become available.

Summary of Project Changes: \$5.6 million have been transferred to various regional park projects in Fiscal Year 2015, per City Council resolutions R-309126, adopted on July 30, 2014 and R-309680, adopted on May 28, 2015. These adjustments were also approved by the Regional Park Improvements Fund Oversight Committee. Regional Park Improvements funding in the amount of \$8.8 million previously identified for this project has been removed from Fiscal Year 2017 and future years.

Duration: 2010 - 2020
Improv Type: New

Parks - Resource Based

Priority Score: Annual
Priority Category: Annual
Contact Information: Harwell, Steve
 619-685-1309
 sharwell@sandiego.gov

Description: This annual allocation provides for developing public facilities within the City's resource-based open space parks, including Los Penasquitos Canyon Preserve, Mission Trails Regional Park, Marian Bear Memorial Park, Tecolote Canyon Natural Park, Otay Valley Regional Park, Rose Canyon, and other open space parks such as Black Mountain. Other open space systems may be included as additional acquisitions are completed.

Justification: The City's open space acquisitions have resulted in increased interest by citizens, elected representatives, and government agencies in commencing development of open space public facilities, which are consistent with open space concepts such as trails, signs, historic site improvements, picnic facilities, and entry points.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Design and construction will be phased in accordance with the scope of various sub-projects.

Summary of Project Changes: A total of \$1.4 million has been allocated to this project in Fiscal Year 2016, of which \$853,152 is from the Environmental Growth Fund and \$500,000 is from the Regional Park Improvements Fund.

Riviera Del Sol Neighborhood Park / S00999

Parks - Neighborhood

Council District: 8	Priority Score: 73
Community Plan: Otay Mesa	Priority Category: High
Project Status: Continuing	Contact Information: Mahmalji, Samir
Duration: 2006 - 2018	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for land acquisition and development of a 4.9 useable acre neighborhood park at a site located in the Riviera del Sol Subdivision.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Riviera del Sol Subdivision.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$102,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan, the Riviera del Sol Precise Plan, and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and is ongoing. Construction documents have been completed.

Summary of Project Changes: \$1.2 million in Otay Mesa Facilities Benefit Assessment funding is anticipated to be received in Fiscal Year 2016, per the Public Facilities Financing Plan.

Improv Type: New

Parks - Miscellaneous Parks

Priority Score: 64
Priority Category: High
Contact Information: Kuzminsky, Larry
 619-533-3165
 lkuzminsky@sandiego.gov

Description: This project provides for the design and construction of a joint-use facility at Rolando Elementary School.

Justification: This project will contribute to satisfying population-based park acreage requirements as a park equivalency as set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore, the current operating cost estimate is based on the Park and Recreation Department's current cost to maintain various similar facilities. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Mid City - Eastern Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2016. Construction will begin when funding is identified.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. \$380,000 in Development Impact Fee funding was allocated to this project in Fiscal Year 2015, per City Council Resolution R-309683, adopted on May 28, 2015.

Rolling Hills Neighborhood Park ADA Upgrades / S15021

Council District: 5	Priority Score: 52
Community Plan: Rancho Penasquitos	Priority Category: Medium
Project Status: Continuing	Contact Information: Shackelford, Kris
Duration: 2015 - 2018	619-533-4121
Improv Type: Betterment	kshackelford@sandiego.gov

Description: This project provides for Americans with Disabilities Act (ADA) upgrades within the park, including, but not limited to, accessible street parking and pedestrian curb ramp, path of travel improvements within the park, children's playground accessible play equipment and safety surfacing, accessible drinking fountains, and other miscellaneous improvements to enhance ADA accessibility to existing park facilities.

Justification: The improvements will help bring the park into compliance with State and federal safety and accessibility guidelines, thus making park facilities available to park users with disabilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: The project is consistent with the Rancho Penasquitos Community Plan and is in conformance with the City's General Plan.

Schedule: This project is being coordinated with community fund-raising efforts. Implementation will be scheduled when the fund-raising efforts are near completion. Installation of the improvements is anticipated to take approximately six to eight months to complete.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. \$400,000 in Rancho Penasquitos FBA funding was appropriated to this project per City Council Resolution R-308686, adopted on January 2, 2014.

SD River Dredging Qualcomm Way to SR163 / S00606

Drainage - Channels

Council District: 7	Priority Score: 69
Community Plan: Mission Valley	Priority Category: High
Project Status: Continuing	Contact Information: Batta, Jamal
Duration: 2005 - 2017	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for removal of a small island of sediment within the San Diego River near the Murray Creek outfall at the western end of Hazard Center Drive.

Justification: This project will protect adjacent property from potential flooding during rain events.

Operating Budget Impact: Soundings of the river and other ancillary costs related to maintaining the San Diego River channel between State Route 163 and Qualcomm Way are part of the maintenance obligations of the First San Diego River Improvement Project Maintenance Assessment District.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and the First San Diego River Improvement Project Natural Resource Management Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2013. Construction began in Fiscal Year 2014 and was anticipated to be completed in Fiscal Year 2014, but due to revised project scope, additional mitigation was required to meet permit requirements. Construction is now scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: Project schedule has been updated for Fiscal Year 2016.

 koliver@sandiego.gov

Description: This project provides for recreation improvements on 4.1 useable park acres and 2.0 useable joint-use acres at the Salk Elementary School within the Mira Mesa Community. Improvements may include a comfort station, turfed multi-purpose fields, and other park amenities as determined through a community input process.

Justification: This project is mitigation for the development of Salk Elementary School pursuant to an approved Memorandum of Understanding between the City of San Diego and the San Diego Unified School District dated October 5, 2009, and will contribute to satisfying population-based park acreage requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$115,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas, comfort stations and playgrounds. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2016 and anticipated to be completed in Fiscal Year 2018. Construction is scheduled to be completed in Fiscal Year 2019.

Summary of Project Changes: Developer contribution in the amount of \$3.2 million was allocated in Fiscal Year 2015 for design and construction of the Americans with Disabilities Act (ADA) ramp, comfort station and other park amenities.

Sixth Avenue Playground Improvements / S00616

Council District: 3	Priority Score: 65
Community Plan: Balboa Park	Priority Category: High
Project Status: Underfunded	Contact Information: Greenstein, Howard
Duration: 1998 - 2020	619-525-8233
Improv Type: Replacement	hgreenstein@sandiego.gov

Description: This project will replace an existing playground within Balboa Park's West Mesa along Sixth Avenue. It will include necessary improvements to comply with the American's with Disabilities Act, including upgrade or replacement of the existing comfort station, replacement of drinking fountains, and improvements to the paths of travel. Some play equipment was donated in 2012 but did not implement the full general development plan for the project; donated equipment will be incorporated into the new playground.

Justification: The existing playground equipment has reached the end of its useful life and needs to be replaced. A majority of the existing playground is not accessible to people with disabilities. This project will bring the playground into conformance with current accessibility standards.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project complies with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design is complete. Construction will be scheduled when additional funding is identified.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016

Skyline Hills Comm Pk Security Lighting Upgrades / S16021

Council District: 4	Priority Score: 58
Community Plan: Skyline - Paradise Hills	Priority Category: Medium
Project Status: New	Contact Information: Winter, James
Duration: 2016 - 2017	619-235-5257
Improv Type: New	jwinter@sandiego.gov

Description: This project provides for security lighting upgrades within Skyline Hills Community Park. It may include electrical engineering, new security light poles and fixtures, upgrades to existing security light poles and fixtures, and electrical component upgrades as needed to support the park lighting upgrades.

Justification: The improvements will help bring the park into compliance the Park and Recreation Department's security light guidelines by providing a more even broadcast of lighting along the park's walkways and parking lots. Improved security lighting will also assist the San Diego Police Department in their nightly patrols.

Operating Budget Impact: The operating budget impact will be determined upon completion of the security lighting design. While electrical use may increase due to increased number of light fixtures, the use of energy efficient light fixtures such as LED may minimize additional electrical use.

Relationship to General and Community Plans: The project is consistent with the Skyline-Paradise Hills Community Plan and is in conformance with the City's General Plan.

Schedule: This project will begin design in Fiscal Year 2016 with completion of the security lighting upgrades in Fiscal Year 2017.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016.

Council District: 4	Priority Score: 62
Community Plan: Southeastern (Encanto Neighborhoods)	Priority Category: High
Project Status: Continuing	Contact Information: Winter, James
Duration: 2015 - 2020	619-235-5257
Improv Type: New	jwinter@sandiego.gov

Description: This project provides for the design and construction of accessibility upgrades to the children's play areas and associated path of travel to comply with Americans with Disabilities Act (ADA) and accessibility guidelines.

Justification: This project corresponds with Project P-10 (ADA Requirements) in the Skyline-Paradise Hills Public Facilities Financing Plan and ADA accessibility requirements. The project will expand the use of park facilities to include park patrons with disabilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Skyline-Paradise Hills community plan and the General Plan Standards.

Schedule: Design will commence in Fiscal Year 2016. Construction costs will be identified during the design phase and construction will begin upon the identification of additional funding.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. City Council resolution R-309685, dated May 28, 2015 authorized the transfer of \$210,261 in General Fund Contributions to the CIP to this project from the Annual Allocation Park Grant Match project (AGF-00001). An additional \$257,624, of which \$250,000 in CIP Contributions from the General Fund and \$7,624 in Park Service District Funds, has been allocated to this project for Fiscal Year 2016 for ADA upgrades to the existing playground as well as ADA path of travel requirements.

Contact Information: Oliver, Kevin
 619-533-5139
 koliver@sandiego.gov

Description: This project provides for the acquisition, design, and construction of a five useable acre neighborhood park adjacent to Solana Ranch Elementary School in the Gonzales Canyon area of the Pacific Highlands Ranch Community. Park amenities include a multi-purpose turf field, children's play areas, basketball court, shade structure, picnic facilities, security lighting, outdoor amphitheatre, landscaping, walking trails and a comfort station.

Justification: This project provides population-based park acreage in accordance with the City's General Plan standards to accommodate the park and recreational needs of the residents within the Gonzales Canyon area of Pacific Highlands Ranch Subdivision.

Operating Budget Impact: Operation and maintenance funding for this facility was previously included in the Park and Recreation budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Sub Area Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was completed in Fiscal Year 2011. Design began in Fiscal Year 2013. Construction began in Fiscal Year 2014 and was completed in Fiscal Year 2015.

Summary of Project Changes: The name of this project has been changed from "Gonzales Canyon Neighborhood Park" to "Solana Ranch Park." This project has been completed and will be closed by the end of the fiscal year.

Park & Recreation

Southcrest Trails 252 Corr Park Imp-Ph2 / S01071

Council District: 9	Priority Score: 59
Community Plan: Southeastern San Diego	Priority Category: Medium
Project Status: Continuing	Contact Information: Winter, James
Duration: 2009 - 2017	619-235-5257
Improv Type: New	jwinter@sandiego.gov

Description: This project provides for design and construction of an approximate 5.8 gross acre, 2.0 usable acre, neighborhood park in the Southcrest Neighborhood of the Southeastern Community Plan Area. Improvements may include picnic shelters, children's play area, hardcourts, walkways, fencing, amphitheater, open turf areas, security lighting, and site furnishings.

Justification: This project provides for additional park land in an extremely park deficient area.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$61,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Southeastern Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2014. Construction is anticipated to begin in Fiscal Year 2016 and be completed in Fiscal Year 2017.

Summary of Project Changes: This park is now a turn-key project with Civic San Diego managing the final design and construction of the park. \$1.3 million from Southcrest Redevelopment Agency Contribution was de-appropriated from this project in Fiscal Year 2015, due to un-realized cash to support the budgeted amount, per City Council resolution R-309685, adopted on May 28, 2015.

Sunset Cliffs Natural Pk Hillside Imp Presrv / S10091

Parks - Open Space

Council District: 2	Priority Score: 58
Community Plan: Peninsula	Priority Category: Medium
Project Status: Continuing	Contact Information: Darvishi, Ali
Duration: 2010 - 2017	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project will complete improvements to the hillside portion of the Sunset Cliffs Natural Park, consisting of final project design documents, environmental review and construction documents. Future phases of this project may include construction of trails, habitat restoration, erosion control, removal of houses within the park, and the removal and return to natural vegetation of the softball field.

Justification: This project is needed to preserve and enhance the Sunset Cliffs Natural Park, one of the unique coastal environments in San Diego County. The project begins the implementation of the Sunset Cliffs Natural Park Master Plan which was approved in 2005.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2013. Environmental permitting was completed in Fiscal Year 2015. Phase I construction to remove Dixon Estate structures and return the area to natural vegetation began in Fiscal Year 2015 and is scheduled to be completed in Fiscal Year 2016. Future construction phases will be scheduled as additional funding is identified.

Summary of Project Changes: Regional Park Improvements funding of \$1.1 million was added to this project in Fiscal Year 2015, per City Council Resolution R-309680, adopted on May 28, 2015.

 adarvishi@sandiego.gov

Description: This project provides for drainage improvements at Sunset Cliffs Natural Park including the removal of existing houses located on parkland, restoration of natural areas to allow water percolation, and installation of site appropriate drainage devices.

Justification: This project will preserve and protect the coastal bluffs at Sunset Cliffs Natural Park from storm water runoff and soil erosion.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Sunset Cliffs Natural Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design and environmental assessment is scheduled in Fiscal Year 2016 and is expected to continue through Fiscal Year 2017. Phase I of construction is anticipated to commence in Fiscal Year 2020. Phase II of construction will be scheduled upon identification of funding.

Summary of Project Changes: \$1.0 million in Regional Park Improvements funding has been allocated to this project in Fiscal Year 2016. An additional \$1.0 million in Regional Park Improvements funding has been transferred to this project in Fiscal Year 2015, per City Council Resolution R-309126, adopted on July 30, 2014. The project schedule was updated for Fiscal Year 2016.

Project Status:	Continuing	Contact Information:	Schaar, Luis
Duration:	2013 - 2017		619-533-7492
Improv Type:	Betterment		lschaar@sanidiego.gov

Description: This project provides for bridge landscaping, hardscape, tree planting, signage, sidewalk, median, design of traffic calming devices, and pedestrian safety features for the Switzer Canyon/30th Street Bridge.

Justification: This project provides for a variety of improvements within the boundaries of the Greater North Park Maintenance Assessment District (MAD), which will provide visual neighborhood enhancements and support commercial revitalization.

Operating Budget Impact: The North Park MAD will maintain this enhanced area. The operating budget impact of the improvement will become known after the project is designed. Maintenance of this area is identified as an improvement in the North Park MAD Assessment Engineer's Report.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design began in Fiscal Year 2010. Design and construction will be scheduled as additional funding becomes available.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status: Continuing	Contact Information: Mahmalji, Samir
Duration: 2015 - 2020	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the design and construction of a joint-use facility at Taft Junior High School.

Justification: This project will contribute to satisfying population-based park acreage requirements as a park equivalency as set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore, the current operating cost estimate is based on the Park and Recreation Department's current cost to maintain various similar facilities. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2016. Construction is anticipated to be completed in Fiscal Year 2020.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016. \$3.5 million in Developer Contributions funding was added to this project in Fiscal Year 2015, per City Council Resolution R-309526, adopted on March 11, 2015. The project schedule was updated for Fiscal Year 2016.

Description: This project provides for upgrades and improvements to the existing lighting infrastructure in Zone 2 (West) of the Talmadge Maintenance Assessment District (MAD).

Justification: This project provides for improvements within the boundaries of the Talmadge MAD which will provide visual neighborhood enhancements.

Operating Budget Impact: The Talmadge MAD will maintain the enhanced street lights. Maintenance of this area is identified as an improvement in the Talmadge MAD Assessment Engineer's Report and the Talmadge Master Plan.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Schedule: Installation of street lights were completed in Fiscal Year 2013. Street light rehabilitation construction is scheduled for completion in Fiscal Year 2016.

Summary of Project Changes: \$60,000 in Talmadge Maintenance Assessment District Funds have been added to this project in Fiscal Year 2015, per City Council Resolution R-309288, adopted on November 13, 2014.

Project Status: Continuing	Contact Information: Qasem, Labib
Duration: 2012 - 2016	619-533-6670
Improv Type: Replacement	lqasem@sandiego.gov

Description: This project provides for the restoration of existing Talmadge Historic Gates and installation of new gates along sidewalks in the Talmadge neighborhood. Initial funding provides for restoration of existing gates only; additional funds in future years will provide for installation of new gates at other locations throughout the neighborhood.

Justification: The neighborhood of Talmadge is defined by historic gates located along the south side of Monroe Avenue at intersecting streets. These gates have been in existence for decades and are in need of restoration. Some are in danger of failing due to corrosion and decay. The budgeted allocations will provide for the restoration of these existing gates. Future phases in upcoming years will provide for installation of new gates that have been removed over the years or were never installed.

Operating Budget Impact: Talmadge Maintenance Assessment District (MAD) funds the maintenance of these gates.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2013 and was completed in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2016.

Summary of Project Changes: \$15,000 in MAD funding is allocated to this project for Fiscal Year 2016.

Talmadge Street Improvements / S00820

Trans - Roadway

Council District: 9	Priority Score: 36
Community Plan: Kensington - Talmadge (Mid-City)	Priority Category: Low
Project Status: Warranty	Contact Information: Lasaga, Fernando
Duration: 2002 - 2017	619-533-7406
Improv Type: New	flasaga@sandiego.gov

Description: This project provides for streetscape and lighting improvements within the Talmadge Maintenance Assessment District (MAD). A prior phase of this project landscaped the traffic circle located at 49th Street, Adams Street, and Lorraine Drive. The current phase will install decorative street lighting throughout the neighborhood in conjunction with a utility undergrounding project. The MAD is divided into two zones (east and west). Ornamental lighting improvements are planned for Zone 1 (east). Upgrades and improvements to the existing lighting infrastructure are planned for Zone 2 (west). Companion projects are S00976, S00977, and S00978.

Justification: This project will enhance nighttime illumination, which should increase resident safety in Talmadge. Decorative elements in the lights will increase neighborhood identification and pride.

Operating Budget Impact: The Talmadge MAD will maintain the enhanced street lights and other improvements installed through this project. Maintenance of this area is identified as an improvement in the Talmadge MAD Assessment Engineer's Report and the Talmadge Master Plan.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Schedule: Street lighting installation began in Fiscal Year 2013 and was completed in Fiscal Year 2014.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Talmadge Streetscape & Lighting Zone 1E / S00976

Trans - Roadway - Street Lighting

Council District: 9	Priority Score: 36
Community Plan: Kensington - Talmadge (Mid-City)	Priority Category: Low
Project Status: Warranty	Contact Information: Lasaga, Fernando
Duration: 2009 - 2016	619-533-7406
Improv Type: Betterment	flasaga@sandiego.gov

Description: This project provides for ornamental street lights within Zone 1 (East) of the Talmadge Maintenance Assessment District (MAD).

Justification: This project provides for improvements within the boundaries of the Talmadge MAD which will provide visual neighborhood enhancements.

Operating Budget Impact: The Talmadge MAD will maintain the enhanced street lights. Maintenance of this area is identified as an improvement in the Talmadge MAD Assessment Engineer's Report and the Talmadge Master Plan.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Schedule: Street lighting installation was completed in Fiscal Year 2014. Additional follow-up work will be done.

Summary of Project Changes: This project will be completed and closed in Fiscal Year 2016.

Tierrasanta - Median Conversion / L14001

Council District: 7	Priority Score: 42
Community Plan: Tierrasanta	Priority Category: Low
Project Status: Continuing	Contact Information: Sirois, Paul
Duration: 2014 - 2017	619-685-1307
Improv Type: Replacement	psirois@sanidiego.gov

Description: This project provides for the conversion of asphalt medians to concrete medians along various roadways in the Tierrasanta community. The first two phases of this project will convert medians along Santo Road between Aero Drive and Tierrasanta Boulevard. Additional future locations will be determined within the Tierrasanta Maintenance Assessment District (MAD) boundaries.

Justification: The community has requested streetscape improvements to major arterial corridors within Tierrasanta. This project allows certain medians to be enhanced by replacing deteriorating asphalt with decorative stamped concrete.

Operating Budget Impact: The existing hardscape medians are maintained by the Tierrasanta MAD (sweeping, litter removal, and weed removal). There is no anticipated increase in maintenance costs as a result of this project.

Relationship to General and Community Plans: This project is consistent with the Tierrasanta Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2014 and are scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: The schedule for this project has been updated for Fiscal Year 2016.

Project Status: Continuing	Contact Information: Mahmalji, Samir
Duration: 2011 - 2018	619-533-5301
Improv Type: New	smahmalji@sandiego.gov

Description: This project provides for the design and construction of a sport lighting system for the multi-purpose sports fields and associated accessibility work at the Tierrasanta Community Park.

Justification: This project is needed to expand the hours of facility use and its capacity to serve the community's residential growth.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Tierrasanta Community Plan and is in conformance with the City's General Plan.

Schedule: The project was on hold due to funding and community priorities. On July 2014, the community requested to have the project move forward. A consultant was hired and design has been initiated. Construction is anticipated to start in Fiscal Year 2016.

Summary of Project Changes: \$400,000 in Infrastructure Bond funding was added to this project in Fiscal Year 2015. Total project cost was decreased by \$50,000 due to lower than anticipated project cost.

Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2013 - 2016	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for community identification signage and enhancements within the Torrey Highlands Maintenance Assessment District (MAD).

Justification: This project is consistent with the Torrey Highlands MAD Assessment Engineer's Report and will provide signage to identify the boundaries of the community.

Operating Budget Impact: Signs will be located in landscaped areas already maintained by the Torrey Highlands MAD. The additional maintenance impact should be minimal, although the design process may result in some minor increased cost associated with ongoing maintenance (such as sign lighting or focal landscaping around the sign). All additional costs will be funded by the Torrey Highlands MAD.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and it is in conformance with the City's General Plan.

Schedule: Community input and preliminary design were completed in Fiscal Year 2013. Design began in Fiscal Year 2014 and will be completed in Fiscal Year 2016. Construction began in Fiscal Year 2016 and is scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: The project schedule was updated for Fiscal Year 2016.

Description: This project provides for Americans with Disabilities Act upgrades and improvements to the children's play area and path of travel within the park to comply with State and federal safety and accessibility guidelines. This project includes accessible parking, accessible site furnishings, accessible play area equipment and surfacing, accessible paths of travel as required, and accessibility upgrades to existing comfort station.

Justification: This project is needed to upgrade existing site improvements and play area facilities to meet current State and federal safety and accessibility regulations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley (North City West) Community Plan and is in conformance with the City's General Plan.

Schedule: Construction began in Fiscal Year 2014 and will be completed in Fiscal Year 2016.

Summary of Project Changes: The schedule for this project has been updated for Fiscal Year 2016.

Council District:	1, 5, 6	Priority Score:	N/A
Community Plan:	Torrey Highlands	Priority Category:	N/A
Project Status:	Continuing	Contact Information:	Williams, Charlette Stron
Duration:	2012 - 2016		619-533-3683
Improv Type:	New		cswilliams@sandiego.gov

Description: Design and construction of approximately 35,000 linear feet (6.5 miles) of bicycle, hiking and equestrian trails to be located throughout the community in accordance with the Torrey Highlands Subarea Plan. The system will consist of a network of paved (8,000 L.F.) improved multi-use (13,000 L.F.) and unpaved (14,000 L.F.) trails, together with a footbridge at the bottom of McGonigle Canyon.

Justification: The system of trails has been incorporated as a critical component of the Torrey Highlands Subarea Plan.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and is in conformance with the City's General Plan.

Schedule: Funding has been phased to coincide with the acquisition and development of the right-of-way and open space parcels in which the trails will be located. Completion of this project will be concurrent with development build-out.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Council District: 1	Priority Score: 47
Community Plan: Torrey Hills	Priority Category: Low
Project Status: Continuing	Contact Information: Shifflet, Robin
Duration: 2016 - 2017	619-533-4524
Improv Type: New	rshifflet@sandiego.gov

Description: This project provides for recreational improvements on four undeveloped acres within the Torrey Hills Neighborhood Park. Improvements may include a recreation center, parking area, and/or other park amenities as determined through a community input process.

Justification: This project will contribute to satisfying population-based park requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$183,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas and a small recreation center. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Torrey Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Design is anticipated to begin in Fiscal Year 2016. Construction will be scheduled subsequent to General Development Plan completion in Fiscal Year 2017.

Summary of Project Changes: The project schedule was updated for Fiscal Year 2016.

Project Status: Continuing	Contact Information: Sirois, Paul
Duration: 2011 - 2016	619-685-1307
Improv Type: New	psirois@sandiego.gov

Description: This project will provide for an enhancement of an easement area located under San Diego Gas and Electric power transmission lines at the southwest corner of East Ocean Air Drive and Corte Mar Asombrosa within the Torrey Hills Maintenance Assessment District (MAD).

Justification: The community desires enhanced, natural planting at this location that would be similar to the other planted areas in Torrey Hills.

Operating Budget Impact: The Torrey Hills MAD will provide for maintenance costs associated with this project. The operating budget impact will be determined upon completion of design.

Relationship to General and Community Plans: This project is consistent with the Torrey Hills Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2014 and was stopped at the Community's request. The resumption of design and construction will be scheduled when community's concurrence is obtained.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Description: This project provides for the acquisition, design and construction of a five useable acre neighborhood park in Torrey Highlands. Proposed improvements include a multi-purpose turf field, half court basketball court, children's play areas, walkways, landscaping, drainage, security lighting, comfort station and Americans with Disabilities Act (ADA) accessibility improvements.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$106,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas, playgrounds, and comfort stations. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition is complete. Design began in Fiscal Year 2013 and is anticipated to be completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2016.

Description: This annual allocation provides for the unexpected replacement of minor capital assets on an as-needed basis at the City's Municipal Golf Course - Torrey Pines.

Justification: This annual allocation will provide a capital assets cost-avoidance program allowing for the timely replacement of unanticipated failure of golf capital assets.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design and replacement of minor capital assets will be implemented on an as-needed basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status: Continuing	Contact Information: Oliver, Kevin
Duration: 2012 - 2019	619-533-5139
Improv Type: Betterment	koliver@sandiego.gov

Description: This project provides for improvements and updates to the golf course to include: rebuilding greens, practice greens and greens complex sand bunkers; improving fairway sand bunkers and tournament tees; installing a replacement irrigation system; reducing turf in selected areas; and adding a complete cart path system.

Justification: Enhance the playability of the course for resident golfers, while improving course conditions for private and professional tournaments. In addition, updates to the irrigation system and reductions in turf areas will conserve recycled water and energy.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design of the General Development Plan was completed in Fiscal Year 2014. Design documents will be completed in Fiscal Year 2016. Construction is anticipated to be completed in Fiscal Year 2017.

Summary of Project Changes: Golf Course Enterprise funding of \$2.0 million has been allocated to this project in Fiscal Year 2015, via City Council Resolution R-309685, adopted on May 28, 2015, to provide sufficient project funding, due to higher than anticipated construction cost. The project schedule was updated for Fiscal Year 2016.

Trail for All People / S13001

Council District: 5	Priority Score: 54
Community Plan: Black Mountain Ranch	Priority Category: Medium
Project Status: Continuing	Contact Information: Darvishi, Ali
Duration: 2013 - 2017	619-533-5328
Improv Type: New	adarvishi@sanidiego.gov

Description: This project provides for design and construction of a 1,100 linear foot paved trail to accommodate people of all physical abilities. The trail will be located on an existing unpaved trail alignment within the Black Mountain Open Space Park off of Miner's Ridge Loop staging area. Associated amenities and support facilities may include a shaded viewing pavilion, wayfinding and interpretive signage/exhibits, information kiosks, and benches.

Justification: This project will provide a unique trail experience for park users, specifically persons with disabilities and is a high priority for the Black Mountain Ranch Open Space Park Citizen's Advisory Committee, as well as the Rancho Penasquitos Community Planning Group.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. Operational costs will be determined subsequent to design development.

Relationship to General and Community Plans: The project is consistent with the Black Mountain Open Space Natural Resource Management Plan, and is in conformance with the City's General Plan.

Schedule: Site design and permitting began in Fiscal Year 2013 and was completed in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2016 to avoid bird breeding season.

Summary of Project Changes: State grant funding in the amount of \$130,000 will be allocated to this project in Fiscal Year 2016 due to a grant award. The project cost increased by \$130,000 due to revised construction cost.

Description: This project provides for design and construction of approximately 1.72 acres of joint-use facilities at Tubman Charter School to supplement existing park acreage in the College Area community. Improvements may include turf multi-purpose fields, multi-purpose hardcourts, walkways, landscaping, and accessibility upgrades.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going budget for personnel and non-personnel expenses. The project's final design has not been approved; therefore, the current operating cost estimate is based on the Park and Recreation Department's current cost to maintain various similar facilities. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with the College Area community plan and is in conformance with the City's General Plan.

Schedule: The General Development Plan began in Fiscal Year 2013 and was completed in Fiscal Year 2014. Construction of the joint use facility is anticipated to be completed in Fiscal Year 2020.

Summary of Project Changes: Development Impact Fee funding in the amount of \$1.4 million originally programmed for Fiscal Year 2016 is anticipated in Fiscal Year 2017. Total project cost has increased by \$465,040 due to increased project cost.

Description: This project provides for a new children's play area where no playground currently exists. The new play area would be geared toward children between 2 and 5 years of age, including path of travel accessibility improvements. This project will also provide a new Americans with Disabilities Act (ADA) accessible picnic table and drinking fountain.

Justification: This project will contribute to satisfying population-based park requirements set forth in the General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The cost of \$29,000 is based upon the Park and Recreation Department's current cost to maintain various children's playgrounds.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015 and is anticipated to be completed in Fiscal Year 2016. Construction is anticipated to begin in Fiscal Year 2016.

Summary of Project Changes: This project received a total of \$175,000 in Fiscal Year 2015, as follows: \$150,000 in Infrastructure Bond funding, via City Council Resolution R-309360, adopted on December 12, 2014, and \$25,000 in Development Impact Fee funding, via City Council Resolution R-309683, adopted on May 28, 2015. The project schedule was updated for Fiscal Year 2016.

Description: This project provides for the acquisition, design and construction of approximately 0.46 acres (composed of three separate parcels) of unimproved property. The project will expand useable park acreage in the Southeastern San Diego-Encanto Neighborhoods Community. Improvements will include amenities such as multi-purpose turf areas, a children's play area, seating, walkways, landscaping, and security lighting.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan in a community currently deficient in population-based parks per General Plan guidelines.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$16,000 is based upon the Park and Recreation Department's current cost to maintain various landscape areas. Operational costs for the project will be revised as the project is refined.

Relationship to General and Community Plans: This project is consistent with recommendations of the Southeastern San Diego-Encanto Neighborhoods Community Plan, and is in conformance with the City's General Plan.

Schedule: Property acquisition was completed in Fiscal Year 2011. Design is scheduled for Fiscal Year 2016. Construction is anticipated to begin in Fiscal Year 2017.

Summary of Project Changes: \$8,449 in Park Service District Funds has been allocated to this project for Fiscal Year 2016 to support the acquisition and development of Valencia Park. Total project cost has increased by \$344,000 due to higher than anticipated design costs. The project schedule was updated for Fiscal Year 2016.

Description: This project provides for the design and construction of an approximately 4-acre joint use facility at Wagenheim Middle School to supplement existing park acreage in the Mira Mesa community. Joint use improvements could include multi-use sports fields, multi-purpose courts, walkways, landscaping, parking, sports field lighting, Americans with Disabilities (ADA) upgrades and improvements to comply accessibility guidelines and could include a comfort station.

Justification: This project will contribute to satisfying population-based park acreage requirements set forth in the City's General Plan to serve residents in this park-deficient community.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The current cost estimate of \$54,000 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas. Operational costs for the project will be revised as all amenities and unique site characteristics are considered.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2016 and anticipated to be completed in Fiscal Year 2018.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Webster Neighborhood Identification Sign / S14005

Council District: 4	Priority Score: 21
Community Plan: Mid-City: Eastern Area	Priority Category: Low
Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 2014 - 2016	619-533-7492
Improv Type: New	lschaar@sandiego.gov

Description: This project provides for the installation of a new neighborhood identification sign for the Webster neighborhood within a planted median located along the south side of Federal Boulevard between 48th Street and 50th Street.

Justification: This project will provide signage to identify the boundaries of the Webster neighborhood.

Operating Budget Impact: The sign will be located in a landscaped area already maintained by the Webster-Federal Boulevard Maintenance Assessment District (MAD). The additional maintenance impact should be minimal, although the design process may result in some minor increased cost associated with ongoing maintenance (such as sign lighting or focal landscaping around the sign). All additional costs will be funded by the Webster-Federal Boulevard MAD.

Relationship to General and Community Plans: This project is consistent with the Mid-City Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2014 and was completed in Fiscal Year 2015. Construction began in Fiscal Year 2015 and will be completed in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Description: This project provides for the design and construction of approximately four acres at Wegeforth Elementary School for joint-use facilities to supplement existing park acreage in the Serra Mesa Community. Proposed improvements include turf multi-purpose sports field, courts, walkways, landscaping, parking, security lights, drainage, comfort station, and accessibility upgrades.

Justification: This project will contribute to satisfying the population-based park acreage requirements set forth in the City's General Plan.

Operating Budget Impact: This facility will require an on-going operational budget for personnel and non-personnel expenses. The cost estimate of \$103,302 is based upon the Park and Recreation Department's current cost to maintain various landscaped areas.

Relationship to General and Community Plans: This project is consistent with the Serra Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and was completed in Fiscal Year 2014. Construction began in Fiscal Year 2015.

Summary of Project Changes: A total of \$150,000 was added to this project in Fiscal Year 2015, per City Council Resolution R-309526, adopted on March 11, 2015, of which \$100,000 in Serra Mesa Development Impact Fees and \$50,000 in Developer Contribution Funds.

Project Status: Warranty	Contact Information: Johnson, Brad
Duration: 2010 - 2016	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for replacement of the destroyed identification sign located on Rancho Bernardo Road east of Interstate 15 and west of Bernardo Center Drive within the Rancho Bernardo Community.

Justification: This project is an identified improvement in the Rancho Bernardo Maintenance Assessment District (MAD). The previous sign was destroyed in a vehicle accident and is in need of replacement. The Rancho Bernardo MAD Citizen's Advisory Committee has approved full funding for this project to replace this sign (using proceeds from the insurance settlement).

Operating Budget Impact: Maintenance of the sign, including repair due to vandalism or vehicle accidents, removal of graffiti, general upkeep and cleaning, and ancillary landscaping and lighting, will be funded by the Rancho Bernardo MAD.

Relationship to General and Community Plans: This project is consistent with the Rancho Bernardo Community Plan and is in conformance with the City's General Plan.

Schedule: Community input was received in Fiscal Year 2012 to determine the theme, logo, and font for the new sign. Design began in Fiscal Year 2013 and was completed in Fiscal Year 2015. Construction began and was completed in Fiscal Year 2015.

Summary of Project Changes: The project schedule has been updated for Fiscal Year 2016. This project has been completed and will be closed by the end of the fiscal year.

Unfunded Needs List

Project	Project Total	Unidentified Funding	Percent Unfunded	Description
Crest Canyon Neighborhood Park / S15005	\$ 410,000	\$ 5,000	1.2%	This project provides for the design and construction of a neighborhood park in the Torrey Pines community. Park amenities could include picnic areas, children's play area, walkways, turf areas, and landscaping. Construction will be scheduled when funding is identified. Scope and design has yet to be defined and developed.
Cesar Solis Community Park / S00649	16,800,000	350,000	2.1%	This project provides for the acquisition, design, and construction of the Cesar Solis Community Park. \$350,000 for construction is currently unfunded.
Mohnike Adobe and Barn Restoration / S13008	2,550,000	100,000	3.9%	This project provides for the rehabilitation/restoration of the historic adobe and hay barn located within the 14-acre Rancho Penasquitos Equestrian Center on the eastern end of the Los Penasquitos Canyon Preserve. Construction phase is currently unfunded.
Famosa Slough Salt Marsh Creation / S00605	353,000	20,000	5.7%	This project provides for the mitigation at the Famosa Slough which is required by the Army Corps of Engineers, Coastal Commission, and California Department of Fish and Game permits and agreements. The mitigation is a required component of the Transportation and Storm Water Department's channel clearing efforts to prevent flooding in the Sorrento Valley area, and restoration of this site will enhance the functions and values of this important biological resource consistent with a variety of City policies and objectives. Further management of the mitigation site is unfunded.
Open Space Improvements / AGG00001	2,372,253	300,000	12.6%	This project provides funding for developing various public facilities within the City's resource-based open space parks. Unidentified funding in the amount of \$300,000 is attributed to the Rancho Mission Slope Movement sub-project.
California Tower Seismic Retrofit / L12003	3,275,612	500,000	15.3%	This project provides for the seismic retrofit of the historic California Tower within Balboa Park. Phase I of this project provides for the relocation of electrical systems. Phase II of this project provides for the seismic system upgrade of the tower. Phase II of design and construction is currently unfunded.
Tubman Charter School JU Improvements / S13000	2,735,040	465,040	17.0%	This project provides for design and construction of approximately 1.72 acres of joint-use facilities at Tubman Charter School to supplement existing park acreage in the College Area community. Improvements may include turf multi-purpose fields, multi-purpose hardcourts, walkways, landscaping, and accessibility upgrades. Both design and construction phases are unfunded.
Chicano Park ADA Upgrades / S13003	2,502,354	601,697	24.0%	This project provides for accessibility upgrades to accommodate persons with disabilities while respecting the park's cultural significance and attributes. Construction phase is partially unfunded.
Valencia Park Acquisition & Development / S11103	1,315,810	344,000	26.1%	This project provides for the acquisition, design and construction of approximately 0.46 acres (composed of three separate parcels) of unimproved property. The project will expand useable park acreage in the Southeastern San Diego-Encanto Neighborhoods Community. Improvements will include amenities such as multi-purpose turf areas, a children's play area, seating, walkways, landscaping, and security lighting. Total project cost has increased by \$344,000. The project cost increase is currently unfunded.

Project	Project Total	Unidentified Funding	Percent Unfunded	Description
Riviera Del Sol Neighborhood Park / S00999	6,924,640	2,174,640	31.4%	This project provides for land acquisition and development of a 4.9 useable acre neighborhood park at a site located in the Riviera del Sol Subdivision. Construction is unfunded.
El Cajon Blvd Streetscape Improvements / S00826	2,479,800	846,070	34.1%	This project provides for streetscape improvements along El Cajon Boulevard. Design and construction for the installation of acorn streetlights are currently unfunded.
Sunset Cliffs Natural Pk Hillside Imp Presrv / S10091	4,195,594	1,800,000	42.9%	This project will complete improvements to the hillside portion of the Sunset Cliffs Natural Park. Construction phase is currently unfunded.
San Diego River Improvements / S01012	1,000,000	500,000	50.0%	This project provides design and construction of improvements to enhance the 19.3 acre site currently maintained by the Presidio Little League. Construction phase is currently unfunded.
Memorial Comm Pk Playground ADA Upgrades / S16020	1,134,498	684,498	60.3%	This project provides for the design and construction of Americans with Disability Act improvements for the children's play area and paths of travel to comply with federal and State accessibility requirements. Construction amount is unfunded.
Switzer Canyon Bridge Enhancement Prog / S10054	275,000	175,000	63.6%	This project provides for bridge landscaping, hardscape, tree planting, signage, sidewalk, median, design of traffic calming devices, and pedestrian safety features. Design and construction phases are currently unfunded.
San Ysidro Community Park ADA Improvements / S15033	2,993,506	2,122,796	70.9%	This project provides for the design and construction of Americans with Disability Act (ADA) improvements for all areas to the park including buildings, exterior areas, children's play area and paths of travel to comply with federal and State accessibility requirements. Construction is unfunded.
Canyon Hills Resource Park Improvements / S15006	6,173,502	4,454,932	72.2%	This project provides for the design and construction of neighborhood park amenities in Canyon Hills Resource Park to supplement existing park acreage in the Mira Mesa community. Park improvements could include typical neighborhood park amenities such as picnic areas, interpretive signs, walkways, benches and landscaping. Construction will be scheduled when funding is identified.
Gamma Street Mini-Park ADA Improvements / S15032	1,751,348	1,301,348	74.3%	This project provides for the design and construction of Americans with Disability Act improvements for the children's play area and paths of travel to comply with federal and State accessibility requirements. Construction amount is unfunded.
Coastal Erosion and Access / AGF00006	3,222,843	2,400,000	74.5%	This project provides partial funding for coastal infrastructure improvements at 71 sites, from Sunset Cliffs Park to Torrey Pines State Beach, that were identified and prioritized in a 2003 Coastal Erosion Assessment Survey.
ADA Improvements & Expansion of Paradise Senior Ce / S15002	3,290,554	2,590,554	78.7%	This project provides for the design and construction of Americans with Disabilities Act (ADA) upgrades for the existing Paradise Senior Center, parking lot and walkways and includes a new 3,000 square foot expansion of the kitchen, restroom, and multi-purpose room. Construction will begin when funding is identified.
Mission Bay Athletic Area Comfort Station Mod / S10021	1,029,057	820,000	79.7%	This project provides for the removal and replacement of the existing comfort station/concession stand at the Mission Bay Athletic Area. It will also provide an accessible path of travel from Grand Avenue to the comfort station and the center of the ball field complex. Construction phase is currently unfunded.

Park & Recreation

Unfunded Needs List

Project	Project Total	Unidentified Funding	Percent Unfunded	Description
Martin Luther King Jr. Promenade / S13020	1,230,000	1,005,000	81.7%	This project will provide for the construction of a cultural promenade area including pedestrian areas, fitness areas, seating, landscaping, community identification signs, artwork, utility relocation, new street section, retaining walls, and free-standing walls. The construction phase currently is unfunded.
Rolando Joint Use Facility Development / S15029	2,296,399	1,916,399	83.5%	This project provides for the design and construction of a joint use facility at Rolando Elementary. Construction is unfunded.
Olive Grove Community Park / S15028	2,598,384	2,175,535	83.7%	This project provides for the design and construction of Americans with Disability Act (ADA) improvements to the existing comfort station, children's play areas and associated paths of travel to comply with federal and State accessibility requirements. Construction is unfunded.
Children's Park Improvements / S16013	3,900,000	3,300,000	84.6%	This project provides for the design and construction of improvements to the existing Children's Park that could include large multi-purpose lawn areas, comfort station, children's play area, interactive water fountain and vendor's building. Construction is unfunded.
MTRP Equestrian & Multi Use Staging Area AdminBldg / S14016	3,351,000	2,851,000	85.1%	This project provides the design and construction of a new Mission Trails Park Equestrian Administration 4,900 sq building and associated site, work for administrative staff, public restroom and information center. The project will be done using a design/build delivery method. The design/build scope can proceed once funding is identified.
Keiller Neighborhood Park ADA Improvements / S15030	764,000	654,000	85.6%	This project provides for the design and construction of American with Disability Act (ADA) improvements for the children's play area and paths of travel to comply with federal and State accessibility requirements. Construction is unfunded.
Chollas Community Park / S00654	30,175,562	27,183,356	90.1%	This project provides for the design and development of North Chollas Community Park. Construction of future phases of the park are currently unfunded.
Golf Course Drive Improvements / S15040	2,000,000	1,820,977	91.0%	This project provides for the design and construction of a paved pedestrian pathway and bike facility along Golf Course Drive. Construction is unfunded.
Sixth Avenue Playground Improvements / S00616	2,000,000	1,880,000	94.0%	This project will replace an existing playground within Balboa Park's West Mesa along Sixth Avenue. Construction phase is currently unfunded.
Egger/South Bay Community Park ADA Improvements / S15031	2,439,886	2,329,886	95.5%	This project provides for the design and construction of Americans with Disability Act improvements for the children's play areas and paths of travel to comply with federal and State accessibility requirements. Construction amount is unfunded.
Beyer Park Development / S00752	11,888,000	11,476,000	96.5%	This project provides for the acquisition, design, and construction of approximately 12.6 useable acres for a community and neighborhood park on Beyer Boulevard. Design and construction phases are currently unfunded.
Kumeyaay Lakes Berm Restoration and Dredg / S00655	10,000,000	9,840,000	98.4%	This project provides for the dredging of two lakes and reconstruction of a lake berm within the Kumeyaay Lake system at Mission Trails Regional Park. Design and construction phases are currently unfunded.
Total - Park & Recreation	\$	88,987,728		

Police

Page Intentionally Left Blank

The San Diego Police Department serves approximately 1.3 million residents with professionalism and integrity. In addition to the Headquarters building, the Department serves the community from ten area commands located throughout the City. For policing purposes, the City is divided into 19 service areas and 123 neighborhoods.

The following ten area commands extend throughout the City and greatly facilitate the Department's community-based policing and problem-solving efforts: Central Division, Eastern Division, Mid-City Division, Northern Division, Northeastern Division, Northwestern Division, Southeastern Division, Southern Division, Traffic Division, and Western Division. The two largest area command facilities are Central Division and Mid-City Division. These facilities serve geographical areas of 9.7 square miles and 12.8 square miles, respectively. The largest geographical area of the City (103.8 square miles) is served by the Northeastern Division. The Capital Improvement Program plays an important role in addressing the Police Department's facility needs.

2015 CIP Accomplishments

In Fiscal Year 2015, the Police Department accomplished the following:

- Finalization of the architectural design for the Police Shooting Range Refurbishment Project.
- Finalization of the technical requirements, issuance of the Request for Proposals (RFP), and vendor selection for the Computer Aided Dispatch System Replacement Project.
- Completion of the project design phase of the Co-generation Re-power Project, which will replace the two existing cooling towers, as well as the existing chillers with new energy efficient turbo chillers at the Police Headquarters building.

2016 CIP Goals

In Fiscal Year 2016, the Police Department anticipates accomplishing the following:

- Installation and configuration of the hardware and delivery of the software for the Computer Aided Dispatch System Replacement Project.
- Completion of the Co-generation Re-power Project.
- Begin construction of the initial phase of the Police Range Refurbishment Project, which includes ADA improvements to existing restrooms and walkways; the addition of disabled parking spaces; drainage improvements; completion of project infrastructure of all underground utilities; interior upgrades to training room, staff restroom and staff office area; and construction of a new trash collection area.
- Completion of parking lot resurfacing projects at ten area stations, including Eastern, Traffic, Southeastern, Northwestern, Southern, Canine, Northern, Northeastern, Mid-City, and Western.
- Completion of emergency generator switch gear replacement at four area stations, including Western, Northern, Eastern, and Northeastern.
- Completion of air conditioning unit replacement at five area stations, including Western, Northeastern, Air Support, Headquarters and Central.
- Completion of parking lot lighting replacement at two area stations, including Mid-City and Western.

CAD System Replacement Project / S13100

Bldg - Pub Safety - Police Fac / Struct

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Continuing	Contact Information: Chen, Steve
Duration: 2013 - 2018	619-533-5762
Improv Type: Replacement	schen@pd.sandiego.gov

Description: This project provides for the replacement of the Police Department Computer Aided Dispatch (CAD) system that will incorporate newer technologies available for emergency response, improve operational availability, and expand the tools available for the efficient dispatching of 9-1-1 calls.

Justification: The current CAD system does not meet acceptable industry standards for high availability or emergency site recovery. Over the past 25 years, the CAD application has been modified numerous times, and technical support for the aging system has become difficult to acquire and has been increasingly expensive.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: The project began in Fiscal Year 2013. The configuration and implementation phase will begin in Fiscal Year 2016, with completion in Fiscal Year 2018.

Summary of Project Changes: \$5.1 million in CIP Contributions from General Fund was added to support this project in Fiscal Year 2016.

Expenditure by Funding Source

Enterprise Radio/Phone Logger / S15025

Bldg - Pub Safety - Police Fac / Struct

Council District:	Citywide	Priority Score:	N/A
Community Plan:	Citywide	Priority Category:	N/A
Project Status:	Continuing	Contact Information:	Chen, Steve
Duration:	2015 - 2016		619-533-5762
Improv Type:	Replacement		schen@pd.sandiego.gov

Description: The Enterprise Radio/Phone Logger project is a joint project between the Police Department and the Fire-Rescue Department, and potentially other stakeholders within the City of San Diego. The Radio/Phone Logger records radio and phone traffic for Police and Fire, including 9-1-1 telephone calls.

Justification: The SDPD currently has an antiquated radio/phone logger system that has been in service for many years. The system has become unreliable; the new system will be industry standard, providing reliability. The new system will also include redundancy and back-up capabilities with the Fire-Rescue Department.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: This project began in late Fiscal Year 2015, with implementation in the first half of Fiscal Year 2016.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016.

Duration: 2015 - 2016	619-533-5762
Improv Type: Replacement	schen@pd.sandiego.gov

Description: The Police 911 Call Manager is the phone system used by the Police Department to receive 9-1-1 and non-emergency calls from the public.

Justification: The SDPD currently uses an older version of the VESTA/9-1-1 Call Manager system that is based on the unsupported Windows XP operating system. It is critical for security that this system be replaced with a system that is Windows 7 compatible.

Operating Budget Impact: Maintenance each year is projected to be approximately \$90,000, and will be funded through the Police Department operating budget.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: This project began in late Fiscal Year 2015 and is scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016.

Duration: 2011 - 2018	619-533-5259
Improv Type: New	cmeinhardt@sandiego.gov

Description: This project will replace existing engines and system components necessary to provide for system reliability. The Co-generation equipment will be removed and the existing chillers will be replaced with high efficiency screw chillers. In addition, the existing cooling towers will be rehabilitated to ensure the cooling loads required for the Police Headquarters are met.

Justification: This project will provide the facility with more reliable power during emergency operation events.

Operating Budget Impact: The equipment will be maintained by City staff. Natural gas and associated maintenance expenses are estimated not to exceed \$15,000, annually.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2014 and will be completed in Fiscal Year 2015. Construction is scheduled to be completed in Fiscal Year 2017.

Summary of Project Changes: No significant changes have been made to this project for Fiscal Year 2016.

Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project will provide for the repair, replacement, and maintenance of the existing police shooting range located on Federal Boulevard. The project includes the demolition of dilapidated bullet back stops, removal of lead contaminated soil berms, hauling of excess soil offsite, drainage improvements, installation of retaining walls, and the installation of new bullet recovery systems, in addition to other relevant needed improvements throughout the site.

Justification: This project will provide for the repair of the existing police shooting range.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City/City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Project planning began in Fiscal Year 2011 and was completed in Fiscal Year 2012. Design was completed in Fiscal Year 2014. Construction of first phase is scheduled to begin in Fiscal Year 2016 with the available funding. Construction of future phases will be scheduled pending identification of funding.

Summary of Project Changes: Unidentified funding increased by \$3.2 million due to a revised cost estimate for construction. A prior year decrease of \$1.2 million in Deferred Maintenance Revenue 2012A-Project Funds is reflected.

Public Safety Training Institute / S00816

Bldg - Pub Safety - Police Fac / Struct

Council District: 2	Priority Score: N/A
Community Plan: Peninsula	Priority Category: N/A
Project Status: Continuing	Contact Information: Abella-Shon, Michelle
Duration: 2003 - 2016	858-573-1362
Improv Type: Replacement	mshon@sandiego.gov

Description: In 2001, the City Council approved a Joint Powers Authority between the City of San Diego, County of San Diego, and San Diego Community College District for the development, financing, and administration of the Regional Public Safety Training Institute (RPSTI). The Naval Training Center Reuse Plan, approved by the Department of the Navy and City Council, set aside 24.7 acres for the purpose of a public safety training facility. The City's projected share of the total cost of the project will be funded jointly by the San Diego Fire-Rescue and Police Departments.

Justification: The expansion of the campus at Miramar College has required the relocation of law enforcement training.

Operating Budget Impact: The impact on the Police Department's operating budget cannot be determined at this time due to the unavailability of detailed project information. This project would impact the operating budget of the Police and Fire-Rescue Departments.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: The project description was preliminary and the scope of work was not established; only planning and other preliminary activities have been performed to-date.

Summary of Project Changes: This project is anticipated to be cancelled and will be closed by the end of the fiscal year. Design and construction of a public safety training institute may be revisited in a future project when funding is identified.

Page Intentionally Left Blank

Public Utilities

Page Intentionally Left Blank

Public Utilities

The Public Utilities Department provides water, wastewater, and recycled water services to approximately 1.3 million water customers and 2.5 million wastewater customers within the San Diego region. The Department's Capital Improvement Program (CIP) supports the infrastructure for reliable water supply and wastewater collection and treatment. The water system extends over 404 square miles with demands of approximately 172 million gallons per day (mgd). This system includes 49 water pump stations, 29 treated water storage facilities, three water treatment plants, and over 3,000 miles of pipelines. The Department also manages the recycled water system, which includes three pump stations and over 80 miles of purple pipe delivering an annual average of over 10 mgd for irrigation, manufacturing, and other non-potable uses. The wastewater system consists of the Municipal (Muni) System and Metropolitan (Metro) System. The Muni System consists of approximately 3,000 miles of pipelines and 77 sewer pump stations including East Mission Gorge Pump Station, Sewage Pump Station No. 64, Sewage Pump Station No. 65, and Penasquitos Pump Station, and is primarily used to collect and convey wastewater from residences and businesses in the City of San Diego. The Metro System consists of three wastewater treatment plants, one biosolids processing facility, four large pump stations, and two outfalls, and provides treatment and disposal services for the City and 12 other agencies and districts within a 450 square mile area stretching from Del Mar to the north, Alpine and Lakeside to the east, and San Ysidro to the south.

Funding for water and wastewater projects are provided by a variety of sources which can include bond financing, water and sewer rates, state revolving fund loans, and grants. Approximately 34 percent of all Metro Fund expenditures are funded by Participating Agencies. The CIP program includes water projects mandated in the Compliance Order from the California Department of Public Health (CDPH); these projects will meet the requirements of the federal Safe Drinking Water Act. The Environmental Protection Agency (EPA) Consent Decree projects for the wastewater system were completed in Fiscal Year 2014. The Department, however, will continue to provide for the needed replacement/rehabilitation of aging infrastructure in compliance with the Clean Water Act.

2015 CIP Accomplishments

The Public Utilities Department, in cooperation with the Public Works - Engineering & Capital Projects Department, oversees the design and construction of water, wastewater, and recycled water projects.

The Department is mandated by the Division of Drinking Water (DDW) Compliance Order to award 10 miles of cast iron water main replacement per fiscal year. By the end of Fiscal Year 2015, the Department is projecting to complete the replacement and rehabilitation of 45 miles of sewer pipelines. In addition, 30 miles of cast iron and asbestos cement water pipelines replacement will be awarded in numerous construction contracts. Fiscal Year 2015 projects highlights include: Construction was completed on the Harbor Drive Pipelines which included the replacement of approximately 4.4 miles of existing 16-inch cast iron water mains along Harbor Drive. This project will prevent water pipe breaks, improve service reliability, and ensure a continuous water supply to the Peninsula community planning area.

Construction was completed on Pipeline Rehabilitation U-1 which consisted of rehabilitating approximately 9.4 miles of 8-inch and 10-inch sewer pipes. This project also included rehabilitation of 18 manholes and replacement of nine manholes, along with installation of cleanouts and 15 point repairs to damaged sewer segments.

Construction began on the Backup Generators at Sewer Pump Stations, Treatment Plant & Environmental Monitoring Technical Services (EMTS) laboratory which includes the installation of seven

Public Utilities

generators to provide emergency backup power at the existing Sewer Pump Stations 1, 64, 65, Penasquitos, North City Water Reclamation Plant and EMTS laboratory.

Construction began on Otay 1st Pipeline University Heights which consists of the installation of approximately 5,100 linear feet of new 16-inch PVC pipe and the abandonment of approximately 6,860 linear feet of existing 30-inch water mains.

Construction continues on the Scripps Ranch Pump Station which includes the construction of a new water pump station located 0.25 miles west of the Miramar Water Treatment Plant. The new Scripps Ranch Pump Station will cover the water demands of the Scripps Miramar Ranch and Miramar Ranch North zones with a total pump station capacity of 17.2 million gallons per day.

Construction continues on the South Bay Water Reclamation Plant Demineralization project which includes the relocation of two trailer mounted Electrodialysis Reversal (EDR) units from North City to South Bay Plant. This project also includes the addition/modifications of civil, mechanical, electrical, chemical, and control system integration of these units to the South Bay Plant. The EDR units will enable the plant to control regulated levels of chloride and maintain the Total Dissolved Solids level below 1000 mg/L.

Construction continues on the Upas St. Pipeline Replacement Phase I project, which includes the replacement of 5.67 miles of cast iron water mains along Upas Street, Park Boulevard, and 5th Avenue as well as pressure regulating stations at West Upas Street and Brant Ave and at Upas Street and 7th Ave. Construction of Phase II is expected to begin in Summer 2015, which includes replacement of two pressure reducing stations, installation of new SCADA and electrical components, additional pipeline replacement and tee installations to accommodate Otay 1st & 2nd Pipeline, 30th Street Pipeline and Pacific Beach Pipeline, and 1,000 ft of 8-inch pipeline for Caltrans irrigation that was connected to an existing 30-inch transmission main.

In addition to the Capital Improvement Projects, the Department televised an additional 50 miles of sewer mains in Fiscal Year 2015. To date, over 1,885 miles of sewer mains have been assessed and more than 602 miles have been identified for replacement or rehabilitation.

2016 CIP Goals

The Public Utilities Department's goal is to provide safe drinking water to the 1.3 million residents of San Diego, and regional wastewater treatment and disposal services for 2.5 million wastewater customers in the San Diego region.

In order to improve its aging infrastructure the Public Utilities Department continues to replace and rehab about 45 sewer miles and 30-40 water miles per fiscal year. These capital needs are based on condition assessment results, future demand, policies, and regulatory requirements to continue providing reliable service to our customers.

Public Utilities has developed a robust condition assessment program to provide comprehensive assessment coverage for water and wastewater infrastructure including water transmission lines, reservoirs, and large diameter wastewater pipelines. In addition, the Department continues its ongoing condition assessment efforts including inspection of 40-60 miles of sewer mains per year.

Furthermore, the Department is launching proven innovative water purification technology known as Pure Water San Diego. Pure Water San Diego is a 20 year cost effective, integrated water and

Public Utilities

wastewater capital improvement program to provide a safe, secure, and sustainable local water supply by turning recycled water into drinkable water through the use of water purification technology. It will also eliminate the need for nearly \$2.00 billion of upgrades to the Point Loma Wastewater Treatment Plant and associated facilities.

Fiscal Year 2016 goals for Pure Water San Diego include: completing the consultant selection process for the design of pipeline and pump facilities to convey purified water from North City to the San Vicente Reservoir; initiating prequalification testing for water purification equipment; and completing grant-funded research of treatment and monitoring strategies that could support conveying purified water directly to a water treatment plant rather than the full distance to the San Vicente Reservoir.

30th Street Pipeline Replacement / S12010

Council District: 3, 8
Community Plan: Greater North Park, Greater Golden Hill, Southeastern San Diego
Project Status: Continuing
Duration: 2014 - 2020
Improv Type: Replacement

Water - Distribution Sys - Transmission

Priority Score: 93
Priority Category: Medium
Contact Information: Bose, Sheila
 619-533-4698
 sbose@sandiego.gov

Description: This project will replace approximately 5.45 miles of existing cast iron (CI) mains from Polk Avenue to Commercial Street. Also, it will update the transmission and distribution system in the University Heights (390 Zone) to meet its current and future needs.

Justification: Because the pipeline has been paralleled by the newer 28th Street Pipeline south of Thorn Street and no longer serves as an important transmission route to University Heights (390 Zone), this project will replace the cast iron pipe, provide supply reliability to the south end of the 390 Zone, and improve water quality.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Greater North Park, Greater Golden Hill and Southeastern San Diego Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015 and is scheduled to be completed in Fiscal Year 2017. Construction is scheduled to begin in Fiscal Year 2017 and be completed in Fiscal Year 2020.

Summary of Project Changes: In Fiscal Year 2015 Council approved the deappropriation of \$200,000 (R-309778), this funding will be reprogrammed in future years.

Project Status:	Continuing	Contact Information:	Azar, Hossein
Duration:	2013 - 2020		619-533-4102
Improv Type:	Expansion		hazar@sandiego.gov

Description: This project will construct a new pump station at the corner of 69th Street and Mohawk Street. The new pump station will feed the 645 Redwood Village Zone. Suction to the pump station will come from the Mid-City Pipeline Phase II.

Justification: This project will replace the existing Montezuma Pump Station for Redwood Village which is reaching the end of its lifecycle.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with College Area and Mid City: Eastern Area Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015 and will be completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2017 and be completed in Fiscal Year 2019.

Summary of Project Changes: In Fiscal Year 2015 Council approved the deappropriation of \$2.0 million (R-309778), this funding will be reprogrammed in future years.

Alvarado 2nd Extension Pipeline / S12013

Council District:	2, 7	Priority Score:	92
Community Plan:	Mission Valley, Linda Vista, Mission Bay Park	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Rubalcava, Eric
Duration:	2016 - 2022		858-654-4284
Improv Type:	Expansion		erubalcava@sandiego.gov

Description: The Alvarado 2nd Extension Pipeline Project is proposing to build a new 48-inch and a 30-inch main extending the existing Alvarado 2nd PL westerly connecting to the new 20-inch Pacific Beach Pipeline along West Mission Bay Dr (approx. 6.23 miles). A 536 to 390 HGL Pressure Reducing Station (PRS) will be built along the new 30-inch pipeline at the Friars Rd and Sea World Dr intersection. An existing 12-inch AC pipe (approx. 1,470 LF/ .28 mile) just northwest of the West Mission Bay Dr Bridge within the Pacific Beach 307 Zone will be relocated along Sea World Dr (approx. 2,241 LF/ .43 mile), connecting to the new 20-inch Pacific Beach Pipeline along West Mission Bay Dr. Total length of this project is approximately 6.66 miles.

Justification: This project was driven by the need to provide redundant transmission to the coastal zones of La Jolla and Pacific Beach for supply reliability. The proposed Alvarado 2nd Extension Pipeline will be the main feed to Pacific Beach Zones. With the new pipeline feeding from the Alvarado WTP, the San Diego County Water Authority (CWA) treated water intake at San Diego Connection #11 which currently feed those zones will greatly reduce. This will also provide supply flexibility between the Alvarado and Miramar WTP Service Areas.

Water - Distribution Sys - Transmission

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley, Linda Vista, and Mission Bay Park Community Plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2016 and will be completed in Fiscal Year 2018. Construction is scheduled to begin in Fiscal Year 2019 and be completed in Fiscal Year 2021.

Summary of Project Changes: The following items were deleted from the original scope and will be part of the new project called Morena Pipeline Project: 1) The proposed 36-inch (approx. 3.46 miles) Morena PL; 2) The existing Morena PL (approx. 3.74 miles) will be replaced with a new 16-inch pipeline. The new Total Project Cost for the Alvarado 2nd Extension PL Project is \$40.8 Million from the original cost of \$66.5 Million.

Alvarado Trunk Sewer Phase IV / S15019

Council District: 7, 9
Community Plan: Navajo, College Area
Project Status: Continuing
Duration: 2015 - 2022
Improv Type: Replacement

Wastewater - Collection Sys - Trunk Swr

Priority Score: 92
Priority Category: High
Contact Information: Gamboa, Wendy
 619-235-1971
 wgamboa@sandiego.gov

Description: This project will replace and upsize 3.13 miles of the Alvarado Trunk Sewer to provide additional capacity.

Justification: This trunk sewer will be upgraded with a larger pipe to accommodate future flow capacity.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Navajo and College Area Community Plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2016. Construction is anticipated to begin in Fiscal Year 2018 and be complete in Fiscal Year 2022.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016 and was established by Council Resolution R-309261 on October 14, 2014 with an initial budget of \$200,000.

Backup Generators at SPS's, TP & EMTS / S12036

Council District: 1, 5, 8	Priority Score: N/A
Community Plan: University, Miramar Ranch North, Barrio Logan, Torrey Pines	Priority Category: N/A
Project Status: Continuing	Contact Information: Dadachanji, Chisti
Duration: 2012 - 2016	858-654-4493
Improv Type: New	pdadachanji@sandiego.gov

Description: This project will purchase seven generators and provide a design-build contract to install the generators and associated equipment for permanent power connection to existing sewer Pump Stations 1, 64, 65, Penasquitos, North City Reclamation Plant, and Environmental Monitoring Technical Services laboratory. Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: This project is necessary to prevent environmental damage from sewer spills and prevention of permit violation issues when regional electrical black-outs occur.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the University, Miramar Ranch North, Barrio Logan, and Torrey Pines Community Plans and is in conformance with the City's General Plan.

Schedule: Engine procurement began in late Fiscal Year 2012 and was completed in Fiscal Year 2014. Design-build contract began in Fiscal Year 2013 and is scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Public Utilities

Balboa Terrace Trunk Sewer / S12035

Wastewater - Collection Sys - Trunk Swr

Council District: 2	Priority Score: N/A
Community Plan: Clairemont Mesa	Priority Category: N/A
Project Status: Warranty	Contact Information: Gamboa, Wendy
Duration: 1999 - 2016	619-235-1971
Improv Type: Replacement	wgamboa@sandiego.gov

Description: This project includes the installation of approximately 4,992 feet of 8-inch, 15-inch, 20-inch, and 21-inch sewer pipe via tunneling and open trench construction and other related work.

Justification: This project will upgrade the existing trunk sewer with a larger pipe to accommodate additional flow in the future.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2012. Construction began in Fiscal Year 2013 and was completed in Fiscal Year 2015.

Summary of Project Changes: This project is complete and anticipated to be closed in Fiscal Year 2016.

Public Utilities

Barrett Flume Cover / S10013

Bldg - Water - Reservoirs/Dams

Council District: Non-city	Priority Score: 83
Community Plan: Non City	Priority Category: High
Project Status: Continuing	Contact Information: Rubalcava, Eric
Duration: 2010 - 2016	858-654-4284
Improv Type: Replacement	erubalcava@sanidiego.gov

Description: This project will assess the 10 to 12 miles of open channel delivering water from the Barrett Reservoir to the Lower Otay Reservoir. Based on the assessment, the flume may be replaced.

Justification: Each year golden eagles, deer, and other wildlife drown in the open channel sections of the Barrett Flume. There is also an excessive maintenance burden to keep soil and sediment out. Additionally, there is a slight algae build up due to sunlight. Covering the open flume sections is necessary to prevent fines and sanctions from the resource agencies, to maintain water quality, and to reduce maintenance and down time.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Pre-design began in Fiscal Year 2013 and completed in Fiscal Year 2014. The project has been canceled.

Summary of Project Changes: This project has been canceled and will be closed in Fiscal Year 2016.

Bayview Reservoir Solar Project / S14021

Council District: 1
Community Plan: La Jolla
Project Status: Continuing
Duration: 2015 - 2018
Improv Type: New

Bldg - Other City Facility / Structures

Priority Score: 90
Priority Category: High
Contact Information: Azar, Hossein
 619-533-4102
 hazar@sandiego.gov

Description: This project includes the design, installation, and interconnection of a 500 kilowatts (kw) solar photovoltaic system on the deck of the Bayview Reservoir.

Justification: Project complies with the City's Solar Implementation Plan and will provide enough solar electricity to supply approximately 75-80% of the facility pump stations electricity when averaged over the year.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: The project will be designed and constructed under the City's as-needed solar design/build contract. This design/build contract is scheduled to be awarded in Fiscal Year 2016 and be completed in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Catalina 12inch Cast Iron Mains / S12008

Council District: 2	Priority Score: 98
Community Plan: Peninsula	Priority Category: High
Project Status: Continuing	Contact Information: Ninh, Michael
Duration: 2014 - 2019	619-533-7443
Improv Type: Replacement	mninh@sanidiego.gov

Description: This project will replace and install approximately 16,000 linear feet of existing cast iron (CI) pipeline (size varies) with PVC pipeline and cement mortar lined and coated steel pipeline (CMLCS) on Catalina Blvd. The scope of work includes but is not limited to replacing the Catalina Pump Station 16-inch CI discharge pipeline with a 16-inch CMLCS pipeline; installing a 24-inch CMLCS from the proposed 16-inch CMLCS pump station discharge pipeline to the proposed Catalina Standpipe inlet; installing a 16-inch PVC from Catalina Standpipe to DuPont Street; installing a 24-inch CMLCS pipeline from Catalina Standpipe to Garden Lane.

Justification: This project will replace cast iron pipe, provide supply reliability to the Catalina Pump Station service area, and improve water quality.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2014 and will be completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2016 and be completed in Fiscal Year 2019.

Summary of Project Changes: The total project cost increased by \$3.5 million due to revised requirements.

Bldg - Operations Facility / Structures

Council District: 9	Priority Score: 65
Community Plan: Eastern Area (Mid-City)	Priority Category: Low
Project Status: Continuing	Contact Information: Azar, Hossein
Duration: 2011 - 2020	619-533-4102
Improv Type: Replacement	hazar@sandiego.gov

Description: This project will construct two new buildings: one two-story building for administration staff and a one-story maintenance shop.

Justification: This project will allow for Water Operations Division to consolidate their staff in one central facility. The existing facility is not adequate for current needs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid City: Eastern Area Community Plan and is in conformance with the City's General Plan.

Schedule: Design/Build is scheduled to begin in Fiscal Year 2016 and is scheduled to be completed in Fiscal Year 2019.

Summary of Project Changes: The total project cost increased by \$4.8 million due to revised requirements. Additionally, in Fiscal Year 2015 Council approved the deappropriation of \$200,000 (R-309778), this funding will be reprogrammed in future years.

Public Utilities

Cielo & Woodman Pump Station / S12012

Council District: 4
Community Plan: Southeastern (Encanto Neighborhoods)
Project Status: Continuing
Duration: 2014 - 2020
Improv Type: Expansion

Bldg - Water - Pump Stations

Priority Score: 90
Priority Category: High
Contact Information: Azar, Hossein
 619-533-4102
 hazar@sandiego.gov

Description: This project provides for the replacement of the Cielo and Woodman Pump Station (PS) with a new PS with a total capacity of 15.84 million gallons per day (mgd) to improve efficiency and reliability. The Cielo and Woodman Pump Station works in conjunction with the Paradise Mesa Standpipe and three pressure regulating stations which are fed by San Diego County Water Authority connection SD#19. This project will be closely coordinated with the Otay 2nd Pipeline Phase 1 project.

Justification: This project will replace a deteriorating pump station facility and cast iron mains that lead to the station. According to year 2030 demands, the Otay Water Treatment Plant (WTP) will not be able to supply enough suction head to the pump station. Thus, the pump station would need to be supplied from the Alvarado Water Treatment Plant (WTP).

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Southeastern (Encanto Neighborhoods) Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015 and will be completed in Fiscal Year 2017. Construction is scheduled to begin in Fiscal Year 2017 and be completed in Fiscal Year 2019.

Summary of Project Changes: The total project cost decreased by \$7.4 million as the Otay 2nd Pipeline Phase 1 portion of the project became its own project under the Large Diameter Water Transmission PPL annual allocation (AKA00003).

Corrosion Control / AKA00001

Water - Distribution Sys - Transmission

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Amen, Rania
Duration: 2010 - 2020	858-654-4112
Improv Type: Replacement	ramen@sandiego.gov

Description: This annual allocation provides for renovating or replacing deteriorating corrosion control and monitoring systems throughout the City.

Justification: Deteriorating corrosion control and monitoring systems are in need of rehabilitation. This annual allocation provides for an ongoing program to rehabilitate over 600 existing corrosion protection stations.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Dams and Reservoirs / ABK00001

Bldg - Water - Reservoirs/Dams

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Amen, Rania
Duration: 2010 - 2021	858-654-4112
Improv Type: Replacement	ramen@sandiego.gov

Description: This annual allocation provides for rehabilitating and reconstructing improvement projects at reservoirs and dams. Projects include resurfacing access roads, reconstructing berms, installing lighting around dams, and sandblasting and shotcreting all exposed surfaces of the dams.

Justification: The rehabilitation and reconstruction of access roads and the upgrading of berms, lighting, and all exposed surfaces of the dams are necessary to maintain access to and safety in the dam area. The State required improvements will also serve to satisfy a portion of the Division of Safety of Dams.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in compliance consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The annual project cost for Fiscal Year 2016 increased by \$3.0 million due to revised requirements. Additionally, in Fiscal Year 2015 Council approved the deappropriation of \$400,000 (R-309778).

Del Mar Heights East Segment / S12017

Water - Distribution Sys - Transmission

Council District: 1	Priority Score: 83
Community Plan: Del Mar Mesa	Priority Category: Low
Project Status: Continuing	Contact Information: Rubalcava, Eric
Duration: 2012 - 2016	858-654-4284
Improv Type: Expansion	erubalcava@sandiego.gov

Description: This project provides for the installation of 2,800 feet of 36-inch pipe segments and 3,668 feet of parallel pipeline between Mona Lane and Lopiella Meadows Place for redundancy.

Justification: This pipeline was built in 1961 and has experienced leaks. It is in poor condition and has no corrosion protection. The original pipe was a 30-inch Steel Cylinder Rod Wrapped (SCRW) pipeline. This size is too small to meet projected demand increases in the area.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: This project has been canceled.

Summary of Project Changes: This project has been canceled and will be closed in Fiscal year 2016.

Del Mar Heights Pipeline Relocation / S00070

Council District: 1	Priority Score: N/A
Community Plan: Del Mar Mesa	Priority Category: N/A
Project Status: Continuing	Contact Information: Wilson, Leonard
Duration: 2005 - 2019	619-446-5421
Improv Type: Expansion	llwilson@sandiego.gov

Description: This project will provide for the relocation and upsizing of an existing 36-inch pipeline in the ultimate right-of-way for Carmel Valley Road. The existing Del Mar Heights Pipeline will no longer follow the alignment of Carmel Valley Road, once Carmel Valley Road is improved to four lanes.

Justification: Future maintenance of this facility is enhanced when it is in an accessible and convenient location such as a public street right-of-way. This project will relocate the pipeline so that it can be easily maintained, repaired, and serviced in the future.

Operating Budget Impact: None.

Water - Distribution Sys - Distribution

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2012. Phase 1 construction (Del Mar Heights Road from the West Community Plan boundary to Carmel Valley Road and includes the bridge by-pass) began in Fiscal Year 2013 and is scheduled to be completed in Fiscal Year 2016. Phase 2 (Carmel Valley Road to Mona Lane) is contingent upon Public Facilities Financing Program approval.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

EAM ERP Implementation / \$14000

Council District: Citywide
Community Plan: Citywide
Project Status: Continuing
Duration: 2013 - 2019
Improv Type: Replacement

Bldg - Other City Facility / Structures

Priority Score: N/A
Priority Category: N/A
Contact Information: Noel, Erin
 619-533-3640
 enoel@sandiego.gov

Description: Asset Management is a comprehensive and continuous best business practice to effectively and sustainably manage assets at a desired level of service for the lowest life cycle cost. In order to accomplish Asset Management, a software tool or Enterprise Asset Management (EAM) system is critical. An EAM system will help staff to use information on assets, such as condition, to assess and measure the lifecycle costs of the City's assets; evaluate the pros and cons of infrastructure projects; and develop optimal maintenance and capital investment strategies.

Justification: A comprehensive EAM system is required to appropriately and effectively manage the large number of assets and complex asset infrastructure for the City of San Diego. The SAP EAM project is critical for replacing existing disparate, obsolete and ineffective maintenance management systems for several City departments, including Public Utilities, Transportation & Storm Water, Environmental Services Department, Department of Information Technology (DoIT), and Public Works. Additionally, this EAM solution will serve as the foundation for other departments to implement an EAM system in the future.

Operating Budget Impact: An additional 5.00 FTEs will be required in DoIT beginning in Fiscal Year 2016 to develop and provide ongoing support for the system. In addition, the project team is currently developing a business case to determine the return on investment and assess current versus future ongoing software maintenance costs. If additional costs are identified, the operating budget impact will be updated as appropriate.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: The project began in Fiscal Year 2015 and is anticipated to be completed in Fiscal Year 2017. Upon project completion, the EAM system will be transferred to DoIT, which will manage and support the system.

Summary of Project Changes: The total project cost increased by approximately \$6.0 million due to other City Departments participating in this project. Additionally, in Fiscal Year 2015, Council approved the deappropriation of \$3.0 million (R-309778).

EMTS Boat Dock and Steam Line Relocation / S00319

Bldg - MWWD - Laboratories

Council District: 2	Priority Score: 81
Community Plan: Peninsula	Priority Category: Medium
Project Status: Continuing	Contact Information: Elling, Michael
Duration: 2012 - 2017	858-292-6477
Improv Type: New	melling@sandiego.gov

Description: The Environmental Monitoring and Technical Services (EMTS) Laboratory Boat Dock and Steam Line Project provides for the design and construction of a boat dock located in the channel adjacent to the EMTS laboratory, as well as the installation of an esplanade and undergrounding of approximately 600 feet of an above-ground steam line situated along the frontage of the boat channel. Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: As part of a Public Benefit Conveyance (PBC) from the federal government, MWWD designed and constructed a 40,000 square foot ocean monitoring laboratory which is now in operation. The design of this project included a boat dock to service the laboratory. Permits obtained as part of the construction required Metro to fund a portion of a future park esplanade located adjacent to the laboratory frontage. To gain future unobstructed access to the boat dock, and to provide unobstructed access to the future esplanade, the existing steam line must be undergrounded. Public Utilities currently leases boat dock space at Driscoll's Wharf and this project would eliminate this ongoing expense.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: The dock was partially designed in Fiscal Year 2001, but was postponed due to ongoing issues related to the contamination and conveyance of the boat channel. The design is scheduled to begin and be completed in Fiscal Year 2015, with construction scheduled to begin in Fiscal Year 2016 and be completed in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

East Mission Gorge Force Main Rehab / S00326

Wastewater - Collection Sys - Trunk Swr

Council District: 7	Priority Score: 90
Community Plan: Navajo	Priority Category: Medium
Project Status: Continuing	Contact Information: Phung, Tung
Duration: 2004 - 2016	858-292-6425
Improv Type: Replacement	tphung@sandiego.gov

Description: This project provides for the rehabilitation of the East Mission Gorge force main due to deterioration of the pipeline concrete lining from sulfuric acid build-up.

Justification: This project provides for the rehabilitation of the force main in order to prevent breakage of the force main and prevent potential sewage spills.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Schedule: This project is canceled.

Summary of Project Changes: This project has been canceled and will be closed in Fiscal Year 2016.

Description: This project will perform a condition assessment on the existing 63,900 foot long 48-inch to 72-inch diameter pipeline between the Lakeside Pump Station and the Alvarado Water Treatment Plant.

Justification: This project is necessary to ensure that future water demands are met in the Alvarado service area.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Navajo Community Plan and is in conformance with the City's General Plan.

Schedule: Condition assessment began in Fiscal Year 2014 and is scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: The total project cost increased by \$100,000 due to revised requirements.

Description: This annual allocation provides funding to relocate water lines in conflict with the State Department of Transportation highway construction zones.

Justification: Waterline relocation is required by the State Department of Transportation's effort to expand the State Highway System. Relocation projects are accomplished in conjunction with highway projects scheduled by the State Department of Transportation.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis per Caltrans requests.

Summary of Project Changes: The annual project cost for Fiscal Years 2016 through 2019 decreased by \$100,000 due to revised requirements. Additionally, in Fiscal Year 2015 Council approved the deappropriation of \$1.0 million (R-309778).

Groundwater Asset Development Program / ABM00001

Bldg - Water - Wells

Council District:	Citywide	Priority Score:	Annual
Community Plan:	Citywide	Priority Category:	Annual
Project Status:	Continuing	Contact Information:	Adrian, George
Duration:	2010 - 2021		619-533-4680
Improv Type:	Replacement		gadrian@sandiego.gov

Description: This annual allocation provides for investigation work related to legal, technical, regulatory, and water quality issues; and for the planning, design, and construction of groundwater facilities to increase the local water supply.

Justification: The City imports 90 percent of its water from the Colorado River and the State Water Project. The City has access to several under-utilized groundwater assets that could be developed to supply new yield, seasonal storage, or carryover storage.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in compliance with applicable community plans and is in conformance with the City's General Plan.

Schedule: Research, exploration, and demonstration began in Fiscal Year 2001 and continued through Fiscal Year 2014. Design and construction of sub-projects identified in the research/exploration/demonstration phase began in Fiscal Year 2012 and will continue through Fiscal Year 2021 and beyond.

Summary of Project Changes: The annual project cost for Fiscal Year 2016 decreased by \$194,265 due to revised requirements. Additionally, in Fiscal Year 2015 Council approved the deappropriation of \$450,000 (R-309778).

 hazar@sandiego.gov

Description: This project replaces 4.4 miles of 16-inch cast iron water pipeline from the Harbor Drive Bridge to the Point Loma Reservoir.

Justification: These improvements are necessary to prevent water pipe breaks and to ensure a continuous water supply to the Peninsula community planning area.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Ocean Beach, Old San Diego, and Peninsula Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2012. Construction began in Fiscal Year 2012 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: Total project cost increased by \$465,000 due to revised requirements. In Fiscal Year 2015, Council approved the addition of \$465,000 (R-309588).

Description: This Annual Allocation provides for replacement and upgrades of the existing Supervisory Control and Data Acquisition (SCADA) equipment for the water distribution system.

Justification: The existing control system is outdated and exceeded its life cycle. This replacement will improve and enhance the control system capabilities as well as update the system to the current technology.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in compliance with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: This is a newly published annual allocation for Fiscal Year 2016.

Public Utilities

La Jolla Scenic Drive 16inch Main / S12009

Water - Distribution Sys - Transmission

Council District:	1	Priority Score:	82
Community Plan:	La Jolla	Priority Category:	Low
Project Status:	Continuing	Contact Information:	Ninh, Michael
Duration:	2015 - 2019		619-533-7443
Improv Type:	Expansion		mninh@sandiego.gov

Description: This project provides for replacement of 6-inch, 8-inch, and 12-inch pipelines with 15,635 linear feet of 16-inch pipe from the Soledad Reservoir that travels south along La Jolla Scenic Drive South; continues onto La Jolla Rancho Road, La Jolla Mesa Drive, Muirlands Drive, and El Camino Del Teatro; rejoins Muirlands Drive and Nautilus Street; and terminates at Fairway Road and the Muirlands Pump Station (PS). It will connect the Muirlands PS to the south Soledad Muirlands (725 Zone) to provide backup supply to the 725 Zone, and to solve fire flow deficiency and maintain peak pressures.

Justification: The current distribution grid has insufficient capacity to meet fire flow requirements, and is a bottleneck that leads to two isolated portions of the 725 Zone. If either of the pump/reservoir tandems that feed the zone go out of service, feed from the other tandem could not effectively be moved across the zone.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2015 and be completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2016 and will be completed in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

 hazar@sandiego.gov

Description: This project will provide for the construction of a new 3.11 MG prestressed concrete reservoir. Also, it will install 2,800 feet of 30-inch pipeline, and demolish the old La Jolla View Reservoir and the La Jolla Exchange Place Reservoir.

Justification: This project will replace the existing La Jolla View Reservoir which will improve water quality, set new reservoir to appropriate HGL, and improve fire flow capacity in the 610 Zone.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in compliance with the City's General Plan.

Schedule: Design began in Fiscal Year 2013 and is scheduled to be completed in Fiscal Year 2018. Construction is scheduled to begin in Fiscal Year 2019 and be completed in Fiscal Year 2020.

Summary of Project Changes: This project was converted from a sublet of the Standpipe & Reservoir Rehabilitations Annual Allocation to a stand alone project in Fiscal Year 2015 by Council action (R-309587) and is a newly published project for Fiscal Year 2016.

Community Plan: Midway - Pacific Highway
Project Status: Continuing
Duration: 2010 - 2016
Improv Type: Replacement

Water - Distribution Sys - Transmission

Priority Score: 97
Priority Category: High
Contact Information: Azar, Hossein
 619-533-4102
 hazar@sandiego.gov

Description: This project replaces 1.34 miles of pipeline and relocates the 16-inch cast iron transmission main from adjacent to the departure taxiway at Lindbergh Field to the public street which is more accessible for operation and maintenance.

Justification: In case of a pipe failure requiring Water Operations to perform emergency repair, the pipeline must be relocated to a location outside the secured Airport property that is more accessible for operation and maintenance. The 12-inch and 16-inch cast iron pipe was installed in the 1940s.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Midway-Pacific Highway Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010. Construction began in Fiscal Year 2013 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: Total project cost has decreased by \$120,000. Additionally, in Fiscal Year 2015, Council approved the reduction of \$120,000 (R-309588).

Little McGonigle Ranch Road Pipeline / S00069

Water - Distribution Sys - Transmission

Council District:	1	Priority Score:	70
Community Plan:	Del Mar Mesa, Pacific Highlands Ranch	Priority Category:	Low
Project Status:	Continuing	Contact Information:	Wilson, Leonard
Duration:	2004 - 2021		619-446-5421
Improv Type:	Expansion		llwilson@sandiego.gov

Description: This project provides for the construction of approximately 15,800 linear feet of 30-inch diameter water transmission pipeline in Carmel Mountain Road and Little McGonigle Ranch Road within the Del Mar Mesa and Pacific Highlands Ranch communities to provide capacity for both Del Mar Mesa and Pacific Highlands Ranch. Project was divided in 5 Phases, Phase 1 (Carmel Valley Road within SR-56/Carmel Valley Road Interchange within Right-of-Way), Phase 2 (Carmel Valley Road from SR-56/Carmel Valley Road Interchange to Del Mar Heights Road), Phase 3 (Little McGonigle Ranch Road from interchange to Del Mar Mesa Road), Phase 4 (Little McGonigle Ranch Road from Del Mar Mesa Road to Devino Court) and Phase 5 (Carmel Mountain Road from Devino Court to Del Mar Mesa Community Boundary).

Justification: The pipeline is required to provide capacity in the water system to adequately supply the demand resulting from the build-out of the Del Mar Mesa and Pacific Highlands Ranch communities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa and Pacific Highlands Ranch Community Plans and is in conformance with the City's General Plan.

Schedule: Phase 1 is complete. The design of Phase 3 is not scheduled at this time. The design of Phase 4 is complete. Construction of Phases 2 and 5 are scheduled to be completed in Fiscal Year 2017, but is dependent upon the construction of the Shaw Lorenz Community.

Summary of Project Changes: Total project cost increased by \$4.5 million due to revised requirements. In Fiscal Year 2015, this project received \$97,968 in Pacific Highlands Ranch Facilities Benefit Assessment funding and is anticipated to receive an additional \$1.8 million per the Public Facilities Financing Plan in Fiscal Year 2016.

Project Status: Continuing	Contact Information: Azar, Hossein
Duration: 2001 - 2017	619-533-4102
Improv Type: Betterment	hazar@sandiego.gov

Description: This project provides for the installation of two sluice gates on the auxiliary spillway to improve drawdown capacity.

Justification: The State Department of Safety of Dams requires an emergency draw-down capability of 10 percent of reservoir capacity in 10 days. Lower Otay Reservoir (backed up by Savage Dam) requires 56 days for 10 percent drawdown in order to prevent a risk of dam failure.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001 and will be completed in Fiscal Year 2016. Construction will begin in Fiscal Year 2016 and is anticipated to be completed in Fiscal Year 2017.

Summary of Project Changes: The total project cost increased by \$300,000 due to revised requirements.

MBC Biosolids Storage Silos / S00322

Bldg - MWWD - Treatment Plants

Council District: 6	Priority Score: 74
Community Plan: Non City	Priority Category: Medium
Project Status: Continuing	Contact Information: Asgharzadeh, Iraj
Duration: 2007 - 2016	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project provides for two additional biosolid storage silos (numbers 9 and 10). Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: When a silo is out of service, silo storage capacity is frequently exceeded. In order to accommodate such events and to restore adequate silo capacity, it is essential to build two more storage silos.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property (Miramar) and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and was completed in Fiscal Year 2013. Construction began in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made for this project for Fiscal Year 2016.

MBC Dewatering Centrifuges Replacement / S00339

Bldg - MWWD - Treatment Plants

Council District: 6	Priority Score: 83
Community Plan: Non City	Priority Category: High
Project Status: Continuing	Contact Information: Asgharzadeh, Iraj
Duration: 2009 - 2017	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project provides for the replacement of six of the eight existing dewatering centrifuges with six larger capacity units to better handle biosolids flows during maintenance of the centrifuges and its associated equipment and to handle larger future biosolids flows. The existing units are also near the end of their useful life. Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: This project will increase the production capacity of the dewatering centrifuges to accommodate plant shutdowns for maintenance and construction, to accommodate future flows, and to address diverse types of constraining operational factors that limit current capacity. To achieve the required capacity, the existing dewatering centrifuge units must be replaced with larger units.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: The schedule is based on a design/build type of contract. Design began in Fiscal Year 2014 and the installation of the six centrifuges will be completed by Fiscal Year 2017.

Summary of Project Changes: The total project cost for Fiscal Year 2016 increased by \$679,889 due to revised requirements. In Fiscal year 2015, Council authorized the transfer of \$679,889 from L10000, Metro Facilities Control System Upgrade, to this project. (R-309529)

MBC Odor Control Facility Upgrades / S00323

Bldg - MWWD - Treatment Plants

Council District: 6	Priority Score: 83
Community Plan: Non City	Priority Category: High
Project Status: Continuing	Contact Information: Asgharzadeh, Iraj
Duration: 2007 - 2018	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project provides for upgrading the odor control system fans and ducting to reduce system headlosses and improve overall foul air collection efficiency at the various process areas. Access platforms will also be installed at monitoring instruments locations. Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: Several areas at the Metro Biosolids Center (MBC) have been identified to cause significant odor problems due to foul air collection deficiencies because of insufficient fan capacity and high headlosses, including poorly located foul air collection registers. Installing access platforms at the monitoring instruments and air volume control dampers will provide safe and timely access for operation and maintenance needs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is located on federal property (Miramar) and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2012 and is scheduled to be completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2015 and will be completed in Fiscal Year 2018.

Summary of Project Changes: The total project increased by \$415,612 due to revised requirements.

MOC Complex Solar Project / S14022

Council District: 6	Priority Score: 90
Community Plan: Kearny Mesa	Priority Category: High
Project Status: Continuing	Contact Information: Azar, Hossein
Duration: 2015 - 2018	619-533-4102
Improv Type: New	hazar@sandiego.gov

Description: This project includes the design, installation, and interconnection of 500 kilowatts (kw) worth of solar photovoltaics at various locations throughout the MOC Complex in Kearny Mesa.

Justification: Project complies with the City's Solar Implementation Plan and will provide solar electricity to offset energy used at the MOC Complex buildings when averaged over the year.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: The project will be designed and constructed under the City's as-needed solar design/build contract. This Design/Build contract is scheduled to be awarded in Fiscal Year 2016 and be completed in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Metro Facilities Control Systems Upgrade / L10000

Bldg - MWWD - Treatment Plants

Council District:	1, 2	Priority Score:	72
Community Plan:	University, Peninsula	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Azar, Hossein
Duration:	2010 - 2016		619-533-4102
Improv Type:	Replacement		hazar@sandiego.gov

Description: This project provides for replacement and upgrade of existing control systems at various Metropolitan Wastewater treatment and pump station facilities. These include Metro Biosolids Center (MBC), North City Water Reclamation Plant (NCWRP), and Point Loma Water Treatment Plant (PLWTP). Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: This project is needed to provide replacement of existing control systems at various facilities. The existing control systems are microprocessor/computer-based. The life cycle of these systems is seven to 10 years. Replacement will also provide an upgrade in technology. The change in technology will provide the facilities with greater control system capabilities and are essential for future facility expansion.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University and Peninsula Community Plans, and is in conformance with the City's General Plan.

Schedule: Design and construction began in Fiscal Year 2010 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: This project is anticipated to be closed in Fiscal Year 2016.

Project Status:	Continuing	Contact Information:	Amen, Rania
Duration:	2010 - 2021		858-654-4112
Improv Type:	Replacement		ramen@sandiego.gov

Description: This annual allocation provides for replacement or improvements of facilities at Metro Treatment Plants: Point Loma Wastewater Treatment Plant (PLWTP), North City Water Reclamation Plant (NCWRP), South Bay Water Reclamation Plant (SBWRP), and Metro Biosolids Center (MBC). Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: Various facilities require replacement due to increasing wastewater flows and to be compliant with current regulatory requirements. This annual allocation will be considered an enhancement to the facility and does not include operation and maintenance.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula, Tijuana River Valley, and University community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The annual project cost for Fiscal Year 2016 decreased by \$314,117 due to revised requirements. In Fiscal Year 2016, \$500,055 is anticipated to be transferred from this project to Point Loma Grit Processing Improvements (S00315) via Council Resolution.

Description: This annual allocation provides for comprehensive upgrades, design modifications, and renovations or replacement of equipment such as pumps, valves, tanks, controls, odor control systems, etc. at Metropolitan System Pump Stations 1, 2, Otay River and Grove Avenue. Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: These improvements will allow pump stations to run more efficiently and increase the reliability of the Metropolitan Wastewater System.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The annual project cost for Fiscal Year 2016 decreased by \$997,827 due to revised requirements.

Miramar Clearwell Improvements / S11024

Bldg - Water - Standpipes

Council District: 5	Priority Score: 100
Community Plan: Scripps Miramar Ranch	Priority Category: High
Project Status: Continuing	Contact Information: Asgharzadeh, Iraj
Duration: 2011 - 2021	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project will construct two new clearwells, associated piping, and facilities for a total storage capacity of 58.3 million gallons (MG), demolish Clearwells Nos. 1 and 2, and associated piping and facilities, construct a new Chlorine Contact Chamber with an adjoining lift station for the maximum plant capacity of 215 million gallons per day (mgd), construct a new Maintenance Building, new guard shack, and install one Megawatt (MW) Photo Voltaic System on the roof of Clearwell No. 2.

Justification: The existing clearwells were determined to have significant structural issues. The lift station will improve filter performance and increase hydraulic grade line to 712 feet.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Scripps Miramar Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2013 and is scheduled to be completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2016 and to be completed in Fiscal Year 2020.

Summary of Project Changes: The total project cost increased by \$26.9 million due to revised requirements.

Project Status:	Continuing	Contact Information:	Asgharzadeh, Iraj
Duration:	2011 - 2020		619-533-5105
Improv Type:	Expansion		iasgharzadeh@sandiego.gov

Description: This project will construct a new 66-inch pipeline from the Alvarado Water Treatment Plant Clearwells to the existing 48-inch Mid-City Pipeline, which crosses Highway 8. Approximate pipeline length is 6,505 linear feet.

Justification: This project will give complete redundancy to the Trojan Pipeline and will add transmission capacity to all of San Diego, south of Highway 8. The project will provide a back-up supply for the aging 54-inch Trojan Pipeline that currently supplies the Mid-City Pipeline west of the 63rd Street inter-tie, a second supply line to the largest region of the Alvarado Water Treatment Plant service area, and a back-up service that will allow the Trojan Pipeline to be removed from service for inspection. In addition, the project provides connections for a new 69th and Mohawk Pump Station to become the lead supply to the Redwood Village (645 Zone).

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the College Area, Navajo, and Eastern Area Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2013 and will be completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2017 and be completed in Fiscal Year 2020.

Summary of Project Changes: The total project cost increased by \$13.3 million due to revised requirements.

Morena Reservoir Outlet Tower Upgrade / S00041

Bldg - Water - Reservoirs/Dams

Council District: Non-city	Priority Score: 90
Community Plan: Non City	Priority Category: High
Project Status: Continuing	Contact Information: Azar, Hossein
Duration: 2001 - 2019	619-533-4102
Improv Type: Betterment	hazar@sandiego.gov

Description: This project replaces the existing outlet tower to meet seismic requirements. It will add a 100-foot long, 6-foot wide pedestrian bridge from the dam to the outlet tower, new outlet pipe, valve and raise the parapet wall.

Justification: The aging outlet tower components are in need of replacement for safety and ease of operation. Furthermore, the electrical system needs to be upgraded to meet current standards, provide better control, and provide safety and better accessibility. The tower is 100 years old and seismically inadequate. This project is required by the California Division of Safety of Dams.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design phase began in Fiscal Year 2012. Construction is scheduled to begin in Fiscal Year 2017 and be completed in Fiscal Year 2018.

Summary of Project Changes: The total project cost increased by \$8.0 million due to revised design requirements by the Department of Safety of Dams. Additionally, in Fiscal Year 2015 Council approved the deappropriation of \$3.0 million (R-309778), this funding will be reprogrammed in future years.

NCWRP Sludge Pump Station Upgrade / S00309

Bldg - MWWD - Pump Stations

Council District:	1, 6	Priority Score:	82
Community Plan:	University	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Azar, Hossein
Duration:	2006 - 2017		619-533-4102
Improv Type:	Replacement		hazar@sandiego.gov

Description: This project provides for the correction of a vibration problem at the North City Water Reclamation Plant (NCWRP) Sludge Pump Station. The project involves the replacement of the existing sludge pump with a smaller more efficient pump. It also includes the addition of 14 combination air release valves. Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: Excessive vibration of the pump and flywheel contribute to wear and tear of equipment. The vibration also generates tremendous heat. The excessive vibration and heat can cause premature failure of equipment, impact operational efficiency, and have structural impacts at the facility.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and was completed in Fiscal Year 2015. Construction is scheduled to begin and be completed in Fiscal Year 2016.

Summary of Project Changes: The total project cost increased by \$250,000 due to revised requirements.

New 16" Water Mains (U-3) / RD15003

Water - Distribution Sys - Distribution

Council District: 1	Priority Score: N/A
Community Plan: Torrey Highlands	Priority Category: N/A
Project Status: Continuing	Contact Information: Williams, Charlette Stron
Duration: 2015 - 2017	619-533-3683
Improv Type: Expansion	cswilliams@sandiego.gov

Description: This project provides for reimbursement to a developer for the construction of approximately 16,636 linear feet of 16-inch diameter water mains within the Camino Del Sur (Watson Ranch Road to Dormouse) and along Carmel Mountain Road from Camino Del Sur to Sundance Avenue. This is Project U-3 in the Torrey Highlands Public Facilities Financing Plan.

Justification: This project is required to provide primary distribution facilities to serve the community.

Operating Budget Impact: The operations and maintenance funding for this project will be included in the Public Utilities budget.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa and Pacific Highlands Ranch Community Plans and is in conformance with the City's General Plan.

Schedule: A portion of waterline from Watson Ranch Road to SR-56 has been completed by the developer. The remaining portion South to Dormouse will be completed by developer as part of a future reimbursement agreement in Fiscal Year 2016 and Fiscal Year 2017.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016.

North City Reclamation System / AHC00002

Reclaimed Water System - Pipelines

Council District:	Citywide	Priority Score:	Annual
Community Plan:	Citywide	Priority Category:	Annual
Project Status:	Continuing	Contact Information:	Amen, Rania
Duration:	2010 - 2020		858-654-4112
Improv Type:	Expansion		ramen@sandiego.gov

Description: This annual allocation provides recycled water to the Northern Service Area extending from Black Mountain Road west, along the I-56 corridor, to Carmel Valley. Portions of the recycled water pipeline expansion have been completed and are bringing service to the Olivenhain Municipal Water District and the communities of Black Mountain Ranch and Santa Luz. Recycled water pipeline is planned in Sorrento Mesa. Projects under this annual allocation are eligible for reimbursement by State Proposition 50 (Integrated Regional Water Management Plan) and Bureau of Reclamation Title 16 Grant funds.

Justification: Segments of recycled water pipelines have been constructed by private developers or Caltrans. The City needs to construct the remaining portions to complete the system and start delivering recycled water. The City also needs to expand the distribution system to customers already retrofitted to use recycled water.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Water - Distribution Sys - Transmission

Priority Score: 77
Priority Category: Low
Contact Information: Asgharzadeh, Iraj
 619-533-5105
 iasgharzadeh@saniego.gov

Description: This project will abandon approximately 13,630 feet of aged 30-inch and 36-inch pipes, identified as Otay 1st and 2nd water transmission pipelines. These pipelines sections will be abandoned from Highland Avenue and Wightman Street east to 54th Street. This project will also install approximately 8,120 feet of new 16-inch distribution mains from a 12-inch line at University Avenue and Winona Avenue to 54th Street and Chollas Station Road.

Justification: This project will abandon approximately 13,630 feet of existing Cast Iron Cement Lined, Reinforced Concrete Steel Cylinder and Cement Mortar Lined Coated Steel pipes in accordance with California Department of Public Health's compliance order 04-14-96CO-022. These pipelines, constructed as early as 1915, have reached the end of their lifecycle and have become a liability to the City. In order to provide system redundancy and maintain distribution needs, approximately 8,120 feet of new 16-inch distribution mains will be installed.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights and Eastern Area Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2012 and was completed in Fiscal Year 2014. Construction began in Fiscal Year 2014 and will be completed in Fiscal Year 2016.

Summary of Project Changes: The total project cost decreased by \$638,331 due to revised requirements and Council authorized the deappropriation of \$638,331 in Fiscal Year 2015. (R-309261)

Otay 1st/2nd PPL West of Highland Avenue / S12016

Council District:	3, 9	Priority Score:	91
Community Plan:	Greater North Park, Mid-City: City Heights	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Asgharzadeh, Iraj
Duration:	2012 - 2022		619-533-5105
Improv Type:	Replacement		iasgharzadeh@sandiego.gov

Description: This project provides for replacement of the Otay 1st and 2nd Pipeline (west of Highland Avenue, along the existing Otay 2nd alignment). It will replace 14,572 linear feet of existing cast iron Otay 2nd Pipeline with a new 42-inch Wightman Street Pipeline, primarily along existing Otay 2nd alignment from Highland Avenue and Polk Avenue to the University Heights Reservoir at Howard Avenue and Idaho Street. The reach on Highland Avenue includes replacement of 1,328 linear feet of the existing cast iron Otay 1st Pipeline. It will also replace 3,242 linear feet of the cast iron Otay 1st Pipeline from Boundary and Polk to the University Heights Reservoir with a 16-inch distribution line. The project also includes some pipeline abandonment and replacement at the University Heights Reservoirs. In addition, a pressure regulating station will be relocated out of the street right-of-way (ROW). The project alignment is located mostly within the City of San Diego ROW. There are also three Caltrans freeway crossings at I-805.

Justification: This project will develop a replacement and/or abandonment plan to remove the existing cast iron segments of pipeline west of Highland Avenue. Cast iron reaches of the Otay 1st and 2nd Pipelines are neither safe nor reliable facilities, and may contribute to poor water quality.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the City Heights and Greater North Park Community Plans and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2016 and is anticipated to be completed in Fiscal Year 2019. Construction is scheduled to begin in Fiscal Year 2019 and be completed in Fiscal Year 2021.

Summary of Project Changes: The total project cost increased by \$3.5 million due to revised requirements. Additionally, in Fiscal Year 2015 Council approved the deappropriation of \$250,000 (R-309778).

Project Status:	Continuing	Contact Information:	Wilson, Leonard
Duration:	2015 - 2025		619-446-5421
Improv Type:	Replacement		llwilson@sandiego.gov

Description: This project will relocate 7.82 miles of potable water transmission pipelines from Otay Water Treatment to Olympic Parkway.

Justification: As the Otay Ranch Community develops, the existing Otay 2nd Pipeline, Otay 3rd Pipeline, South San Diego Pipeline No. 1, and South San Diego Pipeline No. 2 will be relocated to the new City of Chula Vista's public rights-of-way.

Operating Budget Impact: None.

Water - Distribution Sys - Transmission

Relationship to General and Community Plans: This project is outside the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: Design of Phase 1 is anticipated to begin in Fiscal Year 2015 and construction of Phase 1 will begin immediately thereafter. Subsequent design and construction phases will continue through calendar year 2025.

Summary of Project Changes: In Fiscal Year 2015 Council approved the project to be added to the Capital Improvement Program (O-20464). This is a newly published project for Fiscal Year 2016.

Otay WTP Concrete Work / S11059

Bldg - Water - Treatment Plants

Council District: Non-city	Priority Score: N/A
Community Plan: Non City	Priority Category: N/A
Project Status: Continuing	Contact Information: Asgharzadeh, Iraj
Duration: 2011 - 2017	619-533-5105
Improv Type: Betterment	iasgharzadeh@sandiego.gov

Description: This project includes the surface preparation, resurfacing, and the application of protective coating for basins one and two at the Otay Water Treatment Plant (WTP). Coating includes concrete floors, walls, columns, valves, piping, metal supports, and moving bridges.

Justification: The existing coating of the two basins is over 15 years old, it is in poor condition and needs to be replaced. The new protective coating applications will prevent concrete corrosion and ensure continual operation of the treatment plant.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is outside of the City limits and there is no community planning area. This project is in conformance with the City's General Plan.

Schedule: The design/build contract for the Otay WTP concrete work began in Fiscal Year 2013 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: This project was converted from a subproject of the Otay WTP Upgrade and Expansion project (S00030) to a standalone project in Fiscal Year 2015 via Council action (R-309739) and is a newly published project for Fiscal Year 2016.

Improv Type:	Replacement		hazar@sandiego.gov

Description: This project provides for the upgrade of 23 pump stations, divided into four groups, located throughout San Diego. The upgrades involve providing new and backup pumps and motors, new control panels, new generators, redundant force mains, underground storage tanks, and miscellaneous civil work.

Justification: This project will provide for the upgrading of deteriorated pump stations, improvement of the level of service to the residents of San Diego, and compliance with regulatory agencies by reducing the impact and probability of sewer spills.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Group I design began in Fiscal Year 2003 and was completed in Fiscal Year 2009. Construction began in Fiscal Year 2009 and was completed in Fiscal Year 2012. PS2 Power Reliability & Surge Protection / S00312

Council District: 2
Community Plan: Peninsula
Project Status: Continuing
Duration: 2005 - 2021
Improv Type: Expansion

Bldg - MWWd - Pump Stations

Priority Score: 90
Priority Category: High
Contact Information: Azar, Hossein
 619-533-4102
 hazar@sandiego.gov

Description: This project will improve the reliability of the Pump Station 2. It will also provide the required surge protection and backup power against an electrical outage in compliance with the Environmental Protection Agency (EPA) recommendation of standby power for essential facilities. Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: Sewer Pump Station 2 currently has three feeds from San Diego Gas and Electric (SDG&E). Two of the feeds are fed from the same substation. Neither of the two SDG&E substations provide 100% power to Pump Station 2. EPA guidelines recommend that facilities like Pump Station 2 be equipped with two separate and independent sources of electrical power provided from either two separate utility substations or from a single substation and a plant base generator. The current pump station electrical configuration does not comply with the EPA recommendations. Besides satisfying the EPA guidelines, it is also required that force main surge protection be provided at all times during pump station operation and in the event of a total power failure.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Midway/Pacific Highway Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2013 and is anticipated to be completed in Fiscal Year 2016. Construction will begin in Fiscal Year 2016 and is scheduled to be completed in Fiscal Year 2020.

Summary of Project Changes: The total project cost increased by approximately \$11.8 million due to revised requirements that were identified as part of a new Business Case Evaluation.

Duration: 2015 - 2035	619-533-5248
Improv Type: New	adorman@sandiego.gov

Description: This annual allocation provides up to 83 million gallons per day (mgd) of purified water and will require the construction of several treatment plants and conveyance facilities in the City of San Diego. This program will be implemented in three phases. Phase 1 includes the planning, design and construction of a 15 mgd Advanced Water Purification Facility (located across the street from the North City Water Reclamation Plant) and a conveyance system to transport the purified water to the San Vicente Reservoir. Phase 2 includes the expansion of the North City Advanced Water Purification Facility from 15 mgd to 30 mgd and the construction of additional wastewater facilities to convey additional wastewater to the North City Water Reclamation Plant. Phase 3 includes the planning, design and construction of a wastewater facility, an advanced water purification facility and all required conveyance systems in the central area of San Diego.

Justification: This project is needed to meet the new permit requirement stipulated in the 2015 Point Loma Wastewater Treatment Plant permit application and to reduce reliance on external water sources by providing an uninterruptable local water supply.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in compliance with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016 and was established by Council Resolution R-309350 on December 17, 2014 with an initial budget of \$5.0 million in Fiscal Year 2015.

Pacific Beach Pipeline South (W) / S12015

Council District: 2
Community Plan: Pacific Beach, Midway - Pacific Highway, Mission Beach, Peninsula
Project Status: Continuing
Duration: 2012 - 2021
Improv Type: Replacement

Water - Distribution Sys - Transmission

Priority Score: 85
Priority Category: Low
Contact Information: Gamboa, Wendy
 619-235-1971
 wgamboa@sanidiego.gov

Description: Replacement of approximately 7.8 miles of existing transmission and distribution mains known as Pacific Beach Pipeline along Ingraham Street, West Mission Bay Drive, Sports Arena Boulevard, Midway Drive, Enterprise Street, Pacific Highway, Kurtz Street, Hancock Street, California Street, West Walnut Avenue, Vine Street, and Kettner Boulevard from the Buena Vista Street and Ingraham Street intersection through the Upas and Kettner Boulevard intersection. The project also includes demolition of the existing Pacific Beach Reservoir, abandonment of existing 16-inch pipeline from this reservoir through Tourmaline Street and Foothill Boulevard, and replacement of adjacent water mains along West Mission Bay Drive from Mission Boulevard through Ingraham Street, along Hancock Street from Estudillo Street through Noell Street, along West Washington Street from Hancock Street through Pacific Highway, and along Anna Avenue from Pacific Highway to Lovelock Street.

Justification: This project is needed to provide water supply reliability to Pacific Beach by replacing a 73 year old deteriorating cast iron pipe; thereby, increasing capacity and allowing for increased operational flexibility.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Midway-Pacific Highway, Mission Beach, Peninsula and Pacific Beach Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2014 and is anticipated to be completed in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2016 and be completed in Fiscal Year 2020.

Summary of Project Changes: The total project cost increased by \$1.3 million due to revised requirements.

Improv Type:	Replacement		ramen@sandiego.gov

Description: This annual allocation provides for the rehabilitation and repair of deteriorated sewers and manholes at various locations within the municipal wastewater system.

Justification: This annual allocation provides for the extension of the useful life of sewers and manholes, improvements in the level of service to the residents of San Diego, and compliance with regulatory agencies' standards by reducing the possibility of sewer spills.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The annual project cost for Fiscal Year 2016 increased approximately \$27.7 million due to revised requirements.

Point Loma Grit Processing Improvements / S00315

Bldg - MWWd - Treatment Plants

Council District: 2	Priority Score: N/A
Community Plan: Peninsula	Priority Category: N/A
Project Status: Continuing	Contact Information: Asgharzadeh, Iraj
Duration: 2001 - 2016	619-533-5105
Improv Type: Replacement	iasgharzadeh@sandiego.gov

Description: This project provides for upgrading the existing grit removal process at the Point Loma Wastewater Treatment Plant which includes new grit agitation blowers enclosed in a sound dampening facility and the associated air piping. Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: The Point Loma Wastewater Treatment Plant has six aerated grit removal tanks. The plant is not achieving desirable grit removal because the existing grit processing equipment is unable to extract fine sand or silt. The grit accumulated downstream of the grit tanks reduces the efficiency of processing equipment and minimizes the biosolid treatment in the digesters.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001 and was completed in Fiscal Year 2012. Construction began in Fiscal Year 2012 and will be completed in Fiscal Year 2016.

Summary of Project Changes: In Fiscal Year 2016, \$500,055 is anticipated to be transferred from the Metro Treatment Plants Annual Allocation (ABO00001) to this project pending Council Resolution. Additionally, the total project cost increased by \$1.0 million due to revised requirements.

Improv Type:	Replacement		ramen@sandiego.gov

Description: This annual allocation provides for replacing existing pressure reducing stations or expanding pressure capacities to meet present and future water demands.

Justification: Increasing demands for water throughout the City requires pressure reducing stations to better control water pressure throughout the City's system. This annual allocation will continue to fund the replacement and expansion of pressure reduction facilities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The annual project cost for Fiscal Year 2016 increased by \$250,000 due to revised requirements.

Pump Station Restorations / ABP00001

Bldg - MWWD - Pump Stations

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Amen, Rania
Duration: 2010 - 2021	858-654-4112
Improv Type: Replacement	ramen@sandiego.gov

Description: This annual allocation provides for the replacement of deteriorated municipal pumping equipment and/or pipeline appurtenances.

Justification: Many existing sewer pump stations have reached or exceeded their anticipated service life. However, because of the widely varying actual lengths of service life, the scheduling of pump station restorations is difficult. This project allows flexibility in replacing deteriorated pumping equipment.

Operating Budget Impact: None.

Relationship to General and Community Plans: This annual allocation is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The annual project cost for Fiscal Year 2016 increased by \$513,861 due to revised requirements.

Contact Information: Partow, Hooman
 619-533-7577
 hpartow@sandiego.gov

Description: This annual allocation provides for supplying city facilities with the proper connections and metering for the new reclaimed water distribution system.

Justification: The City of San Diego has embarked on an aggressive water reclamation program to provide reclaimed water to large users of potable water for irrigation purposes. This will allow the City to increase its available potable water to serve new potential customers.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Reclaimed Water System - Pipelines

Priority Score: N/A
Priority Category: N/A
Contact Information: Azar, Hossein
 619-533-4102
 hazar@sandiego.gov

Description: This project is needed to ensure that spills from the recycled water system flow into the sewer rather than the storm water system. This project would include 15 Pressure Reducing Station vaults to be retro-fitted to divert the drainage inside the vault from the storm drain to the sewer system, as required by the Regional Water Quality Control Board.

Justification: This project is needed to comply with the latest regulatory requirements of the Regional Water Quality Control Board that recycled water be drained to the sewer system rather than the storm drain system when emergency spills or main breaks occur inside the vaults.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University, Black Mountain Ranch, Mira Mesa, and Scripps Miramar Ranch Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and was completed in Fiscal Year 2012. Construction began in Fiscal Year 2013 and will be completed in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Council District: 8	Priority Score: 77
Community Plan: Tijuana River Valley	Priority Category: Medium
Project Status: Continuing	Contact Information: Asgharzadeh, Iraj
Duration: 2006 - 2016	619-533-5105
Improv Type: Expansion	iasgharzadeh@sandiego.gov

Description: This project provides demineralization of reclaimed water using the Electrodialysis Reversal (EDR) process. The project will relocate two trailer mounted EDR units from the North City Water Reclamation Plant to the South Bay Water Reclamation Plant to reduce the Total Dissolved Solids (TDS) in the reclaimed water. Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: The majority of reclaimed water is used for irrigation. Demineralization will reduce the level of total dissolved solids in the reclaimed water.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Tijuana River Valley Community Plan and is in conformance with the City's General Plan.

Schedule: This design/build contract began in Fiscal Year 2014 and will be completed in Fiscal Year 2016.

Summary of Project Changes: No significant changes have been made to this project in Fiscal Year 2016.

Priority Score: 80
Priority Category: Medium
Contact Information: Asgharzadeh, Iraj
 619-533-5105
 iasgharzadeh@sandiego.gov

Description: This project provides for the construction of a new pump station with a total pump station capacity of 17.2 million gallons per day. This pump station will replace the Scripps Miramar pump as the lead pump to the 1020 zone (Scripps Ranch Pump Station).

Justification: The existing pump station is past its useful lifespan and has become inefficient and unreliable and lacks adequate fire flow capacity.

Operating Budget Impact: None.

Relationship to General and Community Plans: This plan is consistent with the Scripps Miramar Ranch and Miramar Ranch North Community Plans and is in conformance with the City's General Plan.

Schedule: Design/Build contract began in Fiscal Year 2012 and is scheduled to be completed in Fiscal Year 2016.

Summary of Project Changes: The total project cost decreased by \$1.1 million due to revised requirements. In Fiscal Year 2015, Council approved the transfer of \$1.1 million from this project. (R-309588 and R-309739)

Seismic Upgrades / AKB00004

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Amen, Rania
Duration: 2010 - 2021	858-654-4112
Improv Type: Replacement	ramen@sandiego.gov

Description: This annual allocation provides for seismic retrofits and upgrades to existing facilities to protect the water system in case of an earthquake.

Justification: Many existing facilities throughout the City have serious structural and seismic deficiencies. This annual allocation provides funding to upgrade these facilities to meet current compliance requirements and guidelines. This project allows City crews the ability to rapidly restore water services to affected areas after a large earthquake.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: The annual project cost for Fiscal Year 2016 decreased by \$420,748 due to revised requirements. Additionally, in Fiscal Year 2015 Council approved the deappropriation of \$400,000 (R-309778).

Council District: Citywide	Priority Score: N/A
Community Plan: Citywide	Priority Category: N/A
Project Status: Continuing	Contact Information: Amen, Rania
Duration: 1993 - 2020	858-654-4112
Improv Type: Replacement	ramen@sandiego.gov

Description: This project is an emergency capital reserve intended to be used for emergency capital needs.

Justification: This reserve is required to comply with the City's reserve policy 100-20.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project acts as a reserve to fund projects on an as-needed basis. Projects utilizing this funding source are consistent with applicable community plans and are in conformance with the City's General Plan.

Schedule: The reserve will be used on an as-needed basis and will be held as a continuing appropriation.

Summary of Project Changes: No significant change has been made to this reserve for Fiscal Year 2016.

Description: This annual allocation provides for the replacement of deteriorated and undersized sewer mains at various locations within the Municipal Wastewater System.

Justification: This annual allocation provides for the replacement of sewer mains that are in a deteriorated condition or are undersized.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The annual project cost for Fiscal Year 2016 decreased by approximately \$9.0 million.

Project Status: Continuing	Contact Information: Phung, Tung
Duration: 2003 - 2018	858-292-6425
Improv Type: Replacement	tphung@sandiego.gov

Description: This project will rehabilitate the remaining 5,000 feet of the 108-inch pipeline from Winship Lane to Pump Station 2. Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: Sections of the South Metro Interceptor have deteriorated significantly due to the corrosive effects of sewer gases over 40 years.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2016 and is anticipated to be completed in Fiscal Year 2017. Construction is scheduled to begin in Fiscal Year 2017 and be completed in Fiscal Year 2018.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

South Mission Valley Trunk Sewer / S00302

Wastewater - Collection Sys - Trunk Swr

Council District: 3, 7	Priority Score: N/A
Community Plan: Mission Valley, Old San Diego	Priority Category: N/A
Project Status: Warranty	Contact Information: Gamboa, Wendy
Duration: 2001 - 2016	619-235-1971
Improv Type: Expansion	wgamboa@sandiego.gov

Description: This project includes the installation of approximately 3,058 feet of new 36-inch, and 27-inch trunk sewer along Interstate 8 between Taylor Street and Hotel Circle Place, and approximately 594 feet of new 24-inch trunk sewer and 12-inch sewer main at the Interstate 15/Interstate 8 interchange.

Justification: This project will increase the flow capacity of the South Mission Valley Trunk Sewer.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley and Old San Diego Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2003 and was completed in Fiscal Year 2008. Construction began in Fiscal Year 2010 and was completed in Fiscal Year 2015.

Summary of Project Changes: This project is anticipated to be closed in Fiscal Year 2016.

Standpipe and Reservoir Rehabilitations / ABL00001

Bldg - Water - Standpipes

Council District:	Citywide	Priority Score:	Annual
Community Plan:	Citywide	Priority Category:	Annual
Project Status:	Continuing	Contact Information:	Amen, Rania
Duration:	2010 - 2021		858-654-4112
Improv Type:	Replacement		ramen@sandiego.gov

Description: This annual allocation provides for reconstructing standpipes and reservoirs to improve operations and extend their service life.

Justification: Many existing standpipes and reservoirs in the water system have deteriorated to a point where they must be reconstructed or replaced to meet the current Occupational Safety and Health Act and Environmental Protection Agency safety and water quality standards.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is in compliance with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: The annual project cost for Fiscal Year 2016 decreased by \$4.6 million due to revised requirements. Additionally, in Fiscal Year 2015 Council approved the deappropriation of \$3.1 million (R-309778).

Tecolote Canyon Trunk Sewer Improvement / S15020

Wastewater - Collection Sys - Trunk Swr

Council District: 2	Priority Score: 84
Community Plan: Clairemont Mesa	Priority Category: Low
Project Status: Continuing	Contact Information: Ninh, Michael
Duration: 2015 - 2020	619-533-7443
Improv Type: Replacement - Rehab	mninh@sandiego.gov

Description: This project will upsize approximately 3.3 miles of existing 18- to 24-inch vitrified clay (VC) sewer pipe in Tecolote Canyon to provide additional capacity, and to rehabilitate approximately 1.4 miles of existing 15-inch VC sewer pipe.

Justification: Improvements are needed to accommodate future flow capacity and address deteriorated conditions within the Tecolote Canyon Trunk Sewer.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to begin in Fiscal Year 2016. Construction is anticipated to be completed by Fiscal Year 2020.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016 and was established by Council Resolution R-309261 on October 14, 2014 with an initial budget of \$200,000.

Tierrasanta (Via Dominique) Pump Station / S12040

Council District: 7	Priority Score: 96
Community Plan: Tierrasanta	Priority Category: High
Project Status: Continuing	Contact Information: Azar, Hossein
Duration: 2010 - 2018	619-533-4102
Improv Type: Expansion	hazar@sandiego.gov

Description: This project provides for a new station with a total pump station capacity of 13.9 million gallons per day (MGD), and 2,900 feet of 16-inch transmission mains. It will replace the existing temporary Tierrasanta Pump Station and Via Dominique Pump Station, and will serve the Tierrasanta Norte 900 Zone and the Tierrasanta 752 Zone.

Justification: The existing pump stations are past their useful life and are heavily deteriorated and inefficient.

Operating Budget Impact: None.

Relationship to General and Community Plans: This plan is consistent with the Tierrasanta Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2013 and completed in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2016 and be completed in Fiscal Year 2018.

Summary of Project Changes: The total project cost increased by \$3.4 million due to revised requirements.

University Ave Pipeline Replacement / S11021

Water - Distribution Sys - Distribution

Council District: 3	Priority Score: 93
Community Plan: Uptown, Greater North Park	Priority Category: Medium
Project Status: Continuing	Contact Information: Asgharzadeh, Iraj
Duration: 2011 - 2019	619-533-5105
Improv Type: Replacement	iasgharzadeh@sandiego.gov

Description: This project replaces 23,072 linear feet of the existing cast iron University Avenue Pipeline with a new 16-inch distribution line along the entire alignment of the pipeline. This project will connect crossing distribution lines at all intersections, and re-connect all services, including tunneling at State Route 163.

Justification: Cast iron reaches of the University Avenue Pipeline are neither safe nor reliable facilities and may contribute to poor water quality. An active approach is recommended because of high risks and consequences of pipe failure. The University Avenue Pipeline was built in 1912 and lined with concrete in 1974. The replacement of cast-iron pipes is mandated by the California Department of Public Health's (CDPH) Compliance Order.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Uptown and Greater North Park Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2012 and was completed in Fiscal Year 2015. Construction began in Fiscal Year 2015 and will be completed in Fiscal Year 2019.

Summary of Project Changes: The total project cost increased by \$7.2 million due to revised requirements.

Upas St Pipeline Replacement / S11022

Council District:	2, 3	Priority Score:	93
Community Plan:	Uptown, Greater North Park, Midway - Pacific Highway	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Asgharzadeh, Iraj
Duration:	2011 - 2019		619-533-5105
Improv Type:	Replacement		iasgharzadeh@sandiego.gov

Description: This project replaces 5.67 miles of cast iron mains along the Upas Street Pipeline from Ray Street to Pacific Highway, as well as portions of the 5th Avenue pipeline and the Park Boulevard pipeline. This project also installs one new pressure reducing station and replaces three existing pressure reducing stations.

Justification: This project is needed because the cast iron reaches of the Upas Street Pipeline, and associated Pressure Regulating Stations, are neither safe nor reliable facilities, and may contribute to poor water quality. An active approach is recommended because of high risks and consequences of pipe failure. The Upas Street Pipeline was built in 1940. The replacement of cast iron pipes is mandated by the California Department of Public Health's (CDPH) Compliance Order.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Uptown, Greater North Park, and Midway-Pacific Highway Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2012 and was completed in Fiscal Year 2014. Construction began in Fiscal Year 2014 and will be completed in Fiscal Year 2018.

Summary of Project Changes: The total project cost increased by \$11.1 million due to revised requirements.

Water - Distribution Sys - Distribution

Council District: 2	Priority Score: 90
Community Plan: Pacific Beach	Priority Category: Medium
Project Status: Continuing	Contact Information: Spier, Carl
Duration: 2013 - 2019	619-533-5126
Improv Type: Expansion	cspier@sandiego.gov

Description: This project is in the Pacific Beach Community and provides for the replacement and expansion of 30,879 linear feet of various pipe materials and sizes consisting of three, 184 linear feet of asbestos concrete (AC) 6-inch, 8-inch, 10-inch and 16-inch pipes, 27,514 linear feet of cast iron (CI) 8-inch, 10-inch and 16-inch pipes; and 181 linear feet of polyvinyl chloride (PVC) 12-inch pipe.

Justification: The majority of Pacific Beach Community pipelines are made of cast iron and are due for replacement in accordance with California Department of Public Health's (CDPH) Compliance Order 04-14-96CO-022. This project is intended to reduce maintenance and improve service.

Operating Budget Impact: None.

Relationship to General and Community Plans: This plan is consistent with the Pacific Beach Community Plan and is in conformance with the City's General Plan.

Schedule: Planning began in Fiscal Year 2012 and was completed in Fiscal Year 2013. Design began in Fiscal Year 2013 and is anticipated to be completed in Fiscal Year 2017. Construction is scheduled to begin in Fiscal Year 2016 and be completed in Fiscal Year 2018.

Community Plan: Citywide	Priority Category: N/A
Project Status: Continuing	Contact Information: Azar, Hossein
Duration: 2001 - 2017	619-533-4102
Improv Type: Betterment	hazar@sandiego.gov

Description: This project provides for the design and installation of miscellaneous security systems at various facilities.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Justification: This project provides for the deterrence, detection, and apprehension of unauthorized personnel, in order to maintain a safe and secure water system.

Schedule: Implementation began in Fiscal Year 2001 and will continue through Fiscal Year 2016.

Operating Budget Impact: None.

Summary of Project Changes: The total project cost increased by \$500,000 due to revised requirements.

Water - Distribution Sys - Distribution

Council District:	9	Priority Score:	38
Community Plan:	Mid-City: City Heights, Mid-City: Kensington — Talmadge, Mid-City: Eastern Area	Priority Category:	Low
Project Status:	Warranty	Contact Information:	Spier, Carl
Duration:	2011 - 2015		619-533-5126
Improv Type:	Replacement		cspier@sandiego.gov

Description: This project provides for the removal and replacement of 26,732 linear feet (5.3 miles) of 6-inch, 8-inch, 12-inch and 16-inch of cast iron mains (CI) and 1029 linear feet of asbestos concrete (AC) pipes in the 6-inch and 8-inch diameter range in the Mid-City areas of City Heights, Kensington-Talmadge and the Eastern Area communities. All of these mains are being replaced with polyvinyl chloride (PVC) pipelines.

Justification: Water mains require replacement due to their deteriorated condition or size limitation. The existing cast iron system is either approaching or has exceeded its expected life. The replacement of cast iron pipes is mandated by the California Department of Public Health's (CDPH) Compliance Order.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mid-City City Heights, Kensington-Talmadge, and Eastern Area Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008 and was completed in Fiscal Year 2011. Construction began in Fiscal Year 2012 and was completed in Fiscal Year 2015.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Water Pump Station Restoration / ABJ00001

Bldg - Water - Pump Stations

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Amen, Rania
Duration: 2010 - 2021	858-654-4112
Improv Type: Replacement	ramen@sandiego.gov

Description: This annual allocation provides for replacing deteriorated pumping equipment and appurtenances or expanding pumping capacities to meet present and future water demands.

Justification: Many existing water pump stations have reached or exceeded their anticipated service life or demands have exceeded their maximum pumping capacity. However, because of the widely varying actual lengths of service life, scheduling for pump station restoration is difficult.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The annual project cost for Fiscal Year 2016 decreased by \$4.8 million due to revised requirements.

Project Status: Continuing	Contact Information: Amen, Rania
Duration: 2013 - 2021	858-654-4112
Improv Type: New	ramen@sandiego.gov

Description: This annual allocation provides for upgrades and replacement of the treatment facilities at Alvarado, Miramar, and Otay water treatment plants.

Justification: These improvements are necessary to ensure a reliable water supply to the customers and for compliance with the Safe Drinking Water Act.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: The annual project cost for Fiscal Year 2016 increased by \$515,940 due to revised requirements.

Wet Weather Storage Facility / S00314

Bldg - MWWD - Administration Struct

Council District:	1, 2, 6	Priority Score:	83
Community Plan:	University, Clairemont Mesa, Mission Bay Park, Peninsula	Priority Category:	High
Project Status:	Continuing	Contact Information:	Llagas, Margaret
Duration:	1999 - 2018		858-654-4494
Improv Type:	Expansion		mllagas@saniego.gov

Description: This project includes the implementation of the Emergency Live Stream Discharge of reclaimed water from the North City Reclamation Plant during heavy rain events to reduce the capacity demand on the downstream sewer system and facilities. Approximately 34 percent of all Metro Sewer Utility Fund expenditures related to this project are funded by Participating Agencies.

Justification: The facility will reduce the risk of potential wet weather overflows, which may be caused by the capacity limitation of Pump Station 2 during extreme rainfall events.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Peninsula, University, and Clairemont Mesa Community Plans, and Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design of the facilities required for the wet weather intermittent stream discharge is scheduled to begin in Fiscal Year 2016 and be completed in Fiscal Year 2017. Construction is anticipated to start in Fiscal Year 2017 and be completed in Fiscal Year 2018. The project design and construction may be adjusted pending the RWQCB approval of the NPDES permit.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Public Works - General Services

Page Intentionally Left Blank

Public Works - General Services

The Public Works-General Services Department's Facilities Division provides repair, modernization, and improvement services to over 1,700 municipal facilities incorporating nine million square feet of floor space.

The Facilities CIP projects include the construction of new City structures and major improvements to existing buildings, including the backlog of General Fund deferred capital requirements. Other projects bring City buildings into compliance with the Americans with Disabilities Act (ADA). The Public Works-General Services CIP is funded by deferred capital bond proceeds, the Capital Outlay Fund, the General Fund, and federal grants.

The Fleet Services Division has a CIP project that will expand the Miramar and Rose Canyon facilities in order to increase the capacity to maintain fire apparatus and other heavy vehicles.

The City is conducting a Facilities Condition Assessment to assess existing General Fund buildings, identify replacement items, update and augment current databases, identify capital projects and budgets, and prioritize operation & maintenance work and capital projects.

The Office of ADA Compliance and Accessibility provides for modification to existing City facilities and public right-of-way improvements as required by the Americans with Disabilities Act, the California Building Code, and other access codes.

2015 CIP Accomplishments

Projects throughout the City completed under the Department's City Facilities Improvements annual allocation included:

- Casa del Prado - upgraded the HVAC system and thermostat controls
- Malcolm X Library - replaced HVAC system and thermostat controls
- Aero Drive Engineering trailer - replaced HVAC system and thermostat controls
- San Ysidro Library - roof replacement
- Auto Museum Comfort Station - roof replacement
- East San Diego Adult Center - parking, path of travel, and restroom modification
- Allied Gardens Pool - parking, path of travel, and restroom modification
- Oak Park Library - parking, path of travel, and restrooms modification
- Civic Theater Exterior Restroom - parking, path of travel, restrooms, and exterior service counter modification
- Casa de Balboa - path of travel, facility, elevators, and restroom modification
- Morley Field Tennis Clubhouse - path of travel, and registration counter modification
- Timken Art Gallery - path of travel, and restrooms modification
- N. Clairemont Recreation Center - parking, path of travel, and curb ramps modification
- Balboa Chess Club - Roof Replacement

2016 CIP Goals

The Facilities Division is looking forward to initiating and implementing the following capital improvement projects based on funding availability:

- Mira Mesa Library - HVAC replacement
- Clairemont Pool - new pool heating system installation
- San Ysidro Senior center - HVAC system replacement

Public Works - General Services

- Kearny Mesa Recreation Center - roof replacement
- Willie Henderson Sports Center - roof replacement
- Mission Beach Community Center - parking, path of travel, stairs, restrooms modifications
- Pioneer Park and Comfort Station - parking, restrooms, and add entrance ramp modification
- Santa Clara Recreation Center - parking, path of travel, counters, and restrooms modification
- Alzheimer Family Center - parking signage, path of travel, and add entrance ramp modification
- Museum of Man HVAC Control Replacement
- Pacific Beach Taylor Library HVAC Replacement
- Santa Clara Switch Gear Replacement
- Spanish Village 50 AMP Receptacle Install
- International Houses of Power Upgrade
- Hall of Champions Lighting Inverter Electrical Upgrade
- Fire Alarm Replacements - Various City Facilities
- City-Wide Roof Replacements and Smaller HVAC Units
- City Administration Building Sewer Re-lining
- Tecolote Roof Coverings
- Tierrasanta Recreation Center Roof Coverings and HVAC
- Kearny Mesa Recreation Center Roof Coverings

Americans with Disabilities Improvements / ABE00001

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Wolford, Mary
Duration: 2010 - 2020	619-236-7246
Improv Type: Replacement	mwolford@sandiego.gov

Description: This annual allocation provides for modifications to existing City facilities and public right-of-way improvements as required by the Americans with Disabilities Act (ADA), the California Building Code (CBC), and other access codes.

Justification: The City is required by law to ensure that every facility, program, or service operated or funded by the City is fully accessible to, and usable by, people with disabilities in accordance with the ADA as well as other federal, State, and local access codes and disability rights laws. This annual allocation supports the ongoing compliance effort to improve accessibility throughout the City.

Operating Budget Impact: Requested funding will not affect the Office of ADA Compliance and Accessibility's operating budget.

Bldg - Other City Facility / Structures

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: \$900,000 of Capital Outlay funds were reimbursed to this project from Fiscal Year 2015, per Council Resolution R-309124, adopted on July 30, 2014. A total of \$1.4 million will be allocated to this project in Fiscal Year 2016. An additional \$293,200 in Community Development Block Grant (CDBG) funding is anticipated to be received in Fiscal Year 2016.

CAB Fire Sprinkler Retrofit Project / S00819

Bldg - Other City Facility / Structures

Council District: 3	Priority Score: N/A
Community Plan: Centre City	Priority Category: N/A
Project Status: Warranty	Contact Information: Cetin, Elif
Duration: 2000 - 2016	619-533-4640
Improv Type: Betterment	ecetin@sandiego.gov

Description: This project provides for the installation of a fire sprinkler system and the upgrading of the existing fire alarm system at the City Administration Building located at 202 C Street. Phase I provided for the installation of fire sprinklers on the 10th, 14th, and 15th floors. Phase II provided for the installation of eight-inch stand pipes and eight inch basement lateral pipes. Phase III provided for the installation of sprinklers in the basement and on the 11th and 13th floors and a fire alarm system in the basement and on the 10th, 11th, and 13th floors. Phase III included the abatement of amosite ceiling tile on the 11th floor. Phase IV was the installation of sprinklers and alarm system for the 1st through the 9th and 12th floors and installation of a new generator.

Justification: The project will provide much needed improvements necessary to ensure the safety of the building occupants.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and is in conformance with the City General Plan.

Schedule: Phases I, II, III, and IV were completed in Fiscal Years 2000, 2002, 2003, and 2014 respectively.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

City Facilities Improvements / ABT00001

Bldg - Other City Facility / Structures

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Kirby, Roy
Duration: 2010 - 2020	619-525-8501
Improv Type: Betterment	rkirby@sandiego.gov

Description: This annual allocation provides for capital improvements at City facilities. Potential improvements include roof, heating, ventilation, air-conditioning, elevator replacements, and adjacent parking lots.

Justification: Several City-owned facilities are in need of repair. High-priority repairs will be completed with this project. Funding for this annual allocation will ensure the facilities remain safe and operable.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: Based on a General Fund supported buildings condition assessment conducted in November 2011, the City will need an estimated \$87.4 million of additional unidentified funding to address the remaining deferred capital needs. This project was allocated \$8.8 million of Infrastructure Bond funding in Fiscal Year 2015, per City Council Resolution R-309360. The City began a Citywide General Fund facilities condition assessment in Fiscal Year 2014. Once complete, Unidentified Funding will be revised. Additionally, \$5.2 million in CIP Contributions from General Fund was added to support this annual allocation in Fiscal Year 2016.

Public Works - General Services

Fleet Services Elect & Fac Improvements / L14002

Council District:	1, 2	Priority Score:	84
Community Plan:	Clairemont Mesa, University	Priority Category:	High
Project Status:	Continuing	Contact Information:	Darvishi, Ali
Duration:	2015 - 2017		619-533-5328
Improv Type:	Betterment		adarvishi@sandiego.gov

Description: This project will provide improvements at Fleet Services maintenance yards located at Miramar Place and Rose Canyon. At Miramar Place, improvements include installation of twenty 20-amp circuits along the southeast curb line. The complete parking lot at the east end of the facility is to be restriped. A mezzanine floor, approximately 1,000 square feet, is to be added to current parts storage facility. At the Rose Canyon location, electrical upgrade includes installation of five 20-amp circuits to the outside of the north wall of the auto shop building. The area to the north of the shop is to be fenced in with a 16 foot sliding gate. It will also upgrade the yard ingress/egress gate from manual to automated with a security access.

Justification: This project is necessary to properly implement Fleet's Most Efficient Government Office (MEGO) requirements due to the closing of the heavy Fire repair facility at 3870 Kearny Villa Road and the transfer of heavy Fire apparatus repair to the Rose Canyon and Miramar Place Facilities. Heavy fire apparatus require access to shore power while they are parked to maintain the charge on the vehicle electronic equipment battery systems. The Rose Canyon and Miramar Place facilities do not currently have the infrastructure to accommodate charging systems maintenance in the parking lot areas.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the University and Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015 and is anticipated to be completed in Fiscal Year 2016. Construction is scheduled to be completed by the end of Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Roof Replacement / ABT00002

Bldg - Other City Facility / Structures

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Kirby, Roy
Duration: 2010 - 2020	619-525-8501
Improv Type: Betterment	rkirby@sandiego.gov

Description: This annual allocation provides needed roof replacements at various City facilities.

Justification: This annual provides roof replacements for various city facilities that are beyond their life-cycle and are in need of total roof replacements. Leaky roofs damage other building infrastructure and building systems (electrical, interiors, carpets, etc.) increasing repair or replacement costs. Sustainable maintained roofs preserve the life-cycle expectancy of a building.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

QUALCOMM Stadium

Page Intentionally Left Blank

QUALCOMM Stadium

Qualcomm Stadium is a 70,500 seat sports stadium that hosts the San Diego Chargers, San Diego State University Aztecs, the annual Holiday and Poinsettia Bowls, plus concerts and major religious conventions. The Stadium hosts over one-million visitors every year. The 166-acre stadium site opened in 1967, and is now in its 49th year of operation. The Stadium parking lot spans 122 acres. The CIP budget supports the implementation of projects that keep the 49 year old stadium in the type of condition that contributes to the fan experience and keeps San Diego in the forefront for large scale, national events. Funding for Capital Improvements Program projects comes from Qualcomm Stadium revenue.

2015 CIP Accomplishments

Capital improvements are vital to the continuing operation of the stadium. For Fiscal Year 2015, these improvement projects progressed:

- Back-up Lighting Replacement
- Fiber Optic and CATV
- Elevator Modernization
- Concrete Spalling Phase 2

2016 CIP Goals

The CIP Goals for Fiscal Year 2016 remain as critical to stadium operations. As the stadium continues to age, more investment in the maintenance of the venue will be required. CIP funding will continue to grow. The City is contractually obligated to maintain the facility in clean, working order. The CIP budget will be needed to support:

- Back-up Lighting Replacement
- Roof replacement at the Training Camp
- Fiber Optic and CATV
- Elevator Modernization
- Concrete Spalling Phase 2
- Expansion Joint Replacement
- Seat Replacement

Project Status: Continuing	Contact Information: Medina, Lydia
Duration: 2010 - 2020	619-641-3105
Improv Type: Betterment	lmedina@sanidiego.gov

Description: This annual allocation provides for needed improvements at QUALCOMM Stadium, including the emergency back-up lighting system, roof replacement, fiber optic & CATV, elevator modernization, and concrete spalling.

Justification: QUALCOMM Stadium enriches the quality of life through a variety of hosted events, and serves as a visitor attraction that strengthens the local economy. As the stadium ages, regular upgrades and renovations are required for various components of the facility.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction will be phased in accordance with the scope of various projects.

Summary of Project Changes: Funding for this project has been decreased \$750,000 for Fiscal Year 2016 as scheduled projects will spend down continuing appropriations. No other significant change has been made to this project for Fiscal Year 2016.

Duration: 2016 - 2017	619-533-4121
Improv Type: Replacement	kshackelford@sandiego.gov

Description: This project proposes to replace existing Qualcomm Stadium with a new multiuse sports, entertainment, and recreation stadium. It also includes demolition of the existing Qualcomm stadium after the new stadium is constructed.

Justification: The existing stadium is 48 years old. A new stadium is proposed to provide an updated facility to enable San Diego to continue to host premier recreation events such as NFL football games and Super Bowls, collegiate football games, family entertainment events, concerts, and other meeting activities.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Design is anticipated to begin in Fiscal Year 2016 and construction to begin in Fiscal Year 2017. Construction completion for the new stadium is projected to be in Fiscal Year 2020. Demolition of the Qualcomm Stadium will commence once the new stadium is in use. Demolition is scheduled to begin in Fiscal Year 2020 and completed in Fiscal Year 2021.

Summary of Project Changes: \$2.1 million in CIP Contributions from General Fund is anticipated to be added to this project in Fiscal Year 2016 by Council Resolution (R-309857) for the purpose of an Environmental Impact Report (EIR). Additional costs will be identified as the project proceeds. This is a newly published project in Fiscal Year 2016.

Special Promotional Programs

Page Intentionally Left Blank

Special Promotional Programs

Special Promotional Programs are intended to advance the City's economy by promoting the City of San Diego as a visitor destination in the national and international market place. The Department also supports programs that increase hotel occupancy and develops and enhances visitor-related facilities. The Department's Capital Improvements Program projects will enhance safety of the Convention Center, increase attendance, and provide significant economic benefits.

2015 CIP Accomplishments

Addition of the Convention Center Sails Pavilion CIP project to begin work on a condition assessment that includes fabric roof and support structures, concrete floor, and mechanical and electrical upgrades.

2016 CIP Goals

Finalize facility condition assessment, preliminary design services, and preparation of environmental documents for the Convention Center Sails Pavilion project.

Convention Center Phase III Expansion / S12022

Bldg - Other City Facility / Structures

Council District: 3	Priority Score: N/A
Community Plan: Centre City	Priority Category: N/A
Project Status: Continuing	Contact Information: Shackelford, Kris
Duration: 2012 - 2016	619-533-4121
Improv Type: Expansion	kshackelford@sandiego.gov

Description: This project provides for the expansion of the existing San Diego Convention Center. The expansion will increase the existing leasable space by approximately 225,000 square feet of exhibit hall, 101,000 square feet of meeting rooms, and 80,000 square feet of ballrooms for an approximate total of 405,000 square feet.

Justification: The existing facility cannot accommodate some of the larger major events, which leads to the loss of events to other venues. The expansion is expected to increase the attendance and numbers of events held at the facility and provide significant economic benefits to the region such as tax revenues and permanent jobs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City community plan and is in conformance with the City's General Plan.

Schedule: Concept design work began prior to Fiscal Year 2012. It was completed along with the Coastal Commission approval in Fiscal Year 2014. The estimated project total and schedule was developed prior to Fiscal Year 2012 by the Convention Center. The design and construction schedule will be revised when the financing plan is approved and funding becomes available.

Summary of Project Changes: Future year allocations have been removed, as the feasibility of utilizing existing available revenue and/or other funding sources is currently being explored. This may or may not result in scope and/or budget change in the future. \$100,000 has been transferred to CIP L15000, Convention Center Sails Pavilions, per City Council Resolution R-309501, adopted February 20, 2015.

Convention Center Sails Pavilion / L15000

Bldg - Other City Facility / Structures

Council District: 3	Priority Score: 76
Community Plan: Centre City - Marina	Priority Category: Medium
Project Status: Continuing	Contact Information: Antoun, Nevien
Duration: 2015 - 2020	619-533-4852
Improv Type: Replacement	nantoun@sanidiego.gov

Description: The Convention Center is one of San Diego's major attractions bringing in a large number of visitors to the region. With its white sails dominating the downtown waterfront, the Sails Pavilion has made this facility recognizable throughout the world. The Convention Center first opened its doors to the public in 1989 with the Sails Pavilion as part of its unique design. Due to its enormous success, the facility was expanded in 2001. This project provides for a facility condition assessment, preliminary design services, and preparation of environmental documents. In addition, the project will consist of replacing the sails and support structure, concrete floor replacement, water boiler and chiller replacements.

Justification: The Sails Pavilion is a 108,000 square foot glass-enclosed structure with a fiber-glass coated fabric roof. It was built in 1989 as part of the original Convention Center. The Sails Pavilion is now 25 years old and requires major rehabilitation beyond routine maintenance.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Centre City Community Plan and in conformance with the City's General Plan.

Schedule: The Sails Pavilion project was established in Fiscal Year 2015. A facility condition assessment, preliminary design services, and preparation of environmental documents began in Fiscal Year 2015 and will continue during Fiscal Year 2016. Additionally, the following phases will be completed as funding is identified: Boilers in the Sails Pavilion area are expected to be replaced in Fiscal Year 2016 while water chillers, design, environmental clearance, and permits for roof and support structures will take place in Fiscal Year 2017. Actual construction for the roof and support structures is anticipated to begin in Fiscal Year 2018. Concrete replacement and rebuild of west building rooftop chillers are anticipated to begin in Fiscal Year 2019. Replacements of six fire cannons are projected to occur in Fiscal Year 2020.

Summary of Project Changes: \$100,000 has been transferred from CIP S-12022, Convention Center Phase III Expansion Project, per City Council Resolution R-309501, adopted February 20, 2015.

Transportation & Storm Water

Page Intentionally Left Blank

Transportation & Storm Water

The Transportation & Storm Water Department's Capital Improvements Program includes roadway infrastructure in the public right-of-way, drainage improvements in the public right-of-way and easements, and green infrastructure on City-owned parcels and in the right-of-way. The Department's Street Division manages the City's roadway infrastructure of 2,659 centerline miles of asphalt streets and 115 centerline miles of concrete streets. The Division is also responsible for the planning and programming of capital improvement projects which include resurfacing, reconstruction, and replacement of streets and sidewalks. The Department's Transportation Engineering Operations Division is responsible for engineering traffic systems to improve traffic flow and safety for motorists, pedestrians, and cyclists.

The Department's Storm Water Division leads the City's efforts to protect and improve water quality and provide flood risk management through capital improvement projects focused on providing the most efficient storm drain system and green infrastructure designed to capture or treat storm water runoff.

The Utilities Undergrounding Program plans for the removal of utility lines (electric, phone, cable) and affiliated poles from overhead for relocation underground. Although the City has been undergrounding overhead utility lines since 1970, the City's program expanded in 2003 following the California Public Utilities Commission approval of an undergrounding surcharge on San Diego residents' electricity bills. This surcharge is the primary funding source for the program. When completed, the expanded program will have undergrounded approximately 1,400 miles of overhead utility lines throughout the City. The Utilities Undergrounding Program provides for resurfacing or slurry sealing curb-to-curb all trenched streets, installing new streetlights in accordance with the Street Design Manual Standards, and installing curb ramps in compliance with Americans with Disabilities Act (ADA) requirements.

To date, approximately 400 miles of overhead utility lines have been undergrounded. Since 2003, with the addition of the surcharge component, the Utilities Undergrounding Program has installed over 2,994 streetlights, 2,329 curb ramps, and resurfaced or slurry sealed 159 miles of roadway.

Funding for the Department's projects comes from a variety of sources such as development impact fees, facilities benefit assessments, deferred capital project bond financing, underground surcharge fees, gasoline taxes, TransNet, General Fund and federal and State grants.

2015 CIP Accomplishments

In Fiscal Year 2015, the Transportation & Storm Water Department initiated, and the Public Works Department completed, capital projects which included the construction of many pedestrian, bike-way, roadway, and traffic improvement projects.

In Fiscal Year 2015, 231 miles of City streets were repaired. The Street Division paved 56 miles of asphalt streets, repaired eight miles of concrete streets, and slurry sealed 112 miles of asphalt streets. An additional 33 miles of paving and 22 miles of slurry seal was completed along with other capital improvement projects, including water and sewer pipeline replacement projects.

Completed transportation projects include the following:

- Construction of full street improvements along Holly Drive
- Widening of Hillery Drive
- Construction of the 25th Street Renaissance project

Transportation & Storm Water

- Construction of full street improvements on 38th Street and installation of angle parking adjacent to Park de la Cruz

In Fiscal Year 2015, the Department designed and constructed over 9,600 linear feet of new sidewalk at 15 locations throughout the City. Additionally, data collection for the City's first comprehensive sidewalk assessment was also completed; data validation is underway and final results will be available by mid-Fiscal Year 2016.

In addition, the Department installed the first Pedestrian Hybrid Signal to improve pedestrian safety and minimize vehicular delays.

To improve storm drain infrastructure and repair the deterioration of the street, the Storm Water Division completed the Crown Point Emergency Storm Drain Replacement.

Completed Storm Water projects also include the following:

- Norma Dr Storm Drain Replacement
- Carroll Canyon Rd storm drain replacement
- Cabrillo Heights rain gardens
- Princess View Dr storm drain replacement
- Manhasset Dr storm drain replacement
- Bannock Ave Streetscape Improvement
- Preece St storm drain replacement
- Avenida de la Playa storm drain replacement

The Utilities Undergrounding Program completed the relocation approximately 15 miles of overhead utilities during Fiscal Year 2015.

2016 CIP Goals

The City has a goal of repairing at least 1,000 miles of road during the next five years and improving the average pavement overall condition index to 70 in the next ten years. To reach these goals, in Fiscal Year 2016, the Department plans to complete 94 miles of asphalt overlay, four miles of concrete streets, and 210 miles of slurry seal. Additionally, the Department plans to construct many pedestrian, vehicular traffic, and roadway improvement projects.

Goals also include establishment of new transportation projects including sidewalk and street light installation, street light circuit conversion, signal modification, bridge rehabilitation, and the addition of bicycle facilities.

Transportation projects scheduled to start construction in Fiscal Year 2016 include:

- Widening of the State Route 163/Friars Road overcrossing and construction of new south-bound off-ramp
- Construction of the Mission Beach Boardwalk Bulkhead preservation project
- Construction of curbs, gutters, and sidewalks along La Jolla Mesa Drive
- Construction of Streamview Drive improvements
- Installation of sidewalks, curbs, gutter, guardrail, and new roadway segments in the Old Otay Mesa Road Westerly project
- Juan Street concrete replacement and rehabilitation project

Transportation & Storm Water

In addition, the Storm Water Division is scheduled to complete the construction of flood risk management projects and green infrastructure projects. Storm Water projects scheduled to be completed in Fiscal Year 2016 include repairs at Storm Water Pump Station D and storm drain replacements at Jean Drive, Coolidge Street, Hornblend Alley, Langmuir Street, Burroughs Street, Dunlop Street, and Whitney Court. The Beta Street Green Alley is a Fiscal Year 2016 project that will improve water quality.

The Utilities Undergrounding Program plans to relocate 15 miles of overhead utilities in Fiscal Year 2016.

Transportation & Storm Water

25th Street Renaissance Project / S00985

Trans - Signals - Calming/Speed Abatement

Council District: 3	Priority Score: 61
Community Plan: Greater Golden Hill	Priority Category: High
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2009 - 2017	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the construction of pedestrian amenities, traffic calming, streetscape improvements, and parking along 25th Street from Highway 94 to Balboa Park. The focus of the improvements is between E Street and B Street.

Justification: This project will provide traffic calming and improve pedestrian safety.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Golden Hill Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design began in Fiscal Year 2009 and was completed in Fiscal Year 2011. Design began in Fiscal Year 2011 and was completed in Fiscal Year 2014. Project construction began in Fiscal Year 2014 and will be completed in Fiscal Year 2016.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309677, adopted May 15, 2015, the transfer of TransNet Extension funding from this project to the Old Otay Mesa Road Westerly project (S00870) in the amount of \$150,000 and to the annual allocation for Traffic Calming (AIL00001) in the amount of \$109,000. Total project budget has been reduced by \$259,000.

Project Status:	Continuing	Contact Information:	Johnson, Brad
Duration:	2008 - 2016		619-533-5120
Improv Type:	Betterment		bjohnson@sandiego.gov

Description: This project provides for the reconstruction of the curb, gutter, and sidewalk on 34th and 35th Streets from Adams Avenue to Madison Avenue, and on Madison Avenue from Felton Street to 35th Street.

Justification: This project is required in order to mitigate drainage problems and reduce flooding.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Normal Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary work on this project was completed in Fiscal Year 2009. Design began in Fiscal Year 2010 and was completed in Fiscal Year 2015. Construction began in Fiscal Year 2015 and will be completed in Fiscal Year 2016.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309677, adopted May 15, 2015, the transfer of TransNet Extension funding from this project to the Holly Drive Street Improvements Project (S11033) in the amount of \$35,000. Total project budget has been reduced by \$35,000.

34th Street Storm Drain / S11001

Drainage - Storm Drain Pipes

Council District: 3	Priority Score: 48
Community Plan: Golden Hill	Priority Category: Medium
Project Status: Continuing	Contact Information: Batta, Jamal
Duration: 2011 - 2017	619-533-7482
Improv Type: Replacement	jbatta@sandiego.gov

Description: This project provides for improved flood control by upgrading the existing pipe and outfall along 34th Street.

Justification: This project will alleviate frequent flooding during normal storm events as a result of failure at the discharge end of the pipe.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Golden Hill Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and was completed in Fiscal Year 2013. Project construction began and was completed in Fiscal Year 2014. Post-construction environmental monitoring and the plant establishment period follow the completion of construction, and are anticipated to be completed in Fiscal Year 2017.

Summary of Project Changes: No significant change is anticipated for this project in Fiscal Year 2016.

38th Street Improvements / S00930

Council District: 9	Trans - Roadway
Community Plan: City Heights	Priority Score: 81
Project Status: Warranty	Priority Category: High
Duration: 2008 - 2016	Contact Information: Johnson, Brad
Improv Type: New	619-533-5120
	bjohnson@sandiego.gov

Description: This project provides full street improvements on 38th Street from Dwight Street north to terminus. Improvements will include curb, gutter, driveways, sidewalk, pedestrian ramps, pavement, drainage facilities, angled on-street parking, etc. The improvements will comply with current local, State, and federal safety and accessibility codes and regulations.

Justification: Street improvements are needed to comply with the City's design guides for the improvement of public right-of-way.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: The project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2014. Construction began in Fiscal Year 2014 and was completed in Fiscal Year 2015. The warranty period for this project will continue through Fiscal Year 2016.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309677, adopted May 15, 2015, the transfer of TransNet ARRA funding from this project to the Old Otay Mesa Road Westerly project (S00870) in the amount of \$250,000. Total project budget has been reduced by \$250,000.

Transportation & Storm Water

43rd St fr Logan to I805 St Widening / S00845

Trans - Roadway

Council District: 4, 9	Priority Score: 55
Community Plan: Southeastern San Diego	Priority Category: Medium
Project Status: Warranty	Contact Information: Schaar, Luis
Duration: 1989 - 2016	619-533-7492
Improv Type: Betterment	lschaar@sandiego.gov

Description: This project provides for realigning the intersection at 43rd Street and National Avenue. This project will make necessary traffic enhancements to handle the increased daily traffic associated with the residential, industrial, and commercial development of the State Route 252 Corridor (approximately 66 acres).

Justification: This project is a major component in the development of the State Route 252 Corridor within the Southcrest Project. The street currently handles approximately 12,000 weekday trips. Once development on the corridor is complete, the number of trips will increase significantly. The Southeastern San Diego Community Plan recommends improvement to four lanes to handle the current capacity.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Southeastern San Diego Community Plan and is in conformance with the City's General Plan.

Schedule: Design and land acquisition began in Fiscal Year 2002 and were completed in Fiscal Year 2009. Construction began in Fiscal Year 2011 and was completed in Fiscal Year 2013.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the transfer of \$100,000 in TransNet funding from this project to the annual allocation for Resurfacing of City Streets (AID00005). Total project cost has been reduced. This project will be closed by the end of the fiscal year.

Transportation & Storm Water

Aldine & Fairmount Dr Slope Restoration / S00865

Trans - Roadway - Erosion/Slope/Ret Wall

Council District: 9	Priority Score: 78
Community Plan: Kensington - Talmadge (Mid-City)	Priority Category: High
Project Status: Warranty	Contact Information: Batta, Jamal
Duration: 2006 - 2016	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for the evaluation, design, and construction of slope stability improvements along the south side of Aldine Drive between Fairmount Avenue and Van Dyke Avenue.

Justification: The inordinate amount of rainfall from the 2004/2005 rainy season caused erosion of sections of the slope along the south side of Aldine Drive between Fairmount Avenue and Van Dyke Avenue.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project implements the Mid-City: Kensington-Talmadge Community Plan and is in conformance with the City's General Plan.

Schedule: Design began and was completed in Fiscal Year 2010. Construction began in Fiscal Year 2011 and was completed in Fiscal Year 2012. A 25-month maintenance period was initiated following construction and was completed in Fiscal Year 2014. The closeout process with Caltrans and Federal Highway Administration (FHWA) extended through Fiscal Year 2015 with final project close out to follow in Fiscal Year 2016.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Alta La Jolla Drive Drainage Repair PhII / S10001

Drainage - Storm Drain Pipes

Council District: 1	Priority Score: 91
Community Plan: La Jolla	Priority Category: High
Project Status: Continuing	Contact Information: Batta, Jamal
Duration: 2010 - 2022	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project will repair the erosion and damage to the lower La Jolla Canyon bounded by Alta La Jolla Drive and the cul-de-sac at Vickie Drive.

Justification: This project is part of the settlement agreement and limited release entered into by the La Jolla Alta Master Council and the City of San Diego.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2013. However, the design plans and specifications had to be updated to comply with State and federal permits received in Fiscal Year 2014. Design was completed in Fiscal Year 2015. Construction is scheduled to be completed in Fiscal Year 2016 followed by a five-year maintenance and monitoring period as required by the project permits.

Summary of Project Changes: The project is scheduled to begin and complete construction in Fiscal Year 2016.

Transportation & Storm Water

Avenida de la Playa Infrastructure-SD / S13018

Drainage - Storm Drain Pipes

Council District: 1	Priority Score: 73
Community Plan: La Jolla	Priority Category: High
Project Status: Warranty	Contact Information: Bose, Sheila
Duration: 2009 - 2017	619-533-4698
Improv Type: Replacement	sbose@sandiego.gov

Description: This project will reduce flooding along Avenida de la Playa and will improve the capacity of the storm drain system and divert dry weather discharges. The improvements include the replacement of the low-flow diversion and outlet box, the addition of a hydrodynamic separator, and the upsizing of 636-linear feet of storm drain double box culvert.

Justification: Reports indicated the low flow diversion was not functioning as needed resulting in dry weather flow reaching the beach which is out of compliance with the California Oceans Plan. Additionally, the current pipe is vastly undersized which results in street flooding every year and which has, in the past, resulted in the flooding of local businesses.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary engineering began and was completed in Fiscal Year 2009. Design began in Fiscal Year 2009 and was completed in Fiscal Year 2013. Construction began in Fiscal Year 2014 and was completed in Fiscal Year 2015. The warranty period for this project will continue through Fiscal Year 2016.

Summary of Project Changes: This project will be completed and closed by the end of the fiscal year.

Azalea Park Neighborhood Identification / S00699

Trans - Roadway - Enhance/Scape/Medians

Council District: 9	Priority Score: N/A
Community Plan: City Heights (Mid-City)	Priority Category: N/A
Project Status: Warranty	Contact Information: Johnson, Brad
Duration: 2004 - 2017	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the construction of new vehicular and pedestrian improvements, including raised medians, sidewalks, curb ramps and curb-extensions (which are to be funded by Development Impact Fees), and neighborhood identification signage. This project is part of a community revitalization effort outlined in the Azalea Park-Hollywood Park Revitalization Action Program. The specific locations of this portion of the project are the intersections of Poplar Street and Fairmount Avenue.

Justification: These improvements will benefit the community by increasing safety, improving the flow of traffic, enhancing pedestrian access, and promoting community identification.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation and Storm Water budget.

Relationship to General and Community Plans: This project implements the recommendations found in the Mid-City Community Plan and the Azalea Park-Hollywood Park Revitalization Action Program and is in conformance with the City's General Plan.

Schedule: The preliminary design process for the raised medians, neighborhood identification signs, and seating areas, which included neighborhood residents' involvement, was completed. Design began in Fiscal Year 2007 and was completed in Fiscal Year 2013. Construction of vehicular and pedestrian improvements began in Fiscal Year 2011 and was completed in Fiscal Year 2012. The construction of the community identification sign will be completed in Fiscal Year 2016. The warranty period will be completed in Fiscal Year 2017.

Summary of Project Changes: This project will be completed and closed by the end of Fiscal Year 2017.

Balboa Avenue Corridor Improvements / S00831

Trans - Roadway - Enhance/Scape/Medians

Council District:	2, 6	Priority Score:	12
Community Plan:	Clairemont Mesa, Kearny Mesa	Priority Category:	Low
Project Status:	Continuing	Contact Information:	Schaar, Luis
Duration:	2003 - 2018		619-533-7492
Improv Type:	Betterment		lschaar@sandiego.gov

Description: This project provides improvements to Balboa Avenue (formerly known as State Route 274). The project is located between Interstate 5 and Interstate 805. The project will provide improvements consisting of new sidewalks, improvements to curb ramps and medians, modification of existing traffic signals, and bicycle facility improvements and traffic calming measures through the corridor. The sidewalk improvement between Mount Culebra Avenue and Mount Everest Boulevard, and the addition of new Pedestrian Countdown Timers at various intersections between Interstate 5 and Interstate 805 have been completed. The second phase of improvements will consist of traffic signal modifications, landscaping of existing median and various pedestrian and bicycle facility improvements.

Justification: This project is funded by a State contribution agreement as part of the relinquishment of State Route 274 to the City of San Diego.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Clairemont Mesa and Kearny Mesa Community Plans and is in conformance with the City's General Plan.

Schedule: Preliminary engineering has been completed. Construction of the first phase was completed in Fiscal Year 2014. Design of the second phase of this project was completed in Fiscal Year 2015. Construction of the second phase is scheduled to start in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project in Fiscal Year 2016.

Transportation & Storm Water

Bayshore Bikeway / S00944

Trans - Bicycle Facilities (All Class.)

Council District: 8	Priority Score: 51
Community Plan: Otay Mesa - Nestor	Priority Category: Medium
Project Status: Warranty	Contact Information: Johnson, Brad
Duration: 2001 - 2020	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for constructing a Class I bikeway from the northern end of 13th Street to Main Street at the Interstate 5 interchange at the southeast corner of San Diego Bay. This project will include the construction of 2.7 acres of Coastal Sage Scrub restoration as mitigation for impacts from the Bayshore Bikeway Project.

Justification: This project completes the missing segment of the planned bike path around San Diego Bay from Point Loma to Coronado. When completed, this change will improve public use safety overall.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa/Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2004 and was completed in Fiscal Year 2008. Construction began in Fiscal Year 2009 and was completed in Fiscal Year 2010. Design of the mitigation restoration began in Fiscal Year 2011 and was completed in Fiscal Year 2013. Locating the mitigation site and design of the mitigation was completed in Fiscal Year 2014. A five-year mitigation maintenance period will continue to Fiscal Year 2020.

Summary of Project Changes: TransNet funding in the amount of \$30,000 was allocated to this project in Fiscal Year 2016 to cover costs of the five-year mitigation and monitoring period.

Description: This annual allocation provides for the widening, replacement, or retrofitting of miscellaneous bridge rehabilitation projects.

Justification: This project maintains an ongoing program to promote safety on City bridges. Funding is provided on an on-going basis.

Operating Budget Impact: None

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: In Fiscal Year 2015 City Council authorized the transfer of \$450,275 in Proposition 42 Replacement funding to this project from the annual allocation for Guard Rails (AIE00002). Bridge Preventative Maintenance Program (BPMP) funding from federal and state grants was authorized per Resolution R-309538, March 25, 2015, for the Naval Training Center (NTC) Bridge project. TransNet funding identified in Fiscal Year 2016 will fund the construction of the Voltaire Street Bridge Rehabilitation project. Additional funding of \$500,000 from the General Fund will support the rehabilitation of the NTC Bridge.

Transportation & Storm Water

Bus Stop Improvements / AID00007

Trans - Roadway

Council District:	Citywide	Priority Score:	Annual
Community Plan:	Citywide	Priority Category:	Annual
Project Status:	Continuing	Contact Information:	Puente, Edgar
Duration:	2010 - 2020		619-527-7527
Improv Type:	Betterment		epuente@sandiego.gov

Description: This project will provide for the installation of improvements such as bus pads and sidewalks near bus stops citywide. This project is funded by the City's share of bus stop advertising revenue. Funding for the project was provided per terms of an agreement with San Diego Metropolitan Transit System (MTS) in Fiscal Years 2010 through 2015. This agreement was extended through Fiscal Year 2024.

Justification: Pavement at bus stops may be damaged by rippling and potholing caused by friction from bus tires when buses decelerate, accelerate, or turn. This project provides for replacing paving at bus stops with stronger pavement sections. This extends pavement life and reduces maintenance costs. Also, this project may include sidewalk betterments at bus stops that improve access and bus passenger loading area.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: An additional \$46,080 of available fund balance was allocated to this annual allocation in Fiscal Year 2015, per City Council Resolution R-309414, adopted December 23, 2014. The City's share of revenue is estimated to be \$60,000 in Fiscal Years 2016 through 2024 due to the revised agreement and will be used to support bus stop improvements.

Transportation & Storm Water

Camino Del Sur (Bernardo Lks/Lone Quail) / RD11000

Trans - Roadway

Council District: 1	Priority Score: N/A
Community Plan: Black Mountain Ranch	Priority Category: N/A
Project Status: Warranty	Contact Information: Abeyta, Angela
Duration: 2011 - 2016	619-533-3674
Improv Type: New	aabeyta@sandiego.gov

Description: This project provides for reimbursement to a developer for design and construction of a four-lane major roadway within a six-lane right-of-way. The project will be built in two phases. The first phase consists of the two northerly lanes between Bernardo Lakes Drive and Lone Quail Road that have been built as a subdivider improvement. The second phase consists of design and construction of the southerly two lanes and the median from Bernardo Lakes Drive to Lone Quail Road. This is project T-34.2 in the Black Mountain Ranch Public Facilities Financing Plan.

Justification: This facility is required to accommodate traffic generated by new development in Black Mountain Ranch and surrounding communities as well as existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I has been completed and the developer reimbursed per the terms of a reimbursement agreement through the FBA credit program. Phase II began in Fiscal Year 2012 and was completed in Fiscal Year 2014. This is an FBA credit project. Refer to Volume III: Capital Improvements Program, Fiscal Year 2016 Adopted Budget Summary Table 23: Capital Improvements Program Credit Projects for project budget and cost. Budgeted funds are for city oversight and verification of final costs.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Description: This project provides for reimbursement to a developer for the design and construction of Camino Del Sur between Torrey Santa Fe and Carmel Mountain Road as an interim 2-lane roadway within the right-of-way for a future four lane facility. This is Project T-3.1B in the Torrey Highlands Ranch Public Facilities Financing Plan (See companion Project T-3.2B).

Justification: This facility is required to accommodate traffic generated by new development in Torrey Highlands and surrounding communities as well as existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2015. This project will be constructed by the developer per the terms of a future reimbursement agreement.

Summary of Project Changes: This is a newly published reimbursable project for Fiscal Year 2016.

Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 1998 - 2017	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the construction of Camino del Sur (formerly Camino Ruiz) as a four-lane major street with Class II bicycle lanes from State Route 56 to 1,600 feet north of Park Village Road.

Justification: Camino del Sur is the major street connecting the southwest corner of Rancho Penasquitos to the future Carmel Mountain Road extension and to State Route 56. This street is required to accommodate traffic generated in Rancho Penasquitos, Torrey Highlands, and surrounding communities.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: The project is consistent with the Rancho Penasquitos Community Plan, and Torrey Highlands Subarea Plan, projects T-3.1A, T-3.2A, T-3.1B and T-3.2B and is in conformance with the City's General Plan.

Schedule: The Environmental Impact Report was completed in Fiscal Year 2006. Design began in Fiscal Year 2014. Construction is anticipated to begin in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 2009 - 2018	619-533-7492
Improv Type: New	lschaar@sanidiego.gov

Description: This project provides for raising the elevation of an existing bike path crossing over Carmel Creek.

Justification: This project will provide for relief of water ponding under the Carmel Country Road Bridge and to the east of the bridge on the Palacio Del Mar property. This condition has created a health and safety issue for area residents.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Public Facilities Financing Plan (Project W-3) and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2012 and was scheduled to be completed in Fiscal Year 2013, but due to revised project scope, preliminary engineering was completed in Fiscal Year 2014. Design began again in Fiscal Year 2015 and is scheduled to be completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Carmel Mountain Rd to Del Mar Mesa Rd / S00846

Trans - Roadway

Council District:	1	Priority Score:	N/A
Community Plan:	Del Mar Mesa	Priority Category:	N/A
Project Status:	Continuing	Contact Information:	Williams, Charlette Stron
Duration:	2003 - 2016		619-533-3683
Improv Type:	New		cswilliams@sandiego.gov

Description: This project provides for the construction of Carmel Mountain Road as a two-lane collector street from the Carmel Valley Neighborhood easterly boundary to Little McGonigle Ranch Road (formerly Del Mar Mesa Road). The 4,050 linear feet of half-width road (FBA funded) which traverses open space will be 40-feet/62-feet. Also included as part of this project is a wildlife crossing under Carmel Mountain Road. The remainder (sub-divider funded) will be both 40-feet/62-feet and 50-feet/72-feet and will include left-turn lane at intersections and major driveways as needed. A multi-use trail will be constructed as part of this project along the entire project length.

Justification: This project is required to accommodate the additional traffic generated as a result of development in Del Mar Mesa. This project is the subject of an active reimbursement agreement with Pardee Homes for the reimbursable part of this improvement valued at \$2.7 million and a non-reimbursable subdivider condition valued at \$4.4 million.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Del Mar Mesa Specific (Community) Plan and is in conformance with the City's General Plan.

Schedule: Subdivider to complete land acquisition, design and construction scheduled for Fiscal Year 2015 to 2016. Developer to be partially reimbursed by the FBA. Project design and construction are to be completed by the developer in accordance with a Reimbursement Agreement (RA) which began in Fiscal Year 2014.

Summary of Project Changes: It is anticipated that an additional \$2.6 million in Del Mar Mesa Facilities Benefit Assessment funding will be allocated to this project per the Public Facilities Financing Plan in Fiscal Year 2016.

Improv Type: Widening	cswilliams@sandiego.gov

Description: This project provides for reimbursement to a developer for the design and construction of Carmel Mountain Road as a four-lane major street, complete with median improvements from Camino Del Sur to the existing terminus of this roadway in Rancho Penasquitos. This is Project T-5.2 in the Torrey Highlands Public Facilities Financing Plan.

Justification: This facility is required to accommodate traffic generated by new development in Torrey Highlands and surrounding communities as well as existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and is in conformance with the City's General Plan.

Schedule: This project will be constructed in two phases. The first phase will cover construction of the first two travel lanes; construction of the first phase began in Fiscal Year 2015. The second phase, which will complete the four-lane facility for entire length, will be required in phase four of the transportation phasing plan.

Summary of Project Changes: This is a newly published reimbursable project for Fiscal Year 2016. It is anticipated that \$2.7 million in Torrey Highlands Facilities Benefit Assessment funding will be allocated to this project in Fiscal Year 2016.

Trans - Roadway

Council District: 1	Priority Score: N/A
Community Plan: Pacific Highlands Ranch	Priority Category: N/A
Project Status: Warranty	Contact Information: Galvez III, Oscar
Duration: 2005 - 2016	619-533-3685
Improv Type: New	galvez@sanidiego.gov

Description: This reimbursement project provides for design and construction of Carmel Valley Road from Del Mar Heights Road to Lopelia Meadows Place as a four-lane facility within a 122-foot right-of-way that can accommodate six lanes in the future. The two internal lanes will be left unimproved for future expansion to accommodate six lanes of traffic or another transit oriented facility. In the interim, these two lanes shall be landscaped and incorporated into the center median improvements. This section of Carmel Valley Road includes the pedestrian undercrossing at the Lopelia Meadows Place. See Project T-4.3 in the Pacific Highlands Ranch Public Facilities Financing Plan. This project will be built by the developer who will be reimbursed.

Justification: Due to anticipated traffic volumes on Carmel Valley Road, the section between Del Mar Heights Road and Lopelia Meadows Place will be constructed as a four-lane facility that can be expanded to six lanes in the future.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Reimbursement to the developer will be made in accordance with the existing reimbursement agreement. This project is complete.

Summary of Project Changes: This project is complete and will be closed after final reimbursement to the developer.

Improv Type: New	galvez@sanidiego.gov

Description: This project provides for reimbursement to a developer for the design and construction of Carmel Valley Road from Lopelia Meadows place to Via Abertura as a four-lane facility within a 122-foot right-of-way that can accommodate six lanes in the future (approximately 3,600 linear feet).

Justification: This project is in accordance with the Pacific Highlands Ranch Public Facilities Financing Plan, Project T-4.4. Companion Projects T-4.2 and T-4.3 are for the other phases of this project.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I was completed in Fiscal Year 2014. Pardee agreed to advance funding and is anticipated to be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment (FBA) under the terms of a reimbursement agreement. Reimbursement to the developer was programmed for Fiscal Year 2014 through Fiscal Year 2017. Subsequent phases are anticipated with adjacent subdivision development with final reimbursement estimated to occur in Fiscal Year 2018.

Summary of Project Changes: It is anticipated an additional \$600,000 in Pacific Highlands Ranch Facilities Benefit Assessment funding will be allocated to this project per the Public Facilities Financing Plan in Fiscal Year 2016.

Duration:	2003 - 2017		619-533-3683
Improv Type:	New		cswilliams@sandiego.gov

Description: This project provides for the design and construction of two additional travel lanes in two increments. The first increment requires the widening along the frontage of the Torrey Del Mar development. The second increment completes the remainder of the widening. Timing of each increment of widening will be based on the rate of development in Torrey Highlands. See project T4.3 in the Torrey Highlands Public Facilities Financing Plan.

Justification: This facility is required to accommodate traffic generated by new development in Black Mountain Ranch, Torrey Highlands, and surrounding communities as well as existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and is in conformance with the City's General Plan.

Schedule: Initial lanes have been completed. Widening to be completed by the two separate developers per terms of Reimbursement Agreement (RA). The RA and construction of the lanes adjacent to the Torrey Del Mar development were also completed in Fiscal Year 2013 (First Increment). It is anticipated that construction of the second increment of the widening will begin in Fiscal Year 2016 and be completed in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status:	Continuing	Contact Information:	Galvez III, Oscar
Duration:	2004 - 2016		619-533-3685
Improv Type:	New		galvez@sanidiego.gov

Description: This reimbursement project provides for the design and construction of Carmel Valley Road from the Camino Santa Fe Interchange to Del Mar Heights Road as a six-lane facility within a 146-foot right-of-way transitioning to a four-lane facility within a 122-foot right-of-way (4,000 linear feet). The expanded right-of-way will permit widening of up to 24 additional feet for a future transit-oriented facility. In the interim, these two-lanes shall be landscaped and incorporated into the center median improvements.

Justification: Due to anticipated traffic volumes on Carmel Valley Road, the portion between SR-56 and Del Mar Heights Road will be constructed as a six-lane facility, in two phases, as required by the Transportation Phasing. See Project T- 4.2 and Torrey Highlands Public Facilities Financing Plan Project T- 4.5.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch and Torrey Highlands Public Facilities Financing Plans and is in conformance with the City's General Plan.

Schedule: The developer (Pardee) provided advanced funding for this project and will be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment under the terms of a reimbursement agreement.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Description: This project provides for improving Carmel Valley Road to a modified two-lane collector street from 300 feet east of Portofino Drive to the Del Mar city limits. The improvements include construction of curb, gutter, sidewalks, and drainage improvements as well as construction of a Class II bicycle lane on both sides of Carmel Valley Road.

Justification: This project will improve traffic flow and turning movements on this roadway and provide bike paths on Carmel Valley Road.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction of the project are complete. Environmental monitoring was completed in Fiscal Year 2015. Following the completion of right-of-way transfer the project will be closed.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Improv Type: Widening	aabeyta@sanidiego.gov

Description: This project provides for reimbursement to a developer for the design and construction of two additional travel lanes for Carmel Valley Road. The first increment occurred at each end of this reach to accommodate intersection requirements. The second increment extends the widening in the middle portion of this roadway to accommodate future transit use per the community plan. Timing of each increment of widening will be based on the transportation phasing plan. This is Project T-4.4 in the Torrey Highlands Public Facilities Financing Plan.

Justification: This facility is required to accommodate traffic generated by new development in Torrey Highlands and surrounding communities as well as existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan and is in conformance with the City's General Plan.

Schedule: It is anticipated that the developer of Black Mountain Ranch (BMR) will construct this project under the terms of a future reimbursement agreement.

Summary of Project Changes: This is a newly published reimbursable project for Fiscal Year 2016. It is anticipated that \$1.7 million in Torrey Highlands Facilities Benefit Assessment funding will be allocated to this project in Fiscal Year 2016.

Transportation & Storm Water

Carroll Cyn Rd/Sorrento Valley Rd Dist 1 / S00841

Trans - Bridge - Vehicular

Council District:	1, 6	Priority Score:	73
Community Plan:	Mira Mesa, Torrey Pines	Priority Category:	High
Project Status:	Warranty	Contact Information:	Schaar, Luis
Duration:	1988 - 2017		619-533-7492
Improv Type:	New		lschaar@sanidiego.gov

Description: This project provides for a modified four-lane collector street from Sorrento Valley Road, under Interstate 805, to Scranton Road as part of a joint project with Caltrans. Carroll Canyon Road will include Class II bike lanes and direct access ramps onto Interstate 805 from Carroll Canyon Road to the Interstate 5 interchange. This is project T-29 in the Mira Mesa Public Facilities Financing Plan.

Justification: The Carroll Canyon Road extension project is necessary in accordance with the community plan and the average daily trip forecast of 25,000 vehicles per day. Currently, there is no roadway and the traffic travels on Mira Mesa Boulevard which is over capacity. This project will improve traffic circulation in the area.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Schedule: Land acquisition was scheduled in Fiscal Year 2005 and rescheduled to Fiscal Year 2009 due to changes in scope and alignment. Design was completed in Fiscal Year 2010. Construction began in Fiscal Year 2010 and was completed in Fiscal Year 2015. The warranty period will end in Fiscal Year 2016,

Summary of Project Changes: This project is complete and will be closed by the end of Fiscal Year 2016.

Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2008 - 2016	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for the reconstruction of the curbs, gutters, and sidewalks on Cherokee Street from Monroe Avenue to East Mountain View.

Justification: This project is required in order to mitigate drainage problems and reduce flooding.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City: Normal Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary engineering began in Fiscal Year 2009 and was completed in Fiscal Year 2010. Design began in Fiscal Year 2012 and was completed in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2016 and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Transportation & Storm Water

Coastal Rail Trail / S00951

Trans - Bicycle Facilities (All Class.)

Council District: 1	Priority Score: 72
Community Plan: Torrey Pines, University	Priority Category: High
Project Status: Underfunded	Contact Information: Schaar, Luis
Duration: 2002 - 2018	619-533-7492
Improv Type: New	lschaar@sandiego.gov

Description: This project provides for identifying the best alignment for a bikeway route of approximately 10 miles between Sorrento Valley/Carmel Valley Road to the Gilman Drive/Interstate 5 Intersection.

Justification: This project is part of a larger multi-jurisdictional project, which proposes a bikeway along the coast in the cities of Oceanside, Encinitas, Solana Beach, Carlsbad, Del Mar, and San Diego. It is intended to provide regional connectivity for both commuting bicylists and recreational activities.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines and University Community Plans and is in conformance with the City's General Plan.

Schedule: Preliminary engineering began in Fiscal Year 2013. Design and environmental document were scheduled to be completed in Fiscal Year 2014, but due to revised project scope, began in Fiscal Year 2015. The environmental phase is scheduled to be completed in Fiscal Year 2016. Design is scheduled to be complete in Fiscal Year 2017. Construction is now expected to begin in Fiscal Year 2017. This schedule will be revised once additional funding is identified to complete the project.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the transfer of \$1.5 million from State Route 163 and Friars Road (S00851) to this project for environmental and design costs. Unidentified funding in the project was reduced by a like amount resulting in no net change to project budget.

Coolidge Street Storm Drain / S11003

Drainage - Storm Drain Pipes

Council District: 7	Priority Score: 46
Community Plan: Linda Vista	Priority Category: Medium
Project Status: Continuing	Contact Information: Batta, Jamal
Duration: 2011 - 2017	619-533-7482
Improv Type: Replacement	jbatta@sandiego.gov

Description: This project provides for improved flood control by upgrading the existing pipe and inlet along Coolidge Street.

Justification: This project will alleviate frequent flooding during normal storm events as a result of the current undersized storm drain.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2013 and was completed in Fiscal Year 2015. Construction is scheduled to begin in early Fiscal Year 2016.

Summary of Project Changes: Infrastructure Bond funding in the amount of \$294,000 was allocated to this project in Fiscal Year 2015.

Cooperative Traffic Signal Projects / AIL00003

Trans - Signals - Traffic Signals

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Hughes, Duncan
Duration: 2010 - 2020	619-533-3141
Improv Type: Replacement	drhughes@sanidiego.gov

Description: This annual allocation provides for the City's share of the cost of traffic signal improvements undertaken in cooperation with others.

Justification: It is often beneficial for the City to share in the cost of traffic signal improvements undertaken in cooperation with other agencies. The most common situation involves the intersection of a City street with a State highway, County road, or street that is the responsibility of another jurisdiction. This project provides the flexibility necessary for timely initiation of these improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the reallocation of budget and the deappropriation of grant funding from this annual allocation. Following the completion of the remaining sublet project, 28th Street I-5 Traffic Signal Cabinet (B01001), this annual allocation will be closed.

Del Mar Heights Road-4/6 Lanes / S00903

Trans - Roadway

Council District: 1	Priority Score: N/A
Community Plan: Pacific Highlands Ranch	Priority Category: N/A
Project Status: Continuing	Contact Information: Galvez III, Oscar
Duration: 2003 - 2016	619-533-3685
Improv Type: New	galvez@sanidiego.gov

Description: This reimbursement project provides for construction of Del Mar Heights Road from Old Carmel Valley Road to the new alignment of Carmel Valley Road as a modified five-lane roadway within a 122-foot right-of-way for a future six-lane facility. The project includes an eastbound third lane as the roadway approaches Carmel Valley Road. This project includes the bridge crossing over the open space corridor. This is the second phase of the project and will provide local access to the central area of development. The developer will advance funding for this project and be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment (FBA) under the terms of a reimbursement agreement.

Justification: This facility is required to accommodate traffic being generated by new development in Pacific Highlands Ranch as well as by existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Community Plan (Project T-3.2) and is in conformance with the City's General Plan.

Schedule: Construction of the project is complete. Reimbursements to the developer will continue through Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Transportation & Storm Water

Del Sol Boulevard-Central / S00858

Trans - Roadway

Council District: 8	Priority Score: 51
Community Plan: Otay Mesa	Priority Category: Medium
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2004 - 2016	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for construction of the central section of Del Sol Boulevard from the eastern boundary of Palm Ridge through the Multiple Species Conservation Program (MSCP) open space, and along the frontage of the proposed community park, elementary, and middle school site. The roadway will consist of 800 linear feet of a two-lane collector and 2,000 linear feet of a four-lane collector street. Phase I will construct approximately 1,000 linear feet of new road west of Surfcrest Drive along the frontage of the new school. Phase II will construct the remainder.

Justification: The transportation element of the Otay Mesa Community Plan suggests that an integrated transportation network will provide mobility and accessibility for the residents and business travelers to, from, and through the community. See companion projects T-4.1 and T-4.2 in the Otay Mesa Public Facilities Financing Plan.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation and Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I was constructed by the San Ysidro School District through a Facilities Benefit Assessment Reimbursement Agreement. Design of Phase I was completed in Fiscal Year 2012. Construction of Phase I began in Fiscal Year 2012 and was completed in Fiscal Year 2014. A two-year maintenance period is expected to be completed in Fiscal Year 2016. Phase I is scheduled to be closed in Fiscal Year 2016. Phase II will be designed and constructed by the City to complete the connection from Phase I to the existing westerly terminus.

Summary of Project Changes: City Council resolution R-308811 reconciled Facilities Benefit Assessment funding in this project and budget was reduced by \$1.4 million.

Project Status: Continuing	Contact Information: January, Frank
Duration: 2010 - 2017	619-533-3699
Improv Type: New	fjanuary@sanidiego.gov

Description: This project provides for constructing approximately 2,900 linear feet as a two-lane collector street north of Palm Avenue within the Dennerly Ranch Precise Plan area. Multiple Species Conservation Program frontage is to be funded from the Otay Mesa Facilities Benefit Assessment.

Justification: This project is required to accommodate the additional traffic generated as a result of development in the Otay Mesa community.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design and construction have been completed. Per terms of an anticipated reimbursement agreement, the developer may be reimbursed contingent upon the rate of fees collected within the community.

Summary of Project Changes: The financial schedules have been updated for the programmed Facilities Benefit Assessment (FBA) funds per the approved Otay Mesa Public Facilities Financing Plan (PFFP).

Transportation & Storm Water

Drainage Projects / ACA00001

Drainage - Storm Drain Pipes

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Demich, Andrea
Duration: 2010 - 2020	858-541-4348
Improv Type: New	ademich@sandiego.gov

Description: This annual allocation provides for reconstructing or replacing failed drainage facilities citywide.

Justification: This project provides for the high priority redesign and reconstruction of existing storm drain structures. There are currently over 900 miles of storm drains in the City of San Diego. These storm drains can fail because of a variety of reasons (system material, age, earth movement, etc). The Operations and Maintenance Section of the Storm Water Division regularly cleans these systems and performs minor repairs; however, storm drain systems that require redesign and reconstruction are often encountered.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis as funding is identified.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the transfer of \$0.3 million from the Storm Water division's operating budget to this project for the Jamacha Drainage Channel Upgrade project. General Fund Contributions to the CIP will be allocated to this project in Fiscal Year 2016 in the amount of \$1.6 million for on-going needs in the project and additional funding for repair and slope stabilization of outfalls. Additionally, Infrastructure Bond funding of \$18.8 million was allocated in Fiscal Year 2015.

Transportation & Storm Water

El Camino Real Widening / S00916

Trans - Roadway

Council District: 1	Priority Score: N/A
Community Plan: Pacific Highlands Ranch, Black Mountain Ranch	Priority Category: N/A
Project Status: Warranty	Contact Information: Johnson, Brad
Duration: 2007 - 2016	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for widening of the existing roadway of El Camino Real (between Half Mile Drive and San Dieguito Road) as a four-lane major street within the existing, graded right-of-way.

Justification: This project is required in order to accommodate the additional traffic generated as a result of development in the surrounding communities, including Pacific Highlands Ranch, as well as the existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch and Black Mountain Ranch Public Facilities Financing Plans and is in conformance with the City's General Plan.

Schedule: This project was completed in Fiscal Year 2013.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Transportation & Storm Water

El Camino Real to ViaDeLaValle (1/2 mile) / S00856

Trans - Bridge - Vehicular

Council District: 1	Priority Score: 53
Community Plan: Future Urbanizing Area - Subarea 2	Priority Category: Medium
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 1992 - 2020	619-533-5120
Improv Type: Widening	bjohnson@sandiego.gov

Description: This project provides for replacing the existing two-lane bridge with a four-lane bridge and widening the existing two-lane roadway to a modified four-lane major road. This project will also provide for improvements on eastbound Via de la Valle as far as northbound El Camino Real.

Justification: This project will replace the existing bridge and modify the segment of El Camino Real between Via de la Valle and San Dieguito Road in order to ensure a structurally sound bridge over the San Dieguito river, alleviate problems associated with high flood events, improve pedestrian and vehicular access to nearby coastal and recreational resources, relieve traffic congestion, and improve consistency with the adopted land-use plan for the project area.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Fairbanks Ranch Country Club Specific Plan and the North City Future Urbanizing Area Framework Plan and is in conformance with the City's General Plan.

Schedule: The environmental review process began in Fiscal Year 2007 and is scheduled to be completed in Fiscal Year 2016. Design is scheduled to begin in Fiscal Year 2016 and be completed in Fiscal Year 2017. Land acquisition is scheduled to begin in Fiscal Year 2017. Construction is scheduled to begin in Fiscal Year 2018 and anticipated to be completed in Fiscal Year 2020. Due to the complexity in obtaining environmental clearance, construction is anticipated to be advertised in Fiscal Year 2017.

Summary of Project Changes: TransNet funding in the amount of \$3.2 million previously identified in this project for Fiscal Year 2016 has been re-allocated to higher priority projects. This amount is now shown as unidentified funding.

Transportation & Storm Water

El Camino Real/SR 56 Bike Path Connector / S00981

Trans - Bicycle Facilities (All Class.)

Council District: 1	Priority Score: 32
Community Plan: Carmel Valley	Priority Category: Low
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2009 - 2016	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: The project provides a new bike path connector, a concrete driveway apron, associated drainage improvements, and re-vegetation areas on the east side of El Camino Real in order to provide access to the State Route 56 Bike Path.

Justification: This project is required in order to provide a safe method of bicycle access from street to trail.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Public Facilities Financing Plan (See project T-4) and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2012 and was completed in Fiscal Year 2015. Construction will begin and be completed in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Euclid Avenue & Home Improvements / S00886

Trans - Roadway

Council District: 9	Priority Score: N/A
Community Plan: Normal Heights (Mid-City)	Priority Category: N/A
Project Status: Warranty	Contact Information: Batta, Jamal
Duration: 2002 - 2016	619-533-7482
Improv Type: New	jbatta@sandiego.gov

Description: This project provides for street improvements recommended in the Euclid Avenue Revitalization Program and the Mid-City Community Plan. Improvements will extend from Home Avenue to Thorn Street and will include curb, gutter, sidewalk, paving, traffic calming installations, and landscape.

Justification: Euclid Avenue carries a traffic volume in excess of its design capacity, resulting in significant congestion, which impacts neighboring properties. Traffic speed, volume, and a deficiency in pedestrian infrastructure compromise pedestrian safety.

Operating Budget Impact: The landscape maintenance will be the responsibility of the landscape maintenance assessment district (MAD).

Relationship to General and Community Plans: This project is consistent with the Mid-City: Normal Heights Community Plan and is in conformance with the City's General Plan.

Schedule: All construction improvements are complete except the landscape, which is pending formation of a maintenance assessment district. The street is operational and open to traffic.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status:	Continuing	Contact Information:	Johnson, Brad
Duration:	2009 - 2016		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: The project provides for the construction of pedestrian curb extension, sidewalk, curb ramps, countdown pedestrian crossing signal system, and modifies traffic signage and signals to allow for safe pedestrian crossing at the intersections of Hancock Street and Washington Street and San Diego Avenue and Washington Street.

Justification: This project is needed to address public concerns regarding pedestrian safety in the Five Points Neighborhood.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Midway Pacific Highway Corridor and Uptown Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and was completed in Fiscal Year 2012. Project construction is scheduled to begin and be completed in Fiscal Year 2016.

Summary of Project Changes: Project scope was revised to include additional curb ramps, a popout and the reconstruction of a storm drain inlet. Due to these revisions, construction originally scheduled to begin in Fiscal Year 2014 was rescheduled to Fiscal Year 2016.

Project Status: Warranty	Contact Information: Johnson, Brad
Duration: 2010 - 2016	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project will provide for the installation of new sidewalks, intersection bulb-outs to decrease the street crossing distances, pedestrian ramps, and a new traffic signal.

Justification: Located in the City Heights Community, Florence Griffith Joyner Elementary School serves students from kindergarten through fifth grade who walk or bike to school, and are faced with crossing several wide intersections in the vicinity of the school. This project will provide traffic calming measures and will enhance pedestrian mobility.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and was completed in Fiscal Year 2013. Construction began in Fiscal Year 2013 and was completed in Fiscal Year 2014. Warranty period in this project continued through Fiscal Year 2015.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Florida Drive Median Improvements / S11057

Trans - Roadway - Enhance/Scape/Medians

Council District: 3	Priority Score: N/A
Community Plan: Balboa Park	Priority Category: N/A
Project Status: Warranty	Contact Information: Qasem, Labib
Duration: 2012 - 2016	619-533-6670
Improv Type: New	lqasem@sandiego.gov

Description: This project provides for the installation of median improvements on Florida Drive. Improvements include the installation of a concrete center median and street lighting to enhance safety conditions for vehicles, bicyclists, and other users of the roadway.

Justification: This project will enhance roadway conditions by reducing the occurrence of head-on collisions caused by vehicles crossing over the center median and adding street lights where none exist.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Balboa Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2012 and was completed in Fiscal Year 2013. Construction began in Fiscal Year 2013 and will be completed in Fiscal Year 2016. The warranty period for this project will be completed in Fiscal Year 2016.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309677, adopted May 15, 2015, the transfer of TransNet Prop A funding to this project from the Miramar Road/I-805 Easterly Ramps Project (S00880) in the amount of \$150,000. Total project budget has been increased by \$150,000.

Council District: 1	Priority Score: 44
Community Plan: University	Priority Category: Medium
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 1990 - 2017	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for widening Genesee Avenue to six lanes plus dual turn lanes and replacing the existing Genesee Avenue overcrossing with a higher, wider (124-foot) structure and the modification of the existing ramps. The environmental document will also clear additional Interstate 5 Corridor improvements including auxiliary lanes on both sides of the freeway, north and south of Genesee Avenue, and the replacement of the Voight Drive Overcrossing.

Justification: This project is needed to improve traffic flow. It is included in the Council-approved North University City Public Facilities Financing Plan (PFFP) as Project Number 24.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: The environmental document was completed in Fiscal Year 2011. Land acquisition and design was completed in Fiscal Year 2014. Construction of the Genesee Overcrossing and ramps began in Fiscal Year 2015 and is anticipated to be completed in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status: Continuing	Contact Information: Chui, Gary
Duration: 1992 - 2017	619-533-3770
Improv Type: Widening	gchui@sandiego.gov

Description: This project provides for widening Genesee Avenue from Nobel Drive to State Route 52 to a modified six-lane major street north of Decoro Street and a modified six-lane primary arterial south of Decoro Street. The project includes a right-turn lane, eastbound to southbound, at the Genesee Avenue/Nobel Drive intersection; additional left-turn lane, including a traffic signal at State Route 52 interchange; and Class II bicycle lanes.

Justification: This project is needed to increase the capacity of this facility. See Project Number A in the North University City Public Facilities Financing Plan.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: This project is on hold. City Council Resolution R-302497, April 2, 2007, stipulates deletion of the project pending the preparation, consideration, and certification of a project-level Environmental Impact Report (EIR). This project will remain in the financing plan until the EIR is completed in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Project Status:	Continuing	Contact Information:	Johnson, Brad
Duration:	1994 - 2017		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: This project provides for seismic and structural improvements of the bridge and the adjacent retaining walls.

Justification: This bridge has severe spalling due to age and has severe height limitations which need to be corrected. Trucks continue to hit the low arches of the bridge.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: The environmental review process was completed in Fiscal Year 2013. Design began in Fiscal Year 2014 and was completed in Fiscal Year 2015. Right-of-way acquisition began in Fiscal Year 2014 and was completed in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2016 and is anticipated to be completed in Fiscal Year 2017.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309357, adopted December 12, 2014 the transfer of TransNet Extension funding from this project to the annual allocation for Resurfacing of City Streets (AID00005) in the amount of \$1.0 million. Additionally, federal grant funding identified for the construction phase of the project in the amount of \$9.3 million was appropriated in Fiscal Year 2015. These actions resulted in a project budget increase of \$8.3 million.

Guard Rails / AIE00002

Trans - Roadway - GRails/BRails/Safety

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Fuentes, Julio
Duration: 2010 - 2020	619-533-3092
Improv Type: Replacement	jfuentes@sanidiego.gov

Description: This annual allocation provides for installing new and replacing old guard rails along streets where needed.

Justification: The City maintains an ongoing program to promote safety within the public right-of-way. Analysis of accident patterns at a particular location will occasionally show that some minor improvements in the area would help to reduce the number and/or severity of accidents. This annual allocation provides the flexibility necessary for timely initiation of such improvements.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the re-allocation of \$638,275 in Proposition 42 Replacement funding from this project to the annual allocations for Bridge Rehabilitation (AIE00001) and Median Installation (AIG00001). No significant change has been made to this project for Fiscal Year 2016.

Transportation & Storm Water

Hayes Ave Storm Drain / S11002

Drainage - Storm Drain Pipes

Council District: 3	Priority Score: 41
Community Plan: Uptown	Priority Category: Low
Project Status: Continuing	Contact Information: Batta, Jamal
Duration: 2011 - 2017	619-533-7482
Improv Type: Replacement	jbatta@sandiego.gov

Description: This project provides for improved flood control by upgrading the existing pipe along Hayes Avenue.

Justification: This project will alleviate frequent flooding during normal storm events as a result of the current undersized storm drain pipe.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Uptown Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and was completed in Fiscal Year 2015. Construction will begin in Fiscal Year 2016 and is scheduled to be completed in Fiscal Year 2016. The warranty period will be completed in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Transportation & Storm Water

Hillery Drive Improvements / S11064

Trans - Roadway

Council District: 6	Priority Score: N/A
Community Plan: Mira Mesa	Priority Category: N/A
Project Status: Warranty	Contact Information: Schaar, Luis
Duration: 2012 - 2016	619-533-7492
Improv Type: Widening	lschaar@sandiego.gov

Description: This project will provide for the widening of Hillery Drive and traffic calming on adjacent streets.

Justification: Caltrans is completing a high occupancy/transit freeway lanes project in the middle of Interstate 15, with a Direct Access Ramp (DAR) onto Hillery Drive to serve the Mira Mesa community. Traffic mitigation is required as part of this project.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design and right-of-way acquisition began in Fiscal Year 2012 and were completed in Fiscal Year 2013. Construction began in Fiscal Year 2014 and was completed in Fiscal Year 2015. The warranty period will be completed in Fiscal Year 2016.

Summary of Project Changes: No change is anticipated for this project in Fiscal Year 2016.

Transportation & Storm Water

Holly Dr. Street Improvements / S11033

Trans - Roadway

Council District: 4	Priority Score: 37
Community Plan: Encanto Neighborhoods (Southeastern)	Priority Category: Low
Project Status: Warranty	Contact Information: Johnson, Brad
Duration: 2011 - 2016	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for construction of curbs, gutters, sidewalks, driveways, curb ramps, and pavement on Holly Drive from South Willie James Jones Avenue to South Euclid Avenue.

Justification: This project will improve the street and sidewalk making them safer for pedestrians.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Encanto Neighborhoods Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and was completed in Fiscal Year 2014. Construction began in Fiscal Year 2014 and was completed Fiscal Year 2015. Project will remain active until warranty period ends in Fiscal Year 2016.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309677, adopted May 15, 2015, the transfer of TransNet Extension funding to this project from the 34th & 35th at Madison Improvements Project (S00922) in the amount of \$35,000 and \$40,000 from the San Diego Multi Use Path (S00958) project. Total project budget has been increased by \$75,000.

Transportation & Storm Water

I5 to SR56 Freeway Connectors / S00707

Trans - Roadway

Council District: 1	Priority Score: N/A
Community Plan: Carmel Valley	Priority Category: N/A
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2003 - 2016	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the preparation of a project report and environmental document (PR/ED) for northerly connections of the Interstate 5 and State Route 56 freeways. Alternatives under consideration include direct freeway-to-freeway connectors from westbound State Route 56 to northbound Interstate 5 and southbound Interstate 5 to eastbound State Route 56, an auxiliary lane alternative which proposes providing operational improvements on Interstate 5 between Del Mar Heights Road and Carmel Valley Road, on Carmel Valley Road between Interstate 5 and State Route 56, and on State Route 56 west of Carmel Country Road. The third alternative includes the direct freeway connectors from westbound State Route 56 to northbound Interstate 5 and the auxiliary lane alternative improvements on southbound Interstate 5, eastbound Carmel Valley Road, and eastbound State Route 56.

Justification: State Route 56 opened to traffic in July 2004 and provided a new east/west connection between Interstates 5 and 15. This introduced a significantly new volume of traffic to the Interstate 5 corridor in Carmel Valley, some of which needs to travel to or from the north. This project will provide the improvements necessary to make these moves most efficiently and avoid the heavy use of local streets.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plans and is in conformance with the City's General Plan.

Schedule: Preparation of the project report and environmental determination began in Fiscal Year 2004 and was completed in Fiscal Year 2015. Design and construction will be scheduled pending allocation of funding.

Summary of Project Changes: Project cost was reduced by \$450,262 due to updating of programmed funding from Pacific Highlands Ranch FBA.

Expenditure by Funding Source

Transportation & Storm Water

I5/SR56 Fiberoptic Relocation / S00708

Trans - Roadway

Council District: 1	Priority Score: N/A
Community Plan: Carmel Valley	Priority Category: N/A
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2004 - 2016	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: The Interstate 5/State Route 56 Fiber Optic Relocation project will abandon an existing fiber optic cable alignment adjacent and parallel to Interstate 5 between Carmel Valley Road and Del Mar Heights Road and will relocate the utility to the east of the existing alignment and into the public right-of-way.

Justification: The relocation is necessary to accommodate the future road widening of Interstate 5 that would affect the existing utility alignment.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Construction will be scheduled in the future after Caltrans has identified the required funding.

Summary of Project Changes: Caltrans will be constructing the project utilizing federal funds.

Install T/S Interconnect Systems / AIL00002

Trans - Signals - Traffic Signals

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Hughes, Duncan
Duration: 2010 - 2020	619-533-3141
Improv Type: Replacement	drhughes@sandiego.gov

Description: This annual allocation provides for the installation of, and modifications to, traffic signal interconnect systems citywide.

Justification: This project provides for increased traffic signal coordination which will reduce traffic congestion.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309357, adopted December 12, 2014, the allocation of \$400,000 in Regional Transportation Capital Improvement Program (RTCIP) funding to this project for the University Avenue Interconnect project. An additional allocation of \$1.5 million in RTCIP was authorized via Resolution R-309677, adopted May 15, 2015, to this project for the Mira Mesa Interconnect project. TransNet funding allocated in Fiscal Year 2016 will be utilized to implement the City's Signal Communication Plan.

Installation of City Owned Street Lights / AIH00001

Trans - Roadway - Street Lighting

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Hughes, Duncan
Duration: 2010 - 2020	619-533-3141
Improv Type: New	drhughes@sandiego.gov

Description: This annual allocation provides for installing City-owned safety street lights where needed.

Justification: Additional street lights will increase the level of lighting for motorists, bicyclists, and pedestrians on public streets.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the re-allocation of various budgets to expedite expenditures in the TransNet Fund. Additionally, City Council authorized the allocation of \$600,000 in Proposition 42 Replacement funding for the Kensington Street Light Circle project. The TransNet Extension funding of \$100,000 in Fiscal Years 2016 and 2017 has been re-allocated to higher priority projects. Additionally, \$1.0 million in CIP Contributions from General Fund has been added to support this annual allocation in Fiscal Year 2016.

Transportation & Storm Water

Interstate 5 Underpass-Bikeway/Ped Conn / S00982

Trans - Bicycle Facilities (All Class.)

Council District: 1	Priority Score: 66
Community Plan: Carmel Valley	Priority Category: High
Project Status: Continuing	Contact Information: Genovese, Brian
Duration: 2009 - 2018	619-533-3836
Improv Type: New	BGenovese@sandiego.gov

Description: This project will provide the (missing) link between two existing bike/pedestrian paths: the regional bike connection that runs parallel to State Route 56 corridor, and the Sorrento Valley Road multi-use bike/pedestrian path, and will pass under Interstate 5, just south of the Carmel Mountain Road interchange.

Justification: Currently, cyclists and pedestrians must use the shoulders of Carmel Valley Road to access the west side of Interstate 5. High traffic volumes coupled with commercial driveways and freeway ramps make it difficult for pedestrians and cyclists to travel from one side of the freeway to the other.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Valley Public Facilities Financing Plan (Project T-5) and is in conformance with the City's General Plan.

Schedule: Caltrans may include this project as part of the Interstate 5 widening project. Design and construction will be scheduled upon evaluation of the project. City expenditure is contingent upon approval of cooperative/reimbursement agreement.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Juan Street Concrete Street / S00602

Trans - Roadway

Council District: 3	Priority Score: 73
Community Plan: Old San Diego, Uptown	Priority Category: High
Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 2010 - 2019	619-533-7492
Improv Type: Replacement	lschaar@sanidiego.gov

Description: This project provides for the replacement of the existing concrete pavement on Juan Street from Taylor Street to Sunset Road. The improvements include construction of curb, gutter, curb ramps, sidewalks (east and west sides), underground utilities, and replacement of water main, as well as construction of new storm drain system.

Justification: This project is needed to reconstruct the roadway due to deterioration of the existing roadway. This project location is one of the lowest rated non-residential concrete streets within the City based on Overall Condition Index (OCI) rating.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Old San Diego and Uptown Community Plans and is in conformance with the City's General Plan.

Schedule: Environmental document began in Fiscal Year 2011 and was completed in Fiscal Year 2013. Design began in Fiscal Year 2011 and was completed in Fiscal Year 2012. Construction began in Fiscal Year 2015 and is scheduled to be completed in Fiscal Year 2016. The warranty period will be completed in Fiscal Year 2019.

Summary of Project Changes: No significant change to this project for Fiscal Year 2016.

La Jolla Ecological Reserve Area of ASBS / S00607

Drainage - Best Mgt Practices (BMPs)

Council District: 1	Priority Score: 28
Community Plan: La Jolla	Priority Category: Low
Project Status: Warranty	Contact Information: Batta, Jamal
Duration: 2008 - 2016	619-533-7482
Improv Type: New	jbatta@sandiego.gov

Description: This project provides low-flow diversion systems for four storm drain outfalls that discharge directly into the La Jolla Ecological Reserve Area of Special Biological Significance (ASBS 29).

Justification: This project will divert non-storm water discharges during the dry season from reaching La Jolla Shores, which minimizes harmful pollutants from entering this significant biological and recreational resource.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design of the low-flow diversion system began in Fiscal Year 2008 and was completed in Fiscal Year 2012. Construction began in Fiscal Year 2012 and was completed in Fiscal Year 2014. The warranty period was completed in Fiscal Year 2015.

Summary of Project Changes: This project is complete and will be closed at the end of the fiscal year.

Improv Type: New

Priority Score: 33
Priority Category: Low
Contact Information: Schaar, Luis
 619-533-7492
 lschaar@sanidiego.gov

Description: This project provides new curb, gutter, sidewalk, barrier rail and retaining wall on the east side of La Jolla Mesa Drive south of Deer Hill Court and north of Baja Mar.

Justification: This project is required in order to provide safer pedestrian access.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2009 and was scheduled to be completed in Fiscal Year 2013, but due to revised project scope, design was rescheduled and was completed in Fiscal Year 2015. Construction will begin and is anticipated to be completed in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Transportation & Storm Water

La Jolla Village Drive and Regents Road / S00867

Trans - Roadway - Enhance/Scape/Medians

Council District: 1	Priority Score: 15
Community Plan: University	Priority Category: Low
Project Status: Warranty	Contact Information: Johnson, Brad
Duration: 1995 - 2016	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for a southbound-to-westbound right-turn lane at the La Jolla Village Drive/Regents Road intersection. A Class II bike lane is included for southbound bicyclists. Additional right-of-way will be acquired from the University of California San Diego (UCSD) at no cost.

Justification: This project is needed to improve traffic flow at this intersection per the North University Public Facilities Financing Plan - Project 41.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: The property exchange with UCSD was completed in Fiscal Year 2013. Design began in Fiscal Year 2013 and was completed in Fiscal Year 2014. Construction began in Fiscal Year 2014 and was completed in Fiscal Year 2015. Project will remain active until warranty period ends in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Transportation & Storm Water

La Jolla Village Drive-I-805 Ramps / S00857

Trans - Bridge - Vehicular

Council District: 1	Priority Score: N/A
Community Plan: University	Priority Category: N/A
Project Status: Warranty	Contact Information: Schaar, Luis
Duration: 2001 - 2018	619-533-7492
Improv Type: Widening	lschaar@sanidiego.gov

Description: This project converts the existing La Jolla Village Drive/Interstate 805 full cloverleaf interchange configuration to a partial cloverleaf configuration, including widening the overpass structure and approaches to provide three through lanes with an auxiliary lane in each direction. The project also provides for widening La Jolla Village Drive to eight lanes and constructing three lanes to the southbound on-ramp. Bike lanes will be included.

Justification: This project is needed to improve traffic circulation and safety in the University community per the North University City Public Facilities Financing Plan - Project C.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Design and land acquisition began in Fiscal Year 2001. Design was completed in Fiscal Year 2004. Caltrans awarded the construction contract in Fiscal Year 2011. Road construction was completed in Fiscal Year 2013. A five-year plant establishment and monitoring period will continue through Fiscal Year 2018.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

La Media Road Improvements / S15018

Trans - Roads/Widening/Reconfiguration

Council District: 8	Priority Score: 85
Community Plan: Otay Mesa	Priority Category: High
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2015 - 2019	619-533-5120
Improv Type: Widening	bjohnson@sandiego.gov

Description: This project provides for improvements to La Media Road from approximately 650 feet north of Airway Road to approximately 200 feet south of Siempre Viva Road. The new facility will be designed as a six lane primary arterial north of Airway Road, and a five lane major road between Airway Road and Siempre Viva Road with three southbound lanes and two northbound lanes. This project will also improve drainage at the intersection of La Media Road and Airway Road.

Justification: La Media Road is part of the designated Truck Route for the Otay Mesa Port of Entry. These improvements are needed to accommodate future development and future truck traffic.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design and Environmental process began in Fiscal Year 2015 and is scheduled to be completed in Fiscal Year 2017. Right-of-way acquisition is scheduled to begin in Fiscal Year 2017 and be completed in Fiscal Year 2018. Construction is scheduled to begin in Fiscal Year 2019.

Summary of Project Changes: This is a newly published project for Fiscal Year 2016.

Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2006 - 2017	619-533-5120
Improv Type: Widening	bjohnson@sandiego.gov

Description: This project provides for lengthening the Genesee Avenue westbound left-turn lanes to 300 feet and re-striping Genesee Avenue to provide an exclusive eastbound right-turn lane. It will also widen Linda Vista Road to provide an exclusive northbound right-turn lane.

Justification: This project will improve the traffic flow through the intersection.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Linda Vista Community Plan and is in conformance with the City's General Plan.

Schedule: The planning phase of this project was completed in Fiscal Year 2010. Design was completed in Fiscal Year 2015. Right-of-way acquisition began in Fiscal Year 2014 and was completed in Fiscal Year 2015. Construction is scheduled to begin and be completed in Fiscal Year 2016.

Manhasset Dr Storm Drain System Upgrade / S11005

Drainage - Storm Drain Pipes

Council District: 9	Priority Score: 43
Community Plan: College Area	Priority Category: Low
Project Status: Warranty	Contact Information: Batta, Jamal
Duration: 2011 - 2016	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for improved flood control by upgrading the existing pipe and inlet drains and adding new facilities along Manhasset Drive.

Justification: This project will alleviate frequent flooding during normal storm events as a result of the current undersized storm drain.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water Department budget.

Relationship to General and Community Plans: This project is consistent with the College Area Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and was completed in Fiscal Year 2013. Construction began in Fiscal Year 2014 and was completed in Fiscal Year 2015. The warranty period will be completed in Fiscal Year 2016.

Summary of Project Changes: This project is complete and will be closed in Fiscal Year 2016.

Midway Street Bluff Repair / S12005

Trans - Roadway - Erosion/Slope/Ret Wall

Council District: 1	Priority Score: 80
Community Plan: La Jolla	Priority Category: High
Project Status: Continuing	Contact Information: Darvishi, Ali
Duration: 2012 - 2016	619-533-5328
Improv Type: Betterment	adarvishi@sandiego.gov

Description: This project provides for the repair of the coastal bluff at the west end of Midway Street. Improvements will include enhanced support of the concrete paving and reconstruction of the protective barrier at the top of the bluff.

Justification: The coastal bluff at the west end of Midway Street in the Birdrock area eroded during the 2004-2005 storm season. The protective safety barriers at the bluff collapsed including portions of the concrete paving in the area. The area was temporarily barricaded to protect the public. This project provides for bluff repair and reconstruction of the protective barrier at the top of the bluff.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Planning began in Fiscal Year 2013 and was completed in Fiscal Year 2014. Design began in Fiscal Year 2014 and was completed in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2016.

Summary of Project Changes: Infrastructure Bond funding in the amount of \$100,000 was allocated in Fiscal Year 2015. An additional \$10,000 in CIP Contributions from General Fund was allocated in Fiscal Year 2015. The total project cost increase of \$92,000 is due to revised construction cost estimate.

Miramar Road-I-805 Easterly Ramps / S00880

Trans - Roadway

Council District: 1	Priority Score: 71
Community Plan: University	Priority Category: High
Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 2001 - 2017	619-533-7492
Improv Type: Widening	lschaar@sandiego.gov

Description: This two-phase project provides for widening Miramar Road to eight lanes from the Interstate 805 easterly on and off-ramps to 300 feet east of Eastgate Mall. It includes dual left-turn lanes at Eastgate Mall. Phase I constructed road improvements west of Eastgate Mall. Phase II will construct an exclusive right turn lane on westbound Miramar Road approaching Eastgate Mall and an exclusive right turn lane on southbound Eastgate Mall.

Justification: This project is needed to improve traffic flow, and is included in the Council-approved North University City Community Plan and Facilities Benefit Assessment Document per the North University City Public Facilities Financing Plan - Project 50.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: Phase I of the project was completed in September 2007. Phase II will construction is scheduled to begin and be completed in Fiscal Year 2016.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309677, adopted May 15, 2015, transferring TransNet Prop A funding from this project to the Florida Drive Median Improvement Project (S11057) in the amount of \$150,000, and to the annual allocation for Guardrails (AIE00002) in the amount of \$350,000. Total project budget has been reduced by \$500,000.

Transportation & Storm Water

Mission Beach Boardwalk Bulkhead / S00726

Trans - Ped Fac - Sidewalks

Council District: 2	Priority Score: N/A
Community Plan: Mission Beach	Priority Category: N/A
Project Status: Continuing	Contact Information: Batta, Jamal
Duration: 2002 - 2020	619-533-7482
Improv Type: Replacement - Rehab	jbatta@sandiego.gov

Description: This project provides for preserving the life of the historic Mission Beach bulkhead. The project was separated into five phases based on the pre-design integrity study. The design is focused on the most critical portions of the bulkhead; Phases I and II. These particular phases, in combination, propose to replace 1700 linear feet of boardwalk and 3 foot high seawall spanning between Ventura Place and San Fernando Place. Segments of the seawall and walkway within these limits contain cracks and deterioration as well as exposure of rebar which are a major safety concern. In addition, Americans with Disabilities Act (ADA) upgrades of the area are included in the scope of work. One key upgrade will be the ADA ramps within the pop-out openings to provide proper access to the beach.

Justification: This project will preserve the life of the bulkhead which was built in 1928.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: A study/evaluation report was prepared to determine the integrity of the existing Mission Beach Seawall from the southern limits at south Mission Beach jetty to Thomas Avenue, a distance of approximately 2.4 miles. The study was completed in March 2012. Design for Phases I and II was initiated in Fiscal Year 2012 and completed in Fiscal Year 2015. Due to the revised project scope, construction was rescheduled to begin and be completed in Fiscal Year 2016.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309357, adopted December 12, 2014, the re-allocation of \$500,000 in TransNet funding to this project for construction. An additional \$600,000 in Grant Fund - State was allocated to this project in Fiscal Year 2015 via City Council authorized Resolution R-307519, adopted June 28, 2012.

Transportation & Storm Water

Mission Beach Brdwalk Bulkhead Phased / L14004

Trans - Ped Fac - Sidewalks

Council District: 2	Priority Score: 78
Community Plan: Mission Beach	Priority Category: High
Project Status: Continuing	Contact Information: Batta, Jamal
Duration: 2014 - 2018	619-533-7482
Improv Type: Replacement - Rehab	jbatta@sandiego.gov

Description: The existing boardwalk stretches from the southern limits at the Mission Beach Jetty north to Thomas Avenue, a distance of approximately 2.3 miles. Due to the length, traffic usage, and conditions of the existing boardwalk, the overall project construction is separated into five phases. The phases are based on the City's priority criteria for the facilities. A detailed pre-design study dated on April 20, 2012, was prepared for the project. This project will cover phases 3 through 5.

Justification: This project will preserve the life of the bulkhead which was built in 1928.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Beach Precise Plan and is in conformance with the City's General Plan.

Schedule: Design is scheduled to start in Fiscal Year 2016. Construction is anticipated to begin in Fiscal Year 2017.

Summary of Project Changes: Project schedule was revised due to lack of available funding. Total project cost reflects the amount to fully fund design and construction of the remaining 13,000 linear feet of seawall and boardwalk needed for replacement.

Project Status: Continuing	Contact Information: White, Esmeralda
Duration: 2000 - 2016	619-533-3198
Improv Type: New	ewhite@sandiego.gov

Description: This project provides for various bikeway projects along the San Diego River Bike Path between Mission Trails and Mission Bay in the Mission Valley Community.

Justification: This project will provide safe, as-needed bikeways for bicyclists and pedestrians in the Mission Valley and Navajo communities.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Valley and Navajo Community Plans and is in conformance with the City's General Plan.

Schedule: The project schedule and cost estimate for design and construction was not approved. Funding will be re-allocated to another project.

Summary of Project Changes: This project will be closed by the end of the fiscal year.

N Harbor Dr Navy Estuary Seismic Retrofit / S00728

Trans - Bridge - Vehicular

Council District: 2	Priority Score: 74
Community Plan: Peninsula	Priority Category: High
Project Status: Warranty	Contact Information: Schaar, Luis
Duration: 1997 - 2016	619-533-7492
Improv Type: Replacement - Retrofit	lschaar@sanidiego.gov

Description: This project provides for the seismic retrofit of the North Harbor Drive Bridge, which will consist of stabilizing the existing piers and joining the paired piers together at the waterline to increase support during seismic events. Televising of the 87-inch force main is included.

Justification: The North Harbor Drive Bridge over Navy Estuary has been identified as a seismically deficient bridge by Caltrans. This project will provide safe-use of the bridge once retrofitted.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design was completed in Fiscal Year 2007. Construction began in Fiscal Year 2009 and was completed in Fiscal Year 2010. The project will be closed following the completion of the five-year mitigation and monitoring period.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Transportation & Storm Water

N Torrey Pines Rd Bridge/ Los Penasquitos / S00935

Trans - Bridge - Vehicular

Council District: 1	Priority Score: 56
Community Plan: Torrey Pines	Priority Category: Medium
Project Status: Warranty	Contact Information: Schaar, Luis
Duration: 1992 - 2017	619-533-7492
Improv Type: Replacement - Retrofit	lschaar@sandiego.gov

Description: This project provides for demolishing and reconstructing the North Torrey Pines Road Bridge over Los Penasquitos Creek and for transitionally widening both road approaches from approximately 770 feet south of the bridge to 1,100 feet north of the bridge. Tidal action from Los Penasquitos Lagoon is compromising beach access. Tidal action has become an issue due to the new configuration of the bridge span over the lagoon. Scouring of the access point from the State parking lot is an issue for State maintenance vehicles and beach patrons.

Justification: This project provides the replacement of the structurally deficient bridge to promote safe access and regular use.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Pines Community Plan and is in conformance with the City's General Plan.

Schedule: Environmental review was completed in Fiscal Year 2000. Design began in Fiscal Year 2000 and was completed in Fiscal Year 2003. Construction was completed in Fiscal Year 2006. Environmental mitigation and monitoring began in Fiscal Year 2012 and will continue until Fiscal Year 2016. Due to environmental obligations, a post-construction ramp for access to Torrey Pines beach for state vehicles and beach patrons was scheduled to be completed in Fiscal Year 2013, but due to revised project scope, the design was completed in Fiscal Year 2015, and construction will be completed in Fiscal Year 2016. Project will remain active until warranty period ends in Fiscal Year 2017.

Summary of Project Changes: No significant changes has been made to this project for Fiscal Year 2016.

Project Status:	Continuing	Contact Information:	Chui, Gary
Duration:	2010 - 2021		619-533-3770
Improv Type:	New		gchui@sanidiego.gov

Description: This annual allocation provides for the construction of sidewalks citywide.

Justification: This project provides permanent sidewalks to promote pedestrian safety and access.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled on a priority basis.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the allocation of \$700,000 in RTCIP funding to this project for construction of sidewalk improvements on Genesee Avenue. TransNet funding in the amount \$1.0 million previously identified for allocation in Fiscal Years 2016 and 2017 has been re-allocated to higher prioritized projects. \$526,000 in CDBG funding for various CDBG eligible areas is anticipated to be allocated to this project in Fiscal Year 2016.

Transportation & Storm Water

Old Otay Mesa Road-Westerly / S00870

Trans - Roadway

Council District: 8	Priority Score: 66
Community Plan: Otay Mesa, Otay Mesa - Nestor	Priority Category: High
Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 2008 - 2018	619-533-7492
Improv Type: Widening	lschaar@sandiego.gov

Description: The project is located south of State Route 905 and east of Interstate 805 along a portion of Otay Mesa Road extending east from the intersection of Hawken Drive and Otay Mesa Road and terminating just westerly of Crescent Bay Drive within the Otay Mesa Community Plan area (Council District 8). The roadway improvements will include widening and realigning an existing 26-foot wide, two-lane, undivided road to a 36-foot wide modified two lane local collector in accordance with the City of San Diego Street Design Manual; two striped 11-foot wide vehicular travel lanes; two 2-foot buffers; two 5-foot wide, Class II bicycle lanes; new sidewalks on each side of the roadway with curb and gutter; driveways; pedestrian ramps; street signage; utility relocations and adjustments; crib walls, faux-rock retaining walls, street lights, striping, and a new storm water drainage system. A guardrail and six-foot high, black vinyl-coated, chain-link fencing will be constructed along the sidewalk on the north side of Otay Mesa Road for pedestrian safety. Street lighting will be installed at 300-foot spacing. Disturbed areas will be revegetated with native plant species appropriate to the surrounding areas per the approved revegetation/erosion control plan.

Justification: The transportation element of the Otay Mesa Community Plan suggests that an integrated transportation network will provide mobility, accessibility, and safety for persons traveling to, from, and through the community.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is required by, and is consistent with, the Otay Mesa and Otay Nestor Community Plans and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008 and was scheduled to be completed in Fiscal Year 2013, but due to revised project scope, design was completed in Fiscal Year 2014. Construction is scheduled to begin in Fiscal Year 2016 and will be completed in Fiscal Year 2018.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309677, adopted May 15, 2015, the transfer of \$5.2 million in TransNet Extension funding and \$750,000 in TransNet ARRA funding to this project from various projects. Total project budget was increased by \$5.9 million.

Otay Mesa Truck Route Phase 4 / S11060

Trans - Roadway

Council District: 8	Priority Score: 43
Community Plan: Otay Mesa	Priority Category: Medium
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2010 - 2017	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This Phase IV project provides for the construction of an additional lane to the existing Otay Truck Route from La Media Road to Drucker Lane and for the extension of the Truck Route (two lanes) from Britannia Boulevard to La Media Road and along Britannia Boulevard from the border to Britannia Court.

Justification: The Phase IV additional lane and extension of the Truck Route will remove cargo traffic from local streets and further expedite international truck traffic southbound into Mexico at the Otay Mesa Port of Entry.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: The environmental process for Phase IV was completed in Fiscal Year 2012. Design began in Fiscal Year 2013 and was completed in Fiscal Year 2015. Right-of-way acquisition began in Fiscal Year 2015 and is scheduled to be completed in Fiscal Year 2016. Construction for Phase IV is scheduled to begin in Fiscal Year 2017.

Summary of Project Changes: Grant funding in the amount of \$1.4 million is anticipated in Fiscal Year 2016 and will support right-of-way acquisition. An additional \$1.0 million in grant funds is anticipated in Fiscal Year 2017 for construction. TransNet funding in the amount of \$4.5 million has been allocated in Fiscal Year 2016 to fully fund right-of-way acquisition and environmental mitigation work. Additionally, TransNet funding of \$9.7 million will be allocated in Fiscal Year 2017 for construction. Adjustments to funding have resulted in a \$2.3 million increase to total project cost.

Improv Type: Betterment	lschaar@sandiego.gov

Description: This project will provide for curb ramps, curbs & gutters, sidewalks, a new storm drain inlet, streetlights, and traffic striping on Pacific Highway Frontage Road at Bandini Street, Wright Street, Estudillo Street, and Sutherland Street.

Justification: The project location is a highly used area. One or more Americans with Disabilities Act (ADA) complaints have been received. The improvements are needed for disabled access in public right-of-way for compliance with current ADA standards.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the Midway Community Plan and the City's General Plan.

Schedule: Design and environmental document began in Fiscal Year 2013. Construction began in Fiscal Year 2015 and is anticipated to be completed in Fiscal Year 2016. The warranty period will be completed in Fiscal Year 2017.

Summary of Project Changes: No change to this project for Fiscal Year 2016.

Transportation & Storm Water

Palm Avenue Interstate 805 Interchange / S00869

Trans - Bridge - Vehicular

Council District: 8	Priority Score: 53
Community Plan: Otay Mesa, Otay Mesa - Nestor	Priority Category: Medium
Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 2002 - 2018	619-533-7492
Improv Type: Widening	lschaar@sandiego.gov

Description: This project provides for improving the Palm Avenue/Interstate 805 Interchange in three phases. The first phase has been completed which included restriping of travel lanes and signal modification. The second phase consists of environmental determination and design of the project; construction repairs to the bridge approaches and abutments; bridge widening to the south; installation of sidewalk and signals; restriping; and signage modifications. The third phase consists of construction of the bridge widening to the north; relocation of north bound on/off ramps and widening of the two on-ramps. All three phases of the project improvements per the Otay Mesa Public Facility Financing Plan (Projects T1.1, 1.2, 1.3, and 1.4).

Justification: This project is required to accommodate the additional traffic generated as a result of development in the Otay Mesa Community. Improvements to this interchange will also help to reduce traffic volumes on State Route 905.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa and Otay Mesa/Nestor Community Plans and is in conformance with the City's General Plan.

Schedule: Phase I is complete. Project Study Report was completed in Fiscal Year 2014. Phase II Preliminary Engineering and Environmental Phase will be completed in Fiscal Year 2016. Phase II design is scheduled to begin in Fiscal Year 2016 and construction is scheduled to begin in Fiscal Year 2018. Phase III design and construction phases will be scheduled upon allocation of funding. This schedule is contingent upon the rate of development and fees collected in the community.

Summary of Project Changes: The Otay Mesa Public Facilities Financing Plan adopted per City Council Resolution R-308811 dated April 29, 2014 reduced the budget in this project by \$3.8 million resulting in a revised project cost.

Palm Avenue Roadway Improvements / S00913

Trans - Roadway

Council District: 8	Priority Score: 57
Community Plan: Otay Mesa - Nestor	Priority Category: Medium
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2007 - 2016	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for vehicular and pedestrian safety improvements on Palm Avenue from Beyer Way to Del Cardo Avenue in two phases. Phase 1, from east of Beyer Way to Del Cardo Avenue, includes the installation of raised center medians, turn pockets, traffic signals, pedestrian refuge areas, crosswalks, striping, and signage. Phase 2 consists of vehicular and pedestrian safety improvements at the intersection of Palm Avenue and Beyer Way.

Justification: These improvements will benefit the community by increasing the safety and flow of traffic.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa-Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary project planning began in Fiscal Year 2007 and was completed in Fiscal Year 2008. Design of Phase 1 began in Fiscal Year 2010 and was completed in Fiscal Year 2014. Construction of Phase 1 began in Fiscal Year 2014 and was completed in Fiscal Year 2015. Phase 2, pending dedication of right of way, will complete design in Fiscal Year 2016. Construction will begin in Fiscal Year 2016.

Summary of Project Changes: The project description and schedule have been revised.

Community Plan: Sabre Springs	Priority Category: Medium
Project Status: Warranty	Contact Information: Johnson, Brad
Duration: 1997 - 2017	619-533-5120
Improv Type: Widening	bjohnson@sandiego.gov

Description: This project provides for the construction of a Class I bicycle path (combined pedestrian and bicycle travel) easterly along the south side of Poway Road from the I-15/Poway Road interchange to Sabre Springs Parkway, approximately 1,950 feet in length.

Justification: The Sabre Springs Community Plan encourages the development of a system of bikeways within the community, tying into the regional bicycle network.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Sabre Springs Community Plan and is in conformance with the City's General Plan.

Schedule: The Environmental Process began in Fiscal Year 2008 and was completed in Fiscal Year 2012. Design began in Fiscal Year 2012 and was completed in Fiscal Year 2013. Construction began in Fiscal Year 2014 and was completed in Fiscal Year 2015. After construction, a 25-month maintenance and monitoring period will continue through Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Regents Rd Widening-Genesee to Executive / S00881

Trans - Roadway

Council District: 1	Priority Score: 56
Community Plan: University	Priority Category: Medium
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2003 - 2017	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for widening Regents Road to a modified four-lane major street from Genesee Avenue to Executive Drive, relocation of the Genesee Avenue/Regents Road intersection to the east, and bike lanes.

Justification: This project is needed to improve traffic flow and is included in the Council-approved North University City Community Financing Plan - Project 13 and Facilities Benefit Assessment Document.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: The right-of-way phase of the project has been completed and the project design has been updated to meet new water quality requirements. Design began in Fiscal Year 2013 and was completed in Fiscal Year 2016. Construction is scheduled to begin in Fiscal Year 2016.

Summary of Project Changes: Project schedule has been revised. City Council approval will be required to accept the \$728,000 donation from UCSD shown as anticipated funding in Fiscal Year 2016. Total project cost will decrease by \$192,000.

Regents Road Bridge / S00729

Trans - Bridge - Vehicular

Council District: 1	Priority Score: N/A
Community Plan: University	Priority Category: N/A
Project Status: Continuing	Contact Information: Chui, Gary
Duration: 1992 - 2018	619-533-3770
Improv Type: New	gchui@sandiego.gov

Description: This project provides for an 870-foot bridge spanning the AT&SF Railroad and a portion of the flood plain. Additionally, this project provides for a four-lane major street with Class II bike lanes on Regents Road from the AT&SF railroad bridge to 100 feet north of Lahitte Court as well as widening the existing half width street to a four-lane major street from 100 feet north of Lahitte Court to Governor Drive, including Class II bike lanes. In addition, the project recreational improvements in the canyon, which include limiting noise to the greatest extent possible, traffic calming, walkability, profile/light penetration structure design, habitat restoration, recreational improvements for pedestrians, and bike access trails.

Justification: This project will complete Regents Road and provide continuous access to northern communities. This project is included in the Council-approved North University City Financing Plan and Facilities Benefit Assessment Plan (Project NUC-18).

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the University Community Plan and is in conformance with the City's General Plan.

Schedule: The Regent's Road Bridge is currently being studied as part of an update to the University Community Plan's Transportation Element and the project is on hold until the study is completed.

Summary of Project Changes: No significant change to this project for Fiscal Year 2016.

Transportation & Storm Water

Replace Obsolete T/S Controllers / AIL00010

Trans - Signals - Traffic Signals

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Hughes, Duncan
Duration: 2010 - 2020	619-533-3141
Improv Type: Replacement	drhughes@sandiego.gov

Description: This annual allocation provides for replacing obsolete and/or out-of-production traffic signal (T/S) controller units.

Justification: Present day requirements for coordinated signal operation, protected left turns, and emergency vehicle preemption are increasingly difficult or impossible to incorporate into some older controller units now in service. Older units function with moving parts and electrical contacts, both of which are subject to wear. Maintenance costs are increasing and parts are becoming difficult to find. The new controllers are solid-state, less costly to maintain, and more adaptable to today's needs.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: Following the completion of the remaining sublet project for the replacement of obsolete traffic signal controllers citywide, this annual allocation will be closed.

Transportation & Storm Water

Resurfacing of City Streets / AID00005

Trans - Roadway

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Gefrom, Walter
Duration: 2010 - 2020	619-527-7509
Improv Type: Betterment	wgefrom@sandiego.gov

Description: This annual allocation provides for roadway resurfacing, repair, and reconstruction.

Justification: This project provides for resurfacing, repair, and reconstruction of City streets, which are necessary to maintain the streets in serviceable condition and to mitigate roadway deterioration.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the re-allocation of TransNet funding in the amount of \$7.0 million and \$6.3 million from Proposition 42 Replacement funding to this project. An additional \$48.5 million of Infrastructure Bond Financing was allocated in Fiscal Year 2015. Based on a streets condition assessment conducted in November 2011, the City will need an estimated \$101.2 million of additional unidentified funding to address the remaining deferred capital needs. A street condition assessment is currently underway and is expected to be completed by mid-Fiscal Year 2016. Based on data from this updated condition assessment, the unidentified funding amount will be revised.

Transportation & Storm Water

Rose & Tecolote Creeks Water Quality Improvements / ACC00002

Council District: 6	Priority Score: Annual
Community Plan: Clairemont Mesa	Priority Category: Annual
Project Status: Continuing	Contact Information: Demich, Andrea
Duration: 2010 - 2020	858-541-4348
Improv Type: Betterment	ademich@sandiego.gov

Description: This project proposes Storm Water Best Management Practices (BMP) to address pollutants of concern in the Tecolote Creek sub-watershed. A green street consisting of several biofiltration basins will be constructed at various points in the neighborhood around Mount Abernathy Avenue. The basins will reduce the amount of storm water runoff that reaches the storm drain system.

Justification: This project addresses pollutants of concern within the Rose and Tecolote Creek watersheds which satisfies the watershed-based water quality activity requirements in the Regional Water Quality Board's Municipal Storm Water Permit.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with Clairemont Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and was completed in Fiscal Year 2013. Construction began in Fiscal Year 2013 and was completed in early Fiscal Year 2015.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Rose Creek Bikeway / S00946

Council District: 2, 6
Community Plan: Mission Bay Park, Pacific Beach
Project Status: Warranty
Duration: 2001 - 2016
Improv Type: New

Trans - Bicycle Facilities (All Class.)

Priority Score: N/A
Priority Category: N/A
Contact Information: Batta, Jamal
 619-533-7482
 jbatta@sandiego.gov

Description: This project provides for design and construction of a pedestrian/bicycle bridge across Rose Creek and a paved Class I bike path to connect the westerly end of the new bridge to Pacific Beach Drive.

Justification: This project will close a gap in the existing network of bike paths and lanes in Mission Bay Park. The project will allow pedestrians and bicyclists to circumvent a much longer existing route along Grand Avenue.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project implements the Pacific Beach Community Plan and the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2001 and was completed in Fiscal Year 2010. Construction began in Fiscal Year 2011 with substantial completion in Fiscal Year 2012. Ribbon cutting for the bridge was held on April 20, 2012. Plant establishment and maintenance was completed in Fiscal Year 2014 and was followed by the issuance of the Notice of Completion (NOC).

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Project Status: Warranty	Contact Information: Hughes, Duncan
Duration: 2003 - 2016	619-533-3141
Improv Type: Betterment	drhughes@sanidiego.gov

Description: This project provides for improvements to the former State Route 209, which includes all or parts of Camino del Rio West, Rosecrans Street, Canon Street, Catalina Boulevard, and Cabrillo Memorial Drive. Project scope could include but is not limited to construction of sidewalks, modification of existing traffic signals, traffic calming measures, and bicycle facility improvements.

Justification: Redevelopment in the area resulted in increased traffic and pedestrian activity.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation and Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Peninsula and Midway Community Plans and is in conformance with the City's General Plan.

Schedule: The evaluation of this project was completed in Fiscal Year 2014. Implementation of improvements began and will be completed in Fiscal Year 2016.

Summary of Project Changes: This project will be closed by the end of this fiscal year.

SR 163/Clairemont Mesa Blvd Interchange / S00905

Trans - Bridge - Vehicular

Council District: 6	Priority Score: 71
Community Plan: Kearny Mesa	Priority Category: High
Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 2005 - 2024	619-533-7492
Improv Type: Widening	lschaar@sanidiego.gov

Description: This project provides for improving Clairemont Mesa Boulevard/State Route 163 to six-lane prime arterial standards. Phase I of the project consists of bridge widening and ramp realignment on the eastern side of the interchange. Phase II consists of ramp realignment on the western side. The interchange will be re-configured to eliminate existing continuous-flow freeway connections and the ramps will be re-configured to intersect Clairemont Mesa Boulevard at standard signalized intersections. High-occupancy vehicle/bus bypass lanes will be incorporated on the on-ramps.

Justification: These improvements will eliminate existing pedestrian/bike high-speed crossings and all vehicle, bike, and pedestrian moves will be controlled, thus improving safety. Transit movement through the interchange area will be greatly enhanced.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Kearny Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2010 and was completed in Fiscal Year 2015. Construction also began in Fiscal Year 2015 and will be completed in Fiscal Year 2018. There will be a five-year plant establishment and monitoring period through Fiscal Year 2023.

Summary of Project Changes: The project schedule has been revised to reflect adjusted construction completion date as a result of revised project scope. In Fiscal Year 2015, \$1.7 million in RTCIP funding was added for increased project costs associated with the City's obligation to Caltrans, increasing the project cost.

Transportation & Storm Water

SR 163/Friars Road / S00851

Trans - Bridge - Vehicular

Council District: 7	Priority Score: 61
Community Plan: Mission Valley	Priority Category: High
Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 1990 - 2019	619-533-7492
Improv Type: Widening	lschaar@sanidiego.gov

Description: This project provides for construction of a new southbound State Route 163 to westbound Friars Road off-ramp, widening of the Friars Road overcrossing structure to eight lanes extending to Frazee Road, construction of a third westbound lane on Friars Road to Fashion Valley Road, the addition of an exclusive right-turn lane on southbound Frazee Road to westbound Friars Road, other modifications to the existing on and off-ramps, and improvements to the existing State Route 163 southbound travel lanes to improve the weaving problems. This project also includes an auxiliary lane on southbound State Route 163 from Genesee Avenue to westbound Interstate 8, which requires major structural work to widen the bridge over the San Diego River. Additionally, over 5,300 feet of retaining walls will need to be constructed along State Route 163 and Friars Road, including one that is over 30 feet high. Friars Road widening and ramp improvements at Friars Road will be constructed with Phase I.

Justification: This project will alleviate some of the severe traffic delays along Friars Road due to new development in Mission Valley and the backup that occurs on the existing southbound off-ramp because of the weaving situation with the southbound on-ramp.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary engineering was completed in Fiscal Year 1996. Design began in Fiscal Year 2002 and continued through Fiscal Year 2009. Final design for Phase 1 began in Fiscal Year 2011 and was completed in Fiscal Year 2015. Right-of-way acquisition was scheduled in Fiscal Year 2015. Construction for Phase I is scheduled for Fiscal Year 2017 due to an extended and complex design process and funding availability. Phase II and Phase III are scheduled to be constructed in coming fiscal years once funding becomes available.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized per Resolution R-309357, adopted December 12, 2014, the appropriation of \$0.9 million in Mission Valley DIF funding and the transfer of \$0.9 million in RTCIP funding to the annual allocations for New Walkways and Traffic Signal Interconnect projects. Also in Fiscal Year 2015, Resolution R-309677, adopted May 15, 2015, authorized the transfer of \$2.4 million from Torrey Pines Road Slope (S00877) to this project. Additionally, \$2.0 million in TransNet funding was re-allocated to other high priority projects. TransNet funding in Fiscal Year 2016 in the amount of \$12.0 million reflects the return of this funding. Mission Valley DIF funding is allocated in the amount of \$450,000 in Fiscal Year 2016. Developer funding shown as anticipated donations in the amount of \$7.6 million has been received and will be allocated to this project in Fiscal Year 2016.

Transportation & Storm Water

SR94/Euclid Av Interchange Phase 2 / S14009

Trans - Roadway

Council District: 4	Priority Score: 57
Community Plan: Southeastern (Encanto Neighborhoods)	Priority Category: Medium
Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 2011 - 2019	619-533-7492
Improv Type: Betterment	lschaar@sanidiego.gov

Description: The State Route 94/Euclid Avenue interchange is an uncontrolled intersection with higher than average accident rates. The Euclid Avenue overpass crosses State Route 94, one of the region's most important east-west connections. The City of San Diego is considering improvements to the interchange to enhance safety features through this corridor and the optimization of the level of service for both Euclid Avenue and State Route 94.

Justification: The project will evaluate the State Route 94 / Euclid Avenue Interchange for improvements to enhance Level of Service of the interchange and safety improvement measures for all modes of transportation.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Encanto Neighborhoods Community Plan and in conformance with the City's General Plan.

Schedule: Preliminary engineering and environmental documentation began in Fiscal Year 2012 and was completed in Fiscal Year 2013 in SR-94/Euclid Avenue Interchange Improvements, S11046. Design began in Fiscal Year 2015 and is scheduled to be completed in Fiscal Year 2016. Construction has been rescheduled from Fiscal Year 2016 to Fiscal Year 2017 due to reallocation of funding. A traffic study for the project was performed which identified improvement elements for the area. The State of California has reviewed the study and will participate in the project as it relates to their facilities.

Summary of Project Changes: No change identified in this project for Fiscal Year 2016.

Transportation & Storm Water

San Diego River Multi-Use Path / S00958

Council District: 7
Community Plan: Mission Valley
Project Status: Warranty
Duration: 2006 - 2016
Improv Type: New

Trans - Bicycle Facilities (All Class.)

Priority Score: 56
Priority Category: Medium
Contact Information: Johnson, Brad
 619-533-5120
 bjohnson@sandiego.gov

Description: This project provides for a multi-use pedestrian and bicycle path under State Route 163 from Hazard Center Drive to Fashion Valley Mall on the north side of the San Diego River. The project includes a paved bicycle and pedestrian path, visitor kiosk, striping, signage, bollards, and lighting for the path underneath State Route 163.

Justification: This project is part of the Bicycle Master Plan to guide the development and the creation of a firm foundation for a bicycle-friendly environment to serve bicyclists and pedestrians throughout the City. These improvements will benefit the community by increasing the mobility and safety through the enhancement of the bicycle path environment.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary engineering and planning began in Fiscal Year 2006 and was completed in Fiscal Year 2008. The environmental review process began in Fiscal Year 2009 and was completed in Fiscal Year 2012. Design began in Fiscal Year 2009 and was completed in Fiscal Year 2013. Construction began and was completed in Fiscal Year 2014. The warranty period continued through Fiscal Year 2015.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309677, adopted May 15, 2015, the transfer of TransNet Extension funding from this project to the Holly Drive Street Improvements Project (S11033) in the amount of \$40,000. Total project budget has been reduced by \$40,000.

Project Status: Warranty	Contact Information: Batta, Jamal
Duration: 2011 - 2016	619-533-7482
Improv Type: Replacement	jbatta@sandiego.gov

Description: This project provides for improved flood control by upgrading the existing pipe along San Remo Way.

Justification: This project will alleviate frequent flooding during normal storm events as a result of the current undersized storm drain.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in 2011 and was completed in Fiscal Year 2013. Construction began in Fiscal Year 2013 and was completed in Fiscal Year 2014. The warranty period continued through Fiscal Year 2016.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Transportation & Storm Water

Saturn Blvd Roadway Improvements / S11028

Trans - Ped Fac - Sidewalks

Council District: 8	Priority Score: 41
Community Plan: Otay Mesa - Nestor	Priority Category: Low
Project Status: Warranty	Contact Information: Schaar, Luis
Duration: 2011 - 2016	619-533-7492
Improv Type: Betterment	lschaar@sanidiego.gov

Description: This project provides for the widening of the west side of Saturn Boulevard, north of Grove Street. The project includes new pavement, with approximately 980 linear feet of new curb, gutter and sidewalk, pedestrian ramps, retaining wall, drainage improvements and relocation of existing above ground utilities.

Justification: The project is located adjacent to a school where students disembark from a school bus and then walk to school via this route. This project would provide a safer pedestrian route for the students and also improve surface drainage.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa-Nestor Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2012 and was completed in Fiscal Year 2013. Construction began in Fiscal Year 2013 and was completed in Fiscal Year 2014. The warranty period continued through Fiscal Year 2015.

Summary of Project Changes: The decrease in total project cost is due to construction completion and a grant that had expired. This project is complete and will be closed by the end of the fiscal year.

School Traffic Safety Improvements / AIK00002

Trans - Ped Fac - Sidewalks

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Fuentes, Julio
Duration: 2010 - 2021	619-533-3092
Improv Type: New	jfuentes@sanidiego.gov

Description: This annual allocation provides for the installation of traffic control devices, sidewalks, signal modifications, and other improvements that will serve to improve safety surrounding schools. This allocation can also be used to match State or federal grants for this purpose.

Justification: The Public Safety and Neighborhood Services Committee of the City Council requested that this program be instituted in order to proactively respond to school traffic safety problems in the City.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: TransNet funding previously identified for this project in Fiscal Year 2016 and Fiscal Year 2017 has been reallocated to higher priority projects.

Expenditure by Funding Source

Transportation & Storm Water

Sea World Dr/I5 Interchange Improvement / S00888

Trans - Bridge - Vehicular

Council District: 6	Priority Score: 74
Community Plan: Mission Bay Park	Priority Category: High
Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 2007 - 2018	619-533-7492
Improv Type: Replacement	lschaar@sanidiego.gov

Description: This project proposes to realign and widen the southbound off-ramp, reconfigure the off-ramp intersection to eliminate the free right turn onto Sea World Drive, widen the eastbound approach to the southbound on-ramp, and increase storage on the overcrossing for the eastbound to northbound left turn at the northbound on-ramp. In addition, this alternative proposes to provide a loop on ramp to northbound Interstate 5 from eastbound Sea World Drive. The eastbound and westbound approaches would be modified to provide required storage and the entire interchange would be relocated approximately 30-feet to the south to accommodate phased construction of a new overcrossing. In addition, when funding is identified, Sea World Drive will be widened to six lanes between Sea World Way and Interstate 5.

Justification: Widening Sea World Drive to six lanes and improving the Sea World Drive/Interstate 5 interchange are necessary to meet existing and forecasted traffic volumes.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan and is in conformance with the City's General Plan.

Schedule: Project study report was completed in Fiscal Year 2011. Preliminary engineering and preparation of environmental document were scheduled to begin in Fiscal Year 2011 but have been put on hold due to funding constraints. Design, environmental, right-of-way, construction support, and construction engineering totaling \$116.2 million is on hold until funding can be identified.

Summary of Project Changes: TransNet funding identified in Fiscal Years 2016 and 2017 has been removed and unidentified funding increased by the amount of \$10.7 million.

Sidewalk Repair and Reconstruction / AIK00003

Trans - Ped Fac - Sidewalks

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Gefrom, Walter
Duration: 2010 - 2021	619-527-7509
Improv Type: New	wgefrom@sandiego.gov

Description: This annual allocation provides for the replacement of damaged sidewalks, curbs, and gutters Citywide.

Justification: This project replaces sidewalks, curbs, and gutters which have been damaged by City trees in areas near schools and parks and contributes to the City's ongoing efforts to promote walking as a mode of transportation.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the appropriate community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis and as funding is allocated.

Summary of Project Changes: General Fund contribution in the amount of \$3.6 million has been allocated to this project for Fiscal Year 2016. An additional \$1.0 million in Infrastructure Bond Financing was allocated to this project in Fiscal Year 2015.

Transportation & Storm Water

Sorrento Valley Rd & I5 Interchange / S00914

Trans - Roadway

Council District: 1	Priority Score: 50
Community Plan: Torrey Pines	Priority Category: Medium
Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 2007 - 2018	619-533-7492
Improv Type: New	lschaar@sandiego.gov

Description: The purpose of the project is to provide studies for traffic relief of local roadways within the Interstate-5/Sorrento Valley Road Interchange. Key stakeholder agencies (Caltrans, SANDAG, and NCTD) make up the Project Development Team (PDT) and are committed to the development and evaluation of project alternatives to enhance traffic flow and safety that will accommodate all modes of travel within the project site.

Justification: Traffic flow within the area is operating a low level of service and is severely impacted by stoppage for trains at the Coaster Station.

Operating Budget Impact: None. Future operating and maintenance funding for this project will be included in the Transportation & Storm Water budget when required.

Relationship to General and Community Plans: This project is consistent with the Mira Mesa and Torrey Pines Community Plans and is in conformance with the City's General Plan.

Schedule: Preliminary engineering began in Fiscal Year 2007 and will be completed in Fiscal Year 2016.

Summary of Project Changes: Following recommendations from the preliminary engineering phase, it is acknowledged that an agency larger than the City of San Diego will be required to lead this project in order to address regional issues. As such, the project will be turned over to Caltrans Division of Local Assistance. The decrease in project cost is attributed to the return of unused grant budget. In Fiscal Year 2015, City Council authorized via Resolution R-309677, adopted May 15, 2015, the transfer of TransNet Extension funding from this project to the Old Otay Mesa Road Westerly project (S00870) in the amount of \$214,206.

Transportation & Storm Water

State Route 15 Bikeway Study / S00731

Trans - Bicycle Facilities (All Class.)

Council District: 3, 9	Priority Score: 36
Community Plan: City Heights (Mid-City)	Priority Category: Low
Project Status: Warranty	Contact Information: Johnson, Brad
Duration: 1995 - 2016	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: This project provides for the construction of a bike route on the east side of State Route 15 from Landis Street to Adams Avenue.

Relationship to General and Community Plans: This project implements the Mid-City City Heights Community Plan and is in conformance with the City's General Plan.

Justification: This project provides the needed bikeway/bike path parallel with State Route 15 from Landis Street to Adams Avenue.

Schedule: Design was completed in Fiscal Year 2010. Construction began in Fiscal Year 2011 and was completed in Fiscal Year 2013. Plant establishment was completed in Fiscal Year 2015.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Transportation & Storm Water

State Route 56 Bike Interchanges / S00955

Trans - Bicycle Facilities (All Class.)

Council District: 1	Priority Score: 90
Community Plan: Black Mountain Ranch, Del Mar Mesa, Pacific Highlands Ranch, Rancho Penasquitos	Priority Category: High
Project Status: Continuing	Contact Information: Qasem, Labib
Duration: 2015 - 2018	619-533-6670
Improv Type: New	lqasem@sandiego.gov

Description: This project will provide for a bicycle path interchange and community connection points at Black Mountain Road, Camino Del Sur, Rancho Del Sol Way, and Torrey Meadows Drive along State Route 56.

Justification: Bicyclists and pedestrians traveling the SR-56 bicycle path and needing to cross through the interchange areas have to contend with high volumes of conflicting vehicular traffic. This project will expedite the movements along the bicycle path through and connecting to the interchange areas.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch, Del Mar Mesa, Pacific Highlands Ranch, and Torrey Highlands Subarea Plans and the Rancho Penasquitos Community Plan, and is in conformance with the City's General Plan.

Schedule: The project study report began in Fiscal Year 2006 and was completed in Fiscal Year 2008. Design and construction for SR-56 / Black Mountain Road began in Fiscal Year 2010 and were completed in Fiscal Year 2012. Remaining community bicycle paths will be designed and constructed once funding is identified.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the re-allocation of \$10,000 in TransNet funding to this project for "no turn on red" signals. The deappropriation of Prop A-(Bikeway) funding in the amount of \$892,472 was authorized by City Council in Fiscal Year 2015.

Transportation & Storm Water

State Route 56 Freeway Expansion / RD14000

Trans - Roadway

Council District: 1	Priority Score: N/A
Community Plan: Torrey Highlands, Black Mountain Ranch, Pacific Highlands Ranch, Del Mar Mesa	Priority Category: N/A
Project Status: Continuing	Contact Information: Tracanna, John
Duration: 2014 - 2020	619-533-3682
Improv Type: Widening	jtracanna@sandiego.gov

Description: This project provides for the conversion of the four-lane freeway into a six-lane facility. High occupancy vehicle lanes can be accommodated within the center median at some point in the future once regional funding is identified. This project will be completed in multiple phases as funding becomes available.

Justification: Due to the regional servicing nature of this freeway, it is anticipated that federal, State, or other outside funding for this segment of SR-56 will be obtained. In the absence of these other funding sources, development within the individual subareas of the North City Future Urbanizing area may be required to advance the cost of this project. See Project Page T-1.2B in the Torrey Highlands Public Facilities Financing Plan.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch, Del Mar Mesa, Pacific Highlands Ranch, and Torrey Highlands Subarea Plans, and is in conformance with the City's General Plan.

Schedule: A Project Study Report began during Fiscal Year 2015 to evaluate existing conditions and develop design alternatives for the future project.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309778, adopted June 23, 2015, to deappropriate \$2.0 million from the Black Mountain Ranch FBA, to be replaced by developer contributions. It is anticipated that additional Torrey Highlands Ranch Facilities Benefit Assessment funding in the amount of \$1.5 million will be allocated to this project per the Public Facilities Financing Plan in Fiscal Year 2016.

Streamview Drive Improvements / S00864

Trans - Roadway

Council District: 4	Priority Score: 53
Community Plan: City Heights (Mid-City)	Priority Category: Medium
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2007 - 2016	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for the installation of new raised median, new sidewalk including curb and gutter, and traffic circles on Streamview Drive from 54th Street to College Avenue. The first phase of the project is on Streamview Drive between Gayle Street and Lynn/Michael Streets.

Justification: This project provides for safety/capacity improvements on Streamview Drive from 54th Street to College Avenue to reduce excessive speeds, increase safety, and enhance visual impacts.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mid-City: City Heights Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2013 and was completed in Fiscal Year 2015. Construction is scheduled to begin and be completed in Fiscal Year 2016.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Street Light Circuit Upgrades / AIH00002

Trans - Roadway - Street Lighting

Council District:	Citywide	Priority Score:	Annual
Community Plan:	Citywide	Priority Category:	Annual
Project Status:	Continuing	Contact Information:	Gefrom, Walter
Duration:	2010 - 2020		619-527-7509
Improv Type:	New		wgefrom@sandiego.gov

Description: This annual allocation provides for the replacement of obsolete street light series circuits.

Justification: Series circuits are over 70 years old and no longer meet current standards and they constantly have maintenance problems which impact a large number of lights.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis as funding is identified.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the allocation of \$2.5 million in Proposition 42 Replacement funding to the project for street light circuit upgrades in the areas of Pacific Beach, Sunset Cliffs, Talmadge and Mission Hills/Presidio.

Talbot Street Slope Restoration / S00609

Trans - Roadway - Erosion/Slope/Ret Wall

Council District: 2	Priority Score: 72
Community Plan: Peninsula	Priority Category: High
Project Status: Warranty	Contact Information: Batta, Jamal
Duration: 2007 - 2016	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for the stabilization of the slope adjacent to Talbot Street at Martinez Street.

Justification: The winter storms of 2004 and 2005 eroded the steep slope adjacent to Talbot Street and threatened the houses at the top of the slope. This project is eligible for Federal Highways Administration (FHWA) reimbursement.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Peninsula Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2008 and was completed in Fiscal Year 2011. Construction began and was completed in Fiscal Year 2014. The warranty period continued through Fiscal Year 2015.

Summary of Project Changes: This project is complete and will be closed by the end of the fiscal year.

Project Status: Warranty	Contact Information: Schaar, Luis
Duration: 2008 - 2017	619-533-7492
Improv Type: New	lschaar@sandiego.gov

Description: This project provides for construction of a pedestrian bridge along Shoal Creek Drive to facilitate crossing Ted Williams Parkway.

Justification: The intersection is in close proximity to Shoal Creek Elementary School and has a high volume of children crossing Ted Williams Parkway. This project will increase pedestrian safety and was requested by City Council and the community.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Carmel Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Environmental approval was received in Fiscal Year 2011. Design began in Fiscal Year 2008 and was completed in Fiscal Year 2012. Construction began in Fiscal Year 2013 and was completed in Fiscal Year 2015 with the ribbon cutting ceremony held on September 4, 2014. The warranty period will be completed in Fiscal Year 2016.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309361, adopted December 12, 2014, reallocating \$250,000 in TransNet funding to this project to fully cover increased construction costs.

Improv Type:	New		galvez@sanidiego.gov

Description: This project provides for reimbursement to a developer for the design and construction of pedestrian lighting and a new sidewalk from Camino Del Rio South to Madison Avenue.

Justification: This project is in accordance with the City of San Diego Regional Transportation Congestion Improvement Program (RTCIP) Funding Program.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation and Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Greater North Park and Mission Valley Community Plans and is in conformance with the City's General Plan.

Schedule: Design and construction were completed in Fiscal Year 2013 and the developer will be reimbursed per the terms of a reimbursement agreement through the RTCIP Funding Program.

Summary of Project Changes: This project is complete and is anticipated to be closed by the end of the fiscal year.

Torrey Meadows Drive Overcrossing / S10015

Trans - Bridge - Vehicular

Council District: 1	Priority Score: 46
Community Plan: Torrey Highlands	Priority Category: Medium
Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 2010 - 2020	619-533-7492
Improv Type: New	lschaar@sandiego.gov

Description: This project provides for the design and construction of a two-lane overcrossing of Torrey Meadows Drive over State Route 56. This project will include the bridge approaches on each side of the bridge, approximately 200 linear feet of a two-lane local collector road, together with any right-of-way not previously acquired as part of the State Route 56 project. The City has a reimbursement agreement with developer to provide design and construction specifications for future construction of project.

Justification: This two-lane connection will provide access to the neighborhood park, elementary and high schools, and the local mixed use zone for those properties south of State Route 56. The project should alleviate traffic congestion on the Camino Del Sur Interchange and provide enhanced traffic flow.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Torrey Highlands Subarea Plan, the Torrey Highlands Public Facilities Financing Plan (PFFP Project T-9), and is in conformance with the City's General Plan.

Schedule: Preliminary design and preparation of environmental and planning documents began in Fiscal Year 2014. Project design began in Fiscal Year 2015 and is expected to be completed in Fiscal Year 2017. Scope of design and services has been specified in the executed Reimbursement Agreement (RA) between the City and Developer. Caltrans will provide oversight for the design and construction of the project. Construction is expected to begin in Fiscal Year 2017.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Transportation & Storm Water

Torrey Pines Improvements Phase I / S00613

Trans - Roadway

Council District: 1	Priority Score: 58
Community Plan: La Jolla	Priority Category: High
Project Status: Warranty	Contact Information: Johnson, Brad
Duration: 2010 - 2016	619-533-5120
Improv Type: Betterment	bjohnson@sandiego.gov

Description: This project provides for missing sidewalk segments, curb ramps, and reconstructing driveways along the north side of Torrey Pines Road from La Jolla Parkway to Prospect Place, as well as new sidewalk, retaining walls, curb ramps, and reconstructing driveways along the south side of Torrey Pines Road from Calle Juela and Roseland Drive. Future phases of this project will be included in Torrey Pines Road Improvements Phase 2 (S-15023) and may include improvements such as guardrails, median improvements, sidewalks, traffic signals and lighting, and installation of bike lanes and striping modifications.

Justification: Improvements are needed on Torrey Pines Road between La Jolla Parkway and Prospect Place in order to accommodate existing and future traffic volumes, and to provide for roadway features to enhance safety and traffic flow for vehicles, bicycles and pedestrians. A Corridor Study has been completed and potential improvements have been identified to enhance traffic safety and walkability along the Torrey Pines Road corridor.

Operating Budget Impact: Costs for operation and maintenance above and beyond the current levels within the project area will be included in the Transportation and Storm Water Department's budget during the final design phase.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design was completed in Fiscal Year 2011. Phase I design began in Fiscal Year 2013 and was completed in Fiscal Year 2014. Construction of Phase I improvements began in Fiscal Year 2015 and were completed in Fiscal Year 2015. Close out activities for this project will continue in Fiscal Year 2016.

Summary of Project Changes: Total project cost in this project was reduced by \$14.5 million to reflect improvements provided in Phase 1 of the project only. Torrey Pines Road Improvements Phase 2 will be constructed in CIP S-15023 as authorized by City Council in Fiscal Year 2015.

Project Status:	Continuing	Contact Information:	Antoun, Nevien
Duration:	2015 - 2019		619-533-4852
Improv Type:	Betterment		nantoun@sanidiego.gov

Description: This project provides an additional path of travel for pedestrians on the south side of Torrey Pines Road between Hillside Drive and Amalfi Street, a safe pedestrian crossing of Torrey Pines Road just westerly of Princess Drive, increase safety of bicyclists utilizing Buffered Bike Lanes along Torrey Pines Road from La Jolla Shores Drive to Prospect Street, and provide gateway into the La Jolla Village area by installation of a painted stamped asphalt median between Roseland Drive and Hillside Drive.

Justification: Improvements are needed on Torrey Pines Road between La Jolla Parkway and Prospect Place in order to accommodate existing and future traffic volumes, and to provide for roadway features to enhance safety and traffic flow for vehicles, bicycles and pedestrians. A corridor study has been completed and potential improvements have been identified to enhance traffic safety and walkability along the Torrey Pines Road.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design began in Fiscal Year 2015. A more detailed project schedule will be provided upon completion of pre-design phase.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized via Resolution R-309677, adopted May 15, 2015, the transfer of Regional Transportation Capital Improvement Program (RTCIP) funds in the amount of \$1.2 million from this project to the annual allocation for Traffic Signal Interconnect Systems (AIL00002).

Transportation & Storm Water

Torrey Pines Road Slope Restoration / S00877

Trans - Roadway - Erosion/Slope/Ret Wall

Council District: 1	Priority Score: 42
Community Plan: La Jolla	Priority Category: Low
Project Status: Continuing	Contact Information: Batta, Jamal
Duration: 2000 - 2017	619-533-7482
Improv Type: Betterment	jbatta@sandiego.gov

Description: This project provides for reconstructing a 350-foot section of earthen slope along the south side of Torrey Pines Road between Little Street and Roseland Drive.

Justification: The existing slope is eroding. This project will eliminate the possibility of soil slough landing in the travel lane of a primary arterial street.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the La Jolla Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2013 and was completed in Fiscal Year 2015. Construction is scheduled to begin and to be completed in Fiscal Year 2016.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized per Resolution R-309677, adopted May 15, 2015, the transfer of \$2.4 million in TransNet Extension funding from this project to the State Route 163/Friars Road project (S00851). A like amount of Regional Transportation Capital Improvement Program (RTCIP) funding was allocated to this project via the same action with no net effect to overall project budget.

Traffic Calming / AIL00001

Council District: Citywide
Community Plan: Citywide
Project Status: Continuing
Duration: 2010 - 2020
Improv Type: Replacement

Trans - Signals - Traffic Signals

Priority Score: Annual
Priority Category: Annual
Contact Information: Pence, Gary
 619-533-3184
 gpence@sandiego.gov

Description: This annual allocation provides for installing traffic control measures on an as-needed basis. These improvements respond to a variety of traffic concerns such as speeding motorists and shortcutting traffic. Solutions used may include the construction of flashing beacons and geometric design features such as road humps and traffic islands.

Justification: This annual allocation is needed to improve safety by mitigating traffic problems on streets such as speeding, shortcutting traffic, and the need for increased pedestrian safety.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the re-allocation of \$39,000 in TransNet funding to this project to facilitate the installation of electronic speed messaging signs. TransNet funding in the amount of \$1.0 million in Fiscal Years 2016 and 2017 previously identified for allocation to this project has been re-allocated to higher priority projects. \$100,000 of CIP Contributions from General Fund will be allocated to this project in Fiscal Year 2016.

Traffic Signals - Citywide / AIL00004

Council District: Citywide	Priority Score: Annual
Community Plan: Citywide	Priority Category: Annual
Project Status: Continuing	Contact Information: Hughes, Duncan
Duration: 2010 - 2020	619-533-3141
Improv Type: Replacement	drhughes@sandiego.gov

Description: This annual allocation provides for the installation of traffic signals at high-priority locations and the City's share of the costs of traffic signals undertaken in cooperation with others.

Justification: The City maintains an inventory of candidate intersections which are periodically surveyed for significant changes in operating conditions. Installing traffic signals in select intersections provides for the orderly movement of traffic, increased traffic handling capacity, reduced frequency of accidents, and for improved traffic flow. Signals also permit vehicles and pedestrians from a minor street to enter or cross continuous traffic on the major street. The criteria for installing traffic signals are governed by Council Policy 200-6.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: Uptown DIF funding of \$220,000 will be allocated to this project in Fiscal Year 2016 to meet required needs in existing new traffic signal projects.

Transportation & Storm Water

Traffic Signals Modification / AIL00005

Council District: Citywide
Community Plan: Citywide
Project Status: Continuing
Duration: 2010 - 2020
Improv Type: Replacement

Trans - Signals - Traffic Signals

Priority Score: Annual
Priority Category: Annual
Contact Information: Hughes, Duncan
 619-533-3141
 drhughes@sanidiego.gov

Description: This annual allocation provides for upgrading existing traffic signals as necessary to improve traffic flow and promote safety. Improvements may include conversion from post-mounted to mast-arm-mounted indicators, addition of pedestrian signals, and additional phases to accommodate separate turning moves.

Justification: The City maintains an ongoing program to promote safety within the public right-of-way. Analysis of accident patterns at a particular location often shows that some minor improvement would help to reduce the number and/or severity of accidents. In addition, increasing traffic volumes and changing traffic patterns typically reduce the effectiveness and efficiency of existing traffic signal controls at certain intersections, warranting upgrades.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the transfer of TransNet funding in the amount of \$591,943 from this project to the annual allocation for Resurfacing of City Streets (AID00005). TransNet funding previously identified for allocation in Fiscal Years 2016 and 2017 will be re-allocated to higher priority projects. Midway/Pacific Highway DIF funding of \$10,000 will be allocated for the upgrade of the traffic signal at Barnett and Midway. \$91,000 of CIP Contributions from General Fund will be allocated in Fiscal Year 2016. Additionally, \$350,000 of CDBG funding is anticipated in Fiscal Year 2016.

Triple Pipe Crossing Dennery Road / S10017

Trans - Roadway

Council District: 8	Priority Score: N/A
Community Plan: Otay Mesa	Priority Category: N/A
Project Status: Continuing	Contact Information: January, Frank
Duration: 2010 - 2020	619-533-3699
Improv Type: New	fjanuary@sanidiego.gov

Description: This project provides for constructing a triple pipe arch culvert beneath Dennery Road where the road spans Dennery Canyon to maintain the continuity of the Dennery Canyon Open Space link with the Otay River Valley and to accommodate the existing wildlife movement.

Justification: The alignment of Dennery Road will bisect a key wildlife corridor within the Otay Mesa Community. In order to minimize the disturbance, a wildlife undercrossing is proposed to provide an unobstructed corridor for wildlife movement between Dennery Canyon and the Otay River Valley.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Otay Mesa Community Plan and is in conformance with the City's General Plan.

Schedule: The design and construction of the triple pipe crossing will be performed by the subdivider responsible for the construction of Dennery Ranch Road and may be reimbursed from Otay Mesa Facilities Benefit Assessment funding under the terms of a reimbursement agreement.

Summary of Project Changes: The financial schedules have been updated for the programmed Facilities Benefit Assessment (FBA) funds per the Otay Mesa Public Facilities Financing Plan (PFFP).

University Avenue Mobility / S00915

Trans - Roadway - Enhance/Scape/Medians

Council District:	3	Priority Score:	53
Community Plan:	Greater North Park	Priority Category:	Medium
Project Status:	Continuing	Contact Information:	Johnson, Brad
Duration:	2007 - 2018		619-533-5120
Improv Type:	New		bjohnson@sandiego.gov

Description: The major elements of the University Avenue Mobility Project are restriping to provide painted medians and construction of raised medians, left turn pockets and improved lane widths, installation of enhanced pedestrian crosswalks, repainting of existing crosswalks, removal of parallel on-street parking, and re-striping select side streets to provide angled and head-in parking.

Justification: This project will significantly improve safety and mobility along the corridor for pedestrians, bicyclists, transit, and automobile traffic.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Greater North Park Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary design began in Fiscal Year 2007. The environmental process began in Fiscal Year 2009 and will be completed in Fiscal Year 2016. Design began in Fiscal Year 2013 and is scheduled to be completed in Fiscal Year 2017. Construction is scheduled to begin in Fiscal Year 2017 and is anticipated to be completed in Fiscal Year 2018.

Summary of Project Changes: In Fiscal Year 2015, \$2.0 million in Transnet funding was re-allocated to other high priority projects. Both phases of this project are scheduled to be constructed together in Fiscal Year 2017. Transnet funding in the amount of \$3.2 million will be allocated to this project in Fiscal Year 2017 for construction needs.

Utilities Undergrounding Program / AID00001

Trans - Roadway

Council District:	Citywide	Priority Score:	Annual
Community Plan:	Citywide	Priority Category:	Annual
Project Status:	Continuing	Contact Information:	Reyes, Mario
Duration:	2010 - 2020		619-533-7426
Improv Type:	Betterment		mreyes@sandiego.gov

Description: This annual allocation provides for additional underground conversion projects to augment the California Public Utilities Commission (CPUC) Rule 20A projects as well as provides for the necessary administrative expenses, conversion of City-owned street lighting, and resurfacing of roadways associated with the undergrounding of utilities.

Justification: The CPUC mandates that local utility companies allocate funding for undergrounding of utilities at the direction of the local municipality. San Diego Gas and Electric (SDG&E), AT&T, and the cable companies spend several million dollars annually to underground overhead facilities. The City must provide the utility companies with a priority listing of projects, aid coordination, establish underground utility districts, and give informational support. Construction costs for undergrounding are paid by utility companies in accordance with Public Utilities Commission Decisions 73078, 820118, and Case 8209. If not provided with administrative support, millions of dollars of utility company construction money could go unused. Additional underground conversion projects are funded through the City Undergrounding Surcharge Fund. This fund is used solely for the undergrounding of utilities and cannot be used for other purposes.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects are scheduled on a priority basis.

Summary of Project Changes: In Fiscal Year 2015, City Council authorized the re-allocation of \$15,083 in Capital Outlay funding from this project to the annual allocation for Americans with Disabilities Improvements. \$5.0 million in Underground Surcharge CIP funding will be allocated to this project in Fiscal Year 2016 through Fiscal Year 2020 to support on-going needs of the program.

Via de la Valle Widening / RD11001

Trans - Roadway

Council District: 1	Priority Score: N/A
Community Plan: Black Mountain Ranch	Priority Category: N/A
Project Status: Continuing	Contact Information: Abeyta, Angela
Duration: 2011 - 2017	619-533-3674
Improv Type: Widening	aabeyta@sandiego.gov

Description: This project provides for reimbursement to a developer for the reconstruction of Via de la Valle between San Andres Drive and El Camino Real West to a modified four-lane major street to accommodate existing and projected sub-regional traffic. Scope of the project includes modification of the traffic signals at San Andres Drive and El Camino Real West as required and the relocation of existing overhead utilities to underground locations. Via de la Valle between San Andres Drive and Interstate 5 will be restriped to six lanes. This is project T-32.1 in the Black Mountain Ranch Public Facilities Financing Plan.

Justification: This facility is required to accommodate traffic generated by new development in Black Mountain Ranch and surrounding communities as well as existing sub-regional traffic needs.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Black Mountain Ranch Community Plan and is in conformance with the City's General Plan.

Schedule: Preliminary engineering and design were completed in Fiscal Year 2014. Final design and construction are scheduled to begin in Fiscal Year 2016, with completion estimated in Fiscal Year 2017. Funds budgeted are for city oversight and verification of final costs. Refer to Volume III: Capital Improvements Program, Fiscal Year 2016 Adopted Budget Summary Table 23: Developer Credit Allocations to Capital Improvements for project budget and costs.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Village Loop Road / S00919

Trans - Roadway

Council District: 1	Priority Score: N/A
Community Plan: Pacific Highlands Ranch	Priority Category: N/A
Project Status: Warranty	Contact Information: Galvez III, Oscar
Duration: 2007 - 2016	619-533-3685
Improv Type: New	galvez@sanidiego.gov

Description: This reimbursement project provides for construction of Village Loop Drive, from the intersection of Del Mar Heights Road and Carmel Valley Road easterly to the property line (approximately 2,000 linear feet), as a four-lane collector roadway within a 108-foot right-of-way route providing access to the high school site and the core residential areas.

Justification: This project is dependent upon the development of the high school, community park, and core residential area including the village area of the community.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Pacific Highlands Ranch Public Facility Financing Plan and is in conformance with the City's General Plan.

Schedule: The developer (Pardee) advanced funding for this project and will be reimbursed from the Pacific Highlands Ranch Facilities Benefit Assessment (FBA) under the terms of a reimbursement agreement. Reimbursement is programmed from Fiscal Years 2006 through 2013.

Summary of Project Changes: This project has been completed by the developer (Pardee). Upon final reimbursement to the developer, this project will be closed.

Transportation & Storm Water

W Mission Bay Dr Bridge Over SD River / S00871

Trans - Bridge - Vehicular

Council District: 2	Priority Score: 70
Community Plan: Midway - Pacific Highway, Mission Bay Park, Peninsula	Priority Category: High
Project Status: Continuing	Contact Information: Schaar, Luis
Duration: 1997 - 2021	619-533-7492
Improv Type: Replacement	lschaar@sandiego.gov

Description: This project provides for replacing the existing four-lane West Mission Bay Drive bridge with a six-lane bridge, sidewalk, bike lanes, and shoulder improvements.

Justification: A six-lane facility is needed to accommodate both the existing and the projected future traffic volumes. It was determined that a bridge replacement was more cost effective than widening the existing bridge.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Bay Park Master Plan, Midway - Pacific Highway Community Plan, and the Peninsula Community Plan, and is in conformance with the City's General Plan.

Schedule: Preliminary engineering was scheduled to begin in Fiscal Year 1998; however, the scope changed from bridge widening to bridge replacement. Feasibility and environmental studies began in Fiscal Year 2001. Preliminary engineering and Environmental Document began in Fiscal Year 2009 and were completed in Fiscal Year 2013. Design began in Fiscal Year 2013 and was completed in Fiscal Year 2015. Construction is scheduled to begin in Fiscal Year 2017 pending allocation of funding.

Summary of Project Changes: In Fiscal Year 2015, TransNet funding in the amount of \$3.3 million was reallocated to higher priority projects via City Council Resolution R309357, adopted December 12, 2014. Also in Fiscal Year 2015, City Council authorized per Resolution R-309677, adopted May 15, 2015, the transfer of \$1.0 million in TransNet funds from this project to the Old Otay Mesa Road Westerly project (S00870). The same action authorized the appropriation of \$6.4 million from the Sea World Traffic Mitigation fund. This allocation replaces the TransNet funding identified in Fiscal Year 2017 as the City's match to grant funding. Federal Highway Administration (FHWA) grant funding, in the amount of \$97.5 million is anticipated be received in Fiscal Year 2017 for construction needs of the project.

Transportation & Storm Water

Watershed CIP / ACC00001

Drainage - Best Mgt Practices (BMPs)

Council District:	Citywide	Priority Score:	Annual
Community Plan:	Citywide	Priority Category:	Annual
Project Status:	Continuing	Contact Information:	Demich, Andrea
Duration:	2010 - 2020		858-541-4348
Improv Type:	Betterment		ademich@sanidiego.gov

Description: This project provides for the design and construction of watershed capital projects. These projects, in conjunction with non-structural water quality projects, address storm drain discharge water quality standards.

Justification: The purpose of these projects is to remove pollutants from storm water before it enters the City's public waterways or to reuse the storm water and keep it from entering public waterways. This results in reduced pollutants entering the ocean and various San Diego rivers and bays. These projects satisfy watershed-based water quality activity requirements in the Regional Water Quality Control Board's Municipal Storm Water National Pollutant Discharge Elimination System (NPDES) permit.

Operating Budget Impact: None.

Relationship to General and Community Plans: This project is consistent with the applicable community plans and is in conformance with the City's General Plan.

Schedule: Projects will be scheduled to address pollutants of concern within high priority watersheds and are planned based on regulatory requirements and as funding is allocated.

Summary of Project Changes: General Fund Contributions to the CIP in the amount of \$4.4 million will be allocated to this project in Fiscal Year 2016 to address ongoing needs and additional funding for Centralized and Distributed Green Infrastructure. An additional \$2.8 million in Infrastructure Bond funding was allocated in Fiscal Year 2015.

Transportation & Storm Water

West San Ysidro Blvd Streetscape / S00822

Trans - Roadway - Enhance/Scape/Medians

Council District: 8	Priority Score: N/A
Community Plan: San Ysidro	Priority Category: N/A
Project Status: Warranty	Contact Information: Chui, Gary
Duration: 2004 - 2016	619-533-3770
Improv Type: Replacement	gchui@sandiego.gov

Description: This project provides for public improvements along West San Ysidro Boulevard on the block located between Cottonwood and Via de San Ysidro. The improvements are the initial revitalization activities for the area and will consist of sidewalk improvements, new street trees, and ornamental street lamps.

Justification: The City of San Diego Redevelopment Agency and San Ysidro Business Improvement District have identified this public improvement project as a priority for the San Ysidro commercial district to help eliminate blight, spark new development, and increase business activity.

Operating Budget Impact: The operating and maintenance funding for this project has been included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the San Ysidro Community Plan and is in conformance with the City's Progress Guide and General Plan.

Schedule: Construction was completed in Fiscal Year 2006. Additional sidewalk improvements will be completed by the Developer in Fiscal Year 2015.

Summary of Project Changes: This project will be closed by the end of the fiscal year.

Westerly Extension of Hazard Center Dr / RD10001

Trans - Roadway

Council District: 7	Priority Score: N/A
Community Plan: Mission Valley	Priority Category: N/A
Project Status: Continuing	Contact Information: Johnson, Brad
Duration: 2010 - 2016	619-533-5120
Improv Type: New	bjohnson@sandiego.gov

Description: The construction of the Westerly Extension of Hazard Center Drive will provide for the construction of a two lane road from the eastern terminus of Hazard Center Drive to the existing road behind Fashion Valley Shopping Center.

Justification: This project will provide for the construction of the missing segment of Hazard Center Drive and when constructed, the road will provide enhanced traffic circulation which will benefit the community.

Operating Budget Impact: The operating and maintenance funding for this project will be included in the Transportation & Storm Water budget.

Relationship to General and Community Plans: This project is consistent with the Mission Valley Community Plan and is in conformance with the City's General Plan.

Schedule: Design began in Fiscal Year 2011 and was completed in Fiscal Year 2015. Construction began in Fiscal Year 2015 and will be completed in Fiscal Year 2016. This project is being designed and constructed by the developer.

Summary of Project Changes: No significant change has been made to this project for Fiscal Year 2016.

Transportation & Storm Water

Unfunded Needs List

Project	Project Total	Unidentified Funding	Percent Unfunded	Description
El Camino Real to ViaDeLaValle (1/2 mile) / S00856	\$ 33,024,434	\$ 3,200,000	9.7%	This project provides for replacing the existing two-lane bridge with a four-lane bridge and widening the existing two-lane roadway to a modified four-lane major road. A portion of the construction is currently unfunded.
W Mission Bay Dr Bridge Over SD River / S00871	126,153,823	12,636,070	10.0%	This project provides for replacing the existing four-lane West Mission Bay Drive bridge with a six-lane bridge. A portion of construction is currently unfunded.
Resurfacing of City Streets / AID00005	448,086,301	101,236,753	22.6%	This annual allocation provides for roadway resurfacing, repair and reconstruction of City streets are necessary to maintain the streets in serviceable condition and prevent deterioration of the roadway. The unidentified funding reflects the estimated amount needed to address the deferred capital needs of the City's streets based on condition assessments.
Midway Street Bluff Repair / S12005	320,883	82,000	25.6%	This project provides for the repair of the coastal bluff at the west end of Midway Street. A portion of construction is currently unfunded.
Drainage Projects / ACA00001	257,249,090	144,700,433	56.2%	This annual allocation provides for restructuring or replacing failed drainage facilities citywide. The unidentified funding amount reflects the estimated funding to address the deferred capital needs of the City's General Fund supported drainage projects based on condition assessments.
SR 163/Friars Road / S00851	122,089,351	76,636,159	62.8%	This project provides for reconfiguration of State Route 163 and Friars Road on and off-ramps and other Friars Road improvements. Future phases of this project are currently unfunded.
Interstate 5 Underpass-Bikeway/Ped Conn / S00982	1,651,010	1,116,010	67.6%	This project will provide the link between two existing bike/pedestrian paths: the regional bike connection that runs parallel to State Route 56 corridor, and the Sorrento Valley Road multi-use bike/pedestrian path. Construction phase is unfunded.
State Route 56 Freeway Expansion / RD14000	152,000,000	119,000,000	78.3%	This project provides for the conversion of the four-lane freeway into a six-lane facility. High occupancy vehicle lanes can be accommodated within the center median at some point in the future once regional funding is identified. This project will be completed in multiple phases as funding becomes available. The total estimated project cost of \$152 million includes an unfunded amount of \$119 million.
State Route 56 Bike Interchanges / S00955	9,147,503	7,222,940	79.0%	This project provides at-grade or grade-separated bicycle path interchange facilities along State Route 56. Future sections of the project are currently unfunded.
Torrey Pines Road Improvement Phase 2 / S15023	1,500,000	1,200,000	80.0%	This project provides an additional path of travel for pedestrians on the south side of Torrey Pines Road between Hillside Drive and Amalfi Street, a safe pedestrian crossing of Torrey Pines Road just westerly of Princess Drive, increase safety of bicyclists utilizing Buffered Bike Lanes along Torrey Pines Road from La Jolla Shores Drive to Prospect Street, and provide gateway into the La Jolla Village area by installation of a painted stamped asphalt median between Roseland Drive and Hillside Drive. The construction phase is currently unfunded.
La Media Road Improvements / S15018	39,147,800	32,891,110	84.0%	This project provides for improvements to La Media Road from approximately 650 feet north of Airway Road to approximately 200 feet south of Siempre Viva Road. The total estimated project cost of \$39.1 million includes an unfunded amount of \$32.9 million.

Transportation & Storm Water

Unfunded Needs List

Project	Project Total	Unidentified Funding	Percent Unfunded	Description
Coastal Rail Trail / S00951	21,905,818	18,425,629	84.1%	This project provides for construction of a bicycle route between the San Diego-Del Mar city limit and Downtown San Diego. Design and construction of future phases of the project are currently unfunded.
Street Light Circuit Upgrades / AIH00002	39,365,371	33,347,000	84.7%	This annual allocation will provide for the replacement of obsolete street light series circuits. Design and construction phases of additional locations needing replacement are currently unfunded.
Mission Beach Brdwalk Bulkhead Phased / L14004	9,857,000	9,257,000	93.9%	The existing boardwalk stretches from the southern limits at the Mission Beach Jetty north to Thomas Avenue, a distance of approximately 2.3 miles. Due to the length, traffic usage, and conditions of the existing boardwalk, the overall project construction is separated into five phases. Future phases of this is project are currently unfunded.
Sea World Dr/I5 Interchange Improvement / S00888	120,163,109	116,163,109	96.7%	This project proposes to realign and widen the southbound off-ramp, reconfigure the off-ramp intersection to eliminate the free right turn onto Sea World Drive, widen the eastbound approach to the southbound on-ramp, and increase storage on the overcrossing for the eastbound to northbound left turn at the northbound on-ramp. Construction phase is currently unfunded.

Capital Improvements Program

Glossary

ACCOUNTING PERIOD – The City of San Diego's fiscal year is divided into 12 accounting periods. Each accounting period is a month and may have two or three pay periods.

ADOPTED BUDGET – The Mayor and City Council's approved plan for the City's financial operations, which includes an estimate of expenditures and revenues for a given fiscal year.

AMERICANS WITH DISABILITIES ACT (ADA) – Americans with Disabilities Act, Public Law 336 of the 101st Congress, enacted July 26, 1990. The ADA prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation. It also mandates the establishment of telecommunications device for the deaf (TDD)/telephone relay services.

ANNUAL ALLOCATION – A specific project type which typically receives budget on an annual basis and that provides for the establishment of sublet projects which fall under the budgetary threshold guidelines.

ANNUALIZATION – Prorating expenditures for a portion of a year over 12 months for the purpose of estimating annual costs.

APPROPRIATION – A legal authorization to make expenditures and to incur obligations for specific purposes.

APPROPRIATION ORDINANCE – The official enactment by the City Council to establish legal authority for City officials to expend and obligate resources.

ASSET TYPE – Capital assets are generally large and expensive and expected to last for at least one year but may be required for decades of public use and include complex underground water distribution and wastewater collection systems to buildings, parks, streets, and bridges.

ASSET MANAGEMENT - Asset management is a strategic, comprehensive approach that involves systematic data collection and the analysis to provide City management with a framework for making sound decisions each fiscal year. Asset managers must make decisions on when and how to inspect, maintain, repair, renew, and replace a diverse set of existing facilities in a cost effective manner.

BOND – A funding tool representing a written promise to pay a specific sum (face value or principal amount) in the future (maturity date), plus interest. In California, municipal government bonds are only used to finance capital improvements.

BOND PROCEEDS – Funds derived from the sale of bonds for the purpose of constructing major capital facilities.

BUDGET – Proposed plan of expenditure and revenue over a specified period of time such as a fiscal year or accounting period.

BUDGET CALENDAR – The schedule of major events in the development of the annual budget including the proposed budget, budget hearings, budget deliberations, and the adoption of the annual Appropriation Ordinance.

Capital Improvements Program

Glossary

BUDGET DELIBERATIONS – The timeframe, after the completion of public hearings, of which the City Council reviews and amends or approves the Mayor's Proposed Budget.

BUDGET DOCUMENT – The instrument utilized to present the City's comprehensive financial plan to the City Council and the public.

BUSINESS IMPROVEMENT DISTRICT (BID) FUNDS – A special assessment levied upon business owners within a district with specifically defined boundaries established by City Ordinance. These assessments finance improvements within the district.

CAPITAL IMPROVEMENTS PROGRAM (CIP) BUDGET – A multi-year financial plan of capital projects and the authorized means of their expenditures over a given period of time.

CAPITAL IMPROVEMENT PROJECT – A capital improvement is generally a large construction project such as the development of park land, the construction of an overpass, the installation of a traffic signal, the acquisition of land, or the construction or remodeling of a City building. Funds for these projects are derived largely from the issuance of bonds, water and sewer fees, and a one-half cent local sales tax for transportation improvements (TransNet), grants, and developer impact fees.

CAPITAL IMPROVEMENTS PROGRAM ADVISORY COMMITTEE (CIPRAC) – This committee provides oversight for prioritizing and approving CIP projects for the annual budget process. CIPRAC is primarily comprised of the asset-owning department management to advise on CIP related matters such as project listings and prioritizations.

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) FUNDS – Funds established to account for revenues from the federal government and expenditures as prescribed under the Community Development Block Grant Program.

CONTINUING APPROPRIATIONS – Funding approved in prior fiscal years, but not expended within the respective fiscal year, are carried forward into subsequent fiscal years for their intended purpose.

CONTRACTS – Expenditures for services provided by outside organizations and businesses, including consultant and construction activities.

DEBT – Payment of interest and principal on an obligation resulting from the issuance of bonds.

DEFERRED CAPITAL – A capital program established for street pavement, buildings, and storm drains improvements funded through a series of deferred maintenance bonds.

DEPARTMENT – A basic organizational unit of government that may be sub-divided into divisions, programs, activity groups, and/or activities. Also referred to as Business Area.

DEFERRED MAINTENANCE – A backlog of needed repairs to City facilities or other assets such as streets, roof repairs, heating and cooling system upgrades, painting, floor covering repair, structural repairs, and slurry sealing of streets.

DEVELOPMENT IMPACT FEES (DIF) - Fees that are collected within urbanized communities which are near build-out to mitigate the impact of new development.

ENCUMBRANCE – An encumbrance designates or reserves funds for a specific purpose as approved by the appropriate authority. When the goods and services are received, the encumbrance is released and the expenditure is recorded for the actual costs.

Capital Improvements Program

Glossary

ENTERPRISE FUNDS – Funds established to account for specific services funded directly by fees and charges to users such as water and sewer services. These funds are intended to be self-supporting.

ENVIRONMENTAL GROWTH FUND (EGF) – This fund was established in accordance with Section 103.1a of the City Charter to receive 25 percent of all funds derived from the revenues accruing to the City from gas, electricity, and steam franchises.

EXPENDITURE – The actual outlay of monies from the City treasury.

EXPENSES – Charges incurred for operations, maintenance, interest, or other charges.

FACILITIES BENEFIT ASSESSMENT (FBA) - An FBA generally provides 100% of funds for public facilities projects that service a designated area of benefit and are identified in the Public Facilities Financing Plan (PFFP).

FEDERAL GRANT FUNDS – These funds were established to account for revenue from the federal government and expenditures as prescribed by grant provisions/agreements.

FISCAL YEAR (FY) – A 12-month timeframe designating the beginning and ending period for recording financial transactions. The City of San Diego has specified July 1 through June 30 as the fiscal year.

FIVE-YEAR FINANCIAL OUTLOOK – The Five-Year Financial Outlook includes revenue and expenditure forecasts which are based on various assumptions, such as economic conditions or previous policy decisions. The Financial Outlook serves as a long-range planning tool which identifies priorities, economic trends, risks and opportunities, and guides the City in the development of future budgets.

FULL-TIME EQUIVALENT (FTE) – The decimal equivalent of a part-time position converted to a full-time basis, i.e., one person working half-time would count as a 0.50 FTE position.

FUND – A fiscal and accounting entity with a self-balancing set of accounts to record revenues and expenditures.

GENERAL FUND – The City's main operating fund that pays for basic City services that use most of the City's tax revenue, such as public safety, parks, and library services. The General Fund is also supported by fees from licenses and permits, fines, and investment earnings.

GRANT – A contribution by a government or other organization to support a particular function.

INFRASTRUCTURE - The basic facilities, services, and installations needed for the functioning of a community, such as transportation and communications systems, water and power lines, and public institutions.

MAINTENANCE ASSESSMENT DISTRICT (MAD) FUNDS – Property owners within a specified district are assessed for the purpose of financing maintenance of open space areas, street medians, rights-of-way, and in some cases, mini-parks and streetlights.

MULTI-YEAR CAPITAL PLANNING (MYCP) Report – Introduces the current state of capital planning efforts, provides definitions to critical components of capital planning, identifies challenges in maintaining MYCP efforts, and outlines future efforts in continuously enhancing the MYCP.

Capital Improvements Program

Glossary

NON-PERSONNEL EXPENSE (NPE) – Expenditures related to supplies, contracts, information technology, energy and utilities, other, capital expenditures, and debt.

OPERATING BUDGET – Authorized expenditures for ongoing municipal services (e.g., police and fire protection, street maintenance, parks, and libraries).

OPERATING IMPACTS – An estimate of a capital project's ongoing operating expenses upon completion and the impact on the City's operating budget.

ORDINANCE – A law adopted by the City Council. Ordinances usually amend, repeal, or supplement the Municipal Code; provide zoning specifications; or appropriate money for specific purposes.

PERSONNEL EXPENSE (PE) – Expenditures related to employee compensation including wages and salaries, fringe benefits, retirement, and special pays such as shift differentials.

PROJECT TYPE - Project types are a more specific manner of categorizing the kind of improvement provided by each capital project.

PROPOSED BUDGET – The Mayor's recommendation for the City's financial operations, which includes an estimate of proposed expenditures and revenues for a given fiscal year. The proposed budget is delivered to City Council in April of each year.

PUBLIC FACILITIES FINANCING PLAN (PFFP) – These plans implements the improvement requirements set forth in a designated area and provides funding by the FBA.

REIMBURSEMENT – Fees received as payment for the provision of specific municipal services.

REGIONAL TRANSPORTATION CONGESTION IMPROVEMENT PROGRAM FEE (RTCIP) – Fees that were established to ensure that new development directly invests in the region's transportation system to offset the negative impact of growth on congestion and mobility. This fee is only applicable on new residential development.

REQUEST FOR PROPOSAL (RFP) – A document intended to elicit bids from potential vendors for a product or service. The quality of an RFP is very important to successful project management because it clearly delineates the deliverables associated with the project and establishes a framework for project execution. Ideally, RFPs stipulate the requesting organization's requirements and the conditions demanded of applicants clearly enough to minimize the possibility of misunderstandings and errors.

RESOLUTION – Formal expressions of opinion or intention of the City Council. Resolutions typically become effective upon their adoption.

REVENUE – Funds received from various sources and treated as income to finance expenditures.

SAN DIEGO ASSOCIATION OF GOVERNMENTS (SANDAG) – A public agency which serves as the forum for regional decision-making. SANDAG builds consensus; makes strategic plans; obtains and allocates resources; plans, engineers, and builds public transportation; and provides information on a broad range of topics pertinent to the region's quality of life.

SMART GROWTH – A development pattern that focuses on future community growth which maximizes the use of existing infrastructure (such as public transportation) while preserving open

Capital Improvements Program

Glossary

space and natural resources. Smart growth results in more housing and transportation choices for those who live and work within smart growth areas.

TRANSNET FUNDS – Funds derived from a one-half cent local sales tax, that is administered by SANDAG, which is used for traffic congestion relief and transportation improvements. In addition to roadway enhancements, TransNet Funds are utilized for bikeway and pedestrian projects.

UNFUNDED NEEDS LIST – A summary of projects with insufficient funding for project completion which identifies both the amount of funding required and the component of work that is not funded.

UNIDENTIFIED FUNDING – An amount required for project completion, but for which no funding source has been identified.
